00:01:55.230 --> 00:01:55.680
Ad.

7

00:02:20.370 --> 00:02:20.790
Okay.

00:02:23.820 --> 00:02:24.510
Thank you.

9

00:02:36.690 --> 00:02:40.650
Mary Ann Phillips: I can't who I was talking I can't hear whoever it is.

10

00:02:43.980 --> 00:02:50.880
Town/Village: everybody's gonna have to speak up a little bit because we're spread out in the village him and so they're more than the 10 foot.

11

00:02:51.450 --> 00:03:02.670

Town/Village: away from the microphone that they the microphones are rated for so if everybody can speak a little bit for the benefit of those accessing via zoom on sure that'd be appreciated.

12

00:03:02.670 --> 00:03:03.960

Mary Ann Phillips: Thank you all right.

13

00:03:07.140 --> 00:03:11.130

there's probably a result in a different.

14

00:03:15.450 --> 00:03:22.050

direction or what direction we're going and probably one of the things we need to find out as developers.

15

00:03:24.150 --> 00:03:26.400

are interested in pursuing continuing.

16

00:03:29.400 --> 00:03:35.310

We will be meeting shortly right now finished budget discussions and then on the.

17

00:03:37.650 --> 00:03:39.150

Water concerns.

18

00:03:43.110 --> 00:03:43.770

feedback.

19

00:03:49.170 --> 00:03:49.800

Town/Village: So.

20

00:03:57.240 --> 00:03:58.800

Town/Village: That the finance just add.

21

00:04:01.500 --> 00:04:01.980

The first time.

22

00:04:03.240 --> 00:04:03.600

Town/Village: it's all of.

23

00:04:05.160 --> 00:04:05.280

Town/Village: A.

24

00:04:07.950 --> 00:04:10.050

Town/Village: Sudden we gotta go back.

25

00:04:14.820 --> 00:04:17.670

Mary Ann Phillips: yeah I think the two boards I.

26

00:04:19.440 --> 00:04:19.830

Mary Ann Phillips: Women.

27

00:04:22.710 --> 00:04:29.670

Mary Ann Phillips: I think the two boards have to get together to decide what they want to do when it comes to a water district in the town and village a Parish.

28

00:04:29.880 --> 00:04:40.680

Mary Ann Phillips: We haven't really sat down and had a discussion, and I think that's needed before we can move forward or even decide how we're going to move forward if we are is that what somebody said because I can't hear people here very well.

29

00:04:44.970 --> 00:04:45.540

Mary Ann Phillips: Doug.

30

00:04:46.680 --> 00:04:54.930

Mary Ann Phillips: You know what I think Doug sorry if Richard can't come unless he's here then i'm not coming there without them, just because I want to have four instead of five.

31

00:04:58.740 --> 00:05:06.480

Mary Ann Phillips: mayor, what did you say because I don't know what you said about the water project is that what you stated, about the village getting together to discuss it.

32

00:05:09.450 --> 00:05:16.650

Mary Ann Phillips: Okay, and you meet next week and we meet next week, too, so maybe between the two of us meaning, we can come up with what we want to do and move forward.

33

00:05:26.400 --> 00:05:29.160

Town/Village: To the water district in medicine revert to the.

34

00:05:30.180 --> 00:05:48.120

Town/Village: Water committed and perhaps even though they had suggested that the water committee it wasn't time for them to start processing maybe this is a place with a lot of Community to start doing some some footwork so that we don't have to bring it all together excellent nation and then.

35

00:05:49.500 --> 00:05:51.330

Town/Village: Just a suggestion on.

36

00:05:52.500 --> 00:05:55.110

Town/Village: That one time gold award nobody was.

37

00:05:58.890 --> 00:06:01.470

Town/Village: ready to get together everything went to a supervisor.

38

00:06:02.520 --> 00:06:02.970

Town/Village: For.

39

00:06:14.940 --> 00:06:19.920

Mary Ann Phillips: The professional that we hired to help lead us through this project, if you remember correctly.

40

00:06:20.490 --> 00:06:33.090

Mary Ann Phillips: Maybe you don't but yeah I agree that was a water committee being put together would be help us because some of those people that were on it before would help us do continue with where it was left off, I guess, their input would be invaluable.

41

00:06:36.120 --> 00:06:40.020

To Supervisory Board was left out a lot of stuff.

42

00:06:41.400 --> 00:06:45.180

Mary Ann Phillips: really well, let me know what that was done in Jan.

43

00:06:51.690 --> 00:06:56.250

Different routine the cost in the district way too much money.

44

00:07:09.930 --> 00:07:10.620

Committee.

45

00:07:14.400 --> 00:07:16.200

Town/Village: I think everything should go for that person.

46

00:07:18.150 --> 00:07:18.870

Town/Village: I think we got.

47

00:07:20.460 --> 00:07:21.060

Town/Village: All the.

48

00:07:22.380 --> 00:07:28.050

Town/Village: People that we got involved in this project, because that's what's going on down the line.

49

00:07:29.250 --> 00:07:30.870

Town/Village: The no action here before.

50

00:07:33.180 --> 00:07:40.470

Mary Ann Phillips: You know everything that has to be done Doug Jordan, that has to be done appropriately and in the time frame that is supposed to be we're going to follow your lead.

51

00:07:45.960 --> 00:07:49.410

Mary Ann Phillips: What parishes never had a water district.

52

00:07:50.820 --> 00:08:05.550

Mary Ann Phillips: ever so don't you think you need some professional help for someone to lead us to make sure we do what's right when we're supposed to do it, or do you think you know enough and Doug and Jan and you both both know enough that you could do it yourselves and take it on yourself.

53

00:08:09.210 --> 00:08:14.310

Mary Ann Phillips: Getting water they don't have all these people after the first one, I agree with you.

54

00:08:15.690 --> 00:08:21.660

Mary Ann Phillips: But the first one, that they have set up the always have to have somebody leading them so they make sure they do the things right.

55

00:08:22.380 --> 00:08:32.940

Mary Ann Phillips: And unless you and Jan think that you too can do it, I don't see where we'd be any better off not hiring a professional to try to help us out that's what we did we decided to do that last.

56

00:08:34.080 --> 00:08:35.550

Mary Ann Phillips: February or March I can't remember.

57

00:08:38.400 --> 00:08:38.940

To go.

58

00:08:43.980 --> 00:08:44.850

Mary Ann Phillips: goes with the territory.

59

00:08:47.070 --> 00:08:47.790

Town/Village: No.

60

00:08:57.090 --> 00:08:58.650

trustees and board members.

61

00:09:00.540 --> 00:09:01.470

Town/Village: Of the Supervisor.

62

00:09:02.490 --> 00:09:12.630

Town/Village: You are a resident, so we have a comic con at the end of this meeting feel free to say something, right now, your input is not.

63

00:09:17.610 --> 00:09:18.450

Town/Village: So.

64

00:09:20.370 --> 00:09:22.350

Town/Village: The wall, I will.

65

00:09:23.610 --> 00:09:31.860

Town/Village: make them their sauce personally I don't know, but you can be addressed again.

66

00:09:38.430 --> 00:09:39.780

Town/Village: Okay, can.

67

00:09:40.800 --> 00:09:41.910

Town/Village: I don't know the law firm.

68

00:09:43.080 --> 00:09:44.520

Town/Village: can address them and.

69

00:09:46.020 --> 00:09:47.850

Town/Village: The well being of the label.

70

00:09:49.020 --> 00:09:50.700

Right whatever you said.

71

00:09:52.890 --> 00:10:01.770

Town/Village: But I do think you need to utilize actually Community organize it was urgent or get the name, because people on board, they haven't given us.

72

00:10:03.480 --> 00:10:12.180

Town/Village: Any communications, we made me think everything was charged, whereas committees there any concerns on that committee.

73

00:10:13.980 --> 00:10:30.510

Town/Village: Answer nothing personal email that needs to be answered the question that needs to be in it might be much more economical if we happen to be in a situation, whether a charge per email and a phone call every communication with us.

74

00:10:33.360 --> 00:10:40.500

Town/Village: difficulty no it wasn't your fault of the slowing down of the water committee.

75

00:10:41.310 --> 00:10:55.680

Town/Village: I did bring it to the attention of orders village Board was left out, it was going to be brought to their attention nothing happened in a little village was not directly involved, other than whatever communication sent out that's.

76

00:10:57.120 --> 00:10:58.410

Town/Village: Going on so.

77

00:11:04.770 --> 00:11:05.940

Town/Village: don't feel bad because.

78

00:11:08.610 --> 00:11:09.150

Town/Village: Oh, my.

79

00:11:12.480 --> 00:11:23.910

Mary Ann Phillips: God was left out, except the supervisor that's absolutely the truth right you guys useful it's not full of crap it's not funny but that's okay there's three of us so you're fine.

80

00:11:24.570 --> 00:11:42.600

Mary Ann Phillips: And may reply left you out of anything you were more than able to come to any and all of our meetings via zoom or whatever physically or just on TV to participate and listen to what was going on what I got from your bank or whoever I shared with the board, I sent emails out but.

81

00:11:43.290 --> 00:11:43.980

Mary Ann Phillips: Currently, I have.

82

00:11:45.840 --> 00:11:46.200

Mary Ann Phillips: enough.

83

00:12:12.750 --> 00:12:13.440

plan.

84

00:12:19.260 --> 00:12:19.980

This problem.

85

00:12:35.370 --> 00:12:47.820

Town/Village: The six o'clock the planning board is still working on the comprehensive plan, I believe, I believe, at the time that a six o'clock meeting next Thursday was just does had to do with hospitals only men.

86

00:12:49.650 --> 00:12:52.200

Town/Village: That still on or not, but that's the last I knew.

87

00:12:54.390 --> 00:12:54.660

yeah.

88

00:12:58.590 --> 00:12:59.820

Mary Ann Phillips: I don't know that Mr.

89

00:13:00.870 --> 00:13:08.880

Mary Ann Phillips: Oh, my God was matt Johnson can make it, I have been heard that he can so I don't know that it is until I hear from him.

90

00:13:11.700 --> 00:13:12.840

Mary Ann Phillips: Is that a workshop.

91

00:13:41.250 --> 00:13:46.620

Town/Village: The villages villages zoning amendment was adopted, I believe in is filed.

92

00:13:48.270 --> 00:13:58.800

Town/Village: comprehensive plan was still in progress there's two working on it, they were they were what were the planning board oh yeah yeah they met on that last month and they're planning on meeting out there they're much meeting, I believe.

93

00:14:10.110 --> 00:14:16.710

Town/Village: Last I could find in any correspondence was near completion and that we were supposed to receive a copy.

94

00:14:18.000 --> 00:14:22.920

Town/Village: Of the completed county but I don't get in the.

95

00:14:24.990 --> 00:14:27.090

Town/Village: door was sad to see that.

96

00:14:31.080 --> 00:14:38.400

Town/Village: And they had all the input we did together and that's my correspondence and she said it would be poured into us but I don't have a.

97

00:14:41.310 --> 00:14:43.980

Town/Village: plan so i'm not sure marry me.

98

00:14:46.950 --> 00:14:50.670

Mary Ann Phillips: No, I can't remember she she did a zoom meeting with us.

99

00:14:52.380 --> 00:15:04.080

Mary Ann Phillips: Had a couple meetings ago and she had taken down some more information, but other than that I haven't heard anything or got anything back so i'm not sure if she's still working on putting the information in or why I haven't heard from her.

100

00:15:11.970 --> 00:15:14.100

Mary Ann Phillips: I can try to call her me too.

101

00:15:21.180 --> 00:15:21.600

Mary Ann Phillips: OK.

102

00:15:24.360 --> 00:15:25.770

The next day.

103

00:15:28.770 --> 00:15:33.840

Town/Village: We receive instructions for plans for last year.

104

00:15:37.980 --> 00:15:46.830

Town/Village: early part of the safety plan template was given, and then we have to fill it in as employers supervisor there.

105

00:15:47.670 --> 00:16:04.500

Town/Village: um, most of all, was a plane flying how the workplace with events for the team that was kind of the middle of last year before the year was only seeing the second plan your state public employer mandatory emergency planning.

106

00:16:05.670 --> 00:16:16.500

Town/Village: On the idea that if a pandemic, or something to that effect happen again, that one place or that work cited be ready in anticipation of the X factor.

107

00:16:17.040 --> 00:16:29.520

Town/Village: For the government's website plan is to be unions and Labor management committee by February for the planet and the finalized by April 1 So those are the two kinds of plans.

108

00:16:30.810 --> 00:16:34.380

Town/Village: were very good feeling to try to put together.

109

00:16:35.760 --> 00:16:43.440

Town/Village: I am, in other words, the plan is presented by two words are cool So what we presenting it to the village board.

110

00:16:44.760 --> 00:16:49.710

Town/Village: Probably internationally and upset by April 1 so reading.

111

00:16:51.150 --> 00:16:52.260

Town/Village: for their approval.

112

00:16:54.540 --> 00:17:04.740

Town/Village: In a container kind of things that are supposed to be here to save you everybody employees and workers in individual websites.

113

00:17:06.720 --> 00:17:17.640

Town/Village: A lot of that are the instructions of what's expected of the employees to comply to those kinds of safety procedures and I guess it's more or less.

114

00:17:18.240 --> 00:17:30.690

Town/Village: The cooperation, the employees to comply comply and then also in it is what happens if someone were to get ill kind of things are going to be.

115

00:17:32.820 --> 00:17:41.760

Town/Village: implemented when you say eating cheerios or using the products that you're going to be keeping your environment more internal work environment say.

116

00:17:42.660 --> 00:17:56.280

Town/Village: So no plans or family here stay single plan has been posted the mandatory emergency planning to be fooled by the proof, or what does it say.

117

00:17:57.390 --> 00:18:13.890

Town/Village: With the word, and it was approved, or at least address by the town village board so approved plan developed in as we improved so those to be should be coming before April 1 for approval.

118

00:18:15.930 --> 00:18:16.590

Town/Village: and

119

00:18:17.880 --> 00:18:20.640

Town/Village: not sure how many familiar with that.

120

00:18:22.350 --> 00:18:23.490

Town/Village: said happens out of.

121

00:18:25.320 --> 00:18:26.430

Town/Village: The village board but.

122

00:18:28.080 --> 00:18:28.860

Town/Village: They need to drop.

123

00:18:30.270 --> 00:18:32.460

Town/Village: out we do it at that time.

124

00:18:33.840 --> 00:18:36.300

Town/Village: I don't know if there's any questions about again.

125

00:18:45.960 --> 00:18:48.510

Town/Village: Anything other one of the.

126

00:18:52.740 --> 00:18:53.340

Town/Village: sure.

127

00:18:55.050 --> 00:18:58.920

Town/Village: You see, from Shanghai 69.

128

00:19:00.090 --> 00:19:08.400

Town/Village: He wanted the tour extension taken up to his residence and response because inquiry.

129

00:19:12.510 --> 00:19:27.930

Town/Village: And 50 get signatures and again the number of individuals or residents of it would involve them who are interested in evidence extension brought out to our past and residents, I am after anything that from Sean neff.

130

00:19:30.630 --> 00:19:30.930

Town/Village: This.

131

00:19:32.280 --> 00:19:40.260

Town/Village: You told me a petition is wrote a letter of inquiry to go forward and saying is interesting that there were other at residence but.

132

00:19:41.460 --> 00:19:53.220

Town/Village: We need something more concrete, the decision use level and the others who might be interested in being late Friday, it would be an expensive project at one time.

133

00:19:54.240 --> 00:20:11.730

Town/Village: He needed more calculation of how many people will be involved in this project in terms of writing something we looking at, and if we were to go out with probably go to at least kind of love and I would help with speak to the engineer in detail.

134

00:20:13.530 --> 00:20:24.300

Town/Village: Then from there, go on down the road future extension or that time, depending on how many people would be interested in that kind of a connection template.

135

00:20:25.500 --> 00:20:40.290

Town/Village: format district sewer district that would involve those visuals so we haven't had any more response from Sean and for right now taking until we're kind of.

136

00:20:41.580 --> 00:20:42.510

Town/Village: inquiry.

137

00:20:43.590 --> 00:20:44.490

Town/Village: and listening anyone else.

138

00:20:46.500 --> 00:20:47.010

Town/Village: stands.

139

00:20:48.720 --> 00:20:52.050

Town/Village: Your neighbors and everybody wants a.

140

00:20:53.070 --> 00:20:53.640

Town/Village: petition.

141

00:20:54.690 --> 00:20:55.830

Town/Village: And all the.

142

00:20:59.700 --> 00:21:02.310

Town/Village: Services credit, you can.

143

00:21:03.750 --> 00:21:12.120

Town/Village: enter vegetable agreement between the town when the bill and share the citizens, those two things together, there you don't have to answer the language.

144

00:21:13.770 --> 00:21:14.910

Town/Village: And then turn around.

145

00:21:16.110 --> 00:21:22.710

Town/Village: Your file for your grandparents when you get to share services for head and you can get a weird.

146

00:21:23.730 --> 00:21:24.270

for that.

147

00:21:25.800 --> 00:21:26.190

Town/Village: Those are.

148

00:21:28.860 --> 00:21:29.760

Town/Village: With the grandfather.

149

00:21:30.930 --> 00:21:33.120

Town/Village: and never pay most of their.

150

00:21:35.280 --> 00:21:40.770

Town/Village: Time on African American do that there that's what you do with a shelter services and the.

151

00:21:43.620 --> 00:21:45.390

Town/Village: You know, municipal government international.

152

00:21:47.430 --> 00:21:49.560

Town/Village: International Agreement that's it, that is.

153

00:21:50.670 --> 00:21:54.690

Town/Village: Those two things you have to have your disposal, how you work together on it.

154

00:21:56.190 --> 00:21:59.160

Town/Village: They will become district, because the article.

155

00:22:00.660 --> 00:22:05.430

Town/Village: I think it may only have a few more grants or their their senior citizens.

156

00:22:06.540 --> 00:22:07.890

Town/Village: for senior citizens over.

157

00:22:13.560 --> 00:22:13.980

Town/Village: Everything.

158

00:22:17.670 --> 00:22:18.810

Town/Village: there's not enough.

159

00:22:20.520 --> 00:22:23.910

Town/Village: Just for proctor line which we need the extra saw.

160
00:22:25.470 --> 00:22:30.060
Town/Village: say if we can be, and that will be great they got more.

161
00:22:32.910 --> 00:22:33.390
Town/Village: Because the only.

162
00:22:37.740 --> 00:22:43.350
Town/Village: end up being a major focus on the end of the portion that you're going to grind through somebody else's.

163
00:22:44.520 --> 00:22:45.960
Town/Village: that's where your pastas come.

164
00:22:47.340 --> 00:22:47.940
Town/Village: into major.

165
00:22:50.190 --> 00:22:54.330
Town/Village: You might be able to get it, so I think there's more on sugar.

166
00:22:57.240 --> 00:22:57.630
Just.

167
00:22:59.220 --> 00:22:59.400
Like.

168
00:23:01.770 --> 00:23:03.300
Town/Village: Maybe looking at and.

169
00:23:04.500 --> 00:23:06.600
Town/Village: We get some response from Shannon.

170
00:23:08.100 --> 00:23:11.220
Town/Village: The we don't get any feedback from an analyst.

171
00:23:14.640 --> 00:23:15.060
Town/Village: here.

172
00:23:16.200 --> 00:23:22.680

Town/Village: I know you had mentioned David going out another in the other direction, so those two or three other channels to Walter.

173

00:23:24.990 --> 00:23:25.260

well.

174

00:23:27.570 --> 00:23:27.930

Town/Village: Right.

175

00:23:29.550 --> 00:23:31.140

Mary Ann Phillips: There he.

176

00:23:32.370 --> 00:23:40.590

Mary Ann Phillips: will be offered to any other roads outside of the village that are in the town, the opportunity to hook up to the sewage treatment plant.

177

00:23:41.910 --> 00:23:43.080

Mary Ann Phillips: or sewer I should say.

178

00:23:47.220 --> 00:24:01.920

Probably my signature in numbers common error involved probably is another is another option there wasn't required to go within this donation so to go last again it's not just one right.

179

00:24:12.870 --> 00:24:16.980

Mary Ann Phillips: Here, would you require so many signatures, or would it be.

180

00:24:18.570 --> 00:24:24.090

Mary Ann Phillips: I don't know, like so many miles out or something to that effect that if people live in that area they might.

181

00:24:29.760 --> 00:24:30.120

Be.

182

00:24:39.720 --> 00:24:48.420

Mary Ann Phillips: can go far beyond you know but it's it depends, how many residents surgeon stretch.

183

00:24:49.440 --> 00:24:50.310

And and push it.

184

00:24:51.450 --> 00:24:56.250

is very now in a little village is strong you don't have enough of those lines to push.

185

00:25:09.390 --> 00:25:10.500

down the road i'm sure.

186

00:25:13.980 --> 00:25:19.800

Town/Village: reminder was a free market supposed to possibly be the master summer.

187

00:25:20.880 --> 00:25:21.720

Town/Village: 38.

188

00:25:23.610 --> 00:25:29.220

Town/Village: Whether it was the summer next summer probably on what's happening with Colin, but it was.

189

00:25:31.560 --> 00:25:39.270

Town/Village: Summer last fall and we're anticipating to be here and reconstruction bridge.

190

00:25:41.130 --> 00:25:42.660

Town/Village: All right, anything else for.

191

00:25:44.100 --> 00:25:44.790

Town/Village: whole business.

192

00:25:50.250 --> 00:25:51.000

Town/Village: Okay.

193

00:25:52.650 --> 00:26:06.450

Town/Village: So the common thing that I wanted to address was in regards to hiring day that was not the sole decision one and you're correct, if I remember correctly, you.

194

00:26:07.140 --> 00:26:27.270

Town/Village: You were one of the dissenting voice, but that was a poor decision that was on maryann's alone that's number one number to carry the future if you're going to decide how long me and, believe me, and public, please do so with a piece of paper document law in.

195

00:26:28.920 --> 00:26:31.680
Town/Village: Your response just how long.

196
00:26:32.760 --> 00:26:37.650
Town/Village: Supervisors job and duties and when definitely supervisor.

197
00:26:39.930 --> 00:26:40.290
Town/Village: that's all.

198
00:26:42.360 --> 00:26:47.400
Town/Village: And when you become affected in that position and it's not.

199
00:26:49.320 --> 00:26:55.830
Town/Village: That it's not very complicated you, but we are people that will probably die.

200
00:26:57.300 --> 00:27:05.280
Town/Village: So we not one person, so that we can we can and had an open polycom so the doctor said.

201
00:27:07.350 --> 00:27:10.410
Town/Village: No, we doesn't mean they don't have a question.

202
00:27:12.150 --> 00:27:13.920
Town/Village: for everybody in the comments all.

203
00:27:16.680 --> 00:27:17.970
Town/Village: Right, thank you.

204
00:27:21.480 --> 00:27:22.740
Town/Village: A little bit about a lot.

205
00:27:23.880 --> 00:27:25.710
Town/Village: about the laws of, we need to.

206
00:27:35.370 --> 00:27:36.270
Town/Village: decide right now.

207
00:27:37.980 --> 00:27:39.120
Town/Village: Business improvement.

208

00:27:42.240 --> 00:27:42.990
Town/Village: waiting on.

209
00:27:44.100 --> 00:27:46.980
Town/Village: The grass Finally, another way.

210
00:27:49.320 --> 00:27:57.390
Town/Village: To provide the ceiling drop as helpful with the heating and make much more comfortable or America.

211
00:27:58.470 --> 00:28:05.850
Town/Village: And appears the appearance on much better and improve basement floor is.

212
00:28:07.950 --> 00:28:15.030
Town/Village: being taken out, we will be in in in doing that product, we also extended the record to.

213
00:28:16.050 --> 00:28:29.850
Town/Village: be a larger records room sure Jerry coming out of storage space, so that would be an ad space for storing our records which will be very good I don't know how much longer will take.

214
00:28:30.930 --> 00:28:34.380
Town/Village: The take a couple more weeks, at least, but maybe.

215
00:28:40.410 --> 00:28:40.740
Town/Village: Oh.

216
00:28:43.620 --> 00:28:43.980
I know.

217
00:28:45.840 --> 00:28:46.800
Town/Village: What issues.

218
00:28:48.570 --> 00:28:49.590
Town/Village: and doing the work.

219
00:28:51.180 --> 00:28:54.300
Town/Village: Water coming out everywhere so they're trying to channel.

220
00:28:57.300 --> 00:29:00.120

Town/Village: In the past, which further.

221

00:29:05.400 --> 00:29:07.020

Town/Village: Down just right for what.

222

00:29:09.060 --> 00:29:11.730

Town/Village: They had a plugin that wasn't there for years.

223

00:29:17.100 --> 00:29:17.490

Old.

224

00:29:20.460 --> 00:29:21.930

Town/Village: He used to damage.

225

00:29:23.010 --> 00:29:23.580

Town/Village: The records.

226

00:29:25.980 --> 00:29:27.690

Town/Village: that's what we're working on right now.

227

00:29:31.080 --> 00:29:31.380

Town/Village: or.

228

00:29:33.570 --> 00:29:34.380

Town/Village: extension.

229

00:29:38.400 --> 00:29:44.610

Mary Ann Phillips: It just wanted, because I think that three councillors better there they've all been up in my room and I did want to say thank you, the.

230

00:29:45.120 --> 00:29:48.420

Mary Ann Phillips: lowering of the ceiling has improved the heat up there.

231

00:29:48.960 --> 00:29:55.890

Mary Ann Phillips: So we're not freezing much, the only thing I have to address this when you're not there that somebody be allowed to go in your room to turn up the heat when we're there.

232

00:29:56.220 --> 00:30:06.930

Mary Ann Phillips: Because it's still cold, because he doesn't kick on unless it's at a certain level but yeah the lowering of the ceiling did improve the the heat and I appreciate that Thank you.

233

00:30:21.840 --> 00:30:23.100
village extension.

234

00:30:24.120 --> 00:30:24.630
and

235

00:30:26.130 --> 00:30:27.480
One of the questions or.

236

00:30:28.650 --> 00:30:37.980
Town/Village: Is it permission from the town this need to extend beyond limits or just an agreement between the two parties.

237

00:30:44.250 --> 00:30:44.580
Town/Village: yeah.

238

00:30:44.820 --> 00:30:45.840
Mary Ann Phillips: When I was asking.

239

00:30:46.200 --> 00:31:03.960
Mary Ann Phillips: Is it possible for the extension to be offered on other roads, besides the one that Sean is looking at like my road I use mine as an example, County route 38 where it ends, I think the sewer line ends, I think at red mill road, is it possible that if if enough.

240

00:31:05.190 --> 00:31:12.420
Mary Ann Phillips: Community members in the town wanted to hook up to the sewer would it be allowed, would it be extended there as well.

241

00:31:12.900 --> 00:31:22.560
Mary Ann Phillips: And if so, how many signatures will we have to have I don't want to ask if it's not gonna you know, be possible, I don't want to build up people's hopes and then find out it's not going to happen, could it happen.

242

00:31:27.360 --> 00:31:27.600
If.

243

00:31:34.770 --> 00:31:37.200

Town/Village: in a different direction but.

244

00:31:42.420 --> 00:31:44.580

Town/Village: now give you a director.

245

00:31:51.480 --> 00:31:52.200

Mary Ann Phillips: Okay, thank you.

246

00:32:07.980 --> 00:32:10.680

Town/Village: Car for the.

247

00:32:13.380 --> 00:32:14.250

Town/Village: Upcoming year.

248

00:32:27.840 --> 00:32:30.540

Town/Village: You refer to the plan.

249

00:32:33.390 --> 00:32:34.620

Town/Village: And the answer.

250

00:32:36.780 --> 00:32:38.730

Town/Village: Is Fred Cohen, a.

251

00:32:42.210 --> 00:32:43.620

Town/Village: preventative measure, what can you.

252

00:32:44.820 --> 00:32:45.570

Town/Village: Tell me.

253

00:32:48.090 --> 00:32:53.490

Town/Village: Where the supplies supplies order supply how those nitty gritty.

254

00:32:54.840 --> 00:32:55.770

Town/Village: have to be addressed.

255

00:33:01.290 --> 00:33:01.680

Town/Village: See.

256

00:33:12.120 --> 00:33:15.870

Town/Village: Well, as I mentioned earlier, the.

257

00:33:17.040 --> 00:33:27.600

Town/Village: 2021 local government conference that would normally be at the end of mark was first postpone and now has been canceled.

258

00:33:28.350 --> 00:33:38.640

Town/Village: And the reason for that is, we really only have one facility, we can hold that at for a group of that size, which is 600 plus at this point.

259

00:33:39.390 --> 00:33:45.840

Town/Village: And that would be Jefferson Community college and Jefferson Community college still has not yet.

260

00:33:46.440 --> 00:33:55.440

Town/Village: been able to confirm the availability of their facility or the conference thought at first, we thought that we might be able to.

261

00:33:55.830 --> 00:34:02.220

Town/Village: pull the conference in the fall, which we hadn't done before, but we are willing to give it a try to see if we could make it work out.

262

00:34:02.700 --> 00:34:08.700

Town/Village: But the other thing about the local government comics is normally we start organizing the local government conference.

263

00:34:09.180 --> 00:34:22.830

Town/Village: Before you're in advance, they have to the local government conference or poor planning for the conference for the year following and at this point, without having a facility available or.

264

00:34:24.000 --> 00:34:29.610

Town/Village: And maybe it will become available as we got closer to the date, but we need speakers lined up well in advance of that.

265

00:34:30.690 --> 00:34:34.800

Town/Village: So, right now, where they've decided to cancel the.

266

00:34:36.210 --> 00:34:49.770

Town/Village: local government conference, but we are trying to bring an extensive package of webinars to you as a partial replacement for that now, if you get the and everybody should be getting.

267

00:34:50.460 --> 00:34:57.090

Town/Village: The target times and we also send some occasional news blasts between those those are every other week.

268

00:34:57.660 --> 00:35:10.080

Town/Village: And sometimes we send out a news blast in between another most recent ones was last Friday and it announced that every single week in March we're going to be doing a webinar for doing one on and i'll be reporting to that.

269

00:35:11.400 --> 00:35:21.420

Town/Village: Next week, but there's one on highway issues and there's one on letters from a toggle Lager, which is a historical and.

270

00:35:22.260 --> 00:35:30.930

Town/Village: For me, personal and personally selfish interest purely selfish interest i'm really looking forward to the one at the end of month, which is going to be.

271

00:35:31.410 --> 00:35:42.900

Town/Village: Dave icon will you remember from channel nine and he's going to be doing a webinar on weather and climate and toggle and climate change and new things we're learning and so.

272

00:35:43.500 --> 00:35:53.220

Town/Village: i'm really looking forward to they use one hour at the end of the month now, all those are available on your website, if you go to special events.

273

00:35:54.150 --> 00:36:01.800

Town/Village: And you can sign up for them to be able to attend them they'll send you the registration code for how to get onto the session.

274

00:36:02.460 --> 00:36:12.420

Town/Village: But just about all the sessions, that we do that are live like that these days we're also putting them on the tequila YouTube channel So if you go to YouTube on the ins.

275

00:36:12.870 --> 00:36:27.420

Town/Village: And you look for the toggle channel will find a lot of the old recordings available there after the path because I know there's there's one next Wednesday I think it's seven o'clock on highway there, do you know where i'll be next week at seven o'clock.

276

00:36:28.530 --> 00:36:35.310

Town/Village: I think i'm going to be right here now hopefully in the world we're small meeting room there, but I will be here at your meeting, so I won't be able to watch.

277

00:36:36.030 --> 00:36:36.780

Mary Ann Phillips: What I do.

278

00:36:37.560 --> 00:36:46.470

Town/Village: After tax when when they make it available on the YouTube channel, so we are working on the next program on that if there's any.

279

00:36:47.670 --> 00:36:59.730

Town/Village: Ideas or subjects you'd like to see covered i'm always welcome to suggestions, because, of course, in terms of the training program, and this is for planning boards as well planning boards and zb as.

280

00:37:00.510 --> 00:37:09.810

Town/Village: we're typically working a quarter in advance what we're working on right now we're in this the overcoming up on the second quarter prefers can recover in March.

281

00:37:10.320 --> 00:37:19.530

Town/Village: we're already been working on it may June for the second quarter as to what we're going to be doing them because it takes time to learn these things.

282

00:37:20.730 --> 00:37:28.380

Town/Village: So that's what the status is there is no conference at this point we're hoping to be organized hoping, things will open up by next.

283

00:37:29.760 --> 00:37:38.280

Town/Village: next March to have those his facility available to us and to know foreign enough because again we're the conferences normally at the end of March.

284

00:37:39.150 --> 00:37:48.630

Town/Village: Hopefully, you will know it, and far in advance of that so we can actually make plans and people will be able to attend and travel plans will be loosened up and.

285

00:37:49.680 --> 00:37:53.070

Town/Village: will be able to pull off, but we're doing the best we can, in between.

286

00:37:55.920 --> 00:37:56.460
Mary Ann Phillips: appreciate it.

287

00:38:17.370 --> 00:38:17.730
Town/Village: Was.

288

00:38:20.850 --> 00:38:23.220
Town/Village: Last year in August, it was.

289

00:38:30.930 --> 00:38:31.890
Town/Village: The organizing.

290

00:38:48.960 --> 00:38:49.440
Town/Village: That we're.

291

Town/Village: yeah couple.

311
00:41:12.360 --> 00:41:14.370
Mary Ann Phillips: of things before you leave the yard sale.

312
00:41:15.150 --> 00:41:27.090

Mary Ann Phillips: Neil charity was the one that gave me the information last year for who I had to call or write a letter to as jazz referring to it, so if he doesn't have it, I think I might have it to give it to access the village is going to be in charge of but this year.

313

00:41:28.110 --> 00:41:28.530

Mary Ann Phillips: i'm.

314

00:41:30.720 --> 00:41:32.580

Mary Ann Phillips: Sorry, say it again.

315

00:41:41.130 --> 00:41:48.150

Mary Ann Phillips: Okay, I didn't hear I can't hear you very well, so I didn't know that was what you said, I was just giving you the info in case you didn't have that.

316

00:41:48.840 --> 00:42:01.470

Mary Ann Phillips: Neil gave it to me last year so as long as you got it you're all set couple things the lease agreement you're talking about we're going to be discussing and I guess to see what's if we're going to agree to it this year is that what you're talking about.

317

00:42:05.970 --> 00:42:06.150

What.

318

00:42:14.610 --> 00:42:25.470

Mary Ann Phillips: ya know, I said that the lease agreement you touched on it, but I didn't get to say anything you went right into coven and I will look into agree to something in the near future.

319

00:42:40.740 --> 00:42:41.130

Town/Village: More.

320

00:42:42.120 --> 00:42:44.130

Mary Ann Phillips: OK, so the boards have to agree to what.

321

00:42:48.030 --> 00:42:51.030

Town/Village: are more and more.

322

00:42:56.370 --> 00:42:56.850

Mary Ann Phillips: Yes.

323

00:42:59.850 --> 00:43:09.360

Mary Ann Phillips: I want to make sure that the supervisor being locked out of a certain room in that building is addressed so I wanted to bring that up so it's taken into consideration before it's done.

324

00:43:10.680 --> 00:43:16.770

Mary Ann Phillips: Second, one is i'm asking if the deputy supervisor can be given a key to the building.

325

00:43:18.060 --> 00:43:18.900

Mary Ann Phillips: Prior to.

326

00:43:20.100 --> 00:43:32.760

Mary Ann Phillips: jack Brzezinski and prior to Robin I read john had a key to the building, but for some reason Robin can I get a key to the building is there is can one be made up so that she has a key to the building.

327

00:43:45.210 --> 00:43:55.170

Mary Ann Phillips: Well, the last time I tried to reach the last time I tried to write people letters, because they did not give their keys back I got chewed on because that's not my responsibility.

328

00:43:55.590 --> 00:44:08.670

Mary Ann Phillips: So i've asked Bernie when I see him at the American legion he says he doesn't have it, and he may have any doesn't realize it but regardless of that can another key be made for the deputy Supervisor is my question.

329

00:44:35.310 --> 00:44:35.670

Fishing.

330

00:44:49.170 --> 00:44:49.740

Town/Village: problem.

331

00:45:10.350 --> 00:45:11.100

Town/Village: Work or.

332

00:45:15.750 --> 00:45:16.050

Town/Village: Are we.

333

00:45:19.830 --> 00:45:19.980

Town/Village: going.

334

00:45:25.710 --> 00:45:27.030
Town/Village: Here, but more.

335
00:45:28.770 --> 00:45:29.520
Town/Village: are going to be here to.

336
00:45:31.170 --> 00:45:31.590
Keep.

337
00:45:32.850 --> 00:45:34.050
Town/Village: coming in, after hours.

338
00:45:35.610 --> 00:45:38.730
Town/Village: Okay, be a key but then the formatting the one.

339
00:45:40.800 --> 00:45:41.880
Town/Village: Before for black.

340
00:45:43.050 --> 00:45:43.260
Town/Village: or.

341
00:45:46.290 --> 00:45:46.500
Town/Village: Not.

342
00:45:50.700 --> 00:45:54.870
Town/Village: Or the mailbox and how is it Eric War II.

343
00:46:04.170 --> 00:46:05.220
should be.

344
00:46:06.690 --> 00:46:07.320
Town/Village: The.

345
00:46:09.780 --> 00:46:12.600
Town/Village: Summer whether the Bernie I call me.

346
00:46:15.570 --> 00:46:15.930
Town/Village: jack.

347
00:46:19.320 --> 00:46:33.030

Mary Ann Phillips: jack did he gave it to me and then that one went to Bernie but Bernie for some reason turned in the wrong key and he says he doesn't have that i've asked when I know Evelyn has send them letters I don't know what happened to us so.

348

00:46:41.460 --> 00:46:43.170

Town/Village: Maybe you should put a phone call.

349

00:46:44.910 --> 00:46:47.220

Town/Village: is key and check on.

350

00:46:48.210 --> 00:46:51.990

Mary Ann Phillips: Oh, you could probably do that yeah I can ask him to do that.

351

00:46:54.060 --> 00:46:58.500

Mary Ann Phillips: But in the meantime, is it possible to get a key for the deputy supervisor.

352

00:46:58.980 --> 00:47:10.770

Mary Ann Phillips: And the Council is actually I agree with you, you know you guys can always be here by five o'clock or whatever, so the buildings not unlocked what, if you want to get in and get your mail, if you had a key to the building, you could don't disagree with you.

353

00:47:32.370 --> 00:47:33.060

Town/Village: Okay, thank you.

354

00:47:34.290 --> 00:47:34.800

Mary Ann Phillips: appreciate.

355

00:47:50.430 --> 00:47:50.880

358

00:48:18.030 --> 00:48:18.900

Town/Village: Anything else.

359

00:48:23.550 --> 00:48:25.500

360

00:48:26.760 --> 00:48:27.540

Mary Ann Phillips: And I asked my board if they would talk about doing the interviews for the assessor in the very near future, I haven't heard anything back and want to know when we're going to do that.

364

00:49:07.440 --> 00:49:09.510
Town/Village: You refuse to do that so.

369

00:49:35.610 --> 00:49:37.290
