Public Hearing

- The public hearing on the Dennison major subdivision was opened by Vice Chairperson Fred Swartz at 7 pm. Mr. Dennison provided maps and explained that he is proposing 8 residential lots with deed restrictions. Ted and Linda Firstein, Jim and Joan Petrie, and Doug Jordan examined the map. Mr. Firstein expressed concern about mobile homes being put on the lots. Mr. Dennison stated that the deed restrictions will prevent that. Ms. Petrie asked if current economic times warrant a housing development and questioned the way lots were configured. Mr. Dennison stated that he already has parties interested in purchasing lots. He added that the smallest lot size is just over 6 acres and that lots must comply with frontage requirements, accommodate wetlands, and provide buildable properties. Paul Gage commented that the Board of Health will check wells and septic systems. Hearing no further comments, Vice Chairperson Swartz closed the hearing at 7:10 pm.
