Parish Planning Board: Thank you good night.

89

00:14:26.700 --> 00:14:31.590

Parish Planning Board: Next let's go to new business again gardener Meyer subdivision.

90

00:14:32.610 --> 00:14:33.390

Parish Planning Board: Dave Europe.

91

00:14:34.770 --> 00:14:36.420

Parish Planning Board: i've received application.

92

00:14:40.770 --> 00:14:41.430

Parish Planning Board: signature and.

93

00:14:42.930 --> 00:14:45.600

Parish Planning Board: Everything from everybody misses Gardner Mr Gardner.

94

00:14:47.040 --> 00:14:54.060

Parish Planning Board: I brought an aerial photos it's a little easier to see what we're trying to do this is kind of what we really just had a lot with what we've done is we've blown off the lot that they want to sell.

95

00:14:55.200 --> 00:14:56.550

Parish Planning Board: You can rest of the family.

96

00:14:59.280 --> 00:15:00.090

Parish Planning Board: side of the table.

97

00:15:03.030 --> 00:15:05.550

Parish Planning Board: Think it's easier to see, and there was a better look.

98

00:15:09.480 --> 00:15:09.990

At.

99

00:15:16.740 --> 00:15:19.980

Parish Planning Board: passing it around the application have back to me.

100

00:15:21.780 --> 00:15:22.170

Parish Planning Board: Right.

101

00:15:25.170 --> 00:15:25.590

Parish Planning Board: Here, for you.

102

00:15:38.040 --> 00:15:48.270

Parish Planning Board: The three acres they have 73 acres that's a really odd shaped parcel so i'll kind of go over with you guys a little bit it's it's this whole parcel 22.

103

00:15:50.010 --> 00:15:55.470

Parish Planning Board: and basically What it does is it runs the full length of tana road almost to the data and where the club, is, I mean.

104

00:15:56.640 --> 00:16:01.500

Parish Planning Board: And then, it runs a section of it runs a lot of Chapman road all I want to do is it's the daughter of.

105

00:16:02.160 --> 00:16:11.280

Parish Planning Board: The owner right here, they want to just subdivide the rest of the creek use the creek is the boundary and get rid of all the land and decided the creek it's going to go.

106

00:16:11.940 --> 00:16:22.260

Parish Planning Board: So it's their daughter it's Mrs crosses daughters actually buying this piece right here, so the remaining land is 77 acres or 66 and 65 acres.

107

00:16:23.340 --> 00:16:27.480

Parish Planning Board: Again bill it's right here just trying to cut this piece off.

108

00:16:27.960 --> 00:16:44.340

Parish Planning Board: And they're just trying to keep all the rest of it, and the rest in their family all they want is that parcel be surveyed off and subdivided off the remaining lands so there's nothing on it totally vacant it's got a little bit of wetlands done by the creek we've got that showing.

109

00:16:46.320 --> 00:16:50.760

Parish Planning Board: eight and a half they're cutting off a half acres and there's actually 600 I think it is.

110

00:16:51.390 --> 00:17:00.660

Parish Planning Board: there's two there's two dimensions along the road frontage 552 and 232 23 right so there's like 750 foot approach frontage in there were more yeah but.

111

00:17:01.050 --> 00:17:09.810

Parish Planning Board: Like 500 of it, it doesn't have any wetlands there's a buffer you know all that kind of stuff that affects it down on the other end but you know where are we here it's, on the other side.

112

00:17:12.720 --> 00:17:21.780

Parish Planning Board: Okay, I think that's it, and this is the piece that way, rather than trying to show you the whole 75 acres that they're doing nothing with.

113

00:17:22.080 --> 00:17:26.250

Parish Planning Board: we're just really trying to blow up the area that there are trying to they want to build a house on.

114

00:17:26.730 --> 00:17:33.990

Parish Planning Board: there's a big pond way up north of them that's not on their property, but I just yeah that's right along there North line that's on check off a Chapman.

115

00:17:34.680 --> 00:17:44.940

Parish Planning Board: Chapman road yep and that whole North liner there's all wooded and they basically they just they really just want to cut off with the river is cutting off already but it's cutting off already.

116

00:17:46.380 --> 00:17:47.190

A little piece of land.

117

00:17:53.460 --> 00:18:03.330

Parish Planning Board: Yes, all cut out already those are parcels that are already out of the parcel all these they have tax ids are already out there there's just parcel 22.

118

00:18:04.740 --> 00:18:11.430

Parish Planning Board: They actually do on 24.2 so that's where Mr and Mrs gardener live right there right then gym here.

119

00:18:12.570 --> 00:18:17.040

Parish Planning Board: But this piece here they'd like to basically like keeping the family for now.

120

00:18:17.610 --> 00:18:29.310

Parish Planning Board: I guess eventually they'd like to give her daughter 50 acres and I think the talking about doing some sometime down the road they're going to do some kind of a bigger subdivision or just the remaining lands, but really all they want to do right now is just.

121

00:18:30.600 --> 00:18:41.730

Parish Planning Board: To set the piece of 30 split off by the creek anyway yeah so basically that's the new lot would be the school trying, it is, it can be a nice triangle yeah and I but leading up.

122

00:18:42.810 --> 00:18:45.120

Parish Planning Board: To the lay of the land yeah 750.

123

00:18:49.950 --> 00:18:55.530

Parish Planning Board: that's fun So what we have to do is, we take a shot every intermittent like every hundred 50 feet or so, and then we overlay the aerial photo.

124

00:18:56.370 --> 00:19:03.510

Parish Planning Board: best thing you can do yeah we actually take the two foot lidar that the county actually supplies as a free tool it's a great thing.

125

00:19:04.020 --> 00:19:16.650

Parish Planning Board: If you get if you run GIs and it's an amazing tool, because it gets to foot contours so it's low aerial imagery so it's really highly accurate and that those two foot kantor's you can follow a creek bed.

126

00:19:17.430 --> 00:19:19.890

Parish Planning Board: Like phenomenally So hopefully this treatment never moves.

127

00:19:20.370 --> 00:19:29.670

Parish Planning Board: Well, no that's the hard part is and i've always told people, that is, if you get an oxbow that cuts itself off, you know you can lose and gain land is riparian rights there's a whole.

128

00:19:30.090 --> 00:19:37.530

Parish Planning Board: book about that second riparian law and it's it's interesting, to say the least that's probably one of the most contested.

129

00:19:38.040 --> 00:19:45.840

Parish Planning Board: types of real estate in the world, you know, because the shorelines are so worth so much along the Ocean and the lakes and all that stuff and you can gain.

130

00:19:46.230 --> 00:19:55.770

Parish Planning Board: Islands, you know these some of these like salmon river is constantly changing and there's the little islands that appear and expose they get cut off you wouldn't believe the fights is something that creates.

131

00:19:57.240 --> 00:19:58.980

Parish Planning Board: A little tiny little space.

132

00:20:00.570 --> 00:20:02.760

Parish Planning Board: Again, a whole lot over there are.

133

00:20:07.470 --> 00:20:11.040

Some of the old do refer to do down the road here.

134

00:20:12.060 --> 00:20:18.660

Parish Planning Board: Please refer to flow is right for the old smells like that, and these included those.

135

00:20:20.490 --> 00:20:23.100

Parish Planning Board: That are actually really.

136

00:20:24.870 --> 00:20:30.210

Parish Planning Board: trace the boundary of where the damage to be knowing what the height of the dam was are you kind of know what you're.

137

00:20:31.920 --> 00:20:32.340

going to need.

138

00:20:36.120 --> 00:20:40.080

Parish Planning Board: So this is the beginning or plan on seeing you next month that will be.

139

00:20:41.430 --> 00:20:42.570

Parish Planning Board: Questions for the board.

140

00:20:44.880 --> 00:20:46.440

Parish Planning Board: Now it's pretty cut and dry.

141

00:20:48.330 --> 00:20:49.140

Parish Planning Board: will answer the.

142

310

00:40:30.150 --> 00:40:34.620

Parish Planning Board: Is a national national registry since 2005.

311

00:40:35.940 --> 00:40:38.490

Parish Planning Board: and adopting spark was.

312

00:40:40.800 --> 00:40:58.980

Parish Planning Board: Originally dedicated in 1907 recently lawmakers in the region represented parish disappeared grants, so that they can have a restoration of the veterans park and the mountain on new rent monument and then happening to your five also same time those two things have changed.

313

00:41:00.180 --> 00:41:01.800

Parish Planning Board: And there are there was a book written.

314

00:41:03.000 --> 00:41:05.820

Parish Planning Board: By the residence hall appeal both ways.

315

00:41:08.250 --> 00:41:13.200

Parish Planning Board: Were talks about the one school health as a Parish and.

316

00:41:14.520 --> 00:41:23.010

Parish Planning Board: that's that's new and different, there are two buildings in the village, which can FLEX on them Heritage Foundation recognition and.

317

00:41:24.120 --> 00:41:33.000

Parish Planning Board: swartz homestead the other one is a type fifth street, these are all nuisance should read on the COMP plan and i'm going to take us.

318

00:41:35.730 --> 00:41:38.190

Parish Planning Board: Back to factory is not on cell.

319

00:41:40.290 --> 00:41:43.290

Parish Planning Board: phone fact it's on mill street and North railroad.

320

00:41:47.940 --> 00:41:50.520

Parish Planning Board: Also tight tight oh.

321

00:41:52.200 --> 00:41:53.160

Parish Planning Board: Something before that.

322

00:41:59.580 --> 00:42:00.450

Parish Planning Board: I didn't know this.

323

00:42:01.740 --> 00:42:11.400

Parish Planning Board: But many people call the tone of Paris asking for the genealogy of their family and they have a file of people online file out.

324

00:42:12.480 --> 00:42:21.960

Parish Planning Board: Of a collection of diaries of former residents and all kinds of information on your family so let's here i'll just do is calling story in.

325

00:42:25.230 --> 00:42:31.560

Parish Planning Board: The town of tears on us outstanding resident I had one fuller who served in the United States Congress and.

326

00:42:32.730 --> 00:42:34.740

Parish Planning Board: I believe it's gonna be em polar.

327

00:42:38.310 --> 00:42:53.310

Parish Planning Board: In an effort to keep up with current technology this door society has a Facebook page is the way of communicating and keeping records with the residents and a lot of resin seven contributing to that they also use computer software to keep records within the right dummy.

328

00:42:55.500 --> 00:43:06.450

Parish Planning Board: And also, they are kind of edited we crossed out the walking to work, but there is a walking tour, believe it or not, and there's a pamphlet that goes with it.

329

00:43:07.020 --> 00:43:16.800

Parish Planning Board: So they want to revise the walking tour pamphlet for the village revitalize the walk into our attractions, and include Newport graph and instructions.

330

00:43:18.390 --> 00:43:26.520

Parish Planning Board: and review and continue to update the genealogy seems to be quite a few people doing that, right now, and those are the things that they'd like to see.

331

00:43:28.650 --> 00:43:36.090

Parish Planning Board: Did you send this to man, I can't send, would you please do this so he incorporated a chance to look over.

332

00:43:37.470 --> 00:43:49.830

Parish Planning Board: Your shoulder chip about the gino you contacted the story story yes and pull up for you yeah whoa okay go through this process or no it's good to know yeah means a lot.

333

00:43:51.540 --> 00:43:54.390

Parish Planning Board: To the rescue, who is the historian here for Parish.

334

00:43:55.890 --> 00:43:59.970

Parish Planning Board: i'm still here okay I didn't know if it still wasn't it okay all right, the thing of it is.

335

00:44:02.760 --> 00:44:09.750

Parish Planning Board: Many years ago, pure she had a beautiful image and you go into your channel is very pretty yes Okay, or even two main street is I don't want to get into that.

336

00:44:10.260 --> 00:44:14.520

Parish Planning Board: But there are some other things is that happening, besides just.

337

00:44:15.420 --> 00:44:20.580

Parish Planning Board: What you see, even though we didn't you know we don't have waters, we have a poor sewer system and a whole bunch of other things.

338

00:44:20.940 --> 00:44:30.510

Parish Planning Board: Some things have gone on, and there are people who looked at before who come back and they want to know for people who are going on a trip and they go through town they kind of like just know.

339

00:44:33.060 --> 00:44:34.290

That this one.

340

00:44:37.200 --> 00:44:39.090

Parish Planning Board: So this one.

341

00:44:41.340 --> 00:44:48.660

Parish Planning Board: If you would please that combat so we can incorporate it and the sections, so when we review it.

342

00:44:49.110 --> 00:45:00.210

Parish Planning Board: On may 10 at 530 that would be helpful and there's one other thing that you people did not run last time that you approve that what the library wanted to put in there, and he did put it in this.

343

00:45:06.780 --> 00:45:09.120

Parish Planning Board: Is that expand Community facility.

344

00:45:13.710 --> 00:45:17.160

Parish Planning Board: Because it was dorian area, it talks about grants.

345

00:45:18.360 --> 00:45:29.250

Parish Planning Board: grants and things to make this happen, but in the library all the fire department for churches municipal building virgin under the I didn't even have a copy.

346

00:45:31.920 --> 00:45:38.190

Parish Planning Board: Of the strategies we need to add six Federal and State grants to support and upgrade improved improvement.

347

00:45:42.810 --> 00:45:43.800

Parish Planning Board: But it's not in.

348

00:45:47.310 --> 00:45:49.620

Parish Planning Board: Our company is privately owned we are independent.

349

00:45:52.650 --> 00:45:53.760

Parish Planning Board: Oh, I forgot report.

350

00:45:58.260 --> 00:45:58.620

Excellent.

351

00:46:00.420 --> 00:46:01.350

Parish Planning Board: Good job remind me.

352

00:46:11.790 --> 00:46:12.990

Parish Planning Board: See ya.

353

00:46:14.010 --> 00:46:17.250

Parish Planning Board: Why table to automatically come back and say okay.

354

00:46:19.980 --> 00:46:29.550

Parish Planning Board: All right, yeah cuz nobody's giving us any money anyway, we can get money for generator Senator.

355

00:46:31.320 --> 00:46:41.700

Parish Planning Board: Like why can't the top like you know, the bigger the town get a grant and donate to you I don't know yeah right next to this current administration I don't think so well, no.

356

00:46:44.640 --> 00:46:52.860

Parish Planning Board: No usually usually right against a constitution Okay, so you can make donations, I want to go back to history of my personal.

357

00:46:53.490 --> 00:47:07.980

Parish Planning Board: I always when my profession, I needed to have these certain things and I was told by the person in charge at the end of

the year, you know we've had a bunch of money left and he had spent about given date usually about three weeks or something you're frustrated, you know.

358

00:47:09.780 --> 00:47:16.560

Parish Planning Board: He may make me a list, and when that time comes, i'm going to tell you, and you know what I did my budget, but the end of the year.

359

00:47:16.920 --> 00:47:27.900

Parish Planning Board: I said okay here's my list build as many as you can, at the end of the year, no one else did this, so why can't the town, for me, or something yeah well listen these things he's a nice thing to have.

360

00:47:29.100 --> 00:47:37.230

Parish Planning Board: Kevin whiny maybe you need something else, and you know we need these things, we need a doorbell with them picture paragraph whatever.

361

00:47:37.770 --> 00:47:47.790

Parish Planning Board: Whatever the process, so the doorbell if they're looking to wait for the big time to Percy about so the door oh yeah but I mean it's already in the making, to be.

362

00:47:48.900 --> 00:47:57.270

Parish Planning Board: modified okay funny so I wish got enough ideas already if I want to make up my will do in July so mine.

363

00:47:59.910 --> 00:48:02.940

Parish Planning Board: Personally, I quite satisfied when I make what I have some.

364

00:48:04.380 --> 00:48:10.170

Parish Planning Board: People are writing the rules they do that as suny Oswego if it's a legacy.

365

00:48:11.310 --> 00:48:20.970

Parish Planning Board: Where people put in their will a donation to the College, but you probably could do the same thing here, but that would be like this accountability board do it right.

366

00:48:24.780 --> 00:48:25.620

Parish Planning Board: i'm sure.

367

00:48:27.270 --> 00:48:30.660

Parish Planning Board: There are female money's out there it's just a very difficult.

368

00:48:31.890 --> 00:48:34.260

Parish Planning Board: I mean, I can speak from experience i've written.

369

00:48:36.900 --> 00:48:47.490

Parish Planning Board: dozens and dozens and dozens of grants, and right now i'm at 66% I get 66% I just put another grant in for the port.

370

00:48:48.480 --> 00:48:55.080

Parish Planning Board: So I mean there are money's out there, but unless you're really in this system and you're always out there.

371

00:48:55.500 --> 00:49:09.390

Parish Planning Board: it's very difficult yeah Sami people that's why your grant writers, but I think people want to leave money for your different yes, that would mean that would be that yeah right, but do you have a list if I if I left my kid What would you do with it.

372

00:49:11.220 --> 00:49:17.220

Parish Planning Board: I want to live or die you personally not but that's something for the village in the town, I mean.

373

00:49:17.610 --> 00:49:24.390

Parish Planning Board: You know example the village, I mean a backup generator I mean that would be those aren't that expensive really in the market.

374

00:49:24.900 --> 00:49:37.620

Parish Planning Board: I mean, this is a commercial building you couldn't have one size of my house one, but you would need you don't those would least be about 25 30,000 and somebody just no nothing.

375

00:49:44.370 --> 00:49:45.390

Parish Planning Board: To leave different you know.

376

00:49:48.270 --> 00:49:58.770

Parish Planning Board: we're just not taking advantage well that's what really what happened to mills bakery yes yeah yeah I mean you could be a mini meals P cranberry we named the generator after you.

377

00:50:00.150 --> 00:50:08.610

Parish Planning Board: Well, I think there are other people they do in churches, the churches want change, and they want this, they want that whatever someone dies they get it.

378

00:50:10.020 --> 00:50:11.580

Parish Planning Board: I mean, why don't we do it.

379

00:50:12.780 --> 00:50:22.590

Parish Planning Board: Well, this is all great ideas, but those are should be direct to the town board because we don't have any legislative a bill for the year no okay so and also a little thing up.

380

00:50:23.700 --> 00:50:38.190

Parish Planning Board: rights, and you know, Dr village mayor of the town supervisor, those are good ideas, maybe they could start on me, there are a few people in this town that would probably have some extra money with mine donating dancing.

381

00:50:40.290 --> 00:50:47.580

Parish Planning Board: Well, you know I mean you give it let's all hope that we don't pass away too soon so general may not be needed 30 years.

382

00:50:48.960 --> 00:50:54.750

Parish Planning Board: But I mean they'd have to start a fund special fun when they call them to be something.

383

00:50:55.770 --> 00:51:02.340

Parish Planning Board: You could don't IRA IRA tax if they have the irs has regulations for everything so.

384

00:51:04.980 --> 00:51:08.880

Parish Planning Board: You don't have to write a grant for that all you have to do is make a list of what you want.

385

00:51:11.100 --> 00:51:17.400

Parish Planning Board: Okay, I neglected to let Paul had speaking time so Paul your report, please.
