9

00:08:20.550 --> 00:08:22.200

Paul Baxter: call the meeting to order. Could we ask

10

00:08:23.760 --> 00:08:24.270

Paul Baxter: Please.

11

00:08:27.510 --> 00:08:30.870

Paul Baxter: I pledge allegiance to the flag of the United States.

12

00:08:31.950 --> 00:08:41.430

Paul Baxter: In to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all. Thank you for all coffers.

13

00:08:56.880 --> 00:08:57.300

Paul Baxter: Thank you.

14

00:08:58.920 --> 00:08:59.340

Okay.

15

00:09:01.980 --> 00:09:04.710

Paul Baxter: All the bills as jam requested, I could

16

00:09:08.070 --> 00:09:08.550

Paul Baxter: Import

17

00:09:10.020 --> 00:09:10.320

Paul Baxter: All

18

00:09:11.670 --> 00:09:17.160

Paul Baxter: Transfers. In the end, the Rogers. So any questions on the supervisors report.

19

00:09:26.100 --> 00:09:27.270

Paul Baxter: Remember, this is all

20

00:09:28.590 --> 00:09:44.970

Paul Baxter: On paper, but it's the revenue revenue minus the expenditures any increases decreases, whatever the last column is what we have. And if there's a minus in there which under DB cash savings Pathfinder there's a minus 16,008 9345 see that down there under dB.

21

00:09:46.680 --> 00:09:54.480

Paul Baxter: Yes. No. Okay. That means we got more money in that line than we had budgeted. So that's why there's a minus. That's a good thing.

22

00:09:55.620 --> 00:10:09.390

Paul Baxter: The other ones. Some of them you can see like on your be here soon as we anticipated budget wise 103,000 ended up. We only have so far 80,000 so we're behind on that one.

23

00:10:10.890 --> 00:10:24.300

Paul Baxter: You just compare the two of the balances of September to the balances of October. And you can see that the differences. But if there's a minus. That's a good thing. That means we got more money in that line than we had anticipated.

24

00:10:25.410 --> 00:10:27.960

Paul Baxter: We have any questions on the monthly report.

25

00:10:32.610 --> 00:10:34.440

Paul Baxter: No. Yes. No.

26

00:10:36.120 --> 00:10:45.450

Paul Baxter: budget transfers guys I worked long and hard on this because I want to train in two days in a row. I have things to do. Monday and I was working on this late last night into

27

00:10:46.500 --> 00:10:53.880

Paul Baxter: This afternoon as correct can vouch for because I hadn't talked to him. I had looked at two numbers incorrectly and

28

00:10:55.080 --> 00:11:04.800

Paul Baxter: I thought he was way overdrawn. Well, I found my mistake. I was to toe to do this last night. So this one and it kicked in the place that I found it correctly. So we only have two small ones at this point.

29

00:11:05.340 --> 00:11:17.340

Paul Baxter: General fun town wide the parts where the electric for 69 we didn't have any money in that line. So I'm moving \$21 and two cents down we'll probably have to do it again next month, but it didn't know

30

00:11:17.760 --> 00:11:27.330

Paul Baxter: Because we do the lights for the things down at the park. It might be more than \$21 and two cents. So I'm just moving what we had to this time, but we'll probably have to do it again. Next one for December.

31

00:11:28.020 --> 00:11:45.690

Paul Baxter: And the highway, tell us a village we needed more money in the employee benefit line. So we took it out of the crux of to take it out the part time summer help line. So we will \$2,000 over. So those are the two budget transfers, we need. I need a motion to approve the budget transfers.

32

00:11:46.980 --> 00:11:48.480

Paul Baxter: Modifications for November.

33

00:11:50.010 --> 00:11:50.910

Paul Baxter: I need a second

34

00:11:52.830 --> 00:11:55.410

Paul Baxter: Second. Any questions or anything.

35

00:11:57.090 --> 00:12:04.710

Paul Baxter: All in favor. Aye. Opposed of saying care. Carry on. Gary, can you say so. So I can see if I can hear you.

36

00:12:05.070 --> 00:12:05.340

Hi.

37

00:12:07.440 --> 00:12:09.150

Paul Baxter: Thank you. Okay.

38

00:12:10.320 --> 00:12:11.640

Paul Baxter: All right. Thank you. Okay.

39

00:12:13.410 --> 00:12:15.330

Paul Baxter: Next is the bills.

40

00:12:17.310 --> 00:12:22.530

Paul Baxter: I need a motion to approve the general fund a town wide for vouchers.

41

00:12:25.080 --> 00:12:29.310

Paul Baxter: The amount of \$27,859 and 60 cents.

42

00:12:30.810 --> 00:12:31.620

Paul Baxter: I need emotional

43

00:12:32.910 --> 00:12:33.780

Paul Baxter: I need a second

44

00:12:37.590 --> 00:12:52.590

Paul Baxter: Normally, nobody saying they're sitting here. Well, I got a problem with them all because we give you a month. I put two signatures done. It's not done yet. There's a lot to do with the vouchers. Can we, can you wait

45

00:12:53.850 --> 00:13:01.380

Paul Baxter: For down further know because I'm not approving paying any bills are signing up until I see that there's going to be two signatures.

46

00:13:01.920 --> 00:13:18.870

Paul Baxter: On the checks. Okay, so when the companies such as this interest on take it out of your lines. You have to do it there. Yeah, we, we made a motion to have it done by November 1 I'm not arguing about NATO motion to have it done by November 1

47

00:13:20.040 --> 00:13:25.200

Paul Baxter: It's not done yet. It wasn't on the agenda to be discussed. You bring things up off the floor.

48

00:13:27.090 --> 00:13:33.570

Paul Baxter: I understand you made a motion of bringing it up when it's not on the agenda is a violation of what is it

49

00:13:36.480 --> 00:13:37.740

Paul Baxter: No, no, no, no, we can

50

00:13:39.600 --> 00:13:50.130

Paul Baxter: You can, but you're not supposed to vote on it. Then I asked you to put it off until you get more information in your meeting. There was a band to

51

00:13:53.190 --> 00:14:08.610

Paul Baxter: For you to do it by November versus not done yet. And you voted for it, and it was three, two and one. I'm sorry. Yeah it one by one. Yeah, it is not done yet. No, no, I'm not paying any more bills.

52

00:14:13.080 --> 00:14:14.970

Paul Baxter: So I see

53

00:14:26.880 --> 00:14:27.780

Can I get a second

54

00:14:28.890 --> 00:14:33.000

Paul Baxter: Second. Any other discussion questions and the bills.

55

00:14:40.920 --> 00:14:42.840

Gary Wood: I can't hear or see nothing. So

56

00:14:52.020 --> 00:14:53.250

Paul Baxter: We do this all the time.

57

00:15:07.260 --> 00:15:09.120

Gary Wood: We gotta be able to get him again.

58

00:15:14.430 --> 00:15:15.120

Gary Wood: He's working on

59

00:15:29.490 --> 00:15:42.060

Town of Parish: A FAVOR FOR YOU GUYS JUST LIKE EACH OTHER. See, so I can get the message correctly. I can't remember correctly when people are on top of each other. So do you want me to recognize people before they want to

60

00:15:43.080 --> 00:15:43.410

Town of Parish: Be

61

00:15:44.790 --> 00:15:48.030

Town of Parish: The same for you as well when they don't ask to be recognized.

62

00:15:52.170 --> 00:15:57.780

Town of Parish: Job and I need to be able to listen to people. Okay, well, if nothing else, you can play back the tape and lessons.

63

00:15:59.490 --> 00:16:12.990

Town of Parish: Here MARION, WHEN PEOPLE ARE STILL popping on colder weather for paid for whatever this is true. I apologize. I will do better. I'm not talking to everyone. I know, I know you're not just and I appreciate that.

64

00:16:14.190 --> 00:16:17.040

Town of Parish: Okay, I think we should be OK. Now Gary, can you see me.

65

00:16:17.550 --> 00:16:18.810

Gary Wood: Yeah, I can see now.

66

00:16:20.340 --> 00:16:21.060

Gary Wood: Can you hear me.

67

00:16:21.660 --> 00:16:21.990

Yes.

68

00:16:25.500 --> 00:16:27.330

I have a motion and a second to improve

69

00:16:29.010 --> 00:16:29.400

I did.

70

00:16:30.810 --> 00:16:34.320

Town of Parish: Eight. I've got a gentle fun time why to approve vouchers.

71

00:16:36.540 --> 00:16:49.500

Town of Parish: At \$27,859 and 60 cents. I want to roll call, please, what you're good at a minute. Other. Any questions on the bills. Right. Any questions on the eighth account any of those that came through.

72

00:16:55.800 --> 00:16:56.130

Town of Parish: Town.

73

00:17:00.270 --> 00:17:02.700

Town of Parish: No, no, we don't. You did.

74

00:17:06.630 --> 00:17:09.720

Town of Parish: And I charged on mine. Kelly. I don't have a ton of

75

00:17:11.790 --> 00:17:23.940

Town of Parish: staples that I tried to get at night and you never went through. I didn't get it through the guy. So I did try but didn't get it. So yes, I had to use my dog. I don't care how much cash in my hand to pay for what needed to be done for us.

76

00:17:24.960 --> 00:17:33.900

Town of Parish: So are there any other questions on those bills in the account. Why are we paying bills in February, which ones retirement.

77

00:17:35.010 --> 00:17:37.110

Town of Parish: Because we saved \$500 if you

78

00:17:39.300 --> 00:17:51.930

Town of Parish: Read until the end of the year. It doesn't have to the red if it's going to put us into the red, I'd be more than happy to tell you that. Did you see the supervisors report that I gave you the monthly supervisors people it doesn't look like we're in the red

79

00:17:54.450 --> 00:18:03.090

Town of Parish: Pill that do in February. Right. And if we pay it so that before December 15 we say 500 hours. That's why we do

80

00:18:05.700 --> 00:18:10.770

Town of Parish: Trying to find ways to save money. Any other questions, and the A once

81

00:18:13.440 --> 00:18:16.710

Town of Parish: I have a motion. Second. We have Roll call, please.

82

00:18:19.980 --> 00:18:20.310

Town of Parish: Yeah.

83

00:18:32.400 --> 00:18:33.900

Town of Parish: You're voting no. No.

84

00:18:36.030 --> 00:18:36.450

Town of Parish: No.

85

00:18:41.340 --> 00:18:41.790

Gary Wood: No.

86

00:18:47.340 --> 00:18:47.700

Town of Parish: Yeah.

87

00:18:50.100 --> 00:18:54.090

Town of Parish: So this is going to be for all the bills and I'm going to prove any of the bills tonight.

88

00:18:55.980 --> 00:18:58.680

Gary Wood: Not can approve them until you comply with a board.

89

00:18:59.310 --> 00:19:04.650

Gary Wood: Okay, well, I need to comply right now your tips. You're breaking the law, you're not complying with the board.

90

00:19:05.310 --> 00:19:07.020

Gary Wood: So I told you.

91

00:19:08.100 --> 00:19:14.010

Gary Wood: You got to do it. So it's all on your shoulders. Don't blame it on the board. I was on maryann's actions. That's why nothing to be afraid.

92

00:19:14.340 --> 00:19:15.960

Town of Parish: I am blaming it on the board.

93

00:19:16.110 --> 00:19:18.270

Gary Wood: As well, you're wrong. It's all your fault.

94

00:19:18.480 --> 00:19:19.770

Town of Parish: Gary You trained

95

00:19:20.640 --> 00:19:22.290

Town of Parish: me into doing something

96

00:19:23.880 --> 00:19:24.300

Gary Wood: On you.

97

00:19:24.630 --> 00:19:25.830

Gary Wood: Hey, you said you talk to

98

00:19:25.830 --> 00:19:26.610

Gary Wood: The attorney.

99

00:19:27.660 --> 00:19:29.640

Gary Wood: Attorney association of towns, right.

100

00:19:30.660 --> 00:19:32.910

Gary Wood: You talk to the attorney at the association of towns Lori.

101

00:19:33.390 --> 00:19:34.290

Town of Parish: I already did.

102

00:19:34.710 --> 00:19:40.950

Gary Wood: He should have told you that when the board passes a resolution for County signatures. That's the law that's

103

00:19:41.160 --> 00:19:41.790

Gary Wood: You know that

104

00:19:42.180 --> 00:19:42.900

That's the law.

105

00:19:43.980 --> 00:19:50.130

Gary Wood: You're breaking it. So if you don't want to go comply, the only option, you're leaving the board is to guess what

106

00:19:50.610 --> 00:20:03.210

Gary Wood: Everything on the town is on your shoulders to you comply with a bank send that letter get approval for the checks and produce those signatures, and then we can make a motion to pay the bills. Once we got dual signatures.

107

00:20:03.750 --> 00:20:06.090

Town of Parish: No, we can't do that unless we have another meeting.

108

00:20:08.700 --> 00:20:13.260

Gary Wood: Then we'll have another meeting, but we got to see proof that you've talked to the bank and that's gone through

109

00:20:13.470 --> 00:20:15.030

Town of Parish: Will be going out next Monday.

110

00:20:16.080 --> 00:20:18.210

Gary Wood: Nothing will be going out till you do your job.

111

00:20:20.040 --> 00:20:20.640

Town of Parish: Wow.

112

00:20:22.230 --> 00:20:24.450

Town of Parish: Okay, let me explain something to you, Gary.

113

00:20:26.070 --> 00:20:26.430

Gary Wood: And

114

00:20:26.640 --> 00:20:29.190

Gary Wood: I've already talked to attorneys. I know what I'm talking about.

115

00:20:29.310 --> 00:20:33.000

Town of Parish: And so do I, Gary. So can you listen for a minute and stop talking.

116

00:20:33.270 --> 00:20:37.140

Town of Parish: Yes, sometimes you learn when you listen, rather than running your mouth.

117

00:20:39.960 --> 00:20:54.330

Town of Parish: With having two signatures on the checks. I have no problem. My problem is, you guys are pushing me to involve one person that this whole town knows. Neither one of us get along. I'm not doing it. If you want to

118

00:20:54.420 --> 00:20:54.660

Know,

119

00:20:56.100 --> 00:20:56.400

Gary Wood: What

120

00:20:56.580 --> 00:20:57.900

Town of Parish: Stop talking.

121

00:20:58.350 --> 00:21:04.620

Town of Parish: Know, either you have somebody else do what Robin is already able to sign checks.

122

00:21:04.710 --> 00:21:06.180
Gary Wood: You can do that.

123
00:21:06.480 --> 00:21:07.260
Gary Wood: If it was me.

124
00:21:07.770 --> 00:21:11.880
Town of Parish: Out. I have no problem with it, but I am doing it with the town.

125
00:21:12.000 --> 00:21:12.690
Gary Wood: I am

126
00:21:13.080 --> 00:21:14.130
Town of Parish: Literally, man.

127
00:21:14.340 --> 00:21:15.390
Gary Wood: We cannot

128
00:21:15.870 --> 00:21:20.490
Gary Wood: We cannot do that new state law says it has to be you.

129
00:21:20.730 --> 00:21:24.420
Gary Wood: And the town clerk. I call it the Comptroller nobody

130
00:21:25.140 --> 00:21:30.300
Gary Wood: can sign it, but the town clerk region laws. Holy shit.

131
00:21:31.350 --> 00:21:31.920
Gary Wood: Smart

132
00:21:36.030 --> 00:21:48.420
Gary Wood: Smart I already checked into it because I want to jam down them to do it, but he can't because of control and he told me town clerk is the only authorized signature, other than the supervisors.

133
00:21:48.480 --> 00:21:50.670
Town of Parish: Want me to bring you a copy of the law.

134
00:21:51.690 --> 00:21:53.370
Town of Parish: It says, The can be

135

00:21:53.610 --> 00:21:54.930

Gary Wood: The tow it can

136

00:21:55.380 --> 00:21:57.840

Town of Parish: Have to be the town clerk and when

137

00:21:58.950 --> 00:22:12.420

Town of Parish: You're in Paris. No, it's not law with the situation that's here in Paris between the town clerk and this town supervisor. It's never going to pan out if you want it to be somebody out give you the app to pick somebody

138

00:22:12.450 --> 00:22:15.450

Gary Wood: If you don't want. No, you know what, it's a town clerk.

139

00:22:16.200 --> 00:22:18.240

Gary Wood: The resolution. That's the law.

140

00:22:18.420 --> 00:22:20.190

Gary Wood: You're breaking it. Guess what.

141

00:22:20.670 --> 00:22:23.280

Town of Parish: Do an article 75 or 78 whatever you

142

00:22:23.280 --> 00:22:25.890

Gary Wood: Gotta do I know what it is. I know the sections do

143

00:22:26.100 --> 00:22:30.540

Town of Parish: Because you guys don't give me permission to write the checks. That's not me. That's not

144

00:22:31.590 --> 00:22:32.970

Town of Parish: Everything that you need to

145

00:22:33.000 --> 00:22:38.670

Gary Wood: Be guiding these checks on you, Marianne, it's all your body on the value or

146

00:22:39.090 --> 00:22:40.800

Town of Parish: Why can't you job knowing

147

00:22:41.940 --> 00:22:49.650

Town of Parish: I mean, I'm sure she's going to be able to sign up for you know I don't want you to sign them because you don't want. We don't know how are

148

00:22:51.330 --> 00:22:59.880

Town of Parish: You yeah after this need. That's true. Okay, so we have a we skip C, D, E, F.

149

00:23:01.050 --> 00:23:03.780

And g. Sorry. Sorry, I'm

150

173

00:25:59.370 --> 00:26:00.600

178

00:26:40.290 --> 00:26:43.830

Town of Parish: I know it sounds good. I wish we get part of the

179

00:26:46.230 --> 00:26:48.870

Town of Parish: Most important, you got that. Any questions on there.

180

00:26:53.850 --> 00:26:54.180

Town of Parish: No.

181

00:26:59.280 --> 00:27:01.470

Town of Parish: Control officers report you got there.

182

00:27:03.000 --> 00:27:03.570

Town of Parish: These are

183

00:27:05.010 --> 00:27:21.180

Town of Parish: corporate structures house and his wife is in quarantine from exposure to 3000 students last week, but the numerous response has been great. I did not have a chance to get an extra numbers and you tell them what I believe we are somewhere around 15 new licenses, with many more minerals

184

00:27:22.590 --> 00:27:28.350

Town of Parish: And he did say it is no to me, I will try to get together with her before the end of the year to figure out the enumeration.

185

00:27:30.480 --> 00:27:30.810

Town of Parish: Yes.

186

00:27:31.950 --> 00:27:32.370

Town of Parish: Thank you.

187

00:27:35.220 --> 00:27:39.390

Town of Parish: Talk to Mr Mr Baxter's you have anything to report.

188

00:28:02.160 --> 00:28:06.660

Town of Parish: Last month the substantial part of my time working with towns is a pair there.

189

00:28:08.610 --> 00:28:20.790

Town of Parish: Is you may have seen in Tokyo times when it's time to adopt the final 2021 budget. It's supposed to be done by a resolution, not just a simple motion. So for your convenience. I've attached a sample resolution for your reference. On the other side, that's

190

00:28:24.090 --> 00:28:33.150

Town of Parish: The total Commission offices are still operating in a 15% occupancy level with the schedule of the Watertown base. If we're at any given time have staff from the office, you never have to working full time.

191

00:28:34.710 --> 00:28:37.200

Town of Parish: staff are available for meetings with your specialty

192

00:28:38.520 --> 00:28:45.780

Town of Parish: I mentioned that the training toggles Commission's are planning boards and CBS to help them build their annual training or acquired

193

00:28:47.490 --> 00:29:02.370

Town of Parish: Sessions after we've done a live presentations. We put them on a YouTube channel that's I go YouTube channel and we're currently turning out how to get creating our credits for those people watched on the YouTube credit after or channel after the time it's been on a live session.

194

00:29:03.780 --> 00:29:12.660

Town of Parish: Governors executive order, allowing remote meetings public hearings fi means like zoom has been extended until December 3 and as always, I'm happy to help with the zoom meeting.

195

00:29:13.770 --> 00:29:22.140

Town of Parish: NEXT SEMINAR counsel governance meeting is to our own at 3:30pm at the Albion otmar municipal building hundred street they will have a

196

00:29:22.740 --> 00:29:34.830

Town of Parish: In person component is missing in Massachusetts usage and we will also be offering that meeting via zoom. If you go to the cemetery website WWW dot seminars or on the link there for you.

197

00:29:35.700 --> 00:29:46.560

Town of Parish: And a couple of the topics from the discussion, you will be talking about using a contractor to help me with media coverage on Nice, nice. And we need to extend the embryonic

198

00:29:48.930 --> 00:29:55.080

Town of Parish: already entered municipal agreement, get it forms the Salmon River counselor governments and every so often, they need to be reviewed.

199

00:29:56.490 --> 00:30:02.070

Town of Parish: Tomorrow, and we'll be reading bringing it back to the individual municipalities for their consideration.

200

00:30:03.810 --> 00:30:16.230

Town of Parish: With all that as we get closer to implementing the contractor to assistant meeting coverage and the senators area. If you have anyone in mind able and interested in serving this function. We'd be happy to hear a potential candidates.

201

00:30:17.370 --> 00:30:25.170

Town of Parish: I've emailed the bell for the annual senator for Council we ever this membership for your calendar year 2020 to the supervisor into

202

00:30:26.880 --> 00:30:35.460

Town of Parish: A system to telling justice was setting up on Microsoft Teams as required by the court system. I also set this up for the next gen bunker for his court.

203

00:30:36.060 --> 00:30:52.800

Town of Parish: Laptop on a trial basis. And as soon as we have enough to him, I'd like to suggest that the town by a larger screen monitors for his use the town currently does not have any larger flat screen monitors not available. And then what I did is I grabbed one of the old small glass bottle.

204

00:30:54.540 --> 00:31:03.510

Town of Parish: Monitors up from the balcony to test out with his laptop to work and it would help because he's trying to do a lot of things with that laptop when he's doing a court session.

205

00:31:04.020 --> 00:31:14.490

Town of Parish: And we're doing Microsoft Teams that have even more things you're trying to cram into a relatively small screen was an extra monitor you can put things on both screens and that would be a

206

00:31:15.390 --> 00:31:28.320

Town of Parish: Major game and functionality for him. So I'd like to suggest buying one mission cause well under \$200 I would have said probably well on your test it for a good size monitor, but I think

207

00:31:29.610 --> 00:31:30.750

Town of Parish: Part of it.

208

00:31:31.980 --> 00:31:34.680

Town of Parish: I don't think he's gonna want to carry that around in and out. But something like

209

00:31:35.550 --> 00:31:38.550

Town of Parish: 23 inches. So it would be a good, good choice for them.

210

00:31:38.940 --> 00:31:50.730

Town of Parish: We may be something that you'd known on the wall. No. That'd be serving probably carry in and out of the sessions, because I guess I've got a grant application for a big wall mounted screen for doing that. But again, just for

211

00:31:51.510 --> 00:31:59.490

Town of Parish: Doing engine it when we had set up when you're doing that he was a vegetarian. He had his laptop there and the large monitor was to his left, so

212

00:32:00.870 --> 00:32:07.620

Town of Parish: Yeah, the large monitor was a professor that they have the grant application for is a separate thing in

213

00:32:09.150 --> 00:32:19.740

Town of Parish: The system. The town cook with generating a reference to which is in the mailing for dogs and through those I assisted the town supervisor in the town board and moving things forward in the budget process.

214

00:32:20.610 --> 00:32:31.470

Town of Parish: Just in the dumps and provided her developing materials to be used for informing the public about the upcoming water district public hearing and final thing is less than it was last week I was here.

215

00:32:32.340 --> 00:32:43.140

Town of Parish: Whenever we all got together last though I talked to you about a laptop or the tax collector, which we do need to buy and sooner rather than later, because he'll be in preparation for the next

216

00:32:44.220 --> 00:32:49.770

Town of Parish: election season for for longer, but the Dell identified two is probably the best candidate for that.

217

00:32:50.760 --> 00:33:02.340

Town of Parish: We town has an account with Dell, it has had for quite a while. And so I contacted them and have it updated changing supervisor and so on, so we're good to go on the order

218

00:33:02.910 --> 00:33:13.620

Town of Parish: At the top is identified, they won't sell under that arrangement, because we've got as effectively municipality a business account and one that identified was not one of their business.

219

00:33:14.100 --> 00:33:26.280

Town of Parish: Computers. It was a consumer grade computer which are typically less expensive. So they said we'd love this all your computer, but we can't tell you that I'm under the current thing. So I'm researching

220

00:33:27.000 --> 00:33:35.220

Town of Parish: What we can do under the agreement and will double check and see whether they'll still the best bet or whether you want to go with TV w or some other source.

221

00:33:36.000 --> 00:33:44.760

Town of Parish: Less laptop Kevin have currently is an oval and those are good laptops as well. So, and I think you mentioned the HP and contacts so

222

00:33:45.780 --> 00:33:53.640

Town of Parish: There are other good computers out there. If we can wind up getting the most cost effective. So how do you continue to work on that and get that on order asap because

223

00:33:54.270 --> 00:34:02.700

Town of Parish: With these credit during this most of them are 30 days net so by by really now you should have the computer and the invoice time to run through December meeting.

224

00:34:03.510 --> 00:34:16.500

Town of Parish: I may never get paid, but okay. That's a separate question. Yeah, that's all I have for you. And of course, on the back side. Here you have the sample resolution for accounting firm in two days. Thank you all appreciate any questions for Paul

225

00:34:18.090 --> 00:34:26.700

Town of Parish: Thank you. I do want to take this time to thank you very much for all and hope you have a new budget quality board. I mean, putting it together for the board.

226

00:34:27.300 --> 00:34:37.950

Town of Parish: And the water paperwork, which you Shrike for us and put them edu stuff on it that worked out great falls on a lot for this till we got any paperwork.

227

00:34:38.790 --> 00:34:43.020

Town of Parish: And helping us create the things that we need to mail out. So again, Paul. Thank you.

228

00:34:43.410 --> 00:34:55.470

Town of Parish: Walk. Long story short, Marianne got a large spreadsheet to have information that if that wasn't particularly pertinent to an individual landowner and it was started in the order is a parcel numbers. So you'd have to scroll through the entire

229

00:34:55.980 --> 00:35:07.710

Town of Parish: 400 plus names at the Find your name our names and the properties associated with it. So I massage it so it's in order of the owners, not the

230

00:35:08.400 --> 00:35:18.480

Town of Parish: Person itself to make make it easier to work with the mail to made the size larger on the fact because it would really teeny tiny kind of when we first got

231

00:35:19.680 --> 00:35:25.740

Town of Parish: Here, I'm sure that people should they don't know what you did, but I appreciate it. Hopefully they'll tell us ice cream. Yeah.

232

00:35:26.910 --> 00:35:27.960

Town of Parish: Okay. Oh.

233

00:35:30.600 --> 00:35:31.410

Town of Parish: Did you really say.

234

00:35:36.180 --> 00:35:38.100

Town of Parish: Okay, everybody has

235

00:35:44.700 --> 00:35:46.980

Town of Parish: Anybody have any questions for LG on that.

236

00:35:52.680 --> 00:35:53.130

Town of Parish: For your

237

00:35:59.730 --> 00:36:00.120

Town of Parish: Door.

238

00:36:03.330 --> 00:36:05.310

Town of Parish: Did you give them the backseat to

239

00:36:07.230 --> 00:36:10.980

Town of Parish: make copies of my best friend. So you did. Alright, so everybody's got it. Okay.

240

00:36:12.750 --> 00:36:14.130

Town of Parish: Any question on any other

241

00:36:16.470 --> 00:36:16.800

Town of Parish: People

242

00:36:20.790 --> 00:36:21.300

Town of Parish: You want you

243

00:36:23.340 --> 00:36:24.030

Town of Parish: Can work.

244

00:36:26.190 --> 00:36:28.470

Town of Parish: 23 and that's caused by motivated black

245

00:36:30.480 --> 00:36:31.650

Town of Parish: National Service call

246

00:36:34.020 --> 00:36:49.230

Town of Parish: 130 840-900-9370 mile or 200 this lady parts. Damn I place the same place, usually do is I want. Same place for all of our

247

00:36:55.230 --> 00:36:55.800

Town of Parish: Basic

248

00:36:58.710 --> 00:36:59.040

Town of Parish: Was

249

00:37:04.320 --> 00:37:05.040

Town of Parish: Working

250

00:37:05.550 --> 00:37:05.790

Town of Parish: There you

251

00:37:08.190 --> 00:37:08.580

Town of Parish: Know,

252

Town of Parish: Music 30 mile

253

00:37:19.650 --> 00:37:20.040

Town of Parish: You are

254

00:37:24.000 --> 00:37:27.990

Town of Parish: All business audit, Dan, did you have a chance to go through that stuff for the young

255

00:37:33.570 --> 00:37:34.110

Town of Parish: Want to

256

00:37:35.340 --> 00:37:37.290

Town of Parish: Give to you found your calling me back.

257

00:37:38.700 --> 00:37:41.430

Town of Parish: And discuss a lot of stuff and

258

00:37:42.510 --> 00:37:49.560

Town of Parish: I agree that it's a full audit and that's what you're looking for a whole lot of the grants.

259

00:37:51.360 --> 00:38:01.530

Town of Parish: Values zone and they have a full audit every year and they get a lot of grants. I mean their continuous improvement for one thing.

260

00:38:02.730 --> 00:38:03.840

Town of Parish: So I agreed on that.

261

00:38:05.550 --> 00:38:08.130

Town of Parish: From the beginning, always a full on some of

262

00:38:09.750 --> 00:38:20.280

Town of Parish: These people tell me that they know municipal accounting. Yes, they do. Yes he does other columns for each client only and I forgot there's two more times. Okay. Sounds good.

263

00:38:21.360 --> 00:38:22.140

Town of Parish: So who is that

264

00:38:23.820 --> 00:38:25.620

Town of Parish: I can't remember the name of it.

265

00:38:28.740 --> 00:38:29.130

Town of Parish: This

266

00:38:32.370 --> 00:38:33.390

Town of Parish: Idea of a price.

267

00:38:38.430 --> 00:38:39.120

Town of Parish: That was in that

268

00:38:41.460 --> 00:38:44.010

Town of Parish: I think it was in that ballpark.

269

00:38:45.060 --> 00:38:52.410

Town of Parish: But it's he's gonna go first to finalize it down, but it gives you a ballpark low to high.

270

00:38:53.670 --> 00:39:00.270

Town of Parish: And they all do that because they don't know how much again get into the first time, but we need to know what it is to do that.

271

00:39:01.590 --> 00:39:07.080

Town of Parish: Yeah, like call him get the we commit to XML.

272

00:39:10.080 --> 00:39:10.770

Town of Parish: I love

273

00:39:13.830 --> 00:39:17.010

Town of Parish: The summer time. Okay, make sure you give him a call.

274

00:39:18.420 --> 00:39:19.410

Town of Parish: It's a mother.

275

00:39:21.330 --> 00:39:21.840

Town of Parish: That's okay.

276

00:39:24.300 --> 00:39:33.630

Town of Parish: We'll do a motion to approve them in December, whatever they are right. Did you call that guy that was a lower price and it was a fallada

277

00:39:35.040 --> 00:39:42.360

Town of Parish: Denied Paul and wait for one call me back a week and a half. Well, there's very to because

278

00:39:46.650 --> 00:39:48.570

Paul Baxter: I know because they're they're busy.

279

00:39:50.250 --> 00:39:55.980

Town of Parish: In Why do up but their, their hands are tied because they can always go in and do it because the Colbert so

280

00:39:56.940 --> 00:40:03.210

Town of Parish: If you can, between now and then just call the other guy and get an idea what his I know I wrote it down on that paper I have it upstairs someone

281

00:40:03.540 --> 00:40:16.650

Town of Parish: You an idea of what his full audit causes because I know he was less than the one that will talk to you, but I don't remember how much, but he will do a full audit or the, the other two possibilities, but you want to. We want to full on it. That's fine.

282

00:40:18.090 --> 00:40:21.240

Town of Parish: And he gave me a price. We just have to check and see if it's still the same.

283

00:40:22.320 --> 00:40:22.770

If you would

284

00:40:24.150 --> 00:40:25.380

Appreciate it. Thanks.

285

00:40:33.150 --> 00:40:34.290

Town of Parish: Okay, um,

286

00:40:38.670 --> 00:40:48.570

Town of Parish: Mueller send a letter to us that he wants to be stand the CVA as the chair and this describe or send us a letter saying he wants to see and deployment planning.

287

00:40:49.650 --> 00:40:52.260

Town of Parish: As well, I know you have to do listen

288

00:40:55.140 --> 00:41:03.870

Town of Parish: To pair of these. I think it's me anymore. I love that. Well, you didn't do, Mr. Mueller, we haven't demonstrated, you did Mr scribe and Mr Brzezinski

289

00:41:05.370 --> 00:41:11.070

Town of Parish: What I wanted to point out to you is the process that we have is gonna go one way or another. It can't be both ways.

290

00:41:11.490 --> 00:41:29.010

Town of Parish: We either when somebody sees up in the town clerk notifies the supervisor that they're some of these up for this we need to reach out to them or boy to see if they want to continue or if they don't, if they don't, then that gives us the option of advertising to get new people in

291

00:41:30.210 --> 00:41:42.390

Town of Parish: If we do it that way. It's got to be that way for everybody. We don't do it for some and then the other ones we don't ask we advertise when we shouldn't have to pay for the advertisement come to find out that they want us to end position.

292

00:41:43.080 --> 00:41:47.070

Town of Parish: So are you guys okay with it with a procedure like that.

293

00:41:49.530 --> 00:41:51.330

Gary Wood: I think that's the way it should be done. Yes.

294

00:41:52.740 --> 00:41:54.960

I want to interject here because I was told.

295

00:42:00.480 --> 00:42:04.470

After the organizational meeting, so you can't really ask people,

296

00:42:08.220 --> 00:42:08.460

What

297

00:42:09.570 --> 00:42:13.800

Town of Parish: They don't, we don't we don't appoint them until the organizational meeting the

298

00:42:15.240 --> 00:42:19.260

Town of Parish: People were notified and I'm always surprised and notifying everybody

299

00:42:20.130 --> 00:42:30.210

Town of Parish: And I never let anybody. I never left anybody out. I'm not going to get into that when I'm saying is the process is going to be that if you know somebody seats up because you use them. The numbers.

300

00:42:30.450 --> 00:42:37.500

Town of Parish: I probably do too, but I don't pay much attention to it as you do let us know. We know whatever the supervisor, whoever it is.

301

00:42:37.890 --> 00:42:51.810

Town of Parish: And then we get all the person and say, are you still interested in serving. If they say yes, then come January is when we would reappoint them. That's when a sister up other than other than on bar on the process.

302

00:42:53.040 --> 00:43:05.520

Town of Parish: Okay, well I'm explaining it to the to the board here, Kelly. And then if they don't want that. You know, I've had a time and then we can send up, put it in an ad in the paper to sue someone else wants to do it. Is everybody okay with that.

303

00:43:07.080 --> 00:43:08.460

Yeah, you

304

00:43:09.480 --> 00:43:09.960

Town of Parish: Carry

305

00:43:11.190 --> 00:43:13.590

Gary Wood: Some fire. Okay.

306

00:43:14.700 --> 00:43:15.960

Town of Parish: Yeah, okay.

307

00:43:19.860 --> 00:43:20.220

And

308

00:43:21.480 --> 00:43:22.080

Town of Parish: We will be

309

00:43:29.940 --> 00:43:30.510

Okay.

310
00:43:32.190 --> 00:43:32.940
Business

311
00:43:42.690 --> 00:43:45.030
This is just a view. So I'll

312
00:43:46.590 --> 00:43:49.170
Town of Parish: Give it to everybody, because this is what we have to read the

313
00:43:50.700 --> 00:43:54.930
Town of Parish: Budget here. You don't have this. Sorry, I'm

314
00:43:56.220 --> 00:43:57.930
Town of Parish: A reader, because we have this

315
00:44:03.960 --> 00:44:05.220
Town of Parish: Yeah. This is weird.

316
00:44:24.870 --> 00:44:29.160
Town of Parish: The same as what we worked on last Thursday. Nothing's changed.

317
00:44:30.390 --> 00:44:33.480
Town of Parish: So it's the exact document that you have for the film.

318
00:44:39.000 --> 00:44:39.450
Town of Parish: Well,

319
00:44:41.820 --> 00:44:43.170
Town of Parish: That's the formulary one

320
00:44:44.970 --> 00:44:47.190
Town of Parish: Again do this stuff too. So

321
00:44:51.120 --> 00:45:00.600
Town of Parish: Resolution to get the final budget for fiscal year 2021 whereas the town of parish has completed its preliminary budget in fiscal year 2021

322

00:45:01.320 --> 00:45:14.880

Town of Parish: Excuse me, and whereas the talent has properly advertised and made said prime preliminary budget available and whereas the town who sell the public hearing and the preliminary budget and November 5 20 2020

323

00:45:15.450 --> 00:45:24.150

Town of Parish: And whereas the talent has completed and filed a tax levy limit information with the New York State Controller and whereas the town is in compliance with the

324

00:45:24.780 --> 00:45:36.720

Town of Parish: Applicable tax lobby limit and whereas the town board has made any necessary such necessary and permissible amendments to the preliminary budget, subsequent to said public hearing

325

00:45:37.290 --> 00:45:45.180

Town of Parish: Therefore, very declare that the town board of the town of parish does here by adapt the same as the final budget for the fiscal year of 2021

326

00:45:46.590 --> 00:46:00.360

Town of Parish: Before we say yes on it. We did go over the we did review again, why should we say that the lobby. We did send the reporting that we do not this year have to go over the tax levy

327

00:46:00.930 --> 00:46:20.550

Town of Parish: You a copy of that you have the answer we are under the tax. Let me the tax lobby for us is 1 million to 160 3570 we're coming in at 1,000,230 \$3,000 so we're about 29 30,000 under

328

00:46:22.290 --> 00:46:24.150

Town of Parish: Well, that's a good thing, right.

329

00:46:26.970 --> 00:46:33.660

Town of Parish: So we did not have to receive a tax levy. I don't think that's happened in a long time. So that's a good thing I'm

330

00:46:43.890 --> 00:46:44.130

In the

331

00:46:45.420 --> 00:46:51.120

Town of Parish: State. I don't know if the course to the county when we take the budget over a nap because

332

00:46:52.590 --> 00:46:55.710

Town of Parish: It's only an hour to come forward. Okay, thank you.

333

00:46:57.660 --> 00:47:02.190

Town of Parish: Yes, you're reliving calculations lose control. Okay, thank you.

334

00:47:03.540 --> 00:47:08.010

Town of Parish: Okay, so I I read the resolution.

335

00:47:09.930 --> 00:47:12.000

Town of Parish: Emotion and emotion.

336

00:47:14.100 --> 00:47:14.670

Town of Parish: Know,

337

00:47:21.060 --> 00:47:23.820

Town of Parish: Any questions or discussions and their budget.

338

00:47:27.090 --> 00:47:27.420

Town of Parish: Please.

339

00:47:29.970 --> 00:47:30.330

Town of Parish: Yes.

340

00:47:36.630 --> 00:47:37.110

Town of Parish: Yes.

341

00:47:45.600 --> 00:47:46.170

Gary Wood: Yes.

342

00:47:50.550 --> 00:47:51.000

Yes.

343

00:47:59.070 --> 00:48:03.330

Town of Parish: Okay, thank you, lot of meetings, a lot of discussion.

344

00:48:06.120 --> 00:48:08.640

Town of Parish: Why work, but it's done for next year.

345

00:48:11.160 --> 00:48:11.760
Town of Parish: Okay.

346
00:48:13.980 --> 00:48:15.150
Town of Parish: Okay. All right.

347
00:48:17.160 --> 00:48:22.440
Town of Parish: Okay, this was something that was asked to put on the agenda, I shouldn't put his name next to what this is.

348
00:48:25.050 --> 00:48:31.650
Town of Parish: About the snow plowing police superintendent, Dr. Murray and or full time MBA sideways.

349
00:48:33.060 --> 00:48:34.080
Town of Parish: Go ahead, dog or

350
00:48:37.140 --> 00:48:40.770
Town of Parish: Promotion basically as a highway superintendent applauded drivers.

351
00:48:42.420 --> 00:48:43.050
Town of Parish: And

352
00:48:44.250 --> 00:48:50.340
Town of Parish: Employees, we get a major so far. And it's an eye out for that. So the police get into their driveway.

353
00:48:53.070 --> 00:48:53.610
The motion.

354
00:48:58.140 --> 00:48:59.220
Town of Parish: I will second

355
00:49:00.390 --> 00:49:04.140
Town of Parish: What's the, what's the past practice. What have we done. We got it.

356
00:49:07.260 --> 00:49:10.260
Town of Parish: Right. It's all I think it's been that way. And then there's a big

357

00:49:11.340 --> 00:49:18.240

Town of Parish: Or door and then it, you know, Craig, being careful what to do because you're dealing in trouble. But he needs to get in and out.

358

00:49:19.440 --> 00:49:22.320

Town of Parish: I know we did it back that way when Carol was, yeah.

359

00:49:26.370 --> 00:49:31.680

Town of Parish: I was just, it was actually yeah it was passed practice, but never, I never

360

00:49:37.380 --> 00:49:39.180

Town of Parish: Let the parents mountain

361

00:49:40.260 --> 00:49:42.510

Town of Parish: Doesn't want to burden for us to represent them.

362

00:49:43.830 --> 00:50:01.740

Town of Parish: Sent out a new banana highway before major snowstorms, you know, go home and trying to get into your driveway. That's right. You don't want to hear what he's doing, you know, five Seguro you're right, you've been out for 14 or 24 hours. Back then, yeah, you select a diary. Correct. Yeah, so

363

00:50:03.180 --> 00:50:12.240

Town of Parish: You're out your workers, what you just meet your snowstorms not just every stone start booking your Vegas. Most times and stuff. Yeah, and

364

00:50:13.140 --> 00:50:23.790

Town of Parish: Yeah, I'm average snowfall know you you you can use you can get your own guidelines, you know, at the park signs and snow banks as three feet high and dry.

365

00:50:24.930 --> 00:50:25.230

Town of Parish: Yeah.

366

00:50:27.060 --> 00:50:28.560

Town of Parish: I'm all for and I just

367

00:50:29.610 --> 00:50:34.860

Town of Parish: It's common sense. I mean, yeah, you're gonna have taxpayers called bellyache

368

00:50:36.960 --> 00:50:38.310

Town of Parish: Holland instead of waiting on the

369

00:50:39.570 --> 00:50:40.800

Town of Parish: Right. Yep.

370

00:50:41.880 --> 00:50:43.080

Town of Parish: And I always joke with him.

371

00:50:44.580 --> 00:50:49.560

Town of Parish: Because he will check the road might be out four times all night. Right, so

372

00:50:50.610 --> 00:50:54.240

Town of Parish: Or never come home for two days. I have no squats over

373

00:50:55.650 --> 00:51:08.370

Town of Parish: I know you guys aren't about the workshop. I just want to make it official. So there's something about back that we got something in there right to protect everyone. Right. Usually we do it right.

374

00:51:09.750 --> 00:51:13.650

Town of Parish: Yep, and it could help open up a can of worms.

375

00:51:14.910 --> 00:51:18.510

Town of Parish: Always over again is on your side road and good job.

376

00:51:25.530 --> 00:51:27.510

Town of Parish: Gary, did you have any input on that.

377

00:51:28.470 --> 00:51:42.870

Gary Wood: I brought it up at the workshop I agree with 100%. Okay. Yep. What are we agreed to somebody want to spell it out supervisor can maintain our supervisors superintendent to maintain his driveway and employees if there's a bad storm.

378

00:51:44.010 --> 00:51:47.610

Gary Wood: He just did, so they can get into work or getting back from working the

379

00:51:48.720 --> 00:51:49.320

Town of Parish: Whole time

380

00:51:50.370 --> 00:51:51.240

Wasn't living

381

00:51:53.040 --> 00:51:53.280

Yeah.

382

00:51:55.980 --> 00:51:57.390

Very on father, Dr.

383

00:51:58.890 --> 00:52:03.000

David prepares your full time did they all live in town. No, no, no.

384

00:52:04.110 --> 00:52:05.190

One knows well

385

00:52:06.690 --> 00:52:08.730

The ones that live in parish.

386

00:52:11.610 --> 00:52:14.010

Will have to draw it up that way in

387

00:52:18.510 --> 00:52:35.100

Town of Parish: The world agrees to allow the highway superintendent to clear his driveway when necessary, and any of the full time embryos driveways that live in New Orleans Parish somebody else in the town parish in the three

388

00:52:36.540 --> 00:52:48.660

Town of Parish: Yeah, the, the, the old all but one of the ones that live in our parish on a major snowstorm. He cleans the highways to pretend completed grab whenever he goes in and out easy checking the roads. Right.

389

00:52:50.160 --> 00:53:07.110

Town of Parish: So then why am I doing this. If that's the case, because he doesn't do it now. He dragged over it already article gets his own glory goes a long driveway. Oh, OK. So the emil's driveways is not an issue. It's the highway secret tennis driveway. That's an issue that what you're saying.

390

00:53:07.680 --> 00:53:09.090

Gary Wood: Right. He needs to be able to do it.

391

00:53:09.750 --> 00:53:12.150

Gary Wood: At any given time that he needs to check the roads.

392

00:53:12.750 --> 00:53:27.180

Town of Parish: Well, I agree. But if I think you got to spell it all out. So the board agreed to allow the highway superintendent to clean his driveway when necessary, and any of the other full time time me knows

393

00:53:28.530 --> 00:53:35.040

Town of Parish: When necessary majors door now every time you get it at page just know I mean does does when necessary.

394

00:53:37.050 --> 00:53:39.990

Town of Parish: Yeah, you're going to pray. I'm not going to follow. No.

395

00:53:43.200 --> 00:53:51.120

Town of Parish: No, that's all we're saying okay so yours as well as there's it just going to make the spot for you to pull in and pull out. I'm not one to bring up

396

00:53:52.140 --> 00:54:07.530

Town of Parish: The driveway it wherever he parks to the role. Yes, guys. That's what you're saying. He's going to clear he know he can do, is it any snowfall he needs to get to know all the time. The guys is for major snow falls.

397

00:54:14.580 --> 00:54:14.700

Town of Parish: You

398

00:54:16.170 --> 00:54:21.180

Town of Parish: Can do it anytime you need to do it because he can't travel work trying to do it.

399

00:54:22.350 --> 00:54:22.740

Town of Parish: Please.

400

00:54:22.830 --> 00:54:26.160

Gary Wood: Yeah, I didn't, I didn't bring up about the employees, I think, and

401

00:54:27.090 --> 00:54:33.030

Gary Wood: Just like where I work, I mean, I work for the state, but no state plows borrow my driveway. When it snows, because you're calling your total come to work.

402

00:54:33.600 --> 00:54:43.560

Gary Wood: But the guys that like Jeff Lawson, or anybody like the superintendent that maintains it has to go out on the road, all the time. That's the one that I was concerned about

403

00:54:44.520 --> 00:54:58.140

Gary Wood: Right, and then the way we used to do it in the past, we used to do it if you got a major snowstorm in middle three or four, but nobody in that p&l so they can at least get into in the driveway right right at the end of the

404

00:55:06.330 --> 00:55:07.170

Driveway

405

00:55:10.320 --> 00:55:11.280

Town of Parish: Well, clean his

406

00:55:12.780 --> 00:55:14.580

Town of Parish: In his driveway period.

407

00:55:15.630 --> 00:55:30.720

Town of Parish: Are you talking about maintaining the whole driveway or just like you guys just enough where he pulls in his truck and he he can make his home directly through the highway superintendent careers doing years ago. I don't know how I used to do years ago.

408

00:55:31.920 --> 00:55:34.320

Town of Parish: Guys are only the neck, the end though when

409

00:55:35.910 --> 00:55:36.240

Town of Parish: You're

410

00:55:38.280 --> 00:55:41.580

Town of Parish: Married. Yeah, that's a, that's a

411

00:55:42.780 --> 00:55:44.730

Town of Parish: Two different things. It's why I'm asking.

412

00:55:46.830 --> 00:55:51.300

Town of Parish: Necessary. Yeah, you talked about having him clean his driveway.

413

00:55:52.860 --> 00:55:57.450

Town of Parish: Driveway, he goes in and all the time so you don't have to pack it down and then try to click

414

00:56:00.660 --> 00:56:02.280

Town of Parish: Right here. Is that what you're saying.

415

00:56:04.770 --> 00:56:05.910

Gary Wood: Let me put it this way.

416

00:56:07.650 --> 00:56:15.120

Gary Wood: I went highway superintendent has been writing. It's already to maintain his driveway throughout the winter during snow storms with a

417

00:56:15.720 --> 00:56:25.710

Gary Wood: Significant accumulation. He can take and clean out the end of the emil's driveways, so they can get in and out by his driveway, you can maintain throughout the winter season.

418

00:56:27.540 --> 00:56:28.560

Town of Parish: Your motion.

419

00:56:29.190 --> 00:56:34.800

452

01:00:27.360 --> 01:00:34.950

Town of Parish: Saying that we changed your mailing address this one is 22938 East Main Street as team. This one says

453

01:00:36.360 --> 01:00:36.960

Town of Parish: Put up

454

01:00:39.810 --> 01:00:57.300

Town of Parish: With P. O. Box 66 and they're telling me when I do the W tues or any paperwork that I do that involves the IRS. They want us to use the same address a portst st AR et rather than st St. But yet on this one. They gave me the P. O. Box.

455

01:00:58.890 --> 01:01:08.910

Town of Parish: So I guess from now on when you get it from the town supervisor for the town of parish. It's gotta say 2938 East main STR et just to, you know,

456

01:01:10.020 --> 01:01:17.400

Town of Parish: Because that's what they're asking for. And they want it to be the same. Were any documentation that we send to them. You guys okay with that.

457

01:01:24.420 --> 01:01:29.130

Town of Parish: Okay, this is one that duck or Craig wanted to cover on regarding the drug testing.

458

01:01:30.150 --> 01:01:31.680

Town of Parish: Will do that one first card. Go ahead.

459

01:01:33.390 --> 01:01:35.250

Town of Parish: Or Fun, fun

460

01:01:38.220 --> 01:01:38.730

Town of Parish: Fun pet.

461

01:01:39.840 --> 01:01:40.710

Town of Parish: Remember what

462

01:01:43.140 --> 01:01:43.290

Town of Parish: Your

463

01:01:45.510 --> 01:01:46.410

Town of Parish: Brother has no

464

01:01:48.870 --> 01:01:56.790

Town of Parish: No, no, with the moon and back to me wrong, I think the guy I wasn't going to be driving for Uber a drug test.

465

01:01:59.190 --> 01:02:04.230

Town of Parish: I want to know what do you think we gotta wait this situation blackness Colin.

466

01:02:05.340 --> 01:02:09.990

Town of Parish: If there's no bottle bodily injury, we're thinking we're going into a spot where

467

01:02:11.040 --> 01:02:13.950

Town of Parish: It could be, you know, told I couldn't take him to a lab.

468

01:02:15.270 --> 01:02:18.690

Town of Parish: I pulled through lavender oil had to take more important possible we're going in.

469

01:02:21.150 --> 01:02:21.450

Town of Parish: Cold

470

01:02:22.770 --> 01:02:23.760

Town of Parish: Think we can maybe

471

01:02:25.410 --> 01:02:26.670

Town of Parish: Tell the thing over.

472

01:02:27.480 --> 01:02:28.350

Town of Parish: Longer there's no

473

01:02:31.890 --> 01:02:39.270

Town of Parish: Quick, quick question. Are you referring to the other ones. Also, where they asked us, you know, blindly to bring so so in

474

01:02:40.290 --> 01:02:40.890

Town of Parish: Boulder.

475

01:02:41.910 --> 01:02:44.220

Town of Parish: Boulder, Colorado, Boulder more laps.

476

01:02:45.300 --> 01:02:54.570

Town of Parish: To kind of like face later. Okay. But the other day that both of them will pose. And I had to take this time to actually do a full partial or kind of worn

477

01:02:55.920 --> 01:02:58.050

Town of Parish: Know, long as he got injured.

478

01:03:43.650 --> 01:03:46.020

Town of Parish: Or the number one.

479

01:03:47.130 --> 01:03:50.370

Town of Parish: What's the burden. What says that the fun

480

01:03:51.570 --> 01:03:56.610

Town of Parish: part about work in the morning without, no matter how minor will be

481

01:04:00.450 --> 01:04:02.250

Town of Parish: Our meeting or somebody else's meeting.

482

01:04:03.330 --> 01:04:17.400

Town of Parish: Us all know her well you know I asked you to talking about Dan for the first meeting that no matter how minor is driving a vehicle. We need to take them no matter how minor. I'm just saying if they're not

483

01:04:19.200 --> 01:04:28.800

Town of Parish: Any injury cars or by or it's not a major accidents and injuries talking about getting a mirror or helping small

484

01:04:30.540 --> 01:04:32.160

Town of Parish: But look, your guys's input on

485

01:04:34.650 --> 01:04:37.290

Town of Parish: It must have been before my time correct because no English

486

01:04:38.370 --> 01:04:46.020

Town of Parish: Was colder because it's hard to get that I would not leave us highway superintendent if he thinks it needs to go.

487

01:04:48.720 --> 01:04:52.350

Town of Parish: What is different from major. That's right.

488

01:04:53.820 --> 01:05:01.050

Town of Parish: All right, let me help them where you think the guy put an I could avoid it. I mean, the mirror the wind was a little bit

489

01:05:02.760 --> 01:05:04.080

Town of Parish: But if you think you guys

490

01:05:05.730 --> 01:05:13.500

Town of Parish: could have avoided the obviously like, well, maybe there's something wrong with them getting drunk or whatever. Right. You know, I think I agree with you.

491

01:05:18.240 --> 01:05:19.290

Town of Parish: Yeah, I'm sure.

492

01:05:23.190 --> 01:05:31.470

Town of Parish: In the future, when it gets Linus Pauling, just leave it on video when we leave it that way, you can always read addressing the

493

01:05:35.280 --> 01:05:40.710

Town of Parish: Honest a snack. You're not talking to myself the quarterly channel one talking. I'm talking

494

01:05:44.280 --> 01:05:45.420

Town of Parish: Everybody okay with that.

495

01:05:48.480 --> 01:05:49.800

Town of Parish: Gary did you hear us.

496

01:05:51.270 --> 01:05:52.920

Gary Wood: I was muted for a while.

497

01:05:54.390 --> 01:05:54.630

Town of Parish: Oh,

498

01:05:57.900 --> 01:05:59.730

Town of Parish: If it's a minor accident.

499

01:06:00.840 --> 01:06:11.310

Town of Parish: When the meals trucks or whatever we're allowing Craig to make the decision as to whether or not he needs to take them to the hospital and the clinic we got because of coven

500

01:06:11.490 --> 01:06:12.270

We try never

501

01:06:13.350 --> 01:06:26.970

Town of Parish: Heard of Dr test for drug tests are going to have to go into a drug test because they had an accident. Are you okay with leaving it up to the highway superintendent, as long as there's no major know bodily injury. No, it's just a simple take out my mirror

502

01:06:27.840 --> 01:06:29.370

Gary Wood: Yeah, largest know Avenue.

503

01:06:30.390 --> 01:06:34.410

Gary Wood: That I can think of that. Take a comeback on the town.

504

01:06:35.430 --> 01:06:36.510

Gary Wood: That's what I was. Yeah.

505

01:06:37.620 --> 01:06:38.310

Gary Wood: You know what I mean.

506

01:06:39.060 --> 01:06:50.580

Town of Parish: Yes, yes, that was a selfish thing. This is not touching the ones where they have to be tested quarterly for alcohol and drugs because the drivers. It's not that this is if there's an accident.

507

01:06:51.660 --> 01:07:01.890

Gary Wood: I think if it yeah I think if it's a if the accident involves another vehicle or another personal property of a resident or something.

508

01:07:02.430 --> 01:07:15.570

Gary Wood: I think it should be required to be tested. Because you could help the town to be open for lawsuits, they could say, well, the driver was drunk. Well, you're not going to have no way to prove that he wasn't. It wasn't tested for example that

509

01:07:18.690 --> 01:07:19.380

Gary Wood: You know what I mean.

510

01:07:20.130 --> 01:07:26.280

Town of Parish: Yeah, he's he's he's saying that the mirror that whoever took out with somebody else's property so

511

01:07:27.390 --> 01:07:31.290

Town of Parish: You gotta be careful when you're saying other person's property.

512

01:07:32.550 --> 01:07:40.440

Gary Wood: Yeah, well, just, I just you know how they could come back and say, you know, people could drop a lawsuit Anya and heartbeat for something and say,

513

01:07:40.920 --> 01:07:50.190

Gary Wood: Somebody was that they were under the influence of something or whatever, just to try and get money from the town and you gotta, you gotta cover your buck, you know,

514

01:07:50.640 --> 01:07:52.800

Town of Parish: I feel the dragon put an overall do that.

515

01:07:54.450 --> 01:07:56.880

Right, you okay

516

01:07:57.900 --> 01:08:02.520

Okay, we're not talking about you know mailboxes with the snowball right no

517

01:08:04.920 --> 01:08:07.200

Okay. So, okay, you're okay with that.

518

01:08:10.950 --> 01:08:21.030

Town of Parish: Well, like you said, after corporate give the other one is currently the grant writer J grass always working his butt off for moving truck.

519

01:08:21.810 --> 01:08:41.100

Town of Parish: In the building. Yeah. Okay. And at this point, he's getting somewhere with the truck grant. So we need to set a date for public hearing press if we would do it at be before the next meeting, December 17 at seven o'clock public hearing regarding the truck grant

520

01:08:42.720 --> 01:08:46.800

Town of Parish: Right, so we want six o'clock I got six o'clock today seven. Sorry.

521

01:08:48.300 --> 01:08:50.730

Town of Parish: So is everybody okay with doing them rather much

522

01:08:56.220 --> 01:08:57.450

Town of Parish: More that's more more and

523

01:08:59.790 --> 01:09:13.620

Town of Parish: More. It's a lot bigger too, so. Okay, so are you okay with that. Okay, I need a motion to accept the public hearing regarding the truck wearing it for December 17 at six o'clock. Oh my god, I need a second

524

01:09:15.450 --> 01:09:16.050

Town of Parish: Okay, very

525

01:09:17.280 --> 01:09:19.290

Town of Parish: Good. Okay. Roll call, please.

526

01:09:22.770 --> 01:09:23.220
Town of Parish: Yes.

527
01:09:28.950 --> 01:09:29.460
Town of Parish: Yes.

528
01:09:31.560 --> 01:09:31.890
Gary Wood: Yes.

529
01:09:34.260 --> 01:09:34.650
Town of Parish: Yes.

530
01:09:40.980 --> 01:09:41.430
Town of Parish: Thank you.

531
01:09:42.540 --> 01:09:56.310
Town of Parish: Okay. The other one is the budget officer position. I didn't touch base with you guys and this is the last workshop last week, asking about this and I need to connect with the two, but I wanted to ask you about this.

532
01:09:58.620 --> 01:09:59.340
Town of Parish: The other thing.

533
01:10:01.050 --> 01:10:02.640
Town of Parish: Know, which involves the

534
01:10:05.040 --> 01:10:17.040
Town of Parish: Two signatures. And as I said, I don't know if anybody heard it, because most of those were talking over each other. They have no problem every two signatures on the checks it actually is like a safeguard for me.

535
01:10:17.610 --> 01:10:30.210
Town of Parish: Because it allows more than two sets of eyes to check things out. So I have no problem with that. My you already know what my problem is I do have an appointment with a base tomorrow.

536
01:10:31.230 --> 01:10:41.340
Town of Parish: To go over some things including this but in that connection, I had talked to you about the budget officer position and setting the salary for that for the rest of this year, I've been

537

01:10:41.610 --> 01:10:50.730

Town of Parish: Working my tail off for the payroll and the bookkeeping and I'm asking that a salary reset that I could collect for doing this extra work.

538

01:10:58.560 --> 01:11:00.810

Town of Parish: Anybody have anything to say.

539

01:11:04.950 --> 01:11:09.630

Gary Wood: I think there's other things that we need to take down first Marianne, let's the checks.

540

01:11:09.960 --> 01:11:17.700

Town of Parish: And I said that I said I would do that. I have no problem with Gary, it's the you trying to connect you with your

541

01:11:18.060 --> 01:11:19.380

Gary Wood: Permission to say something.

542

01:11:21.300 --> 01:11:28.380

Gary Wood: Can I have permission to say something. Yeah. Okay. Back when I first was thinking of what the board could do

543

01:11:29.340 --> 01:11:34.470

Gary Wood: To take care and have a little more oversight with the controls that we needed to do on our financial deals

544

01:11:35.430 --> 01:11:50.400

Gary Wood: I thought, well, geez, maybe be a good idea. Now you can ask john I told him by himself. I asked him himself if he would mind being a second signature on paychecks are not paychecks. But Tom checks, then you didn't mind. Yes. JOHN Donne them.

545

01:11:51.420 --> 01:12:00.060

Gary Wood: Okay, then I turn around. I says, well, I talked to Lori and the association of towns and she said no.

546

01:12:01.050 --> 01:12:21.510

Gary Wood: No, she said, definitely not. She says the only other person that is has an authorized signature. If you're going with counter signatures in the town is the town clerk. I go, really. So to back her word up I call Syracuse. The comptroller's office.

547

01:12:22.830 --> 01:12:34.260

Gary Wood: And he said the same thing. Yes. The only other authorized signature is the town clerk. I said, well, everybody knows we have issues between the supervisor and our town clerk.

548

01:12:35.070 --> 01:12:42.000

Gary Wood: But that down but ISIS is gonna try to pick Johnny says you can stay low mandates. It's a town clerk.

549

01:12:42.720 --> 01:12:50.580

Gary Wood: So that's the only read nobody's doing that to try and blackmail somebody to talk or deal with somebody, it's, it's the law.

550

01:12:51.390 --> 01:12:59.610

Gary Wood: Believe me, if there's another way, and somebody else. So we didn't have to deal with that fine but there isn't. So I regardless of you guys's

551

01:13:00.420 --> 01:13:10.230

Gary Wood: Issues. I'm trying to do this, just as the board, moving forward, like you said, it covers you and it makes the board. There's what is one step.

552

01:13:10.770 --> 01:13:23.640

Gary Wood: Out of many that we can do to try and have a little oversight. So the comptroller's office says, hey, yeah. The board is stepping up and they're trying to monitor the situation a little bit closer. That's all. That's the only reason

553

01:13:24.900 --> 01:13:35.730

Town of Parish: And I got it in black and white, but they don't have it with me that it says the law says it could be the town clerk. It doesn't have to be the town clerk.

554

01:13:36.240 --> 01:13:36.810

Gary Wood: I like to

555

01:13:37.320 --> 01:13:41.940

Gary Wood: I want to see it because I side by ready right now. The law book do. Okay.

556

01:13:42.000 --> 01:13:44.670

Town of Parish: I'll have to find it for you don't have it with me. Hey,

557

01:13:45.360 --> 01:13:48.450

Gary Wood: Bob. Bob demands. Here we can tell him to look it up.

558

01:13:49.830 --> 01:13:54.000

Robert Genant: I can look it up, but I can tell you, it's going to be what Barry said, Yeah.

559

01:13:54.330 --> 01:13:55.320

Gary Wood: I've already went through.

560

01:13:55.560 --> 01:13:57.150

Town of Parish: Jojo and black and white.

561

01:13:59.640 --> 01:14:01.080

Town of Parish: Okay, go ahead. Sorry.

562

01:14:04.440 --> 01:14:05.040

Town of Parish: There was that

563

01:14:07.170 --> 01:14:09.180

Gary Wood: What time. I said,

564

01:14:09.240 --> 01:14:12.060

Gary Wood: Are you done. Yes. Yep. Okay.

565

01:14:12.090 --> 01:14:15.570

Town of Parish: So I'm back to the budget officer position and the salary.

566

01:14:17.430 --> 01:14:19.230

Town of Parish: And know what you're connecting it to

567

01:14:21.990 --> 01:14:25.020

Town of Parish: Overwhelm labor blank then right now, we'll look at next month.

568

01:14:26.280 --> 01:14:29.640

Town of Parish: The only one going to be pulled a voter officer in their

569

01:14:31.050 --> 01:14:44.430

Town of Parish: line item. Yeah, it's, it's, we would have to create that according to it. If we don't have a budget officer, a person designated

it's automatically the supervisor. Okay. We don't. We know never had it Steve was a

570

01:14:45.660 --> 01:14:52.950

Town of Parish: Supervisor at unless we have the money to pay for a budget officer so said for me to collect for me to collect

571

01:14:53.520 --> 01:15:05.820

Town of Parish: Money for doing these extra jobs if we put it under the budget office was position, you could call it a salary to us this year I'm talking to Shana talking next year. And that's how she said that we could do that.

572

01:15:09.930 --> 01:15:18.330

Town of Parish: I'm not putting anything in Russia. Sorry. I mean, maybe, you know, minimum wage for an hour. She like everybody else has to

573

01:15:21.090 --> 01:15:24.180

Town of Parish: But right now I'm on that the reporting as

574

01:15:25.860 --> 01:15:43.200

Town of Parish: Well, next week's payroll comes up, I'll let you do a Doug and I are payroll company Mandela was this way too much money in motion. I have zero covering your company, it costs, way too much money. Why would you do that already happened before we had never made a mistake. Don't

575

01:15:44.640 --> 01:15:46.620

Town of Parish: Work off, yo. The first one was

576

01:15:48.240 --> 01:15:48.900

Town of Parish: The first one was

577

01:15:50.850 --> 01:15:56.850

Town of Parish: The first one was doing it all, they believe the second one was doing it incorrectly. The third one was okay but Mr.

578

01:15:58.440 --> 01:16:04.650

Town of Parish: I think he's going to be retiring and he told me that when I hear them. A year ago, I haven't looked, I

579

01:16:05.250 --> 01:16:09.960

Town of Parish: take that back. I asked for other people in different places and they didn't want to have anything to do with it.

580

01:16:10.740 --> 01:16:24.090

Town of Parish: So when we were able to bring it in house and do it in house. There are no mistakes at this point there haven't been since 2019. Thank you very much. And we take care of what needs to be done in house it's saving the town money.

581

01:16:32.760 --> 01:16:35.040

Town of Parish: So none of you want to do anything about this.

582

01:16:36.840 --> 01:16:41.280

Town of Parish: None of you want to do consider giving me a salary for doing this all this extra work.

583

01:16:42.720 --> 01:16:56.940

Town of Parish: Regardless of politics you like your dad have some how much it is your favorite. Now you can get up to 16 because we put the original back interplay. There's 2004 that's next year, Doug. And that's only 1000 now.

584

01:16:58.620 --> 01:17:07.890

Town of Parish: Controlling and I think this job was your, you know, your job. I'd like to see you do this. What do you like to see you.

585

01:17:09.990 --> 01:17:10.710

Town of Parish: Go for it.

586

01:17:11.790 --> 01:17:13.740

Town of Parish: Let's see where the people. People go

587

01:17:15.480 --> 01:17:17.580

Town of Parish: So none of you know you have anything to say.

588

01:17:21.360 --> 01:17:26.580

Gary Wood: I don't think these decisions would be that difficult if there was more cooperation.

589

01:17:27.960 --> 01:17:36.900

Gary Wood: But there doesn't seem to be any operation in this town between anybody and, you know, so when we come on decisions like this that might be

590

01:17:37.410 --> 01:17:43.260

Gary Wood: A little bit of a you know a pat on the back. Thank you very much type thing. We get no worse because

591

01:17:44.070 --> 01:17:54.510

Gary Wood: You can add somebody on the back. And that same personal stabbed in the back. When you turn your head so you know what, that's the way it's been, that's the way it's gonna be. I don't think everybody just need to do their job.

592

01:17:55.530 --> 01:18:08.850

Town of Parish: And smile about it. Okay, I can bring up a lot of things about YouTube done, but I won't. That's okay. I just want to make sure that it's in the minutes that this board chose not to.

593

01:18:09.690 --> 01:18:24.360

Town of Parish: really immerse the town supervisor for the extra work that she's been doing since 2000 since September of 2020 when they are the ones that three of the ones on this board were the ones that are responsible for us losing looking for me.

594

01:18:27.000 --> 01:18:29.490

Gary Wood: Trying to push on the board all the time.

595

01:18:33.000 --> 01:18:35.280

Gary Wood: Around and put it on social media. I mean,

596

01:18:45.420 --> 01:18:45.930

Town of Parish: Happen.

597

01:18:49.620 --> 01:18:51.090

Because of what you guys said

598

01:18:55.980 --> 01:19:01.830

Town of Parish: Asked her to she did it on her own. Yep. Because of what you did. Okay.

599

01:19:02.910 --> 01:19:07.140

So, and I know you won't put it in killing because you never quote me just quote certain people

600

01:19:12.690 --> 01:19:13.470

Gary Wood: As you see fit.

with. You really are your routing belligerent

608
01:19:39.300 --> 01:19:40.890
Gary Wood: No, that's not right.

609
