Mary Ann Phillips: I didn't.

128

00:17:04.080 --> 00:17:04.440

I didn't.

129

00:17:05.760 --> 00:17:11.820

Mary Ann Phillips: I will check that out, thank you and I will call control as well, but I got to get those copies of those first thank you appreciate that.

130

00:17:13.260 --> 00:17:19.350

Mary Ann Phillips: Okay, any other questions and this meeting appointments pages those three pages.

131

00:17:22.950 --> 00:17:24.720

Mary Ann Phillips: i'll entertain a motion to approve.

132

00:17:27.960 --> 00:17:30.330

Town of Parish: Oh, can I am one more thing.

133

00:17:32.340 --> 00:17:33.270

Town of Parish: On the assessor.

134

00:17:33.360 --> 00:17:34.530

On your resume yes.

135

00:17:35.880 --> 00:17:50.940

Town of Parish: Yes, um when you approve his resignation letter and make it make a resolution or agreement motion to advertise i'd like to take and see if it can be advertised starting tomorrow.

136

00:17:50.940 --> 00:17:51.150

Mary Ann Phillips: Can you.

137

00:17:51.810 --> 00:17:52.590

Town of Parish: guys do to the.

138

00:17:52.890 --> 00:17:54.150  
Town of Parish: yeah we can advertise it.

139  
00:17:54.270 --> 00:17:55.200  
Mary Ann Phillips: isn't possible.

140  
00:17:57.150 --> 00:17:57.900  
Town of Parish: yeah do the.

141  
00:18:00.300 --> 00:18:10.560  
Town of Parish: exemptions have to be in by March 1 it really wasn't a contract things I know we have some letters sent out, but not all of them and and work out, but we need somebody like as a.

142  
00:18:10.560 --> 00:18:26.700  
Mary Ann Phillips: flight and I got a couple of names and to put it on this state site, or something I can't remember what it's called I just got that the other day and i'll put it on there, as well as well as put it on our website i'll have Paul put it on our website and put it in the newspaper.

143  
00:18:27.120 --> 00:18:27.300  
Is.

144  
00:18:28.350 --> 00:18:28.470  
Town of Parish: I.

145  
00:18:28.920 --> 00:18:30.060  
Town of Parish: want to talk.

146  
00:18:31.200 --> 00:18:33.060  
Town of Parish: To Tom forecast advertising so.

147  
00:18:33.090 --> 00:18:42.180  
Mary Ann Phillips: I don't care, whoever that I don't rely on people to do my job, I guess, and unfortunately nothing's been advertised for me for the planning for the payroll clerk.

148  
00:18:42.240 --> 00:18:43.320  
Town of Parish: Or the bookkeeper.

149  
00:18:43.560 --> 00:18:53.910

Mary Ann Phillips: If the trunk were supposed to advertise for it, we did put it on a website, but, and I have called around but I haven't gotten anything back yet so, but we will do it as soon as possible, I agree.

150

00:18:56.640 --> 00:18:57.240

Town of Parish: After the book.

151

00:18:58.320 --> 00:19:01.980

Town of Parish: is only to the Supervisor to advertise it is the responsibility of the top.

152

00:19:02.610 --> 00:19:08.220

Mary Ann Phillips: I don't disagree with you, but I don't think that I don't get anything done for me so i'll make sure that it gets done.

153

00:19:08.430 --> 00:19:09.780

Mary Ann Phillips: The other thing I did want to share with.

154

00:19:10.410 --> 00:19:10.890

Mary Ann Phillips: i'm sorry.

155

00:19:16.440 --> 00:19:24.510

Mary Ann Phillips: i'm just telling you a fact The other thing i'm going to share with you is that Mister Mister last know said that he's officially resigning as.

156

00:19:24.570 --> 00:19:26.310

Mary Ann Phillips: The first of February, but it doesn't mean.

157

00:19:27.660 --> 00:19:28.890

Mary Ann Phillips: Gary I can't hear you.

158

00:19:30.150 --> 00:19:30.450

Mary Ann Phillips: Get.

159

00:19:33.150 --> 00:19:33.960

Town of Parish: Talking please.

160

00:19:34.170 --> 00:19:34.920

Mary Ann Phillips: Well finish.

161

00:19:35.400 --> 00:19:36.030

Mary Ann Phillips: Go ahead and.

162

00:19:37.350 --> 00:19:37.770

Mary Ann Phillips: Go ahead.

163

00:19:39.270 --> 00:19:55.710

Town of Parish: If we can advertise starting tomorrow with a stipulation that the assessor we want must be certified with experience and, as I required minimum of 20 hours a week to be put in at the town hall.

164

00:19:57.660 --> 00:20:04.680

Town of Parish: Those are the stipulations I as a Council Member would like to put into the advertisement for that position because.

165

00:20:05.130 --> 00:20:13.650

Town of Parish: somebody's working for \$20,000 a year to be here three hours a day one day a week is not sufficient, so we have the opportunity now.

166

00:20:14.190 --> 00:20:29.310

Town of Parish: To make some requirements which are not off the wall, but so that we know and for the type of the public of this town can know that we have an assessor here available at least 20 hours a week for seniors and anybody that might have some questions or need some out.

167

00:20:31.200 --> 00:20:32.910

Mary Ann Phillips: Are you doing agree with him he's he's been.

168

00:20:34.020 --> 00:20:44.430

Mary Ann Phillips: He well I don't know if I want to put the stipulations in the Ad because it may limit you to his stuff will apply I think when they come and talk to us about it, you can say, these are what we're requiring I have no problem that.

169

00:20:44.670 --> 00:20:49.350

Mary Ann Phillips: I don't know if you want to stipulate it in the end result um but.

170

00:20:50.790 --> 00:20:51.180

Mary Ann Phillips: Thank you.

171

00:20:51.210 --> 00:20:55.080

Mary Ann Phillips: Paul, because I can hear you a little bit better yes okay.

172

00:20:55.260 --> 00:20:57.630

Mary Ann Phillips: And then gear and Joe did see that.

173

00:21:00.360 --> 00:21:01.800

Mary Ann Phillips: Okay, I don't know what you said.

174

00:21:02.910 --> 00:21:03.180

Town of Parish: Okay.

175

00:21:08.280 --> 00:21:09.030

Mary Ann Phillips: I don't know what you said.

176

00:21:10.590 --> 00:21:11.670

Mary Ann Phillips: I don't know what you said.

177

00:21:13.530 --> 00:21:20.430

Town of Parish: Okay well i'll say this, I agreed with you said when they come in to interview that we can make stipulations that makes.

178

00:21:21.660 --> 00:21:32.640

Mary Ann Phillips: The specifics right and Joe did say that he's not going to physically leave February 1 he will be here to help us out until we find somebody if we choose to let him stay okay just wanted to show him.

179

00:21:35.580 --> 00:21:40.680

Town of Parish: According to public officers law, you might want to write this down section 31.

180

00:21:42.030 --> 00:21:47.100

Town of Parish: cents, the date and the time that he turned in his resignation letter to the county.

181

00:21:47.160 --> 00:21:47.970

To the town clerk.

182

00:21:49.020 --> 00:21:51.510

Town of Parish: Okay it's in 31 he has 30 days.

183

00:21:51.570 --> 00:21:53.580

Town of Parish: Section section 31.

184

00:21:54.630 --> 00:21:55.170

Mary Ann Phillips: survey.

185

00:21:56.310 --> 00:22:02.460

Town of Parish: He had 30 days after 30 days he's done he can stay here after 30 days.

186

00:22:03.630 --> 00:22:18.750

Town of Parish: And I told him that, when I talked to him on the phone and stuff but he has 30 days, he can take can quit anytime he wants from the time he submitted the letter to 30 days, but after 30 days on the 31st day he's gone Gary he's got what.

187

00:22:20.460 --> 00:22:35.490

Mary Ann Phillips: Are you listening listening hey Donna, if we can't find anybody to be our assessor after he leaves us until who knows when and he's willing to do to help the people out in this town, I am not telling him, he has to leave.

188

00:22:36.240 --> 00:22:39.570

Mary Ann Phillips: I don't care what the last part he's willing if he's willing to.

189

00:22:39.570 --> 00:22:40.590

Mary Ann Phillips: do to help us.

190

00:22:43.440 --> 00:22:51.540

Mary Ann Phillips: To help stop Gary stop if he's willing to help us and we don't have somebody will you expect the people to do.

191

00:22:52.260 --> 00:23:05.310

Town of Parish: What do you want the people to do and Bobby to obey the law we just can't run roll half gram they had worn out there for a reason it's not my choice it's a State law you're asking us to break the.

192

00:23:05.310 --> 00:23:12.030

Mary Ann Phillips: Law I didn't I don't think so well Okay, I guess we'll talk about it later okay I don't want to go anymore, and this one i'm back to.

193

00:23:12.330 --> 00:23:13.260

Mary Ann Phillips: The organization.

194

00:23:13.800 --> 00:23:15.270

Town of Parish: Again, sorry.

195

00:23:16.500 --> 00:23:17.970

Town of Parish: And you look it up.

196

00:23:18.600 --> 00:23:22.200

Mary Ann Phillips: I gotta reach out to La section 31.

197

00:23:23.970 --> 00:23:33.510

Mary Ann Phillips: Right up okay I got it I do, I have a motion to approve the meeting appointments as it stands on those three pages.

198

00:23:38.160 --> 00:23:39.390

Mary Ann Phillips: And I need a second.

199

00:23:43.980 --> 00:23:48.150

Town of Parish: So we make the motion or move on this or that means anything we're just constant is dead in the water right.

200

00:23:55.500 --> 00:23:59.460

Town of Parish: I know because I want to table it can we find out information about this.

201

00:24:00.510 --> 00:24:01.320

Mary Ann Phillips: i'll second up.

202

00:24:02.910 --> 00:24:04.710

Mary Ann Phillips: I need a roll call, please.

203

00:24:11.220 --> 00:24:11.670

Town of Parish: Yes.

204

00:24:19.020 --> 00:24:19.380

Town of Parish: No.

205

00:24:27.600 --> 00:24:28.200

Mary Ann Phillips: he's there.

206

00:24:29.250 --> 00:24:31.650

Mary Ann Phillips: he's yeah he's on this thing is on.

207

00:24:45.870 --> 00:24:46.050

Town of Parish: You.

208

00:24:51.930 --> 00:24:54.270

Mary Ann Phillips: Know it's gotta be heard by the people, I think.

209

00:25:13.980 --> 00:25:17.160

Mary Ann Phillips: can hear I can hear him through the phone, but not the computer.

210

00:25:18.960 --> 00:25:27.210

Town of Parish: All is working on it, I had asked to do that's, all I can do to do is log back into the session if somehow.

211

00:25:27.900 --> 00:25:29.940

Doug Jordan: Can you hear me now yes.

212

00:25:30.000 --> 00:25:30.480

he's there.

213

00:25:36.900 --> 00:25:39.060

Doug Jordan: yeah I can hear I just couldn't say anything.

214

00:25:42.900 --> 00:25:43.050

Town of Parish: I.

215

00:25:45.330 --> 00:25:45.660

Doug Jordan: know.

216

00:25:55.650 --> 00:25:56.220

Mary Ann Phillips: Yes.

217

00:25:59.670 --> 00:26:04.380

Mary Ann Phillips: The motion is defeated, if this is the way it's going to go, then we might just as well staff, the meeting.

218

00:26:05.190 --> 00:26:11.520

Mary Ann Phillips: If not we're not going to be approving anything tonight until you get more information and unfortunately I can't give you what you want tonight.

219

00:26:12.300 --> 00:26:21.570

Mary Ann Phillips: You might just as well forget the rest of the meeting, the other stuff has to be approved, but if you're choosing not to do first page i'm sure you're not going to do the second or third or fourth pages.

220

00:26:24.690 --> 00:26:27.900

Town of Parish: We can't just go ahead and agree with everything because he just want to get it.

221

00:26:27.900 --> 00:26:30.030

Town of Parish: Through that's the whole object of the meeting.

222

00:26:31.080 --> 00:26:31.830

What is it, what do you.

223

00:26:32.880 --> 00:26:34.680

Mary Ann Phillips: Do what do you not agree.

224

00:26:35.880 --> 00:26:38.370

Mary Ann Phillips: This is this, what do you not okay.

225

00:26:39.600 --> 00:26:46.050

Mary Ann Phillips: I don't know that i'll do any good to discuss it, but what is it what is your problem with the page with the pages, they should say the three page.

226

00:26:47.820 --> 00:26:48.660

Doug Jordan: With the faster.

227

00:26:49.440 --> 00:26:50.460

Mary Ann Phillips: With the one i'm sorry.

228

00:26:51.810 --> 00:26:53.280

Mary Ann Phillips: yeah the assessor.

229

00:26:54.900 --> 00:26:55.650

Mary Ann Phillips: Oh, you mean that.

230

00:26:58.500 --> 00:27:04.770

Town of Parish: No, you can't sit there and say that you can keep him after we need if you need to verify.

231

00:27:04.800 --> 00:27:05.460

Mary Ann Phillips: What I told.

232

00:27:05.520 --> 00:27:06.390

Mary Ann Phillips: I agree with you.

233

00:27:07.350 --> 00:27:21.450

Mary Ann Phillips: I agree with you Gary Okay, but if it's if there's any way possible, because we don't have anybody that we can let that you rule slide until we find somebody until he's done done whatever that means then i'm willing to do that for the ball is my point.

234

00:27:23.220 --> 00:27:26.670

Town of Parish: Right, but I don't know if there's an option there you're not me.

235

00:27:26.670 --> 00:27:31.020

Town of Parish: I would have to actually, what do you have to reapply be reappointed.

236

00:27:31.260 --> 00:27:48.450

Mary Ann Phillips: don't know I don't know right now we not resigning until February, where we were pointing him as of tonight January 14 to the to the position he has resigned you received his paperwork, as did I i'll have to check out call i've got a call Betsy i've got a call.

237

00:27:49.800 --> 00:28:01.920

Mary Ann Phillips: there's a couple of names I was given to call about the phone the assessors association I can't think of them and I asked that question, but my point is if we don't have somebody I can't in good conscience, see I can't.

238

00:28:03.360 --> 00:28:03.600

Doug Jordan: help.

239

00:28:03.780 --> 00:28:04.710

Mary Ann Phillips: to let them go if.

240

00:28:05.280 --> 00:28:12.780

Mary Ann Phillips: We don't have anybody to help the people that's what he's there for So hopefully we can find somebody but you know, have to wait and see.

241

00:28:15.480 --> 00:28:18.720

Town of Parish: Oh, how can you reviews now resignation letter.

242

00:28:19.200 --> 00:28:24.600

Mary Ann Phillips: know I accepted that we accepted as well, actually we don't accept it till next week, but we will accept up.

243

00:28:25.920 --> 00:28:29.220

Mary Ann Phillips: I didn't say that I wasn't going to accept his resignation.

244

00:28:29.640 --> 00:28:43.950

Mary Ann Phillips: And what I said was if we don't find somebody after he resigns to help us between then and when we do get somebody he would be more than willing to stay a little bit longer to help get the records and information done for people that's what i'm trying to tell you.

245

00:28:45.840 --> 00:28:51.900

Town of Parish: I know of a couple people that have expressed interest okay what they're waiting for yeah retires.

246

00:28:52.770 --> 00:28:53.280

Doug Jordan: Okay, so.

247

00:28:56.790 --> 00:29:01.080

Mary Ann Phillips: Okay, wait a minute Paul Paul baxter are you there, yes.

248

00:29:02.220 --> 00:29:17.160

Mary Ann Phillips: taking notes is there is there a way that we see I lose my picture I don't know where yeah is there a way that we could allow an advertisement prior to our accepting his resignation at the next meeting, or do we have to wait to we accept his resignation.

249

00:29:18.750 --> 00:29:21.420

Town of Parish: Already boarded already accepted his resignation.

250

00:29:22.860 --> 00:29:33.240

Mary Ann Phillips: Well, we we looked at it in exactly in December we just got it officially through the town clerk this week, so I think officially, we have to do it at the meeting.

251

00:29:34.440 --> 00:29:37.860

Mary Ann Phillips: Can we advertise prior to officially accepting that.

252

00:29:38.820 --> 00:29:48.780

Town of Parish: I think it's really simple you just you're just shirt  
shirt the resignation letter with media and and to date in January six,  
though I wouldn't suggest you do is you can.

253

00:29:49.260 --> 00:30:01.320

Town of Parish: You can certainly advertise it before officially receive  
it, because you know if somebody resigned as they can just stop doing  
what they've been doing, and you know they're done yeah.

254

00:30:02.160 --> 00:30:12.360

Town of Parish: I think what I would bring this is to to both of your  
points, since the data on the letter is January, six and seven says Gary  
says it's effective.

255

00:30:12.720 --> 00:30:28.800

Town of Parish: or no longer than 30 days after that make the appointment  
tonight it's basically nullified by his letter, and then the action you  
take on it by the end of the month, but you know you've got them now  
appointed and legal through the end of the month, or through the summer.

256

00:30:29.040 --> 00:30:36.870

Town of Parish: Was ecstatic right, then you can you don't have to wait  
until next board meeting to place an ad for.

257

00:30:38.610 --> 00:30:49.680

Town of Parish: placement, because you know he wants to resign I don't  
think his intention is anything other than that or that he can be talked  
out of it, so you might have years in motion to get him get him replaced.

258

00:30:49.740 --> 00:30:50.550

So if we.

259

00:30:52.080 --> 00:31:06.360

Town of Parish: make them make the appointment, hopefully that's  
agreeable to everybody, with the understanding that he's good for 30 days  
January 6 and get get things under underway with with appetite Okay, is  
that there were.

260

00:31:09.000 --> 00:31:09.840

Doug Jordan: 30 days.

261

00:31:13.980 --> 00:31:19.500

Town of Parish: Only through February 1 oh yeah you don't even have to worry about the 30 days, and then they only you only.

262

00:31:20.790 --> 00:31:22.770

Town of Parish: In February 1 so.

Mary Ann Phillips: But now, as long as they're there, even though the full board is there they're still going to get \$20 per meeting attended.

319

00:37:28.710 --> 00:37:32.760

Mary Ann Phillips: that's that one is there any question as those.

320

00:37:38.520 --> 00:37:38.910

Mary Ann Phillips: i'm sorry.

321

00:37:39.930 --> 00:37:42.120

Town of Parish: You can you explain more about.

322

00:37:43.770 --> 00:37:46.410

Town of Parish: appointed members attending meetings.

323

00:37:47.040 --> 00:37:57.210

Mary Ann Phillips: They sign in the chairperson has a sheet that I give them that everybody signs in when they come and if they don't sign as a few that she refused to sign it just draw a line.

324

00:37:57.930 --> 00:38:06.600

Mary Ann Phillips: The planning board chair, or I shouldn't say playing board with the chairman verifies who's there by signing the paperwork puts it in my mailbox and that's who gets paid.

325

00:38:07.740 --> 00:38:08.220

Mary Ann Phillips: As long as.

326

00:38:09.900 --> 00:38:17.250

Mary Ann Phillips: The meeting they don't get paid they're also going to have to add now the alternate if they're there again they'll have to sign in same thing.

327

00:38:22.950 --> 00:38:23.760

Doug Jordan: This is the.

328

00:38:23.970 --> 00:38:25.650

Mary Ann Phillips: way payroll I.

329

00:38:26.250 --> 00:38:27.390

Mary Ann Phillips: supposed to be done.

330

00:38:28.530 --> 00:38:29.190

Mary Ann Phillips: And we've been doing.

331

00:38:30.570 --> 00:38:31.050

Doug Jordan: Fine.

332

00:38:33.420 --> 00:38:35.160

Doug Jordan: Town board approve it or.

333

00:38:36.450 --> 00:38:38.340

Doug Jordan: You just made it happens on your own.

334

00:38:39.510 --> 00:38:42.270

Mary Ann Phillips: I think the payroll department, I went through this with them.

335

00:38:46.920 --> 00:38:56.430

Mary Ann Phillips: Capital is thank you and that's the way it's supposed to be handled they sign it, and then, if I sign it as the supervisor just because i'm the supervisor oh I.

336

00:38:56.430 --> 00:39:03.570

Doug Jordan: understand what you're saying sorry i'm saying paying a bird meeting if they don't pay they don't show up they don't get paid, who made that decision.

337

00:39:05.820 --> 00:39:08.820

Mary Ann Phillips: I guess I did as far as the payroll.

338

00:39:15.510 --> 00:39:16.920

Doug Jordan: I would hope that the Board is going.

339

00:39:16.920 --> 00:39:19.200

Mary Ann Phillips: To follow what the controller suggested.

340

00:39:20.310 --> 00:39:26.130

Mary Ann Phillips: But it's been going this way that way this year Doug if you don't show up if you don't come to work.

341

00:39:26.730 --> 00:39:28.380

Doug Jordan: To do the thing you don't get paid.

342

00:39:28.440 --> 00:39:38.730

Mary Ann Phillips: If you're there you get paid we don't do sickly we don't do vacation time because these are only part time positions if they come to work they get paid if they don't come to work they don't get paid.

343

00:39:47.430 --> 00:39:50.040

Mary Ann Phillips: nobody's whispering hello, I can't hear you.

344

00:39:53.760 --> 00:39:57.180

Mary Ann Phillips: guys there because I lost my picture again.

345

00:39:58.440 --> 00:40:01.230

Mary Ann Phillips: some reason, when Doug talks my picture goes blank.

346

00:40:04.380 --> 00:40:06.120

Mary Ann Phillips: There yeah okay sorry.

347

00:40:11.280 --> 00:40:16.740

Mary Ann Phillips: Any questions on the wait a minute, the administrative salaries, if the wrong page here.

348

00:40:18.390 --> 00:40:20.700

Mary Ann Phillips: If not i'll entertain a motion to approve.

349

00:40:21.690 --> 00:40:24.750

Town of Parish: Oh, I have an opinion oh man.

350

00:40:27.150 --> 00:40:30.060

Mary Ann Phillips: I have an opinion, I like to throw out there.

351

00:40:33.330 --> 00:40:38.490

Town of Parish: I think my analysis just my opinion like to know, again, your feedback on the board.

352

00:40:41.250 --> 00:40:42.600

Town of Parish: I think if you're appointed.

353

00:40:43.620 --> 00:40:44.100

Town of Parish: Member.

354

00:40:45.300 --> 00:40:48.180

Town of Parish: Whether you are permitted or elected in your honest salary.

355

00:40:49.260 --> 00:40:50.850

Town of Parish: I don't think it's fair.

356

00:40:51.930 --> 00:40:59.730

Town of Parish: In my opinion, that the board can set their weekend as Council members and take days off or go.

357

00:41:01.980 --> 00:41:07.560

Town of Parish: places for a couple months or this or that and continue to get paid and collect a salary.

358

00:41:08.670 --> 00:41:27.930

Town of Parish: When if somebody is its appointed Member around a born might have a reason legitimate reason I think good make a meeting and be penalized for their payment I think if we're going to do for our elected officials should be fair and even when appointed officials.

359

00:41:28.500 --> 00:41:32.820

Mary Ann Phillips: elected officials by law get their salary, whether they show up or don't.

360

00:41:33.120 --> 00:41:45.810

Mary Ann Phillips: that's law I can't change that because i'll tell you what, if I had my way I do the same thing if you don't show up for the meeting you don't get paid, but by law, they have to be paid elected officials appointed no.

361

00:41:46.710 --> 00:41:50.580

Town of Parish: I understand that i'm not asking you to change the elected officials position.

362

00:41:50.640 --> 00:41:50.880

Town of Parish: So.

363

00:41:50.940 --> 00:41:51.300

We could.

364

00:41:52.860 --> 00:41:58.650

Town of Parish: Have the authority like right now to make that same law or same.

365

00:41:59.850 --> 00:42:02.490

Town of Parish: respect to the appointed members.

366

00:42:03.960 --> 00:42:04.620

Town of Parish: You know, and I think.

367

00:42:05.490 --> 00:42:13.110

Doug Jordan: that's what i'm saying it's a isn't a board decision and not just supervisors decision Oliver went down.

368

00:42:14.970 --> 00:42:18.000

Town of Parish: Oh yeah for the appointment yes right.

369

00:42:19.140 --> 00:42:21.630

Doug Jordan: I don't remember the board ever doing it that way.

370

00:42:22.650 --> 00:42:24.330

Mary Ann Phillips: You did it this past year for the whole.

371

00:42:24.330 --> 00:42:26.910

Mary Ann Phillips: year we didn't do it the first year because.

372

00:42:27.990 --> 00:42:31.770

Mary Ann Phillips: We didn't have that information from the controller's office so.

373

00:42:33.180 --> 00:42:34.320

I think I should go back.

374

00:42:35.580 --> 00:42:44.640

Mary Ann Phillips: When people are paid for doing a job and that's what we're trying to do is follow the guidelines are and we did it this past year.

375

00:42:48.060 --> 00:43:02.580

Doug Jordan: I think it should go back to go like it used to be just like Gary said, you know you pay a salary they get paid something might come up they can't make it but they might go make another class somewhere and they would still, it is still washing out.

376

00:43:07.830 --> 00:43:15.180

Mary Ann Phillips: You do know that in other towns and villages that people volunteer for these positions and they're not paid positions you do know that right.

377

00:43:18.300 --> 00:43:20.040

Mary Ann Phillips: I lost my screen go ahead i'm sorry.

378

00:43:22.020 --> 00:43:24.330

Town of Parish: But this is parish or not another time.

379

00:43:25.050 --> 00:43:27.900

Mary Ann Phillips: yeah and Chris is not as rich as a lot of others Gary.

380

00:43:28.470 --> 00:43:31.170

Mary Ann Phillips: We don't have a lot of other talents to go ahead.

381

00:43:33.540 --> 00:43:35.880

Town of Parish: But we're not a follow the Leader Tom you.

382

00:43:35.940 --> 00:43:37.920

Mary Ann Phillips: Will not tell him oh i'm sorry.

383

00:43:39.510 --> 00:43:53.460

Town of Parish: So the LEADER I mean we have to make our own decisions I didn't run to be councilmen about mar williamstown or anyplace else I run to be councilman a Parish and this affects my colleagues and the people in this town so.

384

00:43:53.490 --> 00:43:54.270

Mary Ann Phillips: you're supposed to be.

385

00:43:56.070 --> 00:43:57.570

Mary Ann Phillips: you're supposed to me matter we bring.

386

00:43:58.020 --> 00:43:59.910

Mary Ann Phillips: In how it's meant for the town for the.

387

00:43:59.910 --> 00:44:01.230

Mary Ann Phillips: Town community.

388

00:44:02.430 --> 00:44:04.050

Mary Ann Phillips: How it's being spent, can we.

389

00:44:05.460 --> 00:44:12.930

Town of Parish: Can we settle this just to emotion to see who would like to go with this and watch them to be paid salary regardless.

390

00:44:13.020 --> 00:44:14.220

Mary Ann Phillips: I don't know that it's the boards.

391

00:44:14.790 --> 00:44:15.810

Mary Ann Phillips: And that's my point.

392

00:44:20.820 --> 00:44:22.290

Doug Jordan: it's the supervisors, because the.

393

00:44:22.290 --> 00:44:23.280

supervisor.

394

00:44:24.870 --> 00:44:26.550

Doug Jordan: or whatever my title is all.

395

00:44:28.260 --> 00:44:31.320

Doug Jordan: Right, yes, agree with that one I think it's a bold decision.

396

00:44:31.680 --> 00:44:33.150

Doug Jordan: Well, you disagree with everything.

397

00:44:33.150 --> 00:44:44.790

Mary Ann Phillips: Doc so it doesn't much matter, but I will tell you i'll call the control is again and again ask the question I can't get you guys pictures back because I lost it um but.

398

00:44:46.800 --> 00:44:58.320

Mary Ann Phillips: This is getting a little bit monotonous here we're going to do this for the rest of the meetings, then, then why don't you just say don't approve anything or approve everything the way it is and end the meeting because i'm getting tired of this.

399

00:44:59.340 --> 00:44:59.820

Doug Jordan: Patient.

400

00:45:00.900 --> 00:45:01.590

Doug Jordan: patience.

401

00:45:01.980 --> 00:45:03.270

Mary Ann Phillips: You have any idea what.

402

00:45:03.270 --> 00:45:05.910

Mary Ann Phillips: work you have stuck me with by what you did.

403

00:45:06.330 --> 00:45:06.540

When.

404

00:45:07.680 --> 00:45:08.760

Doug Jordan: You don't know.

405

00:45:09.390 --> 00:45:09.960

Doug Jordan: i'm sorry.

406

00:45:11.550 --> 00:45:11.970

Mary Ann Phillips: We didn't.

407

00:45:12.000 --> 00:45:12.570

Doug Jordan: know nothing.

408

00:45:12.660 --> 00:45:15.450

Mary Ann Phillips: She did it to me because of you, but when I go in there.

409

00:45:15.570 --> 00:45:16.620

Mary Ann Phillips: i'm just telling you i'm.

410

00:45:16.650 --> 00:45:18.060

Mary Ann Phillips: Over all this.

411

00:45:18.390 --> 00:45:24.090

Mary Ann Phillips: Work i've got w tues I gotta get out and you don't want to know I don't even want to talk about it so.

412

00:45:24.660 --> 00:45:27.420

Doug Jordan: payroll company or that problem, no.

413

00:45:27.480 --> 00:45:31.320

Mary Ann Phillips: yeah I don't have a problem with it, if they come in and use wins and losses, we.

414

00:45:31.320 --> 00:45:31.980

Mary Ann Phillips: pay, though.

415

00:45:33.540 --> 00:45:34.740

Doug Jordan: We wouldn't have money.

416

00:45:34.800 --> 00:45:37.500

Mary Ann Phillips: Yes, we spent the money, and now you don't want to take advantage.

417

00:45:42.480 --> 00:45:44.460

Doug Jordan: Of payroll company i'm sure they don't get much.

418

00:45:49.500 --> 00:45:50.550

Mary Ann Phillips: More than that i'm not.

419

00:45:50.550 --> 00:45:51.480

Mary Ann Phillips: going there Doug.

420

00:45:52.560 --> 00:45:53.610

Mary Ann Phillips: not going there.

421

00:45:56.250 --> 00:45:57.450

Doug Jordan: Have any do you have.

422

00:45:59.880 --> 00:46:01.590

Mary Ann Phillips: To approve any of the administrative.

423

00:46:01.590 --> 00:46:02.280

Town of Parish: salaries.

424

00:46:02.940 --> 00:46:03.360

that's my.

425

00:46:04.710 --> 00:46:05.640

Mary Ann Phillips: weight say it again.

426

00:46:06.780 --> 00:46:08.370

Mary Ann Phillips: yeah Gary Andrea.

427

00:46:09.330 --> 00:46:10.620

Town of Parish: I can't hear you can you please.

428

00:46:11.820 --> 00:46:12.510

Mary Ann Phillips: yeah go ahead.

429

00:46:13.140 --> 00:46:15.180

Town of Parish: Can I can I say something.

430

00:46:15.870 --> 00:46:16.500

Mary Ann Phillips: Yes, okay.

431

00:46:17.730 --> 00:46:19.890

Town of Parish: appointed positions and uptown.

432

00:46:20.910 --> 00:46:22.440

Town of Parish: Are doesn't work.

433

00:46:23.550 --> 00:46:32.370

Town of Parish: Yet mount that they get paid a salary in which they get paid and how they get paid is dependent, is it is the board's decision.

434

00:46:33.120 --> 00:46:43.350

Town of Parish: So what i'm saying is what was suggested i'm here get back to the topics what was suggested on here about attendance or not attendance okay.

435

00:46:44.070 --> 00:46:56.490

Town of Parish: i'm voting for non attendance and, like to make a motion to get at least a vote, so we can settle this up or down to keep it as a salary or keep it as a pay on attendance.

436

00:47:00.780 --> 00:47:03.390

Town of Parish: Which one we got two motions.

437

00:47:10.530 --> 00:47:13.590

Town of Parish: Right just a salary pay period.

438

00:47:22.290 --> 00:47:27.810

Mary Ann Phillips: Excuse me, excuse me, the discussion is be taught counselors and the Supervisor.

439

00:47:28.080 --> 00:47:29.670

Mary Ann Phillips: Go ahead what Gary.

440

00:47:29.700 --> 00:47:31.530

Town of Parish: Did you hear started many times.

441

00:47:31.620 --> 00:47:32.160

Mary Ann Phillips: I didn't hear.

442

00:47:32.190 --> 00:47:32.460

Town of Parish: What.

443

00:47:33.270 --> 00:47:35.190

Mary Ann Phillips: I just heard i'm glad.

444

00:47:35.850 --> 00:47:44.220

Town of Parish: You have a problem with somebody that's like missing a lot of meetings or something that would be reason for the chairman of that department.

445

00:47:44.910 --> 00:48:01.230

Town of Parish: To bring it to the board, and then, yes, we go into executive session to discuss the problem, but as an overall blanket problem, I think it should be by like Doug and I just motion dannon of salary period regardless, so I think we need to vote.

446

00:48:01.920 --> 00:48:03.300

Mary Ann Phillips: Okay, so what's your motion.

447

00:48:07.950 --> 00:48:08.730

Mary Ann Phillips: dog stop.

448

00:48:09.000 --> 00:48:11.040

Mary Ann Phillips: I need to hear Gary what's your motion Gary.

449

00:48:13.080 --> 00:48:19.320

Town of Parish: To accept a salary payment for appointed members, regardless of habits.

450

00:48:30.690 --> 00:48:31.650

Town of Parish: ready to roll call.

451

00:48:31.830 --> 00:48:33.750

Mary Ann Phillips: Okay, when you met Gary made the motion I need a.

452

00:48:33.750 --> 00:48:34.290

Second.

453

00:48:36.840 --> 00:48:37.560

Doug Jordan: Okay Doug.

454

00:48:37.620 --> 00:48:38.790

Mary Ann Phillips: Welcome, please.

455

00:48:42.420 --> 00:48:42.870

Yes.

456

00:48:47.490 --> 00:48:47.940

Yes.

457

00:48:56.460 --> 00:48:56.940

Mary Ann Phillips: know.

458

00:48:59.490 --> 00:49:03.330

Mary Ann Phillips: And I will check with control is because, if that is wrong i'll come back to you.

459

00:49:05.400 --> 00:49:11.160

Mary Ann Phillips: Okay Okay, so I did, does that mean you've approved the administrative salary sheet.

460

00:49:11.760 --> 00:49:12.210

Or is that.

461

00:49:13.290 --> 00:49:16.020

Mary Ann Phillips: made this motion to take out that bottom line.

462

00:49:21.210 --> 00:49:23.250

Town of Parish: What did you vote gosh he didn't hear your voice.

463

00:49:23.250 --> 00:49:25.050

Mary Ann Phillips: said no.

464

00:49:26.100 --> 00:49:27.150

Mary Ann Phillips: I said no, no.

465

00:49:28.980 --> 00:49:29.220

yeah.

466

00:49:30.450 --> 00:49:37.350

Mary Ann Phillips: So does that mean that you approved the administrative salaries sheet, or just that you approve taking their bottom line out.

467

00:49:39.780 --> 00:49:40.650

Town of Parish: About line oh.

468

00:49:41.850 --> 00:49:43.680

Mary Ann Phillips: OK, then I need a motion to approve the.

469

00:49:43.680 --> 00:49:45.330

Mary Ann Phillips: Administrative salaries sheet.

470

00:49:48.090 --> 00:49:49.530

With somebody else's a concern.

471

00:49:53.130 --> 00:49:54.360

Mary Ann Phillips: I need a motion.

472

00:49:58.050 --> 00:49:59.400

Mary Ann Phillips: roll call vote, please.

473

00:50:02.790 --> 00:50:03.060

Town of Parish: Good.

474

00:50:08.250 --> 00:50:08.640

Yes.

475

00:50:11.700 --> 00:50:12.120

Yes.

476

00:50:19.920 --> 00:50:23.190

Mary Ann Phillips: Yes, Okay, thank you that's number two.

477

00:50:24.600 --> 00:50:25.320

Mary Ann Phillips: Number three.

478

00:50:26.520 --> 00:50:30.930

Mary Ann Phillips: Please wait salary for 2021 employee way salary.

479

00:50:32.550 --> 00:50:50.280

Mary Ann Phillips: This is all for 2021 position motor equipment operator gets \$23 these are per hour an hour for our Labor permanent for part time which we don't have a, but we have to, we have to list it anyways it's in the contract what what happened.

480

00:50:51.780 --> 00:50:52.110

Mary Ann Phillips: You.

481

00:50:53.040 --> 00:50:53.310

Mary Ann Phillips: know.

482

00:50:53.400 --> 00:50:55.770

This was the contract right.

483

00:50:57.150 --> 00:50:59.580

Mary Ann Phillips: yeah yeah holiday last year.

484

00:51:00.750 --> 00:51:01.080

Okay.

485

00:51:05.190 --> 00:51:22.380

Mary Ann Phillips: There okay gotcha Okay, yes, those two are in the contract, so the next one seasonal motor equipment operator is \$16 an hour we raised it from 15 to 16 up to eight hours per day overtime overtime would be after eight hours per day.

486

00:51:23.670 --> 00:51:33.870

Mary Ann Phillips: i'm chief fire warden is \$20 an hour for your warden is \$18 an hour Constable we that's new we raised it to this year is \$20 an hour.

487

00:51:34.470 --> 00:51:45.510

Mary Ann Phillips: deputy code enforcement, excuse me officer is \$18 an hour senior wing operators \$14 an hour confidential secretaries \$14 an hour, not to exceed the stipend.

488

00:51:46.110 --> 00:51:57.600

Mary Ann Phillips: wing operator is \$13 an hour that's the new guys part time deputy tell clerk is \$13 if she wants, at the same as last year, not to exceed the stipend.

489

00:51:58.110 --> 00:52:08.520

Mary Ann Phillips: I forgot to put part time deputy tax collectors 1250 an hour, not to exceed the stipend all of my time clerks minute takers at 1250 an hour.

490

00:52:09.150 --> 00:52:13.260

Mary Ann Phillips: Mark superintendent is 1250 and our Temporary employees.

491

00:52:13.860 --> 00:52:22.590

Mary Ann Phillips: We don't really have these but, just in case we do well 50 an hour I raised everybody, I think you guys want me to put everybody at minimum wage, and this year minimum wage is 1250.

492

00:52:23.370 --> 00:52:35.940

Mary Ann Phillips: Okay geographic systems officer is a volunteer and a youth representative as an all volunteer part time Cork minute takers for either cva or bark or 1215 our natural.

493

00:52:36.390 --> 00:52:48.480

Mary Ann Phillips: exceed the maximum and that's wrong, it was 50 we raised it to 200 because remember we said there might be more meetings so it can't go over 200 so change that on your paper I made that mistake I didn't catch it till later.

494

00:52:49.980 --> 00:53:03.390

Mary Ann Phillips: So there should be 200 down at the bottom Max unless additional meetings are required over that that's, just in case as EPA has to meet a lot more than they normally do, and I think they meet like twice a year if they asked so.

495

00:53:06.780 --> 00:53:16.320

Doug Jordan: summit or 15 minimum wage and then like the confidence, a secretary you got a 14 why don't you put that at minimum wage, because that's what I want to pay her for.

496

00:53:17.820 --> 00:53:18.300  
Mary Ann Phillips: The same as.

497  
00:53:18.480 --> 00:53:23.790  
Doug Jordan: We control what you get paid right as the borders of your decision it's the same as last year, you.

498  
00:53:23.790 --> 00:53:33.720  
Mary Ann Phillips: already approved stipend so the stipend as a certain amount it cannot exceed that so I can pay her the \$14 an hour, as the pay as the.

499  
00:53:34.320 --> 00:53:35.430  
Doug Jordan: Town clerk one oh.

500  
00:53:38.220 --> 00:53:40.140  
Mary Ann Phillips: Well that's just because you have a problem with who it.

501  
00:53:40.410 --> 00:53:42.300  
Doug Jordan: Is but we'll go there yeah.

502  
00:53:42.540 --> 00:53:43.350  
Mary Ann Phillips: And then the.

503  
00:53:44.220 --> 00:53:49.680  
Mary Ann Phillips: Town clerk wants her deputies, I think, and I didn't ask her Kelly, do you still want them to be 13.

504  
00:53:51.720 --> 00:54:01.500  
Mary Ann Phillips: Is she there yeah yes Okay, because I forgot to answer I forgot to ask her that when I asked about the people OK OK.

505  
00:54:03.420 --> 00:54:06.900  
Town of Parish: Take all the word minute taker there's no such title was.

506  
00:54:08.310 --> 00:54:10.410  
Doug Jordan: Like kind of girl, and I talked to.

507  
00:54:10.950 --> 00:54:17.190  
Mary Ann Phillips: As we go because they didn't know what to call them because that's what they do the nast secretaries and the nap.

508

00:54:17.580 --> 00:54:30.750

Mary Ann Phillips: clerks per se, because they all they do at those meetings is take the Minutes so she said to call them that and that's the reason that's the only reason I put that in there, so I could try to clarify it's just like control is want the bookkeeper to be called.

509

00:54:32.220 --> 00:54:47.760

Mary Ann Phillips: director of finance and in Oswego civil service doesn't have a direct finance it's a bookkeeper, so I think on that sheet, I put both titles down try to keep everybody happy we know what it is it's just it's called something different by whichever department you're talking to.

510

00:54:50.430 --> 00:54:54.750

Mary Ann Phillips: So I can take it out as long as you know what i'm talking about, but I did it just so that we knew for.

511

00:54:54.750 --> 00:54:58.680

Mary Ann Phillips: Sure, we were referring to go ahead i'm sorry somebody was saying something.

512

00:54:59.820 --> 00:55:00.390

No.

513

00:55:03.720 --> 00:55:05.910

quarter for tax collector.

514

00:55:07.740 --> 00:55:09.000

Town of Parish: is supposed to be salary.

515

00:55:11.370 --> 00:55:23.490

Mary Ann Phillips: The Deputy tax collectors should be the same as the other deputies throughout like the deputy town clerk's and the deputy court clerks they we have a salary set what they're paid per hour for what they do so, I.

516

00:55:23.940 --> 00:55:31.890

Mary Ann Phillips: Look, that one up, and it should be the same, and just try to make it the same as all the other deputies that we have they're all part time and they're all.

517

00:55:34.860 --> 00:55:35.820

Doug Jordan: paid by the hour.

518

00:55:35.880 --> 00:55:36.300

i'm sorry.

519

00:55:37.950 --> 00:55:44.100

Doug Jordan: Just to pay the salary was set and then someone keeping track of time, not if they don't use all the.

520

00:55:44.100 --> 00:55:45.120

Mary Ann Phillips: salary up know.

521

00:55:46.350 --> 00:55:48.600

Doug Jordan: You obviously don't know about taking taxes and then.

522

00:55:49.710 --> 00:55:50.760

Doug Jordan: Taking taxes in.

523

00:55:52.020 --> 00:55:53.340

Mary Ann Phillips: Texas is January through.

524

00:55:53.370 --> 00:55:53.790

April.

525

00:55:54.810 --> 00:55:55.620

Mary Ann Phillips: that's when I know.

526

00:55:56.820 --> 00:55:57.900

Town of Parish: So okay.

527

00:56:02.580 --> 00:56:03.120

I can't.

528

00:56:04.440 --> 00:56:06.030

Mary Ann Phillips: I can't hear you guys so.

529

00:56:09.960 --> 00:56:10.470

Mary Ann Phillips: Hello.

Town of Parish: Go ahead Oh, you know what's funny man.

533  
00:56:18.960 --> 00:56:19.740  
Mary Ann Phillips: I can't hear you.

00:56:21.090 --> 00:56:24.570  
Town of Parish: What we all got we can fight for itself isn't that amazing.

535  
00:56:24.900 --> 00:56:25.620  
Mary Ann Phillips: I appreciate.

536  
00:56:26.880 --> 00:56:28.620  
Town of Parish: When he tells us nothing we.

537  
00:56:28.920 --> 00:56:42.270  
Town of Parish: ourselves, please refrain from telling us that we are puppets and being told what to say by the Clerk or Kevin or anybody else i'm 61 years I think for my tell.

Mary Ann Phillips: pharaoh do I.

539  
00:56:46.290 --> 00:56:46.830

540  
00:56:48.630 --> 00:56:51.090  
Mary Ann Phillips: So don't start Gary I know what I see.

00:56:51.390 --> 00:56:59.580  
Mary Ann Phillips: But anyways go ahead, I we working on this problem with this one, or why are we going with the employee wage schedule for 2021.

542  
00:57:00.060 --> 00:57:01.890  
Mary Ann Phillips: Wait go ahead, yes, there.

543  
00:57:02.340 --> 00:57:09.570

551

00:57:27.510 --> 00:57:28.110

00:57:28.260 --> 00:57:32.700

Mary Ann Phillips: Please do me a favor see it one more time because I didn't get the 1500 but I didn't get what you said.

553

00:57:34.740 --> 00:57:39.000

Town of Parish: it's a salary paid position, and there is no one time every quarter.

554

00:57:39.450 --> 00:57:40.770

Mary Ann Phillips: wow time.

555

00:57:41.790 --> 00:57:43.380

Mary Ann Phillips: position okay I got one.

556

00:57:44.790 --> 00:57:49.050

Mary Ann Phillips: I got it and you and Doug second of that I need any other discussion.

557

00:57:50.220 --> 00:57:52.050

Mary Ann Phillips: I need a roll call vote, please.

558

00:57:54.690 --> 00:57:55.260

Yes.

559

00:57:56.490 --> 00:57:57.030

Yes.

560

00:57:58.560 --> 00:57:58.950

Doug Jordan: Yes.

561

00:58:02.640 --> 00:58:03.180

Mary Ann Phillips: No.

562

00:58:05.400 --> 00:58:18.330

Mary Ann Phillips: Okay, that took care of that one piece, now the rest of this are you okay with what's on there or Do I need I need a motion to approve the employs wage schedule.

563

00:58:20.460 --> 00:58:22.050

Mary Ann Phillips: And I keep losing your picture, but.

564

00:58:23.520 --> 00:58:25.110

Mary Ann Phillips: I don't know what i'm doing i'm not doing.

565

00:58:25.110 --> 00:58:25.590

anything.

566

00:58:28.080 --> 00:58:29.040

Mary Ann Phillips: I need emotion.

567

00:58:31.200 --> 00:58:33.240

Town of Parish: I got a question before we make a motion.

568

00:58:33.660 --> 00:58:38.730

Town of Parish: yeah i'm park park superintendent and temporary employee.

569

00:58:39.960 --> 00:58:41.160

Mary Ann Phillips: I just got a question for.

570

00:58:42.120 --> 00:58:51.540

Town of Parish: Do you think, in the summer, when it's hot and it's everything and stuff do you think anybody's gonna be willing to do that for 1215 hours a week.

571

00:58:52.770 --> 00:58:54.420

Town of Parish: Or should we have increased fact that.

572

00:58:57.420 --> 00:58:57.960

Doug Jordan: We have.

573

00:58:58.380 --> 00:59:08.160

Mary Ann Phillips: This past year we didn't have anybody do it because the highway guys did the year before we had a part time person, and that was Mr wizard and he did it for.

574

00:59:09.840 --> 00:59:23.940

Mary Ann Phillips: He did it for whatever minimum wage wasn't it wasn't 1250 I can't tell you what it was i'd have to look up the records, but yeah there's people that are willing to do because it's not a full it's not 40 hours a week it's no more than 20 hours a week, that they can work.

575

00:59:25.830 --> 00:59:30.150

Mary Ann Phillips: Either I don't see any reason why they wouldn't but that's me do you think.

576

00:59:30.900 --> 00:59:34.830

Town of Parish: You think we would have somebody do you think somebody said yeah they say no way.

577

00:59:35.580 --> 00:59:48.750

Mary Ann Phillips: he's had in the past we've had where we were able to hire some you know, like younger kids high school kids that if you know they're if they wanted to work for the solar that they would be willing to do what we've had adults do what but.

578

00:59:48.900 --> 00:59:52.830

Mary Ann Phillips: I don't think that you would have a problem with it, but it is correct i'm sorry.

579

00:59:53.700 --> 00:59:58.410

Town of Parish: Are they using our corporate data using the town's equipment, yes yeah.

580

00:59:58.530 --> 01:00:03.720

Mary Ann Phillips: I lower car weed eater whatever that we have to you have it's our equipment yep.

581

01:00:05.070 --> 01:00:11.070

Mary Ann Phillips: Okay, we put the gas in you know that type of a thing so it's all it's all the highway departments on stuff.

582

01:00:12.090 --> 01:00:13.020

Town of Parish: Like another question.

583

01:00:13.770 --> 01:00:14.010

yeah.

584

01:00:15.510 --> 01:00:23.250

Town of Parish: What can we do this, and if we can get nobody to do it, can we change that down the road yeah.

585

01:00:24.030 --> 01:00:24.930

Mary Ann Phillips: No he's away, maybe.

586

01:00:26.760 --> 01:00:27.510

Mary Ann Phillips: Wait say again.

587

01:00:28.740 --> 01:00:36.810

Town of Parish: If somebody comes in and says i'll do it, but i'll do it for 1350 or something can we make that adjustment down the road, or is this install.

588

01:00:37.470 --> 01:00:47.460

Mary Ann Phillips: As long as i'm Craig has enough in his account there's there's no reason not to or us wait, the park might be ours as long as we have enough money in the account that should be no problem.

589

01:00:48.570 --> 01:01:00.120

Mary Ann Phillips: Because there's going to be weeks that if it rains all week they can't do anything you know type thing rather than clean the

bathrooms and that type of thing, so it might it might work, but I don't think there would be a problem, but.

590

01:01:01.440 --> 01:01:09.150

Mary Ann Phillips: i'm not a lawyer so i'm not I don't think there would be a problem, but we didn't do anybody we didn't use anybody last year we just had the highway guys do it.

591

01:01:10.350 --> 01:01:13.230

Mary Ann Phillips: So they did their part and took care of it so.

592

01:01:14.730 --> 01:01:20.490

Town of Parish: These are people going to be available to maintain the cemeteries can always add some time you.

593

01:01:21.480 --> 01:01:32.460

Mary Ann Phillips: Know that's the highway guys and we put money in the accounts this year again, specifically for some momentary work that's in the account that's not highway so we did put that in in the budget.

594

01:01:35.190 --> 01:01:43.440

Mary Ann Phillips: And same with the park the park and I apologize, I said Craig but it's the the park is in the budget so it's we did put money in there.

595

01:01:50.160 --> 01:01:50.580

Okay.

596

01:01:51.870 --> 01:01:57.900

Mary Ann Phillips: So I need a motion to approve the employee wage schedule all.

597

01:02:00.300 --> 01:02:01.020

Town of Parish: American Moshe.

598

01:02:02.670 --> 01:02:03.480

Town of Parish: House are gonna.

599

01:02:04.830 --> 01:02:06.480

Mary Ann Phillips: than ever roll call vote, please.

600

01:02:09.840 --> 01:02:10.410

Yes.

601

01:02:12.120 --> 01:02:12.540

Yes.

602

01:02:22.020 --> 01:02:23.190

Mary Ann Phillips: Yes, thank you.

603

01:02:26.700 --> 01:02:28.620

Mary Ann Phillips: Next, one is.

604

01:02:30.300 --> 01:02:32.280

Mary Ann Phillips: designations this one takes a while.

608

01:03:03.690 --> 01:03:16.290

Mary Ann Phillips: If we have somebody that's willing to attend we and we want someone to be our voting delegate for the town of Parish, we need to find out who's willing to do what to go, which we attend those meetings and wants to be the the.

609

01:03:17.550 --> 01:03:27.510

Mary Ann Phillips: The delegate to vote and the alternate I don't know usually carolyn sheila usually go I don't know if they're going to even get on board to this because there's sort of buried with their court work as well, but.

610

01:03:27.810 --> 01:03:36.990

Mary Ann Phillips: If you know if somebody if it's one of you guys that wants to do what me any of us, we need to appoint the voting delegate and the ultimate wants to find out who it is.

611

01:03:37.890 --> 01:03:51.240

Mary Ann Phillips: Employee handbook it still has to be updated the last last one we had was did January one of 2011 engineer i'm not sure if Miller engineers are engineer anymore, they were appointed the town engineering company.

612

01:03:52.350 --> 01:04:06.600

Mary Ann Phillips: back when I was a counselor in yeah 2000 between 2008 and 2011 but I don't I haven't heard from them, so I have them down i'm assuming they're still I town engineer, but I don't know that for a fact.

613

01:04:07.920 --> 01:04:15.540

01:04:24.300 --> 01:04:41.520

Mary Ann Phillips: And the town clerk and the providing position is full time retirees we do have one that's on a per the contract and attendance and the Attorney and justice are on the insurance plan as long as they pay the full premium out of pocket.

616

01:04:42.690 --> 01:05:00.450

Mary Ann Phillips: Investing idol money's the supervisors, given the authority to invest idle monies joint meetings I check these are the correct dates for this year so mark your calendars if you choose if we're going to be holding joint meetings march 11 June 10 September 9 and December 9 at 7pm.

618

01:05:09.450 --> 01:05:22.020

Mary Ann Phillips: I don't think the governance changed it for less than 50 at this point I don't think he's back to 10 but I if he is I haven't heard it so we can still have public meetings, no more than 50 people in at the meeting far as I know.

619

01:05:22.800 --> 01:05:26.610

Mary Ann Phillips: Marriage officers to people, we have Kelly reader and Evelyn stamina shock.

622

01:05:39.390 --> 01:05:49.950

Mary Ann Phillips: They can legally perform marriages I don't have that and I have the personnel file so that's why I was asking for that may not be called a certificate, I put in an email, today you all, probably got, including the Court.

664

01:11:00.150 --> 01:11:02.760

Mary Ann Phillips: One adjustment will expire as of.

665

01:11:03.060 --> 01:11:04.110

2023.

666

01:11:06.450 --> 01:11:15.930

Mary Ann Phillips: Okay anything questions and that one well the two that we brought that was mentioned, do you want the monthly meeting and the monthly workshops to be at 630 or at.

667

01:11:15.930 --> 01:11:19.200

Doug Jordan: 730 seconds does.

668

01:11:19.920 --> 01:11:20.730

Mary Ann Phillips: anybody else.

669

01:11:22.860 --> 01:11:23.340

Town of Parish: nerdy.

670

01:11:24.660 --> 01:11:25.470

Mary Ann Phillips: For both of them.

671

01:11:27.330 --> 01:11:28.110

Mary Ann Phillips: yeah okay.

672

01:11:29.580 --> 01:11:40.290

Doug Jordan: I got one other question is, I think we should issues, the  
cans and Queens central and not the three go independent paper because  
they're very expensive.

673

01:11:42.000 --> 01:11:44.070

Mary Ann Phillips: know the Queen central is in.

674

01:11:45.510 --> 01:11:47.010

Mary Ann Phillips: The other one is in our county.

675

01:11:47.670 --> 01:11:55.830

Doug Jordan: there's a big price difference, I mean Kelly you've improved  
it to the board, how much they get for running these these ads and it's  
ridiculous.

676

01:11:57.060 --> 01:11:59.160

Doug Jordan: I would just say we go down to one paper.

677

01:12:01.320 --> 01:12:04.350

Mary Ann Phillips: I don't think we should, I think we should be covering  
the county as well.

678

01:12:06.240 --> 01:12:13.410

Mary Ann Phillips: If you have another paper that county have no problem,  
but I think our information should be included, so that people that live.

679

01:12:14.610 --> 01:12:22.260

Doug Jordan: Paper like covered, you know what it did before, in the  
past, would be fine, but it covers the whole Israel county and they just  
checked her prices way up.

680

01:12:25.680 --> 01:12:26.010

yeah.

681

01:12:28.200 --> 01:12:30.030

Town of Parish: weeklies or whatever they're called now.

682

01:12:31.980 --> 01:12:36.150

Town of Parish: is based, out of water down okay that's Jefferson county.

683

01:12:38.460 --> 01:12:47.310

Mary Ann Phillips: The Paper itself they took over a suite of quality weeklies in Mexico there in Mexico, the paperwork does go through there, but the.

684

01:12:47.640 --> 01:12:57.360

Mary Ann Phillips: The paper that it covers is the i'm going to say palladium times, but I don't think it's that when there's like four of them salmon river there's several that are strictly as we go county that it covers.

685

01:12:57.630 --> 01:13:00.420

Doug Jordan: It boy Johnson newspaper.

686

01:13:00.450 --> 01:13:03.330

Mary Ann Phillips: Is the one that's in watertown and they're the ones that bought.

687

01:13:04.380 --> 01:13:07.350

Mary Ann Phillips: US we go county weeklies are independent Mary whatever it was called.

688

01:13:09.240 --> 01:13:09.870

Mary Ann Phillips: But I think.

689

01:13:11.130 --> 01:13:16.200

Mary Ann Phillips: In both I know it's a little bit more money, but I can't help it, I think the people that live in this county need to know.

690

01:13:17.400 --> 01:13:24.780

Mary Ann Phillips: You want to notify the people in and oneida county I have no problem with that, but I think we We owe it to the people that live in this county that weren't in.

691

01:13:28.530 --> 01:13:29.040

i'm sorry.

692

01:13:31.020 --> 01:13:31.860

Town of Parish: You guys.

693

01:13:34.590 --> 01:13:34.950

Town of Parish: Oh.

694

01:13:38.130 --> 01:13:44.010

Mary Ann Phillips: yeah and I can can can you do me a favor Jana take your mouse down and say it again, because I don't know what he said, thank you.

695

01:13:44.880 --> 01:13:52.590

Town of Parish: So the website in town website covers the world we advertise on the website one payment.

696

01:13:53.640 --> 01:13:54.060

Mary Ann Phillips: Okay.

697

01:13:54.150 --> 01:13:57.840

Town of Parish: And originally because it a lot less expensive.

698

01:13:58.620 --> 01:13:59.760

I understand waking.

699

01:14:01.110 --> 01:14:01.920

Town of Parish: Up terrible.

700

01:14:02.700 --> 01:14:08.940

Mary Ann Phillips: I understand this, that well there's there's a reason for that and I understand that it's more expensive, but not everybody has a computer.

701

01:14:09.180 --> 01:14:24.720

Mary Ann Phillips: So they don't all get what Paul, fortunately, fortunately, have input on not everybody gets that if everybody had a computer it's a forget advertising in the papers completely whether it's queen central or a suite of county weeklies but not everybody has that.

702

01:14:33.210 --> 01:14:33.540

Mary Ann Phillips: As the.

703

01:14:33.660 --> 01:14:38.550

Town of Parish: worst part is for them, so I mean we're talking.

704

01:14:40.260 --> 01:14:41.460

Town of Parish: The difference being.

705

01:14:42.660 --> 01:14:56.400

Town of Parish: queen central like \$60 and 35 cents compared to \$278 so talking about like a dispenser of money that's quite a bit of difference, every time you go to advertise something it's a lot of money.

706

01:14:59.340 --> 01:15:02.640

Town of Parish: I personally going central in our website.

707

01:15:08.550 --> 01:15:10.200

Doug Jordan: That emotion garrick and.

708

01:15:11.970 --> 01:15:13.140

Doug Jordan: Make emotion.

709

01:15:16.260 --> 01:15:16.950

Doug Jordan: emotion.

710

01:15:17.610 --> 01:15:18.690

Mary Ann Phillips: emotion very.

711

01:15:20.910 --> 01:15:24.420

Town of Parish: One newspaper greenstein girl and our website.

712

01:15:30.450 --> 01:15:32.370

Mary Ann Phillips: Okay, I need a roll call vote.

713

01:15:37.530 --> 01:15:38.070

Yes.

714

01:15:40.170 --> 01:15:40.620

Yes.

715

01:15:47.700 --> 01:15:48.300

Mary Ann Phillips: Now.

716

01:15:50.910 --> 01:16:00.360

Mary Ann Phillips: Okay, so that changes that piece any are we Okay, with the rest of us that we can approve the organizational meeting designations.

717

01:16:00.840 --> 01:16:05.970

Mary Ann Phillips: we change the time change the mileage the classroom mileage we changed the times.

718

01:16:07.590 --> 01:16:09.000

Mary Ann Phillips: And the newspaper.

719

01:16:09.540 --> 01:16:12.000

Town of Parish: or whatever it is yeah that was.

720

01:16:13.050 --> 01:16:14.760

Mary Ann Phillips: I might say it again well.

721

01:16:14.880 --> 01:16:15.150

723

01:16:24.930 --> 01:16:25.560

Town of Parish: postage.

724

01:16:26.100 --> 01:16:36.720

Mary Ann Phillips: stamp that's not that's not one that's a that's not a utility that's not one that can be prepared me for the face that's not one that I have on the list that was given to me.

725

01:16:39.690 --> 01:16:40.290

Town of Parish: Yes.

726

01:16:42.750 --> 01:16:43.920

Doug Jordan: We have been writing so much.

727

01:16:43.920 --> 01:16:45.600

Mary Ann Phillips: And because I have no problem admitting it.

728

01:16:47.370 --> 01:16:50.370

Mary Ann Phillips: But I I was not told that there was one that you could pre pay.

729

01:16:52.680 --> 01:16:53.160

This guy.

730

01:16:55.380 --> 01:16:56.550  
Okay, take that oh.

733  
01:17:12.270 --> 01:17:12.690  
Mary Ann Phillips: i'm sorry.

734  
01:17:13.350 --> 01:17:15.810  
Town of Parish: I have a clarification issue about an item.

735  
01:17:16.980 --> 01:17:17.520  
Mary Ann Phillips: Okay.

736  
01:17:18.300 --> 01:17:20.280  
Town of Parish: Okay signatures on account.

737  
01:17:23.280 --> 01:17:23.760  
Mary Ann Phillips: Last.

738  
01:17:25.200 --> 01:17:27.090  
Town of Parish: segment signatures on accounts.

739  
01:17:28.770 --> 01:17:31.890  
Mary Ann Phillips: signatures on the checks, yes.

740  
01:17:33.030 --> 01:17:33.870

744

01:17:43.380 --> 01:17:43.680

Mary Ann Phillips: In.

745

01:17:45.660 --> 01:17:47.970

Town of Parish: The segment, this is the way it works according to.

746

01:17:49.500 --> 01:17:53.610

Town of Parish: The signatures that we have from signatures on all of gems with real food doesn't have an a board meeting.

749

01:18:04.680 --> 01:18:06.210

Town of Parish: Work a goal is files.

750

01:18:07.260 --> 01:18:10.080

Town of Parish: supervisor signature on every channel.

751

01:18:11.430 --> 01:18:18.390

Town of Parish: At the Supervisor is in Japan, dated gone out of town whatever w supervisors signature.

752

01:18:19.290 --> 01:18:19.770

Okay.

753

01:18:20.790 --> 01:18:21.810

Doug Jordan: yep that's.

754

01:18:22.560 --> 01:18:26.370

Town of Parish: Second, one town clerk Center and every check.

755

01:18:28.020 --> 01:18:36.060

Town of Parish: In the town clerk is incapacitated around town or anything, the deputy down learn signs and replace.

756

01:18:38.880 --> 01:18:42.840

Mary Ann Phillips: i'm sorry she's not on the list she's not at the Bank to be approved.

757

01:18:44.460 --> 01:18:45.810

Mary Ann Phillips: While we're gonna have to put her on.

758

01:18:47.310 --> 01:18:47.970

Can I do this.

759

01:18:50.220 --> 01:18:51.900

Mary Ann Phillips: Let me find it good.

760

01:18:52.380 --> 01:18:54.780

Town of Parish: Okay it's not you know already.

761

01:18:55.830 --> 01:18:57.120

Town of Parish: So subdivision plan.

762

01:18:58.350 --> 01:19:00.390

Town of Parish: Okay, you got written down.

763

01:19:01.080 --> 01:19:01.920

Mary Ann Phillips: By section through.

764

01:19:03.000 --> 01:19:03.690

Mary Ann Phillips: Town law.

765

01:19:05.580 --> 01:19:07.230

Mary Ann Phillips: yeah section.

766

01:19:08.790 --> 01:19:09.150

Mary Ann Phillips: yeah.

767

01:19:11.160 --> 01:19:17.130

Town of Parish: And download section 42 which deals with the deputy supervisor OK.

768

01:19:17.190 --> 01:19:20.670

Town of Parish: OK OK, both will explain.

769

01:19:21.840 --> 01:19:25.110

Town of Parish: that the provisions for signing checks.

770

01:19:26.130 --> 01:19:38.280

Town of Parish: More or less which Member, we talked and I thought we're gonna find out about it, that the deputies supervisor can map her signature cannot take place on the town clerk's.

771

01:19:39.210 --> 01:19:40.770

Mary Ann Phillips: You can only take place of your.

772

01:19:42.120 --> 01:19:43.770

Town of Parish: yeah I just found out to.

773

01:19:44.970 --> 01:19:46.770

Town of Parish: You can only take the place of yours.

774

01:19:47.820 --> 01:20:04.830

Town of Parish: And we need to get the deputy town clerk's signature down on record at the Bank, because she can take the place of the town clerk if the town clerk is incapacitated or out that way there's coverage for both and That way, there is no.

775

01:20:06.900 --> 01:20:16.920

Town of Parish: Both check the checks will have dual signatures at every given time whether it's the two deputies or whether it's a supervisor town clerk or vice versa, however, you want to play it but.

776

01:20:17.490 --> 01:20:23.730

Town of Parish: The company supervisor only covers your signature and the deputy town clerk only covers that town clerk signature.

777

01:20:24.510 --> 01:20:36.180

Town of Parish: So definitely town clerk can't cover years that but he's supervisor can't cover hers spot payment off for signatures, need to be on file at the bank.

778

01:20:37.080 --> 01:20:45.990

Town of Parish: And that's what I found out tonight so gets those sections there if you want to look them up for verify them or whatever, but I went through it.

779

01:20:46.470 --> 01:21:00.780

Town of Parish: With a fine tooth comb but get lori from the Association, the county attorney and she brought it right out of the bucket explained it to me and said any questions feel free to get Ahold of her but dance with the law states, so I just wanted to bring out.

780

01:21:00.960 --> 01:21:07.380

Mary Ann Phillips: So clear tonight, if I don't look at 10 la those sections in those subdivisions, and I read it differently.

781

01:21:07.770 --> 01:21:17.250

Mary Ann Phillips: And I talked to her about this before she interprets that one way I interpret another way you interviewed another way, Mr ganache to visit another way cast capital isn't.

782

01:21:17.760 --> 01:21:32.550

Mary Ann Phillips: Good another way you get three lawyers in the same room, a lot of read the same document and you get three different interpretations well i'll check on it, but as far as I know, it's when it was when when you had agreed we had agreed when we're in the gym there.

783

01:21:33.600 --> 01:21:34.080

Doug Jordan: The talent.

784

01:21:34.320 --> 01:21:39.870

Mary Ann Phillips: wasn't available that the deputy would be able to sign as a second signature in.

785

01:21:42.540 --> 01:21:44.250

Town of Parish: My legal so we won't be able to.

786

01:21:44.610 --> 01:21:46.050

Mary Ann Phillips: You can't do that it's okay well.

787

01:21:46.800 --> 01:21:47.220

Mary Ann Phillips: i'll check.

788

01:21:48.690 --> 01:21:51.540

Mary Ann Phillips: i'll check on Thank you and i'll look that up to some.

789

01:21:53.610 --> 01:21:54.270

Doug Jordan: More meeting.

790

01:21:55.980 --> 01:21:58.320

791

01:22:01.320 --> 01:22:07.560

Mary Ann Phillips: See, who I can get Ahold of what is today today's Thursday I got I got winslow I gotta get back down with tomorrow so.

792

01:22:08.580 --> 01:22:17.220

01:22:39.930 --> 01:22:44.430

Town of Parish: Town clerk or deputy supervisor i'm not going to agree to it without writing literature.

800

01:22:45.480 --> 01:22:45.840

Doug Jordan: No.

801

01:22:46.530 --> 01:22:51.240

Mary Ann Phillips: i'm not green to putting the deputies tell clerk down until I see it in black and white.

802

01:22:53.820 --> 01:22:55.260

884

01:31:25.650 --> 01:31:27.660

Town of Parish: know that would be through.

885

01:31:30.540 --> 01:31:30.960

Town of Parish: The portal.

886

01:31:32.430 --> 01:31:34.620

Mary Ann Phillips: Right okay geez.

887

01:31:35.670 --> 01:31:38.220

Mary Ann Phillips: I didn't call him and ask him about that sorry.

888

01:31:39.660 --> 01:32:10.020

01:32:10.080 --> 01:32:11.310

Is \$50.

890

01:32:12.540 --> 01:32:13.050

Mary Ann Phillips: failure.

891

01:32:13.080 --> 01:32:26.340

Mary Ann Phillips: To get a permit doubles the fee permits are good for one year, electric inspections provided by third party service should I put on there, someone that the first fire inspection is free, because it's not on there.

892

01:32:29.040 --> 01:32:33.750

Town of Parish: i'm not really a free man is not going to.

893

01:32:33.930 --> 01:32:39.870

Mary Ann Phillips: Go but I meant since it's only covers the second and third they're gonna say what about the first ones just just put the first fire inspection is free.

894

01:32:40.920 --> 01:32:41.130

Mary Ann Phillips: yeah.

895

01:32:41.310 --> 01:32:41.670

Yes.

896

01:32:43.170 --> 01:32:44.760

Mary Ann Phillips: Okay, oh yeah that's the bottom.

897

01:32:54.870 --> 01:32:56.130

Doug Jordan: Any questions and those.

898

01:32:56.130 --> 01:32:59.160

Mary Ann Phillips: gyms here, the new ones, are the ones, he gave me anybody.

899

01:32:59.160 --> 01:33:00.840

Mary Ann Phillips: Has any questions on those for Jim.

900

01:33:02.550 --> 01:33:03.450

Mary Ann Phillips: or anything that might.

901

01:33:04.440 --> 01:33:05.250

Mary Ann Phillips: want to add.

902

01:33:06.420 --> 01:33:10.350

Mary Ann Phillips: Something we missed, we can add a go ahead, Jim i'm sorry.

903

01:33:11.430 --> 01:33:12.720

it's just the shots.

904

01:33:14.610 --> 01:33:26.880

Town of Parish: We had in there before \$30 and nobody could explain to me what size shed how much where the new zoning that hopefully gets approved is anything over 25 square feet.

905

01:33:27.600 --> 01:33:29.130

Doug Jordan: Up to 143.

906

01:33:29.400 --> 01:33:33.540

Town of Parish: would be \$30 just to approve the zoning it doesn't need a building permit.

907

01:33:34.560 --> 01:33:47.670

Town of Parish: And so anything over 140 144 and above now you put into a 25 cents a square foot and we had a lot of coal miners being built at 30 cents a square foot and that was quite a lot.

908

01:33:48.570 --> 01:34:01.020

Town of Parish: Okay, so we're giving people a break, but it just explains it out a little bit more and there's no objections during that reality how big it is my job without permission.

909

01:34:02.100 --> 01:34:02.490

Town of Parish: Well yeah.

910

01:34:04.530 --> 01:34:13.350

Town of Parish: But we need a new format that's where that zoning comes into play for the \$30 to make sure that you still meet the setbacks, because i'm sure you'll.

911

01:34:14.700 --> 01:34:24.540

Town of Parish: schanzer going up like crazy and they're just popping up, and so you know you still need your sat back side we're in front, you can just put it out by the road you know.

912

01:34:25.380 --> 01:34:38.310

Town of Parish: that's what that covers and then it also explained for those accessory buildings people didn't all pavilions were included not included, I guess, we have pretty much summed everything up into five cents a square.

913

01:34:38.310 --> 01:34:38.610

foot.

914

01:34:39.960 --> 01:34:41.460

Town of Parish: Now clear up a lot of the issues.

915

01:34:42.930 --> 01:34:47.580

Town of Parish: Was that brilliant very familiar is now our yes under an accessory building.

916

01:34:49.080 --> 01:34:50.820

Town of Parish: So that covers everything and people can see.

917

01:34:53.310 --> 01:34:53.610

Okay.

918

01:34:55.080 --> 01:35:02.760

Mary Ann Phillips: Any other questions on those the gym or anything for clarification is there anything that we're missing that we need to add on anybody can think of.

919

01:35:05.670 --> 01:35:06.090

No.

920

01:35:07.320 --> 01:35:13.680

Mary Ann Phillips: Okay i'll add those few things on and i'll entertain a motion to approve the 2021 fee schedule.

921

01:35:13.680 --> 01:35:15.000

Doug Jordan: For non building permits.

922

01:35:15.000 --> 01:35:16.350

Mary Ann Phillips: and building from its.

923

01:35:19.020 --> 01:35:19.440

Town of Parish: own.

924

01:35:19.620 --> 01:35:20.190

promotion.

925

01:35:24.330 --> 01:35:25.290

Mary Ann Phillips: And I got a second.

926

01:35:29.610 --> 01:35:31.200

Mary Ann Phillips: Okay roll call, please.

927

01:35:34.530 --> 01:35:35.070

Yes.

928

01:35:36.840 --> 01:35:37.440

Yes.

929

01:35:44.430 --> 01:35:44.910

Mary Ann Phillips: Yes.

930

01:35:49.350 --> 01:35:58.710

Mary Ann Phillips: This is Jim these prices are competitive to you know local towns that other towns that are closers we're not going crazy with charging people are we too high.

931

01:36:00.840 --> 01:36:14.760

Town of Parish: We did not raise anything from the previous three years, so I did not do any research as to what other towns are paying these events for since i've got in 2018.

932

01:36:15.300 --> 01:36:27.210

Town of Parish: And we didn't raise anything, the only because was lower one, so they are what they are, I mean are we changing our recharging do you know might not know for things like some other I mean that.

933

01:36:28.260 --> 01:36:30.390

Town of Parish: You don't know these charges.

934

01:36:32.220 --> 01:36:48.420

Town of Parish: or anything that might be charging for you know yeah I mean that's I don't really honestly know it's it's hard to other talents and also have a water hook all the specs that's a charge yeah we don't have that yet.

935

01:36:49.560 --> 01:36:57.990

Town of Parish: Right every time they grow up look at some of the church to it so have you got to recoup the money back in because you bought a permanent.

936

01:36:58.500 --> 01:37:05.910

Town of Parish: you're paying for the inspections for divine number though night, and why should I pay for you right that's why we did that charge.

937

01:37:06.510 --> 01:37:20.070

Town of Parish: To get the money back that help pay for stuff and what you also have to understand that my salary's it's also zoning which a lot of towns don't have so those zoning v's there is no really you know you have a zoning issue jump cars, all that.

938

01:37:21.120 --> 01:37:33.540

Town of Parish: You really can't make up for that that's part of making the town safe you go for the Promotion right so we're we're not doing bad I mean this year I thought we did really good on your end and also.

939

01:37:34.650 --> 01:37:35.430

Town of Parish: we're doing pretty good.

940

01:37:36.780 --> 01:37:36.990

yeah.

941

01:37:38.040 --> 01:37:38.340

Town of Parish: Okay.

942

01:37:38.880 --> 01:37:43.710

Mary Ann Phillips: I just didn't want to scare people off because our prices might be a little bit higher than the other towns around us.

943

01:37:45.360 --> 01:37:45.840

Mary Ann Phillips: Okay.

944

01:37:48.030 --> 01:37:48.390

Okay.

945

01:37:51.270 --> 01:38:06.360

Mary Ann Phillips: question for the counselors we I got the paperwork from Carrie and be CNA for the question and answers that were put together for the public hearing there for the water and I've got copies of it, I think it's like two pages.

946

01:38:07.530 --> 01:38:16.110

Mary Ann Phillips: I can't remember right now, because I'm brain dead are you okay with us mailing that information out to the people that live in water district number one like we did before.

947

01:38:16.320 --> 01:38:21.870

Mary Ann Phillips: it's only going to be like two maybe three pages so snack does that, when the big I'm logged it can go in the regular.

948

01:38:22.620 --> 01:38:32.940

Mary Ann Phillips: Business on a regular envelope whatever it is, so the postage should only be 50 cents, or whatever per sheet where where the other one was more money will have to pay for postage.

949

01:38:33.990 --> 01:38:41.700

Mary Ann Phillips: I believe we can run the papers, here we won't have to have them printed because we got that commercial printer downstairs that could do a front and back you know what I mean.

950

01:38:42.180 --> 01:38:55.170

Mary Ann Phillips: So it won't be, as it will be as expensive after by paper to give her to give for the machine downstairs because I don't have much myself i've got to get more for me, but it would we would be an investment and envelopes paper.

951

01:38:56.370 --> 01:39:03.180

Mary Ann Phillips: And postage will have to do, are you okay with us mailing those out and information out to everybody.

952

01:39:04.800 --> 01:39:05.940

Mary Ann Phillips: In water just remember.

953

01:39:08.340 --> 01:39:12.480

Town of Parish: i'm Sorry, I would like to see it, I would like to see to review it.

954

01:39:13.500 --> 01:39:13.650

Mary Ann Phillips: and

955

01:39:14.910 --> 01:39:22.200

Town of Parish: get it approved either a board meeting and get a mail out, but I would like to see it and read what we're mailing people first.

956

01:39:22.860 --> 01:39:30.300

Mary Ann Phillips: Was and i'll get it to you it's the it's the question and the answer is things that took place that night but yeah no problem i'll try to put them.

957

01:39:31.590 --> 01:39:38.190

Mary Ann Phillips: I have to and I got to find the right one and i'll put it in your mailbox as if I can tomorrow or Monday and then we can.

958

01:39:38.670 --> 01:39:50.940

Mary Ann Phillips: approve it, hopefully at the meeting next week, if you're okay with that i'll put it on the agenda, yes, the other one is asking me to come up with an idea us to come up with an idea of how many absentee ballots, we want.

959

01:39:53.070 --> 01:40:03.600

Mary Ann Phillips: there's a lot more people that are eligible to vote than 448 parcels I don't I have no idea how they guess how many absentee ballots to order those things are going to be expensive.

960

01:40:03.990 --> 01:40:13.620

Mary Ann Phillips: Again it's going to be across to the to the water district, but I have no idea if more people are going to want to do an absentee versus physically coming.

961

01:40:14.340 --> 01:40:23.250

Mary Ann Phillips: The fire department did give us permission so we'll be going there, instead of at the village building but we've got to prove that at the meeting on Thursday day.

962

01:40:23.700 --> 01:40:30.690

Mary Ann Phillips: And they are going to allow us use their building, we do have to set the time I don't know what the times are because I don't know what the times were for the last vote.

963

01:40:31.290 --> 01:40:48.960

Mary Ann Phillips: And that information, we can get out but we'll we'll be discussing that at the next meeting, but have any idea how we can guess at an estimate of getting absentee ballots run, I have no idea how you do it, I can't get the information.

964

01:40:50.970 --> 01:41:04.020

Mary Ann Phillips: I can't get the information from the board of elections regarding the eligible voters in the town until next week of the week after because they're closed because the coven so I can't get bad information but go ahead.

965

01:41:06.690 --> 01:41:06.960

Mary Ann Phillips: yeah.

966

01:41:09.510 --> 01:41:11.100

Town of Parish: Even being eligible for.

967

01:41:12.360 --> 01:41:32.190

Town of Parish: My nappy other people that are eligible to vote on this, I mean not everybody's registered voters that our property owners live in the dumps Parish that own property here So how do you make sure that you get the absentee ballot can be exact, property owner.

968

01:41:32.700 --> 01:41:45.630

Mary Ann Phillips: um you know what i'm saying they've made us copies of all the deeds costing us a pretty penny but we've got I finally got the last batch Monday of all the deeds of people that own property in water district number one.

969

01:41:46.380 --> 01:41:52.140

Mary Ann Phillips: Some of them have more than one name and like mine is my husband and I so that's to you know for one piece of property.

970

01:41:52.590 --> 01:42:07.440

Mary Ann Phillips: Not that i'm a water district number one, and some have more than that so i'm have their families on it, some have children on it i'm making a list of that I will get all that put together but that's what we have to go by, are the deeds, and if they.

971

01:42:08.460 --> 01:42:15.390

Mary Ann Phillips: If they live in the district, but don't own property and they're eligible voters through the board of election.

972

01:42:15.840 --> 01:42:26.250

Mary Ann Phillips: They can vote if they live in the district and they're on the deeds, they have the right to vote, so I can't give you a number, because I can't get the information from the board of elections for till.

973

01:42:26.700 --> 01:42:38.100

Mary Ann Phillips: Another week till they open they have an open till I think the 20th or 21st i'm not sure when they're open I got an email when I can't remember the date so I can't get that information for you guys are calling them up.

974

01:42:39.450 --> 01:42:48.660

Mary Ann Phillips: i'm just trying to figure out how do we estimate the number of absentee ballots that we're going to need because I gotta give them a figure it's Kelly has to give it to them doesn't matter who.

975

01:42:50.370 --> 01:42:51.270

Mary Ann Phillips: They can start threatening.

976

01:42:53.520 --> 01:42:54.030

Mary Ann Phillips: say it again.

977

01:42:54.990 --> 01:42:57.780

Town of Parish: I don't know how you come up with a number I don't know how you would do that.

978

01:42:59.280 --> 01:43:00.060

Mary Ann Phillips: I don't need that at all.

979

01:43:02.640 --> 01:43:13.620

Mary Ann Phillips: I mean i'm gonna i'm gonna i'll call BC and and i'll call carry because they've done it in other towns and so has Mr Russell they've done these absentee ballots, and things and other townships.

980

01:43:13.950 --> 01:43:24.180

Mary Ann Phillips: i'll see if they have an idea of how they come up with it, but I I, I have no idea i'll have to ask them I just didn't know if you guys would have an idea on how to figure out.

981

01:43:26.070 --> 01:43:26.280

Town of Parish: That.

982

01:43:28.980 --> 01:43:36.990

Town of Parish: People do request one if they wanted one instead of sending a bunch of absentee ballots out to people that want to come and vote in person, no, no.

983

01:43:37.620 --> 01:43:44.910

Mary Ann Phillips: No, no they're gonna have to request it so they're gonna have to request it through the town clerk that's why I gotta get this paperwork to her as soon as I get it done.

984

01:43:46.020 --> 01:43:52.890

Mary Ann Phillips: they're gonna have to request it through her so she'll have that Marianne Philips requested, one that you don't just send it to me but.

985

01:43:54.480 --> 01:43:55.140

Mary Ann Phillips: How many do.

986

01:43:57.150 --> 01:44:06.360

Mary Ann Phillips: You have to give me an answer now, but if you can check around with people that may have done it that you might be working with and you might know get an idea of how they figured it out i'll call carry and i'll call.

987

01:44:06.870 --> 01:44:15.900

Mary Ann Phillips: Joe NBC and and see if they have a process, but I can't give them a number until I can get the paperwork from the board of elections and I I call them enough.

988

01:44:15.960 --> 01:44:18.360

Mary Ann Phillips: message, but I do not available so.

989

01:44:18.900 --> 01:44:20.490

Doug Jordan: I got a question yeah.

990

01:44:21.780 --> 01:44:35.610

Doug Jordan: When you go up the question questions from them meeting can you can we do it, like the same time, we do the information, where the votes gonna be the same, the mailing costs down.

991

01:44:36.060 --> 01:44:38.100

Mary Ann Phillips: yeah we can we'll we'll do the.

992

01:44:39.300 --> 01:44:42.810

Mary Ann Phillips: We know where it's going to be what we don't know what the time frame and we've got a.

993

01:44:43.710 --> 01:44:45.930

Mary Ann Phillips: meeting next week so yeah I will mail those out.

994

01:44:46.200 --> 01:44:57.090

Mary Ann Phillips: cuz I gotta I gotta get the Q and a's you guys want to look at and i'm once you say it's Okay, with what we've got them will be running them down in our office and then, once we get those will be folding them and putting away, but so yes.

995

01:44:57.450 --> 01:44:58.050

Mary Ann Phillips: was to see.

996

01:44:58.650 --> 01:45:00.000

Doug Jordan: Two birds one stone then.

997

01:45:00.180 --> 01:45:01.710

Mary Ann Phillips: yeah we'll just put like a.

998

01:45:01.980 --> 01:45:08.640

Mary Ann Phillips: Cover letter on it to say that it's going to be here, you know where it is in the times and the date so everybody has that at this point.

999

01:45:08.670 --> 01:45:09.840  
Mary Ann Phillips: Yes, thank you for so I.

1000  
01:45:09.840 --> 01:45:11.370  
Doug Jordan: was wondering if you could.

1001  
01:45:12.540 --> 01:45:16.290  
Doug Jordan: Also stick in there to see who requested.

1002  
01:45:17.460 --> 01:45:21.900  
Doug Jordan: and put a cutoff date and then that would give us a number, how many we need.

1003  
01:45:23.610 --> 01:45:27.570  
Mary Ann Phillips: yeah but I can't wait I can't wait till then to print them know is the problem.

1004  
01:45:30.780 --> 01:45:34.350  
Mary Ann Phillips: I have no idea if people are gonna want to do the absentee rather than come.

1005  
01:45:36.180 --> 01:45:38.520  
Mary Ann Phillips: Maybe we can figure out how to ask that go ahead.

1006  
01:45:40.410 --> 01:45:51.150  
Town of Parish: Why can't you just print on based on the responses, you know I mean make one copy and then the people that want them we just run them over print them out, one day, they have to come pick them up, are we going to mail them to.

1007  
01:45:51.420 --> 01:46:04.890  
Mary Ann Phillips: Believe she's gonna mail them to him, but there if you've ever done an absentee ballot it's a an envelope that goes to them in the mail and then there's another envelope that they have to fill out that comes back to us so there's a.

1008  
01:46:06.180 --> 01:46:09.900  
Mary Ann Phillips: it's not just me doing an envelope let's put it that way it's an envelope.

1009  
01:46:10.200 --> 01:46:11.250  
Doug Jordan: envelope election.

1010

01:46:11.400 --> 01:46:12.840

Mary Ann Phillips: I mean yeah it's a.

1011

01:46:13.200 --> 01:46:16.290

Mary Ann Phillips: Yes, it's like what you do for the regular election so it's it's.

1012

01:46:18.360 --> 01:46:21.390

Mary Ann Phillips: A piece of paper, why does it have to be that.

1013

01:46:21.390 --> 01:46:24.180

Doug Jordan: Expensive like a regular lecture I.

1014

01:46:24.300 --> 01:46:26.520

Mary Ann Phillips: I have to ask that question, my understanding is.

1015

01:46:26.520 --> 01:46:27.330

Doug Jordan: Yes, there's.

1016

01:46:27.420 --> 01:46:36.060

Mary Ann Phillips: there's legal pieces that you have to cover when you do this don't ask because I haven't got it in black and white, but Joe is the one that's leading us on that Mr Russell.

1017

01:46:37.410 --> 01:46:37.740

Doug Jordan: Maybe.

1018

01:46:39.120 --> 01:46:41.220

Doug Jordan: Talk about next week yeah.

1019

01:46:41.400 --> 01:46:53.460

Mary Ann Phillips: But if you if you know of anybody that's been through one for water thing and try to get some information from people that might help us for next week's meeting we got to make some decisions at the next board meeting.

1020

01:46:54.810 --> 01:46:55.590

Mary Ann Phillips: What was the other one.

1021

01:46:55.920 --> 01:46:56.550

One other thing.

1022

01:46:58.350 --> 01:46:58.860  
Mary Ann Phillips: i'm sorry.

1023

01:47:00.090 --> 01:47:04.200  
Town of Parish: gotta be a lot of times due to do stuff with the voting and also maybe.

1024

01:47:06.900 --> 01:47:19.230  
Mary Ann Phillips: Right, maybe Mexico because Mexico is done a lot of water and seeing the Hastings we could ask them as well um one other thing I may have made a mistake or two years with a payroll.

1025

01:47:20.640 --> 01:47:28.410  
Mary Ann Phillips: that's been brought to my attention, if I can prove that I made the mistake, are you guys willing to allow me to correct.

1026

01:47:28.980 --> 01:47:36.660  
Mary Ann Phillips: This year, and pay that if I didn't do something I should have, are you willing to allow me to correct it, it will be about 50 bucks.

1027

01:47:37.380 --> 01:47:53.280  
Mary Ann Phillips: But I need to i've got i've received some information i've got to be able to go back and payroll and check it to see if I didn't versus didn't and then go from there, but are you guys willing to let me correct it if I did it incorrectly, it would be 50 it would be about 50 bucks.

1028

01:47:57.030 --> 01:47:57.450  
Mary Ann Phillips: Hello.

1029

01:47:59.580 --> 01:48:00.750  
give you gotta grab something.

1030

01:48:02.400 --> 01:48:02.700  
Doug Jordan: yeah.

1031

01:48:03.630 --> 01:48:04.290  
Doug Jordan: Okay well.

1032

01:48:04.620 --> 01:48:15.570  
Mary Ann Phillips: i'll let you know at the meeting because i've got to get into the old payrolls to do that and it's going to take a while so

okay anything else got to be brought up next meeting is next Thursday the 21st at 630.

1033

01:48:16.320 --> 01:48:26.190

Mary Ann Phillips: it'll be a zoom again, I mean maybe we'll be there we'll see how it goes, I have no idea when the mayor is going to open the building, as far as I know, it's still locked down to the public.

1034

01:48:29.100 --> 01:48:34.950

Mary Ann Phillips: So we could be there if we wanted to be there, but we can't put in more than we can't have any of the public.

1035

01:48:35.610 --> 01:48:37.500

Doug Jordan: moving up the governor is saying you can have.

1036

01:48:37.500 --> 01:48:45.900

Mary Ann Phillips: 50 people the mayor is saying no so we can't have any public there it's just got to be the counselors and you know whoever's got to be.

1037

01:48:46.020 --> 01:48:46.260

No.

1038

01:48:48.060 --> 01:48:48.240

Doug Jordan: No.

1039

01:48:48.570 --> 01:49:00.990

Mary Ann Phillips: Okay well i'm just saying I don't know when she's going to be opening, I have no idea so alright next meeting is next Thursday 630 and thanks everybody for tuning in and I need a motion to adjourn.
