73

00:07:14.730 --> 00:07:21.060

153

00:14:13.620 --> 00:14:34.560

Mary Ann Phillips: And I don't know where the rest of you, CNN it. I know what you said with libel. But if it's changed at all, it depends on which one if you leave it the 26 or six point or six. If you change it and ask them to pay. Hey, it's 25 968 63 it's \$37 and 43 cents difference

154

00:14:36.690 --> 00:14:38.040

Mary Ann Phillips: I'm gonna stick with what I

155

00:14:39.180 --> 00:14:43.080

Gary Wood: Believe before I think we should just pay them at the next join meeting, see if

156

00:14:44.460 --> 00:14:47.520

Gary Wood: There's going to be the next notice. You know what I mean.

157

00:14:48.120 --> 00:14:49.710

Gary Wood: Okay, so do you have a question for

158

00:14:50.100 --> 00:14:51.630

Mary Ann Phillips: Us and emotion and Gary

159

00:14:53.010 --> 00:14:54.000

Gary Wood: I'll make a motion.

160

00:14:57.750 --> 00:15:01.440

Mary Ann Phillips: And that's for the 26 or 6.06 correct

161

00:15:01.950 --> 00:15:06.360

Mary Ann Phillips: Yes 6.06. Could we have a roll call vote, please.

162

00:15:10.770 --> 00:15:11.340

Town Clerk: Yes.

163

00:15:14.730 --> 00:15:15.300

Town Clerk: Yes.

164

00:15:19.110 --> 00:15:20.490

Town Clerk: Morning. Yeah.

165

00:15:24.420 --> 00:15:26.760

Town Clerk: Provider still up. No.

166

00:15:27.990 --> 00:15:29.730

Mary Ann Phillips: Motion carries. Yeah, for

167

00:15:30.540 --> 00:15:35.190

Mary Ann Phillips: You got three. Yes. Okay. The next one is general

168

00:15:36.480 --> 00:15:40.740

Mary Ann Phillips: Fun be whether our town outside of village, I'm

169

00:15:41.460 --> 00:15:58.980

Mary Ann Phillips: The only difference. The only reason this is here is because last month we transpose two numbers. We had 3795 it should have been 3975 for that lawn mower we transpose, those two numbers and the differences \$180 so I need a motion to approve general and I

170

00:15:59.670 --> 00:16:00.870

Mary Ann Phillips: Don't outside the village.

171

00:16:05.460 --> 00:16:09.630

Town Clerk: There, they're telling him that he needs a meeting ID number, not working.

172

00:16:11.400 --> 00:16:11.820

I'm sorry.

173

00:16:14.400 --> 00:16:14.730

John Dunham: I'll be

174

00:16:14.790 --> 00:16:20.430

Town Clerk: Taxed and said this on him. I need a meeting ID number. It's not working.

175

00:16:22.950 --> 00:16:24.150

Town Clerk: I gave you that I don't know.

176

00:16:24.480 --> 00:16:27.840

Meeting ideas 81506

177

00:16:29.010 --> 00:16:29.430

Paul Baxter: No.

178

00:16:30.120 --> 00:16:31.380

Mary Ann Phillips: That's not the meeting ID.

179

00:16:31.470 --> 00:16:39.180

Paul Baxter: One for the meeting tonight is 83697704348

180

00:16:40.140 --> 00:16:41.820

Mary Ann Phillips: What's different than what you gave me, Paul.

181

00:16:44.760 --> 00:16:48.900

Town Clerk: 83697704348

182

00:16:50.940 --> 00:16:54.090

Town Clerk: Is that correct, hold on a second, let me jump back

183

00:16:55.830 --> 00:16:57.900

John Dunham: So when I when I dialed in, as Paul

184

00:16:58.320 --> 00:17:03.420

Paul Baxter: Okay, there's, there's, did you dial. We're talking about the number you dialed in. And there's the meeting ID.

185

00:17:03.690 --> 00:17:10.230

Paul Baxter: THE NUMBER TO DIAL in is nine to nine tool 56099 you need a meeting ID, which is

186

00:17:10.260 --> 00:17:15.690

John Dunham: 836-970-4348 yes

187

00:17:15.720 --> 00:17:18.180

Mary Ann Phillips: That's the number he gave you, Kelly. Yeah.

188

00:17:19.320 --> 00:17:24.870

Town Clerk: Oh, he said 83697704348 yes

189

00:17:26.790 --> 00:17:28.800

Town Clerk: Okay, so then what else does he need

190

00:17:29.040 --> 00:17:38.700

Paul Baxter: That's all you need. If you dial into that that nine to nine area code number and it'll ask you for a meeting ID and you punch in that meeting ID that you get your right in

191

00:17:39.120 --> 00:17:40.290

Town Clerk: Hey. Hey.

192

00:17:41.340 --> 00:17:43.980

00:17:55.080 --> 00:17:57.990

Town Clerk: 8836 right yes

196

00:17:59.850 --> 00:18:02.790

Town Clerk: Okay, go ahead. I'll try to get it to him.

197

00:18:03.960 --> 00:18:23.550

Mary Ann Phillips: Okay. So anyways, back to be we're looking at \$180 differences strictly because we transpose the number last year. Last, last month, instead of being 3975 it was 3795 that's \$180 difference for that one claim claim number 101

198

00:18:24.420 --> 00:18:28.650

Mary Ann Phillips: So I need a motion to approve. Claim number one in \$180

290

00:24:47.550 --> 00:24:59.790

Mary Ann Phillips: Mr Dolan, we lost one he went to a port closer to home, shall we say. So we lost one and miss. Don't miss trying to replace them with this gentleman who moves and cereals wrote in

291

00:25:00.480 --> 00:25:01.920

Gary Wood: His name is jack Russell.

292

00:25:02.340 --> 00:25:07.290

Mary Ann Phillips: I would need a motion to approve him to fill that vacancy as a constable for the town court.

293

00:25:10.170 --> 00:25:11.310

John Dunham: I'm often emotion.

294

00:25:11.940 --> 00:25:12.210

Okay.

295

00:25:13.620 --> 00:25:13.980

Mary Ann Phillips: I'm sorry.

296

00:25:14.910 --> 00:25:16.590

Mary Ann Phillips: Okay, so there was Jan and Gary

297

00:25:18.240 --> 00:25:19.080

Mary Ann Phillips: Next one is a touchdown.

306

00:25:49.560 --> 00:26:05.280

Mary Ann Phillips: Oh, better actually talked about possibly the domain change. And it's something that has to be agreed to by both for town and village in order for us to do one can't do it without the other. I wasn't at the municipal or I'm sorry, the joint board meeting, I don't know.

307

00:26:06.510 --> 00:26:11.880

Mary Ann Phillips: If there was any decision or discussion at that time about it. But when I talked to Paul about it.

308

00:26:12.270 --> 00:26:25.380

Mary Ann Phillips: I guess originally when we started this the cross was like \$1,000 a year, then we went to this new this other one that we have right now and it's \$60 a year. If we go to this other one that possibly will be zero dollars a year but

309

00:26:25.410 --> 00:26:25.980

Mary Ann Phillips: Because we

310

00:26:26.850 --> 00:26:27.840

Mary Ann Phillips: Found a village both

311

00:26:28.110 --> 00:26:41.070

Mary Ann Phillips: Proven Paul had suggested, if we wait one year, it's going to cost the 60 bucks. This year, but wait when you're in, see if we can consider it at a joint board meeting to move forward for next year. Are you guys okay with putting it off till then.

312

00:26:43.230 --> 00:26:43.530

Gary Wood: Yeah.

313

00:26:45.480 --> 00:26:56.430

Mary Ann Phillips: Okay, so we'll put it on the next board meeting to discuss and see what what they want to do with that we may not do it right away. But when it comes time to do it or take care of that is that ok

314

00:26:56.910 --> 00:26:57.120

Now,

315

00:27:02.730 --> 00:27:04.230

Mary Ann Phillips: Board meeting.

316

00:27:05.250 --> 00:27:07.080

Mary Ann Phillips: Does that mean Doug's on

317

00:27:08.220 --> 00:27:10.260

Paul Baxter: Noise another notice it came up

318

00:27:11.310 --> 00:27:11.610

Mary Ann Phillips: Okay.

319

00:27:13.170 --> 00:27:14.220

Mary Ann Phillips: Okay, thank you.

320

00:27:16.080 --> 00:27:23.280

Mary Ann Phillips: I have a note here from Mr. Dolly asking for his I build in dolly as of April 1

321

00:27:23.610 --> 00:27:35.220

Mary Ann Phillips: I am I am retiring. I had asked her to be put up to the 24th, but he wanted to retire sooner so I can show you my sheet. I don't know if you guys got a copy of this or not. I may have put it in your box. If I didn't, I will

322

00:27:35.820 --> 00:27:41.850

Mary Ann Phillips: But he's asking to be retired to retire as of April 1 and I'm asking if you would accept it.

323

00:27:43.170 --> 00:27:45.030  
Mary Ann Phillips: His latter his note of retirement.

324  
00:27:45.540 --> 00:27:46.410  
John Dunham: He saw the

325  
00:27:47.610 --> 00:27:53.250  
Mary Ann Phillips: River in China right yes this is strictly as the me.  
Oh, for the highway department.

326  
00:27:54.780 --> 00:27:55.230  
John Dunham: Okay.

327  
00:27:55.680 --> 00:27:56.040  
Yeah.

328  
00:27:58.020 --> 00:28:08.040  
Mary Ann Phillips: Okay, so I need a motion and a second to accept this  
note that I received on the 15th that he was retiring. As of April 1  
novel. That's Richard. I need a second

329  
00:28:08.850 --> 00:28:09.420  
Gary Wood: No second

330  
00:28:10.410 --> 00:28:11.970  
Mary Ann Phillips: I need a roll call vote.

331  
00:28:18.090 --> 00:28:18.570  
Gary Wood: Yes.

332  
00:28:22.230 --> 00:28:22.800  
Town Clerk: Yes.

333  
00:28:26.820 --> 00:28:27.300  
Mary Ann Phillips: Yes.

334  
00:28:31.320 --> 00:28:31.800  
Mary Ann Phillips: Yes.

335  
00:28:33.030 --> 00:28:34.470  
Mary Ann Phillips: So there's four yeses.

336

00:28:34.770 --> 00:28:35.370

OK.

337

00:28:36.990 --> 00:28:42.030

Mary Ann Phillips: OK, I just for information. I wanted to share with you that I did complete the paperwork.

338

00:28:43.320 --> 00:28:50.820

Mary Ann Phillips: Through fiscal advisors for the next reason that will be borrowing. We just paid off last month 190,000 that was a year before.

339

00:28:51.180 --> 00:28:59.190

Mary Ann Phillips: And the \$7,000 interest. So I put in the paperwork, so that this year goes from 190 down to 145 strictly

340

00:28:59.760 --> 00:29:06.300

Mary Ann Phillips: Information. I just want you to know that I submitted the paperwork. I haven't received anything back from him and hopes that will get it this month.

341

00:29:06.960 --> 00:29:18.060

Mary Ann Phillips: You know this month is April to put back in the highway departments account. So it would be 145 that we're getting punished 45,000 that we're putting in for. So that was just information I did put the paperwork in

342

00:29:19.170 --> 00:29:19.710

Mary Ann Phillips: Okay.

343

00:29:21.450 --> 00:29:21.960

Sam Spataro: Board.

344

00:29:27.330 --> 00:29:31.110

Mary Ann Phillips: We talked about this zoom meeting, that's going to be set up for next

345

00:29:32.310 --> 00:29:44.850

Mary Ann Phillips: Thursday, April 30 at seven o'clock. Remember seven o'clock at 630. This is through date, the people that we hired to help us with this water project to discuss the RFP. Did everybody get copies of the Sharpies

346

00:29:45.570 --> 00:29:47.130

Gary Wood: Yep, I did.

347

00:29:48.060 --> 00:29:55.980

Mary Ann Phillips: And I know jack. I mean, you guys the email them to you but Kelly, you made copies for Doug and Richard. Yes, yes. You got yours and you made one for Doug

348

00:29:58.440 --> 00:29:58.980

Mary Ann Phillips: Now, of course,

349

00:29:59.070 --> 00:30:01.500

Town Clerk: Yeah, they all got it. Okay, I'm just asking the

350

00:30:01.500 --> 00:30:12.150

Mary Ann Phillips: Question. These are confidential documents. They're not to be discussed with the public, until we go through them. This meeting that has been set up on April 30 is an executive session.

351

00:30:12.570 --> 00:30:24.420

Mary Ann Phillips: So the only people that will be allowed in will be the board and we invite I've asked at the village be included, because I believe he sent the paperwork to the mayor.

352

00:30:25.740 --> 00:30:28.110

Mary Ann Phillips: Copies the same way he did us, not you, but

353

00:30:29.130 --> 00:30:33.600

Mary Ann Phillips: Us because we've got computers, where we could download it and print it and

354

00:30:34.830 --> 00:30:39.360

Mary Ann Phillips: Everybody is everybody going to be okay to have be at that meeting. And next Thursday.

355

00:30:42.360 --> 00:30:43.320

Gary Wood: Thursday isn't

356

00:30:43.890 --> 00:30:44.760

Mary Ann Phillips: THE 30th.

357

00:30:45.840 --> 00:30:48.060

Mary Ann Phillips: Yes, next Thursday. So week from tonight.

358

00:30:49.230 --> 00:30:52.020

Mary Ann Phillips: It's going to be a zoom meeting the same thing as it is right now.

359

00:30:53.700 --> 00:30:55.770

John Dunham: We have to be boring. So when you log in.

360

00:30:56.460 --> 00:30:57.810

Mary Ann Phillips: When I say it again. I'm sorry.

361

00:30:58.560 --> 00:31:01.410

John Dunham: Long as we get the paperwork ahead of time to login

362

00:31:01.950 --> 00:31:08.100

Mary Ann Phillips: Yep. I don't know if you send it to me already, bear with me. I'm looking, because I just dropped my paperwork. Thank you very much.

363

00:31:19.050 --> 00:31:20.010

Mary Ann Phillips: You sent me

364

00:31:21.330 --> 00:31:24.030

Mary Ann Phillips: Send us an invite.

365

00:31:27.000 --> 00:31:27.420

Over here.

366

00:31:28.470 --> 00:31:45.810

Mary Ann Phillips: And when did you send this April 14 he sent an email to all of us. Good morning, all I've scheduled a zoom meeting at 7pm on the 30th to view the proposals that were received by the town of Paris joint lot of projects for the trauma of Paris didn't want to project.

367

00:31:47.400 --> 00:31:48.990

Mary Ann Phillips: There are five proposals.

368

00:31:49.650 --> 00:31:58.110

Mary Ann Phillips: Received in total for the preferred proposals received refer from engineering firms. Did you guys get this email. Um, I don't know if you can see at

369

00:31:58.680 --> 00:31:59.190

My

370

00:32:00.870 --> 00:32:01.740

Gary Wood: Parish thing. Yeah.

371

00:32:02.190 --> 00:32:07.590

Mary Ann Phillips: Okay, so you did get it all right if you need more. I'll have him, send it again to make sure that he sent us the

372

00:32:09.030 --> 00:32:16.860

Mary Ann Phillips: signings and stuff because it's included in that email. Anyways, so we've asked at the village also

373

00:32:17.130 --> 00:32:18.180

Mary Ann Phillips: being invited

374

00:32:18.750 --> 00:32:24.990

Mary Ann Phillips: We would like to have their input as well. Understanding one thing, guys, we are pointing to the

375

00:32:25.530 --> 00:32:33.000

Mary Ann Phillips: Municipal agreement that we signed both Catherine and I signed it in August of 2018. The town is the liaison.

376

00:32:33.510 --> 00:32:47.940

Mary Ann Phillips: The town is the one that's borrowing the money going and debt contracting with anybody and everybody regarding this one project. It is our responsibility. Therefore, we are the ones that will be making the five of us will be making the decisions on

377

00:32:48.600 --> 00:32:53.010

Mary Ann Phillips: Whatever decisions have to be make you know engineers contracts, whatever it is that we've got to decide on

378

00:32:53.370 --> 00:32:56.070

Mary Ann Phillips: That will be the five of us will be doing in that

379

00:32:56.160 --> 00:33:00.240

Mary Ann Phillips: We will ask for input from the village, because they are hopefully going to be included on the

380

00:33:01.980 --> 00:33:05.280

Mary Ann Phillips: Getting the bottom line is the decision belongs to the five

381

00:33:05.400 --> 00:33:08.130

Mary Ann Phillips: Town board members as the liaison.

382

00:33:09.600 --> 00:33:15.420

Mary Ann Phillips: Everybody understand that I know Gary, you don't have a copy of it because you weren't here when we asked the

383

00:33:15.810 --> 00:33:26.460

Mary Ann Phillips: Next time I go to the office. I'll see if I can find one. And I'll make you a copy and get it to you. Everybody else should have a copy of that in a municipal agreement so anyways. Is everybody okay with them.

384

00:33:26.850 --> 00:33:27.180

Yeah.

385

00:33:28.530 --> 00:33:30.450

Mary Ann Phillips: Yeah okay and everybody's okay with

386

00:33:30.450 --> 00:33:35.190

Mary Ann Phillips: Being in that meeting next week. Again, it's going to be an exact so the only people that are going to be

387

00:33:35.190 --> 00:33:36.720

Mary Ann Phillips: allowed in. It will be the town.

388

00:33:37.620 --> 00:33:38.070

Board.

389

00:33:39.390 --> 00:33:40.950

Sam Spataro: The deputy, of course, the

390

00:33:41.190 --> 00:33:45.150

Mary Ann Phillips: Town purple be there to sign us in and saying this out and the village.

391

00:33:45.150 --> 00:33:45.600

Board.

392

00:33:47.760 --> 00:33:55.050

Mary Ann Phillips: And I think that's it will carry in those guys up there at North will be there because they're going to be discussing it with us. If you get a chance to review those those

393

00:33:55.530 --> 00:34:03.030

Mary Ann Phillips: Are please write down your questions. If you want to send them to carry early, that's fine. If you don't want me to that night to discuss them. That's fine to whatever is

394

00:34:03.030 --> 00:34:05.610

Mary Ann Phillips: Good for you, but I just wanted to make sure that we're all going to

395

00:34:05.610 --> 00:34:06.720

Mary Ann Phillips: Be able to hope, hopefully.

396

00:34:06.990 --> 00:34:07.890

Mary Ann Phillips: We'll be able to join us.

397

00:34:08.040 --> 00:34:09.780

Mary Ann Phillips: Be able to meet on

398

00:34:09.810 --> 00:34:12.540

Mary Ann Phillips: April 30th at seven o'clock to

399

00:34:12.540 --> 00:34:13.440

Sam Spataro: Gold, please.

400

00:34:14.640 --> 00:34:15.930

Mary Ann Phillips: Everybody okay with that.

401

00:34:17.370 --> 00:34:22.290

Mary Ann Phillips: Did you did you also get which I got late because he forgot to send it to me here.

402

00:34:23.280 --> 00:34:24.870

Mary Ann Phillips: My NASA send us a

403

00:34:26.040 --> 00:34:36.090

Mary Ann Phillips: Woman I gotta find a memorandum. It was dated April 16. I don't know if you can see the internet. It's a letter a memo to all of us.

404

00:34:36.270 --> 00:34:37.830

Mary Ann Phillips: You got the update on the

405

00:34:39.360 --> 00:34:39.930

Gary Wood: For them.

406

00:34:40.620 --> 00:34:41.190

Gary Wood: Doing an

407

00:34:42.480 --> 00:34:43.950

Gary Wood: Itemized Invoice and stuff.

408

00:34:44.490 --> 00:34:50.010

Mary Ann Phillips: A change is that we don't need to separate this was this was a dated April 16 he just said to me to

409

00:34:50.010 --> 00:34:59.670

Mary Ann Phillips: My home computer. He had sent it to my office and forgot to send them here. So I just got it. But it what it has on it is the schedule. That's why I'm calling it to your

410

00:35:01.890 --> 00:35:12.060

Mary Ann Phillips: Schedule. That's the proposals, the dates and everything. That's one of the reasons why they don't want to delay it past April 30 for us to meet instead discussing these are

411

00:35:12.750 --> 00:35:31.590

Mary Ann Phillips: Based on that schedule that he gave us also says in here that that dank has been in touch with the people that do the grants that we are the US. US. Ta whatever they are E f c and none of them are delaying paperwork, the governor signed a game, one of the

412

00:35:33.300 --> 00:35:34.650

Mary Ann Phillips: One of those things. He puts out

413

00:35:34.770 --> 00:35:35.700

Gary Wood: Executive orders.

414

00:35:36.510 --> 00:35:46.770

Mary Ann Phillips: Thank you, the executive orders. This that he is not delaying approving anything when it comes to water be a sewer or drinking water in the state in Europe, because of this pandemic.

415

00:35:47.130 --> 00:35:56.610

Mary Ann Phillips: So because he's not delaying neither are the people that do these grants. So there's a chance that some of them will become in sooner versus later. In fact, one of these. I think it gets submitted April.

416

00:35:56.850 --> 00:36:04.890

Mary Ann Phillips: Or may I and assign a first come first serve basis if you read that document with the schedule. He explains it up in that in that paragraph on that page.

417

00:36:05.310 --> 00:36:06.360

Mary Ann Phillips: So I just wanted to

418

00:36:06.540 --> 00:36:23.280

Mary Ann Phillips: Refer to that. And that's one of the reasons why he doesn't want to delay us the April 30 meeting to later and help us move forward. So I just wanted to call it to your attention, okay. As long as everybody got it. You know what he said, I don't have to tell you already. That's that one.

419

00:36:26.970 --> 00:36:35.310

Mary Ann Phillips: That was all that I had about. Oh. Are you guys okay with us, including the village in the meeting, I asked a couple of you. I think when I did the

420

00:36:35.580 --> 00:36:46.560

Mary Ann Phillips: Whole pole vault. I don't remember if I asked everybody, but are you okay with that we're inviting and including the village board into this April 30 meetings. So there is, you know, get the information, the same as we do.

421

00:36:46.950 --> 00:36:49.230

Gary Wood: Yeah, I think that's a good idea.

422

00:36:49.710 --> 00:36:51.960

John Dunham: Okay, are you there. Yes.

423

00:36:52.290 --> 00:37:01.260

Mary Ann Phillips: Okay, no. And I, and I don't have a problem was, like I said, sharing the information we want to try to be as transparent with everything sharing information with everybody.

424

00:37:02.010 --> 00:37:06.660

Mary Ann Phillips: These can't be public yet to make a decision. And I'm not sure if it's the only the one that we picked

425

00:37:07.050 --> 00:37:19.200

Mary Ann Phillips: Would be made public, not the restroom. I'm not sure how that works. I got to ask that question, but as it stands right now. Those are confidential and they need to be kept on behind closed doors, I guess, until we make a decision.

426

00:37:21.060 --> 00:37:24.390

Mary Ann Phillips: On that same page, right. Okay, anything else. Oh, the other one that

427

00:37:25.650 --> 00:37:36.240

Mary Ann Phillips: I got another email today, NASA when he gave us this great down for last week's bill that there was a concern about because they don't normally do this.

428

00:37:36.960 --> 00:37:52.530

Mary Ann Phillips: There will be a charge each month that we do this if this is the way we want the bills to be printed that they give us the breakdown of what the bills with the times are for what anybody was doing, it's going to be. I think it says on here. Bear with me because I gotta turn to the page.

429

00:37:53.130 --> 00:37:57.060

Gary Wood: 15,017 15 or 17,500

430

00:37:58.470 --> 00:38:16.530

Mary Ann Phillips: Yes, there's a 20 \$500 which would cover once a month, the bill through till April of 2021. I just want to make sure you're aware of it, because that's going to be an amendment to the contract. We didn't talk about doing it. It's an additional 20 \$500 to the contract that we've made with

431

00:38:17.640 --> 00:38:29.010

Mary Ann Phillips: Development Authority of the North Country. Is everybody okay with that that you want the itemized bill spelled out knowing that it's going to cost us 20 \$500 more because we didn't cover that before.

432

00:38:29.370 --> 00:38:31.110

Mary Ann Phillips: Okay, I got a question. Yes.

433

00:38:31.740 --> 00:38:41.640

Gary Wood: Sir, I don't know. Because like I said I'm not an attorney or anything, but I thought I read someplace where if there was a company or professional company.

434

00:38:42.480 --> 00:38:57.090

Gary Wood: Doing a contractual professional service to a town or municipality that that municipality without added charge has the right to itemized invoices, is that

435

00:38:57.090 --> 00:38:57.330

True.

436

00:38:58.920 --> 00:39:12.690

Mary Ann Phillips: No no no you're right and asking for the information you're not seeing it. You're not yes she was because we didn't cover it when we contracted with them the way that the first bill came in April with just numbers. Yeah.

437

00:39:12.930 --> 00:39:15.360

Mary Ann Phillips: That's the way they normally submit their bill.

438

00:39:15.660 --> 00:39:19.860

Mary Ann Phillips: And because we're asking them for specifics, which I'm not saying that you shouldn't have.

439

00:39:20.880 --> 00:39:23.790

Mary Ann Phillips: It's going to be an added cost to our contract.

440

00:39:24.000 --> 00:39:24.810

We didn't. I didn't

441

00:39:26.820 --> 00:39:28.170

Gary Wood: Join us for that to be generous.

442

00:39:29.070 --> 00:39:37.260

Mary Ann Phillips: Right, I didn't, I didn't even think about it. I just assumed it was going to be itemized bills and they're doing it the way they do it with other companies. So if we want it.

443

00:39:38.310 --> 00:39:40.860

Gary Wood: We don't don't have a problem with it because I think

444

00:39:41.220 --> 00:39:55.410

Gary Wood: The itemized part of it is really, I mean, I know I look at it and it all makes sense. I mean, and and being a public record which is going to be anybody could walk and look. No. Yeah, you did this, you did that, you know, it just all self explanatory. So

445

00:39:56.340 --> 00:39:58.680

Gary Wood: 2500 bucks. I don't know. I don't have a problem with that.

446

00:39:59.280 --> 00:40:00.870

Mary Ann Phillips: So you want to add it to the project.

447

00:40:02.820 --> 00:40:05.790

Gary Wood: I'm for it. So, but I don't know what everybody else's but

448

00:40:06.270 --> 00:40:11.820

John Dunham: Yeah, I'm for because I'll tell us what we did and itemizes toy to go

449

00:40:12.540 --> 00:40:19.590

Mary Ann Phillips: No, I don't have a problem that it's just I wanted to cover the cost to make sure that we're in agreement that it's going to be an additional 2500 Richard

450

00:40:20.580 --> 00:40:21.660

John Dunham: I'm agreeing on it.

451

00:40:22.110 --> 00:40:22.440

Gary Wood: Okay.

452

00:40:23.190 --> 00:40:38.880

Mary Ann Phillips: I need a motion and a second to amend the technical technical service agreement between the town of parish and the Development Authority of the North Country in the amount of \$2,500 which brings it to a total at this point of 17,500

453

00:40:39.240 --> 00:40:42.450

Gary Wood: And that's for the full 13 months. Yep, yep. Need an

454

00:40:42.630 --> 00:40:43.110

Mary Ann Phillips: Emotion.

455

00:40:43.770 --> 00:40:45.390

Gary Wood: I'm most important query.

456

00:40:47.190 --> 00:40:50.340

Mary Ann Phillips: Engine. Okay. Roll call, please.

457

00:40:52.770 --> 00:40:53.520

Mary Ann Phillips: Offer one

458

00:40:54.120 --> 00:40:54.600

Yes.

459

00:40:59.460 --> 00:41:00.060

Town Clerk: Yes.

460

00:41:03.960 --> 00:41:04.410

Mary Ann Phillips: Yes.

461

00:41:07.440 --> 00:41:10.020

Town Clerk: Provided supervisor Philip, yes.

462

00:41:10.620 --> 00:41:11.580

Mary Ann Phillips: So that's for yes

463

00:41:13.710 --> 00:41:14.280

I'm sorry.

464

00:41:16.110 --> 00:41:18.780

Town Clerk: My phone's gonna die over here you go.

465

00:41:21.150 --> 00:41:31.860

Mary Ann Phillips: We don't have too much. I don't think we have too much more to go. So okay, so we will have to sign that that will be known as Amendment number one to their, their contract, just so you all can make a note of that. Okay.

466

00:41:33.630 --> 00:41:42.480

Mary Ann Phillips: Anything else need to be discussed. I don't want to bring up any more than we have to. That's all I had, other than the meeting on the 30th remind you of that.

467

00:41:42.990 --> 00:41:53.400

Mary Ann Phillips: And I'm keeping my fingers crossed that may 21 we might be able to have a real public meeting per usual, that would be when it is at 630 but

468

00:41:54.060 --> 00:42:05.610

Mary Ann Phillips: He's, he's closed things and until May 15 I just the following week, let's see if he does it to May 15 and stamps or if he goes on to the end of May to the first did you, I don't know.

469

00:42:06.000 --> 00:42:06.480

We'll have to wait.

470

00:42:07.560 --> 00:42:22.230

Gary Wood: I heard a card got attained mass and stuff. And I've written for the highway department. So whenever you want him or whatever comes sign to kind of agreement, whatever, that's gonna they're gonna open. I mean, that saw a few guys

471

00:42:22.740 --> 00:42:27.660

Mary Ann Phillips: When I know it's up, it's up to us, but he hasn't called me. I know I knew this week. He didn't open

472

00:42:28.140 --> 00:42:41.670

Mary Ann Phillips: Because he couldn't get the masks, or the hand sanitizer. This was the week that he was going to try to shop around and get it and if he gets it. They may be opening Monday, but he hasn't talked to me at about it. So I'm not sure I think Albion what back a week ago.

473

00:42:42.000 --> 00:42:42.300

Gary Wood: Yeah.

474

00:42:43.140 --> 00:42:46.800

Mary Ann Phillips: But I just heard on the news today that Cortland county shut

475

00:42:48.390 --> 00:42:51.210

Mary Ann Phillips: shut their whole workforce will be laid off.

476

00:42:51.930 --> 00:42:57.090

Mary Ann Phillips: Early yeah I think with Courtney Tony said they're going to lead off the whole workforce.

477

00:42:57.510 --> 00:42:58.800

Gary Wood: They have to. They have an outbreak.

478

00:42:59.700 --> 00:43:01.560

Gary Wood: But they have an outbreak.

479

00:43:02.790 --> 00:43:07.710

Mary Ann Phillips: Up, I, I didn't hear nothing about it. But evidently they must have had something

480

00:43:07.980 --> 00:43:10.410

Mary Ann Phillips: Yeah. Wow. Okay.

481

00:43:11.430 --> 00:43:16.200

Mary Ann Phillips: I think they said roughly 75 people are going to be laid off it said

482

00:43:18.120 --> 00:43:23.640

Gary Wood: Lynn was just telling you this senator Barkley said not yet for Solano County. Maybe we got to check

483

00:43:24.150 --> 00:43:25.860

Mary Ann Phillips: This is Cortland kill me. He's talking about

484

00:43:26.070 --> 00:43:30.540

Gary Wood: Yeah, but Sam said, The Barclay saying not no no no opening efforts will County.

485

00:43:31.500 --> 00:43:34.410

Mary Ann Phillips: Wait, when you meet someone. We're working. I know.

486

00:43:34.440 --> 00:43:34.830

Gary Wood: Yeah.

487

00:43:35.070 --> 00:43:37.260

Mary Ann Phillips: Yeah, the county when they have to work last week.

488

00:43:39.060 --> 00:43:41.250

Gary Wood: So Tony, went back to work.

489

00:43:41.490 --> 00:43:41.790

Yeah.

490

00:43:43.500 --> 00:43:43.710

Mary Ann Phillips: Oh,

491

00:43:43.770 --> 00:43:46.380

Gary Wood: Yeah, we could go Monday really yeah

492

00:43:46.680 --> 00:43:48.660

John Dunham: You're doing a lot of road work.

493

00:43:49.050 --> 00:43:53.940

Mary Ann Phillips: Yeah, they went back to work a week ago, this past Monday, I just think they should be awful careful

494

00:43:54.360 --> 00:44:04.350

John Dunham: Yeah, there's only so many you can go in at a time. Everybody's wearing face masks for your spread on the trash is spread out on a highway. They're not together.

495

00:44:04.890 --> 00:44:05.310

John Dunham: Yeah.

496

00:44:05.850 --> 00:44:08.430

John Dunham: When the only way out. Yep.

497

00:44:08.790 --> 00:44:18.150

Mary Ann Phillips: And that, that'll be a good thing. So I'm waiting to hear from Greg, see if they're going to be going back Monday and that will see and I'll call you guys are text here whatever with the info. Okay, anything else.

498

00:44:18.720 --> 00:44:25.470

John Dunham: One thing we should be looking into. And I nosers few other cities are shutting down the Memorial Day celebration.

499

00:44:27.240 --> 00:44:27.390

Mary Ann Phillips: Is

500

00:44:28.110 --> 00:44:34.530

John Dunham: Think about and the governor's got it. Everything shut down. So the 31st of May, so

501

00:44:35.070 --> 00:44:38.280

Mary Ann Phillips: Yeah, yeah, he's got it to the 15th. Did he change it.

502

00:44:38.970 --> 00:44:47.670

John Dunham: That's being changed. They just got a notice out an email, but I just noticed a lot of places. They're not him on the Memorial Day celebration.

503

00:44:48.570 --> 00:44:48.990

Okay.

504

00:44:51.390 --> 00:44:52.500

Mary Ann Phillips: And is it hours.

505

00:44:52.770 --> 00:44:55.200

John Dunham: To do. No, that's the Legion.

506

00:44:56.460 --> 00:44:59.070

John Dunham: It's going to be notified and see what they're going to do.

507

00:44:59.700 --> 00:45:00.960

Mary Ann Phillips: Okay, so you can ask me, and the

508

00:45:00.960 --> 00:45:05.850

John Dunham: Reason, it's up to the town village upgrades in the village, but it's up to the town village.

509

00:45:07.080 --> 00:45:21.390

John Dunham: And we probably have to wait till May or whatever. But I know that city of phones, not having it Cydia Syracuse shut down on it. There's a few owners are all phones soon because it's a large gathering here.

510

00:45:21.450 --> 00:45:27.990

Mary Ann Phillips: Yeah, I think it's a good idea to shut it down until we get a clear answer it from the governor to start with.

511

00:45:28.350 --> 00:45:31.350

Town Clerk: Yeah, so we know where we stand.

512

00:45:31.350 --> 00:45:36.720

Mary Ann Phillips: Because God forbid if we get just one person got it say here in a founder berry.

513

00:45:38.550 --> 00:45:40.650

Mary Ann Phillips: You know they write down our next

514

00:45:40.950 --> 00:45:41.880

Gary Wood: Oh yeah, definitely.

515

00:45:44.220 --> 00:45:44.400

Mary Ann Phillips: Are

516

00:45:44.460 --> 00:45:49.590

Mary Ann Phillips: We, the four of us saying that as the town, we prefer that the Memorial Day celebration, not be

517

00:45:49.800 --> 00:45:50.640

Mary Ann Phillips: held this year.

518

00:45:51.390 --> 00:45:53.190

Gary Wood: Yeah, make that recommendation. Yeah.

519

00:45:53.490 --> 00:46:03.720

Mary Ann Phillips: Okay, I'm not asking for a vote, I just because I know the mayor is listening so she could probably take it to the village board and inform them what we read, we haven't done it in 100 years

520

00:46:04.500 --> 00:46:08.370

Gary Wood: Even if things happen to change and want to do it later in the summer.

521

00:46:08.550 --> 00:46:08.760

Yeah.

522

00:46:10.620 --> 00:46:17.490

Mary Ann Phillips: Let me ask you about the cleanup day which is only the first or second weekend in June, you

523

00:46:18.810 --> 00:46:24.900

Mary Ann Phillips: Next falling on us. I we look into, I don't know, because we're down there. We're going to be close together.

524

00:46:25.920 --> 00:46:26.250

Gary Wood: I know

525

00:46:26.310 --> 00:46:32.520

Gary Wood: North Syracuse. I just found out from a guy who weren't tonight that they can cancel doors until further notice.

526

00:46:33.030 --> 00:46:42.720

Mary Ann Phillips: We could always put it off for me. We could always put it off till July or August. I mean, you don't, we don't have to do it in June, but I we looking at saying we're not going to do it in June is my question.

527

00:46:44.040 --> 00:46:48.300

John Dunham: Yeah, it depends on Main turns out

528

00:46:49.290 --> 00:46:52.560

Mary Ann Phillips: So wait, so wait till the next meeting to make that decision.

529

00:46:53.070 --> 00:46:54.990

Mary Ann Phillips: Yeah, okay.

530

00:46:55.200 --> 00:46:56.700

Mary Ann Phillips: So clean up these questionable.

531

00:46:57.150 --> 00:46:59.430

John Dunham: Know it will give you four weeks. So, this

532

00:46:59.820 --> 00:47:10.680

John Dunham: To decide to him. And whenever but everything's up in the air until we find all the verbal he's getting better or we get a second wave of this virus. Yeah.

533

00:47:10.890 --> 00:47:12.030

Mary Ann Phillips: Okay. Nope.

534

00:47:12.090 --> 00:47:18.660

Mary Ann Phillips: No problem. I just wanted to ask because I don't want to have us do all the work. If we're going to just delay it, which I don't have a problem delaying it

535

00:47:19.830 --> 00:47:22.050

Mary Ann Phillips: To try to get it going. All right. Okay.

536

00:47:22.380 --> 00:47:29.070

John Dunham: Anything else does anybody in our schools are going open on the 15th or be closed toe may 31

537

00:47:30.420 --> 00:47:45.840

Gary Wood: Schools are not opening not Lynn does that zoom every day with the schools, he could. That's where she works and from what they've been saying the principles and stuff and saying they're not going to open for the governor's out open them for the rest of the year.

538

00:47:46.680 --> 00:47:57.720

Mary Ann Phillips: Yeah, he hasn't said that, but he probably doesn't want to come out and see if he probably was dragging his feet, but I haven't heard on the schools. He executive orders. I got haven't covered the school.

539

00:47:58.410 --> 00:47:59.340

Gary Wood: What was that last

540

00:48:00.090 --> 00:48:06.480

Gary Wood: Speech here the other day and and a reporter asked him, and he says no. Squeeze get 700 and something districts. He says,

541

00:48:06.900 --> 00:48:19.020

Gary Wood: And there might be some that say they want open and everything, but he says no, they're not open any says there's. It could be a long process and we haven't even started to go down that road. So probably

542

00:48:19.950 --> 00:48:30.810

Gary Wood: This year for this school year is probably going to be done. Okay, it's probably going to be you're not probably you're probably not going to see buses and kids back to school to school year, you know,

543

00:48:31.410 --> 00:48:34.920

Mary Ann Phillips: I feel so bad for the seniors they miss out on the grid.

544

00:48:35.340 --> 00:48:37.170

Mary Ann Phillips: Yeah yeah

545

00:48:37.980 --> 00:48:38.670

Gary Wood: That's terrible.

546

00:48:39.210 --> 00:48:45.000

John Dunham: Well, one of the things are going to go through and disinfect the halls and everything else. And that's what

547

00:48:45.000 --> 00:48:46.710

John Dunham: We're prepared for

548

00:48:47.430 --> 00:48:48.390

Gary Wood: I'd like to add

549

00:48:48.960 --> 00:48:59.160

Gary Wood: I like to add, I'd like to thank Paul Baxter for setting this up. I think it went pretty good, but my first time doing it. Thank you, Paul. It's, it's worked out pretty good. I believe

550

00:48:59.730 --> 00:49:00.780

Mary Ann Phillips: Yeah, I think so too.

551

00:49:01.350 --> 00:49:03.330

Mary Ann Phillips: Yeah, I appreciate your

552

00:49:03.840 --> 00:49:09.120

Mary Ann Phillips: You have all this technology that we don't have to worry about you do it for us.

553

00:49:09.210 --> 00:49:10.860

Paul Baxter: Thank you so much, appreciate it. Welcome.

554

00:49:11.520 --> 00:49:12.450

Mary Ann Phillips: To your better page.

555

00:49:19.230 --> 00:49:22.770

Mary Ann Phillips: Studied get in trouble for that anything else.

556

00:49:24.090 --> 00:49:25.200

Gary Wood: Everybody stay safe.

557

00:49:26.280 --> 00:49:28.410

Mary Ann Phillips: Okay, I need a motion to adjourn.

558

00:49:28.860 --> 00:49:30.480

John Dunham: I make a motion to adjourn.

559

00:49:30.750 --> 00:49:31.350

A second

560

00:49:32.700 --> 00:49:35.100
