153

00:18:43.590 --> 00:18:48.270

Mary Ann Phillips: Oh shoot I forgot to put on there Kevin sorry about that tax wait a minute.

154

00:18:53.370 --> 00:18:54.870

Mary Ann Phillips: Okay, go ahead and sorry.

155

00:18:56.430 --> 00:18:56.790

All right.

156

00:18:57.960 --> 00:18:58.980

Doug Jordan: Okay, so.

157

00:18:59.850 --> 00:19:00.540

Town of Parish: Look, if I think.

158

00:19:01.620 --> 00:19:02.730

Town of Parish: Better Thank you.

159

00:19:03.960 --> 00:19:12.870

Town of Parish: Okay, I did receive the tax work from the county of US week when I believe I gave the supervisor a copy of it in the abstract so.

160

00:19:15.090 --> 00:19:38.610

Town of Parish: As far as taxes to the county treasurer I have to pay \$1,290,049 and 47 cents to the town supervisor, I have to pay 192 hundred \$33,052 and 20 cents for a grand total of warrant of \$2,523,101 and 67 cents, that being said.

161

00:19:39.690 --> 00:19:46.590

Town of Parish: As a when I I have not done any debt me yet today but prior to me starting today I have collected.

162

00:19:48.570 --> 00:20:03.360

Town of Parish: First installment payments of \$4,405 and 25 cents, there are no second installment as yet I have collected full payment and the amount of \$383,579 and 17 cents.

163

00:20:04.260 --> 00:20:17.430

Town of Parish: Which means I have made total collections of 380 \$7,984 and 42 cents with \$2,135,117 and 25 cents still outstanding.

164

00:20:18.360 --> 00:20:34.410

Town of Parish: That being said, also I have coordinate our coordinated and met with a supervisor, the other night and tampered over \$100,000 to her account, and she dispersed it where she needed to put it, I believe it went to highway fine i'm not sure I think.

165

00:20:35.010 --> 00:20:36.120

Mary Ann Phillips: Yes, so.

166

00:20:38.670 --> 00:20:39.750

Town of Parish: Okay, so that.

167

00:20:41.520 --> 00:20:49.260

Town of Parish: Basically, is my report taxes went out the door without a problem we we've got a few problem children that can't seem to figure out how to write a check.

168

00:20:50.520 --> 00:21:00.270

Town of Parish: be either an amount or the word in the bank goes by the wording so if the numbers are right and the wording is wrong, well then they got notified said, then so i've got a few i'm waiting to fix.

169

00:21:01.590 --> 00:21:04.350

Town of Parish: Oh, we got some that inside their checks either they love to do that too now.

170

00:21:06.300 --> 00:21:07.050

Town of Parish: There was a total of.

171

00:21:08.550 --> 00:21:18.930

Town of Parish: 14 I didn't get that exciting but there's about 1400 and 10 to 12 bills that are out there floating around that are being collected on for this year.

172

00:21:19.530 --> 00:21:32.490

Town of Parish: Which is an increase from last year's bills for about 1400 and two, so we picked up some I also had to do another apportionment which means a property got split in half or a fraction of it so.

173

00:21:33.750 --> 00:21:42.360

Town of Parish: Basically, a one apartment was done and which means I had to send out two bills so two different property orders for tuning in tap numbers and then.

174

00:21:43.800 --> 00:21:47.520

Town of Parish: You all in addition to all the mortgage company, all the other bills to our local residents.

Gary Wood: Yes.

233

00:27:18.210 --> 00:27:18.630

Yes.

234

00:27:21.930 --> 00:27:22.470

Mary Ann Phillips: Yes.

235

00:27:25.380 --> 00:27:27.240

Mary Ann Phillips: Okay, so that's taken care of.

236

00:27:28.260 --> 00:27:37.260

Mary Ann Phillips: When I go to do that ladder that's what i'll put in the letters basically the date the place and the time so that everybody has that one uh meal that letter out with the Q and a's.

237

00:27:39.000 --> 00:27:40.770

Mary Ann Phillips: Okay, that one's done.

238

00:27:45.060 --> 00:27:52.350

Mary Ann Phillips: So we did both amb alright auditors letter J and I think this is the one that you put in my mailbox the one that says.

239

00:27:53.460 --> 00:27:59.610

Mary Ann Phillips: it's from banning CAP company CPA is is that the one that you put in my mailbox.

240

00:28:00.360 --> 00:28:01.080

Town of Parish: With emphasis.

241

00:28:03.120 --> 00:28:11.040

Mary Ann Phillips: Yes, okay and they're they're saying we do not recommend engaging an auditor at this junction I don't disagree, because they've got to do the.

242

00:28:11.460 --> 00:28:17.790

Mary Ann Phillips: ud and I have applied for an extension for that, because there's no way i'm going to be able to get that done by the end of January.

243

00:28:18.480 --> 00:28:30.270

Mary Ann Phillips: So they have Garrett granted me the camp counselors Office has granted us an extension I think it's got to be in by may see there may 1 or may 31 but i've got the letter in the office so.

244

00:28:31.020 --> 00:28:41.160

Mary Ann Phillips: If we want to look at having auditors down the road, I have no problem with it, but they don't want to do it at this point, I think they're going to wait till we get the the AU D done, I think.

245

00:28:42.630 --> 00:28:43.230

Is that the way.

246

00:28:47.040 --> 00:28:55.860

Town of Parish: They would do is come in and go through the books as many sure it's straight or the auditors, the others, is another company.

247

00:28:57.000 --> 00:29:07.290

Town of Parish: And the way he explains that leather they the honor is not supposed to do both the orders only come in and not what you have, but if you don't have it right.

248

00:29:08.760 --> 00:29:16.500

Town of Parish: that's what the company wants to do is come in and look at it, to make sure things in there and adds up the right way, then your auditors come in.

249

00:29:16.500 --> 00:29:17.700

Doug Jordan: And do your audit and.

250

00:29:18.960 --> 00:29:20.490

Town of Parish: cut costs way down.

251

00:29:21.810 --> 00:29:22.470

Doug Jordan: Well, the audit.

252

00:29:22.620 --> 00:29:34.950

Mary Ann Phillips: That we had the last time, which was the State controls that came in, they did, both because the books were not right, so when they came in and they looked at what we had prior to.

253

00:29:37.050 --> 00:29:38.820

Mary Ann Phillips: that's what they did they were trying to.

254

00:29:40.590 --> 00:29:47.760

Mary Ann Phillips: understand and correct the depth that was there that nobody knew about where it came from aware, when those types of things we didn't.

255

00:29:48.240 --> 00:29:56.550

Mary Ann Phillips: Unless you guys had somebody prior to me coming on we didn't have anybody else come in, except for the state capital is may came in in July and that's exactly what they.

256

00:29:56.610 --> 00:29:58.050

Mary Ann Phillips: Go they go through the bottle.

257

00:29:59.790 --> 00:30:12.900

Doug Jordan: I don't think we need some way to come in and and go through and get the books ready for an auditor, because I don't think we're gonna be saving that much money, I think we guys just picking over and let them do their job yep.

258

00:30:13.080 --> 00:30:14.070

Doug Jordan: I agree.

259

00:30:14.160 --> 00:30:15.480

Mary Ann Phillips: I don't think it's now but.

260

00:30:15.510 --> 00:30:27.300

Mary Ann Phillips: Once we get this stuff done, I agree that's what we need to do is to get an auditor come in, he or she or they whatever will tell us what's wrong what needs to be hopefully as long as they know municipal accounting.

261

00:30:28.440 --> 00:30:34.710

Doug Jordan: Somebody else to come into the books and then finally if you're gonna be spending the same amount of money Bradley.

262

00:30:35.160 --> 00:30:37.920

Mary Ann Phillips: yeah that's what i'm saying i'm saying wait till we do to.

263

00:30:37.950 --> 00:30:43.830

Mary Ann Phillips: wait till we get an auditor, but it would probably be like i'm gonna say me somewhere around there, the only.

264

00:30:45.300 --> 00:30:46.500

Mary Ann Phillips: thing that can be done.

265

00:30:47.850 --> 00:30:52.530

Doug Jordan: We gave you that one name they did the other, the other towns.

266

00:30:54.210 --> 00:31:01.830

Doug Jordan: You know the other towns around john gave you that name and we would you say here report done and then and then start figuring out what we're going to use.

267

00:31:03.870 --> 00:31:09.120

Mary Ann Phillips: yeah i'm not looking i'm not looking to a point, you buddy tonight, I just wanted to share this letter that john gave me.

268

00:31:09.630 --> 00:31:10.320

Doug Jordan: He gave it to me.

269

00:31:11.730 --> 00:31:17.730

Doug Jordan: I don't think we need to get the books or you know I think we just need an auditor when when you get that other report done for the.

270

00:31:19.080 --> 00:31:20.820

Doug Jordan: For the state okay.

271

00:31:20.970 --> 00:31:21.510

Mary Ann Phillips: I agree.

272

00:31:23.940 --> 00:31:26.430

Gary Wood: Is the extension been approved, or not yet.

273

00:31:27.060 --> 00:31:27.510

Yes.

274

00:31:31.110 --> 00:31:38.340

Mary Ann Phillips: yeah they usually respond pretty quickly when you asked for it so and they did I probably within a couple days so okay so we'll look at.

275

00:31:39.450 --> 00:31:40.500

Mary Ann Phillips: Somebody to.

276

00:31:40.860 --> 00:31:42.210

Doug Jordan: Consider for the I would put.

277

00:31:44.160 --> 00:31:48.420

Doug Jordan: I would make a note to maybe bring it up when, in March, April.

278

00:31:48.810 --> 00:31:50.100

yeah let's try April.

279

00:31:51.360 --> 00:31:51.690

Mary Ann Phillips: I can.

280

00:31:52.470 --> 00:31:54.240

Doug Jordan: Take a while yeah.

281

00:31:57.570 --> 00:31:59.220

Doug Jordan: bring it on april's agenda.

282

00:32:00.270 --> 00:32:03.690

Mary Ann Phillips: For an auditor okay is everybody okay with that.

283

00:32:04.470 --> 00:32:09.720

Town of Parish: I think you should invite them to a zoom mean like them explain that said in the latter.

284

00:32:11.040 --> 00:32:12.840

Mary Ann Phillips: Is the.

00:32:13.980 --> 00:32:19.380

Town of Parish: Company, let them explain it on zoom can be here in person, but.

286

00:32:20.100 --> 00:32:22.110

Doug Jordan: vitamin water plane.

287

00:32:22.560 --> 00:32:24.180

288

00:32:24.990 --> 00:32:33.210

Mary Ann Phillips: is, I know what they're saying you're saying that they don't want you to do an audit but they're willing to come in and check the books and make things straight for the auditor.

289

00:32:33.750 --> 00:32:40.350

Mary Ann Phillips: Well that's supposed to i'm supposed to be doing it correctly in the first place, but an offer, based on the one that came from the.

290

00:32:40.350 --> 00:32:46.770

Mary Ann Phillips: State that's what they did the last time was they came in and they told us where the mistakes, for what we needed to do.

291

00:32:47.910 --> 00:32:49.320

Doug Jordan: They work with each department.

292

00:32:50.430 --> 00:32:50.910

Doug Jordan: Yes.

293

00:32:51.420 --> 00:32:53.250

Mary Ann Phillips: They don't do just meet me know do the town.

294

00:32:54.900 --> 00:32:55.320

They do.

295

00:32:58.980 --> 00:33:01.020

Doug Jordan: You know what they want, and the new hope.

296

00:33:02.520 --> 00:33:02.940

Mary Ann Phillips: Yes.

297

00:33:03.900 --> 00:33:04.470

Mary Ann Phillips: I give them the.

298

00:33:04.620 --> 00:33:07.020

Mary Ann Phillips: Books or papers and then they do their thing and.

299

00:33:10.380 --> 00:33:12.090

Mary Ann Phillips: So I we okay with that.

300

00:33:13.080 --> 00:33:16.290

Town of Parish: Well i'm saying it let them explain that because they're also.

301

00:33:17.880 --> 00:33:21.120

Town of Parish: Talking about We wanted a control and stuff.

302

00:33:22.200 --> 00:33:32.490

Town of Parish: In their letter South they talked about that, instead of making a motion to capture look what they can do in a contract or company as a as a controller.

303

00:33:33.930 --> 00:33:37.320

00:33:51.270 --> 00:33:56.700

Mary Ann Phillips: I understand what you're saying what i'm saying is I don't know that we need to have somebody to do that yet.

308

00:33:56.970 --> 00:34:09.690

Mary Ann Phillips: If i'm screwing it up or you're screwing it up or anybody screwed up that's what the auditor is going to do, he or she or they will come in and tell you note the books or wrong or this has got to be fixed or whatever that's what you pay them to do.

309

00:34:11.700 --> 00:34:18.900

Mary Ann Phillips: i'm trying to think of the name that we have for school boys and I can't think of the name is a big company and every year they had to come in and that's exactly what they do, they do.

310

311

00:34:31.230 --> 00:34:33.120

Doug Jordan: We had some names floating out there.

312

00:34:33.510 --> 00:34:33.960

313

00:34:36.180 --> 00:34:37.110

319

00:34:57.690 --> 00:34:58.050

Town of Parish: And they're.

320

00:34:58.680 --> 00:35:02.430

Town of Parish: The ones I called have them on zoom displaying that actually went there.

324

00:35:10.800 --> 00:35:11.400

Gary Wood: sounds good.

325

00:35:12.150 --> 00:35:16.560

Doug Jordan: Right yeah I mean if they when do you when do you got to have the report him by Marianne.

326

00:35:16.920 --> 00:35:20.490

Mary Ann Phillips: it's either may 1 through may 31 I can't remember the dismay.

327

00:35:20.910 --> 00:35:24.330

Doug Jordan: Oh so basically April, give us a chance to yeah.

328

00:35:24.480 --> 00:35:26.310

Mary Ann Phillips: Line somebody up okay.

329

00:35:27.390 --> 00:35:27.810

Doug Jordan: Okay.

330

00:35:28.440 --> 00:35:28.890

Mary Ann Phillips: Thank you.

331

00:35:29.940 --> 00:35:30.540

Mary Ann Phillips: um.

332

00:35:31.800 --> 00:35:42.180

Mary Ann Phillips: ERS paperwork, we got some requests to straighten out some information on an ERS paper I got an email today later today.

333

00:35:42.780 --> 00:35:52.950

Mary Ann Phillips: From a tiffany and she sent me some paperwork they're not looking for us to do the standard work day because this person has retired they're looking at for us to do and adjusted.

334

00:35:54.060 --> 00:36:01.920

Mary Ann Phillips: Do I have it here and adjusted sheet, so I told I said, look at I don't have time today to work on this, but if you're willing to put it off for a bit.

335

00:36:02.370 --> 00:36:09.930

Mary Ann Phillips: You know i'll talk to the town clerk and we'll try to figure out what it is they're looking for so i'm asking that that will not be we won't even look at it tonight just want you to know.

336

00:36:10.290 --> 00:36:20.580

Mary Ann Phillips: We have to fix it, but a scattered go on and adjusted report for pension integrity bureau, rather than the standard work day one, and I just got that in an email today.

337

00:36:21.390 --> 00:36:37.410

Mary Ann Phillips: So that's down the road, but we got to do that soon, because the gentleman retired and it's holding up his his full retirement until they get it figured out okay organizational meeting designations, that was the one that we had tabled, I have put in a call to the.

338

00:36:39.120 --> 00:36:49.980

Mary Ann Phillips: Legal Department for the office of state comptroller is there an Albany and have asked for some information I haven't heard back from them, because you can't talk to anybody you leave a message.

339

00:36:51.030 --> 00:37:05.280

Mary Ann Phillips: I haven't heard back from them with the questions that you guys had asked me about on the sheet, so do you want to put it off uh, what do you want to do, I mean it's not it's just an information, more than anything else sheet and trying to find out.

340

00:37:06.240 --> 00:37:06.540

Like.

341

00:37:08.250 --> 00:37:08.970

Gary Wood: I would like to.

342

00:37:10.740 --> 00:37:18.510

Gary Wood: make a motion to get approvals to get the deputy clerk signature registered at the bank.

343

00:37:19.890 --> 00:37:20.220

Gary Wood: For.

344

00:37:22.080 --> 00:37:30.540

Gary Wood: authorization stuff and the bank's didn't have a problem with it, they just wanted to get a copy of the approval from the board.

345

00:37:32.550 --> 00:37:34.380

Gary Wood: And the designation of that person.

346

00:37:35.880 --> 00:37:36.270

Gary Wood: So.

347

00:37:37.230 --> 00:37:38.700

Doug Jordan: So moved all suck at it.

348

00:37:40.020 --> 00:37:40.440

Doug Jordan: Okay.

349

00:37:40.530 --> 00:37:44.490

Mary Ann Phillips: I just hope we don't have to sign on new sheets again last time we had to do all of them all over.

350

00:37:45.060 --> 00:37:58.590

Mary Ann Phillips: Okay, have a motion and a second any question on that I understand better Gary talked to me about it, I understand what he was referring to when he said it do I haven't black and white, no, but I understand what he means so I don't have a problem with that.

351

00:38:00.300 --> 00:38:04.590

Mary Ann Phillips: Is that the question that we were just the only question that we had on there.

352

00:38:05.490 --> 00:38:05.790

Gary Wood: I think.

353

00:38:06.540 --> 00:38:07.200

Mary Ann Phillips: It was.

354

00:38:07.620 --> 00:38:19.980

364

00:39:11.970 --> 00:39:14.550

Mary Ann Phillips: that's not on the designation page.

374

00:40:07.560 --> 00:40:08.670

Gary Wood: Once and I didn't hear.

375

00:40:10.440 --> 00:40:12.600

393

00:41:52.950 --> 00:41:53.220

Mary Ann Phillips: But.

394

00:41:53.280 --> 00:41:53.640

395

00:41:55.530 --> 00:41:57.570

Gary Wood: They can't be on the board or any official.

396

Gary Wood: Find to can they be in the water district.

400

00:42:15.300 --> 00:42:23.130

Mary Ann Phillips: No, you don't want them in the water district, he would have something to win or lose with it, so you want somebody that's not in the in the water district.

401

00:42:23.700 --> 00:42:27.660

Town of Parish: or in the water district that done that, before.

419

00:43:49.230 --> 00:43:49.980

Mary Ann Phillips: I thought we were.

424

00:44:02.700 --> 00:44:04.620

Doug Jordan: I don't know right.

431

00:44:29.790 --> 00:44:30.270

Yes.

432

00:44:33.660 --> 00:44:34.020

Town of Parish: Yes.

433

00:44:36.780 --> 00:44:37.290

Gary Wood: Yes.

434

00:44:41.730 --> 00:44:42.240

Mary Ann Phillips: Yes.

435

00:44:44.610 --> 00:44:44.820

Mary Ann Phillips: Okay.

436

00:44:53.160 --> 00:44:56.220

Mary Ann Phillips: Okay, thank you, thanks Doug I thought we did okay.

437

00:44:58.290 --> 00:45:07.200

Mary Ann Phillips: that's Okay, even if we did we did it again Okay, we got the letter of resignation that, as I said, we don't have to accept it's for.

438

00:45:08.850 --> 00:45:26.220

Mary Ann Phillips: he's going to be done as a February 1 i've talked to Betsy and it's on there for the next one under be Betsy nap regarding the assessor position she sent me an email with paperwork that and I gave it to everybody, I hope you all got it in your mailbox for qualifications.

439

00:45:26.700 --> 00:45:28.830

Mary Ann Phillips: And an application for.

440

00:45:28.860 --> 00:45:31.290

Mary Ann Phillips: For you know how people can fill it out and stuff.

441

00:45:33.030 --> 00:45:45.180

Mary Ann Phillips: We have talked to Joe and Joe is willing to if we don't have anybody right away if we don't get anybody right away to help the town out in the people by being an interim.

442

00:45:45.960 --> 00:45:53.850

Mary Ann Phillips: For a while you know, so that if people have problems with what's what needs to be done, because this is not a good time that's he says, this is probably one of the worst times they have to say happen.

443

00:45:54.240 --> 00:46:01.410

Mary Ann Phillips: Because it's a very busy time for assessors in tentative role I believe she said, has to be in I believe she said march 1.

444

00:46:02.730 --> 00:46:05.460

Mary Ann Phillips: And chef it's got to be done so.

445

00:46:05.760 --> 00:46:08.040

Mary Ann Phillips: If we want to consider that he could.

446

00:46:08.040 --> 00:46:17.550

Mary Ann Phillips: work for us as an interim until we find somebody and he's willing to also work with somebody to bring them up to speed with what we have if we're willing to do that.

447

00:46:19.830 --> 00:46:20.610

Mary Ann Phillips: what's your feeling.

448

00:46:22.140 --> 00:46:23.880

Gary Wood: I think it's a good idea, but.

449

00:46:24.870 --> 00:46:31.740

Gary Wood: Like I said what I don't know is how does, I know, right now, he's salary, but how do, how does he.

450

00:46:32.520 --> 00:46:39.030

Gary Wood: get compensation for would you call that internship whatever it is that our lead doesn't have to hand in.

451

00:46:39.480 --> 00:46:51.570

Gary Wood: How much time he's got invested, or do we pay him divide his salary up by 12 months and Bam for if he's going to be here for 30 days or 60 days or whatever, I have no idea how he gets paid for that service.

452

00:46:52.080 --> 00:47:04.620

Mary Ann Phillips: I can try to get a hold of that see i'm in Oswego she may be able to give us information on it, and I can let you know that I I don't know either I I remember when Marty filled in for us, but I don't remember how we got.

453

00:47:05.640 --> 00:47:20.850

Mary Ann Phillips: So, because he was an interim, but I can call Betsy and ask and get back to you yeah now but are you busy board willing to allow him to do this as an interim until we either get somebody or when we do have to work with somebody to help bring them up to speed.

454

00:47:21.660 --> 00:47:23.220

Doug Jordan: Yes, I think it's a good idea.

455

00:47:24.510 --> 00:47:25.890

Mary Ann Phillips: yeah Doug.

456

00:47:27.510 --> 00:47:29.130

Doug Jordan: Yes, okay.

457

00:47:30.600 --> 00:47:32.130

Mary Ann Phillips: Do I need emotion for that.

458

00:47:33.570 --> 00:47:35.280

Gary Wood: I think it probably be a good idea.

459

00:47:35.670 --> 00:47:49.830

Mary Ann Phillips: Okay, I need a motion to approve miss do let us know as after February 1 to work for the town on an interim basis until we either get someone to fill his position and or help someone with that position.

460

00:47:50.640 --> 00:47:51.180

Doug Jordan: Almost.

461

00:47:51.900 --> 00:47:52.740

Mary Ann Phillips: need a second.

462

00:47:53.220 --> 00:47:55.710

Mary Ann Phillips: A second roll call vote, please.

463

00:47:57.810 --> 00:47:58.350

Town of Parish: Yes.

464

00:48:01.290 --> 00:48:01.830

Gary Wood: Yes.

465

00:48:04.890 --> 00:48:06.600

Jordan, yes.

466

00:48:10.770 --> 00:48:18.690

Mary Ann Phillips: Yes, and I will get that information for so we know how we're going to be paying him prior to that date i'll get Ahold Betsy Thank you everybody.

467

00:48:20.250 --> 00:48:31.410

Mary Ann Phillips: Okay information items you saw my list of what i've got if anybody wants to see those that are available through me the Tokyo times or December and January.

468

00:48:32.550 --> 00:48:46.710

Mary Ann Phillips: that's the paper, I was talking about the Kevin gave us the copy of us we go tax warrant that's where he was referring to municipal shelter inspection report that's for the dog it passed with flying colors because we use the city of Sligo.

469

00:48:47.730 --> 00:48:58.020

Mary Ann Phillips: minutes of the 1217 meeting and the public hearing 1217 Jan done um I did talk to him asked him if he would help me out regarding the petty cash amounts.

470

00:48:59.160 --> 00:49:10.050

Mary Ann Phillips: That he would be the one that goes around once I give him the forms step in when he wants to not notifying anybody and check the petty cash boxes for the top four positions town clerk.

471

00:49:10.440 --> 00:49:16.680

Mary Ann Phillips: tax collector code enforcement officer and the Court clerk and he's willing to do that periodically throughout the year for.

472

00:49:16.680 --> 00:49:16.980

us.

473

00:49:19.440 --> 00:49:29.940

Mary Ann Phillips: Going forward agenda and minutes for 1228 and agenda for 125 but got that and the city bossy spotlight, those are the information items that I have.

474

00:49:31.980 --> 00:49:33.540

Mary Ann Phillips: was my page okay.

475

00:49:34.860 --> 00:49:36.720

Mary Ann Phillips: Anybody have anything else.

476

00:49:41.670 --> 00:49:42.870

Mary Ann Phillips: You want to.

477

00:49:44.040 --> 00:49:46.350

Mary Ann Phillips: give way to somebody saying something.

478

00:49:49.500 --> 00:49:51.510

Town of Parish: When you're doing Marianne i'd like to say something.

479

00:49:53.910 --> 00:50:01.230

Mary Ann Phillips: I think it would be nice if we got a get well card for Richard and have us sign it, I have a few here what i'll do is i'll.

480

00:50:02.340 --> 00:50:11.490

Mary Ann Phillips: i'll sign it put it in one of your boxes you send in it whatever hasn't signed it put it, and there's one or four or five of us around it put it back in my box and i'll mail it to him.

481

00:50:12.390 --> 00:50:13.530

Town of Parish: Is that okay with everybody.

482

00:50:15.090 --> 00:50:16.470

Town of Parish: Because we haven't heard anything.

483

00:50:17.970 --> 00:50:19.800

Mary Ann Phillips: Well, I have no idea what you said Jen.

484

00:50:21.660 --> 00:50:24.720

Town of Parish: yeah give us an update because we haven't heard anything.

485

00:50:25.260 --> 00:50:35.850

Mary Ann Phillips: I talked to him tonight he's doing better, but his sugar levels were really, really high he now has to take shots and it's coming down it's he's controlling it better.

486

00:50:37.500 --> 00:50:45.060

Mary Ann Phillips: he's had fluid in his legs that he says comes from around his heart, I don't know what that means so he's got to be careful with that.

487

00:50:47.190 --> 00:50:53.190

Mary Ann Phillips: They did put a pacemaker in I don't know if they burn the backside of his heart to fix that different.

488

00:50:53.940 --> 00:51:05.130

Mary Ann Phillips: station is that what I want to call it, or formulation what it was called there were supposed to do that, but I don't know about that piece what he's doing yeah I mean he'll talk to people on the phone he's not going anywhere you can't and.

489

00:51:07.200 --> 00:51:18.000

Mary Ann Phillips: You just have to watch his diet and he's learning how to control the the shots the he has a county nurse I think comes in, once a week to Sam she'll be visiting with them tomorrow.

490

00:51:18.690 --> 00:51:25.530

Mary Ann Phillips: He hasn't gotten the oxygen yet, and he said he was doing better today without the oxygen but he was supposed to come home with a tank.

491

00:51:26.220 --> 00:51:34.350

Mary Ann Phillips: To help his breathing because of his heart issues so that he hasn't got yep that's for a talk to him tonight so.

492

00:51:35.100 --> 00:51:40.680

Mary Ann Phillips: Unless they knew I did ask Evelyn to put his MAC mail whatever was in his mailbox in a folder and give it to me and.

493

00:51:41.040 --> 00:51:50.100

Mary Ann Phillips: i'll take it over to him, but he can't at this point, read something with his eyes, he can't he can't focus real well and anything to read.

494

00:51:50.430 --> 00:51:59.610

Mary Ann Phillips: So I said, well, I won't drop it off for a while, but i'll i'll hold it here, but when he's feeling better i'll drop that package off to him as well that's, the last thing and.

495

00:52:00.870 --> 00:52:03.600

Gary Wood: I hope it goes through, and does good.

496

00:52:04.770 --> 00:52:07.380

Gary Wood: tips to that I know it's tough yeah.

497

00:52:08.190 --> 00:52:15.840

Mary Ann Phillips: And I told him I said, you know at our age, because he's old like I am you we don't bounce back anyways news, yes, this is, we used to.

498

00:52:16.320 --> 00:52:26.520

Mary Ann Phillips: But he's also got to be careful, you know he's very paranoid about the coven I can't blame them so they don't want people stopping you know that's not feeling it hasn't been stopping.

499

00:52:28.050 --> 00:52:40.380

Mary Ann Phillips: And I can't blame them a little East he's he's nervous about that, but he sounded better today than he did the other day he sounds stronger, the first time I talked to me sounded very weak so, but he did sound better today good.

500

00:52:42.600 --> 00:52:42.990

Okay.

501

00:52:46.560 --> 00:52:50.160

Doug Jordan: i'm sorry I think Kelly wants to say something yeah.

502

00:52:50.190 --> 00:52:50.700

Kelly.

503

00:52:51.780 --> 00:53:05.160

Town of Parish: i'm in the town law, it says the entire town board is supposed to look over our books and Connor petty cash by the 20th of January, unless you have an auditor, so this does not happen this.

504

00:53:06.570 --> 00:53:19.410

Town of Parish: Year after year, this does not happen and it's the town board's responsibility and i've never seen anywhere for just one person

count someone's petty cash my petty cash is always right on so I don't care.

505

00:53:20.160 --> 00:53:26.250

Town of Parish: However, it does say in Tom law that you're supposed to audit our books by the 20th of January.

506

00:53:26.730 --> 00:53:26.970

yeah.

507

00:53:28.200 --> 00:53:31.350

Mary Ann Phillips: I don't disagree with you and I did get a letter from the Court.

508

00:53:32.760 --> 00:53:33.660

Mary Ann Phillips: I don't remember the name.

509

00:53:35.130 --> 00:53:41.430

Mary Ann Phillips: Some court authority and i've already talked to sheila about it they're given everybody because of cold read and people can't get in and out.

510

00:53:41.760 --> 00:53:56.670

Mary Ann Phillips: There, giving everybody until March 31 to do the Court audit i'm the audit is one thing, counting the petty cash is something else in my understanding through the comptroller's as petty cash is supposed to be counted several times periodically throughout the year, and not just one time.

511

00:53:57.120 --> 00:54:05.880

Mary Ann Phillips: So that that's the piece that i've i've asked john to do is specifically go in and knock on the door and say hey i'm your account petty cash and do what you gotta do.

512

00:54:06.180 --> 00:54:16.770

Mary Ann Phillips: But the audit is right and it is the town board's responsibility to do the audit, we did I think some of us did the Court last year because we had to sign a letter.

513

00:54:17.670 --> 00:54:23.520

Mary Ann Phillips: I have to sign a letter to send into whoever was it gave us permission to delay it once it's done.

514

00:54:24.210 --> 00:54:38.310

Mary Ann Phillips: doing the audit is not something that's easily done and I don't know that everybody knows how to do it it's a form that you've got file don't disagree with you there but explain to me what's on that form and what i'm looking at it's not an easy process.

515

00:54:38.820 --> 00:54:41.460

Gary Wood: And I didn't want them to work last year.

516

00:54:41.730 --> 00:54:42.630

Gary Wood: yeah and.

517

00:54:43.890 --> 00:55:03.750

Gary Wood: From my understanding, from what I heard remember from last year, which was brought up by, and I think Richard actually mentioned it and stuff that audit of this nature have not been to are supposed to be done, yes, correct, but have not been performed in this town, for a number of years.

518

00:55:04.110 --> 00:55:16.440

Gary Wood: Right, so I think right now is far as yeah supposed to be done, maybe by January 20th and like this, I would say for my opinion is like maybe the second year.

519

00:55:17.100 --> 00:55:31.560

Gary Wood: That we're abiding to the audit program um yeah there might need to be some adjustments in time and who's going to be doing it, and once we get something organized I believe in 2022.

520

00:55:32.670 --> 00:55:40.500

Gary Wood: It would be easy to know when the time we have to start who's going to do it, how it's going to be done, but I think this year is going to be a learning curve.

521

00:55:40.950 --> 00:55:53.700

Gary Wood: Of if we get a company or we do it ourselves, or what goes on, you know how it gets done so I think timeframe wise to me, is not a big.

522

00:55:54.390 --> 00:56:04.770

Gary Wood: issue with the moment I think the fact that the Board is going forward and doing this, which hasn't been done is a plus in the right direction.

523

00:56:05.520 --> 00:56:17.610

Gary Wood: But I think that you're going to just take a little bit of time to get straightened out and organized, so I think we're on the right

path and hopefully in 2022 once we do it this year, next year will be easier walk in the park.

524

00:56:17.880 --> 00:56:27.180

Mary Ann Phillips: yeah we could possibly and I can get a hold of the counselor's office we could possibly have a training just for our board members.

525

00:56:27.900 --> 00:56:35.100

Mary Ann Phillips: Once we get the documents, so that somebody can walk us through it, because, looking at that and figuring out what it is, you need to look at in each of the different offices.

526

00:56:35.700 --> 00:56:45.900

Mary Ann Phillips: it's not a walk through the park because i've never done that I wouldn't know exactly which documents to look at to say yes, this is number 15 on the sheet, you know that type of a scenario.

527

00:56:46.590 --> 00:56:46.980

Mary Ann Phillips: I can.

528

00:56:48.030 --> 00:56:48.990

Mary Ann Phillips: I can call them.

529

00:56:49.050 --> 00:56:51.750

Mary Ann Phillips: I can call the comptroller's an ass or even.

530

00:56:52.350 --> 00:56:53.370

Doug Jordan: Association, the town's.

531

00:56:53.640 --> 00:56:58.290

Mary Ann Phillips: see if they have something where we could have maybe a zoom training for the for the board.

532

00:57:00.390 --> 00:57:05.880

Mary Ann Phillips: yeah and see if they would be willing to do something like it, because it's it's not an easy process.

533

00:57:06.090 --> 00:57:06.360

Right.

534

00:57:07.440 --> 00:57:09.990

Doug Jordan: Side auditor oh yeah, no, no, no, this is.

535

00:57:09.990 --> 00:57:12.060

Mary Ann Phillips: strictly the one that we're responsible for.

536

00:57:13.080 --> 00:57:14.310

Mary Ann Phillips: That one's gonna be coming.

537

00:57:14.310 --> 00:57:17.010

Mary Ann Phillips: And like we said we'll start we'll talk about an April.

538

00:57:17.010 --> 00:57:19.350

Mary Ann Phillips: and hopefully made they'll come No, this is strictly.

539

00:57:19.770 --> 00:57:23.100

Mary Ann Phillips: departments that work we the board, are responsible.

540

00:57:23.310 --> 00:57:24.780

Mary Ann Phillips: To be in every year.

541

00:57:25.380 --> 00:57:26.970

Doug Jordan: Now doesn't that say that.

542

00:57:27.930 --> 00:57:38.100

Gary Wood: The Board needs, I mean isn't that I might have been reading it wrong but isn't that the board's responsibility to even do that at random times throughout the year.

543

00:57:38.550 --> 00:57:39.630

Mary Ann Phillips: Yes, yeah.

544

00:57:39.960 --> 00:57:42.720

Mary Ann Phillips: yeah i'll be I would be happy if we get one done.

545

00:57:43.350 --> 00:57:58.500

Gary Wood: right but i'm just saying I thought that's what I read in the law book that it's to hit the board it's up to the board to do it at random times, no, no, given dates, but at random times throughout the year, but there has to be one major audit performed every year, yes.

546

00:57:58.860 --> 00:58:04.080

Mary Ann Phillips: No you're right you could, if you wanted to divide it well i'm going to look at the process, but if you want me to.

547

00:58:04.530 --> 00:58:16.410

Mary Ann Phillips: call them a lot and the controllers and see if they have something that's available, even if they send me the book and I think I have the book it doesn't do for me what I needed to do I need somebody to walk me through that's me.

548

00:58:17.790 --> 00:58:20.670

Gary Wood: instructor led course would be good i'd be willing to take that.

549

00:58:21.300 --> 00:58:26.190

Mary Ann Phillips: Okay, let me see if I can get Ahold of someone is to see if there's something they might want to do zoom wise.

550

00:58:27.300 --> 00:58:35.490

Mary Ann Phillips: Thank you, thanks Kelly for reminding us, I know it's there it's just a something I put on the back burner because we've never done it and you're absolutely right versus.

551

00:58:37.950 --> 00:58:39.930

Mary Ann Phillips: Anything else usually.

552

00:58:39.960 --> 00:58:43.320

Town of Parish: All the board members do it at once okay.

553

00:58:43.740 --> 00:58:50.580

Mary Ann Phillips: I know, but I don't think it's it I don't think it has to be all the board members, I think it can be like two maybe three I don't know.

554

00:58:54.270 --> 00:58:55.410

Mary Ann Phillips: It says the whole board.

555

00:58:57.210 --> 00:58:58.260

Town of Parish: All departments.

556

00:58:59.520 --> 00:59:05.040

Mary Ann Phillips: All departments, yes, but does it does it say that the whole board has to do everything that.

557

00:59:05.850 --> 00:59:12.360

Town of Parish: doesn't say tool this board or three of the town board it says the town Board, which means all the board.

558

00:59:12.930 --> 00:59:19.770

Mary Ann Phillips: Okay well we'll ask for that clarification to I don't disagree with that if that's the case, then we would have to set up a meeting.

559

00:59:20.460 --> 00:59:32.190

Mary Ann Phillips: To do that, because if it's all of us it's going to be a meeting, which means that won't be a surprise these audits are supposed to be done without any had a heads up, in other words, so that people don't necessarily.

560

00:59:32.190 --> 00:59:32.790

Preparing.

561

00:59:34.080 --> 00:59:37.830

Town of Parish: that's the case Marianne how do they audit your your department if it's the.

562

00:59:40.110 --> 00:59:54.030

Mary Ann Phillips: same thing I don't know that's what i'm saying if it's two board members, then they would just come in and say hey we're here to do the audit and not tell them, I have to give them whatever books, they are whatever it is that they need, but if it's the whole board it's a meeting.

563

00:59:54.330 --> 01:00:00.030

Gary Wood: Well, I think you know my opinion I don't know like I said I don't know, sometimes on the line it check it out deeper but.

564

01:00:00.810 --> 01:00:17.040

Gary Wood: To get all four people or five people because there's five people on the board to go in each department all together in one time to do an audit cammisa little ridiculous, I think, maybe we have to check to see if the board can agree on okay.

565

01:00:18.360 --> 01:00:27.840

Gary Wood: john and Doug do code enforcement dog catcher include okay Gary and Doug and Marion do marion's are some of you know, I mean.

566

01:00:28.770 --> 01:00:36.480

Gary Wood: Then we put the information together and share it because i'll tell you right now you're not going to get five people together they put out in setting that clerk's office at the courthouse.

567

01:00:39.000 --> 01:00:41.610

Mary Ann Phillips: Everybody at the same time, but you can't.

568

01:00:41.700 --> 01:00:46.170

Mary Ann Phillips: Legally, you can't because the five of us get together three of us get together it's a meeting.

569

01:00:46.800 --> 01:00:48.270

Mary Ann Phillips: So we have to advertise.

570

01:00:49.710 --> 01:00:57.630

Town of Parish: It still a meeting you have to advertise however you're just looking at people's books you don't have to take minutes, and you can do it at a workshop.

571

01:00:57.960 --> 01:01:15.420

Town of Parish: You know, go in somebody's office they bring the books out to you, you sit down and you, you talk about it, and you can you can maybe do a three in one workshop, and maybe three more another workshop I got it has to be advertised you don't have to take this.

572

01:01:15.720 --> 01:01:21.330

Mary Ann Phillips: I didn't you gotta you gotta we gotta fill out the form number one, but I don't think it's a.

573

01:01:22.980 --> 01:01:26.940

Mary Ann Phillips: I don't think it's the way you're saying, but in you might be right, I got to find out, but I think it's.

574

01:01:26.940 --> 01:01:27.420

Mary Ann Phillips: More of.

575

01:01:27.990 --> 01:01:29.550

Mary Ann Phillips: A surprising that you're doing it.

576

01:01:30.690 --> 01:01:32.130

Mary Ann Phillips: Which means it can't hear.

577

01:01:34.770 --> 01:01:36.540

Gary Wood: myself if we get.

578

01:01:38.220 --> 01:01:43.710

Gary Wood: If we get up take and get a world class and get a form if there's a form that we have to go by.

579

01:01:44.100 --> 01:01:56.760

Gary Wood: Yes, okay done not to make it legit and they said, not the comptroller accepts it, you know, then yeah I can under I can probably see that if we have okay we'll have a.

580

01:01:57.330 --> 01:02:05.880

Gary Wood: You know, a special meeting and have the dog catcher come in with his books and everything I mean it to me it sounds like it's a lot more work for the for the head of the department.

581

01:02:06.720 --> 01:02:18.060

Gary Wood: But we have to do it, you know, like in the in the room there, whatever and have the head of the department with us and go through, and as long as everything checks out on that sheet and the same sheet for each department.

582

01:02:18.900 --> 01:02:22.200

Gary Wood: Okay, then yeah I could see it that way, but like I said I don't think.

583

01:02:23.070 --> 01:02:34.350

Gary Wood: I don't really know, I mean the interpretation of you know, the board doing the audits, how do they want it done, you know I mean do they want like Kelly said, which could be true do they want everybody, or do they want.

584

01:02:34.860 --> 01:02:39.690

Gary Wood: Just the board, as in like I was saying we split it up and I don't know we got to find out.

585

01:02:40.020 --> 01:02:54.630

Mary Ann Phillips: i'll get it i'll ask the controllers and able to clarify that is it that all of us, or is it can we divide it like two and two or that type of thing, and is it a surprise, or is it one that we're playing and i'll let you know that but i'll, let us go also asked about the training.

586

01:02:56.880 --> 01:02:58.680

Mary Ann Phillips: For every department.

587

01:02:59.850 --> 01:03:01.740

Mary Ann Phillips: collect money yes.

588

01:03:01.860 --> 01:03:02.940

Town of Parish: Yes, the ones that coin.

589

01:03:04.110 --> 01:03:08.880

Mary Ann Phillips: So it's the town clerk it's a tax collector it's me it's codes.

590

01:03:10.830 --> 01:03:20.310

Mary Ann Phillips: Court and the Court there's five the dog catcher no assessment know like planning board while planning board collects money and soda zb, I think, but.

591

01:03:20.670 --> 01:03:31.740

Mary Ann Phillips: i'm not sure if it's committees well i'll ask the question and i'll make him put it in black and white, so we get the clarification we'll go from there okay anything else needs to be brought up.

592

01:03:33.300 --> 01:03:35.610

Mary Ann Phillips: No Okay, then our next meeting.

593

01:03:36.870 --> 01:03:45.420

Mary Ann Phillips: Next, regular meeting is Thursday February 18 at 630 thanks everybody for coming and tuning in i'll need a motion to adjourn.

594

595

01:03:51.180 --> 01:03:51.960
