1

00:00:01.949 --> 00:00:03.480
wow yeah.

2

00:00:09.059 --> 00:00:09.450
Town of Parish: I plugged.

3

00:00:13.710 --> 00:00:14.370
Town of Parish: into the.

4

00:00:16.800 --> 00:00:19.980
Town of Parish: nation under God indivisible with.

5

00:00:21.660 --> 00:00:22.140
Town of Parish: Thank you.

6

00:00:37.980 --> 00:00:46.800
Town of Parish: Thank you hey So this is the problem to go over the zoning law we're here to listen to the public, if you have any questions or.

7

00:00:50.010 --> 00:00:51.390
Town of Parish: need to cover anything with.

8

00:00:55.800 --> 00:00:56.670
Town of Parish: You say yes or no.

9

00:00:58.050 --> 00:01:02.850
Town of Parish: Oh, did you have any questions or anything regarding this only I guess what i'm asking.

10

00:01:05.100 --> 00:01:06.330
Town of Parish: I don't know him saying.

11

00:01:08.970 --> 00:01:09.510

Town of Parish: That we're.

12

00:01:11.820 --> 00:01:13.980

Town of Parish: Looking at includes the sole advanced.

13

00:01:15.030 --> 00:01:24.990

Town of Parish: Question on the operating systems are there are like presidential ones exempted from that or is there a certain size system that exempted from that.

14

00:01:30.960 --> 00:01:31.920

Town of Parish: For us, please.

15

00:01:33.270 --> 00:01:34.050

Matthew Johnson: Yes.

16

00:01:38.070 --> 00:01:56.160

Matthew Johnson: residential systems require a zoning permit but it's a very simple process compared to large scale solar systems that that are intended to be the primary use on a piece of land and are intended to.

17

00:01:57.360 --> 00:02:20.460

Matthew Johnson: Create power that just goes right into the grid those would get a more stringent special use permit review and your your typical solar panels on your roof or in your backyard of a residence, as has a very just requires a zoning permit and has a very minor kind of review to it.

18

00:02:23.400 --> 00:02:23.970

Town of Parish: yeah.

19

00:02:32.880 --> 00:02:38.070

Town of Parish: Can I see is part of the public wonderful words from our server we.

20

00:02:43.800 --> 00:02:44.340

Town of Parish: have half.

21

00:02:45.360 --> 00:02:59.580

Town of Parish: I just I really want to thank the planning to work in higher on this for such a long period of time, I did go over as as as only enforcement officer running a little bit of a problem, like you, guys possibly.

22

00:03:01.170 --> 00:03:03.990

Town of Parish: And that is the zoning permits exceptions.

23

00:03:05.490 --> 00:03:19.680

Town of Parish: And it's going to be its inception 1210 as goodly number one and it basically States was only information that we require for expressing structures with less than 25 square feet of ground.

24

00:03:21.270 --> 00:03:23.460

Town of Parish: On less than 15 feet title.

25

00:03:24.630 --> 00:03:27.480

Town of Parish: I think 25 key is to restricted.

26

00:03:28.500 --> 00:03:32.910

Town of Parish: And i'd like to see that change, you should be too hard scurvy.

27

00:03:34.170 --> 00:03:48.180

Town of Parish: And I like something in the middle and approximately 60 square feet so anything less than six 510 Sharon, you could put it, you know within 20 feet of your side on or 40 eat a burger line.

28

00:03:48.660 --> 00:03:59.070

Town of Parish: And I just say no more than 25 to restrictor it's really hard to see new shows coming up, they come off a trailer that they're having.

29

00:04:01.620 --> 00:04:13.710

Town of Parish: With 25 it's been restricted, and I think it should be up to about 60 like a six by Changsha anything less than that you know you don't need to follow this only you know the setbacks.

30

00:04:14.910 --> 00:04:25.440

Town of Parish: it's just for your consideration like I said it's gonna be tough for me to really enforce it is very or you can just kick it in the moment you know five my God what.

31

00:04:27.270 --> 00:04:28.740

Town of Parish: Section 1210.

32

00:04:30.810 --> 00:04:38.340

Town of Parish: zoning permits exception, so, in other words you don't need anymore currently says 200 square feet you don't need a zoning for that.

33

00:04:38.790 --> 00:04:51.000

Town of Parish: You need a building permit mixtape or anything over 100 words per week and that's why I was hoping my pastor he bought all the time, well, I think we went to mall with 25.

34

00:04:52.350 --> 00:05:00.900

Town of Parish: pages probably on I don't know what his thoughts are in a little bit better than that, but I just know after reading it was kind of too small.

35

00:05:03.720 --> 00:05:04.260

Town of Parish: To address.

36

00:05:07.980 --> 00:05:12.540

Matthew Johnson: that's absolutely up to the up to the board, you can we can make that change.

37

00:05:15.540 --> 00:05:23.040

Matthew Johnson: yeah I know that's that was bad back and forth that size going down, but you know, certainly, it could go back up a little bit.

38

00:05:23.670 --> 00:05:25.860

Town of Parish: Was this the reason for putting it down.

39

00:05:28.740 --> 00:05:29.160

Town of Parish: The drain.

40

00:05:32.310 --> 00:05:32.730

Town of Parish: It was just.

41

00:05:34.470 --> 00:05:35.910

Town of Parish: thinking that.

42

00:05:39.750 --> 00:05:47.130

Town of Parish: Maybe he could lean a little different I just know enforcing it in a very tough, you know it's our topic.

43

00:05:48.180 --> 00:05:50.130

Town of Parish: For surfing, let alone 25.

44

00:05:51.390 --> 00:05:54.810

Town of Parish: And i'd like to move somewhere in the middle of the border, consider that.

45

00:05:56.010 --> 00:05:57.780

Town of Parish: My guess is something.

46

00:05:59.190 --> 00:06:01.980

Town of Parish: i'd like to hear somebody say well.

47

00:06:03.690 --> 00:06:07.560

Town of Parish: Call gauge his own question I had come to him, you.

48

00:06:08.610 --> 00:06:09.090

Town of Parish: know.

49

00:06:12.180 --> 00:06:15.630

Town of Parish: He was he there he did another video on.

50

00:06:18.390 --> 00:06:29.100

Matthew Johnson: It i'm not sure when that change i'd have to go back and look through like the past drafts to see when that actually got changed i'm not sure.

51

00:06:31.260 --> 00:06:35.910

Town of Parish: I know we discussed in the link after sitting having multiple workers they get.

52

00:06:37.500 --> 00:06:52.980

Town of Parish: Smaller small and just require too much speaking for anybody put any little time to begin so about 60 to be a nice now we're going to make mistakes anyways but 16 was a good round number in between the 200 and the time.

53

00:07:00.390 --> 00:07:02.790

Town of Parish: As a proud of us doing am.

54

00:07:05.580 --> 00:07:06.510

Matthew Johnson: I do not.

55

00:07:10.290 --> 00:07:15.930

Town of Parish: 200 could be anything it's just the square footage it could be 1020 that you previously.

56

00:07:16.950 --> 00:07:23.610

Town of Parish: You know, it was only permitted or so we definitely needed to change it, but I think we just want to small is.

57

00:07:25.050 --> 00:07:32.640

Town of Parish: that's why I think the six 510 or 60 and the Nice number that you know you don't have to call us up that rooms at the smaller than.

58

00:07:34.440 --> 00:07:37.560

Town of Parish: 60 or bigger you do have to follow up afterwards.

59

00:07:41.490 --> 00:07:47.100

Town of Parish: I said I just it was too restrictive than 25 everybody to kind of follow her little tiny.

60

00:07:48.150 --> 00:07:48.630

Town of Parish: house.

61

00:07:53.580 --> 00:08:02.790

Town of Parish: Oh, I don't know why I was wondering if there was a reason for going down so low to consider consider moving back up to succeed.

62

00:08:04.110 --> 00:08:05.970

Town of Parish: But nobody's available to answer them.

63

00:08:07.980 --> 00:08:09.630

Town of Parish: Ultimately, the decision.

64

00:08:11.490 --> 00:08:11.910

Town of Parish: is only.

65

00:08:15.270 --> 00:08:15.750

Town of Parish: Good.

66

00:08:20.190 --> 00:08:20.550

Town of Parish: For.

67

00:08:22.170 --> 00:08:24.870

Town of Parish: me I talked a little striker last.

68

00:08:26.670 --> 00:08:32.820

Town of Parish: week he kind of agreed as well, speak for him if he's not here to speak.

69

00:08:41.580 --> 00:08:43.560

Town of Parish: It seems like it's too prescriptive.

70

00:08:47.370 --> 00:08:48.270

Town of Parish: Instead of the naked.

71

00:08:52.380 --> 00:08:54.420

Town of Parish: ology anything in the word.

72

00:08:56.370 --> 00:08:57.270

Town of Parish: I understand.

73

00:08:59.010 --> 00:09:03.210

Town of Parish: The issue is the history behind it, as to whether we should it should away.

74

00:09:04.470 --> 00:09:05.220

Town of Parish: Like I said that's.

75

00:09:06.270 --> 00:09:18.630

Town of Parish: When all those changes and then I guess my holidays for that, but now that I have to force it just makes a little more sense to me in person and enforcing the law that you guys are involved before we do.

76

00:09:19.980 --> 00:09:21.150

Town of Parish: Okay, so.

77

00:09:23.190 --> 00:09:40.800

Town of Parish: The question is, from the zoning exceptions and you lower this accessory structures with less than 200,000 square feet down the 25 square feet was there a reason for you going that low sure that Jim was looking to see if we could raise it to 60 it's got the zoning.

78

00:09:42.420 --> 00:09:42.810

Town of Parish: board.

79

00:09:45.840 --> 00:09:46.440

Paul G.: Whatever.

80

00:09:46.500 --> 00:09:52.200

Paul G.: As long as matt Johnson fine, we can we can we can accept that we have no problem with that.

81

00:09:53.100 --> 00:09:55.980

Town of Parish: To put it at 60.

82

00:09:55.980 --> 00:09:59.610

Paul G.: If that if that's what matt thinks about right yes.

83

00:10:01.080 --> 00:10:05.310

Matthew Johnson: Yes, so you're you're being a little less restrictive than than the 25.

84

00:10:05.850 --> 00:10:07.710

Matthew Johnson: Or, more restrictive than 200.

85

00:10:07.980 --> 00:10:09.720

Paul G.: All right, Okay, thank you.

86

00:10:10.890 --> 00:10:12.360

Town of Parish: Okay, so the boy wants to do.

87

00:10:13.530 --> 00:10:19.980

Town of Parish: Yes, we're talking about 110 1010 10 of your side.

88

00:10:24.840 --> 00:10:28.710

Town of Parish: yeah I can do, I just thought it was restricted for everybody.

89

00:10:31.050 --> 00:10:31.410

Town of Parish: All.

90

00:10:49.980 --> 00:10:56.370

Town of Parish: You want to go 200 instead of 60 yes, why didn't do this last time but that's Okay, yes.

91

00:10:56.580 --> 00:10:58.350
Paul G.: It could it be fine.

92
00:10:58.920 --> 00:11:00.030
Matthew Johnson: Okay yeah.

93
00:11:00.420 --> 00:11:09.300
Matthew Johnson: I think that's fine a lot of towns do 140 400 spot it's not that big of a difference to do 100.

94
00:11:10.020 --> 00:11:12.360
Town of Parish: Okay, so what would you like guys.

95
00:11:12.510 --> 00:11:19.380
Paul G.: Go with 144 that's what matt says most towns do why don't we just go with 144 logistical.

96
00:11:20.250 --> 00:11:20.400
it's.

97
00:11:24.570 --> 00:11:43.980
Town of Parish: Really small Okay, and I know someone somewhere in the middle of confusing to me makes it easy to okay so which a takeaway for 1210 number one 244 square feet of ground coverage right, yes, if anybody's okay with that.

98
00:11:46.050 --> 00:11:51.240
Town of Parish: Good no man, I have a question for you this is Paul speaking.

99
00:11:51.390 --> 00:12:04.350
Town of Parish: Yes, can they now as well collage when they choose to tonight with a stipulation of that one change this doesn't assert this is such a minor change that needs to be going for another round, but.

100
00:12:07.380 --> 00:12:15.840
Matthew Johnson: Yes, I think you would be okay doing that because this is such a minor change and it's it's being proposed in the public hearing.

101
00:12:21.660 --> 00:12:32.520
Matthew Johnson: The to be on the safe side, what you might want to do is go ahead and then adopted tonight and then confer with.

102

00:12:34.800 --> 00:12:48.420

Matthew Johnson: Your attorney and make sure that he is okay, with it, and if he's Okay, with it, then you're good to go and if, for some reason he he thinks, you should wait, then you can always re adopted your next meeting.

103

00:12:49.770 --> 00:12:51.510

Town of Parish: We have to have another problem Karen.

104

00:12:54.300 --> 00:12:57.960

Matthew Johnson: I wouldn't think so, but he might have an opinion on that.

105

00:13:05.130 --> 00:13:06.060

Matthew Johnson: That that.

106

00:13:06.390 --> 00:13:17.820

Matthew Johnson: that's probably the best thing I could recommend is when he is on later asked him, you know ask him that question, and if he so comfortable with you adopted or adopt tonight.

107

00:13:18.540 --> 00:13:22.890

Town of Parish: Okay, and if you weren't taking action to adopt it in a regular meeting anyway.

108

00:13:24.510 --> 00:13:25.170

Yes.

109

00:13:27.630 --> 00:13:28.050

Town of Parish: You know it's.

110

00:13:29.340 --> 00:13:31.440

Town of Parish: Not opening it's all about.

111

00:13:32.880 --> 00:13:34.500

Town of Parish: let's say anything else.

112

00:13:40.710 --> 00:13:41.100

Other.

113

00:13:46.020 --> 00:13:47.160

Town of Parish: than just a manual.

114

00:13:48.840 --> 00:13:50.310

Town of Parish: override it little.

115

00:13:52.020 --> 00:13:56.070

Town of Parish: No problem, I just want to make sure that the little tweaking visit screwed up, we have to have another.

116

00:13:57.270 --> 00:13:57.780

Town of Parish: One that.

117

00:13:59.100 --> 00:13:59.430

Town of Parish: I can.

118

00:14:01.710 --> 00:14:02.040

Town of Parish: Always.

119

00:14:03.180 --> 00:14:07.470

Town of Parish: verify with your municipal attorney before you make your final.

120

00:14:08.940 --> 00:14:09.630

Matthew Johnson: Absolutely.

121

00:14:10.170 --> 00:14:13.050

Town of Parish: Anything else looking at changing.

122

00:14:32.250 --> 00:14:35.220

Town of Parish: You can hold it open the other one happens.

123

00:14:43.320 --> 00:14:43.650

Town of Parish: again.

124

00:14:46.470 --> 00:14:47.010

Town of Parish: Because.

125

00:14:50.070 --> 00:14:53.850

Town of Parish: You don't need to close this one down the open the other one you can run about the same time.

126

00:14:55.110 --> 00:14:58.140

Town of Parish: Based with me comes in late must have a comment you think it.

127

00:15:01.500 --> 00:15:02.310

Town of Parish: sucks second.

128

00:15:02.340 --> 00:15:03.540

Town of Parish: commentary regarding.

129

00:15:03.540 --> 00:15:11.130

Town of Parish: The more joy, the solar panels, give me any comments on is only one that's a place by Jay.

130

00:15:17.160 --> 00:15:19.980

Town of Parish: Questions and learn the extension.

131

00:15:21.420 --> 00:15:21.600

Town of Parish: well.

132

00:15:40.680 --> 00:15:42.480

Town of Parish: Solar systems.

133

00:16:47.070 --> 00:16:47.550

Saying.

134

00:22:15.270 --> 00:22:24.990

Town of Parish: never heard a couple of different people and two seconds or less or an awful names in case you want to call on me and then for any comments they make.

145

00:25:27.360 --> 00:25:27.720

Town of Parish: here.

146

00:26:02.400 --> 00:26:02.910

Good.

147

00:26:07.980 --> 00:26:09.270

Town of Parish: Right now right now.

385

00:51:11.130 --> 00:51:11.550

yeah.

386

00:51:17.190 --> 00:51:18.720

Town of Parish: that's the better ready.

387

00:51:23.940 --> 00:51:24.600

To.

388

00:51:28.950 --> 00:51:37.980

Town of Parish: Cry I looking at 10 years 10 years is a long time, but it's a lesser than 50.

389

00:51:43.260 --> 00:51:44.010

Town of Parish: writing.

390

00:51:46.110 --> 00:51:46.890

Town of Parish: what's a.

391

00:51:50.850 --> 00:51:51.120

Town of Parish: Good.

392

00:51:52.590 --> 00:51:53.160

Town of Parish: dragon.

393

00:51:57.420 --> 00:52:00.510

Town of Parish: years we had \$15.

394

00:52:01.620 --> 00:52:04.860

Town of Parish: At the end of your intro that no one.

395

00:52:06.420 --> 00:52:17.100

Town of Parish: Here, if you actually if you go one year or 15 years that payment is the same amount \$15,120 and 15 cents.

396

00:52:18.870 --> 00:52:31.590

Town of Parish: i'm looking at the 1.6% the very first one he gave us what you want 1000 the payment according to this is drifting unless i'm really around 50,001 or \$2 and 50 cents, whether it's one year.

397

00:52:33.180 --> 00:52:36.360

Town of Parish: or 15 years my reading that wrong.

398

00:52:38.370 --> 00:52:43.500

Town of Parish: So the game is to me is the same as yours yours you take it out there right.

399

00:52:44.760 --> 00:52:49.350

Town of Parish: guys don't you get the paperwork anybody besides me.

400

00:52:53.610 --> 00:52:58.350

Town of Parish: My point is if the payment is the same Why would we go for less years.

401

00:53:01.980 --> 00:53:02.220

Town of Parish: and

402

00:53:03.930 --> 00:53:04.260

Town of Parish: Yet.

403

00:53:11.730 --> 00:53:13.290

Town of Parish: plus the interest.

404

00:53:17.610 --> 00:53:21.630

Town of Parish: For three hours and 50 cents were really that right.

405

00:53:28.740 --> 00:53:39.420

Town of Parish: Right good, what is more, it goes on the football muscles on the interest, but the annual payment is what i'm looking at 15,015 there right.

406

00:53:41.910 --> 00:53:43.050

Town of Parish: Okay, so.

407

00:53:46.320 --> 00:53:49.560

Town of Parish: If we go 10 years when there.

408

00:53:56.010 --> 00:53:59.310

Town of Parish: Is a lot of money to sick as you're growing and evolving.

409

00:54:01.170 --> 00:54:01.770

Town of Parish: properly.

410

00:54:03.510 --> 00:54:04.290

00:57:54.090 --> 00:57:55.410

Town of Parish: Yes, that's what i'm looking.

455

00:57:57.300 --> 00:57:57.930

456

00:57:59.550 --> 00:57:59.790

Town of Parish: After.

457

00:58:01.320 --> 00:58:02.580

Town of Parish: year that to break down.

Town of Parish: As you break down.

461

00:58:18.990 --> 00:58:22.260

Town of Parish: That non tenure to break that.

462

00:58:23.430 --> 00:58:25.650

Town of Parish: locked in at 1.6.

463

00:58:26.700 --> 00:58:34.530

480

01:00:23.250 --> 01:00:36.840

Town of Parish: What if something doesn't break no Luckily, we are I won't even go there, but I don't disagree it's there, right now, but if equipment or whatever falls apart as a dancer then we end up using it down.

481

Town of Parish: You have a couple copies of the handout and a total commissions last.

631

01:22:22.920 --> 01:22:26.700

Town of Parish: names that goes into some of the details on that.

632

01:22:27.720 --> 01:22:30.240

Town of Parish: I can get them to all of you.

633

01:22:33.150 --> 01:22:37.050

Town of Parish: Well, some of the details are evolving situation.

634

01:22:42.570 --> 01:22:48.750

Town of Parish: One thing that you should know is that you as a town, have the opportunity appears out of that if you want.

635

01:22:49.920 --> 01:22:56.730

Town of Parish: Out of sales position is nothing but in terms of allowing sales in the parish we can test a lot out of that.

636

01:22:58.050 --> 01:23:01.080

Town of Parish: If we were to do that, we have the by the end of the year.

637

01:23:04.140 --> 01:23:12.990

Town of Parish: For the for the hunger, exactly, and if you didn't ask a little blob to perish out of central being allowed in the town.

638

01:23:14.520 --> 01:23:25.350

Town of Parish: The people encouraged, have the opportunity to then request a referendum, so that they can vote on will stand for what we're against over here and by popular demand so.

639

01:23:26.880 --> 01:23:34.290

Town of Parish: Is it attacks are there is the believe it's mentioned in the article that I execute and play oh.

640

01:23:36.480 --> 01:23:37.830

Town of Parish: 8% correct.

641

01:23:41.130 --> 01:23:49.230

Town of Parish: I have copied from the sample walk along with that i've got lots of copies of those always be want one raise your hand and i'd be happy to get.

642

01:23:52.410 --> 01:23:54.300

Town of Parish: On board members would like to look at.

643

01:23:56.670 --> 01:23:57.480

Town of Parish: This one is.

644

01:23:58.530 --> 01:24:01.590

Town of Parish: Still federal yeah very good question.

645

01:24:03.960 --> 01:24:10.230

Town of Parish: Online is anything you have wanting to do on that you have until the end of the year to do it, so you still have time.

646

01:24:10.530 --> 01:24:18.570

Town of Parish: to watch how some of these things are shaking out we'll have some of the questions are getting answered that you might have now that there may not be any good answers for you.

647

01:24:19.170 --> 01:24:25.920

Town of Parish: So you don't need to rush into taking action on this you got till the end of the year to pass a law, should you choose to go that route.

648

01:24:26.580 --> 01:24:42.990

Town of Parish: I want to start getting information, obviously, you can start it does seem like me there's a long ways away, but we know how time flies and so, so there is a there is a and if I hear any more than that i'll make sure to pass along to the first will have information for full time.

649

01:24:44.190 --> 01:24:54.360

Town of Parish: And the less demand is there's an interest in webinars coming up i'd be happy to give you a sheet on that that sort of helps out of the tiger on Fridays, but also to get that you've seen it.

650

01:24:54.750 --> 01:25:03.660

Town of Parish: If anybody needs any more information, we give you a copy will end up at all for today still talking about the.

651

01:25:05.040 --> 01:25:09.180

Town of Parish: same thing to some fish.

652

01:25:10.620 --> 01:25:19.170

Town of Parish: Oh yeah that's something that we're monitoring and nothing there's nothing new on that recently but yeah basically the.

653

01:25:19.860 --> 01:25:32.940

Town of Parish: obstacle right now is downstream much in my in my cheekbone so as a matter of fact, it still works is something that we're still have been tracking is something that parents you.

654

01:25:35.220 --> 01:25:39.780

Town of Parish: know and if there's any argument you can take a long, look no.

655

01:25:41.970 --> 01:25:42.180

Town of Parish: Good.

656

01:26:26.190 --> 01:26:43.050

Town of Parish: This calendar year because the guy says active tax collection as any other my office still does respond to be occasional text search request or can I didn't see any requests throughout the year.

657

01:26:44.490 --> 01:26:45.750

Town of Parish: Essentially, start wrapping up.

658

01:26:47.250 --> 01:26:47.970

Town of Parish: Here we go.

659

01:26:49.080 --> 01:27:03.450

Town of Parish: I can leave both over the phone on the Wednesday prior to that I had to generate this report that you see on the top page so basically it was this is the export that went to county, as you can see, it just it was.

660

01:27:08.940 --> 01:27:09.420

Town of Parish: too late.

661

01:27:13.290 --> 01:27:16.500

Town of Parish: And that breaks down into your full name is.

662

01:27:18.960 --> 01:27:23.700

Town of Parish: TIM the 277 to 34 installment payments that be the.

663

01:27:24.840 --> 01:27:26.550

Town of Parish: People who make to anyone.

664

01:27:27.690 --> 01:27:36.270

Town of Parish: So i'm sorry the computer is not splitting it up, give me just a moment the major second installment payments.

665

01:27:37.980 --> 01:27:53.430

Town of Parish: 36,113 90 and obviously after February 1 kind of these were assessed and hearing how to instill in March which penalties was 37 97.15.

666

01:27:54.030 --> 01:28:05.220

Town of Parish: And calling in March around 50 cent late notice is that I sent 194 businesses out to both pieces, we have many dollars that later.

667

01:28:05.760 --> 01:28:24.930

Town of Parish: So anything with all those layers that went out the door like ah, so he told us or email us your money on hundred and \$36 to speed with now that breaks down, we are seeing as you're going to have success, so the Tony was.

668

01:28:26.010 --> 01:28:28.650

Town of Parish: \$317,000.

669

01:28:30.540 --> 01:28:41.940

Town of Parish: So on \$207,445 and 90 cents with media and 123 28 properties and.

670

01:28:49.980 --> 01:28:52.920

Town of Parish: joining me on page two.

671

01:28:55.140 --> 01:28:57.510

Town of Parish: It says here will calculate.

672

01:28:58.920 --> 01:29:01.380

Town of Parish: 1400 and 12 bills are printed by us.

673

01:29:03.360 --> 01:29:18.390

Town of Parish: Yes, there is a inquisitive homicide it invoices me that were paying it should still be around 280 bucks there was a script one counties level you get approval to take a step back as 40.

674

01:29:19.620 --> 01:29:21.210

Town of Parish: Something that just.

675

01:29:24.360 --> 01:29:28.740

Town of Parish: Working with anybody by us both accounts with \$13.

676

01:29:29.850 --> 01:29:30.600

Town of Parish: And 1400.

677

01:29:32.610 --> 01:29:37.830

Town of Parish: And 2328 and he provided a deals in some on.

678

01:29:39.060 --> 01:29:42.120

Town of Parish: Hoping or two installments you.

679

01:29:44.730 --> 01:29:47.130

Town of Parish: So houses were saying we're.

680

01:29:49.680 --> 01:29:55.140

Town of Parish: Working on 100% you get a point 7% taxes on page.

681

01:29:56.190 --> 01:29:59.430

Town of Parish: or across our entire time to see.

682

01:30:00.810 --> 01:30:07.230

Town of Parish: Let me see 2914 99.9% work.

683

01:30:10.470 --> 01:30:14.520

Town of Parish: So there's my reconciliation sheet that I didn't do there.

684

01:30:16.140 --> 01:30:19.080

Town of Parish: were not many pieces of text.

685

01:30:22.470 --> 01:30:33.480

Town of Parish: Obviously, you can see, the total memories are broken down how much is how much did you do today Danny number to do the town to town, I already reconciling you guys he and when he died in it.

686

01:30:34.560 --> 01:30:52.350

Town of Parish: So, in order to collect the tax yeah there was a little bit about now policy with or counting knows it was the reforestation out before county county is pretty much actually leaving our data Jason to be.

687

01:30:54.120 --> 01:30:55.050

Town of Parish: Somewhere up and now.

688

01:30:56.190 --> 01:30:58.650

Town of Parish: i've been aware of this horrible error in.

689

01:30:59.910 --> 01:31:00.360

Town of Parish: It.

690

01:31:02.910 --> 01:31:16.140

Town of Parish: So anyway, because it cannot be switching over to electronic transfers ACTA whatever correct because call the Supervisor, the account mentality of sales tax money or.

691

01:31:17.190 --> 01:31:24.270

Town of Parish: Whatever other ones they gave me the county already had a town on quiet for direct deposit.

692

01:31:25.920 --> 01:31:37.620

Town of Parish: works I haven't gotten any requests from county so the oh \$3 and 80 cents went into the town's general say only came time.

693

01:31:39.900 --> 01:31:44.430

Town of Parish: To check for 830 \$6,000 I didn't have enough to.

694

01:31:46.080 --> 01:31:50.700

Town of Parish: get from the town with the supervisor and I explained the situation energy.

695

01:31:51.930 --> 01:32:04.260

Town of Parish: So basically I said okay 50 \$273 and 68 cents out of 8803 so that wasn't taken away from some something else wants it, more so than.

696

01:32:05.370 --> 01:32:31.590

Town of Parish: 30 \$529 or 40 cents oh three, in order to make people pay the Agency down there check one \$836,544 and 99 cents, now the second amounted to see their do that supplement franchise fee, this is the second year of I guess a change in my last year, this year, still.

697

01:32:32.700 --> 01:32:55.830

Town of Parish: All those utility those national create CSS Time Warner sta n K Fo our horizon there's two for Intel fiber networks, all of those a camera can be turned around tells me when they get paid and usually break up I haven't been entered into my computer openness.

698

01:32:58.860 --> 01:33:01.290
Town of Parish: So I can do the mapping.

699
01:33:02.460 --> 01:33:07.170
Town of Parish: Facts are going to do that, so they don't want to be in a.

700
01:33:08.820 --> 01:33:18.240
Town of Parish: Well, those pieces that came up was \$863 and 99 cents as a franchisee I have already accounted for the second check like you can catch.

701
01:33:19.980 --> 01:33:20.370
Town of Parish: Three and.

702
01:33:22.830 --> 01:33:23.280
Town of Parish: Then.

703
01:33:24.720 --> 01:33:25.830
Town of Parish: there's also.

704
01:33:27.180 --> 01:33:48.060
Town of Parish: The I had I had to build directions, I do you see a total of three bills corrections because one person and add something goes wrong, and it changes after entering the school district accounting bills, so we have never taken away that falls on the test it removed.

705
01:33:49.410 --> 01:33:51.510
Town of Parish: In the program problem and.

706
01:33:54.150 --> 01:34:11.430
Town of Parish: Then the second to their number one it's number two that was kind of a problem where he is assessor and made a mistake animated gifts directly with the county oh wait went to count your properties jumping rocks she said she said 30 days and she takes it.

707
01:34:12.720 --> 01:34:12.960
Town of Parish: To.

708
01:34:14.160 --> 01:34:14.820
Town of Parish: I said.

709
01:34:15.960 --> 01:34:17.130

Town of Parish: Last week direction.

710

01:34:19.500 --> 01:34:48.150

Town of Parish: So basically I have settled a little town and I I have \$100 question a little bit, and I will then you tell me break down and see how much was interesting was actually penalties on your property taxes and the supervisor at 207,000 or 4519 she can do from the government or medical campus.

711

01:34:50.910 --> 01:34:51.180

Oh.

712

01:34:53.880 --> 01:34:54.150

Town of Parish: hey.

713

01:34:57.510 --> 01:35:00.270

Town of Parish: Give me, whatever the balances to give you.

714

01:35:03.180 --> 01:35:04.440

Town of Parish: Cash at the same time.

715

01:35:08.250 --> 01:35:13.560

Town of Parish: So when he calls out you find out what the balances you owe us give us the.

716

01:35:20.040 --> 01:35:22.920

Town of Parish: Reporting so that you can actually check what it was.

717

01:35:24.060 --> 01:35:34.800

Town of Parish: Probably getting it getting this stuff from the county and they don't give you the correct description and they end up calling me, I mean people over there as well, right this coding.

718

01:35:35.820 --> 01:35:41.010

Town of Parish: coding incorrectly against the ballon amongst everything is yummy is more than some sales tips and it's.

719

01:35:42.810 --> 01:35:43.350

Town of Parish: called but.

720

01:35:52.110 --> 01:35:56.130

Town of Parish: you're giving me that 8000 being direct.

721

01:35:59.700 --> 01:36:03.660

Town of Parish: When there's nothing left to give thanks.

722

01:36:05.130 --> 01:36:10.830

Town of Parish: to sign about filling out of that i'll see you.

723

01:36:12.630 --> 01:36:14.940

Town of Parish: Next year, to date, sex workers exam.

724

01:36:18.480 --> 01:36:18.810

Town of Parish: again.

725

01:36:26.610 --> 01:36:27.000

Town of Parish: hey.

726

01:36:40.920 --> 01:36:46.350

Town of Parish: march 1 to march 31 33 calls.

727

01:36:47.490 --> 01:36:49.320

Town of Parish: Very us to the.

827

01:52:48.390 --> 01:52:50.820

Town of Parish: Calendar waiting to get paid for it planning board meeting.

828

01:52:52.140 --> 01:52:59.550

Town of Parish: not sign the paperwork, he was there and we made a motion they don't have to send the paperwork and I just gave.

829

01:52:59.910 --> 01:53:12.420

Town of Parish: him a copy of the law, give Kevin a copy of the law, you can actually receive patella regardless of you're saying that I have to have verification of people being here and you.

830

01:53:14.010 --> 01:53:32.640

Town of Parish: Sign the paperwork he's done it for two years, all sudden he decides not to sign us in a minute the room I don't get the Minutes prior to the checks going out world they they came out I got it may April checks out before that.

831

Town of Parish: So, and if you do a template and your secretary's with you man.

832

01:53:38.550 --> 01:53:50.280

Town of Parish: But when you set up a template for the minute you get those things already in there you just have to remember the changing if somebody doesn't show up versus not So how do I know it was right or wrong, it was a sign the Minutes that I have been assigned.

833

01:53:51.360 --> 01:54:03.000

835

01:54:14.520 --> 01:54:30.000

Town of Parish: To listen to any of the emotions that the Boards make makes good emotions that are legal and not a problem, no problem I don't understand why you're so stuck on paying more money for people to do more money than they have to work, the.

836

01:54:31.860 --> 01:54:40.440

Town of Parish: More money you save money, the time you enter the director of the program and payable clerk in time I think it's.

837

01:54:41.460 --> 01:54:46.320

Town of Parish: would be saving money because you know, like i've already proved that we don't.

838

01:54:47.670 --> 01:54:48.360

that's okay.

839

01:54:49.560 --> 01:54:51.960

Town of Parish: And the only way to bring up other old business.

840

01:54:54.330 --> 01:54:54.750

842

01:55:13.140 --> 01:55:23.400

Town of Parish: So, in a motion to change our reinstating Wednesday may 22 you know we have to notify people they need to know like.

843

01:55:25.020 --> 01:55:28.890

Town of Parish: The assessment does matter, who will have to put down, yes, you.

844

01:55:30.330 --> 01:55:30.570

Town of Parish: know.

845

01:55:31.740 --> 01:55:40.650

Town of Parish: Putting it in the paper is not going to do, because a lot of people don't read the paper yes we'll have to notify the public that everyone stays on Wednesday, instead of.

846

01:55:41.430 --> 01:55:56.460

Town of Parish: I don't know if they make appointments to come, yes yeah yeah so if they make an appointment, whoever they may, if we could also remind them and tell them to people come and not make appointments I don't know like you're supposed to make an appointment.

847

01:55:57.960 --> 01:55:58.620

Town of Parish: time slot.

848

01:56:00.240 --> 01:56:01.980

849

01:56:03.240 --> 01:56:05.460

Town of Parish: I mean go to the State come up frequently.

850

01:56:07.110 --> 01:56:12.720

852

01:56:24.780 --> 01:56:30.870

Town of Parish: emotion.

860

01:57:01.170 --> 01:57:01.770

Town of Parish: emotion.

861

01:57:03.600 --> 01:57:04.260

Second.

862

01:57:05.640 --> 01:57:09.000

Town of Parish: Notification i'll ask her about them, as we know.

863

01:57:10.530 --> 01:57:10.830

Town of Parish: We can.

864

01:57:13.740 --> 01:57:15.090
