00:01:14.130 --> 00:01:28.560

Supervisor Phillips: Okay, for the bills know supervisors report because I can't run that final report until I do these budget transfers slash modifications, those were put in your backs today, you have to be that to all of the vouchers, it took us a while to get through them all, but we got through them.

16

00:01:30.300 --> 00:01:41.910

Supervisor Phillips: So I need a motion to approve the trance budget transfer modifications to finalize the 2020 budget and the H fund for January and February now move I need a second.

17

00:01:46.380 --> 00:01:47.070

Supervisor Phillips: i'll suck in.

18

00:01:48.690 --> 00:01:49.860

Supervisor Phillips: Any questions.

19

00:01:54.300 --> 00:01:56.820

Supervisor Phillips: guys, can you hear me I can't tell if you can hear me or not.

20

00:01:58.050 --> 00:01:58.590

Town of Parish: Yes, we.

21

00:01:59.580 --> 00:02:01.860

Supervisor Phillips: Can okay okay.

22

00:02:06.690 --> 00:02:10.380

Supervisor Phillips: Any questions on the budget transfers modifications.

23

00:02:12.180 --> 00:02:12.420
Only.

24
00:02:19.920 --> 00:02:21.480
Town of Parish: One for the travel.

25
00:02:22.950 --> 00:02:24.120
Supervisor Phillips: Okay, wait say it again.

26
00:02:25.980 --> 00:02:29.790
Town of Parish: One for the graduate contractual refuse garbage.

27
00:02:31.200 --> 00:02:32.850
Supervisor Phillips: garbage garbage and trash or yeah.

28
00:02:34.530 --> 00:02:45.120
Town of Parish: yeah I don't personally believe that should come out of his crabs contractual I think that should just come out of either general founder so because it's not uses it for.

29
00:02:46.350 --> 00:02:48.270
Town of Parish: us to have a stamp to get into the dump.

30
00:02:48.390 --> 00:02:56.400
Supervisor Phillips: And reason yeah I understand that and we put the new line in last year and I was told don't worry about the 50 bucks so we did not budget for it.

31
00:02:56.670 --> 00:03:04.350
Supervisor Phillips: So I have to pull it out from somewhere and I asked crag if we would be okay that we took it out of the crack the garage contractual.

32
00:03:04.620 --> 00:03:12.780
Supervisor Phillips: And he said yes that's the only reason is there next year we'll put the 50 bucks in but we didn't budget for it this year, so I asked him and he gave me the okay.

33
00:03:17.430 --> 00:03:23.430
Supervisor Phillips: I agree with you, it shouldn't come on there and I hit the timber I didn't have anywhere anywhere else to pull it out of that made sense.

34

00:03:26.100 --> 00:03:27.660
Supervisor Phillips: Any other questions.

35
00:03:33.570 --> 00:03:34.530
Supervisor Phillips: No yes.

36
00:03:37.980 --> 00:03:41.040
Supervisor Phillips: Okay, I have a motion a second roll call vote, please.

37
00:03:47.790 --> 00:03:48.690
Supervisor Phillips: yeah no.

38
00:03:50.700 --> 00:03:52.110
No, she said, oh.

39
00:03:56.010 --> 00:03:57.780
Town of Parish: The only question I had anything.

40
00:03:59.820 --> 00:04:00.750
Town of Parish: I just got this.

41
00:04:01.290 --> 00:04:01.620
Town of Parish: Okay.

42
00:04:01.680 --> 00:04:06.810
Town of Parish: Only question is, why is a rope down point 4444.

43
00:04:09.990 --> 00:04:13.170
Town of Parish: You doing trying to you know point four is contractual.

44
00:04:14.940 --> 00:04:21.510
Town of Parish: If you want to split it up in your office that's fine, but when it comes down to us, mostly just point four.

45
00:04:22.080 --> 00:04:23.460
Supervisor Phillips: it's coming out of my office.

46
00:04:24.510 --> 00:04:36.930
Supervisor Phillips: it's coming out of my computer and that's what my computer has so that's the only reason it's down like that, but it is

this point four or a point one or a point yeah that's all they are is point four 2.1.

47

00:04:38.490 --> 00:04:38.970

Town of Parish: Point four.

48

00:04:41.340 --> 00:04:51.390

Supervisor Phillips: it's because it was subsidiary for 2020 I left the for for is in there for 2021 i've made some adjustments, but that's The reason this one last year's budget.

49

00:04:54.630 --> 00:04:55.320

Town of Parish: Or we.

50

00:04:56.580 --> 00:04:57.990

Town of Parish: were doing last year's.

51

00:04:59.340 --> 00:05:01.140

Town of Parish: going to do this in January.

52

00:05:02.550 --> 00:05:08.250

Supervisor Phillips: Because I could not run the reports until I was able to close those accounts and I couldn't close them.

53

00:05:08.940 --> 00:05:17.280

Supervisor Phillips: I had told you guys that so finally i'm, to the point where I can close them if the I have to zero if there's a minus in these these are expenditures.

54

00:05:17.580 --> 00:05:28.470

Supervisor Phillips: I have to be able to put the money in, so it comes out to is zero so these however many there are had minuses and those are the dollar amounts that were minuses so I had to cover those.

55

00:05:29.610 --> 00:05:35.130

Supervisor Phillips: Then they'll be back to zero, then i'll be able to run the or do the end of the year final report.

56

00:05:36.330 --> 00:05:42.570

Supervisor Phillips: But I can't do it if they're minuses and those were minuses and I couldn't get to it before him because they couldn't close the account go ahead i'm sorry.

57

00:05:46.230 --> 00:05:46.620
short.

58

00:05:48.540 --> 00:05:50.190
Town of Parish: These are the amounts and we were short.

59

00:05:51.570 --> 00:05:52.620
Supervisor Phillips: Yes, you like.

60

00:05:53.700 --> 00:06:00.900
Supervisor Phillips: Yes, we were they were in a different line it isn't that the budget was short, it was in a different line, so I had to move it to cover the costs.

61

00:06:12.570 --> 00:06:13.950
Supervisor Phillips: Any other questions.

62

00:06:17.220 --> 00:06:18.030
Town of Parish: All right, sure you got.

63

00:06:19.080 --> 00:06:21.090
Town of Parish: It started transfers already.

64

00:06:23.400 --> 00:06:33.600
Supervisor Phillips: that's that's just that one for the because we did not budget money in there john you were out of the room that was for the garbage recreated the love we didn't put in there.

65

00:06:33.780 --> 00:06:34.230
Town of Parish: i'm sorry.

66

00:06:35.580 --> 00:06:36.150
Town of Parish: station.

67

00:06:38.130 --> 00:06:40.020
Supervisor Phillips: I don't know what you said, whoever setup.

68

00:06:41.010 --> 00:06:42.690
Town of Parish: You take to the transportation.

69

00:06:45.300 --> 00:06:47.220
Supervisor Phillips: What why didn't we.

70

00:06:48.540 --> 00:06:51.600

Town of Parish: were buying a stamp for \$50 for the transportation.

71

00:06:51.720 --> 00:06:53.010

Supervisor Phillips: Right, why are we.

72

00:06:54.600 --> 00:07:03.390

Supervisor Phillips: Because Craig sometimes take stuff over there for the town, whether it's shredding or whatever he takes over, and in order to go it's going to cost us 50 bucks for him to get the stamp.

73

00:07:04.800 --> 00:07:05.460

Supervisor Phillips: once a year.

74

00:07:09.480 --> 00:07:23.310

Supervisor Phillips: So he was nice enough to do that for us last year, and he told us it was 50 bucks but he said, we probably wouldn't have to use it, we didn't budget for it, we got the line, but we didn't put any money in there, so this year they've already sent us the bill, so we tried to pay their.

75

00:07:33.150 --> 00:07:33.480

For.

76

00:07:36.150 --> 00:07:38.400

Sure, so they started this year.

77

00:07:40.920 --> 00:07:41.790

Town of Parish: Right in the series.

78

00:07:43.710 --> 00:07:45.660

Town of Parish: gotcha 17 pounds.

79

00:07:50.910 --> 00:07:56.880

Town of Parish: Use playing yeah 2020 ones on the last page for the water district.

80

00:07:57.330 --> 00:08:03.810

Supervisor Phillips: We don't when you do a budget, you do not budget money for the capital project that's what he does it's the water district.

81

00:08:04.170 --> 00:08:11.520

Supervisor Phillips: So the money that we moved in there last year are the money that we pulled out of a to give them to use the 90,000.

82

00:08:11.940 --> 00:08:32.940

Supervisor Phillips: It doesn't show up as money in the account, I have to move it over when there's a bill so we've got out of that 90,000 we spent all but 60,060 \$60 and 23 cents that's what's left from the 90,000 these bills and any in the future will be paid out of that pat but it's not in that account.

83

00:08:32.970 --> 00:08:45.900

Supervisor Phillips: I have to physically model over there, because you don't have a budget for capital projects, so the money we have the money it's just I have to move it on paper into those accounts to be able to pay up.

84

00:08:56.280 --> 00:09:02.010

Supervisor Phillips: yeah I have to move it from the the yeah the savings account to the checking account.

85

00:09:08.190 --> 00:09:17.310

Supervisor Phillips: Yes, yes it's a way of tracking that and i'm dank is doing that for us they're keeping track as well, but this is that way of keeping track of all that.

86

00:09:19.050 --> 00:09:27.900

Supervisor Phillips: Those once we get the grant should be all the money that we borrowed or spent I should say, from a should be covered, to be reimbursing a.

87

00:09:31.590 --> 00:09:33.360

Supervisor Phillips: The general fund these sorry.

88

00:09:36.660 --> 00:09:39.420

Town of Parish: My fault last year, want to move over.

89

00:09:39.660 --> 00:09:39.930

yeah.

90

00:09:41.400 --> 00:09:42.660

Supervisor Phillips: that's the first page.

91

00:09:51.360 --> 00:10:03.990

Supervisor Phillips: You would have normally done these in December, in order to pay that in order to finish the budget for December I couldn't get that document so that's why it's taken this long to do it, I got it now.

92

00:10:05.040 --> 00:10:07.320

Supervisor Phillips: Otherwise, you would have had these approved in December.

93

00:10:09.420 --> 00:10:17.040

Supervisor Phillips: or January January because the money for December it doesn't show on the bank accounts, the same the statements until January.

94

00:10:21.480 --> 00:10:21.750

Supervisor Phillips: yep.

95

00:10:26.640 --> 00:10:28.500

Supervisor Phillips: Any other questions on this one.

96

00:10:31.290 --> 00:10:31.650

Town of Parish: Oh.

97

00:10:35.850 --> 00:10:37.140

Supervisor Phillips: i'm sorry I can't hear you.

98

00:10:38.460 --> 00:10:40.350

Town of Parish: No longer get those cleaned up.

99

00:10:44.490 --> 00:10:47.940

Supervisor Phillips: Okay, I have a second we have roll call vote, please.

100

00:10:49.980 --> 00:10:50.490

Town of Parish: No.

101

00:10:51.750 --> 00:10:51.930

Oh.

102

00:11:02.790 --> 00:11:03.270

Yes.

103

00:11:09.420 --> 00:11:10.020
Supervisor Phillips: Yes.

104
00:11:15.660 --> 00:11:16.920
Supervisor Phillips: Yes, thank you.

00:11:18.600 --> 00:11:39.420
Supervisor Phillips: Okay um need a motion to approve the jack Hello fun,

106
00:11:42.000 --> 00:11:48.660
Supervisor Phillips: My mistake it was a typo so I just wanted to call
that to your attention, you gave me permission to move 26 I only moved
the.

107
00:11:51.000 --> 00:11:57.840
Supervisor Phillips: I don't know that we have to change that in a
minute, but I wanted you to know that that was for da that's down after.

108
00:11:59.040 --> 00:11:59.430
That we.

109
00:12:00.630 --> 00:12:01.110
Change.

110
00:12:02.370 --> 00:12:03.720
Supervisor Phillips: and say it again, Jan.

111
00:12:04.920 --> 00:12:07.350
Town of Parish: needs to be amended in a minute yes.

112
00:12:07.920 --> 00:12:25.260

Town of Parish: Yes.

118

00:12:50.760 --> 00:12:51.210

Yes.

119

00:12:53.940 --> 00:12:54.270

Supervisor Phillips: Yes.

Supervisor Phillips: Yes, thank you okay so we're back to see, they need a motion to approve a gentle fun town wide for vouchers.

121

00:13:07.230 --> 00:13:19.170

Supervisor Phillips: At \$37,138 and 60 cents that one I caught, a mistake for 60 cents and one of the note number hold on I gotta find the number.

122

00:13:24.480 --> 00:13:47.040

Supervisor Phillips: Number 47 was listed as 137 96 it's actually 137 36 so we took 60 cents off, so this will read a little differently than what you've got it should be 37,001 3806 instead of what was on there 66 and your emotion i'll move I need a second.

123

00:13:51.210 --> 00:13:52.590

Town of Parish: Okay.

125

00:13:58.170 --> 00:13:58.620

133

00:14:45.750 --> 00:14:46.770
Town of Parish: For your Marion.

134

00:14:47.580 --> 00:14:48.060
Supervisor Phillips: i'm sorry.

135

00:14:50.040 --> 00:14:54.120
Town of Parish: Why are we using staples for bringing when we could have
done it all in house.

136

00:14:54.390 --> 00:14:56.310
Supervisor Phillips: You talk to you town clerk about that.

137

00:14:58.410 --> 00:15:02.820
Town of Parish: I believe that she said, you know drop off the stuff at
the window and she would run it.

138

00:15:04.680 --> 00:15:18.600
Supervisor Phillips: No that's not what she said she refused to do it
unless you guys gave approval and, at the last meeting you didn't motion
to do that sounds like from now on, if you want something done that way

you're going to have to emotion and Edit each meeting so since that didn't happen.

139

00:15:19.050 --> 00:15:22.500

Supervisor Phillips: I wasn't gonna wait any longer, and I went ended up going down to staples.

140

00:15:23.070 --> 00:15:27.060

Supervisor Phillips: That have done it so we could get it done and get things meal, that was the reason.

141

00:15:28.410 --> 00:15:29.010

Supervisor Phillips: Trust me.

142

00:15:29.400 --> 00:15:32.160

Supervisor Phillips: I don't like lemons spending my money.

143

00:15:32.460 --> 00:15:36.900

Supervisor Phillips: To do things when I shouldn't have to but, unfortunately, at this point in time, I had.

144

00:15:36.900 --> 00:15:39.750

Supervisor Phillips: To go ahead, somebody yeah yeah.

145

Town of Parish: Is it just the town supervisor in charge of this water project and the Board has nothing to do with it.

162

00:17:20.790 --> 00:17:26.370

Supervisor Phillips: I don't I don't think so i'm not taking that possibility, no, but I wanted to get that.

Town of Parish: during the month of January I had to make a couple of adjustments being there was corrections to bills, or something was wrong with a bill and needed some sort of a correction so that's the adjustments of 1600 \$15 and 25 cents there's only cross to tax map numbers.

Town of Parish: Which means he adjusted weren't was it is now \$2,522,991 and 68 cents, which now breaks down into first and second installment payments which we've been getting some.

283

00:30:46.320 --> 00:31:00.060

Town of Parish: But it's now time to shift over, and the second payments are coming in, also so we've had first installments totaling \$13,604 and nine cents second installments \$4,492 and 66 cents.

Town of Parish: Full payments of \$1,832,033 and 39 cents and since we are now into February, there are families attached and counties are now up to amount of.

285

00:31:14.670 --> 00:31:27.090

Town of Parish: \$274 in six cents, there are no late notice fees as yet those will appear probably on my march statement because around March 15 or thereabouts second notice letters will go.

286

00:31:27.090 --> 00:31:27.450

out.

287

00:31:28.860 --> 00:31:38.310

Town of Parish: And yeah tax collection will actively cease as of March 31 but I will probably not officially close out my records.

288

00:31:38.820 --> 00:31:50.670

Town of Parish: Until probably April 1 or second because I have to allow for anything that's postmarked march 31 to get here courtesy, the United States postal system in their most semi efficient work.

289

00:31:53.160 --> 00:32:04.350

Town of Parish: But, but we were still open all year long because we do respond to requests for text searches and I didn't get my receipt can you give me one for any kind of items like that.

290

00:32:07.650 --> 00:32:31.470

Town of Parish: So, therefore, we have total collections as of last night to 1720 119 850,000 \$404 and 20 cents, which means outstanding tags are still \$672,861 and 54 cents now That being said, a lot of that not a lot of it a good portion of that is the.

291

00:32:32.520 --> 00:32:44.190

Town of Parish: E utilities, which is national grid horizon the cell phone tower though railroad those are and there's one other and telephone networks that gets paid those all get paid directly at county.

292

00:32:44.760 --> 00:32:57.660

Town of Parish: county sending an email saying, these are the payments, we have received I then take an entertainment my computer system, software and there's a specific box that says paid at counting on my check that off.

293

00:32:58.140 --> 00:32:59.190

Town of Parish: They still come off my.

294

00:32:59.190 --> 00:33:14.640

Town of Parish: records, so those have yet to arrive so as of last night there are in the village fun actually between the village in town, there are only 297 properties on page.

295

00:33:15.360 --> 00:33:26.100

Town of Parish: 253 of them in the town and 44 of them in the village again at our foods also utilities railroad national grid horizon goes type items.

296

00:33:28.170 --> 00:33:41.190

Town of Parish: Which means that we have had a grand total of 1100 and 28 properties paid 929 of them are belonging in the towns and the remaining.

297

00:33:42.300 --> 00:33:44.340

199 in the village.

298

00:33:45.510 --> 00:33:45.900

So.

299

00:33:47.100 --> 00:33:48.120

Anybody have any questions.

300

00:33:49.230 --> 00:33:50.910

Supervisor Phillips: Oh it's also I want to thank you.

301

00:33:52.650 --> 00:34:10.020

Town of Parish: I have one other thing to on the night of February, I met with the supervisor and transferred over the remaining balances of the required amount of the tax more and I was required to turn over so that was turned over to the supervisor on February 9.

302

00:34:11.670 --> 00:34:16.140

Town of Parish: One amount for \$723,897 and 20 cents.

303

00:34:17.160 --> 00:34:32.100

Town of Parish: And the other amount of \$409,155 she transferred that to where she needed to transfer it to but I basically I have turned over to the town everything I am required to turn over further tax one now i'm working on county.

304

00:34:33.750 --> 00:34:34.890

Town of Parish: Now does anybody have any questions.

305

00:34:35.910 --> 00:34:37.140

Supervisor Phillips: Thanks Kevin I appreciate.

306

00:34:37.290 --> 00:34:40.590

Supervisor Phillips: It sounds like you're paid the bills.

307

00:34:42.210 --> 00:34:42.600

Supervisor Phillips: Yes.

308

00:34:43.650 --> 00:34:43.950

Town of Parish: Yes.

309

00:34:44.400 --> 00:35:04.380

Town of Parish: Yes, majority, so, but we still have a few problems today and we're tracking down that either still don't know how to write a check beat either sign it data with the numbers together make the work and not right or make it payable to the right person, I am not just a little county treasurer.

310

00:35:05.820 --> 00:35:07.590

Town of Parish: And or didn't add dependencies if it's that time.

311

00:35:07.590 --> 00:35:13.590

Town of Parish: Of the the collection period so we're catching those down yeah.

312

00:35:13.860 --> 00:35:14.880

Supervisor Phillips: I was just returning down.

313

00:35:16.980 --> 00:35:26.790

Supervisor Phillips: I was just nervous with coven that I wasn't sure how many people were going to be able to afford to pay their taxes, this year, but it sounds like so far, so good, the majority of them half so.

314

00:35:28.440 --> 00:35:29.490

Supervisor Phillips: Thank you appreciate it.

315

00:35:32.010 --> 00:35:34.860

Town of Parish: yeah one one good side is we didn't have to worry about counting cash.

316

00:35:36.360 --> 00:35:41.490

Supervisor Phillips: So do you have a way for people to pay for it with either credit card if they chose to or not.

317

00:35:44.550 --> 00:35:58.350

Supervisor Phillips: Because I have had people ask me, because if they pay for it with a credit card, I guess, they get money back don't ask me to clarify that they make money they can make some money on it, if they pay those bills like that, but we don't have a way to do that.

318

00:35:59.190 --> 00:36:01.230

Town of Parish: We don't have a way to do that no okay.

319

00:36:02.130 --> 00:36:02.520

Supervisor Phillips: Thank you.

320

00:36:03.420 --> 00:36:03.690

yep.

321

00:36:10.950 --> 00:36:14.520

Supervisor Phillips: Okay, and then there's a fire company report everybody got that.

322

00:36:17.190 --> 00:36:17.580

Supervisor Phillips: Yes.

323

00:36:19.290 --> 00:36:19.740

Supervisor Phillips: Okay.

324

00:36:21.180 --> 00:36:27.420

Supervisor Phillips: All right, old business, we need to amend the hours at the polls will be open for the water district number one vote on march 1.

325

00:36:28.110 --> 00:36:37.260

Supervisor Phillips: To me at the parish fire volunteer fire company the hours have been posted in my note, as well as the talent group has been telling people i'm assuming.

326

00:36:37.560 --> 00:36:51.210

Supervisor Phillips: That it's going to be 12 noon until 8pm that 9pm we had voted on that, so we need to amend I wrote on January 21 to reflect it's at 8pm and 9pm on march 1 I need emotion.

327

00:36:58.830 --> 00:37:00.540

Supervisor Phillips: But you moved it I need a second.

328

00:37:05.760 --> 00:37:07.350

Supervisor Phillips: Okay roll call vote, please.

329

00:37:16.380 --> 00:37:16.680

Yes.

330

00:37:19.620 --> 00:37:20.100

Supervisor Phillips: Yes.

331

00:37:25.860 --> 00:37:26.910

Supervisor Phillips: Yes, thank you.

332

00:37:30.930 --> 00:37:38.550

Supervisor Phillips: matt Johnson in the planning board and does the CPA have been going over for us, I emailed it to this TIM and i'm not sure how to say his name.

333

00:37:40.530 --> 00:37:46.260

Supervisor Phillips: Yes, it is, and he sent me a letter back I said, this is in the packet that I sent you.

334

00:37:48.240 --> 00:38:01.830

Supervisor Phillips: From actually mass send it to you with some questions that they have on the plan that we have approved based on that hang on I gotta find mansa know because I sent this to you, but you probably didn't get.

335

00:38:02.910 --> 00:38:09.960

Supervisor Phillips: The county planning board has reviewed the zoning amendments and has recommended some changes see the attached letter from them and that's the one.

336

00:38:10.230 --> 00:38:18.750

Supervisor Phillips: i'm talking about that that's gentlemen sent back to me I have reviewed the changes and feel that they are very minor but worth including in the document I have made those changes.

337

00:38:19.050 --> 00:38:24.630

Supervisor Phillips: and have attached a new draft of the proposed law to the email I believe he sent it to everybody.

338

00:38:25.500 --> 00:38:33.990

Supervisor Phillips: If the town board is in agreement with these changes, you are free to finish the adaptation process, the next step is to hold a public hearing.

339

00:38:34.350 --> 00:38:44.670

Supervisor Phillips: Afterwards the board can adapt because the moratorium on solar projects will expire soon you may want to hold a hearing on a special date, maybe sometime like March.

340

00:38:45.030 --> 00:38:50.700

Supervisor Phillips: 4 notice of the public carry would have to appear in the newspaper at least 10 days before the hearing.

341

00:38:51.540 --> 00:39:02.790

Supervisor Phillips: Unfortunately me, I cannot attend the meeting tonight, and he said that, let him know as soon as possible, if we want to move forward, as he suggested here, he sent this to me today this afternoon.

342

00:39:04.500 --> 00:39:24.930

Supervisor Phillips: I don't know if you guys got a copy of it or not, with what they with the county had made some suggestions and matt included it in this email, and let me see studies, it sounds to Kelly, he sent it to ball he sent it to me say to Gary so he sent it to most of us.

343

00:39:26.340 --> 00:39:31.920

Supervisor Phillips: As anybody had a chance to look at it, because I just got it today, I just wanted to put an ad, because if we need to.

344

00:39:32.400 --> 00:39:41.280

Supervisor Phillips: If we can't do something soon we're going to have to extend or unmannned whatever that moratorium vote that we had because we're gonna have to extend it we won't be able to get it done.

345

00:39:45.300 --> 00:39:46.620

Supervisor Phillips: He had talked to you about it.

346

00:39:53.460 --> 00:40:03.600

Town of Parish: If you're close to being done with your six month moratorium, then you haven't passed the amendments you wanted to do in that period, you would pass another local law before the more interesting.

347

00:40:05.310 --> 00:40:06.060
expired.

348
00:40:07.320 --> 00:40:07.650
Town of Parish: yeah.

349
00:40:09.060 --> 00:40:14.700
Town of Parish: It was out this before that or get things underway to
into a lot to extended another six months.

350
00:40:16.200 --> 00:40:23.460
Supervisor Phillips: Is that something that we should know is there,
something we should look at doing in case we're not sure what we want to
do with these suggestions.

351
00:40:25.380 --> 00:40:34.680
Town of Parish: Well, you probably want to talk to your guarantee and Bob
is on the zoom session so he can probably address that I guess the big
question is is.

352
00:40:35.760 --> 00:40:45.300
Town of Parish: How much lead time does the common attorney need to do
everything with the town board that you need to do to pass another.

353
00:40:46.410 --> 00:40:48.150
Town of Parish: Another moratorium on time.

354
00:40:52.170 --> 00:40:52.500
Supervisor Phillips: there.

355
00:40:55.710 --> 00:41:02.640
Town of Parish: It gives you like a drop dead date on when you need you
to amend and file your zoning.

356
00:41:05.310 --> 00:41:06.900
BGenant: i'm not sure I can't hear you Bob.

357
00:41:08.310 --> 00:41:09.570
Town of Parish: Well, let me get a little closer.

358
00:41:10.590 --> 00:41:18.390
Town of Parish: And we just saying it's kind of like a matter of of
logistics you've got a moratorium going with the date that cuts off.

359

00:41:18.660 --> 00:41:19.440

At some great.

360

00:41:20.460 --> 00:41:29.310

Town of Parish: How much in advance that you need to have a new moratorium local law in process to extend by another six months because that's kind of like the.

361

00:41:29.790 --> 00:41:37.650

Town of Parish: drop dead date for the decide to act on the zoning as it's been proposed to be amended if they can do it by then.

362

00:41:38.460 --> 00:41:50.520

Town of Parish: Then you're all set, but if you think your date for adopting this zoning is uncertain and you're not sure by that drop dead date for doing the new moratorium, then you do it.

363

00:41:50.550 --> 00:41:50.970

BGenant: I don't know.

364

00:41:52.470 --> 00:41:53.340

BGenant: i'd have to check.

365

00:41:54.750 --> 00:42:01.890

BGenant: I have to check and see how many times, you can do one more extension on your moratorium, there may be a limit on it number one.

366

00:42:02.490 --> 00:42:16.200

BGenant: And then number two number two you got to have some indication on when you think you could discuss and resolve the issues that the county said forth on their letter I haven't had a chance to read it, so I can't even speak to them.

367

00:42:17.130 --> 00:42:28.080

Supervisor Phillips: Well, we have an extended the moratorium at all Bob we did a new one, as the last one we've done two we did one, and it was too late to extend it so we had to do a new one, so we haven't done any extensions on them.

368

00:42:28.800 --> 00:42:37.530

Supervisor Phillips: You should be able, I would think at least be able to do it once i'm trying to be playing it safe, so that we don't let the time go by, because I know it's in March that it's up.

369

00:42:39.180 --> 00:42:43.590

Supervisor Phillips: tempo and it's it was a six month moratorium so what's up in March.

370

00:42:43.920 --> 00:42:45.330

BGenant: Sorry, well, let me check on that and.

371

00:42:45.330 --> 00:42:45.660

See.

372

00:42:49.950 --> 00:42:52.110

Town of Parish: Maybe check the news April Marianne.

373

00:42:53.160 --> 00:42:55.830

Supervisor Phillips: He said it's April September 20 and.

374

00:42:58.200 --> 00:42:59.070

Supervisor Phillips: Every manager.

375

00:43:01.410 --> 00:43:07.230

Town of Parish: Okay, good October October November, December January, February, March and April yeah.

376

00:43:07.560 --> 00:43:22.650

Supervisor Phillips: Well, I got it I got in September that we did it but okay so anyways it's April, but if Mr Hansen was here, and unfortunately he's not he made it sound like what we need to do, we should be able to do and not have to do that, within that timeframe, but I don't know what that means.

377

00:43:23.310 --> 00:43:23.940

Supervisor Phillips: I can't speak.

378

00:43:26.160 --> 00:43:27.360

Town of Parish: That was amendments.

379

00:43:28.470 --> 00:43:31.860

Town of Parish: I got a copy of the message out to all the board members.

380

00:43:33.150 --> 00:43:42.600

Town of Parish: On the proposed amendments and i'm sure he'd be happy to sit down with you either after before your next time board meeting or a special session to discuss it.

381

00:43:43.080 --> 00:43:51.240

Town of Parish: And that would put you still in March, which would mean if you were able to resolve it, you could get adopted before the current moratorium runs out.

382

00:43:52.380 --> 00:44:01.530

Supervisor Phillips: Are you are you guys interested in having a special meeting with matt to go over this to you know, so that we know where we stand and what we need to do to get it done.

383

00:44:04.020 --> 00:44:07.620

Town of Parish: You should receive an email from matt.

384

00:44:07.980 --> 00:44:08.760

Supervisor Phillips: yeah should.

385

00:44:11.250 --> 00:44:11.760

Town of Parish: We do.

386

00:44:12.810 --> 00:44:14.460

Town of Parish: next meeting next meeting early.

387

00:44:15.900 --> 00:44:21.090

Town of Parish: yeah we probably don't need more than half an hour on why don't we start the next meeting at six o'clock.

388

00:44:21.870 --> 00:44:25.170

Supervisor Phillips: yeah, but it also says something about another public hearing.

389

00:44:26.910 --> 00:44:35.970

Supervisor Phillips: Maybe some some something like march forth notice of the public hearing would have to appear in the newspaper at least 10 days before I don't know if this means we got to have another public hearing.

390

00:44:37.620 --> 00:44:38.040

Supervisor Phillips: ladder.

391

00:44:38.220 --> 00:44:42.540

BGenant: i'm sorry if you change if you change the law, then you have to have another public hearing.

392

00:44:43.020 --> 00:44:48.900

Supervisor Phillips: Okay, so if we have this meeting a half hour before our regular meeting in March to.

393

00:44:50.250 --> 00:44:53.130

Supervisor Phillips: discuss this, then we got to send another public hearing.

394

00:44:53.670 --> 00:44:59.100

Supervisor Phillips: right before we can adapt it, which means you may not be adapting it until April.

395

00:45:02.010 --> 00:45:05.400

Town of Parish: still do a special meeting in April to hold the public hearing adopt.

396

00:45:08.190 --> 00:45:11.040

Town of Parish: Well, you probably have to the data, he did it back in.

397

00:45:15.180 --> 00:45:17.400

Town of Parish: A month before word meeting.

398

00:45:20.250 --> 00:45:20.550

Town of Parish: it's my.

399

00:45:21.840 --> 00:45:23.520

Supervisor Phillips: pleasure guys, what do you want to do.

400

00:45:29.370 --> 00:45:29.640

yeah.

401

00:45:31.800 --> 00:45:32.010

Town of Parish: No.

402

00:45:33.030 --> 00:45:35.790

Town of Parish: Not to make sure he's well i'm guessing you should be.

403

00:45:36.750 --> 00:45:40.890

Supervisor Phillips: Is this just to talk over with matt or is this to do a public hearing at the same time.

404

00:45:41.250 --> 00:45:50.520

Town of Parish: You know this, this is to make sure that you are all comfortable with the revisions as matt has come up with them and response to the prior comments.

405

00:45:51.060 --> 00:46:01.770

Town of Parish: And then look at your note at the town board meeting that follows you can schedule the public hearing then once you're satisfied you're happy with everything matt did and bring it in line with what the town missions.

406

00:46:02.100 --> 00:46:07.890

Supervisor Phillips: Okay, all right so well, I asked me if you can be then the next meeting is march 18 so we'll start at six.

407

00:46:09.030 --> 00:46:09.210

yeah.

408

00:46:12.390 --> 00:46:14.010

Supervisor Phillips: yeah Okay, thank you, thanks ball.

409

00:46:15.150 --> 00:46:17.070

Supervisor Phillips: All right, it takes care of that one.

410

00:46:18.150 --> 00:46:27.120

Supervisor Phillips: Okay, building us to have you stepped in my office with some major concerns about us being locked out of the building and not ice, but the public being like.

411

00:46:27.480 --> 00:46:40.860

Supervisor Phillips: Out of the building when they want to come in to meet with anybody in the town I address that with Mr good at, and I also addressed it with the Mayor and I received nothing back he wanted to I guess he's talked to you guys individually.

412

00:46:42.270 --> 00:46:42.750

Supervisor Phillips: and

413

00:46:44.280 --> 00:46:48.330

Supervisor Phillips: You wanted to put it on the agenda tonight so it's on the agenda, I don't know where things stand.

414

00:46:48.570 --> 00:46:49.470

BGenant: nobody's got our work.

415

00:46:50.310 --> 00:46:52.260

BGenant: What the word, excuse me.

416

00:46:52.920 --> 00:46:54.480

BGenant: Can I can I speak.

417

00:46:54.840 --> 00:47:07.710

BGenant: yeah yeah what the Board has to do is decide what they are going to allow in terms of access okay that's Simply put, and then we just tell a village that that's what we're going to do.

418

00:47:09.780 --> 00:47:16.500

BGenant: Now the village could say the village could come back and say now, we don't want that, because we're in the building as well okay.

419

00:47:17.310 --> 00:47:27.840

BGenant: And then, then you got kind of a stalemate and you gotta you got to resolve it through some some type of a resolution, but right now you've got to decide the Boards got to decide.

420

00:47:28.290 --> 00:47:39.870

BGenant: How they want to open up the building if they do do they want to open it up with restrictions do you just want to open it up to the public for the monthly board meetings Heidi, how do you want to do it.

421

00:47:41.250 --> 00:47:45.510

Town of Parish: Well, why don't we just bring it up with the job board meetings coming up next month.

422

00:47:47.700 --> 00:47:52.470

Supervisor Phillips: Because I think this boys got to make a decision on what they want to do before we meet with them.

423

00:47:52.920 --> 00:47:53.370

Correct.

424

00:47:56.520 --> 00:47:57.510

Town of Parish: that's The bottom line is.

425

00:48:00.180 --> 00:48:00.810

Town of Parish: In the room.

426

00:48:03.900 --> 00:48:04.410

Town of Parish: What is it.

427

00:48:10.590 --> 00:48:10.920

Town of Parish: well.

428

00:48:14.790 --> 00:48:23.220

Supervisor Phillips: The issue is, you can have no more than 50 people at a public hearing, as long as they're six feet apart and wear masks.

429

00:48:23.490 --> 00:48:23.760

Now.

430

00:48:25.830 --> 00:48:27.210

BGenant: I think it's 50%.

431

00:48:27.660 --> 00:48:29.700

Supervisor Phillips: No that's not what I have.

432

00:48:30.360 --> 00:48:30.510

To.

433

00:48:33.330 --> 00:48:33.750

Town of Parish: Go ahead.

434

00:48:36.450 --> 00:48:36.930

Town of Parish: People.

435

00:48:37.980 --> 00:48:40.080

Supervisor Phillips: If that's that has to be a change in a very.

436

00:48:40.080 --> 00:48:49.080

Supervisor Phillips: big change and he did I need to see that change I haven't I haven't gotten it i've gotten a syllabus the 50 no more than 50 people.

437

00:48:50.190 --> 00:48:51.000

Supervisor Phillips: i'm allowed.

438

00:48:51.060 --> 00:48:53.940

Supervisor Phillips: At a public hearing, as long as you can smoke.

439

00:48:55.980 --> 00:48:56.280

i'm sorry.

440

00:48:58.560 --> 00:48:59.160

Supervisor Phillips: In the gym.

441

00:49:01.350 --> 00:49:05.100

Supervisor Phillips: In the gym is more than enough that workspace that we could have 50 people.

442

00:49:06.690 --> 00:49:11.040

Supervisor Phillips: are now more please have 50 people can't never room absolutely.

443

00:49:11.040 --> 00:49:11.370

Not.

444

00:49:13.050 --> 00:49:15.630

Town of Parish: Even sure what on board meeting so.

445

00:49:17.880 --> 00:49:24.330

Town of Parish: I mean what doesn't make you can't even come to our town board meeting yeah do it to the computer and a half a dozen people here.

446

00:49:24.750 --> 00:49:30.300

Supervisor Phillips: God you and one other counselor asked me to bring this up, I didn't bring it up.

447

00:49:30.750 --> 00:49:36.840

Supervisor Phillips: So don't give me the crap was the one that wanted it addressed so that's what we're doing a talk about how do you want it to.

448

00:49:36.840 --> 00:49:38.460

Supervisor Phillips: Take care of it if it's a boy.

449

00:49:41.640 --> 00:49:43.470

Supervisor Phillips: I didn't hear what you said, say it again and.

450

00:49:45.720 --> 00:49:57.960

Supervisor Phillips: 50% 50 people give me them black and white we'll go from there, in the meantime, what does the board want do you want the public to be able to come in and see me or see the town clerk or Steve.

451

00:49:58.800 --> 00:49:59.400

What do we have.

452

00:50:03.660 --> 00:50:04.770

Town of Parish: no idea what he said.

453

00:50:07.980 --> 00:50:08.310

Forget.

454

00:50:09.780 --> 00:50:10.890

Supervisor Phillips: where's the walk you.

455

00:50:12.780 --> 00:50:16.860

right through her right or the village they make an appointment right yeah.

456

00:50:19.320 --> 00:50:25.980

Town of Parish: Well nobody's been allowed in I haven't allowed anybody i've been making appointments on Tuesdays and Fridays when they're not here, so it doesn't.

457

00:50:28.650 --> 00:50:31.380

Town of Parish: So I would think we can do it by the Office committee appointments.

458

00:50:32.400 --> 00:50:35.820

Town of Parish: scheduled appointment appointment to the then you got one is.

459

00:50:37.140 --> 00:50:39.900

Town of Parish: called the Clerk and the assessor.

460

00:50:40.980 --> 00:50:43.230

Supervisor Phillips: don't forget me thank you very much.

461

00:50:44.040 --> 00:50:44.670

Town of Parish: Well, I.

462

00:50:46.770 --> 00:50:47.550

Town of Parish: mean everybody.

463

00:50:50.640 --> 00:50:52.500

Supervisor Phillips: wants does that, with the board wants.

464

00:50:53.700 --> 00:50:56.010

Town of Parish: I think i'd work good work.

465

00:50:58.980 --> 00:51:09.750

Supervisor Phillips: And we'd have to advertise that pocket put it on our websites and list the phone number, so that people wanted to come in to see us, they can make an appointment set it up everybody's okay with that yeah.

466

00:51:10.440 --> 00:51:10.800

yeah.

467

00:51:12.000 --> 00:51:12.990

Town of Parish: Start speeding up.

468

00:51:16.170 --> 00:51:26.430

Supervisor Phillips: that's the same with the tax collector well he's no he's not done with the tax collector so if they want to come in and pay their taxes can they do that, rather than dropping the stuff off in the in the box.

469

00:51:27.750 --> 00:51:29.550

Town of Parish: No, no, no.

470

00:51:33.540 --> 00:51:34.950

Town of Parish: you've had a few because i've seen.

471

00:51:34.980 --> 00:51:36.930

Supervisor Phillips: people down there paying for taxes.

472

00:51:39.960 --> 00:51:40.260

well.

473

00:51:41.430 --> 00:51:43.470

Supervisor Phillips: You have had some people come in and do that.

474

00:51:44.550 --> 00:51:44.820

Supervisor Phillips: Was.

475

00:51:47.010 --> 00:51:48.570

Town of Parish: There was only about.

476

00:51:50.370 --> 00:51:54.480

Town of Parish: 3045 days left of tax bills coming in.

477

00:51:55.950 --> 00:52:08.670

Town of Parish: And we very few people are paid I don't see a need to make an appointment people pay their tax bills know it seems to be working there either dropping it off or their mailing it in.

478

00:52:09.870 --> 00:52:12.480

Town of Parish: it's working fine don't monkey wrench the system.

479

00:52:12.930 --> 00:52:18.390

Supervisor Phillips: Okay, but kept going I have seen people there during the day, paying their taxes with cash.

480

00:52:19.170 --> 00:52:19.950

Supervisor Phillips: So I have seen.

481

00:52:21.600 --> 00:52:22.620

Supervisor Phillips: My problem is.

482

00:52:23.640 --> 00:52:27.840

Supervisor Phillips: If you're going to do what you stick with one way and that two ways that's my issue.

483

00:52:29.610 --> 00:52:30.750

Supervisor Phillips: Whichever way you want to do it.

484

00:52:31.590 --> 00:52:48.360

Town of Parish: Go ahead, I am I am sticking with one way and first of all, nobody has paid with Kathy because I make the deposits they're not been one single dollar taken in cash for me to take to the bank, so I don't know where you got your information wrong your information is wrong.

485

00:52:49.470 --> 00:52:50.700
Supervisor Phillips: Kevin nobody has.

486
00:52:53.160 --> 00:52:53.700
Supervisor Phillips: Kevin.

487
00:52:54.990 --> 00:52:55.530
Supervisor Phillips: Are you there.

488
00:52:56.280 --> 00:52:57.240
Town of Parish: Yes, yes.

489
00:52:57.900 --> 00:53:00.240
Town of Parish: Are you done, yes, yes.

490
00:53:01.050 --> 00:53:09.690
Supervisor Phillips: I have seen them pay the town clerk the cash through the window so maybe you can make the deposit Maybe she did but that's not the point.

491
00:53:09.960 --> 00:53:14.970
Supervisor Phillips: The point is, if you're good and do we need to do it for everybody, or we don't do it for anybody.

492
00:53:15.180 --> 00:53:16.650
Supervisor Phillips: Whichever way you like doing.

493
00:53:16.650 --> 00:53:16.740
It.

494
00:53:17.850 --> 00:53:18.060
Town of Parish: well.

495
00:53:18.600 --> 00:53:19.140
Dhaka.

496
00:53:20.730 --> 00:53:21.000
Supervisor Phillips: don't.

497
00:53:23.760 --> 00:53:26.070
Town of Parish: I have to because i'm halfway across the room, but back up.

498

00:53:26.490 --> 00:53:42.750

Town of Parish: Okay, my deputy who happens to be the town clerk if she has appointed with people that might be paying her dog licenses in cash, yes, but it is not a tax bill has been paid in cash, not one tax bill has been paid in cash okay good.

499

00:53:43.110 --> 00:54:00.360

Town of Parish: So you said deputy if you can cash as the town clerk is because it's a text because it's a dog ISIS or a marriage license or something else that is within town clerk's responsibilities as my deputy no money has been taken in in the form of cash coins or currency.

500

00:54:02.370 --> 00:54:02.850

Supervisor Phillips: Okay.

501

00:54:11.610 --> 00:54:12.360

Supervisor Phillips: Okay, so.

502

00:54:12.480 --> 00:54:22.290

Supervisor Phillips: Tom board, what are you looking to have done, you want people to will advertise it that they can call and make an appointment to come into the building to meet with whoever they have to meet with.

503

00:54:23.730 --> 00:54:25.470

Supervisor Phillips: Yes, is that what you want yeah.

504

00:54:27.930 --> 00:54:32.010

Supervisor Phillips: until further notice well at least until the building's opened right.

505

00:54:33.180 --> 00:54:33.600

Supervisor Phillips: Yes.

506

00:54:35.670 --> 00:54:45.720

Supervisor Phillips: um do I have to vote on this, because if I put this out, or we put it out and we don't vote on it, I don't want to hear that we didn't say that, so I guess I need a motion, or do you want to wait.

507

00:54:46.050 --> 00:54:46.500

Supervisor Phillips: Do you want it.

508

00:54:50.040 --> 00:55:04.950

Town of Parish: i'm healing my own department Fridays, I need her scheduling word all we're doing is saying that we approved people make an appointment so i'm in charge of my own I don't want to write advertising anything for my.

509

00:55:06.750 --> 00:55:08.760

Town of Parish: And I never died we're just saying it's okay to.

510

00:55:12.060 --> 00:55:13.050

Supervisor Phillips: say it again.

511

00:55:16.140 --> 00:55:17.610

Town of Parish: leave it up to their own purpose.

512

00:55:19.020 --> 00:55:19.380

Town of Parish: I know.

513

00:55:20.970 --> 00:55:23.790

Town of Parish: it's going to be thrown back in our faces, just like it was about two.

514

00:55:26.460 --> 00:55:27.780

Town of Parish: different departments can take.

515

00:55:30.570 --> 00:55:35.670

Town of Parish: Before we advertise if we get a village, or are we right.

516

00:55:37.590 --> 00:55:40.470

Town of Parish: now have the ability to say no, so we got to meet with them first.

517

00:55:43.770 --> 00:55:52.200

Town of Parish: let's make them bigger motion that each and permit handle their appointments whatever days they want.

518

00:55:54.270 --> 00:55:55.470

Town of Parish: Okay, with a dashboard.

519

00:55:55.830 --> 00:55:58.980

Supervisor Phillips: for people to be able to call and come in and make an appointment come in.

520

00:56:00.360 --> 00:56:01.620

Supervisor Phillips: Yes, right for.

521

00:56:02.730 --> 00:56:06.750

Town of Parish: Each department gets up their own guidelines and when they want a new appointments no.

522

00:56:06.810 --> 00:56:12.240

Supervisor Phillips: way man each each department will do appointment phone phone appointments and have people come in.

523

00:56:14.130 --> 00:56:17.460

Supervisor Phillips: The days and times i'm not saying it's going to be from nine to five.

524

00:56:17.610 --> 00:56:18.420

You know I know you're.

525

00:56:22.230 --> 00:56:33.240

Supervisor Phillips: going to say that it's it's a advertise that town offices are available by appointment only you need to call it, and set up an appointment with that department in order to come in the building yes.

526

00:56:38.400 --> 00:56:40.140

Town of Parish: Without the villages okay.

527

00:56:42.840 --> 00:56:44.760

Supervisor Phillips: Why why.

528

00:56:45.960 --> 00:56:46.980

Supervisor Phillips: Are you still on.

529

00:56:47.940 --> 00:56:48.390

BGenant: i'm here.

530

00:56:48.960 --> 00:56:55.560

Supervisor Phillips: Okay, so if the board makes a decision and see how they want to do it God only knows what they have or not, but if they do.

531

00:56:56.730 --> 00:56:59.700

Supervisor Phillips: We have to get the villages permission to do this.

532

00:57:00.360 --> 00:57:01.650

BGenant: No, I don't think so.

533

00:57:01.650 --> 00:57:03.150

BGenant: Not if you're doing it by appointment.

534

00:57:04.050 --> 00:57:11.310

Supervisor Phillips: Okay, so if we vote on it, tonight we don't have to run that by the village, we can just tell them at the joint board meeting that that's what we're going to be doing.

535

00:57:11.670 --> 00:57:19.080

Supervisor Phillips: Correct okay guys, are you okay with that guys I am yeah guys.

536

00:57:22.470 --> 00:57:27.660

Town of Parish: Every single day, I still think we should ask the Villa data kind of a courtesy of that sorry.

537

00:57:29.910 --> 00:57:36.360

Supervisor Phillips: Well, they didn't ask us if they could lock us out of the building as of December 14 when we read the building.

538

00:57:40.320 --> 00:57:41.580

What someone's going to take he.

539

00:57:43.260 --> 00:57:45.660

Town of Parish: ran on an apartment tell me when I.

540

00:57:50.370 --> 00:57:50.670

Supervisor Phillips: See.

541

00:57:51.600 --> 00:57:52.920

Town of Parish: People taking the village clothes.

542

00:57:55.410 --> 00:57:55.830

clothes.

543

00:57:57.630 --> 00:58:10.980

Town of Parish: This deal with it, saying that they can make appointments not telling them when they can make them fly through it just saying that

they can call and make an appointment right the job Barber Barber they only want to make appointments on Friday and so being.

544

00:58:12.330 --> 00:58:13.800

Town of Parish: At the beach in digital department.

545

00:58:16.560 --> 00:58:24.330

Supervisor Phillips: I mean they're not going to know if you're if you have appointments every day you're just gonna say okay my next appointment available a availability is whenever.

546

00:58:27.480 --> 00:58:27.750

Town of Parish: Right.

547

00:58:29.790 --> 00:58:43.440

Town of Parish: Balance open by appointment, depending on the department Okay, they make up their own appointments the public offices and departments are open by appointment only you need the ball head department to set up your appointment.

548

00:58:44.280 --> 00:58:48.570

Supervisor Phillips: Right in this town, we say for the town office.

549

00:58:50.970 --> 00:58:55.470

Supervisor Phillips: department Names and Numbers and then they can call them make the appointments yes.

550

00:59:01.800 --> 00:59:04.470

Town of Parish: make appointments on Tuesdays and Fridays here.

551

00:59:10.410 --> 00:59:10.920

Supervisor Phillips: Yes.

552

00:59:12.270 --> 00:59:18.540

Town of Parish: it's up to each individual department, but I don't believe, like Bob says we need permission from the county because we pay at least.

553

00:59:21.660 --> 00:59:24.630

Supervisor Phillips: I is that OK Bob if we do it that way.

554

00:59:25.890 --> 00:59:27.390

BGenant: Are you how are you proposing it now.

555

00:59:28.080 --> 00:59:34.050

Supervisor Phillips: That we're going to advertise it each town office will be available to the public by appointment only.

556

00:59:35.610 --> 00:59:39.900

Supervisor Phillips: And they can put the names and the numbers down so they can call to make an appointment.

557

00:59:41.430 --> 00:59:42.480

Supervisor Phillips: Only i'm sorry.

558

00:59:42.960 --> 00:59:43.470

BGenant: gonna work.

559

00:59:44.160 --> 00:59:49.740

Supervisor Phillips: Okay now Jim Jim bernice and the assessor our town and village.

560

00:59:51.540 --> 00:59:53.100

Supervisor Phillips: Can I still say it that way.

561

00:59:54.270 --> 00:59:54.570

BGenant: yeah.

562

00:59:55.770 --> 00:59:58.260

Supervisor Phillips: Okay, so is everybody okay with that that way.

563

00:59:59.460 --> 00:59:59.790

Town of Parish: No.

564

01:00:02.070 --> 01:00:02.340

Supervisor Phillips: Wait.

565

01:00:05.100 --> 01:00:08.130

Town of Parish: The town pays them so technically their town.

566

01:00:09.210 --> 01:00:12.900

Supervisor Phillips: Why no but the he also covers villages, when I met both of them so.

567

01:00:14.460 --> 01:00:25.920

Supervisor Phillips: Okay, so is everybody okay with that so, then I need a motion to advertise that the town is going to be open to the public, town offices by appointment only.

568

01:00:26.520 --> 01:00:34.710

Supervisor Phillips: and put the Names and Numbers in there to call and make an appointment to step in to see whoever to conduct business, I guess, or whatever something to that effect.

569

01:00:37.770 --> 01:00:38.760

Supervisor Phillips: I need emotion.

570

01:00:40.620 --> 01:00:41.250

emotion.

571

01:00:42.510 --> 01:00:43.050

Supervisor Phillips: Second.

572

01:00:46.950 --> 01:00:50.460

Supervisor Phillips: Second, oh okay roll call vote, please.

573

01:00:58.590 --> 01:00:58.980

Yes.

574

01:01:00.750 --> 01:01:01.110

Yes.

575

01:01:05.070 --> 01:01:05.460

Supervisor Phillips: Yes.

576

01:01:10.350 --> 01:01:18.030

Supervisor Phillips: Yes, thank you, do you want me to write that up you want the town clerk to write that up or what because pocket also put it on our website.

577

01:01:19.260 --> 01:01:20.310

Town of Parish: No, no, no.

578

01:01:22.770 --> 01:01:23.190

Supervisor Phillips: All right.

579

01:01:25.110 --> 01:01:30.600

Supervisor Phillips: Make sure all the Names and Numbers are listed Okay, thank you for that one thanks Bob yeah.

580

01:01:32.190 --> 01:01:32.820

Supervisor Phillips: Okay.

581

01:01:36.030 --> 01:01:39.600

Supervisor Phillips: Well that's the same thing it's the same as be we already did that we're going to set that for.

582

01:01:40.080 --> 01:01:48.690

Supervisor Phillips: You okay new business, we need to set up some dates and times to interview the assessor candidates, I have for that i've received paperwork from.

583

01:01:49.320 --> 01:01:55.440

Supervisor Phillips: I know I don't know if you all have the paperwork as well, is it going to be a zoom is it going to be in person.

584

01:01:56.220 --> 01:02:00.810

Supervisor Phillips: How many of us are going to do the interviews, because if it's three or more it's going to be a meeting.

585

01:02:01.170 --> 01:02:16.470

Supervisor Phillips: And I think when when Doug and I interviewed the assessor holy cow way back when it was just like to have us, or do you might have been Dale I think it was just two of us that did the interviews and then they came back to the board with some suggestions and whatever.

586

01:02:17.970 --> 01:02:19.140

Town of Parish: Last assessor.

587

01:02:20.880 --> 01:02:22.710

Town of Parish: Ever dies right.

588

01:02:22.740 --> 01:02:31.170

Supervisor Phillips: No, we didn't we have one we had one and that's who we went with So how do you want to do it we've already advertised and we got for applications.

589

01:02:32.940 --> 01:02:33.690

Town of Parish: Maybe the.

590

01:02:35.610 --> 01:02:40.260

Town of Parish: Maybe the Board has a recommendation, do you do it now, are you doing executive session.

591

01:02:41.130 --> 01:02:44.400

Supervisor Phillips: um he's got the paperwork over you mean.

592

01:02:52.950 --> 01:02:56.640

Supervisor Phillips: You have to interview guys you can't make a decision based on paper.

593

01:03:07.290 --> 01:03:08.520

going on with the orders as.

594

01:03:10.650 --> 01:03:11.010

well.

595

01:03:13.140 --> 01:03:14.850

yeah yeah it's just stupid.

596

01:03:16.200 --> 01:03:19.980

Well, you can do your mother, but it is the most.

597

01:03:30.600 --> 01:03:32.520

Town of Parish: yeah why don't we just start by second session.

598

01:03:34.140 --> 01:03:34.980

Supervisor Phillips: second session.

599

01:03:39.870 --> 01:03:53.850

Supervisor Phillips: The process is not executive session, the people are executive session, not the process, so you can discuss in an open session, if you want just two board members to do it that's great.

600

01:03:55.500 --> 01:03:57.540

Supervisor Phillips: But you gotta have interviews.

601

01:04:08.100 --> 01:04:08.580

Town of Parish: Whatever.

602

01:04:09.150 --> 01:04:10.110
Supervisor Phillips: what's that mean Jen.

603
01:04:14.940 --> 01:04:15.240
well.

604
01:04:17.910 --> 01:04:19.410
Town of Parish: come down there they all have a time.

605
01:04:20.640 --> 01:04:32.550
Supervisor Phillips: Yes, I think, if you have to pick one night or maybe two nights you can do to in one night, you might be able to do all of them all night, if you give my half hour each and you can cover off for one night.

606
01:04:41.520 --> 01:04:41.790
Just.

607
01:04:42.810 --> 01:04:43.290
one hour.

608
01:04:50.040 --> 01:04:57.390
Town of Parish: Okay, in a class second class town, we not have the right to set hours for the sensitive.

609
01:04:59.640 --> 01:05:11.520
Town of Parish: Just pay first class town consent hours of mandate you got to put in 20 hours a week or you got to play 30 hours a week second class town does not have that authority I looked it up.

610
01:05:12.870 --> 01:05:20.610
Town of Parish: So if it's if it's doing interviews to tell them hey we want to hear so many hours a week, we don't have that already.

611
01:05:21.870 --> 01:05:27.750
Supervisor Phillips: know the interview would be of the four which one, do you think would work best in the town and village and Parish.

612
01:05:28.530 --> 01:05:38.640
Supervisor Phillips: The the working hours or something else, this is strictly who they are, you know what have they done what can they bring to the table for us and will they be able to do it.

613

01:05:39.960 --> 01:05:50.820

Supervisor Phillips: I don't know how many in looking at their paperwork I don't know how many of them had two or three towns under their belt, they have some but I didn't get the total from anybody and I haven't talked to anybody.

614

01:05:57.600 --> 01:05:58.830

Town of Parish: Because that's what they do.

615

01:06:00.390 --> 01:06:07.140

Town of Parish: i'm working for him and wants due on each town, so they do a bunch of towns, you probably see that maybe once a month.

616

01:06:08.910 --> 01:06:09.360

Town of Parish: So.

617

01:06:12.270 --> 01:06:18.330

Supervisor Phillips: yeah The other thing to consider, too, is, I think, in the past we've had a clerk for the assessor.

618

01:06:18.720 --> 01:06:23.100

Supervisor Phillips: So maybe if you're looking at hiring somebody that's a little bit different like you're saying Gary.

619

01:06:23.340 --> 01:06:32.070

Supervisor Phillips: Maybe we could hire a clerk to keep the records and I don't know what i'm talking about because I don't want to keep the records up post, whatever they have to do, and he or she just does.

620

01:06:33.360 --> 01:06:37.770

Supervisor Phillips: Whatever their job is Do you know what I mean a consideration not that you need to do that.

621

01:06:43.020 --> 01:06:43.620

Before.

622

01:06:49.890 --> 01:06:50.340

I got.

623

01:06:52.290 --> 01:06:58.500

Town of Parish: My idea, who I was not ready, but up to whatever the board wants to do my idea so it's up to you guys.

624

01:07:00.660 --> 01:07:06.300

Town of Parish: I know I know we got it we're supposed to get one ASAP because my first was a deadline so yeah.

625

01:07:07.500 --> 01:07:07.800

I know.

626

01:07:10.230 --> 01:07:10.980

Supervisor Phillips: Joe has been.

627

01:07:13.980 --> 01:07:14.010

yeah.

628

01:07:18.360 --> 01:07:21.780

Town of Parish: there's two board members I got their mind made up already so.

629

01:07:22.350 --> 01:07:31.290

Supervisor Phillips: I don't know when you know how can you do it without meeting the people do you know these people, maybe no nevermind don't answer the question I just feel that we all.

630

01:07:32.490 --> 01:07:33.540

Town of Parish: The time to interview.

631

01:07:35.460 --> 01:07:38.100

Town of Parish: We don't know why you do it so what's the difference.

632

01:07:38.970 --> 01:07:40.350

Supervisor Phillips: Because i'm an elected official.

633

01:07:45.480 --> 01:07:48.870

Town of Parish: perform the job because we need some money and sleepy.

634

01:07:49.320 --> 01:07:54.150

Supervisor Phillips: I agree that's the worst time of the year, for us to lose the assessor but.

635

01:07:54.630 --> 01:08:00.480

Supervisor Phillips: that's out of our hands don't disagree, Jan we're hearing what do you think.

636

01:08:03.690 --> 01:08:05.820

Town of Parish: i'm trying to catch up on these resumes.

637

01:08:06.330 --> 01:08:13.050

Supervisor Phillips: I haven't even looked I just printed them I haven't even read all of them, because I figured we were going to be doing interviews.

638

01:08:14.850 --> 01:08:15.480

Town of Parish: I read on.

639

01:08:26.220 --> 01:08:27.000

That we are a.

640

01:08:32.010 --> 01:08:36.420

Town of Parish: Southern girl you got one down there the Norwich and everything else, I mean.

641

01:08:38.280 --> 01:08:42.450

Town of Parish: yeah we got one here that four miles away, they can be here yeah all the time.

642

01:08:46.620 --> 01:08:47.970

Town of Parish: Are you gonna do it.

643

01:08:50.160 --> 01:08:50.610

Town of Parish: yeah.

644

01:08:51.660 --> 01:08:54.510

Town of Parish: I say we vote on somebody in office tonight.

645

01:08:55.740 --> 01:08:56.460

Supervisor Phillips: Are you kidding.

646

01:08:57.660 --> 01:08:58.260

Town of Parish: No.

647

01:08:58.380 --> 01:09:01.830

Supervisor Phillips: You know these people do you know these people that have applied.

648

01:09:02.580 --> 01:09:03.360

Town of Parish: yeah the one that.

649

01:09:05.760 --> 01:09:09.120

Supervisor Phillips: I know we know one, but the other ones, you know those people that have applied.

650

01:09:11.130 --> 01:09:11.430

Town of Parish: yeah.

651

01:09:14.700 --> 01:09:17.400

Supervisor Phillips: Well then, I guess that part we're going to have to discuss an exact.

652

01:09:19.980 --> 01:09:21.870

Supervisor Phillips: Okay, put that off till exact.

653

01:09:23.160 --> 01:09:23.610

Supervisor Phillips: Yes.

654

01:09:27.420 --> 01:09:36.690

Supervisor Phillips: We are well, this is a surprise to me that you guys are ready to do this and you haven't even met the people okay so we'll do that when, after all right.

655

01:09:37.980 --> 01:09:49.080

Supervisor Phillips: Speed sales tax withholding the to distressed provider asst account letter I got a letter from the state and I ended up calling oh man I gotta find out.

656

01:09:56.580 --> 01:09:59.760

Supervisor Phillips: It came from the office of state controllers that the.

657

01:10:00.840 --> 01:10:20.250

Supervisor Phillips: powers to be down itself are saying they want to take our sales tax from the county from certain places, certain dollar amount away from us to go to the distressed provider assistance account to fund financially distressed hospitals and nursing homes i'm like holy cow.

658

01:10:21.510 --> 01:10:29.070

Supervisor Phillips: So I called up the office, the state capital is they told me to call us we go I talked to Kevin Gardner, who is the treasure.

659

01:10:29.520 --> 01:10:36.360

Supervisor Phillips: And he said that, regardless of what the letter says that everybody in the county of us we go is still going to get the same thing that they got.

660

01:10:36.870 --> 01:10:50.430

Supervisor Phillips: Last year, for sales tax, so he said don't worry about it, so I just wanted to share that with you because I was worried about it because I know at least what part of it, that we got in was 140 4400 14,000 i'm sorry.

661

01:10:51.120 --> 01:10:59.640

Supervisor Phillips: That we use toward you know different departments self upsell cross sell that made me a little nervous, but he said don't worry about it so it's always right.

662

01:11:00.750 --> 01:11:01.200

Supervisor Phillips: Okay.

663

01:11:03.900 --> 01:11:04.200

Supervisor Phillips: mark.

664

01:11:05.280 --> 01:11:10.440

Supervisor Phillips: That was the part that I was going to ask Kelly about so here's the part Kelly we're going to ask you some questions.

665

01:11:12.210 --> 01:11:18.240

Supervisor Phillips: Have you picked some instructors election inspectors who are they person to do the sanitizing.

666

01:11:20.550 --> 01:11:21.270

What the questions.

667

01:11:22.680 --> 01:11:34.500

Supervisor Phillips: Are have been requested, how long do we have to wait to finalize the results, and if the outcome is positive is the board interested in holding a special meeting to vote on the resolution ahead of our next meeting hold on hold on.

668

01:11:35.880 --> 01:11:36.300

675

01:12:39.510 --> 01:12:49.140

Town of Parish: Election inspectors do not need to deal with unhappy voters or attitudes, the voters ids will be checked with those names on the deeds and or for registration list.

684

01:14:14.490 --> 01:14:24.750

Town of Parish: During the past presidential election nationwide there were many organizations on both sides of the political aisle that there were errors with cutting up the balance summer correct somewhere not.

694

01:15:40.380 --> 01:15:43.740

Town of Parish: Like clarify this Rotary water boat Marianne.

695

01:15:45.810 --> 01:15:49.860

Town of Parish: Is is it one person per diem deck and vote on it.

696

01:15:51.570 --> 01:16:03.000

Supervisor Phillips: No it's if there's five people listed on the deed like guy like I would list my son or my kids and my husband whatever if I if there's five names on that D they get five volts.

697

01:16:03.930 --> 01:16:06.090

Supervisor Phillips: Now somebody asked me today what if they're not.

698

01:16:06.600 --> 01:16:08.700

Supervisor Phillips: Eating I don't know how that one works I.

699

01:16:08.700 --> 01:16:08.910

Town of Parish: mean.

700

01:16:08.940 --> 01:16:09.660

What if they're killed.

701

01:16:12.270 --> 01:16:17.100

Town of Parish: What happens if you own more than one parcel the prop in the water district.

702

01:16:17.520 --> 01:16:18.840

Supervisor Phillips: You only get one vote one.

703

01:16:19.920 --> 01:16:35.250

Town of Parish: All right, go back to this deep thing I know you received an email from a tech person, and we did saying that it's all in one for name ID and you never responded back to them.

704

01:16:36.180 --> 01:16:37.980

Supervisor Phillips: I never got that one I would imagine.

705

01:16:41.400 --> 01:16:48.480

Supervisor Phillips: No, I didn't get that one i'm sorry I don't i'm not in the habit of not responding, but if it's if there's one name on the deed.

706

01:16:48.840 --> 01:17:00.480

Supervisor Phillips: that's the only person that gets to vote if there's five on the deed then there's five accountable and if you own 22 separate if you own 20 separate parcels you still only get one vote.

707

01:17:01.560 --> 01:17:02.550

Supervisor Phillips: So what was your question.

708

01:17:03.990 --> 01:17:05.460

Town of Parish: About registered voters.

709

01:17:07.980 --> 01:17:13.380

Supervisor Phillips: If there, according to what the lawyer said you guys got the paperwork, the same as me but anyways.

710
01:17:13.680 --> 01:17:15.240
Supervisor Phillips: According to Mr Russell.

711
01:17:18.210 --> 01:17:18.810
Town of Parish: So.

712
01:17:19.200 --> 01:17:20.460
Supervisor Phillips: i'm sorry to.

713
01:17:21.480 --> 01:17:23.160
Supervisor Phillips: say it again, another email.

714
01:17:25.020 --> 01:17:33.750
Town of Parish: You got an email to St we're doing this all wrong thing there's only one person on the D, they can vote if it don't cover it five names or 10 names.

715
01:17:34.680 --> 01:17:35.430
Supervisor Phillips: Who said that.

716
01:17:39.540 --> 01:17:41.280
Town of Parish: God drawers office in the state.

717
01:17:42.270 --> 01:17:44.040
Supervisor Phillips: Well i'm telling you what he say.

718
01:17:44.580 --> 01:17:51.450
Supervisor Phillips: He said in town law he's a municipal lawyer, he citing town law and that's not what it says.

719
01:17:51.810 --> 01:18:03.660
Supervisor Phillips: And i'm going by him he's the guy we hired to be the lawyer for this water district whatever he says, as far as i'm concerned goes, because I don't know i'm not gonna pretend to know, but I can tell you what he said.

720
01:18:05.730 --> 01:18:09.480
Supervisor Phillips: Yes, and that's what he said, if you're a voter, and you live in the.

721
01:18:09.480 --> 01:18:10.890
Town of Parish: district, and you don't own any.

01:18:14.010 --> 01:18:15.180

Supervisor Phillips: No all right.

724

01:18:16.950 --> 01:18:29.370

Supervisor Phillips: Kelly is there a time frame for if somebody gets an absentee ballot say two days before the vote, do we have to wait so long before those ballots come back before we can completely count.

725

01:18:31.140 --> 01:18:39.660

Supervisor Phillips: It has to be both by March by me or March 1, it has to be smart right day but I mean is there.

Supervisor Phillips: It can you say it again.

728

01:18:49.830 --> 01:19:06.990

Supervisor Phillips: Wait a week Okay, so we have to wait a week if we if we don't get some of those back you would know because you know how many you sent out, but if we didn't get them all back, would we have to wait a week before we would have the final count I would believe so, because it has to be postmarked.

Supervisor Phillips: So we got.

911

01:34:46.260 --> 01:34:54.990

Town of Parish: People in the town do our clients, so far as i'm concerned the positions are making I don't know what the board view but that's what i've read.

912

01:34:56.010 --> 01:35:09.690

Supervisor Phillips: Well, I talked to the office of state comfortable is about that two weeks ago and they said that's not true elected officials, yes, appointed officials that make decisions, yes, but others that are on committees know.

913

01:35:10.770 --> 01:35:17.370

Supervisor Phillips: They do not know office and they don't have to fill out the card that's what I was told Gary that was.

914

01:35:17.550 --> 01:35:18.240

Two weeks ago.

915

01:35:22.530 --> 01:35:25.710

Town of Parish: there's nothing to do every year in turn.

916

01:35:26.760 --> 01:35:31.140

Town of Parish: Turn because they have to take in state take your car to the Clerk.

01:35:50.220 --> 01:36:01.290

Town of Parish: We made a motion that there's no more get paid per meeting it's a salary that's it and I think the letter should go out to the Chair people letting them know they don't have to take attendance for the meeting anymore.

925

01:36:04.050 --> 01:36:17.880

Town of Parish: Right, I agree, I think we should send a letter to the board that we're not we're not paying them hourly anymore we're paying them salary and they don't have to take a ton of sheets anymore.

926

01:36:18.210 --> 01:36:32.100

Supervisor Phillips: We know, I told you, you guys decided to do that, and I said no i've been told by the control is how it's supposed to go and i'm sticking with that and if the if i'm doing it wrong then you're gonna have to take me to task on it, but i'm not changing that nobody's getting paid.

927

01:36:32.190 --> 01:36:32.730

Nothing.

928

01:36:35.130 --> 01:36:37.620

Supervisor Phillips: I know what you guys voted, and I know what you said.

929

01:36:38.310 --> 01:36:38.700

So.

930

01:36:40.740 --> 01:36:43.470

Supervisor Phillips: we'll get through this meeting tonight if that's possible.

931

01:36:46.470 --> 01:36:50.160

Town of Parish: yeah, why not have meetings and if you're gonna be in the collaborative illegal.

940

01:37:19.620 --> 01:37:22.140

Supervisor Phillips: But it doesn't matter at this point, can we move on.

941

01:37:23.910 --> 01:37:26.430

Supervisor Phillips: i'm moving and can we move on.

949

01:37:59.520 --> 01:38:08.010

Town of Parish: No can't because we got to figure out what boards emotions do because if that's the case, why don't you just run this whole town, like you, are by yourself.

950

01:38:11.940 --> 01:38:15.990

Town of Parish: With a gourd you don't use letters in the mail out you don't do nothing.

951

01:38:17.040 --> 01:38:19.140

Town of Parish: you're not even listening to the board members.

952

01:38:22.260 --> 01:38:24.810
