1
00:00:09.750 --> 00:00:11.309
Parish Planning Board: village town town.

2
00:00:14.580 --> 00:00:15.990
Parish Planning Board: So we can.

3
00:00:17.789 --> 00:00:18.359
Parish Planning Board: Go to.

4
00:00:19.560 --> 00:00:21.330
Parish Planning Board: The ATM him yeah.

5
00:00:23.490 --> 00:00:26.880
Parish Planning Board: So we got that we got a purpose that has changed.

6
00:00:29.160 --> 00:00:33.450
Parish Planning Board: We mentioned the survey, so it hasn't changed, well, we got a.

7
00:00:35.550 --> 00:00:41.490
Parish Planning Board: couple of us, we were talking about web copy yeah survey monkey.

8
00:00:42.870 --> 00:00:45.780
Parish Planning Board: Issues got 10 questions.

9
00:00:47.070 --> 00:00:54.270
Parish Planning Board: And all but I think the Web server level monkey doesn't lie like a lot.

10
00:00:55.560 --> 00:01:06.390
Parish Planning Board: Faster yeah except for there's a free version of it so paid version and the free version limits you to certain yeah you get 10 questions right would would have.

11

00:01:06.840 --> 00:01:26.250

Parish Planning Board: gotten more or less you know you agree or no say example you leave that the talent should have a flag blue and white, yes or no that's about what it does doesn't give you like a detail answers, so we, I mean, I would like to see us.

12

00:01:28.140 --> 00:01:41.760

Parish Planning Board: Try to work out a 10 question survey taken the important parts, you know already that the basic questions last survey and how we can put this any Web.

13

00:01:43.410 --> 00:01:50.640

Parish Planning Board: Certainly, and then we publish it on time lab you know distributed and then give them like maybe a more.

14

00:01:51.600 --> 00:02:00.450

Parish Planning Board: You know inspire them to tabulate the results, so we can actually you know update this and say that's.

15

00:02:01.260 --> 00:02:21.660

Parish Planning Board: that's my proposal, but when you brought it up when we did it last time we actually did a paper, like all over time, like yeah and put it locks as well, people a little bit about what I knew that during coven I don't think, but a survey web survey downtown's catalog to.

16

00:02:23.730 --> 00:02:34.230

Parish Planning Board: Internet companies a lot of people have so we could probably do a pretty good visibility surveys is sadly it's like the whole don't need everybody hello, a.

17

00:02:35.520 --> 00:02:39.540

certain number of people that say yeah so.

18

00:02:40.980 --> 00:02:43.740

Parish Planning Board: You want to go over your question right now.

19

00:02:48.720 --> 00:02:51.090

Parish Planning Board: yeah we only gave me an email.

20

00:02:56.130 --> 00:03:03.540

Parish Planning Board: Saying well what we can do is why don't we just put this table it and in our next week.

21

00:03:05.790 --> 00:03:06.810

Parish Planning Board: i'll just.

22

00:03:08.010 --> 00:03:23.340

Parish Planning Board: If you want to email everybody your suggestions, then we often like work on it out Hausa the Web monkey the free one and and kind of get in there and see what's our word woman.

23

00:03:24.540 --> 00:03:42.750

Parish Planning Board: And then maybe we start from there, so I didn't hear me I probably say you know years and, like questionnaire and 2019 and a you know survey, and you know 2021 just include that will do that.

24

00:03:43.830 --> 00:03:56.430

Parish Planning Board: So you want to do this, have a survey done and tabulated before this is adopted and sort of talk and get clued in it yeah yeah we would add the Community survey results.

25

00:03:57.540 --> 00:04:03.210

Parish Planning Board: For dentists appendix okay also get like also be part of our vision.

26

00:04:04.350 --> 00:04:04.950

Parish Planning Board: yeah.

27

00:04:06.360 --> 00:04:08.490

Parish Planning Board: it's the one needs to be.

28

00:04:10.590 --> 00:04:11.190

Parish Planning Board: Maybe not.

29

00:04:13.980 --> 00:04:18.840

Parish Planning Board: I mean the survey, I mean they gave me to question, it was.

30

00:04:20.880 --> 00:04:41.520

Parish Planning Board: worth it yeah so I mean it probably we probably don't make it into what get free don't think sometimes we spent \$7,000 great service now, but you know Lisa we get to say 100 people 5075 years finally of the town science, as you know, we're less than 24 hours.

31

00:04:43.680 --> 00:04:48.330

Parish Planning Board: yeah so you if you get 100 back that's a good.

32

00:04:49.920 --> 00:04:53.160

Parish Planning Board: So I mean if you get 50 that's good for percentage.

33

00:04:55.920 --> 00:04:56.520

Parish Planning Board: hey man.

34

00:04:59.010 --> 00:04:59.730

Parish Planning Board: Okay.

35

00:05:01.500 --> 00:05:10.170

Parish Planning Board: yeah the rest review and then, I have a note on page two that we want to add a mission statement or a vision statements.

36

00:05:13.650 --> 00:05:17.370

Parish Planning Board: And then the page three.

37

00:05:18.870 --> 00:05:23.910

Parish Planning Board: Talking about the location was created in a squiggle Melanie blah blah blah.

38

00:05:24.960 --> 00:05:31.740

Parish Planning Board: it's a certain size that's all none of that's changed want to get more pictures, in the final version.

39

00:05:33.930 --> 00:05:35.790

Parish Planning Board: And then we get the history.

40

00:05:37.770 --> 00:05:45.990

Parish Planning Board: And I have the bottom of page by we talked about that last paragraph it's kind of grayed out with let's go back to town.

41

00:05:49.290 --> 00:05:52.230

Parish Planning Board: We don't have the talent or ability or is it.

42

00:05:54.450 --> 00:05:56.370

Parish Planning Board: An Ak.

43

00:05:59.700 --> 00:06:00.660

Parish Planning Board: You yeah.

44

00:06:01.980 --> 00:06:02.880

Parish Planning Board: The town started.

45

00:06:03.960 --> 00:06:04.830

Parish Planning Board: started.

46

00:06:05.910 --> 00:06:06.270

Parish Planning Board: At.

47

00:06:16.140 --> 00:06:16.230

Parish Planning Board: The.

48

00:06:17.820 --> 00:06:27.270

Parish Planning Board: Establishment, so the town of establishing Lincoln was at at 28 1828 and the village was a tdd three.

49

00:06:33.330 --> 00:06:33.930

Parish Planning Board: Something.

50

00:06:36.570 --> 00:06:43.230

Parish Planning Board: And so you're saying the parish incorporated in 1828 yes.

51

00:06:46.290 --> 00:06:49.350

Parish Planning Board: That was sort of the first settlement that's a win.

52

00:06:51.150 --> 00:07:03.210

Parish Planning Board: and giving gamma Leo Barnes cells lots of 60 in the southwest corner of the towns that's kind of the first white person that so here managing.

53

00:07:05.730 --> 00:07:08.460

Parish Planning Board: That it was part of the town of next, this is the town of next.

54

00:07:13.380 --> 00:07:14.490

Parish Planning Board: gen okay.

55

00:07:16.860 --> 00:07:21.180

Parish Planning Board: So what about page five that great thing I have a note that maybe we.

56

00:07:23.220 --> 00:07:29.730

Parish Planning Board: We expand that into a mission statement, so we got some language in there about integrating development.

57

00:07:31.530 --> 00:07:33.540

Parish Planning Board: That needs mean, I agree that.

58

00:07:37.080 --> 00:07:39.600

Parish Planning Board: The that that's just.

59

00:07:44.580 --> 00:07:46.020

Parish Planning Board: What let's come back to that.

60

00:07:48.240 --> 00:07:56.820

Parish Planning Board: And we're going to add some next page add some map so that's how we do have somewhere digitize we have a breakdown.

61

00:07:59.040 --> 00:07:59.400

Parish Planning Board: Of the.

62

00:08:00.960 --> 00:08:02.670

Parish Planning Board: 1860.

63

00:08:04.740 --> 00:08:07.980

Parish Planning Board: yeah i'm pretty sure I have that stands up.

64

00:08:10.140 --> 00:08:10.890

Parish Planning Board: In the village.

65

00:08:16.230 --> 00:08:20.340

Parish Planning Board: So, then the next several pages is all the demographic stuff.

66

00:08:21.570 --> 00:08:22.680

Parish Planning Board: With the latest data.

67

00:08:25.320 --> 00:08:40.440

Parish Planning Board: still waiting it's going to be a while to get this information for 2020 is it like August, this will spend two weeks or

something, it is, I think it's coming out in drips and drabs, but it might yeah that sounds about right early fall.

68

00:08:41.730 --> 00:08:41.970

Parish Planning Board: For.

69

00:08:48.300 --> 00:08:51.270

Parish Planning Board: When we're doing the plan to plan and you thought about.

70

00:08:52.890 --> 00:08:53.220

Parish Planning Board: going.

71

00:08:54.420 --> 00:08:57.780

Parish Planning Board: On the chart on a date at towards.

72

00:08:58.830 --> 00:09:01.230

Parish Planning Board: where the population is change the most.

73

00:09:03.900 --> 00:09:06.270

Parish Planning Board: April yeah.

74

00:09:07.350 --> 00:09:09.270

Parish Planning Board: five important euro yeah.

75

00:09:11.280 --> 00:09:12.360

Parish Planning Board: Yes.

76

00:09:13.650 --> 00:09:33.210

Parish Planning Board: that's why they close the elementary school kids to support them right right, but then, if you look on the other end there seems to be more older people, the population so whatever it is Benjamin really bad why they are able to go to.

77

00:09:34.560 --> 00:09:35.280

Parish Planning Board: War and.

78

00:09:37.080 --> 00:09:37.560

Parish Planning Board: Even though they.

79

00:09:39.000 --> 00:09:39.840

Parish Planning Board: can't afford it.

80

00:09:40.920 --> 00:09:41.280

Parish Planning Board: And maybe.

81

00:09:42.810 --> 00:09:42.930

I.

82

00:09:45.690 --> 00:09:47.280

Parish Planning Board: could be yeah.

83

00:09:55.980 --> 00:10:13.980

35.

84

00:10:15.120 --> 00:10:19.170

Parish Planning Board: keep in mind that the 29th estimate so it's not.

85

00:10:22.710 --> 00:10:24.390

Parish Planning Board: gonna take a break so.

86

00:10:39.900 --> 00:10:40.170

Parish Planning Board: So we.

87

00:10:41.190 --> 00:10:43.200

Parish Planning Board: saw the data updated.

88

00:10:45.330 --> 00:10:47.970

Parish Planning Board: Class worker use.

89

00:12:02.100 --> 00:12:04.470

Parish Planning Board: Just kind of start on T.

90

00:12:09.360 --> 00:12:13.980

Parish Planning Board: There we changed village finalization to downtown revitalization.

91

00:12:15.630 --> 00:12:17.970

Parish Planning Board: So we're just concentrating on downtown.

92

00:13:00.990 --> 00:13:02.160

Parish Planning Board: transportation.

93

00:13:08.730 --> 00:13:10.020

Parish Planning Board: public transportation.

94

00:14:27.720 --> 00:14:31.020

Parish Planning Board: yeah maybe that's not an issue anymore take the whole thing.

95

00:14:44.160 --> 00:14:45.240

Parish Planning Board: Class carrots yes.

96

00:14:52.740 --> 00:14:53.130

Parish Planning Board: mom.

97

00:14:57.720 --> 00:14:57.900

yeah.

98

00:15:00.510 --> 00:15:02.790

Parish Planning Board: Those are the speeches got.

99

00:15:12.150 --> 00:15:12.870

Parish Planning Board: To do it.

100

00:15:19.980 --> 00:15:20.130

Parish Planning Board: No.

101

00:15:29.160 --> 00:15:30.090

Parish Planning Board: problem at the state.

102

00:17:37.080 --> 00:17:38.160

Parish Planning Board: People that's.

103

00:17:43.170 --> 00:18:16.440

Parish Planning Board: The second strategy on page 1799 of the housing strategies have changed.

104

00:18:19.980 --> 00:18:37.980

Parish Planning Board: 74.

105

00:18:47.970 --> 00:18:48.420

Parish Planning Board: Oh.

106

00:18:54.450 --> 00:18:54.930
Parish Planning Board: yeah.

107

00:18:55.980 --> 00:18:56.430
Parish Planning Board: would say.

108

00:18:57.780 --> 00:19:00.780
Parish Planning Board: For better old wiki.

109

00:19:04.200 --> 00:19:06.900
Parish Planning Board: We only do is post here.

110

00:19:12.480 --> 00:19:12.930
Parish Planning Board: yeah.

111

00:19:15.270 --> 00:19:15.690
Parish Planning Board: He.

112

00:19:34.830 --> 00:19:36.000
Parish Planning Board: They go.

113

00:20:08.670 --> 00:20:09.240
Parish Planning Board: whoa.

114

00:20:14.880 --> 00:20:15.210
Parish Planning Board: Really.

115

00:20:24.930 --> 00:20:25.380
Parish Planning Board: Nothing.

116

00:20:29.880 --> 00:20:30.300
Parish Planning Board: And then it's.

117

00:20:33.270 --> 00:20:36.600
Parish Planning Board: Because the last bus fails by about 630 going down a line.

118

00:20:38.970 --> 00:20:39.270
Parish Planning Board: Item.

119

00:20:43.980 --> 00:20:44.520
Parish Planning Board: creation.

120
00:20:50.940 --> 00:20:51.720
Parish Planning Board: Just residents.

121
00:20:53.670 --> 00:20:57.510
Parish Planning Board: To stay back, and it was great he said.

122
00:21:02.520 --> 00:21:05.520
Parish Planning Board: Are you ready option number one development.

123
00:21:11.310 --> 00:21:12.750
Parish Planning Board: Center and they take.

124
00:21:17.190 --> 00:21:17.580
over this.

125
00:21:19.710 --> 00:21:24.540
Parish Planning Board: So they developed by Friday conjunction with the department transportation and.

126
00:21:25.200 --> 00:21:38.190
Parish Planning Board: You yeah what the central get involved in the park and ride yeah they go to such a square yeah become This is where the bus goes del designated as one of their stops for the central yeah there's really no.

129
00:22:04.230 --> 00:22:05.730
Parish Planning Board: Well let's put it this way.

130
00:22:07.530 --> 00:22:08.910
Parish Planning Board: To october's ago.

131

00:22:10.200 --> 00:22:16.740

Parish Planning Board: Where the government, giving grant money for transportation and the ones place to figure out where.

134

00:22:37.230 --> 00:22:41.520

Parish Planning Board: You know we're there, including we're not in this.

135

00:22:42.750 --> 00:22:43.950

Parish Planning Board: I mean what is this.

136

00:22:46.230 --> 00:22:54.720

Parish Planning Board: Guy Oh, we got one thing you mentioned here, they got here, you know read up on see spirits and all nothing here.

137

00:22:55.800 --> 00:22:58.440

Parish Planning Board: I mean, I just want something here.

138

00:23:07.980 --> 00:23:10.140

Parish Planning Board: Good job request for me for.

139

00:23:11.340 --> 00:23:29.670

Parish Planning Board: residents in this particular area you're taking an old person on their own personal to get to their boss could like they want to go they'll all get together and worked out, well then care if you're a parent you gotta drive from here to say means you gotta drive here to layer

140

00:23:31.230 --> 00:23:39.930

Parish Planning Board: With a recommendation hated doing it like that man that centers program where it's going, and we are population of senior citizens increase.

141

00:23:41.460 --> 00:23:44.580

Parish Planning Board: You know these enhance you know, please.

142

00:23:45.660 --> 00:23:48.330

Parish Planning Board: spread to probably incorporate in our.

143

00:23:50.730 --> 00:24:04.680

Parish Planning Board: In our survey yeah yeah I mean, these are the good ones to get people's reactions to not understand why, but if I love this example, if there was a park and ride central.

144

00:24:06.330 --> 00:24:15.420

Parish Planning Board: lot you use it, the golden circles are sweet like that no yes or no, you know that they you know.

145

00:24:17.610 --> 00:24:20.610

Parish Planning Board: Some of these you know you can ask but.

146

00:24:21.780 --> 00:24:25.380

Parish Planning Board: You know that would agree with that and then have numbers least.

147

00:24:31.710 --> 00:24:38.610

Parish Planning Board: tickets right now you've got a better service coming out a third piece to a squiggle you do any of the north central.

148

00:24:43.980 --> 00:24:50.910

Parish Planning Board: yourself is climbing up one of those bus stops and never Walker you can't find there.

149

00:24:53.190 --> 00:24:58.290

Parish Planning Board: But the Center of us has all of them, except for the month of look like right now, they are meal.

150

00:25:00.450 --> 00:25:11.850

Parish Planning Board: Again, and actually they do have if you're going to go to or Walker they can probably probably have a flip the switch it goes in fox a ramble on, for this is going to be.

151

00:25:14.670 --> 00:25:15.960

Parish Planning Board: yeah most of their buses are going.

152

00:25:17.580 --> 00:25:18.030

Parish Planning Board: To be great.

153

00:25:20.730 --> 00:25:21.600

Parish Planning Board: Okay, so.

154

00:25:26.250 --> 00:25:27.480

Parish Planning Board: we're taking down.

155

00:25:28.860 --> 00:25:30.300

Parish Planning Board: yeah we're about.

156

00:25:33.270 --> 00:25:35.910

Parish Planning Board: Nothing changes to.

157

00:25:38.100 --> 00:25:39.330

Parish Planning Board: See you mean oh.

158

00:25:40.620 --> 00:25:44.670

Parish Planning Board: yeah you know manufacturing more professionals.

159

00:25:47.490 --> 00:25:50.070

Parish Planning Board: The historic preservation has changed a lot.

160

00:25:52.980 --> 00:25:54.060

Parish Planning Board: that's got.

161

00:25:56.760 --> 00:26:03.000

Parish Planning Board: Some new stuff talking about the accomplishments of historical society.

162

00:26:06.900 --> 00:26:08.880

Parish Planning Board: provided by budget sports.

163

00:26:12.060 --> 00:26:18.300

Parish Planning Board: yeah that I can belong in comprehensive plan it's fine I understand it was great work, but we actually.

164

00:26:21.000 --> 00:26:23.550

Parish Planning Board: getting to the point yep that's up to you.

165

00:26:25.980 --> 00:26:27.630

Parish Planning Board: That would be great for like a.

166

00:26:28.890 --> 00:26:32.550

Parish Planning Board: French press release or you tourism brochure.

167

00:26:33.690 --> 00:26:38.850

Parish Planning Board: There really wasn't a lot of cemeteries, the only dropping down what you put in.

168

00:26:39.900 --> 00:26:40.200

Parish Planning Board: there.

169

00:26:42.900 --> 00:26:44.730

And the veterans.

170

00:26:49.770 --> 00:26:50.310

veterans.

171

00:26:53.010 --> 00:26:54.030

Parish Planning Board: No man.

172

00:26:55.140 --> 00:26:56.040

Is that important.

173

00:26:58.440 --> 00:27:01.380

Parish Planning Board: But it doesn't belong in a comprehensive plan.

174

00:27:03.000 --> 00:27:04.110

Parish Planning Board: How we're looking for the basic.

175

00:27:05.520 --> 00:27:06.480

Parish Planning Board: State when we go.

176

00:27:07.560 --> 00:27:11.460

Parish Planning Board: there's partial and keep in mind, we, I mean.

177

00:27:12.840 --> 00:27:13.350

Parish Planning Board: You got.

178

00:27:14.400 --> 00:27:16.320

Parish Planning Board: Important sites and structures.

179

00:27:17.370 --> 00:27:28.410

Parish Planning Board: That yeah you can move bathrooms far thirsty originally dedicated but you don't need lawmakers region represents Parish.

180

00:27:30.210 --> 00:27:32.310

Parish Planning Board: That can help because.

181

00:27:33.540 --> 00:27:38.280

Parish Planning Board: We just that just talking about things you don't need.

182

00:27:40.080 --> 00:27:40.410

Parish Planning Board: Page.

183

00:27:42.600 --> 00:27:47.460

Parish Planning Board: And when you move it up hundred words it's like instructors.

184

00:27:50.700 --> 00:28:00.120

Parish Planning Board: Okay yeah me, and I would move with their own they can plug, it is important yeah it is historical and I already.

185

00:28:01.230 --> 00:28:08.130

Parish Planning Board: know you already got the puzzle long cemeteries out there, right now, so take it over there.

186

00:28:09.810 --> 00:28:17.850

Parish Planning Board: The book I don't see what the book is nice but give me take the book yeah the book is not visible, then in the town.

187

00:28:21.870 --> 00:28:23.880

Parish Planning Board: swartz house stage.

188

00:28:25.260 --> 00:28:27.570

Parish Planning Board: And typewriter factory.

189

00:28:29.520 --> 00:28:32.340

Parish Planning Board: If we had more information, I would say.

190

00:28:33.390 --> 00:28:40.500

Parish Planning Board: I mean it would say is maybe one of the major businesses of the town historically.

191

00:28:43.050 --> 00:28:48.840

Parish Planning Board: So yeah yeah it's still the same issue there because the type of the old.

192

00:28:50.040 --> 00:29:01.170

Parish Planning Board: factory exists i'm not saying stuff is gone, but stuff is still exists that's of historical significance, I would say, you can move up there, but they're just like.

193

00:29:02.250 --> 00:29:19.590

Parish Planning Board: yeah I mean I get it started as a factory, then I might or whatever, and it became a typewriter right right so yeah and it's still adjusting to that so it's still being used like recognized by who I have no idea because I don't think there's any sign on building repeat slide.

194

00:29:21.420 --> 00:29:22.080

That the.

195

00:29:24.030 --> 00:29:25.410

Parish Planning Board: Historical society did the.

196

00:29:26.460 --> 00:29:31.680

Parish Planning Board: Recognition of their money get the news and they have a plaque on, there is no black.

197

00:29:32.970 --> 00:29:43.140

Parish Planning Board: op that's the Heritage Foundation is that a State federal local that's a county Sligo county Heritage Foundation, which is just like a nonprofit vitamin C.

198

00:29:44.940 --> 00:29:45.510

I can.

199

00:29:46.620 --> 00:29:53.400

Parish Planning Board: Will it will write a script before heritage yeah those those are their their.

200

00:29:55.110 --> 00:30:12.900

Parish Planning Board: Their presence and their historical you know that's how I think they should be included, but the book I don't think the books, because that historical record more than just nice to know it's good for you, but the typewriter family.

201

00:30:14.340 --> 00:30:17.850

History and was a one time major industry.

202

00:30:20.850 --> 00:30:21.270

Parish Planning Board: Yes.

203

00:30:27.690 --> 00:30:38.820

Parish Planning Board: But do we really just I mean birch bark yes it's great I mean I remember do I go there is thinking Memorial Day and veterans day and various other people show up to.

204

00:30:40.440 --> 00:30:41.220

Our presidents.

205

00:30:43.170 --> 00:30:45.660

Parish Planning Board: But when you say the lawmakers secure.

206

00:30:47.010 --> 00:30:51.030

Parish Planning Board: I said, give it all back to mine is what yeah.

207

00:30:52.440 --> 00:30:55.170

Parish Planning Board: We don't need the price tag yeah.

208

00:30:56.610 --> 00:31:00.930

Parish Planning Board: We have established liking or sad yes.

209

00:31:03.600 --> 00:31:08.760

I really feel strongly about the button, we recommend and the other one.

210

00:31:10.050 --> 00:31:16.740

Parish Planning Board: Is a fire under one second yeah no i'm not disagreeing with you on that part but we just don't even.

211

00:31:18.090 --> 00:31:26.850

Parish Planning Board: Just we just learned that the discussion of that yeah I mean it existed before the break I mean it's just in that sense.

212

00:31:29.280 --> 00:31:30.450

Parish Planning Board: Any of us can remember.

213

00:31:32.340 --> 00:31:32.520
Parish Planning Board: yeah.

214

00:31:36.600 --> 00:31:44.070
Parish Planning Board: And there was a civil war monument it wasn't like one that when I was commanded vfw in.

215

00:31:45.720 --> 00:31:51.150
Parish Planning Board: Six years we built for sure why we actually get larger standing.

216

00:31:52.350 --> 00:32:03.600
Parish Planning Board: outside of the State fair for everybody, who was a veteran in all the wars listen that huge and.

217

00:32:05.400 --> 00:32:12.060
Parish Planning Board: It didn't include the civil war, the war one, and I think it's important.

218

00:32:13.890 --> 00:32:19.290
Parish Planning Board: To keep it and we just don't talk about all the floor, the floor what.

219

00:32:24.240 --> 00:32:29.400
Parish Planning Board: Would you put with the new Granite line with recognizing all Brian.

220

00:32:33.060 --> 00:32:40.170
Parish Planning Board: says a new grandma we are recognizing all branches er courses was installed 2000.

221

00:32:41.970 --> 00:32:47.040
Parish Planning Board: Because you know originally the civil war only you how they put it in the new so often.

222

00:32:48.120 --> 00:32:52.710
Parish Planning Board: In the back of the I think more than appropriate not do.

223

00:32:53.910 --> 00:33:01.710
Parish Planning Board: not do this, but i'll let you guys know better and stuff who can kind of take this call and say hey there's something stopping.

224

00:33:02.760 --> 00:33:03.570
for security.

225

00:33:06.480 --> 00:33:07.410
Parish Planning Board: issue okay.

226

00:33:08.700 --> 00:33:11.130
Parish Planning Board: rescue the head right.

227

00:33:12.210 --> 00:33:13.290
Parish Planning Board: We got them back.

228

00:33:23.700 --> 00:33:26.610
Parish Planning Board: There is one missing one is April, really.

229

00:33:28.770 --> 00:33:31.590
Parish Planning Board: Based on based on the big we can evolve, but.

230

00:33:34.860 --> 00:33:35.250
Parish Planning Board: they're.

231

00:33:36.510 --> 00:33:42.300
Parish Planning Board: Not behaving themselves growing they rolled away,
it took off property because they figured.

232

00:33:44.040 --> 00:33:44.790
Parish Planning Board: out there's one.

233

00:33:47.310 --> 00:33:49.770
Parish Planning Board: side and just go for it.

234

00:33:56.220 --> 00:33:57.420
Parish Planning Board: Probably goes over.

235

00:33:59.190 --> 00:33:59.640
Parish Planning Board: yeah.

236

00:34:00.720 --> 00:34:08.640
Parish Planning Board: Okay, we were talking about the veterans park and
we're adding something about all branches of it's already there already.

237

00:34:11.160 --> 00:34:15.690

Parish Planning Board: yeah you just say in November 2005 a.

238

00:34:17.040 --> 00:34:24.870

Parish Planning Board: A new brand and Barry recognize all branches of the armed forces, was an answer being banking.

239

00:34:29.310 --> 00:34:30.840

Appropriate preference but.

240

00:34:37.230 --> 00:34:40.380

Parish Planning Board: Now we got all those are all right.

241

00:34:42.300 --> 00:34:45.840

Parish Planning Board: there's a couple new ones you're gonna second.

242

00:34:53.280 --> 00:34:54.660

Parish Planning Board: The last one is new.

243

00:34:59.130 --> 00:35:09.690

Parish Planning Board: And notable national registry on this better restricted what we're doing yeah you can't you can't do the outside, very good like.

244

00:35:11.220 --> 00:35:19.530

Parish Planning Board: Even repair to it's the same thing regionals today the last week when we got our that would not be.

245

00:35:21.900 --> 00:35:26.490

Parish Planning Board: And that side you got from that alone i'm gonna.

246

00:35:27.600 --> 00:35:31.830

Parish Planning Board: have to be done with the big banner the.

247

00:35:33.300 --> 00:35:34.110

Parish Planning Board: bad thing.

248

00:35:35.520 --> 00:35:51.930

Parish Planning Board: Is is no I walked by default, I know if you talk about that sign yeah that was thinking now okay that was for my for my still being the ground, but it was building you're really, really, strengthened by what you do.

249

00:35:56.970 --> 00:35:58.530

Parish Planning Board: So you sold that in.

250

00:36:00.630 --> 00:36:04.260

Parish Planning Board: In the last three or do so, the three that are on page 25.

251

00:36:18.480 --> 00:36:19.530

Parish Planning Board: Like last one.

252

00:36:21.930 --> 00:36:31.530

Parish Planning Board: will be nice to have a little history version of the library rosana historical register they wouldn't be able to do that, in addition, and yeah there's something.

253

00:36:32.280 --> 00:36:47.760

Parish Planning Board: there's something that's preventing you from getting on with it's not hold off on that historical its historic local, yes, but as far as the make the federal criteria there's some the plot that seems to be the big thing here the.

254

00:36:49.830 --> 00:36:50.640

Parish Planning Board: There is an.

255

00:36:51.930 --> 00:36:55.350

Parish Planning Board: Evil they got a great degree we do one.

256

00:36:56.760 --> 00:37:06.870

Parish Planning Board: More thing for this purpose are definitely on that document right, not necessarily get a statement to free up that and, as far as I know, library.

257

00:37:08.130 --> 00:37:14.580

Parish Planning Board: or library, as far as I know, library has not received the green should we have that they know.

258

00:37:16.560 --> 00:37:17.460

Parish Planning Board: They only go.

259

00:37:19.620 --> 00:37:24.360

Parish Planning Board: Is it the library or is villages, they asked the question.

260

00:37:25.770 --> 00:37:30.390

Parish Planning Board: Because it is free standing by, and so I mean I don't know.

261

00:37:32.460 --> 00:37:35.190

Parish Planning Board: I just want you all my life, I always all.

262

00:37:36.360 --> 00:37:44.280

Parish Planning Board: The I mean because they apply for the grant when you're done and maybe to the library one because.

263

00:37:45.270 --> 00:37:58.470

Parish Planning Board: You already did we have an immediate states, but something has gone wrong it's inside the pockets, though, the actual workings, to the clock, as far as the battery and setting devices are inside the library in the morning.

264

00:38:05.790 --> 00:38:10.230

Parish Planning Board: 26 and got the change that to real character revitalization.

265

00:38:13.440 --> 00:38:24.720

Parish Planning Board: But nothing else has really changed, except for we added on 27 we added the solar energy facilities in with windmills and telecommunication towers.

266

00:38:26.610 --> 00:38:27.240

Parish Planning Board: A new thing.

267

00:38:31.440 --> 00:38:40.650

Parish Planning Board: whereby you can put the work in violence revitalization here yeah Thank you plan to earlier put into hell paid for.

268

00:38:42.240 --> 00:38:55.920

Parish Planning Board: This this wouldn't be the town yeah yeah I mean we could say real character in town revitalization or town rural character revitalization and the word town in there, because it looks like I guess.

269

00:38:58.410 --> 00:38:59.880

Parish Planning Board: Looking at this, not knowing.

270

00:39:01.980 --> 00:39:14.400

Parish Planning Board: Important for peerages burger cultural forces and that's what we need to keep everything, whereas everything around us and the census and everything else says we're not supposed to tell him to farm.

271

00:39:15.420 --> 00:39:19.920

Parish Planning Board: Right yeah so it doesn't fit my.

272

00:39:22.110 --> 00:39:30.870

Parish Planning Board: yeah every culture, no longer is used to be is we don't have any up.

273

00:39:31.890 --> 00:39:34.590

Parish Planning Board: Hopefully it'll come back to you know that's the hope.

274

00:39:36.120 --> 00:39:52.320

Parish Planning Board: Well, they can't compare really because it isn't enough land that any longer the large barn yeah I mean you know how many acres required to turn profit, the soybeans many more than.

275

00:39:53.490 --> 00:40:03.960

Parish Planning Board: waiting to bring our boys and and it's just there isn't that number eight which opening on what don't get in the same sentence, we do have.

276

00:40:05.190 --> 00:40:19.080

Parish Planning Board: The opportunity, not for the other product besides will be where you know either say i'm giving that sway means or cash crop, the two years you're never going enough week this week is just impossible.

277

00:40:19.680 --> 00:40:32.370

Parish Planning Board: guys you're going to need to be core or you're going to new, so you if you do core you don't own longer have a market for other than the small about locally, because the ethanol plant called that.

278

00:40:33.360 --> 00:40:54.810

Parish Planning Board: you're growing large tracts we're talking 8090 100 acres of corn that's gone now farmers are switching back to another cash crop you're reading is yours and see if they can read plant soybeans so I can enjoy they get money okay they're wanting the euro wants.

279

00:40:57.060 --> 00:41:23.670

Parish Planning Board: The physical awesome so that's a cash that's the value per bushel per environment plant and harvest them you don't get this deal, this is like yoga Center data, I mean even outdoors a spouse legally absolutely, so there is really nothing left and the cultural here that the driver.

280

00:41:25.860 --> 00:41:31.710

Parish Planning Board: So I guess i'd have to rethink important forestry yes.

281

00:41:33.330 --> 00:41:35.520

Parish Planning Board: I think you still have dreams.

282

00:41:38.040 --> 00:41:45.450

Parish Planning Board: But I think this is getting us in the head, but this is why we're doing this now, so I don't want to.

283

00:41:47.040 --> 00:41:57.150

Parish Planning Board: share with you're saying i'm a big props and stuff but i'll give you an example where you can have a call your show numbers on a technical.

284

00:41:58.410 --> 00:42:06.930

Parish Planning Board: was arrested high school and you know, places the guy will take advice to pick up loads of potatoes and carrots.

285

00:42:07.920 --> 00:42:23.460

Parish Planning Board: And Hispanic or she may have period done good in common environment, he did not nervous excited taking the Max in Delaware in itself the Max make it specific to vaccinate too long.

286

00:42:24.750 --> 00:42:25.110

Parish Planning Board: Right.

287

00:42:26.670 --> 00:42:29.130

Parish Planning Board: Okay well okay that's what.

288

00:42:30.630 --> 00:42:32.400

Parish Planning Board: We can, if there's 10 acres of.

289

00:42:33.600 --> 00:42:39.030

Parish Planning Board: Where the opportunity to go beyond agriculture we don't I don't.

290

00:42:40.110 --> 00:42:44.580

Parish Planning Board: Have oil, I mean you know.

291

00:42:46.680 --> 00:42:53.400

Parish Planning Board: The cost to just have an excavator I mean i've actually had a price yourself properly it's.

292

00:42:54.960 --> 00:42:55.890

Parish Planning Board: You know you're really good.

293

00:42:57.660 --> 00:43:03.570

Parish Planning Board: And then I mean where I live, to be a farm I can't turn the back end as far I got.

294

00:43:05.160 --> 00:43:17.220

Parish Planning Board: That far for like 8090 hundred years we never really got mostly except for her boss farm were reader is got his thing going on that's good what you.

295

00:43:17.940 --> 00:43:36.420

Parish Planning Board: want to cross from Kelly readers house that they're putting it Western countries and greatly stuff and they do Okay, they do a lot, as far as the a driving time your character, how many people read your uniform.

296

00:43:37.530 --> 00:43:39.000

Parish Planning Board: wow yeah.

297

00:43:41.580 --> 00:43:53.850

Parish Planning Board: So I mean, I think I need to rethink that you want me to kind of condensed down a little bit so to take out take stuff out of that the revitalization of the forest.

298

00:43:54.990 --> 00:43:55.530

Is.

299

00:44:04.080 --> 00:44:06.510

Parish Planning Board: willing to take up the burn through.

300

00:44:10.590 --> 00:44:15.150

Parish Planning Board: But the things we can concentrate on his horse very.

301

00:44:16.590 --> 00:44:26.910

Parish Planning Board: rewarding and maybe say small agricultural smaller
fulbright's small niche agriculture yeah I mean I mean.

302

00:44:27.930 --> 00:44:29.430

Parish Planning Board: We legal writing a while so.

303

00:44:37.110 --> 00:44:40.440

Parish Planning Board: it's gonna take me a couple years to work out the
selling your.

304

00:44:43.710 --> 00:44:44.790

Parish Planning Board: stuff that was the role.

305

00:44:50.190 --> 00:44:50.640

Parish Planning Board: playing in the.

306

00:44:52.890 --> 00:44:53.160

Parish Planning Board: house.

307

00:44:54.240 --> 00:44:54.570

Parish Planning Board: yeah.

308

00:44:56.040 --> 00:45:00.150

Parish Planning Board: Put in it, but i'm simply saying you know Wesley
spring.

309

00:45:01.980 --> 00:45:13.110

Parish Planning Board: Had a couple of freedom houses over there, you
know, obviously he's got going on yeah I mean you ditch farming when
you're talking about small farming.

310

00:45:13.620 --> 00:45:26.790

Parish Planning Board: that's I mean but he's making a huge living room
now no but I mean you know niche farming this line will be left the era
where my family had were some assurances.

311

00:45:27.810 --> 00:45:30.330

Parish Planning Board: This give me a story my family owned that.

312

00:45:31.830 --> 00:45:48.960

Parish Planning Board: All that areas as far we had that House we lived as a roadhouse they would come from camden with a horse and buggy going to a Sligo things stay the night, and then they go on tours we go that's just for every.

313

00:45:51.180 --> 00:45:54.900

Parish Planning Board: Day and last, of course, our State Department.

314

00:45:55.980 --> 00:46:03.000

Parish Planning Board: know my great grandparents, the most memorable for me and I never knew everything prior to him now I do.

315

00:46:04.080 --> 00:46:10.380

Parish Planning Board: My family vendors has a keen on for so an anointing 1770s.

316

00:46:11.700 --> 00:46:12.150

So.

317

00:46:13.350 --> 00:46:16.080

Parish Planning Board: But maybe put that down.

318

00:46:17.580 --> 00:46:29.790

Parish Planning Board: Culture of Trevor I just I see where he's coming in that window we don't want to discourage the small farmer, but when there is here, we don't need some big furniture coming up here by.

319

00:46:31.320 --> 00:46:33.390

Parish Planning Board: taking over to Third, the third row and.

320

00:46:34.950 --> 00:46:41.700

Parish Planning Board: As you do you don't have any job that creates the tractor going to require how many Americans work.

321

00:46:43.500 --> 00:46:54.060

Parish Planning Board: it's all done automatically now she's painting she's harvesters Okay, so we normally do so, I mean growing right now, you talk about in this far ever go to.

322

00:46:56.610 --> 00:47:11.070

Parish Planning Board: A room dirty what used to be a great northern long seriously they turn all that core and hey into solving the guy is planning I estimated.

323

00:47:11.520 --> 00:47:23.340

Parish Planning Board: One of the guys dropped support couple years ago that it has about 150 acres of sleeping well you know what that's all and the open market just Google there's like.

324

00:47:24.780 --> 00:47:26.130

Parish Planning Board: One week when we.

325

00:47:27.150 --> 00:47:31.080

Parish Planning Board: Do that graph is worth close to.

326

00:47:32.370 --> 00:47:35.010

Parish Planning Board: The whole time, also in that same area.

327

00:47:36.750 --> 00:47:37.410

You can.

328

00:47:38.610 --> 00:47:42.840

Parish Planning Board: See 31 goes this way Morgan road is going this way.

329

00:47:44.070 --> 00:47:51.240

Parish Planning Board: we're playing come off of that area or exclude a little things occur talk about a monkey isolate the solar farms.

330

00:47:53.040 --> 00:47:56.910

Parish Planning Board: That they can kill, for once, you put those.

331

00:48:01.590 --> 00:48:02.700

Parish Planning Board: Resources taking.

332

00:48:04.200 --> 00:48:07.740

Parish Planning Board: A photo yeah I think we do have a statement of.

333

00:48:11.580 --> 00:48:18.540

Parish Planning Board: Your point katie we have I don't think so you go in here and my reason is, I know, farms.

334

00:48:19.980 --> 00:48:29.910

Parish Planning Board: You know who have dropped dropped for me with disabilities and paid because they sell the way down South by the tractor trailer or five bunch of it, but are they.

335

00:48:30.960 --> 00:48:35.670

Parish Planning Board: Doing to get those funds to change the form fields into soil.

336

00:48:36.690 --> 00:48:43.800

Parish Planning Board: They have to have some kind of special tool to get all the rocks and soil, the we're talking it's called my future.

337

00:48:45.480 --> 00:48:55.470

Parish Planning Board: that's, why do you plan for one here and soybeans and that can rotate but here's the thing if there's too many rocks and soil.

338

00:48:56.490 --> 00:49:12.720

Parish Planning Board: When she takes before nobody's listening, this is especially good so far things off they can't get in the way so we're going to be a soybean farmers are all about and put it in the sand do something without rock.

339

00:49:14.640 --> 00:49:16.020

Parish Planning Board: rock for.

340

00:49:17.130 --> 00:49:21.900

Parish Planning Board: You have a single rock because down takes rocks out so.

341

00:49:23.910 --> 00:49:28.350

Parish Planning Board: it's always good to this room that taker or nothing.

342

00:49:31.740 --> 00:49:31.980

Parish Planning Board: You don't.

343

00:49:33.660 --> 00:49:39.720

Parish Planning Board: Is she I know far and I know people in another county who said.

344

00:49:40.860 --> 00:49:49.860

Parish Planning Board: They have stories, but they have more hey so I mean very good soil in stone, but it's still big going to compute.

345

00:49:51.030 --> 00:49:54.450

Parish Planning Board: Well let's rearrange them small farms.

346

00:49:56.400 --> 00:49:57.570

Parish Planning Board: soybeans and.

347

00:50:02.010 --> 00:50:05.700

Parish Planning Board: What we do here, and this is from.

348

00:50:09.330 --> 00:50:12.360

Parish Planning Board: Practical but but also.

349

00:50:13.560 --> 00:50:25.980

Parish Planning Board: All the teacher with all kinds of Reformation, whereas we have all kind of reparations here and we don't take it take it then or recreation, I mean.

350

00:50:29.100 --> 00:50:29.940

Parish Planning Board: yeah.

351

00:50:31.740 --> 00:50:35.220

Parish Planning Board: Well there's a recreation recreating I feel like.

352

00:50:42.540 --> 00:50:47.070

Parish Planning Board: There are other counties to hire people to run original facilities.

353

00:50:49.170 --> 00:50:50.820

Parish Planning Board: Here I don't see recreation.

354

00:50:52.680 --> 00:50:53.430

Parish Planning Board: There we.

355

00:50:56.490 --> 00:50:57.630

Parish Planning Board: Have the numbers.

356

00:50:59.490 --> 00:51:01.380

Parish Planning Board: We have a lot of regional opportunities.

357

00:51:06.270 --> 00:51:17.730

Parish Planning Board: Well, good example was Jim I spent my childhood, the public down here play basketball every Saturday and Sunday, you know we don't.

358

00:51:23.520 --> 00:51:30.630

Parish Planning Board: kids are don't millions and millions of dollars, is making people will go.

359

00:51:31.800 --> 00:51:33.270

Parish Planning Board: someplace in face.

360

00:51:47.880 --> 00:51:49.110

Parish Planning Board: we're the future.

361

00:51:53.790 --> 00:51:55.410

Parish Planning Board: Okay, so.

362

00:51:57.660 --> 00:51:59.520

Parish Planning Board: Nothing really changes.

363

00:52:03.420 --> 00:52:08.190

Parish Planning Board: That we haven't already talked about until page 33.

364

00:52:13.650 --> 00:52:14.940

Parish Planning Board: We don't have to.

365

00:52:27.000 --> 00:52:27.930

buy more.

366

00:52:30.600 --> 00:52:34.440

Parish Planning Board: Or, more so let's see here.

367

00:52:38.310 --> 00:52:41.610

Parish Planning Board: So let's try to get this stuff myself so.

368

00:52:43.440 --> 00:52:44.430

Parish Planning Board: I don't want to upset the.

369

00:52:45.990 --> 00:52:47.490

Parish Planning Board: Legislative branch and.

370

00:52:51.750 --> 00:53:04.200

Parish Planning Board: So yeah we can end with the same page page 33 I don't know if you've seen this we've talked about this, but there's just a whole bottle of 33 talking about solar yeah.

371

00:53:10.470 --> 00:53:11.370

Parish Planning Board: yeah I like that.

372

00:53:12.720 --> 00:53:15.450

Parish Planning Board: They had limited impact as.

373

00:53:16.770 --> 00:53:23.670

Parish Planning Board: Well, we don't want to start a course for young, on the sentence go back to the first part of it and they.

374

00:53:25.770 --> 00:53:26.100

Parish Planning Board: Are.

375

00:53:29.220 --> 00:53:34.260

Parish Planning Board: We talking about public water so discussions are under development public was fly.

376

00:53:35.460 --> 00:53:36.150

Parish Planning Board: and

377

00:53:38.310 --> 00:53:41.190

Parish Planning Board: there's no place in a paragraph that says a referendum was.

378

00:53:42.780 --> 00:53:45.750

Parish Planning Board: The people here they're persistent because.

379

00:53:46.860 --> 00:53:48.180

Parish Planning Board: They come here.

380

00:53:51.000 --> 00:54:03.630

Parish Planning Board: it's a vision statement it's it's not a like a local tax since we're where we want to go for writer we've already been there and continue on.

381

00:54:04.680 --> 00:54:16.320

Parish Planning Board: was coming closer it's just down the road for me to write down except afterwards yeah yeah I saw that today, they get water right so yeah they're they're bringing all the way from.

382

00:54:19.380 --> 00:54:19.560

Parish Planning Board: Our.

383

00:54:23.850 --> 00:54:25.530

Parish Planning Board: I can see the corner from my house.

384

00:54:27.690 --> 00:54:27.930

Parish Planning Board: Right.

385

00:54:30.960 --> 00:54:31.140

Now.

386

00:54:32.310 --> 00:54:34.590

Parish Planning Board: we're talking away throw yeah.

387

00:54:37.980 --> 00:54:57.330

Parish Planning Board: Read last to get my wife for dinner with my family and I haven't been back that way along yeah That was what what the hell was water there we go back back in November, you suffer the big sun is on the 38 and 11 and my name is that.

388

00:54:58.560 --> 00:54:59.160

Parish Planning Board: Oh wow.

389

00:55:01.410 --> 00:55:04.320

Parish Planning Board: that's Hastings and Mexico or closing off their open oh yeah.

390

00:55:05.370 --> 00:55:12.480

Parish Planning Board: yeah so maybe it's just a hop skip and a dumb yeah less than was now for down right there at the timeline.

391

00:55:13.980 --> 00:55:17.430

Parish Planning Board: let's get back to public was what here is not.

392

00:55:18.450 --> 00:55:31.800

Parish Planning Board: Either you say years current I just want something get into it, if you're talking about a survey to town village recently i'm thinking to gauge interest that was fine, then you can also need to say get a vote was tell.

393

00:55:32.310 --> 00:55:40.440

Parish Planning Board: People in Paris, one in water, the reason why they voted down the last run it want to pay the price well I don't think we could.

394

00:55:42.630 --> 00:55:57.450

Parish Planning Board: shake out of service Okay, I mean honestly surveys our booth because there are a fixed point in time and visions COMP plans you can actually write what I what.

395

00:55:59.100 --> 00:56:05.670

Parish Planning Board: I got a lot today just so I can kind of make sure I was no.

396

00:56:06.690 --> 00:56:06.930

Parish Planning Board: No.

397

00:56:11.010 --> 00:56:30.570

Parish Planning Board: yeah I mean, I think, not only as a high priority for terrorists, you know, I think that needs to be downloaded that needs to be abbreviated slightly better because the survey that involve you know, take a survey sentence out yeah so.

398

00:56:32.190 --> 00:56:43.110

Parish Planning Board: You know I think it's one of those things that is an aspiration of the town, we have water and it's like when the town could have sewer with the village.

399

00:56:44.310 --> 00:57:00.570

Parish Planning Board: For years, years never had that it got you know here's another one of those things it's an aspiration of vision, want to grow parish you know, yes, why why so bottom line is even went down this year, five years to be on it just.

400

00:57:03.720 --> 00:57:17.130

Parish Planning Board: Maybe God has given money to newborn babies begin with you know stumble from two years ago that was fulfilling this year and and the price that was voted down is pretty much in the same neighborhood that facing is paying for their.

401

00:57:18.180 --> 00:57:35.220

Parish Planning Board: Work and here's what I am take take take take out the survey develop a public water system is a priority that high priority for parents you just keep it in, but just rewarding that but it's still a priority.

402

00:57:39.540 --> 00:57:41.580

Parish Planning Board: Good in the beginning, we don't.

403

00:57:42.810 --> 00:57:50.130

Parish Planning Board: really think that just by going around bizarre, but this was holding no I.

404

00:57:51.270 --> 00:57:55.230

Parish Planning Board: I the word for high annotates.

405

00:57:57.690 --> 00:57:58.440

Parish Planning Board: And I don't read.

406

00:58:00.450 --> 00:58:01.440

Parish Planning Board: The rest of the plan.

407

00:58:02.550 --> 00:58:02.910

Parish Planning Board: A lot of.

408

00:58:04.830 --> 00:58:05.310

Parish Planning Board: work.

409

00:58:08.100 --> 00:58:13.920

Parish Planning Board: Well, its development Mauritius was still a priority in Paris yeah what's behind where.

410

00:58:15.810 --> 00:58:18.870

Parish Planning Board: I am now you're doing a priority, a rating system.

411

00:58:19.890 --> 00:58:27.120

Parish Planning Board: So why don't we do me I just for grammar I probably mortar is a priority error.

412

00:58:28.500 --> 00:58:38.100

Parish Planning Board: rate is something that if you don't have to high low medium it's a priority, we want to do you don't say anything, the next sentence that.

413

00:58:39.750 --> 00:58:43.710

Parish Planning Board: would help revitalize the town yeah to take away that so.

414

00:58:45.360 --> 00:58:52.200

Parish Planning Board: i'm just simply saying take out the survey and just take out high water is a priority.

415

00:58:53.760 --> 00:58:55.470

Parish Planning Board: Priority already the surgeon.

416

00:58:58.680 --> 00:59:00.450

Parish Planning Board: English is Susan faster.

417

00:59:02.070 --> 00:59:04.800

Parish Planning Board: and faster and the best thing was Peter are.

418

00:59:05.880 --> 00:59:18.450

Parish Planning Board: You all set when you read something you've got edited down the words clearly readable Internet one time I had three times I gave her an element is visible in high school.

419

00:59:19.590 --> 00:59:27.930

Parish Planning Board: And i'll tell you why steak universes we will move into she helped me more than I ever could say cannot love to sing.

420

00:59:29.580 --> 00:59:34.890

Parish Planning Board: And more rest his soul, he taught me physics and.

421

00:59:36.420 --> 00:59:39.420

Parish Planning Board: Chemistry and that got me through my first two years.

422

00:59:45.480 --> 00:59:45.810

Parish Planning Board: Okay.

423

00:59:48.360 --> 00:59:49.980

Parish Planning Board: One minor correction, on page 13.

424

00:59:52.140 --> 00:59:53.910

Parish Planning Board: Where the sentence says a.

425

00:59:55.560 --> 00:59:58.800

Parish Planning Board: Little similar access by cook road is actually cooked dry.

426

01:00:05.010 --> 01:00:10.440

Parish Planning Board: You don't have people pick this apart from don't get it right, you know you gotta gotta get.

427

01:00:12.270 --> 01:00:16.230

Parish Planning Board: Serious okay let's go 33 about that all right.

428

01:00:18.510 --> 01:00:22.140

Parish Planning Board: So 34 there's a new paragraph about the library.

429

01:00:26.280 --> 01:00:28.320

Parish Planning Board: Pretty innocuous.

430

01:00:30.420 --> 01:00:35.850

Parish Planning Board: And we changed the fire company named the parish fire company incorporated.

431

01:00:37.620 --> 01:00:43.200

Parish Planning Board: And we've got a new 35 a new strategy 60 federal where else.

432

01:00:49.350 --> 01:00:54.720

Parish Planning Board: Can you say that one he said he wasn't instructing something to yeah.

433

01:00:56.460 --> 01:01:04.740

Parish Planning Board: No, no yeah it was constructed by members of the company to my understanding, they could have been veterans and non veterans.

434

01:01:11.280 --> 01:01:13.560

Parish Planning Board: New Strategy on 35.

435

01:01:16.380 --> 01:01:23.820

Parish Planning Board: And then that's that's everything else you've seen the part three, we did that several months ago, so nothing's new there well.

436

01:01:24.330 --> 01:01:35.490

Parish Planning Board: And that's for every single state and federal funding for for the improvements and upgrades in this world building structures and facilities, we don't have a resume builder.

437

01:01:39.120 --> 01:01:42.780

Parish Planning Board: This is the ability, Jim where's our muscles so.

438

01:01:44.100 --> 01:01:44.970

When you ask.

439

01:01:47.550 --> 01:01:53.790

Parish Planning Board: Well, why don't we had dinner soon funding for a business photo make it no.

440

01:01:54.840 --> 01:01:55.590

Parish Planning Board: We don't have.

441

01:01:57.030 --> 01:01:59.190

Parish Planning Board: It does yeah.

442

01:02:00.210 --> 01:02:06.690

Parish Planning Board: Maybe occasion yeah so soon farming for a town line with us for build.

443

01:02:08.280 --> 01:02:20.580

Parish Planning Board: And that way if the town has a building well, then you can have things like meals on wheels and see an impression well, that is just yeah that's the second strategy here.

444

01:02:22.020 --> 01:02:24.360

Parish Planning Board: Oh, could you investigate the development of a.

445

01:02:25.440 --> 01:02:27.570

Parish Planning Board: Why do I investigate on and do it.

446

01:02:28.620 --> 01:02:32.010

Parish Planning Board: Well yeah about pursue pursue.

447

01:02:34.380 --> 01:02:36.840

Parish Planning Board: A joint pursuit.

448

01:02:38.820 --> 01:02:44.160

Parish Planning Board: Assuming we want it to happen yeah okay.

449

01:02:46.680 --> 01:02:48.900

Parish Planning Board: Well that's good Wesley years.

450

01:02:50.040 --> 01:02:51.660

Parish Planning Board: And it's never gonna get built on Sunday.

451

01:02:53.670 --> 01:02:56.160

Parish Planning Board: And I take it, I mean the town redfield.

452

01:03:02.430 --> 01:03:02.700

Parish Planning Board: well.

453

01:03:06.210 --> 01:03:07.680

Parish Planning Board: And there was discussions.

454

01:03:17.160 --> 01:03:30.000

Parish Planning Board: Which are getting funds now available in the government for stuff like this, maybe so maybe there's an opportunity usda funds, but other funds, the bills.

455

01:03:31.320 --> 01:03:32.070

Parish Planning Board: or renovate.

456

01:03:34.650 --> 01:03:40.590

Parish Planning Board: This you don't want to touch, this is still getting started on building them to do anything major.

457

01:03:42.450 --> 01:03:53.070

Parish Planning Board: Okay 30 3036 on nothing's changed you've seen all of that stuff that's zoning piece of it yeah.

458

01:03:54.150 --> 01:03:55.770

Parish Planning Board: That that is it.

459

01:03:57.330 --> 01:04:01.590

Parish Planning Board: So that brings you to the discussion of the mission statements vision stays up.

460

01:04:04.200 --> 01:04:05.490

Parish Planning Board: So that's something you want.

461

01:04:06.600 --> 01:04:07.320

Parish Planning Board: that's really.

462

01:04:09.480 --> 01:04:15.180

Parish Planning Board: Well, did you do more than just short hair Gray hair.

463

01:04:16.350 --> 01:04:28.830

Parish Planning Board: And I would say, you know the pair is creating Community where all people are included taken into how.

464

01:04:30.600 --> 01:04:34.890

Parish Planning Board: provide a healthy, safe banner.

465

01:04:37.050 --> 01:04:39.900

Parish Planning Board: Low code ordinances.

466

01:04:43.080 --> 01:04:44.250

Parish Planning Board: Something like that.

467

01:04:48.120 --> 01:04:59.070

Parish Planning Board: it's straightforward and simple, fair well where people were to wherever people are planning for them to go with it like like.

468

01:05:04.230 --> 01:05:12.540

Parish Planning Board: Aaron provide to the Community and its residents, a say an inclusive.

469

01:05:17.640 --> 01:05:18.630

Community.

470

01:05:24.600 --> 01:05:25.740

But you want to be.

471

01:05:28.350 --> 01:05:29.100

Parish Planning Board: hey.

472

01:05:30.420 --> 01:05:30.960

yeah.

473

01:05:33.870 --> 01:05:39.570

Parish Planning Board: it's what you want to get involved with it and say this is what you want to reach your destination.

474

01:05:41.460 --> 01:05:47.040

Parish Planning Board: will be a say, inclusive community to provide.

475

01:05:48.540 --> 01:05:50.970

Parish Planning Board: The necessary services to the relevance.

476

01:05:52.800 --> 01:06:00.300

Parish Planning Board: rank for words, this is that, like, I know you are writing to say, those are like visions.

477

01:06:02.340 --> 01:06:03.420

They had to do.

478

01:06:04.530 --> 01:06:26.100

Parish Planning Board: This particular thing I pulled up a comprehensive planning recommendations submission to maintain low density country living to provide services to promote the health, safety and welfare of the residents business owner of the property tax and that's a vision killers tradition.

479

01:06:29.460 --> 01:06:38.040

Parish Planning Board: generalizing security, please everybody stereotyping complacency I don't have to do this word choice for the next year.

480

01:06:40.260 --> 01:06:41.520

i'd like to continue.

481

01:06:43.620 --> 01:06:47.970

Parish Planning Board: That, I think, would you have a good basis of the vision.

482

01:06:49.500 --> 01:06:53.070

Parish Planning Board: And i'll actually do one for me one thing for me please.

483

01:06:54.630 --> 01:07:06.990

Parish Planning Board: send it just said, everybody in the next word meeting the homework is what your own spinner and then let's talk about Anthony we only have one.

484

01:07:08.100 --> 01:07:10.290

Parish Planning Board: subdivision request.

485

01:07:11.520 --> 01:07:12.840

You know, we got the hearing.

486

01:07:14.070 --> 01:07:17.490

Parish Planning Board: That, so I would say it's.

487

01:07:19.740 --> 01:07:26.250

Parish Planning Board: About vision statement I mean what you said is basically kind of what I was saying, but it's better if.

488

01:07:28.770 --> 01:07:29.940

Parish Planning Board: mission, the word.

489

01:07:31.080 --> 01:07:50.520

Parish Planning Board: labeling and we want to get on, I wonder, well, some people don't want we don't even put that in, but what i'm saying is, if you gave a good that's a good start for people SEN se, although I don't like that word or I kind of want to add this session yeah yes.

490

01:07:51.810 --> 01:07:54.000

Parish Planning Board: If you send it to everybody that would be helpful.

491

01:07:55.170 --> 01:07:59.160

Parish Planning Board: And you have any examples, all the towns vision statements man, I can dig some.

492

01:08:00.300 --> 01:08:13.740

Parish Planning Board: And maybe we'll email the office, and you know I hate to see you steal from other people, but there's only so many data dictionary, and you can rearrange the way you want, but eventually they're going to be.

493

01:08:15.180 --> 01:08:15.480

494

01:08:16.800 --> 01:08:18.900

Parish Planning Board: me, you can tailor it a little bit to.

495

01:08:20.310 --> 01:08:21.900

Parish Planning Board: Our own uniqueness to it.

496

01:08:28.290 --> 01:08:29.160
