Town of Parish: Around there around.

35

00:03:56.280 --> 00:03:58.140

Town of Parish: there's some darker.

36

00:04:01.950 --> 00:04:03.870

Town of Parish: Actually I just told you.

37

00:04:04.920 --> 00:04:05.850

Town of Parish: know by the end of the.

38

00:04:11.100 --> 00:04:17.400

Town of Parish: board, not the audience, so please just the word with the question and everyone should know that at.

39

00:04:18.570 --> 00:04:20.010

Town of Parish: The end of the war, I mean.

40

00:04:21.990 --> 00:04:25.200

Town of Parish: they're just here to stay, right on what to do with science.

41

00:04:28.800 --> 00:04:29.610

Town of Parish: And assigning.

42

00:04:31.620 --> 00:04:32.100

Town of Parish: The person.

43

00:04:45.420 --> 00:04:46.200

Town of Parish: I need.

44

00:04:47.970 --> 00:04:48.390

Town of Parish: To go.

45

00:04:52.290 --> 00:04:52.830

Town of Parish: It.

46

00:04:55.080 --> 00:04:56.160

Town of Parish: was like a quiet.

47

00:05:04.650 --> 00:05:08.310

Town of Parish: Time wow somebody mentioned going.

48

00:05:09.510 --> 00:05:12.570

Town of Parish: On this is telling me you're talking about.

49

00:05:16.380 --> 00:05:19.860

Town of Parish: Okay, if they're.

50

00:05:21.120 --> 00:05:21.540

Town of Parish: Just.

51

00:05:23.910 --> 00:05:24.240

Town of Parish: How.

52

00:05:27.120 --> 00:05:31.920

Town of Parish: we're certain if there's no consistency when the meetings or if.

53

00:05:37.320 --> 00:05:39.210

Town of Parish: My wife and I were just looking for.

54

00:05:40.620 --> 00:05:41.490

Town of Parish: And it doesn't say.

55

00:05:43.050 --> 00:05:43.740

Town of Parish: And then.

56

00:05:45.000 --> 00:05:51.900

Town of Parish: We are so many changes, is there a reason for that sometimes special meetings come up that's what you're referring to for.

57

00:05:53.220 --> 00:05:53.760

Town of Parish: Certain.

58

00:05:55.020 --> 00:06:03.060

Town of Parish: Special Meeting sometimes they come up as we did on may 10 and we're trying to take care of something on paperwork for the highway department.

59

00:06:03.360 --> 00:06:15.420

Town of Parish: Our schedule is voted on in January it's always the third Thursday of every one 630 unless something happens, we were bad snowstorm with my goodness, but it's sad I believe it's on a website.

60

00:06:16.020 --> 00:06:29.550

Town of Parish: And it's always been there and unless the board that's coming in passively new versus all want to change it it's been that for us to be seven o'clock now 630 Solomon the third Thursday of every month still is.

61

00:06:30.960 --> 00:06:32.010
Town of Parish: It just you know.

62
00:06:35.910 --> 00:06:36.540
Town of Parish: On the website.

63
00:06:39.750 --> 00:06:42.870
Town of Parish: If you go on a lot of saying right insiders are.

64
00:06:45.360 --> 00:06:55.980
Town of Parish: highlighted that you can look at each of the upcoming meetings, instead of on the calendar both of us on the right hand side, all of us and.

65
00:06:57.840 --> 00:07:00.930
Town of Parish: On and on our committee meetings there.

66
00:07:02.190 --> 00:07:14.640
Town of Parish: Because we're doing zoom sometimes they don't post it right there until a week or so, or because it's this to stop that Mariana trace services consistent.

67
00:07:15.330 --> 00:07:30.510
Town of Parish: what's probably using is that there's how meeting there's a joint town village meeting there's village meeting is planning board meeting and they're all suffer that and that might not always be clear to the novel which.

68
00:07:31.830 --> 00:07:31.980
Town of Parish: goes.

69
00:07:36.480 --> 00:07:38.070
Town of Parish: Any other comments at this time.

70
00:07:41.670 --> 00:07:42.270
Town of Parish: i'm.

71
00:07:43.530 --> 00:07:44.310
Town of Parish: trying to get a.

72
00:07:45.990 --> 00:07:48.720
Town of Parish: problem my side is elevated garden.

73

00:07:50.760 --> 00:07:53.910

Town of Parish: Sex right there, it is my problem.

74

00:07:55.230 --> 00:08:00.600

Town of Parish: is already there was also a little bit is great.

75

00:08:03.600 --> 00:08:03.930

Town of Parish: yeah.

76

00:08:09.300 --> 00:08:09.810

Town of Parish: here.

77

00:08:19.140 --> 00:08:24.030

Town of Parish: In the city of Syracuse for year putting out signs working for real estate.

78

00:08:25.740 --> 00:08:27.120

Town of Parish: Side signs for each other's.

79

00:08:31.680 --> 00:08:32.670

Town of Parish: Work with all the rules and.

80

00:08:35.670 --> 00:08:42.600

Town of Parish: One of the clearest things they said to me and anywhere and touching as far.

81

00:08:43.980 --> 00:08:44.430

Town of Parish: Something.

82

00:08:45.750 --> 00:08:46.230

Town of Parish: I heard.

83

00:08:48.150 --> 00:08:49.980

Town of Parish: It So yes.

84

00:08:51.000 --> 00:08:52.170

Town of Parish: So do you want.

85

00:08:59.850 --> 00:09:04.170

Town of Parish: To the city might be completely different than what they are for the town and village, but I don't know.

86

00:09:07.020 --> 00:09:23.010

Town of Parish: Mr Mike and Jim we know the rules and regs when it comes to the science of your question, you can ask him i'm not I don't know all of them, I know their sizes and they're different for the village, as well as the town, maybe it's different for city I don't know.

87

00:09:24.300 --> 00:09:27.240

Town of Parish: No it's not Okay, when I give to you i'll.

88

00:09:29.100 --> 00:09:29.460

Town of Parish: just say.

89

00:09:30.780 --> 00:09:34.080

Town of Parish: This is your cursor on those I mean.

90

00:09:37.350 --> 00:09:41.940

Town of Parish: i'll be perfectly honest with you in the four years i've been supervisor nobody's brought that to this table.

91

00:09:45.960 --> 00:09:48.510

Town of Parish: With the I don't know but I guess, I will leave.

92

00:09:49.710 --> 00:09:50.130

Town of Parish: yeah.

93

00:09:53.940 --> 00:09:59.760

Town of Parish: yeah exactly for trackers way more time there anyone.

94

00:10:01.260 --> 00:10:02.490

Town of Parish: Anyone in their lineup.

95

00:10:04.710 --> 00:10:05.490

Town of Parish: And the noise.

96

00:10:08.610 --> 00:10:09.120

Town of Parish: Okay.

97

00:10:12.420 --> 00:10:13.110

Town of Parish: Tyler.

98

00:10:14.280 --> 00:10:16.920
Town of Parish: A vegetable just happened to be.

99

00:10:18.450 --> 00:10:31.290
Town of Parish: There it's not about small science, because that is your region that says stay and if it sits on its own, all together, like that it can be you it just can't be.

100

00:10:34.110 --> 00:10:34.440
Right.

101

00:10:39.720 --> 00:10:42.960
Town of Parish: yeah so and that would be the slightly.

102

00:10:48.120 --> 00:10:51.060
Town of Parish: More thing everyone in this room that has a sign.

103

00:10:52.080 --> 00:10:56.730
Town of Parish: The right away on the town for public county highways move.

104

00:10:59.340 --> 00:11:15.750
Town of Parish: Wait guys we're not debating this low I got you mentioned again do me a favor rather when when you give me a call next time, please stay on the phone to make accounts as you didn't today, I appreciate you.

105

00:11:22.230 --> 00:11:22.980
Town of Parish: Use me.

106

00:11:24.330 --> 00:11:39.690
Town of Parish: It did not come up with a number, it said no caller ID so I could not find that I didn't even know we were and I actually took offense to that so be there isn't a just do me a favor the future, you call me no problem talking to people just wait until i'm done before you.

107

00:11:41.670 --> 00:11:48.030
Town of Parish: Did you use the verb from what we're discussing this is what we were discussing.

108

00:11:49.920 --> 00:11:54.540
Town of Parish: Discussing okay any other comments i'm not going to go there any other comments at this time.

109

00:11:55.560 --> 00:12:01.230

Town of Parish: Anybody know far Thank you there's no immediate if you want to do more.

110

00:12:02.550 --> 00:12:07.950

Town of Parish: Things guys okay supervisors report your.

111

00:12:10.110 --> 00:12:11.070

Town of Parish: questions answered.

112

00:12:20.460 --> 00:12:20.880

Town of Parish: Oh.

113

00:12:22.050 --> 00:12:39.990

Town of Parish: No questions, so the latest one we're getting better at doing this because we're getting to do the reconciliations faster so we're getting better at doing this, no comments or questions as I asked every meeting no comment no questions okay.

114

00:12:41.880 --> 00:12:58.800

Town of Parish: Daddy I talked to the auditors, that is doing the audit Shell and Erica and they suggested that I again give you the revenue in the expenditure reports which I wasn't doing because they don't want to do is just going to be just giving you this so at this point.

115

00:13:00.060 --> 00:13:08.460

Town of Parish: You have all the information for every funds that we have one is coming in one is budgeted when he's going out.

116

00:13:08.850 --> 00:13:18.540

Town of Parish: And the same with the expenditure reports, you have all the accounts that we have for every fun So if you have any questions fire away i'll try to answer.

117

00:13:19.020 --> 00:13:26.880

Town of Parish: I bet i've invited you up to my office many times I think both of you guys came once but not to do this for something else.

118

00:13:27.510 --> 00:13:34.080

Town of Parish: But anytime we have a binder in fact they had to pay for this like \$60 for this five five inch binder.

119

00:13:34.290 --> 00:13:43.470

Town of Parish: But they're all in there, so that, rather than looking through my folders we can just go to the binder una whatever you're asking me about will try to figure out the answers, if I can't give it to you.

120

00:13:44.730 --> 00:13:52.560

Town of Parish: So keep that in nine that binders up there any questions on any of the revenues or the expenditures for the accounts.

121

00:13:55.950 --> 00:14:11.850

Town of Parish: I did for the new piece, and here, which is the cultural, the Court fine I wanted you to see that as one piece of paper support right we used to do this in a report we don't do it anymore, but I wanted you to see as of January 21 there was money brought over again.

122

00:14:13.620 --> 00:14:14.430

Town of Parish: Even two months.

123

00:14:15.450 --> 00:14:33.300

Town of Parish: Behind the one that was doing January was actually for November and then this change every December so we would have money to bring revolver carry over from last year and get a PhD in this in this year, so we had money \$11,550 in there, this is the money that came in, is the.

124

00:14:35.130 --> 00:14:45.570

Town of Parish: In the credit world that's the money that he's brought in, so far, up to April end of April, the debit row is the way that we have to pay to the state.

125

00:14:46.290 --> 00:15:02.310

Town of Parish: And they send us the bill we just you have it, a new pilot Rogers so you know how much it is, we have to improve with everyone, so the amount of money that he has to choose and cleared brought in as relevant to us at this point 17,365 hours at this.

126

00:15:04.890 --> 00:15:16.500

Town of Parish: And they can't do they want, because you know because we're getting better at it, but it last year was a tough year because he couldn't be able to hold court, the way that he needed to but it's getting caught up he's doing.

127

00:15:17.670 --> 00:15:19.320

Town of Parish: Any questions on any of that.

128

00:15:21.480 --> 00:15:22.800
Town of Parish: No okay.

129
00:15:24.000 --> 00:15:25.230
Town of Parish: Oh man to.

130
00:15:28.290 --> 00:15:30.780
Town of Parish: get it all, maybe da TV.

131
00:15:31.890 --> 00:15:38.430
Town of Parish: H I don't we will be having any more range, but they just gave you that one here alright.

132
00:15:40.170 --> 00:15:53.820
Town of Parish: there's no budget for modifications to the budget this year this month trip transfers from a for all stop everything that we're paying out still and money in the account, so we didn't have to move anything I didn't have to ask them permission to do that.

133
00:15:55.350 --> 00:16:10.860
Town of Parish: I need a more emotion, the for the general fund town wide to approve voucher number one or 321 29 \$13,867 and 96 cents emotion.

134
00:16:12.720 --> 00:16:13.500
Town of Parish: I need a second.

135
00:16:15.420 --> 00:16:21.420
Town of Parish: Any questions on the vultures I think you have them here, I have my copies, but I think the ones that you guys saying i'm here right.

136
00:16:22.650 --> 00:16:24.900
Town of Parish: yeah any questions on any of those.

137
00:16:27.510 --> 00:16:29.370
Town of Parish: One of them, I will bring up is.

138
00:16:31.080 --> 00:16:31.950
Town of Parish: going to find them.

139
00:16:38.280 --> 00:16:39.690
Town of Parish: As real county.

140

00:16:40.860 --> 00:16:45.480

Town of Parish: Real property tax service it's not a 122 on your left.

141

00:16:46.860 --> 00:16:48.060

Town of Parish: To at 240.

142

00:16:49.620 --> 00:17:09.540

Town of Parish: Good grid system that we have we have put in the invoice numbers in the system now, so that if they're not duplicated like say next month we asked to take that same number, the system catches up which o'clock today this month for us on this one, the officer or the i'm sorry the.

143

00:17:10.680 --> 00:17:17.520

Town of Parish: Real property office we have sent them a check for \$557 back in March.

144

00:17:18.570 --> 00:17:24.720

Town of Parish: But they had charges, the wrong amount of the charges for printing as well as filing the information.

145

00:17:25.170 --> 00:17:34.110

449

00:53:13.590 --> 00:53:15.360

Town of Parish: yeah what.

450

00:53:17.880 --> 00:53:18.210

Town of Parish: we're.

451

00:53:20.820 --> 00:53:21.840

Town of Parish: gonna do now.

452

00:53:27.390 --> 00:53:27.810

Town of Parish: You can.

453

00:53:29.370 --> 00:53:29.730

Town of Parish: yeah.

454

00:53:31.830 --> 00:53:33.900

Town of Parish: But doesn't have to be sanitized and we tend to.

455

00:53:38.490 --> 00:53:39.780

Town of Parish: Be problem with some people.

456

00:53:41.130 --> 00:53:41.460

Town of Parish: here.

457

00:53:44.250 --> 00:53:46.530

Town of Parish: Some people do that for lunch.

458

00:53:49.080 --> 00:53:49.860

Town of Parish: Two tables now.

459

00:53:57.240 --> 00:53:58.410

Town of Parish: 5060 people.

460

00:54:08.520 --> 00:54:19.530

Town of Parish: Okay, thanks credit for their work in the 20 now The other thing we haven't talked about is, are we going to be hiring somebody to work there were seven guys do the work.

461

00:54:20.550 --> 00:54:24.750

Town of Parish: Understand that will put the budget, together, we put money in the park.

462

00:54:25.320 --> 00:54:36.390

Town of Parish: Which is a Okay, if the if the highway guys are looking dude in the cemeteries or the morning right or the wherever that is commodity a fun it doesn't matter the highway fun.

463

00:54:37.140 --> 00:54:44.400

Town of Parish: Okay, so we put the money in there for the part that was so that if they're working in there, instead of being paid out of the out of.

464

00:54:45.390 --> 00:54:57.360

Town of Parish: The VP on the eighth month we didn't put it in there to say we're going to hire somebody sephora right now we got four people right if you separate that you're going to be paying five.

465

00:54:58.770 --> 00:55:03.720

Town of Parish: We put them on the highway guys when they did the heart, whatever the.

466

00:55:05.490 --> 00:55:06.240

Town of Parish: budget line.

467

00:55:07.980 --> 00:55:10.710

Town of Parish: So we did not talk about hiring somebody to work in the.

468

00:55:11.940 --> 00:55:12.900

Town of Parish: editor whatever.

469

00:55:15.000 --> 00:55:19.200

Town of Parish: know we touched nothing was to say well or not so.

470

00:55:21.030 --> 00:55:23.280

Town of Parish: Good for the last few years, she told she.

471

00:55:25.290 --> 00:55:27.180

Town of Parish: It was cheaper than heaven.

472

00:55:30.540 --> 00:55:34.710

Town of Parish: Now, how you figure, if you think the highway guys to be the 40 hours.

473

00:55:35.520 --> 00:55:52.410

Town of Parish: wherever they are, they getting paid and then you get a guy over here that's been paid now a girl or whatever, but the part that we didn't have to pay until we offer if you have the highway guys who've been a 40 hours we were doing also do the factor, still only paying for.

474

00:55:54.300 --> 00:55:56.130

Town of Parish: The difference at least one instead of.

475

00:55:59.070 --> 00:56:06.060

Town of Parish: going through and you're not getting the other guy \$15 an hour supposed to be 1215, which is what it was two years ago, and again.

476

00:56:08.430 --> 00:56:08.970

Town of Parish: It is is.

477

00:56:10.230 --> 00:56:11.880

Town of Parish: It wasn't even get paid anything yet.

478

00:56:13.320 --> 00:56:18.990

Town of Parish: It wasn't about 50 but what i'm saying that you're adding another person to the payroll versus.

479

00:56:20.760 --> 00:56:23.280

Town of Parish: guys and not getting another person's.

480

00:56:26.130 --> 00:56:27.090

Town of Parish: Their role at work.

481

00:56:29.580 --> 00:56:34.200

Town of Parish: But they don't want the role 40 hours a week, every week throughout the summer.

482

00:56:35.520 --> 00:56:36.900

Town of Parish: And all all this.

483

00:56:39.510 --> 00:56:40.020

Town of Parish: weekend.

484

00:56:41.100 --> 00:56:42.030

Town of Parish: What i'm saying is.

00:56:43.980 --> 00:56:50.250

Town of Parish: We haven't decided if I get you get a segment because he needs to not know to impart some all.

486

00:56:54.210 --> 00:56:54.660

Town of Parish: Right.

487

00:56:56.550 --> 00:56:58.110

Town of Parish: yeah it's not.

488

00:57:00.750 --> 00:57:01.980

Town of Parish: Too much here.

489

00:57:09.540 --> 00:57:09.930

Town of Parish: A.

490

00:57:11.820 --> 00:57:12.510

Town of Parish: ballpark.

491

00:57:13.890 --> 00:57:14.460

All.

492

00:57:15.570 --> 00:57:16.410

Town of Parish: Right Tommy.

493

00:57:18.750 --> 00:57:19.350

499
00:57:50.010 --> 00:57:50.640
Town of Parish: Whenever.

500
00:57:52.860 --> 00:57:53.340
An issue.

501
00:57:54.690 --> 00:58:07.170

505
00:58:33.180 --> 00:58:37.800

506
00:58:40.860 --> 00:58:42.150
Town of Parish: One part.

507
00:58:43.230 --> 00:58:45.420
Town of Parish: But if you're hiring somebody part.

01:07:28.290 --> 01:07:29.190

Town of Parish: that's not the way.

595

01:07:30.240 --> 01:07:31.650

Town of Parish: Well that's not the.

596

01:07:35.340 --> 01:07:36.390

Town of Parish: right way.

597

01:07:42.480 --> 01:07:45.030

Town of Parish: So I guess it's the joint board meeting that's been a big.

598

01:07:47.640 --> 01:07:55.320

Town of Parish: One that I ran into last one we're trying to do this puppeteering probably and she didn't want to give us permission, because I didn't ask.

599

01:07:56.250 --> 01:08:05.700

Town of Parish: And it's a regular meeting the third Thursday of every month, so that i'm going to bring it up for the joint meeting just so you know that that piece okay.

600

01:08:06.960 --> 01:08:14.610

Town of Parish: that's all business right new business I just got gave everybody a copy of the.

601

01:08:16.770 --> 01:08:22.830

Town of Parish: Reports are from them banana and company, I did send a copy of it into.

602

01:08:24.270 --> 01:08:25.740

Town of Parish: You and again, good for me.

603

01:08:27.870 --> 01:08:28.200

yeah.

604

01:08:30.360 --> 01:08:42.930

Town of Parish: Job Chris Cassa see as a CCA she she she works for the young courts, you know unified court system, probably we didn't sell them last year.

605

01:08:45.540 --> 01:08:56.370

Town of Parish: Okay well tell me they did she say 19 and 2020 they were writing this up to turn us into the artistic control we're seeing that we did not give it to them.

606

01:08:56.730 --> 01:09:03.360

Town of Parish: We send them the piece that shows for everybody, saying that we apparently did some of the wrestling with them, so I found that.

607

01:09:04.110 --> 01:09:17.520

Town of Parish: email it to her yesterday, both 19 and 2020 just got and she's she's okay with that just you know I didn't realize that if we, the counselors do the audit.

608

01:09:17.820 --> 01:09:30.540

Town of Parish: They not only have to have a paid service that was saying that the also have these pages that show that we went through and check, mark you know, and I think last year, who said that in without understanding the patient and get approval.

609

01:09:31.560 --> 01:09:41.790

Town of Parish: So I sent him home to her, but I think emotions were the first to approve the Court of Justice court order for the summer.

610

01:09:44.430 --> 01:09:44.670

needs.

611

01:09:47.730 --> 01:09:49.800

Town of Parish: To be approved, because the.

612

01:09:51.660 --> 01:10:04.020

Town of Parish: Company is doing, I know they did it and I she thought that that would be enough for them, but they want the sheet that show that we have to sign in China, where it says we accepted.

613

01:10:05.850 --> 01:10:08.640

Town of Parish: This year we went to advertise to get bids for this role, we got three banks.

727

01:25:04.530 --> 01:25:09.030

01:25:10.260 --> 01:25:12.990

Town of Parish: So a lot of houses so.

729

01:25:14.040 --> 01:25:14.550

obsessed.

730

01:25:16.320 --> 01:25:22.140

Town of Parish: So it just means the State Parties, for the time being, there were now.

731

01:25:24.300 --> 01:25:26.250

Town of Parish: Have what two strings with a.

744

01:26:52.980 --> 01:27:07.920

nerve injury, there were finally able to go back to work, just wasn't there.

745

01:27:09.330 --> 01:27:12.780

746

01:27:14.730 --> 01:27:15.240

Town of Parish: scary.

747

01:27:16.350 --> 01:27:16.920
