

Note: The following is the output of transcribing from an audio/video recording from Zoom. Although the transcription is fairly accurate, in some cases it is incomplete or inaccurate due to inaudible passages or transcription errors, and in some cases, words spoken by one participant may be inaccurately attributed to another. It is posted as an aid to understanding the proceedings at the meeting, but should not be treated as an authoritative record. If you should need clarification on something said and cannot hear it, please contact the town clerk.

1  
00:00:19.109 --> 00:00:20.400  
Mary Ann: Allegiance. Please.

2  
00:00:24.240 --> 00:00:40.860  
Mary Ann: I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all. Thank you. Can we have Roll call, please.

3  
00:00:47.370 --> 00:00:47.580  
Mary Ann: As

4  
00:00:50.880 --> 00:00:54.390  
Mary Ann: He sent me an email said he probably wasn't going to be able to make up

5  
00:00:57.000 --> 00:00:57.420  
Mary Ann: Rosa.

6  
00:00:58.800 --> 00:01:00.300  
Mary Ann: Thank you. Yeah.

7  
00:01:04.290 --> 00:01:20.190  
Mary Ann: Okay, first and foremost, um, if you read the agenda, and I apologize for being so late. I just didn't have time to get this out earlier, we apparently at the last meeting approved a public hearing for the zoning law, but according to Matt Johnson.

8  
00:01:21.300 --> 00:01:32.370  
Mary Ann: It was a little bit too fast, based on what has to be done. So I need a motion to cancel that public hearing for the zoning laws set on October 15 and until further notice.

9  
00:01:34.110 --> 00:01:34.680  
Mary Ann: I need a snack.

10

00:01:39.420 --> 00:01:41.340

Mary Ann: John did okay. Roll call, please.

11

00:01:45.210 --> 00:01:45.840

Jordan.

12

00:01:48.240 --> 00:01:48.600

Mary Ann: Hi.

13

00:01:51.270 --> 00:02:01.680

Mary Ann: Yes, I thank you. Okay, thanks guys. We'll work on it. And then when we get all those other steps done and it'll come back to us and we'll set a date bullied at a later time.

14

00:02:05.790 --> 00:02:06.150

Mary Ann: Go ahead.

15

00:02:06.660 --> 00:02:15.750

Town of Parish: Oh, I was in touch with with Matt and I made the suggestion that I wanted to throw it out to you as well. I think Matt would be willing to meet with you again to talk about the revised.

16

00:02:16.800 --> 00:02:26.040

Town of Parish: Settled of recommendations so we make sure that everybody was understanding how Matt provides them and everybody was comfortable with it before.

17

00:02:26.430 --> 00:02:31.650

Town of Parish: You circulated it further like to the county or Jason towns because Kelly and I were talking about that earlier and it's

18

00:02:32.130 --> 00:02:42.030

Town of Parish: Really kind of a waste of time to send something like that out to the county and your adjacent municipalities and go through all the work of that if you're not quite comfortable with it that it's a finished product that you want to

19

00:02:42.540 --> 00:02:48.030

Town of Parish: Go with. I mean, you could have the hearing. And if you're okay with it and no changes where necessary.

20

00:02:48.840 --> 00:02:55.770

Town of Parish: To be fine. But it's probably better and safer if you all had a chance to talk to Matt about it and made sure that you're all on the

21

00:02:56.190 --> 00:03:07.710

Town of Parish: Same page and comfortable with with bringing it to the public. So I just wanted to throw that out as a suggestion, I'm sure. Matt would be willing to meet with you again anytime at your convenience and I know this is a busy time of year for yourself and we

22

00:03:07.860 --> 00:03:10.080

Town of Parish: Work around what your schedule was on that but

23

00:03:10.380 --> 00:03:12.000

Town of Parish: I just wanted to throw that out as an idea.

24

00:03:12.960 --> 00:03:16.500

Mary Ann: Okay. Well, I did send an email to him and bad

25

00:03:17.760 --> 00:03:29.340

Mary Ann: That I think I did because Bob's got to review it as well and make a recommendation to us. So which comes first, the chicken or the egg. This Bob review it and tell us yes or no. Do we review it and then give it back to Bob.

26

00:03:30.150 --> 00:03:41.400

Town of Parish: Well, I guess, it might be a little bit early to run it by Bob. If you're not sure it's in final form. I think I've done it by Bob, but it's closer to final form and then you can give it a once over to make sure it's in

27

00:03:42.090 --> 00:03:43.350

Town of Parish: Find legal shape from his

28

00:03:43.350 --> 00:03:44.010

Town of Parish: Perspective.

29

00:03:44.940 --> 00:03:54.330

Town of Parish: But there are a lot of things in there that really legal matters so much as they are policy issues, the town and the town board needs to make the decision on how they want the town to go so

30

00:03:55.260 --> 00:04:06.150

Town of Parish: Okay, so I run it by the town attorney after the town board has had at least one more chance to take a look at that suggested revisions and see if they correspond with Martin fish to do

31

00:04:07.020 --> 00:04:18.090

Mary Ann: Okay, I think we put the shoe on the other foot. I think you said it to Bob already but or do you, do you want me to invite me back at our next board meeting, is that too far out. You want it.

32

00:04:20.040 --> 00:04:22.890

Town of Parish: Whenever you're ready, that's up to you in the board.

33

00:04:23.700 --> 00:04:24.990

Mary Ann: Last one I'm asking the board.

34

00:04:26.880 --> 00:04:33.030

Mary Ann: You're waiting back to the to the meeting or do you want it before, is a meeting is October 15

35

00:04:33.780 --> 00:04:41.610

Town of Parish: And we had it. We had a special meeting before for that because it takes that meeting took quite a while to go through all the the document as

36

00:04:42.330 --> 00:04:55.110

Town of Parish: isn't quite as big a challenge this time because we're looking at revisions, rather than taking in the full text of what was being proposed for change, but it still can take maybe longer than you might want to take it a regular town board meeting.

37

00:04:55.920 --> 00:04:58.440

Mary Ann: I know, but we've got workshops every Thursday for the

38

00:05:00.630 --> 00:05:01.260

Town of Parish: I know

39

00:05:01.770 --> 00:05:02.910

Mary Ann: Guys, what do you think

40

00:05:03.930 --> 00:05:04.680

Mary Ann: Yeah, the guys

41

00:05:07.290 --> 00:05:07.590

Town of Parish: Yeah.

42

00:05:09.660 --> 00:05:10.110

Mary Ann: John

43

00:05:12.060 --> 00:05:12.630

Town of Parish: REGAN

44

00:05:16.050 --> 00:05:16.980

Town of Parish: Topic those knowledge.

45

00:05:18.330 --> 00:05:18.840

Mary Ann: I know

46

00:05:20.370 --> 00:05:22.710

Mary Ann: You want to have a workshop for that.

47

00:05:24.660 --> 00:05:35.370

Mary Ann: I knew I would have to have meaning, we can do it again at a workshop with him. We didn't get to do it there in July, but we can try to set up a workshop, but it's, it won't be the night of our budget stuff, but it's going to take too long.

48

00:05:36.270 --> 00:05:37.020

Town of Parish: Workshop or

49

00:05:38.190 --> 00:05:38.460

Town of Parish: Okay.

50

00:05:38.760 --> 00:05:40.200

Mary Ann: So workshop. So one. Do you want it.

51

00:05:43.470 --> 00:05:47.310

Mary Ann: Because every Thursday from now to the second Thursday in November. We've got booked for budget.

52

00:05:50.850 --> 00:05:52.380

Mary Ann: It's gonna have to be a different night.

53

00:05:54.000 --> 00:05:55.620

Mary Ann: Providing the building is available.

54

00:05:59.490 --> 00:06:00.150

Mary Ann: Anybody

55

00:06:02.460 --> 00:06:13.650

Town of Parish: Just to throw out a thought you got the moratorium mountain place now on solar so that takes some of the pressure off time. I mean, you could you could actually wait until after the budget process. If you wanted to wait that long.

56

00:06:15.960 --> 00:06:16.620

Town of Parish: Because you've got

57

00:06:16.710 --> 00:06:19.260

Town of Parish: You know, you got a full month. How do you with all your budget means

58

00:06:19.620 --> 00:06:23.400

Mary Ann: Well I, I don't think it's that critical

59

00:06:24.870 --> 00:06:27.360

Mary Ann: To have to do it immediately.

60

00:06:29.070 --> 00:06:30.870

Town of Parish: Determine place. It's better not to rush

61

00:06:36.510 --> 00:06:39.840

Mary Ann: Okay, we may not need the to budget meeting in

62

00:06:40.950 --> 00:06:52.560

Mary Ann: November in November. We may not need the for in October or however many we got if we're if we get stuff done ahead, and we can skip one, you want to try to do you want to try to have that workshop with him. If we skip one

63

00:06:56.400 --> 00:07:05.340

Mary Ann: We'll have to play that by ear. Then, if not, if we don't skip them. Then we're going to have to do it in November, a visual okay with that okay with me, guys.

64

00:07:06.900 --> 00:07:16.620

Mary Ann: Yes. Okay, so we'll play it by ear. If will either wait till after the second week in November, or if we can get it in before on a Thursday we will

65

00:07:18.300 --> 00:07:20.400

Mary Ann: You know, when we get working on budget.

66

00:07:22.800 --> 00:07:32.010

Mary Ann: Okay, keep your position. The main reason why this was Paul. Paul and I are working on the budget, trying to get that put together since I no longer have a bookkeeper

67

00:07:32.490 --> 00:07:46.350

Mary Ann: He's been working with me on it. Thank you. PAUL Appreciate that. We're not done, but we'll get there and we will have the tentative budget to you to the town clerk no later than the 30th and will be working on that next Thursday, as well as hearing from people

68

00:07:47.700 --> 00:07:52.170

Mary Ann: I wanted to share with you the letter that I received from the bookkeeper and

69

00:07:53.520 --> 00:08:02.550

Mary Ann: Over this she wrote this on the 18th of September. On Thursday, the 17th 2020 to town a parish held their monthly board meeting.

70

00:08:03.180 --> 00:08:12.600

Mary Ann: During this meeting the town board decided to end voted to no longer have the town bookkeeper payroll position within the municipality, which was my position.

71

00:08:13.380 --> 00:08:21.330

Mary Ann: The board decided to replace this position where they town comptroller who would assume those responsibilities that the bookkeeper payroll clerk health

72

00:08:22.080 --> 00:08:28.770

Mary Ann: Board stated that they feel it necessary to obtain someone in this new position that is a Certified Public Accountant

73

00:08:29.220 --> 00:08:39.180

Mary Ann: Someone who therefore holds more experienced than myself, and someone who is more available to attend the monthly board meetings to give clarification of the talents financial status.

74

00:08:40.200 --> 00:08:49.290

Mary Ann: I was not made aware beforehand that there were any issues with my performance, nor was I made aware that before this meeting that my position was being replaced.

75

00:08:50.040 --> 00:08:57.540

Mary Ann: Lot with all of these points made I have cleaned out my desk as my position has been withdrawn and replaced

76

00:08:57.930 --> 00:09:09.900

Mary Ann: I would like you to know I worked very hard to better the financial position of the town of parish when I started on April 1 2019 I inherited a mess of financial records and was given the task to complete the

77

00:09:11.790 --> 00:09:27.000

Mary Ann: For the state counselor's office as well as the task of getting the books up to date for 2019 I researched ways to help the town better their financial status and explained these to the board. I brought payroll in house I filed the town's

78

00:09:28.770 --> 00:09:37.050

Mary Ann: And time for the first time in a long time. I helped with with huge RECORDS RETENTION project that hadn't been done in quite some time.

79

00:09:37.560 --> 00:09:43.830

Mary Ann: I helped revamp the 2020 budget so that it correctly utilize the D amp D beat funds as well as making

80

00:09:44.430 --> 00:09:51.270

Mary Ann: Sure, it did not overstate revenues, like the prior budget, I get payroll done every paper with no issues.

81

00:09:51.960 --> 00:10:00.600

Mary Ann: I reconcile all of our accounts every month and get the board their monthly reports on time every month, as well as all the department heads their monthly reports.

82

00:10:01.110 --> 00:10:06.960

Mary Ann: I was more than happy to discuss any question issue concern that anyone had regarding the town's financial status.

83

00:10:07.470 --> 00:10:15.300

Mary Ann: In a recent letter to the town of parish from the state capitol his office. The town has significantly risen out of its fiscal stress course.

84

00:10:15.690 --> 00:10:19.350

Mary Ann: Of prior years and then guarantee it will be even better in 2020

85

00:10:19.920 --> 00:10:29.790

Mary Ann: I have attended every training session that was offered to me. I attended accounting school with the controller's office and have watched just about every webinar offered to me as well.

86

00:10:30.150 --> 00:10:38.640

Mary Ann: As far as attending board meeting goes when I was interviewed for this position. One of the first questions I asked was whether or not attending board meetings was a requirement.

87

00:10:38.910 --> 00:10:52.770

Mary Ann: As my home system which you wouldn't allow for it. I was informed. I did not have to attend board meetings. However, I have attended several board meetings and all of the budget meetings, I did not know what more, I could have done to fulfill the requirements of my position.

88

00:10:53.970 --> 00:11:01.710

Mary Ann: I appreciate you giving me the opportunity of this position, and it was the town and yourself the best she addressed this to me.

89

00:11:03.180 --> 00:11:04.260

Mary Ann: And actually, Sam.

90

00:11:06.030 --> 00:11:17.340

Mary Ann: I wrote one and I want to go over because you guys don't know what you're going to know tonight what it is. She's done just a minute. Maria just adored Corning docket I

91

00:11:18.900 --> 00:11:29.010

Mary Ann: abstained from that vote for these other board members the wind to get rid of the bookkeeper be because I was elected for this position.

92

00:11:30.090 --> 00:11:35.790

Mary Ann: Is a town councilman to be a steward of the taxpayers money and the steward right

93

00:11:36.900 --> 00:11:39.270

Mary Ann: So I don't think that

94

00:11:40.680 --> 00:11:49.470

Mary Ann: It was fair without a little have come home to take action on this correct us getting ready of our

95

00:11:51.000 --> 00:12:00.210

Mary Ann: Person. We had doing the book for Marianne, and so I abstain from it because I knew what was going to open up a can of worms, and I knew

96

00:12:00.600 --> 00:12:20.940

Mary Ann: It was not she was not. It was not justified to get rid of her for this and I, I want to apologize to all attack barisan the town apparent that I've been on this board all total I think could be about 16 years I got off for four years. I got back on for eight years and

97

00:12:22.500 --> 00:12:28.950

Mary Ann: Hopefully if I live long enough, I get on. Again, if the people aren't me but I just want to let the people know that I

98

00:12:30.270 --> 00:12:40.200

Mary Ann: Was a nurse site because I know the taxpayers are what makes your turn the parish possible. And if we don't have the tax base and we're not going to have a Tony

99

00:12:41.640 --> 00:12:42.090

Thank you.

100

00:12:44.400 --> 00:12:56.520

Mary Ann: And then I wrote one because I want you guys to know exactly what she did, because you don't know Sam has a four year accounting degree from college, she could have taken the test for CPA, but doesn't want that position she never did.

101

00:12:57.270 --> 00:13:08.250

Mary Ann: Prior to come into work for us. Sam was the bookkeeper for the town of Magneto, she has lots of town experience she handled all the accounting department work, including vouchers and payroll.

102

00:13:09.060 --> 00:13:23.940

Mary Ann: Since being hired by me in April of 2019 she has. And I'm going to list these corrected as much as possible. The add information for 2018 working with the Office of State conference was trying to clarify things

103

00:13:24.540 --> 00:13:29.040

Mary Ann: Due to an elected officials coding and vouchers and appropriately between the years of

104

00:13:31.110 --> 00:13:44.430

Mary Ann: There were huge deficits across all funds CM worked with USC and asked how to handle getting the numbers off the books. Plus, she explained it to the board and asked permission from the town board to write off those amounts so that they are not

105

00:13:45.060 --> 00:13:54.360

Mary Ann: Free tool with every year we all agreed with it is as it is a paper adjustment only no money was involved. So she did that.

106

00:13:54.690 --> 00:14:06.900

Mary Ann: She straightened out the accounting codes, working with me. The highway superintendent and Paul Baxter PR communications with the Office of State controllers, she brought payroll in house to save help save the town money she did the

107

00:14:07.920 --> 00:14:16.890

Mary Ann: That's the one we just finished filing add and filed within the correct time frame not asking for any extension as we have every year in the past.

108

00:14:17.250 --> 00:14:28.410

Mary Ann: This is the first time in many years that it was filed correctly and on time. She does the payroll correctly bi weekly, and monthly along with the direct deposit transfers for the town.

109

00:14:28.950 --> 00:14:37.260

Mary Ann: She does the accounting for bills to be paid out of the correct account codes every month, regardless of the account codes given to us by the town clerk.

110

00:14:37.680 --> 00:14:41.940

Mary Ann: We correct them for the books before paying the bills.

111

00:14:42.390 --> 00:14:51.390

Mary Ann: Once vouchers are approved at our monthly meetings. She cuts the checks to be mailed out as soon as we receive the certified audited abstracts signed by the town clerk.

112

00:14:51.690 --> 00:14:57.000

Mary Ann: She then transfers money from our savings accounts to our checking accounts to cover those bills.

113

00:14:57.360 --> 00:15:06.060

Mary Ann: We move only the dollar amounts that we need to pay those bills and payroll, the balance of the money is left and I savings accounts to draw as much interest as possible.

114

00:15:06.390 --> 00:15:10.980

Mary Ann: She does the bank reconciliations for all counts for the town. The general and time.

115

00:15:11.370 --> 00:15:23.220

Mary Ann: Savings, the general and highway checking trust an agency and the capital project accounts, they must balance and because before we can do my town supervisor month report that I give to you.

116

00:15:24.120 --> 00:15:33.930

Mary Ann: She creates copies of our payrolls for the board giving names in Dallas paid out every pay period. These reports I knew and are included in my supervisors monthly report.

117

00:15:34.860 --> 00:15:45.150

Mary Ann: She creates the town supervisors love the report, along with copies of all accounts, this talent has going standing balance. How much has been spent in the present balances.

118

00:15:46.200 --> 00:15:49.290

Mary Ann: Every account that we have is listed in a monthly report.

119

00:15:50.070 --> 00:16:00.630

Mary Ann: She creates all copies of all of our revenue accounts again showing the studying balances, what has been sent or received as revenue and the bed and the balances every month.

120

00:16:01.350 --> 00:16:07.950

Mary Ann: Any questions you have regarding the money is the answer to every month in the supervisors monthly report packet which you don't

121

00:16:08.700 --> 00:16:16.110

Mary Ann: You don't understand that know how to read it, have never asked for it to be explained. Yet you won't go to trainings to learn your jobs.

122

00:16:16.620 --> 00:16:23.190

Mary Ann: She created binders holding all of these monthly reports in case anyone and this is public, or you guys doesn't matter who

123

00:16:23.490 --> 00:16:34.020

Mary Ann: Has a question regarding what we do every month any accounting department. We've invited you to stop in or let us know when you can stop in to review and get your answers your questions to your answers.

124

00:16:34.590 --> 00:16:41.190

Mary Ann: Your answers to your questions we will show you how to read those reports, no one has taken advantage of that.

125

00:16:41.970 --> 00:16:47.460

Mary Ann: I September 24 this past Monday and you don't have this yet, but I'll put into your mailboxes tomorrow when they go

126

00:16:47.790 --> 00:16:56.130

Mary Ann: Back to the office and September 21 2020 I received an email from the office estate com tours with the ratings for the town of parish.

127

00:16:56.850 --> 00:17:19.230

Mary Ann: And it shows us files. Now, you know, since I came on in 2018 we've been a significant fiscal stress that's where we've been 2017. It was a 70.0 significant fiscal stress 2018 it would down went down 3.3 points. And I thought that was great 66.7 again significant physical stress.

128

00:17:20.910 --> 00:17:35.130

Mary Ann: This is the year she came with what she did. We're down to 13.3 no designation. We're down 53.4 points because of what Sam has done to help us better than financial situation of this town.

129

00:17:36.030 --> 00:17:45.750

Mary Ann: She worked long and hard with the OSC both in Syracuse and Albany to get our town and better financial condition and because of her dedication to our town the fiscal stress number drops

130

00:17:46.560 --> 00:17:55.950

Mary Ann: As I said 53.4 points to 13.3 no designation. I didn't even know that was going to ever be possible for the talent parish, which she did for us.

131

00:17:56.610 --> 00:18:07.560

Mary Ann: was first elected in 2018 I was visited by OSC and told that I towns. Many answer condition had been deteriorating since 2012 and we needed to get things in order.

132

00:18:07.980 --> 00:18:15.840

Mary Ann: With Sam's help because she knew what to do, who to talk to you. And if needed as to ask for help. She did it for our town in a year and a half.

133

00:18:16.500 --> 00:18:26.580

Mary Ann: Now we're finally back on our feet so we can move forward. So why are you three customers looking to have a town comptroller a position. The town of parishes does not qualify for

134

00:18:27.240 --> 00:18:44.880

Mary Ann: Nor can we afford one one Sam has accomplished so much in just a year and a half. What has she done to cause the board to question her abilities. Things are getting done on time and correctly or I readings would not reflect 53.4 drop POINTS DROPPED BY THE OFFICE OF STATE controllers.

135

00:18:46.170 --> 00:18:56.220

Mary Ann: Three classes need to rethink your, your decisions that take place outside of our public meetings and ask themselves why they think we need a town controller.

136

00:18:56.640 --> 00:19:04.200

Mary Ann: Why do they vote and things now listed on the agenda before they get all the information that needs to be considered in order to make an informed decision.

137

00:19:04.470 --> 00:19:12.840

Mary Ann: I asked you to delay it, I've asked you, every time you do this to delay it until we get all information. But no, you have to move forward and do what you want to do, because you're three

138

00:19:13.140 --> 00:19:19.110

Mary Ann: Because three of you is a majority to board and they apparently do anything they want or a toll to do

139

00:19:19.770 --> 00:19:24.180

Mary Ann: As a town supervisor for the town of parish. I am asking for the Community's help

140

00:19:24.660 --> 00:19:35.670

Mary Ann: To require those three councillors to apologize to see him for showing what looks and sounds like distress and doubt in her abilities as a bookkeeper imperial court and asked her to return to this position.

141

00:19:36.210 --> 00:19:45.990

Mary Ann: Office, the state control is certainly pleased with her with parish with where parish now stands for those numbers would not would still be high and labeled significant

142

00:19:46.800 --> 00:19:56.280

Mary Ann: School stress. I certainly I'm thankful for her and all she's done to help me as well as town and she has given in all the help that she has given all of us.

143

00:19:57.570 --> 00:20:02.340

Mary Ann: For the community. The phone numbers of the counselors and or some emails are listed on our website.

144

00:20:03.360 --> 00:20:17.400

Mary Ann: Or you can mail them a letter P. O. Box 66 in Paris, New York, maybe if you the community ask this for this move to be rich reacted and expect stamp to return to us. Maybe they will listen and do what's right.

145

00:20:18.510 --> 00:20:27.360

Mary Ann: That's my speech I read your letter. I don't know how you guys feel. I haven't talked to you since you made the decision I sent you a couple of email.

146

00:20:27.930 --> 00:20:37.680

Mary Ann: But in 2019 April I fixed. What was wrong with the town of parish and Sam's done one hell of a job getting us to where we are. You guys just broke up.

147

00:20:38.550 --> 00:20:55.320

Mary Ann: She left because of what you said to listen to the tape that populates on about our meetings and she listened to it and she left, we're back to square one. I did what I needed to do. Now I'm putting it in your hands, the three of you make a decision and how you want to handle it.

148

00:21:00.120 --> 00:21:11.640

Mary Ann: That's what this meeting was mainly about the bookkeepers position and what God only knows why it happened. Oh wait, I took it back. You guys know why it happened. I don't, I will get a copy of this letter from the

149

00:21:12.120 --> 00:21:19.560

Mary Ann: State controllers that shows those rates down here in your mailboxes tomorrow when I go back to the office because again I just got it Monday.

150

00:21:20.010 --> 00:21:29.040

Mary Ann: I almost fell over. When I saw what the number was. I can't believe it. I mean, I believe that, but I cannot believe that we're down that low in one year she

151

00:21:30.060 --> 00:21:34.320

Mary Ann: What she did amazed me and it should have amazed you guys but I don't know that it did.

152

00:21:35.790 --> 00:21:37.170

Mary Ann: Okay, we have a

153

00:21:38.220 --> 00:21:54.720

Mary Ann: A workshop next Thursday for the budget, I'll give the town clerk, the tentative budget by Wednesday will do that as well as hoping some of the people that need to or want to come and talk to us from the department heads will be meeting with us. I believe we start next Thursday at 630

154

00:21:56.190 --> 00:21:58.950

Mary Ann: And I will entertain a motion to adjourn.

155

00:22:06.060 --> 00:22:07.410

Mary Ann: Really, I can't wait to

156

00:22:08.490 --> 00:22:08.880

Town of Parish: Do it.

157

00:22:10.110 --> 00:22:12.840

Town of Parish: Every time so we get to see what price.

158

00:22:12.960 --> 00:22:25.830

Town of Parish: Would come in and that was her decision to resign. She could Elise gave it two weeks notice or she came and set up a meeting with the board and talk to the board about it. She's someone that resigned right off the bat.

159

00:22:27.030 --> 00:22:35.250

Mary Ann: Dog. I think it was Doug was that Doug go okay several things. Doug with what you guys said in that tape.

160

00:22:36.030 --> 00:22:42.930

Mary Ann: You've ruined her reputation as a bookkeeper and that's the way she's taken it there probably isn't anybody in this county or anywhere else.

161

00:22:43.200 --> 00:22:47.790

Mary Ann: That would try to hire whoever the bookkeeper was for the town of Paris, based on your comments.

162

00:22:48.210 --> 00:22:54.810

Mary Ann: You said you were going to do away with the position and look at a town controller. What do you think that makes her doing feel

163

00:22:55.290 --> 00:23:07.770

Mary Ann: You know what it makes her doing feel she resigned because you felt like you guys would just waiting to get rid of her regardless of her ability, regardless of what she's done for this town is basically you guys don't care.

164

00:23:08.250 --> 00:23:16.410

Mary Ann: You don't care about anybody's feelings you don't care about what you do. You don't wait for all the information to come forward. So you can find out if we should or could

165

00:23:16.620 --> 00:23:32.250

Mary Ann: I don't disagree that we didn't, we shouldn't have done information. I agree with you. We should have information, but you don't make a damn decision without it. And the three of you did so that put her in the position that she felt she had nowhere to go. She talked to our board.

166

00:23:33.870 --> 00:23:43.050

Mary Ann: Last November, before Gary came on because Gary was in the audience, talking about her inability or her lack of qualifications and she told

167

00:23:43.530 --> 00:23:46.800

Mary Ann: You then and him and everybody that was at that meeting, what her

168

00:23:47.640 --> 00:24:00.960

Mary Ann: Qualifications were she didn't feel she had to do it again this year. You guys heard it and you knew what she's got a four year accounting degree. Any of you got accounting degree because I certainly don't. I got a bookkeeping degree but not accounting

169

00:24:02.280 --> 00:24:10.410

Mary Ann: So you put her in that position. It's your place to fix it. I'm not doing it. I will entertain a motion to adjourn.

170

00:24:11.160 --> 00:24:11.880

Town of Parish: I'm looking for a

171

00:24:14.220 --> 00:24:14.700

Mary Ann: Second,

172

00:24:15.900 --> 00:24:19.950

Mary Ann: And I'm done with this meeting. Thanks football for putting it together for us.

173

00:24:32.460 --> 00:24:35.460

Town of Parish: Better well Marian has loved meeting.

174

00:24:48.660 --> 00:24:49.500

Town of Parish: You don't have a quorum.
