00:08:48.600 --> 00:09:07.920

Parish Planning Board: The local government conference or 2021 has now been cancelled ordered initially then post calm and it is no been canceled we're looking for ways to break for any Q and other ways and in the recent past we've set it up, no huddle has a YouTube channel YouTube.

38

00:09:09.210 --> 00:09:26.490

Parish Planning Board: And our training or planning board is available on that and what we're doing now is we're adding of participation to that so to attend, one of our training sessions via the YouTube channel, I think you can take a quiz and then you can get credit for having watch the session.

39

00:09:27.690 --> 00:09:30.750

Parish Planning Board: Because that would be one remaining link, we were doing live dog.

40

00:09:31.980 --> 00:09:46.380

Parish Planning Board: training sessions, before that, and as the people to rewrite history and we're still planning on continuing that but we wanted to make those sessions available after the back and figure out a way to make them available for that and we, we have no implemented that.

41

00:09:48.120 --> 00:09:50.070

Parish Planning Board: Very like is that.

42

00:09:51.600 --> 00:09:55.470

Parish Planning Board: I myself have gotten a couple of courses through the.

43

00:09:59.010 --> 00:10:03.690

Parish Planning Board: Planning federation version and we've got credits that way so.

44

00:10:04.920 --> 00:10:18.990

Parish Planning Board: tough job I missed a couple of had them plan and then be forgotten female federation treat my REPS for a while they want to know if I was number one number slightly yeah.

45

00:10:20.190 --> 00:10:30.270

Parish Planning Board: You probably can get in and they have the plugin will have a membership but regular whiteboard need to be you're supposed to be another plan.

46

00:10:34.170 --> 00:10:41.730

Parish Planning Board: To church normal yeah we would we would that be done through the town of the to join the planning.

47

00:10:41.820 --> 00:10:42.990

Parish Planning Board: Federation for all.

48

00:10:42.990 --> 00:10:50.040

Parish Planning Board: The time yeah and if the total number of the veterans probably good idea i've helped a lot of resources, all right.

49

00:10:51.060 --> 00:11:02.430

Parish Planning Board: Okay, I can bring in bring that up for me see if they can all I think we've got enough enough budget to to kind of I can't remember seemed like it was.

50

00:11:03.480 --> 00:11:07.440

Parish Planning Board: \$100 a year yeah I can look it up from the morning session.

51

00:11:08.550 --> 00:11:11.160

Parish Planning Board: So maybe I think now I can do that That way we do.

52

00:11:12.390 --> 00:11:16.380

Parish Planning Board: It like I say the I I didn't couple of courses so.

53

00:11:17.580 --> 00:11:21.960

Parish Planning Board: I mentioned, I think they've got one coming up on February 3 that I just signed up for on the.

54

00:11:23.520 --> 00:11:25.980

Parish Planning Board: open government and planning and don't assume.

55

00:11:27.660 --> 00:11:31.110

Parish Planning Board: That that new novel very what I want to.

56

00:11:32.430 --> 00:11:33.630

Parish Planning Board: have to fight this that.

57

00:11:35.070 --> 00:11:37.200

Parish Planning Board: are coming up another can kind of toggle.

58

00:11:39.060 --> 00:11:52.140

Parish Planning Board: That can be able to be admitted servers are being the Commission leads yeah well and and domain time I can I get it either way i'll run it by the town board.

59

00:11:53.640 --> 00:11:59.370

Parish Planning Board: Because, as i'm sure of the Members, the great job that we probably could take a little budget, but we.

60

00:12:00.570 --> 00:12:02.640

Parish Planning Board: What do you think bill Is it better to.

61

00:12:03.900 --> 00:12:17.370

Parish Planning Board: run on what you did now I mean all lit up, I mean honestly i've been getting a lot of those emails, but it seems like a lot of training that doesn't sink the top kill.

62

00:12:18.690 --> 00:12:23.790

Parish Planning Board: Your story, the same right but they the planning federation really gets to.

63

00:12:25.320 --> 00:12:25.740

Parish Planning Board: The guests.

64

00:12:26.880 --> 00:12:30.390

Parish Planning Board: Just you have to walk the small details right.

65

00:12:32.640 --> 00:12:51.000

Parish Planning Board: Because I was like I said we didn't see because either either way because I got all this and try to build your tongue he'll be ready to be like a year now until the end of the year, oh absolutely okay with since the town's population less than 10,000 your annual review of each \$170.

66

00:12:52.830 --> 00:13:04.110

Parish Planning Board: Maybe that's well worth trying, I mean how much doesn't happen in the town famous here, this is exam in people put it, a biology class to learn to drive up there yeah yeah.

67

00:13:04.740 --> 00:13:17.220

Parish Planning Board: Okay, give me your car pill unknown actually have a car car kit as well, but you know it's it's going to be cheaper to pay for that your brain they give you some great wall yeah yeah yeah so.

68

00:13:18.810 --> 00:13:21.390

Parish Planning Board: I think that's our training budget issue, though.

69

00:13:25.140 --> 00:13:29.670

Parish Planning Board: Is I wonder that something yeah well, I think, would have to be run by the numbers to.

70

00:13:31.080 --> 00:13:47.100

Parish Planning Board: Do that or mixing have that story that you know, maybe say also, for them to more oh absolutely I nate nate they have things narrow like Paul said, you know just have fun with meeting whatever there, I saw a couple out there.

71

00:13:48.120 --> 00:13:57.930

Parish Planning Board: That when I say or more directed to the town board and planning work well Okay, I like it you got it, you know really already know.

72

00:14:00.870 --> 00:14:11.130

Parish Planning Board: me but I don't think it was just like you, but I think the prior but here with supervisors both first getting models first couple budget she raised the question and.

73

00:14:12.480 --> 00:14:16.170

Parish Planning Board: We didn't have anything so New York New York fighting.

74

00:14:17.700 --> 00:14:29.430

Parish Planning Board: Back ever been able, for so long, we all we've always relied on building that's so great now it's one word and like say, but obviously the old town.

75

00:14:32.220 --> 00:14:33.000

Parish Planning Board: here will be back.

76

00:14:35.790 --> 00:14:37.830

Parish Planning Board: For us, I certainly hope so, because.

77

00:14:39.960 --> 00:14:40.770

Parish Planning Board: it's awful Nice.

78

00:14:45.720 --> 00:14:46.170

Parish Planning Board: that's.

79

00:14:48.000 --> 00:14:51.540

Parish Planning Board: All right, moving right along as anything else, Paul.

80

00:14:53.820 --> 00:14:57.990

Parish Planning Board: Did you did you have anything else oh Lord Okay, thank you very much.

81

00:15:00.360 --> 00:15:03.180

Parish Planning Board: next thing is, we have a.

82

00:15:05.850 --> 00:15:07.230

Parish Planning Board: Under communication.

83

00:15:13.260 --> 00:15:26.220

Parish Planning Board: Also in Korean instead also have anybody says, where is the wi fi posted in towns newspaper and to develop to open the film website Okay, yes that's right thing.

84

00:15:28.770 --> 00:15:30.120

Parish Planning Board: I have a week and.

85

00:15:31.320 --> 00:15:35.850

Parish Planning Board: The supervisor data letter for my for my Mr Dan.

86

00:15:36.540 --> 00:15:37.800

Parish Planning Board: friend has me.

87

00:15:39.240 --> 00:15:51.630

Parish Planning Board: tj a clean energy she miss understood that she's gone, he was he was inquiring about our solar.

88

00:15:55.020 --> 00:16:04.890

Parish Planning Board: It will you had, and she showed him a nice letter say we are, we have a moratorium in place, but what he was really doing is he they.

89

00:16:06.390 --> 00:16:11.430

Parish Planning Board: Service towns, if a town has 30 acres of land.

90

00:16:12.480 --> 00:16:31.230

Parish Planning Board: They will set up the solar for the town where the town's use under buildings and like that so once you guys got it I don't

I didn't post it to the board, but again, if you want you want to copy that I can post it in the board.

91

00:16:32.730 --> 00:16:39.060

Parish Planning Board: paper that it wouldn't ask you, but they I I I didn't I didn't.

92

00:16:39.660 --> 00:16:40.680

follow up on it, but.

93

00:16:41.940 --> 00:16:49.770

Parish Planning Board: It tells very in here, I guess, they basically that the town, would you know it's really it's all set up SP.

94

00:16:50.460 --> 00:17:03.540

Parish Planning Board: When you do stuff for municipalities like buildings and like that you have to answer to a whole different, in other words you can't really We found that out when the town of five six years ago, was trying to buy a building.

95

00:17:04.980 --> 00:17:10.140

Parish Planning Board: That you have to go through a whole bunch of simple steps you just have several instances.

96

00:17:11.970 --> 00:17:24.870

Parish Planning Board: And I imagine, this is the same values it's here if anybody would like to read it so like I said it was it with a more targeted place wouldn't really have something I don't know if the town has 30.

97

00:17:24.900 --> 00:17:26.850

Diane Spaziani: They recommended old dog sex.

98

00:17:28.290 --> 00:17:40.740

Parish Planning Board: So that would be a nice the town I don't think that town itself as and you'll see village that has the old thumbs down on bang all road right so like you said that it's.

99

00:17:41.850 --> 00:17:59.220

Parish Planning Board: Not good it's a good thing, no submit their King thought of buying property next to the dump or actually it's not going to them right, so I don't know how far along, are you yeah I know they I know that somebody bought a piece of hadn't been there from.

100

00:18:00.330 --> 00:18:09.690

Parish Planning Board: Taxes the tax free option, and I know, there was an issue an important part of it through the village book I guess it at basically one moment.

101

00:18:10.260 --> 00:18:13.350

Parish Planning Board: I think they wanted a bill is don't make the land on.

102

00:18:15.570 --> 00:18:21.510

Parish Planning Board: So anyways I just share that with anybody else have anything else under communication.

103

00:18:24.240 --> 00:18:28.620

Parish Planning Board: Okay you're our first order we move into new business.

104

00:18:30.870 --> 00:18:31.380

Parish Planning Board: Be.

105

00:18:32.970 --> 00:18:44.250

Parish Planning Board: fullerton engineering corporation, which are the people that were the ones that came to us will be at amp T verizon communication town.

106

00:18:45.570 --> 00:18:49.560

Parish Planning Board: I sent a letter out did everybody get happy have it read it.

107

00:18:50.760 --> 00:18:51.000

Parish Planning Board: The.

108

00:18:52.110 --> 00:18:52.680

Year and.

109

00:18:53.850 --> 00:18:56.400

Parish Planning Board: Look, for it in there and I got it.

110

00:18:57.600 --> 00:19:06.150

Parish Planning Board: got it I got it what it is they're requesting for an extension of special use permit for purpose of the tillman.

111

00:19:06.990 --> 00:19:22.620

Parish Planning Board: Infrastructure 18 T wireless communication, so he located at seven 874 writers 330 New York and basically the letter stating that do too cold and and.

112

00:19:23.340 --> 00:19:34.950

Parish Planning Board: Some effects they're having that it's put them behind and what they're doing is they're asking if we would give them a six month extension of the special use permit that issue.

113

00:19:36.120 --> 00:19:36.420

So.

114

00:19:38.820 --> 00:19:40.020

Parish Planning Board: we're open for discussion.

115

00:19:41.430 --> 00:19:50.220

Parish Planning Board: On your discussion, I am not opposed to you know it's long about one to two paragraphs that they're they're a little bit more detail.

116

00:19:51.720 --> 00:19:56.040

Parish Planning Board: That you recall, when we are advocates it just seemed like them.

117

00:19:57.300 --> 00:20:09.120

Parish Planning Board: These pillars of our search was blamed on cold weather, I mean yeah just It just seems tension it yeah I mean give me an example or a couple examples know.

118

00:20:10.890 --> 00:20:16.500

Parish Planning Board: yeah like I said right doing your work, I can't say, do I have to you know.

119

00:20:17.520 --> 00:20:20.460

Parish Planning Board: Do this or yeah yeah just.

120

00:20:21.570 --> 00:20:28.290

Parish Planning Board: Just because it's called doesn't mean King paperwork, but you know i'm not objecting to it i'm just the back into the way.

121

00:20:29.280 --> 00:20:45.660

Parish Planning Board: I can go ahead and work like I say if we This is something we basically have to work on, I believe that I can get I can

talk to, I can I can get Ahold of toning and asking for more till we get to go home the last fall.

122

00:20:47.370 --> 00:20:58.860

Parish Planning Board: Well, this This is like six months right bathroom floor all this stuff right yeah and they had reams of paper reams of paper.

125

00:21:15.150 --> 00:21:15.720

Parish Planning Board: You know.

126

00:21:16.740 --> 00:21:23.940

Parish Planning Board: A lot more letter blaming it on call it right, why haven't you good angel detail.

127

00:21:25.590 --> 00:21:37.500

Parish Planning Board: I don't think i'm on disagree respectfully disagree with you, I know yeah there are like Why did he go where they couldn't do it, it says construction is still pending, too many factors, most of my.

Parish Planning Board: heavens loaded probably Hendrick.

129

00:21:40.950 --> 00:21:45.300

133

00:22:09.630 --> 00:22:18.240

Parish Planning Board: Just to cope, I mean it's not slowing down building anything and it's our sentences about a building, I mean it's just one.

134

00:22:18.840 --> 00:22:27.270

138

00:22:53.790 --> 00:23:08.670

Parish Planning Board: For Back to School for those who is an admission that we have to walk a fine line because if you start, we have to, if anything, we issue.

139

00:23:09.960 --> 00:23:23.430

279

00:41:26.760 --> 00:41:40.230

Parish Planning Board: bed, as long as I have but anyways for us three now in today's terms to get into I I just heard one because I bought the five acres of land over where my panthers.

280

00:41:41.100 --> 00:41:50.640

Parish Planning Board: And what they do, what forestry gets into now they they will put up the desk my Forrester, will go in a lot of.

281

00:41:51.270 --> 00:42:10.230

Parish Planning Board: tree stands for deer hunting, they will do whatever and they show you exactly or you can hire them and and for her have it, in other words, they go into maintain your main goals and all your valuable trees and they will show you what the cutout beach.

282

00:42:10.290 --> 00:42:12.810

Parish Planning Board: In other words, you don't want beach the girl because they'll kill.

283

00:42:12.840 --> 00:42:19.950

Parish Planning Board: me I only know that because that's what he told me so he said when he could cut down most of your beach and use that is excellent firewall.

284

00:42:20.850 --> 00:42:33.420

Parish Planning Board: So i'm i'm thinking that that's what forestry is more about the key for us with that and and tracking and on so that they don't have somebody The worst thing you can do in today's world is when and clerk that.

285

00:42:34.680 --> 00:42:42.720

Parish Planning Board: Does it all my neighbors down the camp come yelling and screaming at me you gotta be kidding me you're a clear cut all right nice number I got 30.

286

00:42:43.350 --> 00:42:59.520

Parish Planning Board: I got one maple tree and painting painting this what are counted \$6,000 for the year great I mean there is just converted, so that if if that's maybe that's all referred to as for us, I mean.

287

00:43:00.660 --> 00:43:05.160

Parish Planning Board: we're talking about you know we doing it logging fire what.

288

00:43:07.080 --> 00:43:10.950

Parish Planning Board: Number it has never been getting water firewood and they couldn't get.

289

00:43:12.000 --> 00:43:24.990

Parish Planning Board: Out of it to make circuit board it goes out the door and your mom told by we go no you're not there no other numbers all in other bigger and giving it out on there being here.

290

00:43:25.980 --> 00:43:35.580

Parish Planning Board: Spot us no longer thunderstruck yeah cuz mine he works for for guy john in camden maine they have the the big thing in.

291

00:43:36.570 --> 00:43:46.650

Parish Planning Board: Canadian companies coming in and that's what they do take that down to be part with display got to people shepherd just run those babies right through to interpret a load of on long trips and and.

292

00:43:47.730 --> 00:43:51.270

Parish Planning Board: they're fired for the nails wardrobe yeah.

293

00:43:52.680 --> 00:43:57.510

40 longer you over over the last decade long.

294

00:43:59.250 --> 00:44:00.630

Right at the bottom.

295

00:44:01.920 --> 00:44:03.810

Parish Planning Board: When they're all still spect out an older.

296

00:44:04.980 --> 00:44:05.310

Parish Planning Board: know.

297

00:44:06.600 --> 00:44:07.830

Parish Planning Board: diane um.

298

00:44:07.980 --> 00:44:12.990

Parish Planning Board: yeah I don't have a page number, but it is public water.

299

00:44:15.570 --> 00:44:22.650

Parish Planning Board: he's got in here at the present time, all properties in the village in town are served by private wells.

300

00:44:23.460 --> 00:44:24.420

Diane Spaziani: I saw the absolutely.

301

00:44:25.320 --> 00:44:26.580
Parish Planning Board: Okay, then.

302
00:44:26.820 --> 00:44:27.750
Diane Spaziani: I met saw them.

303
00:44:29.280 --> 00:44:41.820
Parish Planning Board: large infrastructure is this is what you put in water infrastructure would help revitalize the villain Jamba town bring back the beautiful.

304
00:44:42.450 --> 00:45:04.110
Parish Planning Board: small town atmosphere that once existed in parish a water project would ring road construction records and parking businesses and small industry industrial complex, it would all find a place in so another one, she has that party did you read that.

305
00:45:05.220 --> 00:45:08.190
Diane Spaziani: yeah I didn't see that someplace else, I guess, I just wanted it.

306
00:45:09.210 --> 00:45:15.390
Diane Spaziani: highlighted in the dark black like it is under strategies and not hidden in a paragraph.

307
00:45:15.810 --> 00:45:16.290
Diane Spaziani: that's all.

308
00:45:17.100 --> 00:45:24.150
Parish Planning Board: And we can as well, we can do that because that's what that's what matt said, this is a rough draft.

309
00:45:24.450 --> 00:45:25.560
Diane Spaziani: Right right.

310
00:45:25.620 --> 00:45:28.740
Parish Planning Board: I didn't send it to us, so we could.

311
00:45:29.940 --> 00:45:33.690
Parish Planning Board: Basically That way we don't have it, we wanted to record.

312
00:45:38.280 --> 00:45:49.350

Diane Spaziani: The only reason why I listed assets and liabilities, because I thought it was easier for us to discuss because there's a lot of assets in the village and in the town and.

313

00:45:50.640 --> 00:45:54.360

Diane Spaziani: I thought it would delineate which was which and tell us where we really needed help.

314

00:45:59.250 --> 00:45:59.640

So.

315

00:46:03.690 --> 00:46:10.860

Parish Planning Board: i'm not sure that's that's that's why we're doing this is our opinion should say.

316

00:46:16.560 --> 00:46:17.430

Parish Planning Board: We will do.

317

00:46:20.100 --> 00:46:21.270

Parish Planning Board: What we want to see.

318

00:46:28.740 --> 00:46:39.270

Diane Spaziani: On the rough draft he sent via computer he had mentioned in the village there i'd said, I called it a gazebo park Kevin You might remember that.

319

00:46:40.050 --> 00:46:55.350

Diane Spaziani: And I saw yeah and I call the historian, she said that has never been officially designated as a part, so they everyone calls it, the corner lock the gazebo park was my name, so I could describe it Kevin, what do you know about it.

320

00:46:57.390 --> 00:46:58.830

Parish Planning Board: You mean that one out of four corner.

321

00:46:59.550 --> 00:47:02.100

Diane Spaziani: yeah that 6869.

322

00:47:05.730 --> 00:47:06.540

Parish Planning Board: time delay here.

323

00:47:08.280 --> 00:47:17.160

Parish Planning Board: Okay, that land was turned over to the town from the village in contemplation of building a municipal building down there.

324

00:47:17.610 --> 00:47:18.870

Diane Spaziani: With the right around.

325

00:47:19.590 --> 00:47:25.350

Parish Planning Board: The area that would leave he wanted a hardware store and the post office area.

326

00:47:26.100 --> 00:47:29.730

Parish Planning Board: Right um obviously the municipal building never went anywhere.

327

00:47:30.240 --> 00:47:31.530

Diane Spaziani: So now, the town has.

328

00:47:32.370 --> 00:47:39.420

Parish Planning Board: The law on for foreigners, so if they want to name it something fine but yeah we just got to go as evil in the middle of it yeah you're right.

329

00:47:40.980 --> 00:47:42.150

Diane Spaziani: How I got there, so if that's.

330

00:47:43.620 --> 00:47:44.010

Parish Planning Board: Go ahead.

331

00:47:44.130 --> 00:47:48.270

Diane Spaziani: No, I didn't see that any place Kevin I just named it that, so you know where I was.

332

00:47:49.680 --> 00:47:51.060

that's all yeah.

333

00:47:52.080 --> 00:47:52.230

Parish Planning Board: I.

334

00:47:56.430 --> 00:47:58.530

Parish Planning Board: don't think there's an official name for by the town.

335

00:47:58.860 --> 00:48:00.060
Diane Spaziani: No, there isn't.

336
00:48:04.020 --> 00:48:06.900
Parish Planning Board: hello, well, I have to look into naming.

337
00:48:13.530 --> 00:48:17.820
Parish Planning Board: I am guessing, but I would say when or.

338
00:48:19.200 --> 00:48:20.940
Parish Planning Board: We ever get water through here.

339
00:48:21.990 --> 00:48:25.440
Parish Planning Board: I think I think I think those streets willing so that's a.

340
00:48:26.730 --> 00:48:27.810
Parish Planning Board: Beautiful thing but.

341
00:48:33.660 --> 00:48:40.830
Diane Spaziani: A month another mistake that I made I said Meryl park was in the village, and I believe it is in the town.

342
00:48:41.220 --> 00:48:45.120
Parish Planning Board: Correct it isn't, you have the right way.

343
00:48:46.380 --> 00:48:48.090
Diane Spaziani: yeah okay all right.

344
00:48:54.000 --> 00:48:55.080
Parish Planning Board: that's all it is.

345
00:48:57.240 --> 00:48:59.550
Parish Planning Board: Is depending on your age and he.

346
00:49:01.230 --> 00:49:12.690
Parish Planning Board: walk there every Saturday morning everyone and then there's no safe way to walk me show there is a little big enough shoulder in the winter time right now.

347
00:49:14.910 --> 00:49:19.680
Parish Planning Board: get down our you know pass your test pretty much.

348

00:49:21.480 --> 00:49:26.040

Parish Planning Board: The whole region place which is now the killing them for property.

349

00:49:27.210 --> 00:49:30.360

Parish Planning Board: Actually, just one last review.

350

00:49:31.980 --> 00:49:32.250

How.

351

00:49:34.320 --> 00:49:34.950

To deal with.

352

00:49:38.160 --> 00:49:49.680

Parish Planning Board: them no matter you know I, in the meantime, like I said it is here corner the Z ballpark God needs a name and short description of this.

353

00:49:51.750 --> 00:50:05.430

Parish Planning Board: So, like I said yeah absolutely because, as you go down the map that says this and that's I think what he wanted us to do is review it and and like he said he would be able to be with us next month.

354

00:50:07.350 --> 00:50:11.160

Parish Planning Board: Is that what it was born to do that, I would prefer the.

355

00:50:12.270 --> 00:50:12.720

Parish Planning Board: first time.

356

00:50:15.150 --> 00:50:16.740

Parish Planning Board: For you.

357

00:50:18.570 --> 00:50:25.830

Parish Planning Board: To put up the Christmas decorations down there and saying the trees, the leaves are on can this be a mailman as.

358

00:50:26.970 --> 00:50:28.860

Parish Planning Board: Well yeah baylor nice nowadays, but.

359

00:50:29.910 --> 00:50:30.150

Parish Planning Board: It.

360

00:50:32.190 --> 00:50:39.090

Parish Planning Board: could be for that not a black yeah well, I think that was their recommendation.

361

00:50:40.950 --> 00:50:44.910

Parish Planning Board: Whatever it is yeah that's good teeth with now is is.

362

00:50:46.080 --> 00:50:51.180

Parish Planning Board: Is is is I got a red light older our current bb bb bb.

363

00:50:52.890 --> 00:50:54.150

Parish Planning Board: bb amp.

364

00:50:56.070 --> 00:51:02.730

Parish Planning Board: T or yeah whatever they asked me to help them with the tree, you know that the talented the.

365

00:51:05.760 --> 00:51:05.940

Parish Planning Board: one.

366

00:51:12.720 --> 00:51:13.320

Parish Planning Board: that's got.

367

00:51:15.420 --> 00:51:16.110

Parish Planning Board: All this word.

368

00:51:17.280 --> 00:51:18.060

Parish Planning Board: about the phone.

369

00:51:28.920 --> 00:51:29.100

Parish Planning Board: Oh.

370

00:51:30.870 --> 00:51:31.110

Parish Planning Board: yeah.

371

00:51:32.340 --> 00:51:33.030

Parish Planning Board: My Parish.

372

00:51:34.710 --> 00:51:39.870

Parish Planning Board: Oh, my God i'm gonna tear that often don't you know my question earlier, the.

373

00:51:40.890 --> 00:51:42.000

Parish Planning Board: station know.

374

00:51:43.050 --> 00:51:44.100

Parish Planning Board: i'm all for the treatment.

375

00:51:45.900 --> 00:51:55.890

Parish Planning Board: And the big picture 20 years now, and she couldn't be a lot for the one that used to be their resume a lot of our line there and now here you almost.

376

00:51:57.660 --> 00:51:59.430

Parish Planning Board: want to prove that.

377

00:52:00.660 --> 00:52:13.830

Parish Planning Board: The building I cut down the street, so now the tree trimming if the trees begin to impact and impinge on national grid transmission lines now since the company, at least in this area comes up and we'll see him around.

378

00:52:14.970 --> 00:52:16.470

Parish Planning Board: trees around so they don't need.

379

00:52:17.940 --> 00:52:19.260

Parish Planning Board: to know but.

380

00:52:21.570 --> 00:52:24.630

Parish Planning Board: right but yeah Nelson or or contract is pretty.

381

00:52:29.340 --> 00:52:39.180

Parish Planning Board: Well yeah, so we need to build that stuff plan ahead one Sunday and get approved right to you also 20 years from when they were putting the streetscape together for here.

382

00:52:39.660 --> 00:52:49.440

Parish Planning Board: They were going to use, but actually did you use if you strategically picture trees it forces you to slow down so we're going to use like Naples or something like that.

383

00:52:50.880 --> 00:52:55.590

Parish Planning Board: Would you do, would you trade your good for bringing everything.

384

00:53:06.390 --> 00:53:12.030

Parish Planning Board: Oh yeah I see it, all don't want to put you down his yard yeah yeah it's set.

385

00:53:13.200 --> 00:53:17.460

Parish Planning Board: Because they were recommended sidewalk in front of the House news yeah.

386

00:53:18.990 --> 00:53:19.470

Parish Planning Board: i'm.

387

00:53:20.610 --> 00:53:29.610

Parish Planning Board: All right, we'll see in a section here on the village to work, which looks like it has information back from eight nine so I will.

388

00:53:30.990 --> 00:53:34.560

Parish Planning Board: catch up some of my own as village treasure this connection.

389

00:53:36.930 --> 00:53:44.040

Parish Planning Board: and get with the sewer contract operator actually have a meeting with him for budget in the next couple weeks.

390

00:53:45.480 --> 00:53:48.480

Parish Planning Board: see if I can get the average for rates for.

391

00:53:49.500 --> 00:53:52.770

Parish Planning Board: most recent year which I used to have to turn them into the.

392

00:53:54.120 --> 00:54:01.530

Parish Planning Board: Two hours for the ASAP determine for blowing me I like to eat, but I don't do that anymore, so I kind of lost track of where they go.

393

00:54:03.240 --> 00:54:06.510

Parish Planning Board: Back in fact I can even come up with an updated.

394

00:54:07.680 --> 00:54:16.230

Parish Planning Board: The see work next I know i'm down 201 connections, I have 265 both have been relieved of.

395

00:54:17.520 --> 00:54:28.620

Parish Planning Board: connections, because there's nothing on the plot so i'm down to 200 and 101 default, the door so bill that's what you think when did just go ahead and do it that way, we don't.

396

00:54:29.310 --> 00:54:35.880

Parish Planning Board: want me that's just my personal opinion, because that's great happy to set of this word yes right next to the section.

397

00:54:37.800 --> 00:54:41.100

Parish Planning Board: Below bill in my parts and number, so that you have a.

398

00:54:49.050 --> 00:55:03.720

Parish Planning Board: schematic because obviously diane you have some issues that you wanted to, and I think what he did was he took some of the stuff we had and and put it in there for us to do that, so I.

399

00:55:06.810 --> 00:55:07.230

Diane Spaziani: love that.

400

00:55:10.290 --> 00:55:16.500

Diane Spaziani: Paul there's a question I have on the transportation I don't know if you finish talking about the sore Kevin right.

401

00:55:16.830 --> 00:55:18.540

Parish Planning Board: Now i'm done, yes, oh.

402

00:55:18.900 --> 00:55:19.380

yeah okay.

403

00:55:21.090 --> 00:55:32.760

Diane Spaziani: Well it's about the you talked about cx line it's right in that area and then sidewalks he put a nice passage in there, yet it public transportation and he said us we go county opportunities.

404

00:55:34.200 --> 00:55:49.410

Diane Spaziani: And the question mark needed more information, let me just give you the background I don't know what to say here, but I wasn't

on a committee or you attended a meeting for the county on transportation for the elderly and for people who want to commute out of parish someplace to work.

405

00:55:50.700 --> 00:55:55.440

Diane Spaziani: And when the county does is planning and the government somehow gives them money.

406

00:55:56.460 --> 00:56:02.970

Diane Spaziani: Oh, just the last year, two years ago, when I went to this thing that most of the money went to Polish guy.

407

00:56:03.450 --> 00:56:09.420

Diane Spaziani: For a bus line to take people from the senior citizen Center to the grocery shopping areas, etc, etc.

408

00:56:09.750 --> 00:56:19.380

Diane Spaziani: And I went to the meeting because I said parish needs some kind of a bus line to take some of their elderly maybe to the doctor or wherever they had to go or other people and.

409

00:56:20.160 --> 00:56:30.840

Diane Spaziani: They said well if if we're if you're on medicaid fine we'll help you, but if you're on medicare find your own transportation and I said, there are people in the town.

410

00:56:31.560 --> 00:56:38.940

Diane Spaziani: who need new transportation to doctor's That was my big thing, because I know people who are asking you that that's why I originally went.

411

00:56:39.540 --> 00:56:50.400

Diane Spaziani: And I don't have any information at, but we were left parish was left out of the planning in the county because they've never had never had or they don't have representation on this committee.

412

00:56:50.820 --> 00:56:57.600

Diane Spaziani: And when the federal money comes in, it goes to sleep on plus guy and we're kind of left off the map, but they have to go through us.

413

00:56:58.080 --> 00:57:13.350

Diane Spaziani: On at one to get to south of here, and then, if they go I speak of county opportunities they'll only go to the central square line

when some elderly people have doctor appointments in onondaga county or Syracuse etc.

414

00:57:14.580 --> 00:57:16.020

Diane Spaziani: So he wants more information.

415

00:57:16.260 --> 00:57:20.400

Diane Spaziani: I just want to leave it like that, think about that there's no transportation relatively people.

416

00:57:22.290 --> 00:57:22.590

Parish Planning Board: yeah.

417

00:57:24.240 --> 00:57:27.780

Parish Planning Board: opportunity did us to stop down here, where is the pizza shop is.

418

00:57:28.530 --> 00:57:29.220

No one people.

419

00:57:30.300 --> 00:57:46.050

Parish Planning Board: won't do that, and then we give them a very, very low fee for a corner exactly because I know which real cheap, they can take a flow, because people are people that need the transportation like today, you stayed going public assistance over.

420

00:57:46.410 --> 00:57:46.950

You know.

421

00:57:49.080 --> 00:57:49.560

Diane Spaziani: wasn't.

422

00:57:49.650 --> 00:57:57.900

Parish Planning Board: eligible, but they because I know a lady she was denied it wasn't there, the more they said supply and demand of course i'm thinking to demand.

423

00:57:59.820 --> 00:58:00.090

Diane Spaziani: Right.

424

00:58:01.710 --> 00:58:02.070

Parish Planning Board: Here we're.

425

00:58:03.000 --> 00:58:03.300

Right.

426

00:58:07.980 --> 00:58:08.670

Diane Spaziani: down to the.

427

00:58:09.360 --> 00:58:20.760

Parish Planning Board: mark right right, I mean we have discussed well, I felt that was part of the discussion for parking right there on this date property of across the driskill.

428

00:58:22.770 --> 00:58:30.540

Parish Planning Board: Well, years ago, I mean, I think the statement has money for those type of things that gas prices drop down a.

429

00:58:31.920 --> 00:58:36.120

Parish Planning Board: lot of people just want to drive it for parking right could be an example.

430

00:58:39.480 --> 00:58:44.430

Parish Planning Board: to Mexico well white shirt days we come into Paris yeah.

431

00:58:45.150 --> 00:58:46.800

Diane Spaziani: Thank you, Bill that's what I want.

432

00:58:47.640 --> 00:58:48.240

Diane Spaziani: I want them.

433

00:58:50.040 --> 00:58:51.300

Parish Planning Board: Okay, and I say.

434

00:58:52.050 --> 00:58:52.650

cars.

435

00:58:54.000 --> 00:58:59.310

Diane Spaziani: Some people in our town, do not have cars and they need transportation to go places this what i'm talking about.

436

00:59:03.480 --> 00:59:16.440

Parish Planning Board: What Mr servers talking about central yes that's going to Mexico that comes out of the Syracuse to a sleep over right central does come up at one as far as central square right.

437

00:59:16.560 --> 00:59:31.230

Parish Planning Board: Right Okay, we want you know you went to the bar tells your market right from there, it goes up through 11 to the old north, south, east or hangs around for those are looky looky comes back down to 11.

438

00:59:32.370 --> 00:59:34.170

Parish Planning Board: To return bartell road.

439

00:59:35.580 --> 00:59:42.270

Parish Planning Board: 99.999% of the time, and I was riding the bus there for coming from North Syracuse but it's the same bus route coming up.

440

00:59:43.440 --> 00:59:49.380

Parish Planning Board: 99.99% of the time that bus coming northbound is empty yes it's seven o'clock in the morning but.

441

00:59:50.760 --> 00:59:54.060

Parish Planning Board: Even at the 630 bus run down them through.

442

00:59:55.320 --> 00:59:59.340

Parish Planning Board: empty, yes, but then again it only comes to central Square.

443

01:00:00.540 --> 01:00:11.160

Parish Planning Board: Three times that are certain times in the morning but me I get to work at 330 the first bus coming northbound to central square is for 30 minutes even out of Syracuse what I.

444

01:00:11.190 --> 01:00:15.180

Parish Planning Board: brought up, we think, in a comprehensive way, yes, we can do like you.

445

01:00:16.230 --> 01:00:30.570

Parish Planning Board: Know say if we can get water, we really have to have more of the day, as well, the more people and that's why I didn't calculate towards you know what example, a central boss, do you have a survey of local.

446

01:00:30.690 --> 01:00:32.790

Diane Spaziani: business owners and systems is.

447

01:00:33.000 --> 01:00:39.360

Parish Planning Board: Like that we you know the case for central division, the COMP plan we're taking a hat right.

448

01:00:40.050 --> 01:00:42.210

Diane Spaziani: yeah our vision is work.

449

01:00:42.450 --> 01:00:54.810

Parish Planning Board: Right, we need our vision that's good you're right, but the budget to run through go for as part of the Sligo line, as I have seen when i'm through this Cathy to Mexico in a bank run.

450

01:00:55.950 --> 01:01:10.080

Parish Planning Board: As people on it, we a survey yeah which and we had to central roots in the fields are live on be on this route, because I know this week all once a week for groceries and this so that are the, I think, or vice versa.

451

01:01:10.740 --> 01:01:15.360

Parish Planning Board: that's what should be the Catholic, we would advocate a survey for central that.

452

01:01:15.840 --> 01:01:18.480

Diane Spaziani: You have a town rosalyn maybe I mean.

453

01:01:19.680 --> 01:01:20.700

Parish Planning Board: we'll see I mean.

454

01:01:21.420 --> 01:01:22.530

Like the senior citizen.

455

01:01:23.820 --> 01:01:28.860

Parish Planning Board: On a weird stone where they got a joy to the box right.

456

01:01:29.220 --> 01:01:30.120

Parish Planning Board: And then right or.

457

01:01:30.300 --> 01:01:30.720

wrong.

458

01:01:35.820 --> 01:01:38.010

Parish Planning Board: thing not more than it is on need.

459

01:01:41.310 --> 01:01:45.840

Parish Planning Board: literature in case it's needed we're prepared it's there.

460

01:01:50.040 --> 01:01:50.460

Diane Spaziani: At one.

461

01:01:51.330 --> 01:01:51.660

point.

462

01:01:53.040 --> 01:01:57.600

Diane Spaziani: I just have one more to thing to brainstorm or for you to think about a.

463

01:01:58.740 --> 01:02:03.750

Diane Spaziani: long story, but i'll try to make it short I know of a town, who um.

464

01:02:04.920 --> 01:02:13.260

Diane Spaziani: let's see they had a man and the child needed to take his mother to the doctor and she picked he picked her up at the nursing home.

465

01:02:14.010 --> 01:02:22.890

Diane Spaziani: And when somebody saw his car they're doing that he said, every time I went I had several people come up to me and said, could you pick my mother up, could you do this, then.

466

01:02:23.280 --> 01:02:33.630

Diane Spaziani: He had so much business he stopped doing this job here's 150 grand a year just taking people from the nursing home or from the town to their doctors.

467

01:02:34.620 --> 01:02:36.570

Diane Spaziani: And i'm not saying don't do that.

468

01:02:37.230 --> 01:02:45.450

Diane Spaziani: But is there, somebody somebody in this town who'd like to start a business, just to take elderly to their doctors that's all i'm just.

469

01:02:45.630 --> 01:02:46.620

Diane Spaziani: put that in your head and.

470

01:02:49.650 --> 01:02:56.490

Parish Planning Board: Actually, that type of business already exists, they are, they are over on Bangor road just off of.

471

01:02:57.900 --> 01:02:58.320

Parish Planning Board: 30.

472

01:03:01.980 --> 01:03:11.610

Parish Planning Board: there's there's one that says it's the interest is Parish that they're based in last guy it's lightning transportation one all park very.

473

01:03:12.990 --> 01:03:16.980

Parish Planning Board: Nice I knew they were there, somewhere, but there yeah but offices in plastic I their.

474

01:03:18.480 --> 01:03:21.090

Parish Planning Board: Transportation garages right yeah well that.

475

01:03:23.820 --> 01:03:32.040

Parish Planning Board: was wondering that because he's been up and down both ends of 3838 you come on down it goes around this week.

476

01:03:38.820 --> 01:03:44.670

Parish Planning Board: might need my best potential sister, I have a sister has slipped a little sound.

477

01:03:45.420 --> 01:03:53.280

Parish Planning Board: Well, another sister that just moved from Syracuse to buffalo between her and I, we were the ones that took that sister to doctors appointments and I said I can't do that.

478

01:03:53.730 --> 01:04:02.040

Parish Planning Board: anymore i'm the youngest of seven kids and I said I just can't be all in a market that's really good that's really good yeah they're they're great we've used to play some.

479

01:04:02.550 --> 01:04:12.060

Parish Planning Board: Well, when you when you look at him to transportation my when I the my boss at the job that when I got laid off when they moved to Georgia, he told me he says.

480

01:04:12.750 --> 01:04:21.060

Parish Planning Board: He says how much money you got I send that money is i'm Okay, it says go by yourself, he says about 16 passenger van he says, you were up there, he.

481

01:04:21.060 --> 01:04:28.860

Parish Planning Board: said he let it be known last guy he says you'll be making trips down to down into Pennsylvania, he says every day of the week, he says.

482

01:04:29.070 --> 01:04:30.870

Parish Planning Board: i'm a shrink the transport.

483

01:04:32.250 --> 01:04:32.880

Parish Planning Board: And he said.

484

01:04:33.390 --> 01:04:34.410

Diane Spaziani: there's big money.

485

01:04:35.550 --> 01:04:38.280

Diane Spaziani: yeah right right okay well think about that for the vision.

486

01:04:40.350 --> 01:04:44.070

Parish Planning Board: Absolutely yeah that's something we put him so all right.

487

01:04:46.590 --> 01:04:47.160

Parish Planning Board: Then we'll.

488

01:04:48.420 --> 01:04:49.350

Parish Planning Board: Work with us.

489

01:04:51.000 --> 01:04:53.820

Parish Planning Board: Your ideas in there, so we can get them for matt.

01:05:00.900 --> 01:05:01.290

492

01:05:02.550 --> 01:05:05.640

Parish Planning Board: I think phil's got a good idea that's the best way to do it.

01:05:08.820 --> 01:05:09.540

Parish Planning Board: Sherman is.

01:05:10.950 --> 01:05:11.670
