Town Clerk: The road work is not over. It's not over budget.

129

00:07:41.190 --> 00:07:42.390

Town Clerk: Well, if it's not in that

130

00:07:42.390 --> 00:07:46.590

Town Supervisor and Richard Horning: \$10,055 or whatever will be put back in the other line.

133

00:07:53.400 --> 00:07:56.430

Town Clerk: I just wish, if there's an issue we need to talk about it because

134

00:07:57.660 --> 00:08:01.800

135

00:08:02.370 --> 00:08:02.670

Hi.

Matthew Johnson: You're Marianne, I can do that.

185

00:10:38.430 --> 00:10:41.310
Town Supervisor and Richard Horning: Okay, so we can plan on that for next Thursday.

186

00:10:42.210 --> 00:10:59.280

Town Supervisor and Richard Horning: Yes. Alright so counselors me as well. If that that is the only law paperwork that he sent us and he also send us the paper with what the changes were, make sure you review this prepared to discuss it next Thursday. Yep. Okay, and can

00:11:04.440 --> 00:11:06.360

Town Supervisor and Richard Horning: The moratorium and the Charter.

189

00:11:08.490 --> 00:11:10.320

Town Supervisor and Richard Horning: Charter franchise. Can we step it

190

00:11:10.320 --> 00:11:10.620

Up.

191

00:11:11.760 --> 00:11:12.900

Gary Wood: Your pet should be yes.

192

00:11:15.690 --> 00:11:16.800

Town Supervisor and Richard Horning: Well, I put down

193

00:11:17.370 --> 00:11:24.300

Town Supervisor and Richard Horning: September test because that's the joint board meeting and I figured we could do it before that, if you want to the tool could be

194

00:11:24.300 --> 00:11:27.210

Town Supervisor and Richard Horning: 15 minutes each one at six alone at 630

195

00:11:27.270 --> 00:11:32.520

Town Clerk: Or 615 yes number of bird. I know, but that's

196

00:11:32.550 --> 00:11:35.190

Town Supervisor and Richard Horning: The I think it's too late now for that. I don't think we have

197

00:11:36.360 --> 00:11:37.740

Town Clerk: No, it's not.

198

00:11:38.430 --> 00:11:39.840

Town Supervisor and Richard Horning: Oh, do you want. Okay, I'm sorry.

199

00:11:40.080 --> 00:11:44.760

Town Supervisor and Richard Horning: You guys want to do certain number 30 you want to do what, just before the joint board meeting and

200

00:11:44.970 --> 00:11:45.840

Town Supervisor and Richard Horning: September 10

201

00:11:50.130 --> 00:11:51.840

Gary Wood: We could do it on if that's that'd be good.

202

00:11:52.530 --> 00:11:53.250

Town Supervisor and Richard Horning: But you to

203

00:11:53.280 --> 00:11:53.610

Gary Wood: Do both

204

00:11:54.210 --> 00:11:54.990

Gary Wood: At the same time,

205

00:11:55.050 --> 00:11:55.410

Town Clerk: You get

206

00:11:55.590 --> 00:12:02.220

Town Supervisor and Richard Horning: You got to be there for that other meeting. Okay. So Kelly, if you would change it to September 10 at six. Hold on.

207

00:12:03.240 --> 00:12:07.380

Town Supervisor and Richard Horning: I'm at six and at 615 one for the moratorium and one for the

208

00:12:07.890 --> 00:12:09.180

Town Clerk: Charter franchise.

209

00:12:09.810 --> 00:12:13.620

Town Supervisor and Richard Horning: And then we'll be able to vote on those this all goes well at the September meeting.

210

00:12:13.710 --> 00:12:14.730

Town Supervisor and Richard Horning: Get that out of the way.

211

00:12:16.170 --> 00:12:23.340

Town Supervisor and Richard Horning: Okay, I gave you all a copy of the budget modification schedule, Gary, just so you know it's the same thing as last year I changed the

212

00:12:23.340 --> 00:12:24.510

Town Supervisor and Richard Horning: Date by one day.

213

00:12:24.510 --> 00:12:25.800

Town Supervisor and Richard Horning: Because it's a year earlier.

214

00:12:26.220 --> 00:12:26.430

Town Supervisor and Richard Horning: If

215

00:12:27.360 --> 00:12:28.560

Town Clerk: You have to schedule. We had a

216

00:12:28.560 --> 00:12:31.320

Town Supervisor and Richard Horning: Blast. So hopefully they'll be okay, I need to send

217

00:12:31.620 --> 00:12:32.820

Town Supervisor and Richard Horning: Information to them.

218

00:12:32.850 --> 00:12:34.590

Town Supervisor and Richard Horning: As to when they would be coming to talk

219

00:12:34.590 --> 00:12:36.180

Town Clerk: To us at the budget workshops

220

00:12:36.930 --> 00:12:38.040

Town Clerk: Okay, well,

221

00:12:42.180 --> 00:12:42.750

Town Clerk: I'm sorry.

222

00:12:44.130 --> 00:12:47.580

Town Clerk: That has to be set up to make sure nothing also scheduled

223

00:12:48.000 --> 00:12:50.280

Town Supervisor and Richard Horning: When they don't usually scheduling things on Thursdays.

224

00:12:50.280 --> 00:13:02.670

Town Supervisor and Richard Horning: Because it's our meetings, but I'll ask a question. God forbid that we put it out of date that someone else might hear something. Otherwise it will be the way it is that I gave it to you if that changes. I'll let you know when we meet next week.

225

00:13:03.000 --> 00:13:03.900

Town Clerk: On the 27th.

226

00:13:04.830 --> 00:13:05.640

Town Supervisor and Richard Horning: Okay, I don't

227

00:13:06.480 --> 00:13:10.650

Town Supervisor and Richard Horning: I was going to have a quick exec for negotiations, but I'll have to do that.

228

00:13:12.360 --> 00:13:18.480

Town Clerk: And we have a second session. And if we're all there at a workshop. The workshop is a meeting, as long as there's a form

229

00:13:21.240 --> 00:13:21.960

Town Supervisor and Richard Horning: Of exercise.

230

00:13:22.470 --> 00:13:22.890

Paul Baxter: Yeah, it

231

00:13:24.480 --> 00:13:31.020

Paul Baxter: Doesn't matter whether you call it a workshop or a meeting. It is a meeting, but I think I would want to advertise it as a as a meeting.

232

00:13:34.080 --> 00:13:36.150

Town Clerk: So that we could have an exact was that what you're saying.

233

00:13:37.350 --> 00:13:43.500

Paul Baxter: Well, a meeting as a meeting as a meeting you know so and I understand the the

234

00:13:43.560 --> 00:13:45.990

Paul Baxter: Town Clerk has not always attended workshops

235

00:13:46.020 --> 00:13:46.890

Paul Baxter: Because of them.

236

00:13:47.040 --> 00:13:49.170

Paul Baxter: Being called a workshop where if they are meeting.

237

00:13:49.500 --> 00:13:52.950

Paul Baxter: The town clerk attends them and takes minutes which is necessary for the process.

238

00:13:53.430 --> 00:13:55.440

Town Clerk: Right. Tell me, tell me if I'm

239

00:13:55.770 --> 00:14:00.390

Paul Baxter: repeating that correctly. Kelly what it says. I understand how you proceeded in the best

240

00:14:01.980 --> 00:14:05.910

Town Clerk: Practices that was only for discussion. Yeah. So if you're going to be taking

241

00:14:05.910 --> 00:14:10.620

Paul Baxter: Action doing something like an Executive Session, you might want to call it a meeting and not a workshop

242

00:14:11.160 --> 00:14:16.710

Town Supervisor and Richard Horning: I don't think it will be the action is just to inform them in an executive session about a few things, but they

243

00:14:17.100 --> 00:14:22.260

Town Clerk: Don't make a motion to go into Executive Session. So you have to have minutes. Okay.

244

00:14:25.650 --> 00:14:26.880

Town Supervisor and Richard Horning: Do we have to have minutes for the

245

00:14:27.690 --> 00:14:28.410

Town Clerk: Public Hearing

246

00:14:29.820 --> 00:14:31.260

Paul Baxter: Yeah, if you would, yeah.

247

00:14:31.920 --> 00:14:32.460

Town Supervisor and Richard Horning: Oh, yeah.

248

00:14:33.030 --> 00:14:33.540

Town Supervisor and Richard Horning: We'll do it.

249

00:14:33.570 --> 00:14:34.350

Town Clerk: We'll do with them.

250

00:14:34.590 --> 00:14:36.090

Town Supervisor and Richard Horning: So we're going to do then on the 10th of

251

00:14:36.120 --> 00:14:36.960

Town Supervisor and Richard Horning: Putting this off.

252

00:14:37.080 --> 00:14:40.560

Town Supervisor and Richard Horning: There's not much I can do about it, they're not going to want to have a special meeting just for this.

253

00:14:40.560 --> 00:14:45.600

Town Supervisor and Richard Horning: Exact. So, all right. Um, hearing that you want us to cover the

254

00:14:46.170 --> 00:14:46.770

Gary Wood: Agenda

255

00:14:47.490 --> 00:14:49.410

Town Clerk: No. Yes. Make a motion to do that.

256

00:14:50.490 --> 00:14:51.930

Town Clerk: You have to make a motion to set the

257

00:14:53.040 --> 00:14:56.040

Town Supervisor and Richard Horning: Way you said the 27. Oh, you mean the chat.

258
00:14:56.610 --> 00:14:56.940
Town Supervisor and Richard Horning: I need

259
00:14:58.320 --> 00:14:58.650
Town Clerk: Him.

260
00:14:58.680 --> 00:14:59.520
Town Supervisor and Richard Horning: To tell me, tell me.

261
00:14:59.610 --> 00:15:02.730
Town Supervisor and Richard Horning: That is six 615 for public hearings.

262
00:15:02.790 --> 00:15:04.200
Town Supervisor and Richard Horning: One for the moratorium.

263
00:15:04.530 --> 00:15:06.690
Town Supervisor and Richard Horning: And one for the Charter.

264
00:15:07.020 --> 00:15:07.800
Franchise

265
00:15:08.880 --> 00:15:09.660
Gary Wood: Omega motion.

266
00:15:10.860 --> 00:15:12.060
Town Supervisor and Richard Horning: Seconded. Okay.

Town Clerk: calls are more
