00:01:09.480 --> 00:01:09.900

Parish Planning Board: OK.

14

00:01:11.130 --> 00:01:28.620

Parish Planning Board: we're a hybrid zoom and actually we're actually here tonight, so we don't have to deny right okay new business polymer miners subdivision can tannery he'll dry yeah we're busy I saw this he yeah he is, can you just said.

15

00:01:30.000 --> 00:01:31.590

Parish Planning Board: I think he really made a restaurant.

16

00:01:35.190 --> 00:01:38.070

Parish Planning Board: Well let's go on Christmas, you said yes.

17

00:01:40.200 --> 00:01:43.500

Parish Planning Board: Yes, he can what what it is, I can set up an exploit.

18

00:01:44.760 --> 00:01:49.920

Parish Planning Board: up on 26 stone road 26 heads down towards am boy.

19

00:01:51.750 --> 00:02:00.660

Parish Planning Board: there's there's a large parcel I think it's hundred and 53 acres bought 20 acres is on the North side of.

20

00:02:02.460 --> 00:02:16.950

Parish Planning Board: Mr Christmas asked me if he if they Mr Decker owns the whole parcel and Mr Christmas asked me if he had to survey the 20 acres on the North side.

21

00:02:17.910 --> 00:02:27.690

Parish Planning Board: Before he presented to the board, and I told him my opinion was yes, because the whole parcel is under one tax number.

22

00:02:28.230 --> 00:02:41.490

Parish Planning Board: There for the whole thing had to be surveilled, this is a an boy and parish issue right I yeah I think it will be an image and the majority is in parish or and boy that's a parish lipstick here yeah.

23

00:02:42.300 --> 00:02:50.340

Parish Planning Board: yeah yeah see there's just one here Okay, so we justifies the surveys what you want to do that well.

24

00:02:51.930 --> 00:02:53.370

Parish Planning Board: that's what they got in June.

25

00:02:54.900 --> 00:03:01.680

Parish Planning Board: Christmas surveyed the big pieces there yeah he's gonna I don't think that's as far as I know, right now, a little piece.

26

00:03:02.160 --> 00:03:12.420

Parish Planning Board: dagger didn't want a survey he didn't want to pay for Christmas said he wasn't gonna pay to have that 20 acre survey, I told him I said I don't care, who surveys it.

27

00:03:12.810 --> 00:03:24.150

Parish Planning Board: You have to have that 20 acres in because if it's not in there, we can't split it right, and I said then you'll take it it'll go once we've done our our self.

28

00:03:24.900 --> 00:03:35.220

Parish Planning Board: it'll work the county and then you don't have to tax numbers and so, and the other question, he asked was can he come before the board next month.

29

00:03:35.850 --> 00:03:44.640

Parish Planning Board: If he's obviously hopefully this better and show us what he wants to do with a big chunk that's fine I mean My only concern is now we have to do.

30

00:03:45.960 --> 00:03:51.960

Parish Planning Board: And boy has been involved Okay, I mean, who has no song well yeah but we.

31

00:03:53.490 --> 00:04:12.060

Parish Planning Board: will do we select them, because if they subdividing part into the other part, and another municipality, then we have to coordinate with them very good yeah did Paul they still don't

have a zoning board I copy it as a pilot and foremost on amanda and development regulations yeah.

32

00:04:14.520 --> 00:04:20.580

Parish Planning Board: zones, but the lemon golden relations they have implemented other provisions right yeah but they haven't planning board, so we can.

33

00:04:21.150 --> 00:04:26.160

Parish Planning Board: yeah we can utilize them so yeah OK so so, then I can tell him to bring.

34

00:04:26.580 --> 00:04:36.390

Parish Planning Board: Yes, very good next month, and the two of them and find out what they're going to do, but they have to have it that's all I wanted from the board with well I don't see any other way around it, I mean you can't I mean.

35

00:04:37.200 --> 00:04:44.610

Parish Planning Board: He says what we're using the road as a note, and I said, but still it's one tax metro right through it right counties that go to.

36

00:04:46.230 --> 00:04:48.750

Parish Planning Board: college and I knew that I didn't think so, so now.

37

00:04:55.560 --> 00:05:06.360

Parish Planning Board: Well, thank you so much, we go so, by the way the Clerk is doing great I mean when I left he sends out you're getting those notices of anybody files and stuff it's like that's what we were fight.

38

00:05:09.390 --> 00:05:21.600

Parish Planning Board: Harold pictures fighting for that, when I was first on the board when fran longer was Chairman no i'm too far away, and they were fighting for so probably take a couple letters up in his grave and saying one, Harold.

39

00:05:24.720 --> 00:05:25.500

Parish Planning Board: So flower.

40

00:05:27.690 --> 00:05:44.310

Parish Planning Board: heroines ever hear us yes okay Christmas will move that to the next one tiny janda farmer minor subdivision and can really see the severe here would you like to come up cluster bar down and present your information is sent to us.

41

00:05:48.390 --> 00:05:51.210

Parish Planning Board: back so I dropped off a bunch of the copies.

42

00:05:53.340 --> 00:05:54.660

Parish Planning Board: Of the guy go to drop off.

43

00:05:55.830 --> 00:05:56.220

Parish Planning Board: check.

44

00:05:58.740 --> 00:05:59.460

Parish Planning Board: More copies of.

45

00:06:01.050 --> 00:06:02.130

Parish Planning Board: The projects that we got.

46

00:06:07.080 --> 00:06:08.010

Parish Planning Board: Just the one that was.

47

00:06:09.090 --> 00:06:11.790

Parish Planning Board: Unless i'm not saying anything owner know, maybe the winter.

48

00:06:13.350 --> 00:06:18.810

Parish Planning Board: holidays I worry, more to the next meeting, we have to do a public hearing me.

49

00:06:20.430 --> 00:06:20.970

Parish Planning Board: Because they're.

50

00:06:26.820 --> 00:06:28.020

Parish Planning Board: kind of awkward shape.

51

00:06:30.840 --> 00:06:32.850

Parish Planning Board: split off lot to which is often.

52

00:06:36.360 --> 00:06:42.540

Parish Planning Board: does not have an apartment house number yet or anything like that it's a Pole barn and the other is a number.

53

00:06:42.900 --> 00:06:52.290

Parish Planning Board: One is there a number already in the barn is a post office box, with a nine Okay, we didn't give us a number yet Okay, we don't have a number for that yet that we know of, but we will definitely.

54

00:06:52.830 --> 00:07:06.420

Parish Planning Board: 12 rings a bell or some 912 so they currently live at it off a tannery though and that's their father that they're actually getting a land to on where the pole barn is it's a son in law and father and daughter in law her daughter, I mean.

55

00:07:07.740 --> 00:07:17.430

Parish Planning Board: They basically just cut out a nice lot for him to I think he's going to be a Florida BERT, you know, one of those snowbirds going to have his rv or something like that there and.

56

00:07:18.450 --> 00:07:27.480

Parish Planning Board: and go back and forth type of things so basically we're just trying to chunk off that little two acre lot off of North railroads and there's 280 feet of frontage.

57

00:07:29.100 --> 00:07:32.490

Parish Planning Board: he's not hooked a sewer yet I know he's not hooked anything yet, and I know of.

58

00:07:33.810 --> 00:07:38.610

Parish Planning Board: I don't know what what he's planning on doing i'm assuming he's going to have that i'll have to get hooked up at some point.

59

00:07:39.720 --> 00:07:53.580

Parish Planning Board: I don't know residence there yeah yeah exactly, and I know that there I think they even have like a private septic I was, I was surprised that they didn't yeah because they are sewer up in the sewer with the similar they are more than 200.

60

00:07:54.210 --> 00:08:09.180

Parish Planning Board: feet off the road there's a weird number so upon Terry hell, he was to fire from hooking up to the sewer so he was able to put a septic system it yeah I know they went through design and everything I got a copy of the design and the Office but that's all that's all existing.

61

00:08:10.350 --> 00:08:17.250

Parish Planning Board: So they're just looking to keep the 47 acres as one big parcel and they'd like to retain that hundred and 35 feet.

62

00:08:17.940 --> 00:08:32.220

Parish Planning Board: In case they ever decided to do something for a nice grand entrance somebody down the road you know they're keeping that hundred 35 feet north of lot to just to make sure that they have another access to the Nice high dry ground up in there if they ever maybe Christmas muscles.

63

00:08:33.390 --> 00:08:34.590

Parish Planning Board: 30 more lots I don't know.

64

00:08:36.930 --> 00:08:38.970

Parish Planning Board: Something like that yeah.

65

00:08:47.790 --> 00:08:48.300

Parish Planning Board: Everything.

66

00:09:02.760 --> 00:09:06.270

Parish Planning Board: Where we're talking about a little lot right there okay so let's.

67

00:09:09.060 --> 00:09:13.620

Parish Planning Board: Suppose so the red line is the existing boundary the purple line is the proposed phone.

68

00:09:15.300 --> 00:09:18.780

Parish Planning Board: Trying to give you a little bit of a differentiation between the two two colors.

69

00:09:25.080 --> 00:09:25.920

Parish Planning Board: I do want to.

70

00:09:28.920 --> 00:09:29.790

Parish Planning Board: keep doing.

71

00:09:31.410 --> 00:09:32.820

Parish Planning Board: Whatever needs to be done, but.

72

00:09:34.050 --> 00:09:34.260

Parish Planning Board: you're.

73

00:09:35.730 --> 00:09:39.210

Parish Planning Board: Right, he was allowed to build that accessory for now and that.

74

00:09:40.800 --> 00:09:42.840

Parish Planning Board: should have been enough time.

75

00:09:45.090 --> 00:09:48.120

Parish Planning Board: To shower toilet.

76

00:09:49.200 --> 00:09:57.540

Parish Planning Board: Nothing nothing anywhere that says you can't have that because it's not about you, I haven't had any sleeping quarters in there, or we can.

77

00:09:58.680 --> 00:10:00.990

Parish Planning Board: plan out he has a lot to me i'm just.

78

00:10:03.510 --> 00:10:04.260

Parish Planning Board: telling you want to do.

79

00:10:05.310 --> 00:10:12.510

Parish Planning Board: Something that I can do a hard time with him it's been a while, since I email but there's something to do with the sewers.

80

00:10:14.700 --> 00:10:15.870

Parish Planning Board: Right, I think it's grabbing.

81

00:10:17.010 --> 00:10:18.090

Parish Planning Board: eye towards.

82

00:10:21.000 --> 00:10:22.620

Parish Planning Board: A crossroad and actually.

83

00:10:23.850 --> 00:10:25.350

Parish Planning Board: driven back up the road to the soil.

84

00:10:30.810 --> 00:10:32.730

Parish Planning Board: And that's what I was worried about and I told him.

85

00:10:34.770 --> 00:10:36.870

Parish Planning Board: harvey's yeah and I told him I said.

86

00:10:37.980 --> 00:10:41.310

87

00:10:42.540 --> 00:10:50.670

88

00:10:54.030 --> 00:10:54.360

Parish Planning Board: And they.

89

00:10:55.800 --> 00:10:57.870

251

00:32:19.200 --> 00:32:20.640

Parish Planning Board: Either they're very far there's that there's the add me as the town outside the village in the a as general but then there's the part of the part of the town budget is town outside the village and town into basically.

262

00:33:24.210 --> 00:33:24.870

Parish Planning Board: kind of broken.

263

00:33:26.370 --> 00:33:26.490

The.

264

00:33:28.470 --> 00:33:32.160

Parish Planning Board: backbone for people with disabilities can fight the line line line line.

265

00:33:33.300 --> 00:33:35.280

Parish Planning Board: Now, when you take your village tax is.

Parish Planning Board: To the.

277

00:34:36.960 --> 00:34:41.220

Parish Planning Board: We had to build a library and I took a run myself to.

278

00:34:43.290 --> 00:34:49.410

Parish Planning Board: The library provide a little bit more, because they have an addition, now they have computers now and I didn't think the one sentence.

279

00:34:49.800 --> 00:34:55.200

Parish Planning Board: or two sentences available for the description of the public library was sufficient enough to explain what we have now.

280

00:34:55.860 --> 00:35:15.360

325

00:40:24.870 --> 00:40:33.330

Parish Planning Board: The law says that it went down the planning board wondering a fortunate position of when you do sign me up.

326

00:40:37.350 --> 00:40:48.390

330

00:41:17.430 --> 00:41:21.930

Parish Planning Board: I couldn't have finished because of our topic tonight I was wondering if they notice.

331

00:41:23.220 --> 00:41:28.650

Parish Planning Board: Though john deere tractors account for that kind of my two partners.

332

00:41:30.600 --> 00:41:32.100

Parish Planning Board: I love it.

333

00:41:34.200 --> 00:41:36.480

Parish Planning Board: I mean you gotta go.

334

00:41:38.190 --> 00:41:38.850

335

00:41:46.410 --> 00:41:57.510

Parish Planning Board: machine no but getting currently going real fast typical really well with bringing in 2013 I don't care.

336

00:42:01.980 --> 00:42:08.070

Parish Planning Board: 2023.

337

00:42:10.890 --> 00:42:13.590

Parish Planning Board: and saving money up for.

338

00:42:15.360 --> 00:42:21.210

Parish Planning Board: That because I am all that acreage and I really just kind of wanted well start cutting.

339

00:42:22.290 --> 00:42:25.110

Parish Planning Board: You know trimming out tree i'm an excellent have to do.

340

00:42:29.160 --> 00:42:38.190

Parish Planning Board: is just so that we get the launch factor, the he's got like two steps up from that we just sold and he's buying a bigger one and I said.

341

00:42:38.910 --> 00:42:49.500

Parish Planning Board: Joe you did it again he bought a bigger tractor so won't fit in the band that you've got to build the first one and well what he has actually been looking at it's all wheel drive yeah.

342

00:42:50.940 --> 00:42:51.810

Parish Planning Board: Little bucket on.

343

00:42:52.890 --> 00:42:54.750

Parish Planning Board: It that's All I want.

344
