00:07:54.810 --> 00:07:55.890

Parish Planning Board: And it is recording

2

00:07:58.440 --> 00:08:00.240

Parish Planning Board: Turn your volume down because of feedback.

3

00:08:04.050 --> 00:08:08.790

Parish Planning Board: Because this one's reporting as well unless you want to be the host and take over the meeting. I know.

00:08:11.400 --> 00:08:16.500

Parish Planning Board: I can. I think I can hear thing now is that better obviously it's absolutely. Yep.

5

00:08:18.630 --> 00:08:19.140

Parish Planning Board: All right.

6

00:08:20.640 --> 00:08:22.260

Now I'm calling anthem.

7

00:08:23.730 --> 00:08:24.270

Meaning of the

8

00:08:28.200 --> 00:08:28.680

Order.

9

00:08:32.700 --> 00:08:35.430

Parish Planning Board: Public Hearing tonight surveyors appear

10

00:08:37.650 --> 00:08:38.910

Parish Planning Board: So I don't know.

11

00:08:41.370 --> 00:08:42.780

Parish Planning Board: Jacqueline Thomas and

12

00:08:43.080 --> 00:08:45.840

William Scriber: Linda power. The crowd property he drove

13

00:08:47.640 --> 00:08:48.780

Parish Planning Board: Yes, grew

14

00:08:55.740 --> 00:08:58.020

William Scriber: Up right here I can see you.

15

00:08:59.250 --> 00:08:59.670

Parish Planning Board: Sorry about that.

17

00:09:06.780 --> 00:09:09.180

Parish Planning Board: Please Kevin Dwyer here.

18

00:09:20.010 --> 00:09:21.870

Parish Planning Board: Bill driver.

19

00:09:22.380 --> 00:09:22.740

Here.

20

00:09:27.630 --> 00:09:29.850

Parish Planning Board: And then McDonald's.

21

00:09:31.500 --> 00:09:32.520

Parish Planning Board: Many students

22

00:09:33.090 --> 00:09:34.680

Parish Planning Board: Had a coffin know

23

00:09:37.350 --> 00:09:43.140

Parish Planning Board: So I guess that I have to close on the public area. Is there anybody in the way you're all

24

00:09:44.400 --> 00:09:45.990

Parish Planning Board: Nobody in the waiting room right now.

25

00:09:47.580 --> 00:09:53.460

Parish Planning Board: Up to this is a proponent have to be present for you to conduct a public hearing and kind of comments.

26

00:09:59.280 --> 00:10:02.910

Parish Planning Board: Additionally, there has been a requirement indoors. You're right.

27

00:10:07.980 --> 00:10:14.850

William Scriber: If you have the plan and the public hearings for the public to make comments so

28

00:10:15.900 --> 00:10:28.500

William Scriber: If there's no public comments you still. I mean, you still have the hearing, and you have to take the comments into account so you can still have the hearing, and if no one comments.

29

00:10:29.700 --> 00:10:34.200

William Scriber: Then they don't comment but the hearing is still valid. All right.

30

00:10:35.340 --> 00:10:36.000

I understand.

31

00:10:37.620 --> 00:10:38.190

Parish Planning Board: I've had

32

00:10:38.400 --> 00:10:44.610

Parish Planning Board: Contact from two neighbors. The Wilsons and the Pearson

33

00:10:47.910 --> 00:10:48.510

Parish Planning Board: Pearson

34

00:10:49.980 --> 00:10:50.670

Parish Planning Board: Question the

35

00:10:51.990 --> 00:11:00.390

Parish Planning Board: Extra this the site. And I explained it to him. He was asking questions which pertains to the code officer.

36

00:11:01.560 --> 00:11:15.120

Parish Planning Board: In Gemini your talk in the world is a obviously I must have answered this question because he's not waiting room or not here. I didn't, I didn't get in the

37

00:11:17.940 --> 00:11:19.980

Parish Planning Board: Mix meeting number so he could be here.

38

00:11:21.060 --> 00:11:22.650

Parish Planning Board: Who is that, again, it was

39

00:11:24.510 --> 00:11:33.420

Parish Planning Board: Trying to think here says, because we do have a Margaret Wilson in the waiting or articles and was the second one. Yeah, she's in the waiting room. All right.

40

00:11:36.090 --> 00:11:36.960

Parish Planning Board: Man She's already in

41

00:11:37.500 --> 00:11:39.720

Margaret Wilson: I do not have a specific question, though.

42

00:11:40.920 --> 00:11:41.430

Parish Planning Board: Army

43

00:11:41.970 --> 00:11:45.180

Margaret Wilson: I do not have a specific question.

44

00:11:45.600 --> 00:11:45.990

Okay.

45

00:11:48.690 --> 00:11:50.700

Parish Planning Board: Basically, so you're, you're just listening. Yeah.

46

00:11:51.480 --> 00:11:52.170

Correct.

47

00:11:54.720 --> 00:11:57.000

Parish Planning Board: I don't know if you heard me say that

48

00:11:57.300 --> 00:11:59.940

Parish Planning Board: Mr. Brown here with the baptism. Yeah.

49

00:12:01.200 --> 00:12:02.250

Parish Planning Board: Surveys, but

50

00:12:04.230 --> 00:12:15.660

Parish Planning Board: We've gone over the third phase is the last meeting and he was supposed to put it in contour lines and get get back with the map. So I've been the wake of renewable final review and sign

51

00:12:17.070 --> 00:12:36.000

Parish Planning Board: They saw it. I want to. So, you know, I think I explained it to you earlier. Leave the site plan is they're taking one and a half acres out of 23 acres to build a residence, I believe, for for Jacqueline Thomas's mother.

52

00:12:37.650 --> 00:12:37.980

Parish Planning Board: And that's

53

00:12:52.950 --> 00:12:56.340

Parish Planning Board: Anyone else. Nope. Nobody else is in the waiting room right now.

54

00:13:01.950 --> 00:13:04.350

645 minutes

55

00:13:06.240 --> 00:13:12.660

Request respectfully request that you indicate in the minute that the meeting, but in any given time to open

56

00:13:17.460 --> 00:13:19.140

Parish Planning Board: Okay, thank you, Gary, I'm getting

57

00:13:21.750 --> 00:13:26.130

Parish Planning Board: A little nervous as a service here. Okay, so I at this time and six.

58

00:13:28.410 --> 00:13:29.730

Parish Planning Board: Close to the public hearing

59

00:13:32.160 --> 00:13:32.670

William Scriber: For the

60

00:13:33.840 --> 00:13:36.600

Jacqueline Thomas fellas site or

61

00:13:38.790 --> 00:13:39.570

Something

62

00:13:41.310 --> 00:13:43.860

And now I guess we can go ahead and open the regular meeting.

63

00:13:47.190 --> 00:13:51.060

Parish Planning Board: That was, that was the basis of tonight's meeting was nice. I

64

00:13:55.350 --> 00:13:55.680

Guess.

65

00:13:57.120 --> 00:14:01.320

Parish Planning Board: I can, at this time, however, I do. That was one of the things

66

00:14:02.910 --> 00:14:05.580

We do. Now here's the secret.

67

00:14:31.290 --> 00:14:31.620

After

68

00:14:32.880 --> 00:14:34.050

Parish Planning Board: I checked it over.

69

00:14:40.080 --> 00:14:43.890

Parish Planning Board: to page three, Miss. Miss Thomas did it herself so

70

00:14:45.300 --> 00:14:47.490

Parish Planning Board: She went on the website itself.

71

00:14:55.500 --> 00:14:58.230

William Scriber: Well, does it list any wetlands in the area.

72

00:14:59.130 --> 00:14:59.940

Parish Planning Board: Are many people

73

00:15:00.480 --> 00:15:01.680

William Scriber: Does it list any

74

00:15:02.730 --> 00:15:04.170

William Scriber: Land that area.

75

00:15:07.950 --> 00:15:08.520

Parish Planning Board: I know

76

00:15:10.590 --> 00:15:16.590

Parish Planning Board: Paul, why don't you wait just a second. I'm gonna see if I can turn down the volume on this one. So you can turn up the volume on yours.

77

00:15:22.260 --> 00:15:23.850

Parish Planning Board: I know I don't recall

78

00:15:30.720 --> 00:15:31.020

Parish Planning Board: The

79

00:15:37.080 --> 00:15:39.450

William Scriber: shaker. It will show a map.

80

00:15:40.650 --> 00:15:44.460

William Scriber: And it will list the nations of the proper

81

00:15:45.330 --> 00:15:45.750

Right.

82

00:15:48.300 --> 00:15:48.870

William Scriber: Right off.

83

00:15:48.930 --> 00:15:51.720

Parish Planning Board: When turning your sound off. Now I think will be here on the

84

00:15:51.930 --> 00:15:52.770

Parish Planning Board: Feedback problem.

85

00:15:56.940 --> 00:16:00.360

William Scriber: Got what you're reading right now there's a wetland designated

86

00:16:03.000 --> 00:16:03.660

Let me see. I

87

00:16:08.640 --> 00:16:09.600

Don't know.

88

00:16:13.980 --> 00:16:14.250

Nothing.

89

00:16:15.540 --> 00:16:19.980

Parish Planning Board: Like bodies. Okay. Question 13 at wetlands.

90

00:16:21.090 --> 00:16:21.900

Parish Planning Board: Or other

91

00:16:23.940 --> 00:16:26.490

Parish Planning Board: Regulated waterways. Yes.

92

00:16:27.720 --> 00:16:36.690

Parish Planning Board: If you're mapping information on local and federal wetlands and water is known to be

93

00:16:38.430 --> 00:16:41.100

Parish Planning Board: Incomplete refer to as

94

00:16:43.680 --> 00:16:51.840

William Scriber: Okay, so there isn't a wetlands on it because if it was a map wetland, it would it would show up on that. That was my only question.

95

00:16:52.290 --> 00:16:57.000

Parish Planning Board: Okay, no answer that, then I get the answer you were looking for Bill

96

00:16:58.620 --> 00:17:02.790

William Scriber: That's it. If it doesn't show up on the on the automated speaker.

97

00:17:03.930 --> 00:17:10.290

William Scriber: That that she did done. It's not a wetland. I mean, any of the areas that she's building out. Okay.

98

00:17:33.240 --> 00:17:36.270

Parish Planning Board: Okay. Why don't you turn us down and I'll try turning mine way up.

99

00:17:39.300 --> 00:17:39.660

Parish Planning Board: Down.

100

00:17:41.010 --> 00:17:41.970

Parish Planning Board: Okay, let's try it now.

104

00:18:55.980 --> 00:18:58.410

Parish Planning Board: Eric again to your agenda.

158

00:24:07.320 --> 00:24:07.560

Here.

159

00:24:10.320 --> 00:24:19.710

Parish Planning Board: Alright, see you guys think that actually is now that's as far as we've moved on this point, because without do a little survey next weekend.

160

00:24:21.090 --> 00:24:23.130

Parish Planning Board: We're at a standstill on

161

00:24:24.870 --> 00:24:25.080

William Scriber: That

162

00:24:25.140 --> 00:24:29.430

Parish Planning Board: That was, that was the basis of our business tonight.

163

00:24:30.840 --> 00:24:32.580

Parish Planning Board: I would like to get the

164

00:24:33.600 --> 00:24:35.430

Parish Planning Board: CEO of ZTE or a chance to give

165

00:24:35.760 --> 00:24:41.250

Parish Planning Board: Jim burns a chance to he has a question for the board up

166

00:24:43.170 --> 00:24:48.480

Parish Planning Board: You see what we can come up with. Yes. I have a question regarding the police station.

167

00:24:49.560 --> 00:24:58.110

Parish Planning Board: And they're pretty new cannot be in with some new side. Okay, and what I don't have. This design is that they're going to put up

168

00:24:58.350 --> 00:24:59.130

Parish Planning Board: What do they

169

00:24:59.190 --> 00:25:10.020

Parish Planning Board: Require to tell me for you for because it can be as the same size. I just don't know whether I could have them come to you for scientists

170

00:25:12.090 --> 00:25:19.950

Parish Planning Board: They would be under the I'll say chronic zoning because they knew something, it's not been approved town. Yeah, well it's a village. This is a village initial story.

171

00:25:21.000 --> 00:25:23.580

Parish Planning Board: In Jim and Jim and I discussed it in

172

00:25:23.640 --> 00:25:38.700

Parish Planning Board: In it says that quite he's asking the question, because it says in our in the zoning laws that we, in other words, any signing has to come before the planning board for a site plan review.

173

00:25:40.500 --> 00:25:45.930

Parish Planning Board: And the question was, if they're staying with the same signage and overhead.

174

00:25:47.670 --> 00:25:53.070

Parish Planning Board: I don't have any pictures of the old signage. So once it was gone I

175

00:25:55.020 --> 00:26:04.290

Parish Planning Board: Knew but I don't know. It's a think down there. They're fine. They led wordright there on the offer and I know that the key and

176

00:26:05.370 --> 00:26:13.680

Parish Planning Board: The best might not be canopy was just basically a metal structure. So some milk or golf whichever and the pumps just had the standard

177

00:26:15.450 --> 00:26:19.260

Parish Planning Board: Change card price prices. Yeah, they were

178

00:26:20.760 --> 00:26:37.170

Parish Planning Board: Testing the LED pumps, you know, yeah, they're reading out of mine. I mean, if we I'd say just, just to be as good as one of the guys. One of the to go into groups for the joint planning, whether it's a, you know, joining so they come before us and can be safe.

179

00:26:38.220 --> 00:26:40.320

Parish Planning Board: And they'll put their plan on paper.

180

00:26:41.610 --> 00:26:43.440

Parish Planning Board: And it looks like obviously and

181

00:26:44.730 --> 00:26:49.080

Parish Planning Board: They get to you or you can get with the chairman and we can course.

182

00:26:50.400 --> 00:26:53.610

Parish Planning Board: You got to coordinate many we can get awkward looking at

183

00:26:54.960 --> 00:27:07.590

Parish Planning Board: Yeah, I have to do is see how the board fields, as I mentioned, deal with it was thought we're going to hold things up a lot. I think we have that minor issue. We should probably have an emergency meeting.

184

00:27:09.960 --> 00:27:19.050

Parish Planning Board: Because it's it's two separate contractors. One is doing the canopy right there'll be another contractor doing the signage on the canopy.

185

00:27:20.130 --> 00:27:29.490

Parish Planning Board: And that's where I just have to notify the owners as to which way to proceed with it because I only approved the canopy. I didn't approve any signage on. All right.

186

00:27:30.180 --> 00:27:39.750

Parish Planning Board: Yeah, because we don't want him putting something up and all sudden we wind up with blinking lights turning down means to exactly somebody think if there was an incorrect.

187

00:27:41.190 --> 00:27:42.240

Parish Planning Board: Words response at

188

00:27:47.220 --> 00:27:47.490

William Scriber: All

189

00:27:48.690 --> 00:27:49.080

Parish Planning Board: Hello.

190

00:27:50.280 --> 00:27:59.310

William Scriber: I agree with common really I just took a real quick look on the PDF version on my phone. I think they need to come before us with a sign.

191

00:28:00.360 --> 00:28:13.110

William Scriber: It doesn't matter where there was an existing sign or whatever. It's a sign that is not presently there so it has to go before the planning board that's just my take on it. Okay.

192

00:28:13.230 --> 00:28:14.580

Parish Planning Board: That answers the question, we

193

00:28:14.940 --> 00:28:24.900

Parish Planning Board: Get out that Bill, how do you feel about it if we needed a short meeting. Good. So we don't interfere with there are a deal. We just scheduled for the next meeting.

194

00:28:25.830 --> 00:28:42.540

William Scriber: No, I take an emergency meeting is fine. I mean having zoom meetings right now so i i'm sure we get a majority on the passage. No problems. All right, so yeah so agenda. Soon as you get anything video player or whatever, give me a call and we'll get

195

00:28:44.100 --> 00:28:44.370

Going

196

00:28:48.120 --> 00:29:09.720

Parish Planning Board: Well, this is the village. As an occurrence. We have not updated as a little pieces like right here there and and they are having a meeting I correct everybody's information Thursday night, they will be having a meeting to, I believe, extend a moratorium on on the

197

00:29:11.550 --> 00:29:19.740

Parish Planning Board: Solar and they will be, I think, reviewing they really curtains on that word in town. Yes, that is sort of

198

00:29:23.040 --> 00:29:24.240

Use that as a workshop. Yeah.

199

00:29:25.380 --> 00:29:27.180

Yeah, the workshop there.

200

00:29:29.190 --> 00:29:36.630

Parish Planning Board: I think, other than that, I think the only other thing is Matt. Matt Johnson is with us.

201

00:29:42.300 --> 00:29:43.380

Matt J. (Tug Hill): Yeah, I'm here.

202

00:29:43.740 --> 00:29:44.550

Okay, man.

203

00:29:46.050 --> 00:29:57.720

Parish Planning Board: I don't want to, I want to add any extra work for you because I know we're trying to work on a comprehensive plan. And I know you were you just made. You just put the village on the

204

00:29:58.170 --> 00:30:21.120

Parish Planning Board: mobile home park, which is probably obviously going to be part of the comprehensive plan. That being said, maybe should we maybe should we, as a group, but you know just just read through Park Milan of the of the 2016 plan or would you rather we just give you a little breather pretty

205

00:30:23.430 --> 00:30:24.870

Matt J. (Tug Hill): Well, right.

206

00:30:26.070 --> 00:30:32.250

Matt J. (Tug Hill): Right now or in the middle of getting trying to get the village zoning updates adopted.

207

00:30:33.780 --> 00:30:36.390

Matt J. (Tug Hill): And I met with them a couple weeks ago.

208

00:30:37.500 --> 00:31:04.830

Matt J. (Tug Hill): This Thursday night, and I'm going to be via zoom on the town board meeting, right, to get the town zoning updates right into the adoption process so um yeah pretty busy with those two trying to finally get those two things done right now but i i i think we could then realistically in

209

00:31:06.060 --> 00:31:09.990

Matt J. (Tug Hill): August or September get into the Comprehensive Plan updates.

210

00:31:11.220 --> 00:31:11.610

All right.

211

00:31:13.980 --> 00:31:14.400

Parish Planning Board: I can

212

00:31:15.540 --> 00:31:27.630

Parish Planning Board: I can get copies may apart. One of the 2016 that was never presented and and in kind of the next meeting handed out to the

213

00:31:28.050 --> 00:31:38.520

Parish Planning Board: Board, so they can peruse through it because I know that there's, you know, there were changes made and then we can you know we can ease into it that way. Is that is that. Would that be okay with you.

214

00:31:39.090 --> 00:31:54.930

Matt J. (Tug Hill): Yes, I think that's the best way is to yeah have you have you all to start looking at it and then maybe maybe like the September planning board meeting, we could we could start really knocking that off.

215

00:31:55.650 --> 00:31:57.990

Matt J. (Tug Hill): That might be a good plan. Great.

216

00:31:58.830 --> 00:31:59.310

William Scriber: A man.

217

00:32:02.820 --> 00:32:09.270

William Scriber: Or a word version because I can just do my comments like I did last time right on a word version.

218

00:32:10.680 --> 00:32:17.190

Matt J. (Tug Hill): Yep. What I can do is send the latest thing that I ever had on what we did back then.

219

00:32:18.810 --> 00:32:21.840

Matt J. (Tug Hill): I'll send a word version and a PDF version.

220

00:32:23.310 --> 00:32:33.240

Matt J. (Tug Hill): I think I have everybody's email. So I'll just, I'll send you the latest thing that I have. And maybe, maybe some work was done after that. I'm not really sure.

221

00:32:34.350 --> 00:32:38.430

Matt J. (Tug Hill): Amongst the town board or the village board but i'll i'll send what I have

222

00:32:41.190 --> 00:32:42.690

Thank you, man. Appreciate it.

223

00:32:43.740 --> 00:32:45.870

Parish Planning Board: I've got a I've got a

224

00:32:48.240 --> 00:32:51.030

Parish Planning Board: CD that has it all on it.

225

00:32:51.060 --> 00:33:02.280

Parish Planning Board: Like a second I thought it was for discussion, only then that's what that's what I've been reading through would love interest. So if you know whatever you send I'll be very grateful for.

226

00:33:03.180 --> 00:33:04.380

Matt J. (Tug Hill): Okay. No problems.

227

00:33:05.520 --> 00:33:06.720

Matt J. (Tug Hill): Right. Thank you very much.

228

00:33:08.190 --> 00:33:08.640

So,

229

00:33:12.810 --> 00:33:16.080

Parish Planning Board: Yeah, no, that's what Bill was talking about. He's, he's

230

00:33:17.730 --> 00:33:27.600

Matt J. (Tug Hill): Trying to figure out where to put it in a in a PDF form so everybody can we can get it in on our computers in in working

231

00:33:28.500 --> 00:33:30.690

Parish Planning Board: So yeah, so will be will be

232

00:33:32.760 --> 00:33:34.920

Parish Planning Board: There well Illustrator.

233

00:33:38.340 --> 00:33:39.750

It's 63

234

00:33:44.220 --> 00:33:47.220

Parish Planning Board: Yeah, yeah, that's still decided to sort of be 30

235

00:33:51.030 --> 00:34:06.420

William Scriber: I just prefer though the word version because I track changes. So when we meet, I'll have my changes in and read so that we discuss it, it'll be easier for well just for me.

236

00:34:07.800 --> 00:34:11.550

William Scriber: To be able to discuss it, because I'll have my notes right on the word version.

237

00:34:12.720 --> 00:34:18.180

Parish Planning Board: Absolutely yes that that works out that because that's the way that it was he presents it to us. That's the best way

238

00:34:18.420 --> 00:34:24.930

Matt J. (Tug Hill): So we will know what was changed and now that's all I'm saying is, in the meantime, once we

239

00:34:24.960 --> 00:34:34.230

Parish Planning Board: See that we can see if there's any other changes discuss if we'd like to make me anything that's updated in four years.

240

00:34:37.410 --> 00:34:40.860

Parish Planning Board: Okay. Oh, by the way, I guess I did not

241

00:34:41.880 --> 00:34:42.630

Have the

242

00:34:44.400 --> 00:34:45.090

One thing I did.

243

00:34:47.820 --> 00:34:49.650

Matt J. (Tug Hill): Did everybody get their minutes. Yes.

244

00:34:52.380 --> 00:34:53.160

Corrections.

245

00:34:54.780 --> 00:34:56.010

William Scriber: We got three of them.

246

00:34:57.780 --> 00:35:00.420

Parish Planning Board: On a roll call side medicine, when he pointed out to me.

247

00:35:02.550 --> 00:35:03.240

Parish Planning Board: If you read through the

248

00:35:04.560 --> 00:35:05.190

Parish Planning Board: Second letter.

249

00:35:06.840 --> 00:35:07.500

Parish Planning Board: Is missing.

250

00:35:20.490 --> 00:35:21.990

Parish Planning Board: Word says the spirit of fear.

251

00:35:27.030 --> 00:35:28.050

Parish Planning Board: Slash, yes.

252

00:35:30.960 --> 00:35:46.200

Parish Planning Board: I do we really need that. Why, because she's taken when she signed at the bottom. When she says respectfully submit Virginia brown clerk is the best substantial enough to doesn't that isn't she, taking

253

00:35:48.330 --> 00:35:49.800

Parish Planning Board: Responsibility for the Minutes.

254

00:35:52.380 --> 00:35:58.410

Parish Planning Board: I would say somebody who are you, what you're saying something like that. Well, no, it's okay. I must go.

255

00:35:59.820 --> 00:36:09.390

Parish Planning Board: Well, I was thinking, unless she has to wait electronic signatures, and that's what that's what I'm saying, slash, slash constitute the electronic signature when your chance.

256

00:36:11.820 --> 00:36:13.530

Parish Planning Board: So here when I put that right in front

257

00:36:14.880 --> 00:36:15.510

Parish Planning Board: That's what I think.

258

00:36:18.990 --> 00:36:33.660

Parish Planning Board: Because unless you can if somebody was I know not everybody can get an electronic signature on their computer to do it. You can be again for \$14 95 cents a month. Yeah, right. So we as a planning board want to want to spend that money from the budget.

259

00:36:34.740 --> 00:36:36.900

Parish Planning Board: And giving it so I'll use it.

260

00:36:39.930 --> 00:36:40.860

Parish Planning Board: Because again, like back

261

00:36:42.510 --> 00:36:45.270

Parish Planning Board: When we were when I was working in a law office in bankruptcy court.

262

00:36:45.600 --> 00:36:46.800

Parish Planning Board: Bankruptcy Court except

263

00:36:46.860 --> 00:36:59.970

Parish Planning Board: slash slash documents uploaded to the electronic alright so so that's a good he is. Yes, he did. That's what people iconic signature can see what you're saying, okay, you know, like it's

264

00:37:01.170 --> 00:37:08.940

Parish Planning Board: Okay, yep. Continue. And there was one on one again says on our next page Agenda for next meeting, comprehensive plan just needs to be inserted.

265

00:37:10.800 --> 00:37:11.250

William Scriber: Yes.

266

00:37:12.000 --> 00:37:13.710

Parish Planning Board: I'm sorry. Yes. Okay.

267

00:37:15.900 --> 00:37:16.200

The only

268

00:37:17.760 --> 00:37:19.740

Parish Planning Board: Two that I saw one that was pointed out to me.

269

00:37:23.610 --> 00:37:24.300

Parish Planning Board: Look at that.

270

00:37:31.800 --> 00:37:32.370

Parish Planning Board: He's easy mistake.

271

00:37:34.590 --> 00:37:36.660

Parish Planning Board: I wouldn't accept the motion to

272

00:37:37.710 --> 00:37:40.530

Parish Planning Board: Accept the minutes as correct, that's correct.

273

00:37:42.300 --> 00:37:43.740

Parish Planning Board: Okay, okay.

274

00:37:46.110 --> 00:37:47.910

Parish Planning Board: All in favor, pull

275

00:37:53.070 --> 00:37:53.340

Parish Planning Board: Hi.

276

00:37:54.120 --> 00:37:54.240

William Scriber: I'm

277

00:37:54.270 --> 00:37:54.900

Bill scriber

278

00:37:56.670 --> 00:37:57.750

Parish Planning Board: Okay, I

279

00:37:59.640 --> 00:38:00.390

Parish Planning Board: I think

280

00:38:00.810 --> 00:38:05.280

Parish Planning Board: The agenda is available at home. I don't do

281

00:38:06.810 --> 00:38:13.110

Parish Planning Board: The. I don't know what to do about these the server. But Phil, what do you suggest on this. Just, just hold them off the let me

282

00:38:14.070 --> 00:38:33.720

William Scriber: I, I would put them on the agenda for the next meeting, give them a call. We've done the Sacre we've accepted the application we're, we're all ready to move. We have time between now and next meeting to approve it. So I would just simply put it on agenda for approval next month. Okay.

283

00:38:34.890 --> 00:38:42.660

William Scriber: With your 60 day clock is running. Yes, yes, yes. So we're within the 60 days with passing see for tonight so

284

00:38:43.680 --> 00:38:43.920

William Scriber: Yeah.

285

00:38:44.760 --> 00:38:52.110

Parish Planning Board: So then we'll put it on there will be on next month's agenda is to do a reboot. In the absence of Isaiah.

286

00:38:53.580 --> 00:38:54.750

Thomas subdivision.

287

00:38:56.730 --> 00:39:02.010

Other than that tiny break. Now we can hold off on the comprehensive plan.

288

00:39:03.210 --> 00:39:08.550

To give you a little breathing room and hopefully they can see where the town board goes to

289

00:39:10.680 --> 00:39:21.510

Parish Planning Board: Some tell me they're like 33% certainly areas and lighting pick it back because we were pretty hard on it.

290

00:39:23.550 --> 00:39:25.230

Parish Planning Board: And Matt, you're super at that so

291

00:39:28.050 --> 00:39:29.640

Matt J. (Tug Hill): Thank you. You're welcome.

292

00:39:31.020 --> 00:39:35.130

Other than that, does anybody else have any other business, the board.

293

00:39:37.980 --> 00:39:39.150

Parish Planning Board: Hearing none, all set the motion.

294

00:39:43.020 --> 00:39:43.890

Parish Planning Board: motion and a second.

295

00:39:45.180 --> 00:39:45.750

Parish Planning Board: All in favor.

296

00:39:50.490 --> 00:39:51.240

Parish Planning Board: Poker saying
