00:00:39.300 --> 00:00:41.010

Town of Parish 1: liberty and justice for all.

2

00:00:46.860 --> 00:00:47.280

Town of Parish 1: Their

3

00:00:55.980 --> 00:00:59.970

Town of Parish 1: Not on zoom or you're not signed in on the zoom participants are Kari total

4

00:01:05.910 --> 00:01:09.960

Town of Parish 1: Shoulder in the waiting room right now there's nobody in the waiting room waiting to be admitted.

5

00:01:13.680 --> 00:01:14.220

Town of Parish 1: Following it out.

6

00:01:25.650 --> 00:01:36.840

Carrie Tuttle: Paul. I'm not sure if Marion that I can really only hear Paul, I can't hear any of the other board members. So if you could help Paul just relay if if someone speaking to me, that would be helpful.

7

00:01:38.220 --> 00:01:43.500

Town of Parish 1: Yeah, you made a mistake up because you're fair distance away from the mic. So, okay.

8

00:01:46.230 --> 00:01:48.840

Carrie Tuttle: Oh, that's perfect. Marianne, I can hear you now.

9

00:01:50.310 --> 00:01:56.430

Town of Parish 1: Okay. Well, welcome. Thank you for coming. I just got their paperwork tonight from

10

00:01:57.600 --> 00:02:06.990

Town of Parish 1: Diane collect and I just gave everybody a copy of it, there's two pieces here, I just got this tonight. So it's going to go over you.

11

00:02:09.780 --> 00:02:19.170

Carrie Tuttle: Know that that's really it. I just came to, you know, help the board kind of walk through this because Joe had a conflict and he couldn't be here tonight.

12

00:02:20.460 --> 00:02:35.760

Carrie Tuttle: And so the two pieces of paper. One is the resolution to set the hearing the the public hearing and the other is a memo that just documents the steps to take for the notices and whatnot.

13

00:02:47.610 --> 00:02:49.860

We have to adapt this was a question tonight.

14

00:02:57.570 --> 00:02:58.140

Tonight.

15

00:02:59.370 --> 00:03:00.030

It was really

16

00:03:04.080 --> 00:03:05.370

Town of Parish 1: If you want to

17

00:03:05.880 --> 00:03:10.800

Carrie Tuttle: Set the hearing for your next board meeting, which would be

18

00:03:11.520 --> 00:03:20.430

Carrie Tuttle: November 19 I believe in that cited in the resolution, then you would need to you need to adopt this resolution. So it's read the resolution has to be

19

00:03:20.850 --> 00:03:28.380

Carrie Tuttle: Adopted by the board to actually set the public hearing. So if you want to set the public hearing tonight, you would need to approve this resolution.

20

00:03:36.150 --> 00:03:43.320

Carrie Tuttle: Correct, yes, or you would have to set a special or you would have to set a Special Board Meeting Marion

21

00:03:45.300 --> 00:03:50.700

Carrie Tuttle: You'd have to, you know, schedule a separate Special Board Meeting to do that if you didn't want to take action tonight.

22

00:03:58.650 --> 00:03:59.370

Thank you. Let's

23

00:04:07.800 --> 00:04:08.760

Talk about that.

24

00:04:11.100 --> 00:04:13.560

Are we okay with sending the commentary

25

00:04:15.120 --> 00:04:18.270

Five. The half hour prior to our board me

26

00:04:26.700 --> 00:04:32.970

Town of Parish 1: Gary, can we do it like the week prior the Thursday prior to avoid we have enough time.

27

00:04:38.580 --> 00:04:55.050

Carrie Tuttle: I believe you do, let me just go back and find the email from Joe where he broke out the timelines for the publication. Okay. I think it's 10 like it can't be less than 10 days or more than 30 so if you moved it up a week. That would be fine. That would be within that timeframe.

28

00:04:58.350 --> 00:04:59.790

And then, okay.

29

00:05:32.490 --> 00:05:33.360

Town of Parish 1: Yes. So what

30

00:05:37.470 --> 00:05:40.140

Town of Parish 1: Can we do it an hour for

31

00:05:41.640 --> 00:05:56.760

Town of Parish 1: I don't know if it's gonna be enough time in this movie. And the last one very purposeful and there were a lot of people with a lot of questions that need to be addressed by Oscar by engineer, as well as some water guy.

32

00:06:02.880 --> 00:06:10.980

Carrie Tuttle: Now I'm Mary, Mary. And one thing. If you do, you know, like we had confirmed the 19th was available for everybody.

33

00:06:11.550 --> 00:06:24.360

Carrie Tuttle: And we do want to make sure that that Joe Russell and the engineers are available. So if you do pick another day. You know, I won't know right now with if they have a conflict for, you know, for that night, other than the 19th

34

00:06:36.240 --> 00:06:36.750

Those guys

35

00:06:56.880 --> 00:06:57.360

Town of Parish 1: Supposed

36

00:07:05.100 --> 00:07:05.760

Town of Parish 1: To be here.

37

00:07:08.580 --> 00:07:11.340

Town of Parish 1: But this role might not be big enough for people

38

00:07:15.150 --> 00:07:15.540

Gary Wood: Hello.

39

00:07:23.910 --> 00:07:24.360

Gary Wood: Hello.

40

00:07:25.320 --> 00:07:26.250

Carrie Tuttle: Sorry about that.

41

00:07:42.780 --> 00:07:45.390

You can't use it right and all

42

00:07:49.170 --> 00:07:52.020

Town of Parish 1: Figured out of 50 you haven't

43

00:07:52.140 --> 00:07:52.470

Shared

44

00:07:57.630 --> 00:07:59.610

Town of Parish 1: Yet so you need more than that, obviously.

45

00:08:11.340 --> 00:08:11.910

Town of Parish 1: We're going

46

00:08:24.270 --> 00:08:38.610

Town of Parish 1: To find out within a day ever going to be available. I'm going to call the school district tomorrow to see if it's possible to use the building. Number one, and if so, when can we do it and then you might have some days of those guys are going to be available for they have to be here.

47

00:08:39.660 --> 00:08:40.320

Okay, sure.

48

00:08:42.510 --> 00:08:52.920

Carrie Tuttle: Yeah, that's fine. And then really, really just adopting the resolution to set the hearing is, you know, no big deal. We could, we could do that work to find the venue and confirm

49

00:08:53.250 --> 00:08:58.650

Carrie Tuttle: The date that will work with everybody in the time and then you could just adopt that resolution at a future meeting.

50

00:09:01.980 --> 00:09:10.350

Is we do workshops every Thursday we have at least three people here for the workshop next week and we have some form dates could adapt that nice

51

00:09:12.330 --> 00:09:13.380

Yeah, that would work.

52

00:09:14.850 --> 00:09:16.830

Carrie Tuttle: Okay, I need to check with the school.

53

00:09:22.080 --> 00:09:33.030

Town of Parish 1: Not available on any of those Thursdays coming up, other than Thanksgiving, very much. And we'll try to get will try to set a date now. Okay.

54

00:09:34.860 --> 00:09:38.820

Town of Parish 1: Hopefully will adapt to the next Thursday at our budget workshops meeting.

55

00:09:40.080 --> 00:09:44.550

Carrie Tuttle: Okay, but for the potential meeting dates, you're thinking it would be a Thursday evening.

56

00:09:46.950 --> 00:09:47.490

Carrie Tuttle: Is everybody

57

00:09:58.890 --> 00:09:59.160

Town of Parish 1: Yeah.

58

00:10:00.750 --> 00:10:06.750

Town of Parish 1: Let me see what they should be available at the school. I'll come back to you. It doesn't have to be Thursday.

59

00:10:07.560 --> 00:10:14.310

Carrie Tuttle: Okay, sure. Just let me. Yeah, let us know what's free and then we'll, we'll make sure everybody's everybody's available on our end

60

00:10:15.540 --> 00:10:16.560

Town of Parish 1: Very Soon as I get

61

00:10:18.180 --> 00:10:21.210

Town of Parish 1: To carry. So then we will be together next week.

62

00:10:22.860 --> 00:10:24.600

As well, is that correct

63

00:10:25.920 --> 00:10:29.640

Carrie Tuttle: Yeah, that's correct. That's the only action, the board. We need to take next

64

00:10:30.900 --> 00:10:36.090

Carrie Tuttle: We'll just we'll need to update it Marianne for the new day and whatever the location. As for the meeting.

65

00:10:37.350 --> 00:10:44.430

Carrie Tuttle: But, but other than that stands, which is great. It's just the date and place it will change. Yes, correct.

66

00:10:45.510 --> 00:10:52.620

Carrie Tuttle: You know, like in a more. The school is hopefully tomorrow if you allow us usability and when

67

00:10:54.690 --> 00:10:56.010
Okay, that sounds great.

68
00:10:57.570 --> 00:10:59.580
Carrie Tuttle: Okay. So anything else you want to share with us.

69
00:11:01.800 --> 00:11:05.310
Carrie Tuttle: You know, no. No other updates on my end.

70
00:11:13.470 --> 00:11:14.190
Okay, thanks.

71
00:11:16.470 --> 00:11:19.650
Carrie Tuttle: All right, you guys have a good night. Thank you. Thanks.

72
00:11:21.120 --> 00:11:21.570
Carrie Tuttle: Bye bye.

73
00:11:26.250 --> 00:11:30.390
Town of Parish 1: I should note that the rubber is a training session as well.

74
00:11:32.580 --> 00:11:33.090
Okay.

75
00:11:38.160 --> 00:11:39.900
So you guys are man, what night.

76
00:11:42.240 --> 00:11:43.710
Whenever we go

77
00:11:48.180 --> 00:11:48.480
Well,

78
00:12:01.980 --> 00:12:08.130
Town of Parish 1: Budget and just a few all the modifications switch transports here. You don't have to relax.

79
00:12:09.900 --> 00:12:18.900
Town of Parish 1: For me to move regarding aspect in toward the end of the year. Some of the accounts are getting the law.

80

00:12:19.980 --> 00:12:33.630

Town of Parish 1: Money around and new photographer for highway and to do more gentle, gentle, as you can see on here and for the new accounts that we've decided to set up in public health or paid and

81

00:12:34.290 --> 00:12:42.420

Town of Parish 1: Materials. We move some money in there. But that's the first one was the contingency to those accounts. The second one is

82

00:12:43.710 --> 00:13:05.190

Town of Parish 1: We move the balance of sales tax that we've received in January or February we see the fourth quarter. So we're always behind on this, then in March, April 1 June, July, sorry, I just received the third we won't get affordable conditioner again from January. Unfortunately, because of

83

00:13:08.130 --> 00:13:18.840

Town of Parish 1: Delaying everything I need the work that the highway department and to do finding out of the pointing and chips and what we have not received their checks. So we've been helping him.

84

00:13:19.320 --> 00:13:23.700

Town of Parish 1: On what it is you're doing. Engagement doing a lot of work. I mean, the minute

85

00:13:24.450 --> 00:13:35.820

Town of Parish 1: So we're going to give them the balance of the sales tax and received so far this year we received quite a bit and all of that Sam and I get in the DEF CON.

86

00:13:36.420 --> 00:13:58.020

Town of Parish 1: Artists is can only be because it's telling us, it goes, because those goods sold sales tax for to Jericho and B or D be navigated VA. So we normally put somebody in this last one we put \$20,315 and 70 cents of what we got. Indeed, well, found out, as you'll see in a minute that comes

87

00:13:59.100 --> 00:14:09.840

Town of Parish 1: In the red. So we move the balance that thousands. Remember to do 20,057 from Harvey to DB as a general general

88

00:14:11.730 --> 00:14:21.570

Town of Parish 1: funds that are listed on the sheet of paper that is that all sales tax that we've collected this year has gone into DB take home with you guys.

89

00:14:22.530 --> 00:14:31.350

Town of Parish 1: So we're going to move the second one, the third one down as a talent for to respond to things. So I had any from brewing equipment line to her contract.

90

00:14:31.800 --> 00:14:39.360

Town of Parish 1: Which is the point Tuesday equipment point four is our contractual so that's first stuff and next one down the highway fire departments.

91

00:14:39.750 --> 00:14:53.640

Town of Parish 1: EBIT da still using bowl. We switched completely to da until November 1 so payroll insurance all the other things that affect the employees right now are still coming down and TV and we're a little short

92

00:14:54.330 --> 00:15:03.120

Town of Parish 1: So with the with the abstract that we put together. We needed to transfer money from the point for it's still dB to the point two,

93

00:15:03.720 --> 00:15:11.580

Town of Parish 1: And then the other one was appointed by six and Fireball. That's my mistake. It's \$20 short term insurance. So I need to map.

94

00:15:11.940 --> 00:15:23.910

Town of Parish 1: And the other one that's telling outside of go and just da again. I'm sorry. Tom IDA. Same thing. When we read from the contractual report to the point to where you needed to have in order to pay the outstrips

95

00:15:24.930 --> 00:15:31.140

Town of Parish 1: The budget, you're going to be coming tonight. So the transfers. I know here in terms of like a lot of transfers, but

96

00:15:31.650 --> 00:15:47.220

Town of Parish 1: Unfortunately, we have to move the money to the correct accounts in order to pay the vouchers. So Kelly, you got a copy of it, I get it. Yes. Okay. So I need a motion. Unless you have any questions, I need a motion to approve the budget modification slice transfers.

97

00:15:49.710 --> 00:15:50.610

Town of Parish 1: I need a second

98

00:15:52.590 --> 00:15:54.540

Town of Parish 1: Question. The question I have.

99

00:15:55.560 --> 00:16:05.280

Town of Parish 1: To use a sales tax money on that now waiting for the chimps money to come in. So the children come in, where do you put the sales tax, and if

100

00:16:06.360 --> 00:16:18.900

Town of Parish 1: This year, whenever it is me. This is a stable on fun, I should say. So we're not putting in there, but because because dB is the only one that can move in there is from me.

101

00:16:19.380 --> 00:16:27.150

Town of Parish 1: And the only way I have extra and be a sales tax. So we're just going to put it on there this year. Once he gets his chips money and will be in better shape but

102

00:16:28.110 --> 00:16:35.310

Town of Parish 1: We're holding it comes in in the silver bullet points a quarter screwed everything up, as you know,

103

00:16:36.120 --> 00:16:44.730

Town of Parish 1: It didn't define to the higher up front, as well as everybody else was guys waited to do with the end to do, and they've done a hell of a lot of work around the roles that she

104

00:16:45.240 --> 00:16:53.580

Town of Parish 1: Would be intend to salvation that shift is going to come through and what even a finished from said it is he believes it is, but I'll check

105

00:16:54.810 --> 00:16:58.920

Town of Parish 1: So please. Okay. And don't worry about me but we said in the money in there so

106

00:17:00.720 --> 00:17:04.740

Town of Parish 1: That means this month, like I said. Next one number when we start doing all da

107

00:17:06.600 --> 00:17:07.740

Town of Parish 1: Any other questions.

108

00:17:12.000 --> 00:17:14.010

Town of Parish 1: In a second Roll call, please.

109

00:17:22.080 --> 00:17:22.440

115

00:18:33.240 --> 00:18:33.720

Gary Wood: Yes.

116

00:18:36.120 --> 00:18:36.630

Town of Parish 1: He's scary. I can't see his

118

00:18:41.580 --> 00:18:42.030

Gary Wood: Yes.

128

00:19:39.750 --> 00:19:40.500

Thank you.

and write down. You know why.

136

00:20:28.710 --> 00:20:30.660

Town of Parish 1: I didn't make any changes. So I don't know.

137

00:20:32.670 --> 00:20:33.000

Town of Parish 1: Okay.

138

00:20:36.600 --> 00:20:37.170

Town of Parish 1: I'll check the

139

00:20:38.430 --> 00:20:39.360

Town of Parish 1: Settings and see if the

140

00:20:43.980 --> 00:20:48.360

96 at \$25,225 and 75 cents.

141

00:20:49.860 --> 00:20:52.560

Need emotion global I need a second

142

00:20:55.890 --> 00:20:56.700

Any questions.

143

00:21:04.620 --> 00:21:05.160

Gary Wood: Yes.

144

00:21:06.450 --> 00:21:07.050

Gary Wood: Yeah.

145

00:21:20.070 --> 00:21:23.010

Town of Parish 1: I need a motion to approve DB highway.

146

00:21:25.260 --> 00:21:32.730

Town of Parish 1: 190 7,932nd

147

00:21:34.590 --> 00:21:35.610
Town of Parish 1: Any questions.

148
00:21:48.660 --> 00:21:49.080
Gary Wood: Yes.

149
00:21:51.480 --> 00:21:52.050
Town of Parish 1: Yeah.

150
00:21:59.190 --> 00:21:59.790
Town of Parish 1: Okay.

151
00:22:02.010 --> 00:22:31.980
Town of Parish 1: hurricanes are some of the other night there though the workshop and we signed the paperwork. So now we need to get resolution authorizing the talent purport to buy for GPM Brianna and 2021

152
00:22:39.930 --> 00:22:44.130
Town of Parish 1: Okay, I got emotional. I'm sorry. Okay, any questions.

153
00:22:45.180 --> 00:22:45.570
Town of Parish 1: Okay.

154
00:22:55.140 --> 00:22:55.410
Gary Wood: Yeah.

155
00:22:57.840 --> 00:22:58.470
Town of Parish 1: Yeah.

156
00:23:00.030 --> 00:23:00.630
Town of Parish 1: Yes.

157
00:23:05.670 --> 00:23:08.190
Town of Parish 1: Yeah, that's him because we are you saying

158
00:23:10.650 --> 00:23:11.070
Town of Parish 1: I'm sorry.

159
00:23:14.460 --> 00:23:20.400
Town of Parish 1: Okay, um, as mentioned by any chance. Oh no, he is not our gauge

160

00:23:22.950 --> 00:23:25.530

Town of Parish 1: Gauge. Okay, I'm not sure.

161

00:23:26.700 --> 00:23:30.420

Town of Parish 1: We had the last name instead of the public hearing for

162

00:23:31.680 --> 00:23:35.250

Town of Parish 1: The scene. And then we ended up for some reason my

163

00:23:36.690 --> 00:23:36.930

Town of Parish 1: Head.

164

00:23:38.730 --> 00:23:39.360

Town of Parish 1: Okay, so I

165

00:23:41.040 --> 00:23:47.610

Town of Parish 1: Got the update prior to last month's meeting but you hadn't had a session with Matt review all the other settings.

166

00:23:48.360 --> 00:23:58.440

Town of Parish 1: And the time dreams are too tight in terms of you being comfortable those changes and then sending it to county to have them do their you embed effects you before you held your turn. So

167

00:24:01.350 --> 00:24:07.710

Town of Parish 1: We are just in the timeline. Things are a little bit too tight to get it before. Tonight's meeting solar one of our previous meeting.

168

00:24:08.250 --> 00:24:17.970

Town of Parish 1: At the end of September, you had decided that we were going to schedule another session with Matt after election day after past the budget and election day.

169

00:24:18.420 --> 00:24:29.640

Town of Parish 1: And you're going to set up a session with Matthew he come down or via zoom however you wanted to do it through view the revisions. He made to the updates to make sure they were consistent with what you could support.

170

00:24:34.080 --> 00:24:48.840

Town of Parish 1: Exactly. Yeah. You don't want to go to all the time and number of notifying everybody in sending out all those paperwork. If

you're not in final form so smart to have that then first. So the data center workshop. To me, that's probably the next up

171

00:24:51.210 --> 00:24:51.960

Remember reading

172

00:24:53.730 --> 00:24:54.330

That one.

173

00:24:58.590 --> 00:25:01.260

Town of Parish 1: Oh yes, I do you wanna

174

00:25:05.340 --> 00:25:06.060

Do me a favor.

175

00:25:07.350 --> 00:25:08.580

The updates.

176

00:25:13.170 --> 00:25:14.820

Town of Parish 1: Just before less time working

177

00:25:17.550 --> 00:25:18.240

Town of Parish 1: Again, yes.

178

00:25:21.420 --> 00:25:22.080

Town of Parish 1: Yeah, I

179

00:25:24.330 --> 00:25:26.310

Town of Parish 1: Just haven't turned it off. Everybody all over again.

180

00:25:27.450 --> 00:25:29.220

Town of Parish 1: And tell them on the agenda.

181

00:25:35.760 --> 00:25:38.100

Town of Parish 1: But we probably should do a workshop on that one.

182

00:25:40.830 --> 00:25:46.530

Town of Parish 1: That's, you know, depending on how long you think it's going to go through. I'm in that first meeting. It took a while to go through everything and

183

00:25:46.920 --> 00:25:56.040

Town of Parish 1: The changes won't be an after the budget stuff. So whether that you're like this stuff. I mean, you could have a meeting on the 12th. It could be the week before your town board meetings.

184

00:25:57.870 --> 00:26:02.220

Town of Parish 1: And all all you could conceivably but you know if there's a hearing

185

00:26:07.860 --> 00:26:08.370

Town of Parish 1: That that'd be

186

00:26:13.470 --> 00:26:27.960

Town of Parish 1: Me. It could be the first Thursday in December is because again. And keep in mind you passed the moratorium. So you're a little bit out from under the gun right you bought yourself some time by testing the moratorium, to be able to consider things in a

187

00:26:29.370 --> 00:26:36.000

Town of Parish 1: At your at your own pace, rather than feeling like you gotta rock. Oh, I mean, December would work as well. If you want to do it in December of the

188

00:26:39.420 --> 00:26:40.170

Gary Wood: Sounds good.

189

00:26:43.980 --> 00:26:45.450

Gary Wood: Yeah, that sounds good.

190

00:26:48.780 --> 00:26:49.230

Thursday.

191

00:26:58.530 --> 00:26:59.130

Thursday.

192

00:27:01.770 --> 00:27:02.460

Thanks Thanksgiving.

193

00:27:08.100 --> 00:27:08.370

Town of Parish 1: Time.

194

00:27:13.110 --> 00:27:14.970

Town of Parish 1: How much time we have to get the

195

00:27:25.140 --> 00:27:25.770

Town of Parish 1: Towns.

196

00:27:27.390 --> 00:27:28.020

Town of Parish 1: County.

197

00:27:30.810 --> 00:27:35.490

Town of Parish 1: Yeah, so you gotta give me some time to review before they send it back here.

198

00:27:41.280 --> 00:27:41.880

Town of Parish 1: January.

199

00:27:44.160 --> 00:27:46.890

Town of Parish 1: When you go there you would want them to be good on third.

200

00:27:48.990 --> 00:27:52.560

Town of Parish 1: If we do it give us enough time to do we just talked about. No.

201

00:27:54.330 --> 00:27:55.380

Town of Parish 1: No, no.

202

00:27:56.550 --> 00:27:57.120

January.

203

00:28:11.280 --> 00:28:11.910

Town of Parish 1: 3

204

00:28:13.980 --> 00:28:14.910

Town of Parish 1: And then when we're scheduling.

205

00:28:16.680 --> 00:28:17.370

Town of Parish 1: For the

206

00:28:18.510 --> 00:28:19.080

Town of Parish 1: Public area.

207

00:28:20.310 --> 00:28:21.690

Town of Parish 1: Right. Yes.

208

00:28:23.310 --> 00:28:28.320

Town of Parish 1: Okay, so he said, meaning we're going to do the 1213 years a workshop

209

00:28:32.940 --> 00:28:34.950

Gary Wood: So we still have a November 19

210

00:28:37.050 --> 00:28:38.700

Town of Parish 1: Not gonna be on the agenda for the night.

211

00:28:40.140 --> 00:28:40.530

Gary Wood: Okay.

212

00:28:41.130 --> 00:28:41.430

Thank

213

00:28:44.700 --> 00:28:47.070

Town of Parish 1: You gotta know if he's available.

214

00:28:51.990 --> 00:28:52.560

Yeah.

215

00:28:54.210 --> 00:29:06.810

Town of Parish 1: The thing about Zoom is is you you all could meet in person and have met his room into the meeting. The thing about Zoom is that this has to do with you as people calling and conducting the meeting being in person or remote

216

00:29:07.200 --> 00:29:16.260

Town of Parish 1: You can always have a meeting like now where everybody is here. And anybody who you want to have joining the session can join remotely. That's not a restriction keeping us from

217

00:29:17.370 --> 00:29:28.740

Town of Parish 1: Allowing remote participants than it is the town board under the governor's executive orders have the ability as berries, taking advantage of tonight to not be here in person at

218

00:29:30.630 --> 00:29:43.620

Town of Parish 1: All right, now let's just extended through November 3 and he's been doing a month by month but I think it's going to be going

on for a while and this this whole situation resolved unexpectedly quickly, I expect I'll probably keep on doing it from month to month

219

00:29:46.590 --> 00:29:54.660

Town of Parish 1: Yeah, it would be because you wouldn't have to drive down from Waterford, he's happy to do that. But you know if it works as well for us. And it's more convenient for him.

220

00:29:55.320 --> 00:29:57.690

Gary Wood: Things are getting worse. How many arms to the better.

221

00:30:07.350 --> 00:30:07.740

Town of Parish 1: Very good.

222

00:30:09.600 --> 00:30:10.590

Town of Parish 1: Student as possible.

223

00:30:12.870 --> 00:30:13.230

Tonight.

224

00:30:18.870 --> 00:30:19.740

Town of Parish 1: Availability

225

00:30:20.790 --> 00:30:25.800

Town of Parish 1: Yeah, yeah. So a motion to set a workshop

226

00:30:27.210 --> 00:30:33.030

Town of Parish 1: At 630 Eastern and I should be able to confirm that either tomorrow or Monday or something.

227

00:30:45.120 --> 00:30:45.420

Gary Wood: Yep.

228

00:30:46.650 --> 00:30:47.190

Gary Wood: Yeah.

229

00:30:48.870 --> 00:30:49.320

Yes.

230

00:30:58.920 --> 00:31:12.240

Town of Parish 1: I'm not sure where we stand when it comes to the tax cap. But in order to apply or we have to set a public here we need it. I don't want you guys, I'm sorry. And this is not my forte, and then

231

00:31:13.380 --> 00:31:27.870

Town of Parish 1: Next Thursday but right but if we decide to set a public hearing for it so that we can do it. We needed if we don't need up and won't do it. But I can't fly to get permission. So are you comfortable doing them.

232

00:31:29.700 --> 00:31:33.000

Town of Parish 1: Seven days for the public caring for a test sample right

233

00:31:34.560 --> 00:31:42.450

Town of Parish 1: Yeah, that'd be a local law, I can do it via local law. And then we give them sorry yeah that's that's what we need to do.

234

00:31:43.050 --> 00:31:51.750

Town of Parish 1: A passable claws like that in the past. So it's a matter of picking a local law. You've had before. And I'm sure Bob has it. You just put it in beta in it and you're good to go.

235

00:31:52.770 --> 00:31:52.980

Town of Parish 1: To

236

00:31:57.360 --> 00:31:59.670

Town of Parish 1: 1.56% yeah

237

00:32:02.550 --> 00:32:03.120

BGenant: I think you have

238

00:32:04.170 --> 00:32:04.860

Gary Wood: Isn't there.

239

00:32:05.460 --> 00:32:09.120

Gary Wood: Isn't there, isn't there penalties for override the tax cap.

240

00:32:09.600 --> 00:32:23.370

Town of Parish 1: There, there are no penalty for overriding overriding it does is allows you to spend my you collect in excess of the tax cap. If you didn't you you would be unable to

241

00:32:24.090 --> 00:32:36.000

Town of Parish 1: Spend the money that you took in and that exceeded the tax cap, you'd have to put it into reserved from to be applied towards 2022 taxes but there isn't a penalty for overriding that that I'm aware of.

242

00:32:37.980 --> 00:32:38.760

BGenant: I grew a ball.

243

00:32:40.020 --> 00:32:40.380

Gary Wood: Okay.

244

00:32:56.190 --> 00:32:56.940

Town of Parish 1: Oh,

245

00:32:58.500 --> 00:33:00.240

Sony MP3.

246

00:33:04.650 --> 00:33:07.440

Want again. Okay, so should we

247

00:33:09.330 --> 00:33:11.190

Town of Parish 1: As a lot tonight know

248

00:33:12.510 --> 00:33:19.050

Town of Parish 1: The local opportunity you have to take it to the public here. And then, and then you can adopt, but after that.

249

00:33:20.790 --> 00:33:21.660

Town of Parish 1: All the wall.

250

00:33:24.630 --> 00:33:26.550

Town of Parish 1: Take you to put it together for us.

251

00:33:27.960 --> 00:33:28.800

BGenant: I'll put it together.

252

00:33:31.080 --> 00:33:32.370

BGenant: To same thing every year.

253

00:33:32.670 --> 00:33:35.880

Town of Parish 1: Yeah, I'm see it wasn't, but it kept me. I can't do tonight.

254

00:33:39.570 --> 00:33:41.490

Town of Parish 1: How long before you can get it from you.

255

00:33:42.090 --> 00:33:42.810

BGenant: When do you want it.

256

00:33:47.220 --> 00:33:47.850

BGenant: What do you want it.

257

00:33:48.840 --> 00:33:49.590

Tomorrow,

258

00:33:51.420 --> 00:33:52.320

BGenant: How about Monday.

259

00:33:55.080 --> 00:33:56.460

Town of Parish 1: Monday is fine. Yeah, I

260

00:33:58.140 --> 00:33:58.710

Mean you

261

00:34:01.350 --> 00:34:07.140

Town of Parish 1: Know, because you have to advertise to the public here and that's too close, so

262

00:34:08.490 --> 00:34:18.270

Town of Parish 1: Would have to be at a later stage. I mean, if you know when you're scheduling your budget here and you can do it the same night as your budget hearing as far enough away November.

263

00:34:19.650 --> 00:34:21.090

Town of Parish 1: November. Yeah.

264

00:34:26.250 --> 00:34:31.470

Town of Parish 1: The only thing is the old. Keep in mind, or you only have to have this past before you adopt the budget.

265

00:34:33.960 --> 00:34:49.020

Town of Parish 1: Yeah, you can have the public hearings, but in terms of actually passing a budget that overrides the tax cap unit and it is fair. So you need to do this before November 20 Ah, so you got you got everything doesn't have to be tomorrow or Monday. So we could have it.

266

00:34:50.160 --> 00:34:50.430

Town of Parish 1: Right.

267

00:34:52.290 --> 00:34:53.190

Town of Parish 1: Yeah, okay.

268

00:34:55.680 --> 00:34:56.040

Okay.

269

00:34:57.180 --> 00:35:02.280

Town of Parish 1: Okay, so we needed to be fine, because we're probably looking at it, November.

270

00:35:04.380 --> 00:35:06.510

BGenant: Okay, thank you.

271

00:35:09.120 --> 00:35:09.660

Town of Parish 1: Absolutely.

272

00:35:20.760 --> 00:35:21.300

All right.

273

00:35:29.250 --> 00:35:30.000

Town of Parish 1: Emotion.

274

00:35:33.300 --> 00:35:43.020

Town of Parish 1: Emotions for for a public hearing from or two for local number two to override the tax cap. We're talking about doing in November.

275

00:36:01.980 --> 00:36:09.150

Town of Parish 1: Yes. Do you wanted a six or 630 probably sex because we got to do the budget 630 so sex, is that all right.

276

00:36:09.720 --> 00:36:10.080

Gary Wood: Yeah.

277

00:36:10.830 --> 00:36:11.940
Town of Parish 1: All right, it says

278
00:36:14.070 --> 00:36:14.430
Town of Parish 1: Okay.

279
00:36:21.060 --> 00:36:23.520
Town of Parish 1: Yes, I don't think we have a choice for that it

280
00:36:29.190 --> 00:36:29.910
Town of Parish 1: Can I do better.

281
00:36:33.390 --> 00:36:37.590
Town of Parish 1: So emotionally made us to put our logo on there were two

282
00:36:38.730 --> 00:36:51.750
Town of Parish 1: Public Hearing on that six o'clock, and then the guys in the text camp and I and we can immediately following the public hearing for the budget was 2021

283
00:36:53.040 --> 00:36:53.190
Town of Parish 1: And

284
00:36:54.780 --> 00:36:55.860
Town of Parish 1: Then we okay with them.

285
00:37:01.710 --> 00:37:03.750
Town of Parish 1: Maybe it's a public hearing

286
00:37:07.920 --> 00:37:08.370
Me.

287
00:37:10.560 --> 00:37:15.300

289
00:37:21.330 --> 00:37:30.690

290

00:37:31.980 --> 00:37:33.270

Town of Parish 1: You say night.

291

00:37:35.550 --> 00:37:36.060

Okay.

292

00:37:43.680 --> 00:37:46.590

Town of Parish 1: Well media following is a public hearing for the budget.

293

00:37:48.960 --> 00:37:53.850

Town of Parish 1: Is the sexually to consider adoption of the budget, yes.

294

00:37:54.360 --> 00:37:55.140

Gary Wood: Yeah, if we need it.

295

00:38:00.120 --> 00:38:02.460

Town of Parish 1: Yeah, cuz you might want to discuss them let me

296

00:38:03.990 --> 00:38:04.170

Town of Parish 1: Know,

297

00:38:05.610 --> 00:38:07.980

Okay, I need a motion and a second.

298

00:38:37.950 --> 00:38:38.460

Town of Parish 1: One.

299

00:38:41.760 --> 00:38:42.330

Town of Parish 1: Is too.

300

00:38:46.470 --> 00:38:51.420

Town of Parish 1: Especially emerges three Judas Priest Okay, all right.

301

00:38:52.530 --> 00:39:02.070

Town of Parish 1: Very good. Couple things on neural anatomy agenda. So could you hold off until I get to the agenda or under over some infomercial business and here

302

00:39:03.390 --> 00:39:04.560

Town of Parish 1: To get to the agenda.

303

00:39:05.760 --> 00:39:08.910

Town of Parish 1: When we only did it falls over open brought it all.

304

00:39:12.630 --> 00:39:15.360

Town of Parish 1: Doesn't matter if I say, No, no, I want

305

00:39:17.010 --> 00:39:20.130

Town of Parish 1: You to always do. What's the rest of the bill.

306

00:39:21.960 --> 00:39:22.200

Town of Parish 1: What

307

00:39:22.800 --> 00:39:24.930

Gary Wood: It is all business, right, isn't it, I think.

308

00:39:25.260 --> 00:39:25.860

Yeah.

309

00:39:27.210 --> 00:39:30.630

Gary Wood: Exactly. I mean, is that the way it works. Do you talk about old business on your own business.

310

00:39:31.320 --> 00:39:31.860

Gary Wood: To wait

311

00:39:31.920 --> 00:39:33.240

Gary Wood: For new business or

312

00:39:37.980 --> 00:39:38.820

The end of the meeting.

313

00:39:40.890 --> 00:39:43.050

Town of Parish 1: They want to do, Gary. So under overdose.

314

00:39:45.420 --> 00:39:45.990
What is the boy.

315
00:39:51.510 --> 00:39:52.110
That's one.

316
00:39:54.720 --> 00:39:55.440
Gary

317
00:39:56.640 --> 00:39:57.330
Gary Wood: Whole business.

318
00:39:59.580 --> 00:40:01.140
Town of Parish 1: Own business.

319
00:40:04.350 --> 00:40:04.770
I'm sorry.

320
00:40:10.560 --> 00:40:12.150
Town of Parish 1: Just bringing this up on the forum.

321
00:40:14.520 --> 00:40:16.500
Town of Parish 1: Got to reappoint get to the bar.

322
00:40:18.450 --> 00:40:24.870
Town of Parish 1: Last month, and we got started vegan October 1 yeah and I asked that we

323
00:40:27.030 --> 00:40:28.350
Town of Parish 1: Get some information.

324
00:40:30.870 --> 00:40:33.540
Town of Parish 1: We will be covering that in an executive personnel.

325
00:40:35.070 --> 00:40:36.090
Town of Parish 1: Its personnel.

326
00:40:39.240 --> 00:40:42.240
Town of Parish 1: Just saying asking me to put it off collectors. That is that okay

327

00:40:43.410 --> 00:40:44.070
Town of Parish 1: I don't see why.

328
00:40:45.570 --> 00:40:45.750
It's

329
00:40:48.990 --> 00:40:51.330
Town of Parish 1: Why somebody who teaches

330
00:40:52.920 --> 00:40:53.520
Town of Parish 1: People

331
00:40:56.700 --> 00:41:09.180
Town of Parish 1: Because some of them you notifying dollars, you know, so why I don't know why would you do if you're going to do if you're going to notify people that perceived as up that it should be everybody across the board. Yeah.

332
00:41:12.720 --> 00:41:16.800
Gary Wood: I agree with that. Because I don't so know somebody that was not notified.

333
00:41:17.280 --> 00:41:33.750
Gary Wood: At the end of their term and somebody else was appointed in their position. So yes, it's got to be fair, across the board, and if people don't get notification, then they should not be appointed new people to take their place. I agree. But is it hasn't been that way. But anyways,

334
00:41:34.890 --> 00:41:38.910
Town of Parish 1: So, are you okay with whatever you say whatever

335
00:41:40.770 --> 00:41:43.350
Gary Wood: I have a part of old business. I'd like to bring up

336
00:41:43.500 --> 00:41:45.420
Town of Parish 1: He put it in less than

337
00:41:48.930 --> 00:42:02.820
Town of Parish 1: One. So, yes. The other thing I gotta bring up. I like to bring up before was and do what do you guys want to do about hiring and all of her john brought up last one we had a month. Like it over. I think we should move forward with it. The

338

00:42:04.530 --> 00:42:05.430

Town of Parish 1: Other

339

00:42:06.870 --> 00:42:07.140

Town of Parish 1: One.

340

00:42:08.790 --> 00:42:14.700

Was a gentleman was a little bit less money, but he wanted. You can do a full fledged shot at

341

00:42:16.440 --> 00:42:33.240

Town of Parish 1: A there's two other things, and I haven't had any funding with their cars or don't convert them and then they talk. Yes, we have to decide whether we want a full fledged one of those other two things, depending on what to ask for will dictate the cost of that will be

342

00:42:34.920 --> 00:42:36.030

Hamburger with me.

343

00:42:37.470 --> 00:42:39.180

Town of Parish 1: I don't have that. And I can't remember.

344

00:42:43.440 --> 00:42:44.670

Town of Parish 1: There's no question in my mind.

345

00:42:57.330 --> 00:42:57.990

Town of Parish 1: What department.

346

00:43:01.560 --> 00:43:02.010

Town of Parish 1: That would be

347

00:43:05.550 --> 00:43:06.090

Town of Parish 1: Very young

348

00:43:13.080 --> 00:43:19.650

Gary Wood: Yeah, I think that far down the road. We're going to be a vote. Man, whether or not to get

349

00:43:20.700 --> 00:43:28.560

Gary Wood: Local law to go for a comptroller, we need to start out with a fresh sleep with a full fledged audit and all of them.

350

00:43:29.730 --> 00:43:36.210

Gary Wood: So they have something to go by also went if we do go down the road and get a conqueror for 2021

351

00:43:40.860 --> 00:43:41.430

Years old.

352

00:43:43.680 --> 00:43:44.010

But they're

353

00:43:45.120 --> 00:43:46.140

Going to next year.

354

00:43:49.080 --> 00:44:00.960

Well put in the cross when we get the tournament originally and then they want. He's one of the two. So I want to keep them all of that I wanted to be the number one to the other guy as well.

355

00:44:03.540 --> 00:44:07.680

I can bring it to the workshop next week. If you want to look at it. No worries.

356

00:44:09.690 --> 00:44:09.900

This

357

00:44:18.480 --> 00:44:20.190

Town of Parish 1: Person is going to be available.

358

00:44:21.630 --> 00:44:23.100

Town of Parish 1: To make a motion to

359

00:44:24.480 --> 00:44:25.890

Gary Wood: Decide who we're going to use

360

00:44:26.820 --> 00:44:34.020

Town of Parish 1: Right. We got to point out one thing will be available to the right. So can you wait till next Thursday's meeting workshop

361

00:44:39.420 --> 00:44:40.440

Gary Wood: Is that OK john

362

00:44:40.950 --> 00:44:41.400

Yeah.

363

00:44:47.040 --> 00:44:49.020

Town of Parish 1: Okay, take a look at it.

364

00:44:50.400 --> 00:44:50.730

Town of Parish 1: Okay.

365

00:44:53.310 --> 00:44:54.180

Town of Parish 1: Bring up

366

00:44:54.270 --> 00:45:07.170

Gary Wood: Yeah, that one time choir on the process of Dr. Connor signatures on checks if you win the cup town clerk gotten together and decided how you're going to deal with that or how you're going to handle that.

367

00:45:09.390 --> 00:45:12.870

Gary Wood: When are you planning on doing that because we passed the resolution. It's an effect.

368

00:45:13.380 --> 00:45:13.650

I

369

00:45:15.810 --> 00:45:26.820

Town of Parish 1: Know that my time. If you need people and bookkeeping and accounting, as well as ministry to work with the supervisor to do I find the time you know

370

00:45:27.420 --> 00:45:39.000

Gary Wood: Well, it's actually really not up to you to decide the time the boy test the resolution was voted on, there was a best. I think it needs to go into effect as soon as possible.

371

00:45:39.480 --> 00:45:49.710

Gary Wood: So how about the board. I don't know what they'd want to think. But I mean, as a member. I'm gonna make a recommendation that got to the end of October. So, November 1 we can start the process.

372

00:45:53.250 --> 00:45:57.570

Town of Parish 1: So that I can do the checks at the same time, I'll be more than happy to find the time

373

00:46:01.470 --> 00:46:04.440

Gary Wood: What's a boy. Think I mean November 1 sound like a good time.

374

00:46:12.540 --> 00:46:16.050

Town of Parish 1: Areas. Nobody else can see or hear or read

375

00:46:17.070 --> 00:46:31.860

Town of Parish 1: There's a lot of confidential information on those things I wanted to draw us when I am the time and she has the time we'll get together here the room. You can do it in the office, no matter what. So you guys can discuss it. Look at

376

00:46:35.820 --> 00:46:48.660

Gary Wood: Man, let me tell you something. I've talked to attorney already. It's your responsibility if the board passes the resolution for counter signatures. You have to do it. You do not have a choice.

377

00:46:48.870 --> 00:46:50.040

Town of Parish 1: Okay, you

378

00:46:50.490 --> 00:46:53.700

Gary Wood: Know not not not a smart answer. That's a fact.

379

00:46:54.600 --> 00:46:56.670

Gary Wood: I know as a blank and press charges.

380

00:46:57.210 --> 00:47:00.180

Gary Wood: Need to follow as a fiscal, financial officer.

381

00:47:00.630 --> 00:47:03.840

Gary Wood: To what the board passes pastor resolution.

382

00:47:04.200 --> 00:47:05.010

Gary Wood: Need to get with it.

383

00:47:06.360 --> 00:47:08.220

Town of Parish 1: Let me know what it is. And then I'll be

384

00:47:10.560 --> 00:47:14.940

Town of Parish 1: Here 20 477 days a week to get the work done for this time.

385

00:47:15.120 --> 00:47:16.200

Gary Wood: You don't have to just

386

00:47:16.200 --> 00:47:21.540

Gary Wood: When you're ready to ready to sign checks, you get a hold of the clerk and you guys sign the checks.

387

00:47:26.640 --> 00:47:28.620

Town of Parish 1: She got her name on the

388

00:47:29.310 --> 00:47:43.680

Gary Wood: Chance to go to the bank chance to get her signature down there and record. Okay. We have to notify the our financial institution that no checks will be approved or honored without dual signatures and that can be done by the lawyer signing them a ladder.

389

00:47:52.230 --> 00:47:53.100

Town of Parish 1: You go down, they're

390

00:47:54.360 --> 00:47:55.860

Town of Parish 1: Gonna bring something from the board.

391

00:47:56.610 --> 00:48:03.390

Gary Wood: It goes down and put your signature on record down there. This is all going to loyal to the association of town. So Commission.

392

00:48:03.600 --> 00:48:05.550

Town of Parish 1: Know the board emotion.

393

00:48:09.180 --> 00:48:09.870

Town of Parish 1: supervising

394

00:48:18.180 --> 00:48:20.580

Town of Parish 1: Supervisors not gonna call the Bay Area.

395

00:48:24.000 --> 00:48:27.090

Gary Wood: Well, the quantity attorney, there's not there's not a choice.

396

00:48:28.140 --> 00:48:35.610

Gary Wood: It can be a section 78 and the judge will say this is what you have to do. But if you got to go down that road. It's a big waste of money wasted time

397

00:48:36.090 --> 00:48:47.850

Gary Wood: But in the bottom results and results. That's what it's going to be because all you have to do is make a resolution, we voted on it. We passed it. It's, in effect, there's no there's no other option option to go here.

398

00:48:52.800 --> 00:48:59.430

Gary Wood: That's what we need to notify the financial institution and let them know. So maybe

399

00:48:59.640 --> 00:49:00.180

Or lawyer.

400

00:49:11.370 --> 00:49:18.360

Gary Wood: Now just see what the board thought about the town laws for controller, but that can be discussed later.

401

00:49:23.580 --> 00:49:35.400

Gary Wood: I send it to what depends on another thing she has if there's anything else. It wasn't on the agenda, it says about a cop killer and stuff about bass Midtown law for having a referendum on to it to see if we can pass it down law to hire one for next year.

402

00:49:36.450 --> 00:49:38.070

Gary Wood: Or at least advertise and find out.

403

00:49:39.720 --> 00:49:40.260

I would think.

404

00:49:45.570 --> 00:49:52.470

Gary Wood: Well, the end of the year is coming. And if we're going to have things audited, then now we need to start out 2021 on a fresh slate.

405

00:49:52.950 --> 00:49:55.170

Town of Parish 1: So what's the next step, we gotta do.

406

00:49:55.500 --> 00:50:04.710

Gary Wood: We gotta pass a local laws can come up for rendering referendum and be written up and then once it's voted on by the people they can vote it up or they can vote it down.

407

00:50:05.550 --> 00:50:22.680

Gary Wood: So we got to make a motion to do, they're going to make a motion if we're going to take just like we did with a for the local law for the what he called we're talking about the same thing. It's gotta have you gotta have a referendum on road up by by banana. Are you making a motion.

408

00:50:26.670 --> 00:50:32.010

Gary Wood: Are you making the motion. I'm making a motion to have one written up. I don't know what the rest of the board wants to do.

409

00:50:33.750 --> 00:50:34.140

Town of Parish 1: When we

410

00:50:37.500 --> 00:50:38.280

BGenant: Say what

411

00:50:39.480 --> 00:50:40.260

Gary Wood: Are you listening.

412

00:50:41.100 --> 00:50:42.060

BGenant: Yes, I am.

413

00:50:44.190 --> 00:50:53.220

Gary Wood: Okay, we're talking about a referendum for to pass a look to get a local law for comptroller for 2021 can you

414

00:50:53.670 --> 00:50:54.120

BGenant: Do

415

00:50:54.210 --> 00:51:01.590

BGenant: You pass a resolution to adapt the local law to appoint a controller and then up due to a referendum.

416

00:51:02.370 --> 00:51:02.730

Right.

417

00:51:07.740 --> 00:51:14.430

Gary Wood: So I'm making a resolution for that the local law for comptroller Do I get a motion.

418

00:51:59.040 --> 00:51:59.940

Gary Wood: Yes. Yep.

419

00:52:01.350 --> 00:52:04.830

Gary Wood: But it's gonna, you know, Mary, and this is gonna help you out a lot.

420

00:52:13.980 --> 00:52:21.210

Town of Parish 1: Talent and what they can and how much it's gonna cost if it helped me. I got no problem, but I don't think it's going to do what

421

00:52:22.290 --> 00:52:23.910

Town of Parish 1: Is right I might say,

422

00:52:27.450 --> 00:52:28.530

Okay, this is

423

00:52:29.880 --> 00:52:30.540

For you.

424

00:52:33.090 --> 00:52:33.630

Town of Parish 1: Back.

425

00:52:33.900 --> 00:52:36.840

Okay, thanks. That's about this.

426

00:52:52.020 --> 00:52:53.370

Town of Parish 1: Right, Gary, what's

427

00:52:54.300 --> 00:52:58.170

Town of Parish 1: shakin email all this stuff like and then the box.

428

00:52:58.590 --> 00:53:00.840

Gary Wood: Oh yes emails. Yeah, I can print it off on my printer.

429

00:53:03.240 --> 00:53:08.010

Town of Parish 1: Anyways, this is the monthly report that they legally responsible to give you the one that I

430

00:53:09.660 --> 00:53:22.800

Plus, and I didn't give you there because apparently so if you want to look at the stuff. Let's add a G H s still, you know, when I didn't run with a friend or because of a patient

431

00:53:25.500 --> 00:53:30.270

Town of Parish 1: That will be up in the upstairs. If you want to look at it. This is the report that

432

00:53:31.590 --> 00:53:43.500

Town of Parish 1: One, I want to call your attention to download a DB when it shows a minus five 481 that's where the whole needy and that was one of the reasons why we need the sales tax, they have

433

00:53:44.700 --> 00:53:48.000

Town of Parish 1: Incorrectly. So as of the end of September, when

434

00:53:50.280 --> 00:53:55.950

Town of Parish 1: We were in the mall and this was this was through September. So we did tonight.

435

00:53:57.060 --> 00:53:59.250

Town of Parish 1: We'll be back in and put it in their

436

00:54:01.710 --> 00:54:07.410

Town of Parish 1: Hands handy first before you guys for transport, so they know what you're talking about words coming. Oh, you want me

437

00:54:08.820 --> 00:54:09.360

Town of Parish 1: Yes.

438

00:54:10.860 --> 00:54:19.950

Town of Parish 1: It makes it easier to be kind of figure out what we have on the internet. I don't know what you get this. Now I know what you're talking about.

439

00:54:21.360 --> 00:54:21.510

Or

440

00:54:27.600 --> 00:54:29.400

Town of Parish 1: I think this will solve a lot of course

441

00:54:30.540 --> 00:54:36.090

Town of Parish 1: In the past, when I gave you this whole packet jam all the questions.

442

00:54:37.140 --> 00:54:45.540

Town of Parish 1: We got expenses and everything is in here every dollar spent on kind of say business easier. This was

443

00:54:46.620 --> 00:54:52.290

Town of Parish 1: Trying to flip through there. This is in there. What's, what's in here, y

444

00:54:55.230 --> 00:54:56.010

Town of Parish 1: Minus and

445

00:54:58.950 --> 00:55:09.630

Town of Parish 1: We can make them available in those lines to pay bills. So every record, other than tonight I report that I give you up to this point and every account marriage.

446

00:55:10.230 --> 00:55:21.510

Town of Parish 1: Would you want to present every account is listed on this page to show the money going out in the money going in. So any questions that you can get my point is, with the answer, don't bother her

447

00:55:23.850 --> 00:55:31.230

Town of Parish 1: Know, read it and then you would understand. I still think you guys need some training on this because I don't think you know how to report.

448

00:55:31.530 --> 00:55:40.410

Town of Parish 1: This is the only one I have to use way to simplify that tonight if you're looking at a specific let me know and I'll have them available in there by noon upstairs.

449

00:55:41.640 --> 00:55:42.840

Town of Parish 1: That's what they have is

450

00:55:48.630 --> 00:56:02.400

Town of Parish 1: The other reports. I'm not sure why you wanted to do. Um, I think you said you have one file in there somewhere. I'm not sure where they are, I think, Kelly. When I do that, sure, sure. Okay, so you have those

451

00:56:04.740 --> 00:56:05.280

Town of Parish 1: Okay.

452

00:56:08.100 --> 00:56:10.680

Town of Parish 1: Information is down there. ABC and D.

453

00:56:16.050 --> 00:56:18.390

Town of Parish 1: Says reminder, the public hearing and

454

00:56:19.470 --> 00:56:30.570

Town of Parish 1: Oh I'm sorry minutes for the public hearing and meaning September 10 as well as the regular meeting on September 17 as well, especially being on September 24

455

00:56:32.100 --> 00:56:34.230

Town of Parish 1: And Kelly games opposed to before.

456

00:56:36.630 --> 00:56:37.770

Town of Parish 1: In there as well.

457

00:56:39.960 --> 00:56:41.550

Town of Parish 1: With always super

458

00:56:42.570 --> 00:56:42.960

Town of Parish 1: Say,

459

00:56:44.700 --> 00:56:46.110

Town of Parish 1: I don't know how you want to do this.

460

00:56:49.650 --> 00:56:49.860

Town of Parish 1: If your

461

00:56:54.570 --> 00:56:56.580

Town of Parish 1: Questions together or ask these guys.

462

00:57:00.450 --> 00:57:04.500

Town of Parish 1: To go over and she will. I'm asking

463

00:57:05.670 --> 00:57:17.790

Town of Parish 1: For the rest of the people that are not here, you expect them to be here by zoom. Do you expect them to be physically meeting before tonight for them to go over the report. I don't know why you want to do that.

464

00:57:19.980 --> 00:57:20.640
Town of Parish 1: Report first

465

00:57:22.050 --> 00:57:26.310
Town of Parish 1: OK, so I'll tell them if they want to be yours. Fine.
If they don't, you've got it.

466

00:57:27.510 --> 00:57:28.320
Town of Parish 1: Okay, great. You

467

00:57:30.570 --> 00:57:30.930
Town of Parish 1: Know,

468

00:57:35.760 --> 00:57:36.210
Town of Parish 1: You're

469

00:58:06.870 --> 00:58:07.560
Town of Parish 1: Okay.

470

00:58:12.570 --> 00:58:13.470
Town of Parish 1: We are

471

00:58:14.850 --> 00:58:16.290
Town of Parish 1: All the

472

00:58:18.660 --> 00:58:18.930
Same

473

00:58:21.330 --> 00:58:23.880
Town of Parish 1: When you go on office hours.

474

00:58:35.760 --> 00:58:36.420
Town of Parish 1: Way works.

475

00:58:50.940 --> 00:58:51.690
Gary Wood: Pick up back

476

00:58:57.750 --> 00:58:58.230
Town of Parish 1: Yeah.

477

00:59:07.980 --> 00:59:08.340
Town of Parish 1: Anything else

478

00:59:22.110 --> 00:59:22.920
Town of Parish 1: I appreciate it.

479

00:59:43.830 --> 00:59:43.980
Town of Parish 1: Things.

480

00:59:49.410 --> 00:59:49.860
Town of Parish 1: Morning.

481

00:59:54.840 --> 00:59:55.800
Town of Parish 1: Where we have

482

01:00:01.170 --> 01:00:01.920
Town of Parish 1: One.

483

01:00:03.390 --> 01:00:03.780
Town of Parish 1: Where do

484

01:00:06.360 --> 01:00:07.140
Town of Parish 1: You

485

01:00:37.980 --> 01:00:39.600
Town of Parish 1: Recess Recess.

486

01:00:42.030 --> 01:00:42.900
Town of Parish 1: wandering off.

487

01:00:47.730 --> 01:00:48.840
Town of Parish 1: I'm sorry, what are we going

488

01:00:50.010 --> 01:00:50.460
Town of Parish 1: To say

489

01:00:52.890 --> 01:00:54.030
Gary Wood: You're walking out again.

490

01:00:54.810 --> 01:00:56.940

Town of Parish 1: Which is walking out of a meeting with

491

01:00:58.050 --> 01:01:00.870

Gary Wood: The people in the town, see this. That's your supervisor.

492

01:01:03.960 --> 01:01:06.450

Gary Wood: Second time now she's walked out on something important.

493

01:01:13.980 --> 01:01:15.240

Town of Parish 1: Spot because he's been waiting

494

01:01:16.440 --> 01:01:18.690

Gary Wood: I make a motion to but jack and his spot.

495

01:01:26.430 --> 01:01:27.780

Is still here.

496

01:01:38.520 --> 01:01:39.930

Gary Wood: What's up,

497

01:01:43.620 --> 01:01:46.650

Gary Wood: I'm sorry there's noise going on. I didn't hear what you said.
I'm sorry.

498

01:01:49.980 --> 01:01:52.530

Gary Wood: Motion to reappoint jack to his position.

499

01:01:53.610 --> 01:01:54.720

Town of Parish 1: starting October.

500

01:01:55.740 --> 01:01:56.040

Gary Wood: Yeah.

501

01:02:28.830 --> 01:02:29.280

Gary Wood: Yes.

502

01:03:02.760 --> 01:03:04.110

Town of Parish 1: will carry

503

01:03:10.440 --> 01:03:11.010

MY MAC.

504

01:03:12.060 --> 01:03:13.800

Gary Wood: Yeah, I mean, there's

505

01:03:13.890 --> 01:03:18.300

Gary Wood: Does anybody else. Nobody else has applied. So if we want to reappoint them.

506

01:03:27.480 --> 01:03:27.930

Gary Wood: Okay.

507

01:03:30.930 --> 01:03:31.770

Gary Wood: Does anybody else.

508

01:04:01.890 --> 01:04:02.340

Gary Wood: Yes.

509

01:04:19.320 --> 01:04:22.770

Town of Parish 1: Next month documentation know this.

510

01:04:24.600 --> 01:04:26.340

Town of Parish 1: Last one off, they'll put it on it.

511

01:04:35.910 --> 01:04:36.840

Town of Parish 1: Making emotional

512

01:04:38.040 --> 01:04:39.630

Town of Parish 1: We really should hear them all.

513

01:04:40.890 --> 01:04:41.190

Town of Parish 1: Oh,

514

01:04:43.410 --> 01:04:45.060

Town of Parish 1: Sorry. Thank you.

515

01:04:46.890 --> 01:05:00.690

Town of Parish 1: Too much to report this month, this being a time of year it is. I'm busy with a lot of my municipalities, including parish on budget and beyond that the toggle Commission is still

516

01:05:01.290 --> 01:05:10.260

Town of Parish 1: Limited to 50% occupancy in their offices in Watertown, they've applied to a waiver or whatever they need to do to increase after tenant, but

517

01:05:10.680 --> 01:05:21.390

Town of Parish 1: Right now the plugin staff is on full time only half of them are letting the Watertown office at any given time. That doesn't affect me because I work out of my soul. I'm I'm home base for what I need, with

518

01:05:22.020 --> 01:05:34.050

Town of Parish 1: All my communities, but for the people that have an office in Watertown officer limited to 50% and then as I mentioned earlier, the governor did extend the option to

519

01:05:34.590 --> 01:05:46.830

Town of Parish 1: Participate via zoom meetings like this through November 3 I anticipate it will be renewed and after that he typically has been renewing it very close to the date that the old one expires, so

520

01:05:47.850 --> 01:05:52.140

Town of Parish 1: When that is renewed if it is your new doll collection. Oh. Did you ever get them.

521

01:05:53.190 --> 01:06:00.870

Town of Parish 1: That Sheet Accounts. I have not made it up to the county yep to collect today. I'm not sure if they're going to let me in. To do that, and I haven't called

522

01:06:03.060 --> 01:06:04.020

Town of Parish 1: Know, that's something I can

523

01:06:06.780 --> 01:06:10.320

Town of Parish 1: call ahead. Yeah, I need to go ahead and now you need to make sure they're gonna let me

524

01:06:12.480 --> 01:06:26.490

Town of Parish 1: Know, because what I do is I expect that data from the stack of companies literally that and I come through individual town budget to create that comparison. All you agree. Oh, yeah. No, they don't. They don't do it. That's all work that I do.

525

01:06:32.340 --> 01:06:41.340

Town of Parish 1: I've seen there that doesn't really compare very well for mine. I don't think I mean it's been permission but it's not the what I've done this in terms of their comparison products. Oh.

526

01:06:42.390 --> 01:06:58.350

Town of Parish 1: Yeah they do rituals is compiled one big way. I used to do it on one big sheet of paper, but right now I think comparison I have spent like 10 or 11 pages. So I think kind of outgrown being able to fit on one sheet of paper and more

527

01:07:00.360 --> 01:07:06.990

Town of Parish 1: And the only other thing is, is one of these days soon will probably be pulling in other seminars Council of Governments be together and

528

01:07:07.620 --> 01:07:24.000

Town of Parish 1: I think that's. Oh, I think I did mention to you that the tequila local government conference or 2021 has been postponed the internet. No, I was gonna ask. I wanted, I wanted to address sex. I think it came up in the total time as well.

529

01:07:25.680 --> 01:07:34.260

Town of Parish 1: Right now we can't commit to bring a local government conference at the end of March, because our primary facility Jepsen Community College.

530

01:07:34.950 --> 01:07:45.900

Town of Parish 1: CAN'T COMMIT TO US. So we can't commit to all the arrangements and speakers and all that, without knowing we have a place to go when we've done all that, and they're just not ready to commit so

531

01:07:46.590 --> 01:08:02.310

Town of Parish 1: We at this point have said, Dr postponing it from the end of March, we hope to be able to do it later on, whether it's late spring, summer or fall whenever the situation clears up enough with our potential host facility and of course the other factor on that is

532

01:08:04.470 --> 01:08:12.600

Town of Parish 1: We have a lot of speakers from various agencies and so on. And they've got to be able to have the clearance to be able to attend, something like that. And there's still a lot of restrictions on

533

01:08:13.500 --> 01:08:22.350

Town of Parish 1: Stuff like that. I think so. So at this point, it is not going to be at the end of March, it is officially postpone not cancelled because we are still hoping

534

01:08:23.130 --> 01:08:32.970

Town of Parish 1: Things will clear up enough at some point for us to be able to schedule that we hate to miss the opportunity to do that and bring that training gelatin like doing it and are

535

01:08:33.510 --> 01:08:50.400

Town of Parish 1: The attendance is showing it to people like to go to it. So we hate to cancel it. If it's avoidable, but we'll see what happens. I think people's home here that could be the vaccine. Yeah, that's gonna be like you said their solar. Some are the people

536

01:08:52.140 --> 01:09:05.730

Town of Parish 1: That work. The other thing is we are trying to bring training on subjects that are of interest to you via webinars and zoom sessions and things like that. So if you toggle times. Take a look at that we're announcing things like that all the time.

537

01:09:06.330 --> 01:09:09.900

Town of Parish 1: There are a couple of sessions right now at the end of

538

01:09:11.340 --> 01:09:17.700

Town of Parish 1: October that I think I mentioned to you last month's meeting about their Planning and Zoning related topics that will help the

539

01:09:18.150 --> 01:09:25.470

Town of Parish 1: Planning Board and Zoning Board of appeals get their required training hours employee here and for those, those are hybrid sessions, kind of like

540

01:09:26.130 --> 01:09:33.120

Town of Parish 1: These sessions where we're allowing a limited number of people to attend in person with proper separation and Max and all that.

541

01:09:33.540 --> 01:09:40.170

Town of Parish 1: And then everybody else via zoom and we are requiring pre registration for that. And what that does is it lets us

542

01:09:40.620 --> 01:09:50.610

Town of Parish 1: issue certificates at the end if we know who's attending and then who has attended. We can we can give them the certificate that they need for their municipality, the document their participation.

543

01:09:52.410 --> 01:09:59.970

Town of Parish 1: So we are we are doing additional workshops, like that. And if you have any particular topics you'd like to see training on be happy to.

544

01:10:05.220 --> 01:10:13.590

Gary Wood: Just a little off the subject, but if you heard, is there still a talk about the little Salmon River and you know what they're, they might be doing to open that up.

545

01:10:14.040 --> 01:10:18.360

Town of Parish 1: Yeah, I have not heard anything new on that. But that is a subject that we've been tracking

546

01:10:20.100 --> 01:10:21.960

Town of Parish 1: Nothing new on that that on the world.

547

01:10:23.580 --> 01:10:25.920

Town of Parish 1: Me when I do, I'll make sure to pass it along to you.

548

01:10:27.510 --> 01:10:29.430

Town of Parish 1: All and that goes into the sanity of Mexico.

549

01:10:31.260 --> 01:10:37.230

Town of Parish 1: Thank you. Thank you for bringing that up because that is a subject that we're actively staying on top of

550

01:10:38.100 --> 01:10:40.740

Gary Wood: Yeah. I think that'd be a really good deal for the town.

551

01:11:12.960 --> 01:11:13.350

Town of Parish 1: Yeah.

552

01:11:16.080 --> 01:11:17.310

Town of Parish 1: Horrible meeting.

553

01:11:26.310 --> 01:11:27.600

Town of Parish 1: You're if you're

554

01:11:28.740 --> 01:11:30.000

Town of Parish 1: Like some backup.

555

01:11:31.170 --> 01:11:31.740
Town of Parish 1: Backup

556
01:11:39.870 --> 01:11:40.410
Town of Parish 1: Yeah.

557
01:11:43.830 --> 01:11:43.980
Town of Parish 1: He's

558
01:11:52.980 --> 01:11:53.670
Town of Parish 1: So Kelly.

559
01:11:56.160 --> 01:11:57.360
Town of Parish 1: Definitely supervisor.

560
01:12:11.070 --> 01:12:11.400
Gary Wood: Yeah.

561
01:12:13.050 --> 01:12:13.860
Town of Parish 1: Same time

562
01:12:14.970 --> 01:12:21.120
Gary Wood: Oh yeah, I know that. Yeah. Also know that if Kelly wanted

563
01:12:22.140 --> 01:12:26.760
Gary Wood: Our was whichever you can have a signature stamp.

564
01:12:27.810 --> 01:12:28.050
Right.

565
01:12:30.210 --> 01:12:32.940
Gary Wood: Meaning that if somebody is not there, you

566
01:12:37.110 --> 01:12:37.950
Gary Wood: Know like

567
01:12:40.110 --> 01:12:43.440
Gary Wood: Right, but I'm just saying that was told to me that that was
an option. Awesome.

568
01:12:48.090 --> 01:12:48.600

Kevin

569

01:13:01.980 --> 01:13:04.530

Town of Parish 1: Gary Kelly was out one day, who would be

570

01:13:06.210 --> 01:13:08.310

Town of Parish 1: The definitely supervisor, definitely.

571

01:13:09.720 --> 01:13:12.600

Gary Wood: I'd have to I'd have to ask because

572

01:13:12.840 --> 01:13:22.200

Gary Wood: The only thing I was told, the only other person could sign the check is the town clerk, I'd have to, I can, I can find out about that let you know it's written in her absence. Who else can sign

573

01:13:27.690 --> 01:13:29.130

Gary Wood: Yes, he's there. Bam.

574

01:13:30.120 --> 01:13:30.900

BGenant: Up right here.

575

01:13:31.560 --> 01:13:33.330

Gary Wood: Do you know the answer to that. If

576

01:13:34.110 --> 01:13:34.860

BGenant: I can find out

577

01:13:35.610 --> 01:13:36.990

Gary Wood: Could you do that for me. Thank you.

578

01:13:37.920 --> 01:13:39.390

BGenant: Yes, sir. Thank you.

579

01:13:40.620 --> 01:13:45.120

Gary Wood: I'd like to say one thing for the record. Yeah, okay, we've been

580

01:13:47.070 --> 01:14:06.600

Gary Wood: I haven't really heard nothing much from the time everything, but I want the people to know that this movement by the board by me and

by the board for comptroller and for counting your signatures and stuff is not to throw wrenches in any gears, not to create any turmoil, not to

581

01:14:07.680 --> 01:14:16.710

Gary Wood: Piss off the supervisor. So she walks out because I'm NOT ACCUSING ANYBODY of not being able to do their job. I'm just thinking

582

01:14:17.640 --> 01:14:27.570

Gary Wood: That for the benefit of the town and for the board to to act on their responsibility that is said in the controllers report that we were not doing

583

01:14:28.260 --> 01:14:36.690

Gary Wood: As far as fiscal responsibility. These are a couple items and it's not all of them, but it's a couple items that I've been doing some checking on

584

01:14:37.290 --> 01:14:47.700

Gary Wood: That and other towns and stuff, then I think there's our good stepping stone and in reality a good controller will help to supervisor.

585

01:14:48.240 --> 01:15:01.620

Gary Wood: Okay. The only difference between a comptroller in a bookkeeper okay is a bookkeeper is hired and fired by the supervisor. She works for the supervisor period.

586

01:15:02.400 --> 01:15:19.560

Gary Wood: Okay, a comptroller, whereas for the board and for the town and for the people does not work for the supervisor. It's an appointed position that works for the board. So I'm thinking that kind of responsibility.

587

01:15:20.790 --> 01:15:26.880

Gary Wood: not making any accusations or nothing, but I can tell you will not be afraid.

588

01:15:27.330 --> 01:15:38.700

Gary Wood: To tell the fiscal, financial officer. This is not a good idea or this isn't working, or maybe this is a good idea, but when you're working for somebody to walk up and tell your boss. This ain't working

589

01:15:39.600 --> 01:15:53.790

Gary Wood: No, you can't be shy. And you can be worried about raw reprimand and stuff you have to take and have an open mind. And to me,

the only reason why we're doing this. Like I said not to screw anything up. Not that big little anybody

590

01:15:55.140 --> 01:16:02.340

Gary Wood: We didn't fire the bookkeeper whereas know talk about it. About anything she quit on her own recognizance that was her own choice.

591

01:16:02.910 --> 01:16:15.870

Gary Wood: To kind of talk to us. She could have put in two weeks, actually, like, don't the supervisor also she quit on you, not on the board, she quit on you. He worked for you. It was budget time she quit on you.

592

01:16:16.380 --> 01:16:26.700

Gary Wood: So, and she agreed with me, Marianne agreed with me. So with that being said, the only reason to control your stuff with brought up is so that it could be a separate

593

01:16:27.960 --> 01:16:37.380

Gary Wood: Independent person looking at the budget for the benefit of the town to find out where there's links where there's money can be saved, where there's a

594

01:16:37.770 --> 01:16:50.550

Gary Wood: Finances, the balances the transfers and stuff. So we, the board can understand things better and audits would go smoother. So we can do our spotted audits through the year and stuff. It was a benefit for everybody.

595

01:16:51.390 --> 01:16:59.670

Gary Wood: And just to counter signature was just something that 90% of all the other towns, do a lot of people couldn't even believe that we didn't do it.

596

01:17:00.360 --> 01:17:10.650

Gary Wood: And to help so that nobody can point their finger and say hey supervisor, you're doing this, you got the checks you got know that that's going to be done because there's going to be two signatures.

597

01:17:11.040 --> 01:17:24.090

Gary Wood: So it's kind of relieving and helping some people that might not see it right now. But that's the only agenda. There's no other personal vendettas agenda. Is there anything else other than to try and get a grip.

598

01:17:24.690 --> 01:17:32.730

Gary Wood: On the issue that's been plaguing this town for years is the finances. You can't set there. Yeah, it shows in the report.

599

01:17:33.510 --> 01:17:43.920

Gary Wood: That the Comptroller says hey you you bearish, you're doing great. Look at how much percentage is you've increased. Well, let me tell you something, if somebody was monitoring my personal credit

600

01:17:44.640 --> 01:17:51.840

Gary Wood: And I stood up and said, you know what I owe \$100,000 on credit cards, but I'm going to just write it off to how I don't know that number.

601

01:17:52.230 --> 01:17:58.080

Gary Wood: Take that off my credit report. I'm just not going to pay it. It's a loss. Forget it, well jeez, my credit score would go up.

602

01:17:58.770 --> 01:18:06.240

Gary Wood: But that doesn't mean I paid that hundred thousand. That just means I wrote it off I disappeared. It's gone magically just gone.

603

01:18:07.080 --> 01:18:15.450

Gary Wood: And that's what I'm trying to hundred thousand dollars. I don't know about. Lot of people, but that to me. It's a lot of money. It's a lot of taxpayers money to say

604

01:18:15.990 --> 01:18:23.460

Gary Wood: Just forget about it. It's gone. We can't find it. Okay, I just have a problem with that. And I don't want it sat there.

605

01:18:23.970 --> 01:18:32.730

Gary Wood: For five years down the road. Say we got another hundred thousand. We just don't know where it went. Because we're back in the process of transferring funds again.

606

01:18:33.480 --> 01:18:42.690

Gary Wood: The Goddess in this problem before, so I'm just hoping maybe a contract would help try to keep things balanced out you know I'm saying

607

01:18:45.360 --> 01:18:52.980

Town of Parish 1: Although I don't know all the details. I don't want to represent the town the finances in a public meeting.

608

01:18:54.660 --> 01:18:55.890
Somebody to

609

01:18:58.020 --> 01:19:14.490

Gary Wood: Know, we're not misrepresenting the town's finances, we got we got 450 \$40,000 in savings, you know, I mean, so, but the town has had financial problems. Okay, that's even in the controllers report that anybody in the town can read. Whoa.

610

01:19:15.780 --> 01:19:16.350

Gary Wood: No.

611

01:19:17.430 --> 01:19:22.530

Gary Wood: So it's all in the Comptroller's report that they can read it. I'm just going by. What's up, what's available to the public.

612

01:19:25.680 --> 01:19:27.870

And I think it's just a really

613

01:19:30.240 --> 01:19:40.350

Gary Wood: Good, thank you. Right, right. That's the only. That's the only reason that's, that's, I think we just need to everybody needs to be covered. And we need to get a grip on it.

614

01:19:42.630 --> 01:19:51.240

Gary Wood: That's my personal opinion. And that's why, that's why, that's why we're going this route. It wasn't because of anybody or anybody job or what anybody's doing

615

01:19:51.810 --> 01:19:57.660

Gary Wood: Is just I think it's a benefit for the town. I think the people would like it if they don't like it. They're going to have a chance to vote on it.

616

01:19:58.200 --> 01:20:05.550

Gary Wood: If they don't want to come to her. They want to go back to just a bookkeeper then there'll be up to the people. It's just a suggestion of bringing up

617

01:20:08.910 --> 01:20:12.090

Gary Wood: I wanted that on the record. Anyhow, thank you. You're

618

01:20:13.470 --> 01:20:14.010

Gary Wood: Welcome

619

01:20:29.970 --> 01:20:35.460

Gary Wood: Sorry, can be there. I got a procedure coming up and I just don't want to catch even before that so

620

01:20:42.150 --> 01:20:42.570

Gary Wood: Later.
