

Note: The following is the output of transcribing from an audio/video recording from Zoom. Although the transcription is fairly accurate, in some cases it is incomplete or inaccurate due to inaudible passages or transcription errors, and in some cases, words spoken by one participant may be inaccurately attributed to another. It is posted as an aid to understanding the proceedings at the meeting, but should not be treated as an authoritative record. If you should need clarification on something said and cannot hear it, please contact the town clerk.

1

00:02:00.150 --> 00:02:00.540
Town and Village of Parish: Government.

2

00:02:31.050 --> 00:02:42.240
Town and Village of Parish: The two people. We have quality of three names signed into zoom. One is highly one is Eleanor Kinney and the third is Carol wire.

3

00:02:43.500 --> 00:02:43.920
Town and Village of Parish: And we have the

4

00:02:46.020 --> 00:02:46.440
Town and Village of Parish: Me.

5

00:02:55.560 --> 00:02:56.070
Town and Village of Parish: Me.

6

00:03:02.580 --> 00:03:02.910
Town and Village of Parish: Oh,

7

00:03:13.590 --> 00:03:15.240
Town and Village of Parish: You got a minute from our

8

00:03:16.770 --> 00:03:17.490
Town and Village of Parish: Meeting.

9

00:04:16.830 --> 00:04:17.250
Town and Village of Parish: Right.

10

00:04:25.260 --> 00:04:26.940
Town and Village of Parish: Reports on the box.

11

00:04:30.360 --> 00:04:38.160

Town and Village of Parish: I can discuss anything into each respective you know meeting before anybody has any questions at all. You're all here as

12

00:04:49.890 --> 00:04:49.980

Town and Village of Parish: Well,

13

00:05:02.970 --> 00:05:06.180

Town and Village of Parish: Warm water product. Yes.

14

00:05:07.200 --> 00:05:07.980

Town and Village of Parish: You get a report.

15

00:05:11.850 --> 00:05:12.570

Town and Village of Parish: Period.

16

00:05:48.150 --> 00:05:49.860

Town and Village of Parish: A larger scale.

17

00:05:52.740 --> 00:05:54.270

Town and Village of Parish: If you said is too hard.

18

00:05:58.020 --> 00:05:58.770

Town and Village of Parish: For me not to

19

00:05:59.850 --> 00:06:00.540

Town and Village of Parish: Do too.

20

00:06:02.520 --> 00:06:02.880

Some

21

00:06:10.260 --> 00:06:10.800

Town and Village of Parish: Questions.

22

00:06:19.980 --> 00:06:30.270

Town and Village of Parish: About several times and Western movies and stuff. They got on one end unit per partner and it shows we should be wanting to you, per villa.

23

00:06:31.500 --> 00:06:38.430

Town and Village of Parish: If it's a sore there the ceiling treatment. So you can change it even a part

24

00:06:39.630 --> 00:06:41.220

Town and Village of Parish: Of the water should even for

25

00:06:42.810 --> 00:06:43.560

Town and Village of Parish: Each department.

26

00:06:45.420 --> 00:06:51.720

Town and Village of Parish: Why, because you will never afford the apartment there until

27

00:06:54.330 --> 00:07:00.660

Town and Village of Parish: We talked about that. And there's one furnishing water to

28

00:07:05.670 --> 00:07:06.150

Town and Village of Parish: Be

29

00:07:09.360 --> 00:07:10.200

Town and Village of Parish: An apartment.

30

00:07:14.040 --> 00:07:25.620

Town and Village of Parish: Lot of places that they go through this. And the other thing is if you want to meet her off believers are different. But for us, it just one unit building

31

00:07:26.730 --> 00:07:39.390

Town and Village of Parish: Because same token, you have property in the sound of sketchy trails on one lot and examine, they're going to have one human infinity. It's a unit for each one of those trailers or suffer.

32

00:07:45.240 --> 00:07:50.040

Town and Village of Parish: There was a discussion we had 123 years ago.

33

00:07:51.810 --> 00:07:56.880

Town and Village of Parish: Was that part of that discussion with the board and the village to this current generation.

34

00:08:02.070 --> 00:08:02.640

Town and Village of Parish: Project

35

00:08:04.710 --> 00:08:15.000

Town and Village of Parish: And that was several years ago, I just don't know what happened had discussed to the board and village in its current iteration. They say only way to change.

36

00:08:16.380 --> 00:08:17.610

That's a good question.

37

00:08:25.380 --> 00:08:26.580

Town and Village of Parish: So we have one

38

00:08:28.050 --> 00:08:29.940

Town and Village of Parish: Right, because

39

00:08:33.360 --> 00:08:33.480

Town and Village of Parish: The

40

00:08:36.150 --> 00:08:36.540

Town and Village of Parish: Best

41

00:08:38.100 --> 00:08:42.300

Town and Village of Parish: Memory, for sure. You can stay

42

00:09:06.840 --> 00:09:07.320

Town and Village of Parish: We say

43

00:09:11.520 --> 00:09:13.560

Town and Village of Parish: 1916 here.

44

00:09:21.090 --> 00:09:23.400

Town and Village of Parish: And you make a photo.

45

00:09:30.870 --> 00:09:37.260

Town and Village of Parish: barks there sure the aggregator that water parks and other stuff.

46

00:09:38.520 --> 00:09:42.120

Town and Village of Parish: And that's what the US is trying to get more stuff in.

47

00:09:55.140 --> 00:09:57.060

Town and Village of Parish: A people they

48

00:10:00.720 --> 00:10:04.290

Town and Village of Parish: Want to BlackBerry. People are we did more than one

49

00:10:06.060 --> 00:10:06.330

Town and Village of Parish: On

50

00:10:11.490 --> 00:10:12.600

Town and Village of Parish: One, we

51

00:10:15.960 --> 00:10:16.110

Town and Village of Parish: Are

52

00:10:20.970 --> 00:10:24.750

Town and Village of Parish: There you are a partner so

53

00:10:25.920 --> 00:10:27.840

Town and Village of Parish: The five of

54

00:10:29.220 --> 00:10:29.850

Town and Village of Parish: Us.

55

00:10:31.410 --> 00:10:31.710

Town and Village of Parish: Yeah.

56

00:10:32.850 --> 00:10:36.720

Town and Village of Parish: We always think that people can afford a barn.

57

00:10:38.700 --> 00:10:52.260

Town and Village of Parish: Although I don't disagree with that. At the same time, somebody's living in a trailer. It's all single family home is so paying money her family where somebody's living in an apartment.

58

00:10:58.410 --> 00:10:59.010

Town and Village of Parish: Yes, you.

59

00:11:00.780 --> 00:11:04.830

Town and Village of Parish: Know, because you don't have, you know, the problems you don't

60

00:11:06.060 --> 00:11:07.170

Town and Village of Parish: You don't have to fall on

61

00:11:26.040 --> 00:11:26.670

Town and Village of Parish: Three.

62

00:11:28.380 --> 00:11:28.680

Town and Village of Parish: People

63

00:11:29.850 --> 00:11:30.030

In

64

00:11:31.860 --> 00:11:48.840

Town and Village of Parish: An apartment complex lovers has multiple smaller iterations of holes. So I'm wondering if there is a way to share that maybe don't want any need for the plenty for building. So over 200 apartments.

65

00:11:53.940 --> 00:11:54.180

Town and Village of Parish: This

66

00:11:56.130 --> 00:11:58.620

Town and Village of Parish: Okay. And the first one, the

67

00:11:59.700 --> 00:12:00.240

Town and Village of Parish: First hundred

68

00:12:08.400 --> 00:12:09.150

Town and Village of Parish: Normally

69

00:12:21.450 --> 00:12:22.620

Town and Village of Parish: Top, you can

70

00:12:23.760 --> 00:12:28.260

Town and Village of Parish: Connect for me. But we don't do we don't need to water.

71

00:12:29.340 --> 00:12:30.990

Town and Village of Parish: The tacos. Don't do the return and

72

00:12:32.790 --> 00:12:38.130

Town and Village of Parish: When we're going to send an email to us and it's one edu or going for instance you got

73

00:12:40.350 --> 00:12:46.050

Town and Village of Parish: The little bit warmer Donner setting goals as soon as he us on that one.

74

00:12:48.810 --> 00:12:49.530

Okay.

75

00:12:50.550 --> 00:12:53.430

Town and Village of Parish: Don't all apartments as one. Do you for that.

76

00:12:54.480 --> 00:12:57.180

Town and Village of Parish: But the same time he came to you for this House.

77

00:12:59.130 --> 00:13:10.350

Town and Village of Parish: So that's why when they're in trouble. But we had a good point. You will never feel never afford apartments with her and you never get any new of ourselves and we depart.

78

00:13:13.140 --> 00:13:14.730

Town and Village of Parish: What's 100 other

79

00:13:15.960 --> 00:13:16.590

Town and Village of Parish: Same thing.

80

00:13:18.750 --> 00:13:18.960

Town and Village of Parish: So,

81

00:13:20.070 --> 00:13:21.090

Town and Village of Parish: You can have a farmer.

82

00:13:24.450 --> 00:13:24.960

Town and Village of Parish: A farmer.

83

00:13:27.240 --> 00:13:28.590

Town and Village of Parish: Very painful.

84

00:13:33.300 --> 00:13:33.750

Right.

85

00:13:35.310 --> 00:13:38.940

Town and Village of Parish: The only difference is the waters for that for us.

86

00:13:40.530 --> 00:13:49.950

Town and Village of Parish: So that we can finally say, we're here to do want to you, you get more apartment buildings in the neck or someone will be us.

87

00:13:51.150 --> 00:13:54.360

Town and Village of Parish: We started the idea is to get the building this

88

00:14:00.600 --> 00:14:00.810

Town and Village of Parish: Out.

89

00:14:01.830 --> 00:14:03.750

Here anymore.

90

00:14:13.110 --> 00:14:13.470

Town and Village of Parish: This is

91

00:14:22.890 --> 00:14:25.980

Town and Village of Parish: The same assassins for 16 years

92

00:14:29.250 --> 00:14:38.250

Town and Village of Parish: 16 years cuz aside, I get them in the same on the same side and you got a safe home apartments and I heard that argument.

93

00:14:39.420 --> 00:14:39.900

Town and Village of Parish: That will

94

00:14:41.070 --> 00:14:42.720

Town and Village of Parish: Burn the original thought

95

00:14:43.980 --> 00:14:49.590

Town and Village of Parish: And then I think they were assessed less than that.

96

00:14:50.760 --> 00:14:54.000

Town and Village of Parish: And we agreed, it should be.

97

00:14:55.380 --> 00:15:01.230

Town and Village of Parish: 30 so we agree that intent and wireless change. The second item.

98

00:15:02.610 --> 00:15:03.510

Town and Village of Parish: I'm just point out

99

00:15:06.840 --> 00:15:20.340

Town and Village of Parish: To them, and then you get commercial property settings 370 83 four corners, about the same water as an apartment so mine was not the same water.

100

00:15:21.450 --> 00:15:21.810

Town and Village of Parish: Same

101

00:15:23.280 --> 00:15:27.690

Town and Village of Parish: Right, I get that we tend to see what we're doing. Yes.

102

00:15:29.460 --> 00:15:32.010

Town and Village of Parish: tried everything falls into

103

00:15:34.830 --> 00:15:42.030

Town and Village of Parish: According to the report says they're using data from like an extra 31 apartment.

104

00:15:43.440 --> 00:15:44.490

Town and Village of Parish: Because the cost

105

00:15:47.550 --> 00:15:53.160

Town and Village of Parish: Relatively low burn, but I still felt accountability understandable.

106

00:15:54.270 --> 00:15:55.290

Town and Village of Parish: You don't want to eat.

107

00:15:56.700 --> 00:16:01.200

Town and Village of Parish: It just makes sense actually let others know just doing that other towns.

108

00:16:02.790 --> 00:16:04.200
Town and Village of Parish: Well, I think before we go.

109
00:16:05.520 --> 00:16:12.180
Town and Village of Parish: From some of their guns, maybe like triple
the engineer did a lot of local around them.

110
00:16:19.470 --> 00:16:20.070
As

111
00:16:21.960 --> 00:16:25.080
Town and Village of Parish: An angle. I have a Samsung somebody he

112
00:16:29.970 --> 00:16:30.330
Town and Village of Parish: Loses

113
00:16:36.060 --> 00:16:36.690
Town and Village of Parish: Small

114
00:16:49.380 --> 00:16:51.420
Town and Village of Parish: Today 26 pages.

115
00:16:52.800 --> 00:16:56.610
Town and Village of Parish: And the more designated individuals.

116
00:17:00.780 --> 00:17:03.900
Town and Village of Parish: Together. There were shorter taller.

117
00:17:05.130 --> 00:17:06.810
Town and Village of Parish: Than once

118
00:17:25.980 --> 00:17:25.980
Town and Village of Parish: Do

119
00:17:28.230 --> 00:17:29.310
Town and Village of Parish: You guys want

120
00:17:36.720 --> 00:17:37.110
Town and Village of Parish: Me.

121
00:17:39.720 --> 00:17:41.310

Town and Village of Parish: To just send it out today.

122

00:17:42.690 --> 00:17:44.280

Town and Village of Parish: You don't have time right

123

00:17:51.600 --> 00:17:51.930

Yeah.

124

00:18:01.980 --> 00:18:02.610

Town and Village of Parish: Name and

125

00:18:04.710 --> 00:18:14.700

Town and Village of Parish: TMC nvca dating dating occasions the to the meetings, need to be set up for the water committed to

126

00:18:16.560 --> 00:18:17.370

Start

127

00:18:37.980 --> 00:18:43.500

Town and Village of Parish: Suffix system maintenance program for military property owners, which

128

00:18:44.640 --> 00:18:45.570

Town and Village of Parish: Interior property.

129

00:18:47.280 --> 00:18:53.610

Town and Village of Parish: Office here, but they're getting Cooperman Eric, what is it turns out that

130

00:18:55.350 --> 00:19:11.400

Town and Village of Parish: Here is not they were included in it, man. They don't have a qualifying characteristics to qualify septic system Assistance Program. The State over 50% of the property owners in a designated areas in the

131

00:19:13.080 --> 00:19:13.770

Town and Village of Parish: Parish.

132

00:19:16.560 --> 00:19:18.030

Town and Village of Parish: priority areas.

133

00:19:26.610 --> 00:19:27.000

Town and Village of Parish: You may have

134

00:19:36.060 --> 00:19:37.080

Town and Village of Parish: Coburn 19

135

00:19:38.400 --> 00:19:39.720

Town and Village of Parish: Notifications.

136

00:19:42.180 --> 00:19:43.560

Town and Village of Parish: Waiting to stay

137

00:19:44.850 --> 00:19:59.970

Town and Village of Parish: In development plan, which I didn't file to be posted and along the way I have it set up mammals are the things that happen when the temperature, check the right instruction.

138

00:20:01.050 --> 00:20:04.170

Town and Village of Parish: Trying to do a best practice but

139

00:20:07.170 --> 00:20:12.600

Town and Village of Parish: In essence, I guess what it comes down to is this operation from individual because

140

00:20:13.860 --> 00:20:16.380

Town and Village of Parish: By the time I make a notation.

141

00:20:18.780 --> 00:20:33.300

Town and Village of Parish: To beat yourself up to the slack. Okay, I've done what I have to do I need to come up with a plan you have stated that any business that operates and have people coming in to have friends.

142

00:20:35.820 --> 00:20:39.660

Town and Village of Parish: What more can I do other than your cooperation.

143

00:20:41.010 --> 00:20:45.270

Town and Village of Parish: And hopefully for yourself. There are people

144

00:20:46.380 --> 00:20:49.920

Town and Village of Parish: In our employee or the freedom of

145

00:20:51.150 --> 00:20:56.280

Town and Village of Parish: Immune system for their benefit. I'm really good at.

146

00:20:58.890 --> 00:21:02.700

Town and Village of Parish: This, for that reason, consuming so that have

147

00:21:03.780 --> 00:21:07.800

Town and Village of Parish: attended a meeting, that's another area in the

148

00:21:09.030 --> 00:21:10.440

Town and Village of Parish: Works, but

149

00:21:12.030 --> 00:21:14.580

Town and Village of Parish: The plan is in place to do a

150

00:21:16.590 --> 00:21:16.950

Town and Village of Parish: Summary

151

00:21:20.640 --> 00:21:20.970

Town and Village of Parish: To do.

152

00:21:24.300 --> 00:21:25.530

Town and Village of Parish: There. This

153

00:21:29.310 --> 00:21:29.550

Town and Village of Parish: Has

154

00:21:30.630 --> 00:21:31.320

Town and Village of Parish: Been done

155

00:21:32.790 --> 00:21:33.660

Town and Village of Parish: And I'll just put it in.

156

00:21:34.950 --> 00:21:41.250

Town and Village of Parish: Need to do. He wants to see me. I have things on the

157

00:21:42.630 --> 00:21:44.010

Town and Village of Parish: Planet is liquid

158

00:21:46.050 --> 00:21:49.230
Town and Village of Parish: Happening. So it's really

159
00:21:50.340 --> 00:21:52.290
Town and Village of Parish: An operation.

160
00:21:54.030 --> 00:21:54.630
Town and Village of Parish: Processes.

161
00:21:56.520 --> 00:21:58.020
Town and Village of Parish: Right now it

162
00:21:59.220 --> 00:22:05.670
Town and Village of Parish: I think everyone's advantage to doing
candidate can do for ourselves and for those of us.

163
00:22:08.070 --> 00:22:10.470
Town and Village of Parish: Hopefully not going to happen. But you don't
know

164
00:22:12.690 --> 00:22:13.260
Town and Village of Parish: That point

165
00:22:20.760 --> 00:22:22.290
Town and Village of Parish: Corporations appreciated.

166
00:22:32.250 --> 00:22:38.880
Town and Village of Parish: Idea that they were being more strict about
the programs that were submitted.

167
00:23:08.100 --> 00:23:08.670
Thank you again.

168
00:23:21.060 --> 00:23:22.410
Town and Village of Parish: For that, but

169
00:23:29.190 --> 00:23:32.130
Town and Village of Parish: What is the talent and liability.

170
00:23:34.920 --> 00:23:36.660
Town and Village of Parish: And I'm wearing a mask and in this

171
00:23:39.600 --> 00:23:40.110
Town and Village of Parish: Case.

172
00:23:48.300 --> 00:23:48.780
Town and Village of Parish: We are

173
00:23:50.190 --> 00:23:50.520
Town and Village of Parish: Live

174
00:23:58.470 --> 00:24:00.360
Town and Village of Parish: But it has to be beyond

175
00:24:05.160 --> 00:24:06.780
Town and Village of Parish: Live every other

176
00:24:14.730 --> 00:24:16.620
Town and Village of Parish: Sunday and so

177
00:24:17.760 --> 00:24:19.050
Town and Village of Parish: They can see the time

178
00:24:26.940 --> 00:24:27.270
Town and Village of Parish: Hi.

179
00:24:49.110 --> 00:24:49.680
Town and Village of Parish: Yeah.

180
00:25:00.540 --> 00:25:01.740
Town and Village of Parish: Yesterday,

181
00:25:19.710 --> 00:25:20.460
Town and Village of Parish: Yeah.

182
00:25:23.340 --> 00:25:23.520
Town and Village of Parish: You

183
00:25:30.120 --> 00:25:30.390
Town and Village of Parish: Told

184
00:25:32.220 --> 00:25:33.480

Town and Village of Parish: You to bring back

185

00:25:36.600 --> 00:25:37.080

Town and Village of Parish: For

186

00:25:43.890 --> 00:25:44.580

Town and Village of Parish: A smaller

187

00:25:47.430 --> 00:25:49.230

Basis. We should be like

188

00:25:50.370 --> 00:25:53.700

You know needed to be Sunday.

189

00:25:56.730 --> 00:25:59.790

Town and Village of Parish: Will be more accessible for meeting today we

190

00:26:05.460 --> 00:26:11.550

Town and Village of Parish: Can see no no we are over our feature like

191

00:26:14.220 --> 00:26:16.710

Town and Village of Parish: Once or twice a

192

00:26:18.360 --> 00:26:19.530

Town and Village of Parish: Day talk

193

00:26:21.270 --> 00:26:26.970

Town and Village of Parish: To the engineers probably 1520 minutes and then I

194

00:26:29.280 --> 00:26:29.880

Town and Village of Parish: Just figured

195

00:26:31.590 --> 00:26:32.460

Town and Village of Parish: We'll set up.

196

00:26:34.680 --> 00:26:38.520

Town and Village of Parish: Twice. First, a person attempts, they're successful

197

00:26:40.020 --> 00:26:40.680

So far,

198

00:26:48.780 --> 00:26:49.620

Town and Village of Parish: Yeah.

199

00:26:50.640 --> 00:26:53.940

Town and Village of Parish: Running share on your phone tomorrow.

200

00:26:58.500 --> 00:26:59.190

Town and Village of Parish: Me.

201

00:27:21.480 --> 00:27:24.360

Town and Village of Parish: I have to extract

202

00:27:25.470 --> 00:27:25.740

The

203

00:27:28.200 --> 00:27:32.520

Town and Village of Parish: Locks and concern for various individuals.

204

00:27:34.890 --> 00:27:36.540

Town and Village of Parish: They were quite comfortable

205

00:27:40.050 --> 00:27:44.130

Town and Village of Parish: Why are going to be putting out money for anybody.

206

00:27:45.150 --> 00:27:47.550

Town and Village of Parish: To putting in money to put it inside

207

00:27:49.470 --> 00:27:49.680

Town and Village of Parish: Their

208

00:27:51.270 --> 00:27:55.920

Town and Village of Parish: Water is going to be willing to try out

209

00:27:58.650 --> 00:28:00.240

Town and Village of Parish: Three whatever

210

00:28:01.320 --> 00:28:01.710

Town and Village of Parish: You think

211

00:28:03.720 --> 00:28:04.860

Town and Village of Parish: There'll be the next step.

212

00:28:10.080 --> 00:28:12.000

Town and Village of Parish: For silence and treating

213

00:28:14.220 --> 00:28:14.490

Town and Village of Parish: And I

214

00:28:15.750 --> 00:28:16.110

Town and Village of Parish: Are

215

00:28:17.430 --> 00:28:27.720

Town and Village of Parish: We independent independent with as long as he said it was first and the water we replace aside up, then go for the grand for the rest of society, and there's a tree.

216

00:28:29.100 --> 00:28:31.980

Town and Village of Parish: Tree grant taking down trees or disease and

217

00:28:33.990 --> 00:28:34.230

Town and Village of Parish: So,

218

00:28:43.380 --> 00:28:43.770

Town and Village of Parish: From there,

219

00:28:51.270 --> 00:28:52.440

Town and Village of Parish: Also again.

220

00:28:53.490 --> 00:28:59.160

Town and Village of Parish: Why do VoIP or any get carving out here, which they got it.

221

00:29:00.570 --> 00:29:04.410

Town and Village of Parish: And to have cross off to this.

222

00:29:05.640 --> 00:29:09.510

Town and Village of Parish: And they are designated spouse.

223

00:29:11.790 --> 00:29:12.510

Town and Village of Parish: And that wasn't

224

00:29:13.590 --> 00:29:15.630

Town and Village of Parish: The monthly cross

225

00:29:16.710 --> 00:29:18.240

Town and Village of Parish: Across the Caribbean.

226

00:29:22.260 --> 00:29:23.730

Town and Village of Parish: Companionship accessible.

227

00:29:31.200 --> 00:29:32.400

Town and Village of Parish: This is what the deal.

228

00:29:53.760 --> 00:29:56.100

Town and Village of Parish: No parking sign down here, the four corners.

229

00:29:58.200 --> 00:29:59.250

minor accident.

230

00:30:02.160 --> 00:30:07.380

Town and Village of Parish: Both of the king, taking the Syracuse kind of lost in the class and

231

00:30:08.760 --> 00:30:11.190

Town and Village of Parish: Then going anywhere. And I'm in another currency.

232

00:30:12.660 --> 00:30:19.170

Town and Village of Parish: This should be a no parking sign here corner and pro shop. I thought again.

233

00:31:41.970 --> 00:31:42.810

Town and Village of Parish: Increase

234

00:32:09.210 --> 00:32:12.060

Town and Village of Parish: Process models for September.

235

00:32:22.920 --> 00:32:23.370

Town and Village of Parish: Yeah.

236

00:32:27.780 --> 00:32:28.890
Town and Village of Parish: Somebody, why not

237
00:32:37.620 --> 00:32:38.520
Town and Village of Parish: So, yeah.

238
00:32:43.980 --> 00:32:50.160
Town and Village of Parish: Do the initial product was just a petition
the officer and President

239
00:32:51.300 --> 00:32:56.910
Town and Village of Parish: Trump if he wants to do this again already
included the supervisor about this other way.

240
00:33:04.680 --> 00:33:04.950
Town and Village of Parish: On a

241
00:33:14.160 --> 00:33:16.020
Town and Village of Parish: Mission his mission.

242
00:33:24.690 --> 00:33:25.080
Done.

243
00:33:26.220 --> 00:33:28.740
Town and Village of Parish: Hopefully sooner than later.

244
00:33:33.720 --> 00:33:34.170
Town and Village of Parish: All right.

245
00:33:40.710 --> 00:33:42.840
Town and Village of Parish: No reason migrating questions.

246
00:34:31.980 --> 00:34:33.990
Town and Village of Parish: replacement or repair work done.

247
00:34:35.370 --> 00:34:36.090
Town and Village of Parish: 38

248
00:34:37.470 --> 00:34:42.390
Town and Village of Parish: Three Little, little North operational in our

249

00:34:51.240 --> 00:34:52.350
Town and Village of Parish: Here, we've been hired

250
00:34:54.390 --> 00:34:55.110
Town and Village of Parish: To all of the

251
00:35:00.900 --> 00:35:04.080
Town and Village of Parish: Regional convergence in our goal of making

252
00:35:10.260 --> 00:35:11.760
Town and Village of Parish: Working on your job.

253
00:35:13.680 --> 00:35:21.450
Town and Village of Parish: Is part of the process is a safe one employer
to what the program and

254
00:35:23.250 --> 00:35:23.760
Town and Village of Parish: See the

255
00:35:24.990 --> 00:35:25.260
Town and Village of Parish: List.

256
00:35:43.980 --> 00:35:44.490
Town and Village of Parish: Put the

257
00:35:53.010 --> 00:36:05.940
Town and Village of Parish: Normally you would have our own specific
meeting for the project for the bubble, but given the phobic we're trying
to reduce that. But yet still get the information out on the project to
the folks

258
00:36:09.270 --> 00:36:21.660
Town and Village of Parish: I hope we're hoping if if the design in the
we're probably industry right away positions, you know, and we're working
with do t shirt use on those were in the very beginnings of that just
getting

259
00:36:23.370 --> 00:36:39.930
Town and Village of Parish: The public is finishing here and click Next.
If it goes well, the construction next summer, if not more than two point
o clock what probably for Brits at size, hopefully, three or four months.
Next in that range. Once they get to that.

260

00:36:41.400 --> 00:36:41.940
Town and Village of Parish: One.

261
00:36:42.990 --> 00:36:43.830
Town and Village of Parish: More

262
00:36:48.210 --> 00:36:58.680
Town and Village of Parish: Yeah, yeah, we'll try to do local traffic and ministry, we will try to spend a truck traffic around best we can learn a lot of advocates and delivery truck and things, but from

263
00:36:59.190 --> 00:37:14.310
Town and Village of Parish: So wanted to notify him the project if it's okay, I'll get this paperwork here that's more detail than a project and I've also got some project boards, if it's okay to leave bills here in the office. It's convenient for people to come in and take it off. Appreciate it.

264
00:37:15.480 --> 00:37:15.960
Town and Village of Parish: And I can

265
00:37:17.310 --> 00:37:19.620
Town and Village of Parish: Figure out where to put those things. So

266
00:37:20.790 --> 00:37:31.140
Town and Village of Parish: There's, there are common forms that I'll leave behind that people can send in mailing now all of our contact information both the County Highway engineer myself is on here.

267
00:37:32.370 --> 00:37:42.420
Town and Village of Parish: Feel free to comment and let everybody know locally that's available. I'll leave those behind and we've asked for those the best by the September 24

268
00:37:48.900 --> 00:37:50.790
Town and Village of Parish: Yeah, we're anybody can make comments to

269
00:37:51.930 --> 00:37:55.500
Town and Village of Parish: The property results will have our contact information and they've gotten a letter so

270
00:37:58.290 --> 00:37:59.070
Town and Village of Parish: Appreciate your time.

271
00:38:02.160 --> 00:38:03.810
Town and Village of Parish: Tonight, maybe, hopefully.

272
00:38:17.340 --> 00:38:17.970
Town and Village of Parish: The place.

273
00:38:18.990 --> 00:38:19.440
Town and Village of Parish: For your

274
00:38:20.880 --> 00:38:21.690
Town and Village of Parish: Motion.

275
00:38:26.760 --> 00:38:27.750
Town and Village of Parish: Best concert

276
00:39:02.730 --> 00:39:03.840
Town and Village of Parish: Going to be happening.

277
00:39:05.460 --> 00:39:05.790
Town and Village of Parish: Right.

278
00:39:07.170 --> 00:39:07.620
Town and Village of Parish: Here.

279
00:39:10.560 --> 00:39:11.280
Town and Village of Parish: Revising

280
00:39:19.530 --> 00:39:19.980
Town and Village of Parish: The calendar.

281
00:39:22.740 --> 00:39:23.310
Town and Village of Parish: And then

282
00:39:27.780 --> 00:39:28.470
Town and Village of Parish: Whatever.
