Infrastructure & Public Facilities: Councilor G.R. Horning stated that he had no report at this time.

APW Capital Project Vote: Anita Murphy, APW School Superintendent, explained the capital improvement project for the APW School District.

The scope of the project would provide an opportunity to make necessary repairs and complete preventative maintenance.

The project is estimated to cost \$4 million. The school would be reimbursed about .83 cents on a dollar.

The current staff would be conducting all work; little or no outside work/labor would be needed.

Among some of the renovations to be done are:

Elementary School-sidewalks and parking lot curbing.

Middle School-Roof.

Security upgrades in both buildings.

Boiler replacements and additional boilers.

Water storage tank removed and relocated.

Maintaining and repairing the school facilities and upkeep are critical.

Doug Houghton asked about how much the school had in Fund Balance? Superintendent Murphy responded around \$4 million.

Councilor G R. Horning stated that in his opinion the School Board has already overspent. Superintendent Murphy responded that they are on track with the current budget.

The Public Hearing for the project is on August 25, 2016 at 6 pm. at the JR./SR. High School. The vote is on September 6, 2016, 11 am - 8 pm at the JR./SR. High School.
