49

00:06:38.610 --> 00:06:41.520

Parish Planning Board: There was no Jesus, by the way, if you're wondering where nothing is.

50

00:06:49.470 --> 00:06:49.860

52

00:07:13.980 --> 00:07:16.410

Parish Planning Board: We had to do that with our sister on one.

00:07:18.000 --> 00:07:21.270

Parish Planning Board: They land hook small piece of property.

54

00:07:23.880 --> 00:07:28.560

Parish Planning Board: executed at the railways were river and agree to.

That.

56

00:07:32.670 --> 00:07:42.990

Parish Planning Board: A piece of cross the road that would land booked was not large enough to meet their middle of standards as well, a plan with their larger first the process.

57

00:07:43.830 --> 00:07:51.600

Parish Planning Board: automatically a separate personal because in New York City, and it was Scott check explain this whole process back then.

58

00:07:52.200 --> 00:08:02.520

Parish Planning Board: So then, since then we've talked to him a couple times on because we had a couple large parcels like this one, can you know 20 years and once 100 acres on another, and he said there's no.

59

00:08:04.050 --> 00:08:07.140

Parish Planning Board: reason to do a subdivision it's already something called the highway.

60

00:08:10.080 --> 00:08:10.950

Parish Planning Board: or yoga so.

61

00:08:12.300 --> 00:08:13.470

Parish Planning Board: How many do you need to.

62

00:08:14.490 --> 00:08:15.420

Parish Planning Board: Thank you very much.

63

00:08:18.600 --> 00:08:18.900

Parish Planning Board: again.

64

00:08:27.660 --> 00:08:36.630

Parish Planning Board: Thank you very much again and we'll see you soon i'll be in touch with an email then that's probably the easiest way right, so you have something in writing yeah I mean you know, the whole issue there was that.

65

00:08:37.590 --> 00:08:49.740

Parish Planning Board: I really couldn't find anybody he answered the question I agree yeah and now he's saying he wants a little survey anyways it's just the way to go through the process so either way we're going to get it figured out I explained over.

66

00:08:50.880 --> 00:09:06.540

Parish Planning Board: There right well, I appreciate that, but no either work with you and the other guy I haven't worked with right but I can't recommend, no, no, I appreciate it guys Have a nice summer I don't know i'm sure you'll see if.

00:09:07.830 --> 00:09:11.190

Parish Planning Board: I go yeah that'd be great appreciate it Thank you okay.

68

00:09:12.390 --> 00:09:16.560

Parish Planning Board: My mistake, I was so interested getting heavily hearing.

69

00:09:18.510 --> 00:09:22.860

Parish Planning Board: Everyone received the bennett's gathering additional correction clarifications.

70

00:09:32.070 --> 00:09:32.790

I didn't you.

71

00:09:34.800 --> 00:09:35.310

Parish Planning Board: posted.

72

00:09:37.980 --> 00:09:43.260

Parish Planning Board: Thank you, and the motion of psychedelic favorite clothes that you motion carries.

73

00:09:44.340 --> 00:09:45.390

Parish Planning Board: Okay next.

74

00:09:46.560 --> 00:09:53.340

Parish Planning Board: We have the rice request that Jim and I talked about and begin the meeting they're not here.

75

00:09:56.730 --> 00:09:57.810

Parish Planning Board: Just basically.

76

00:09:59.250 --> 00:10:09.240

Parish Planning Board: Genuine explain well dress for theoretically theoretically leave they have a structured next to them that they want to once again becoming to family.

77

00:10:11.520 --> 00:10:13.410

Parish Planning Board: Lou just.

78

00:10:14.550 --> 00:10:16.980

Parish Planning Board: talked to me and I of course you guys.

79

00:10:18.480 --> 00:10:28.830

Parish Planning Board: I just don't know you guys have to improve it, but I don't know the scope of the project, and neither do I, and so that's why we should have been here or could be here looks.

80

00:10:30.570 --> 00:10:34.740

Like I did talk to him till 630 points.

81

00:10:35.850 --> 00:10:40.080

Parish Planning Board: um I think that we're leaning towards in the site plan.

82

00:10:42.630 --> 00:10:52.980

Parish Planning Board: And that is something we could issue so that's what the chart says the abilities on it's in that corazon in the village.

83

00:10:56.910 --> 00:10:59.100

Parish Planning Board: It just tested go before you when.

84

00:11:00.210 --> 00:11:05.310

Parish Planning Board: It comes to the site plan it looks like plan you know, answer the questions.

85

00:11:06.900 --> 00:11:12.690

Parish Planning Board: I don't take me to secret library that start building or adding or altering so we don't do seeker.

86

00:11:14.730 --> 00:11:21.930

Parish Planning Board: So, to be an easy one meeting time coming up, and then I just have to see what their scope is and.

87

00:11:22.860 --> 00:11:34.620

Parish Planning Board: what's the best as you design portion acids and then I would have to look at the building portion and see what we have to do with the existing buildings to come up to bring them up to code, because now it's partially commercial.

88

00:11:35.010 --> 00:11:38.130

Parish Planning Board: I don't know which part is which because I don't know like I said I don't know.

89

00:11:40.350 --> 00:11:44.940

Parish Planning Board: Well, if you reach out to me i'll email info we feel is the site plan so.

90

00:11:49.980 --> 00:11:55.590

Parish Planning Board: Next, I have an agenda was the COMP plan vision of survey.

91

00:11:56.850 --> 00:11:58.530

Parish Planning Board: Basically what.

92

00:12:00.420 --> 00:12:23.610

Parish Planning Board: You know a lot of good suggestions were made by Diane but they don't fit the survey monkey free version and they got to be short, I guess, no one to five, so we really got to come up with like 10 now man it's going ahead and.

93

00:12:24.930 --> 00:12:29.850

Parish Planning Board: finishing it so we probably have another month, but what I would suggest as.

94

00:12:30.990 --> 00:12:37.890

Parish Planning Board: Paul mentioned that the tequilas as as had been held on survey questions before I bought.

95

00:12:38.820 --> 00:12:52.080

Parish Planning Board: That I asked them to give us some technical assistance on 10 survey monkey type questions that we could you don't flow out there to the public on the key elements of the COMP plan so you have some feedback.

96

00:12:53.490 --> 00:13:00.960

Parish Planning Board: And that was still we still be basically on track they're not going to release the census terminated to August I don't believe.

97

00:13:01.980 --> 00:13:02.310
yeah.

98

00:13:04.260 --> 00:13:12.240
Parish Planning Board: yeah so I mean we're basically done now he's putting the touches to the important thing was a vision statement and.

99

00:13:13.290 --> 00:13:18.990
Parish Planning Board: That you all got a chance to look at I thought to get just one day.

100

00:13:20.130 --> 00:13:24.540
Parish Planning Board: She put three vision state yeah yeah the last one I thought was.

101

00:13:25.830 --> 00:13:26.460
reasonable.

102

00:13:27.600 --> 00:13:31.620
Parish Planning Board: Good but there again it was from another right.

103

00:13:32.880 --> 00:13:35.730
Parish Planning Board: pounds, so he said that was.

104

00:13:36.960 --> 00:13:50.700
Parish Planning Board: I thought it, how long the appearance, I think all four we now are good, because the one from trenton the native county I think it, you know we can almost take Mary diane's with.

105

00:13:51.360 --> 00:14:08.610
Parish Planning Board: This because you can just put division of the future preserve the historical character seeing value natural resources, extensive recreational trail system, the nails plant growth and land development that is consistent with the town of parish co host.

106

00:14:10.050 --> 00:14:19.770
Parish Planning Board: And the conference master which we've done and then envelope continued expansion of economic growth throughout the commercial.

107

00:14:20.820 --> 00:14:36.450

Parish Planning Board: Areas you know it's almost Diane's to capitalize on access to state highways and county roads that's exactly what we've done it, you know and to make parish a natural gateway to the.

108

00:14:38.580 --> 00:14:43.500

Parish Planning Board: going over preserve new era future future.

109

00:14:45.060 --> 00:14:46.290

Parish Planning Board: date wait for the future.

110

00:14:47.880 --> 00:14:54.570

Parish Planning Board: So I mean Diana Diana tonight I don't want to personally doing the vision, without her in here.

111

00:14:55.440 --> 00:15:13.380

Parish Planning Board: I mean we all I think she's done a lot of work, so I think that that would be on our agenda for next meeting is do the vision statement and the top plan to be wrapped up what did Paul how long you think it'll take for you guys to Tokyo, to give me some sample questions.

112

00:15:14.850 --> 00:15:16.350

On the server yes.

113

00:15:17.580 --> 00:15:21.720

Parish Planning Board: I am Okay, no longer get.

114

00:15:23.490 --> 00:15:31.110

Parish Planning Board: It well what I would suggest is like if we get it done prior to the meeting I just emailing that email everybody.

115

00:15:31.740 --> 00:15:51.000

Parish Planning Board: On the board to samples, and we did work on it, the August, what the what is this now may the June meeting, we could June or July we did because i'd like to get it out at least 30 days on town site and let everybody go do their friends and neighbors on the web.

116

00:15:52.830 --> 00:15:53.700

I mean so.

117

00:15:55.050 --> 00:16:01.770

Parish Planning Board: I would really I mean I think Diane's right, I really think a survey is necessary that's still only 10 questions on the core.

118

00:16:02.340 --> 00:16:21.660

Parish Planning Board: Of the COMP because I know when we turn this over to the town board, you know, even though we have hearings on everything you know I think people are getting very used to now the use of computers after covert this will be, you know, like I said earlier, if we get 30 4050 on a 2100.

119

00:16:22.740 --> 00:16:32.610

Parish Planning Board: People that's a good sampling so that was given a town board so that Lena last time we actually did a survey of all we put it everywhere.

120

00:16:33.450 --> 00:16:47.400

Parish Planning Board: And the hardware gas station and Convenience Stores corn in dollar general back then, but we gave it to everybody, they put it in the box and we did that, but I think, maybe the survey monkey might be a good idea.

121

00:16:50.130 --> 00:16:50.670

Parish Planning Board: was born.

122

00:16:55.680 --> 00:16:56.370

You.

123

00:16:57.930 --> 00:16:58.830

Know on your.

124

00:17:01.590 --> 00:17:03.540

Parish Planning Board: birthday is make it simple.

125

00:17:04.950 --> 00:17:05.610

Parish Planning Board: template.

126

00:17:06.810 --> 00:17:07.500

Parish Planning Board: And you know, like.

127

00:17:08.820 --> 00:17:14.010

Parish Planning Board: yeah can we always can you know again at the Convenience Stores and stuff we can put on.

128

00:17:14.610 --> 00:17:27.870

Parish Planning Board: cardboard box and leave some there they could you know, in addition, that you know, a simple one sheet where they get circle and we don't care what their name is, but we do care about you know we can do both trying to get a number of.

129

00:17:28.950 --> 00:17:47.670

Parish Planning Board: All this, and I don't know about you, but I, my wife has been buying a bazillion things on Amazon or cold it's like got boxes go or I can take a survey box we both go to do and it's easier for them in the recycle bins.

130

00:17:48.930 --> 00:17:54.150

Parish Planning Board: And it's good for us and something we got literature, to come back and say this is what you want it.

131

00:17:58.890 --> 00:17:59.310

You know.

132

00:18:00.330 --> 00:18:07.440

Parish Planning Board: After coming out of the garage tonight we'll get those cardboard box I threw that on your goodness and oh my God I got like five or six of these boxes and other side.

133

00:18:08.790 --> 00:18:16.770

Parish Planning Board: I have start cutting up you know the knife he knows and bash and put them in the recycle juggle everything, a report by the summer.

134

00:18:19.470 --> 00:18:23.580

Parish Planning Board: that's really all I had for tonight I see Christmas we're taking off.

135
