147

00:19:46.020 --> 00:19:46.350

Whole.

148

00:19:48.540 --> 00:19:50.730

Town of Parish: bunch of years, three.

149

00:19:52.590 --> 00:19:58.140

151

00:20:05.700 --> 00:20:07.230

Town of Parish: would be nice yeah.

152

00:20:07.290 --> 00:20:08.070

Once it's done.

153

00:20:09.390 --> 00:20:12.360

Town of Parish: it's gonna be a bear because I don't know how big it is.

154

00:20:15.510 --> 00:20:16.800

Town of Parish: yeah you can.

155

00:20:23.820 --> 00:20:25.710

Town of Parish: call me when you're free to go.

156

00:20:27.210 --> 00:20:27.810

Town of Parish: Okay.

157

00:20:29.310 --> 00:20:30.900

Town of Parish: Assessment Report Denise.

158

00:20:32.520 --> 00:20:34.110

Town of Parish: And yeah I know.

159

00:20:35.340 --> 00:20:41.160

Town of Parish: I asked you before do the work of all political issue last three years.

160

00:20:42.810 --> 00:20:43.980

Town of Parish: I because I knew.

161

00:20:46.470 --> 00:20:47.040

Town of Parish: Then.

162

00:21:09.120 --> 00:21:09.420

Town of Parish: We are.

163

00:21:11.190 --> 00:21:12.420

Town of Parish: supposed to be here.

164

00:21:20.280 --> 00:21:21.090

Town of Parish: But.

165

00:21:22.290 --> 00:21:25.440

Town of Parish: it's my obligation right now that we post.

166

00:21:26.790 --> 00:21:28.410

Town of Parish: Because the market is.

167

00:21:29.850 --> 00:21:33.480

Town of Parish: So we go to play it would be hard to announce.

168

00:21:35.520 --> 00:21:36.510

Town of Parish: That we have.

169

00:21:39.300 --> 00:21:40.590

Town of Parish: See you.

170

00:21:44.010 --> 00:21:44.400

Town of Parish: tomorrow.

171

00:21:46.500 --> 00:21:47.460

Town of Parish: Tony three.

172

00:21:48.690 --> 00:21:49.260

Town of Parish: Now.

173

00:21:50.760 --> 00:21:53.220

Town of Parish: Please once again say.

174

00:21:54.510 --> 00:21:55.290

Town of Parish: So.

175

00:21:56.760 --> 00:22:01.440

Town of Parish: From my experience that's not easy sell your tax care it.

176

00:22:03.000 --> 00:22:03.420

Town of Parish: Was.

177

00:22:05.670 --> 00:22:12.000

Town of Parish: Doing relation to balance out which you may show up and.

178

00:22:13.530 --> 00:22:24.000

Town of Parish: Then, is a market is how right now, but all projections are showing that it's not going to love.

179

00:22:25.530 --> 00:22:27.540
Town of Parish: It started to slow down.

180
00:22:31.200 --> 00:22:31.980
Town of Parish: 25%.

181
00:22:36.360 --> 00:22:37.200
Town of Parish: So.

182
00:22:42.450 --> 00:22:47.160
Town of Parish: People properties, now the markets up and like you said being over so.

183
00:22:47.250 --> 00:22:49.470
Town of Parish: first day and then.

184
00:22:50.910 --> 00:22:51.120
Town of Parish: My.

185
00:22:54.480 --> 00:22:57.060
Town of Parish: projections projections, we say.

186
00:22:58.110 --> 00:22:58.590
Town of Parish: That.

187
00:23:01.680 --> 00:23:02.670
Town of Parish: We should be very.

188
00:23:07.140 --> 00:23:11.400
Town of Parish: Slowly those up, we can keep up with the.

189
00:23:12.630 --> 00:23:19.470
Town of Parish: trend I doing in certain areas is usually what happens is certainly increase more than others.

190
00:23:21.030 --> 00:23:21.660
Town of Parish: You know your have.

191
00:23:22.740 --> 00:23:33.000
Town of Parish: You had some neighborhoods rental properties, a little bit nicer the cell phone to hire those energy will increase back to being something a little lower level.

192

00:23:34.170 --> 00:23:39.180

Town of Parish: it's easy to change once you've done just one market is.

193

00:23:41.250 --> 00:23:42.180

Town of Parish: partially myself.

194

00:23:43.680 --> 00:23:55.530

Town of Parish: I don't believe to stay back to the track and I became closer than anyone over now to be a problem yeah I think again so long since we've done.

195

00:23:56.700 --> 00:23:59.040

Town of Parish: That I don't think I think.

196

00:23:59.640 --> 00:24:00.300

Town of Parish: The new stuff.

197

00:24:00.570 --> 00:24:01.770

that's going on right now.

198

00:24:03.120 --> 00:24:05.190

Town of Parish: We got a little time just.

199

00:24:07.080 --> 00:24:18.450

Town of Parish: To maybe a year, two years because everything everything the government trickles down over time, a long time us yeah so the government, right now, a lot of wishes.

200

00:24:20.220 --> 00:24:38.730

Town of Parish: DEMO with the lesson is a lot of this as an effectiveness yeah Okay, Mr rabbit not the the 21 he taught me things that now the binaries me and I have a feeling it's exactly the people have worked in places that.

201

00:24:47.520 --> 00:24:48.270

Town of Parish: We.

202

00:24:53.430 --> 00:24:54.060

Town of Parish: See.

203

00:24:57.840 --> 00:24:58.590

Town of Parish: word.

204

00:25:13.710 --> 00:25:16.200

Town of Parish: Is a sense, the markets to.

205

00:25:25.710 --> 00:25:26.610

13152639620: equalization.

206

00:25:27.030 --> 00:25:27.480

With our.

207

00:25:32.490 --> 00:25:34.620

Town of Parish: But we.

208

00:25:39.150 --> 00:25:39.540

Town of Parish: know.

209

00:25:42.240 --> 00:25:43.320

Town of Parish: How to.

210

00:25:45.210 --> 00:25:48.030

Town of Parish: manage state a little bit better.

211

00:25:53.190 --> 00:25:53.790

Town of Parish: optional.

212

00:25:55.350 --> 00:25:56.880

Town of Parish: The best that we can get.

213

00:26:00.330 --> 00:26:01.410

Town of Parish: So back to the.

214

00:26:04.140 --> 00:26:04.770

Town of Parish: rebound.

215

00:26:06.360 --> 00:26:14.430

Town of Parish: you're talking about not doing it, this coming year 2020

216

00:26:16.200 --> 00:26:18.150

Town of Parish: Wait are you going to do this, so you try.

217

00:26:19.410 --> 00:26:21.570

Town of Parish: And what happens in market and.

218

00:26:22.950 --> 00:26:25.770

Town of Parish: What we have we really need the photos as.

219

00:26:26.970 --> 00:26:29.610

Town of Parish: Well, so we need all the.

220

00:26:31.290 --> 00:26:34.080

Town of Parish: Next year, to have.

221

00:26:35.550 --> 00:26:37.200

Town of Parish: The highest holiday.

222

00:26:38.730 --> 00:26:39.930

228

00:27:08.700 --> 00:27:09.120

Town of Parish: The website as well.

304

00:36:10.620 --> 00:36:20.280

Town of Parish: Let me see needing to update you on this over and implementing the change plans or less on board what we've done before.

305

00:36:22.740 --> 00:36:23.970

Town of Parish: And that's something you have.

306

00:36:25.050 --> 00:36:25.470

Town of Parish: A.

307

00:36:27.240 --> 00:36:28.110

Town of Parish: laptop.

308

00:36:29.460 --> 00:36:31.650

Town of Parish: That order to see.

309

00:36:32.790 --> 00:36:38.640

Town of Parish: The vernacular Council or email programs now, I have a thought.

310

00:36:39.810 --> 00:36:44.970

Town of Parish: That I did during your junior executive session I got.

311

00:36:48.060 --> 00:36:52.890

Town of Parish: It wrong and he mentioned that I don't know how to put it in there.

312

00:36:54.480 --> 00:36:55.860

Town of Parish: But the.

313

00:36:57.210 --> 00:37:08.550

Town of Parish: One regime previously is has been shipped on the way done like that vendor and the way they were questions that you handle this you gotta build a whole box of them.

314

00:37:09.570 --> 00:37:13.860

Town of Parish: But they do not like that, at the beginning for us.

315

00:37:15.060 --> 00:37:19.080

Town of Parish: back so they're supposed to hold on to your money for now.

316

00:37:22.050 --> 00:37:32.940

Town of Parish: But the overtaking the part of the money in addition to wanting to go over anything that was the only real 100% credit for what you paid that will be applied.

317

00:37:34.290 --> 00:37:37.350

Town of Parish: To solve a discrepancy between ability are.

318

00:37:38.370 --> 00:37:49.440

Town of Parish: being asked to pay that stuff like that the work is that over the web, and I am in the process of check on your end and work there as well, so these are delaying.

319

00:37:50.670 --> 00:37:52.440

Town of Parish: get a non.

320

00:37:53.820 --> 00:37:57.270

Town of Parish: Mobile users, a new computer can't no.

321

00:37:59.250 --> 00:38:07.470

Town of Parish: I just shot, the old one shipped out, they want to keep it for a while, while we're transitioning and while they were going to go on.

322

00:38:10.080 --> 00:38:14.370

Town of Parish: And so, now that the new computers in the time or.

323

00:38:15.600 --> 00:38:19.590

Town of Parish: The existing here was stripped back and.

324

00:38:20.610 --> 00:38:23.310

Town of Parish: Then we'll get into the document the.

325

00:38:25.290 --> 00:38:25.770

Town of Parish: Normal.

326

00:38:28.770 --> 00:38:36.930

Town of Parish: See you in a moment to get the acknowledgments go don't go here don't need those we want, we want them.

327

00:38:38.460 --> 00:38:41.460

Town of Parish: To back and the issue a credit memo.

328

00:38:45.930 --> 00:38:49.380

Town of Parish: You and have a number I want with debt.

329

00:38:50.970 --> 00:39:03.210

Town of Parish: So they know that we're paying only the power that we need to pay, there is a credit hours and hours Okay, so I cut the check but i'll just hold it and send it out to get the signal.

330

00:39:04.320 --> 00:39:07.110

Town of Parish: Will mail it off, and we did not hold back from.

331

00:39:10.050 --> 00:39:25.530

Town of Parish: The town supervisor and so they have one of my form fill in a final question she's on the incoming requests at a nice and other things, that is something that I can relate.

332

00:39:27.690 --> 00:39:29.940

Town of Parish: To this it's not something that.

333

00:39:32.970 --> 00:39:38.040

Town of Parish: Some of your peers head every bag and some of them don't and it's.

334

00:39:39.330 --> 00:39:58.890

Town of Parish: A game over and i'd like to do is go around and see which computers doing don't have battery backup will be you are still some reason I was coming off of doing this, or the village because i'm listening ability to record our battery backup and whether, when the power lifters.

335

00:40:00.930 --> 00:40:02.850

Town of Parish: In the famous doing this.

336

00:40:04.440 --> 00:40:08.850

Town of Parish: A long time so you're.

337

00:40:10.170 --> 00:40:12.480

Town of Parish: not going to the real job.

338

00:40:14.280 --> 00:40:17.310

Town of Parish: So I would like to.

339

00:40:18.450 --> 00:40:22.260

Town of Parish: recommend to you probably some patients.

340

00:40:25.440 --> 00:40:29.070

Town of Parish: One is only impact for next year's.

341

00:40:30.180 --> 00:40:30.750

Town of Parish: data.

342

00:40:31.980 --> 00:40:33.840

Town of Parish: me something that is.

343

00:40:36.450 --> 00:40:38.400

Town of Parish: About i'm pretty sure.

344

00:40:43.440 --> 00:40:43.740

Town of Parish: It.

345

00:40:45.900 --> 00:40:47.700

Town of Parish: was in those end but.

346

00:40:48.810 --> 00:40:49.350

Town of Parish: it's.

347

00:40:51.030 --> 00:40:53.430

Town of Parish: really being upgraded so.

348

00:41:00.420 --> 00:41:02.250

Town of Parish: What you got and how it is.

349

00:41:06.720 --> 00:41:07.200

Town of Parish: Based on.

350

00:41:09.270 --> 00:41:09.600

Town of Parish: Your.

351

00:41:18.720 --> 00:41:23.610

Town of Parish: response to geoff's point that we mentioned earlier session.

352

00:41:26.040 --> 00:41:33.540

Town of Parish: Your executive, such as they're talking about you're having to do with somebody many functions for the state lamps.

353

00:41:35.100 --> 00:41:35.490

Town of Parish: and

354

00:41:37.140 --> 00:41:38.760

Town of Parish: Is the.

355

00:41:40.980 --> 00:41:43.320

Town of Parish: The July 15 meeting I mentioned that time.

356

00:41:44.520 --> 00:41:46.530

Town of Parish: I did not mention anything to be honest.

357

00:41:48.690 --> 00:41:49.170

Town of Parish: I should.

358

00:41:50.940 --> 00:41:51.600

Town of Parish: Possibly.

359

00:41:53.040 --> 00:41:53.550

Town of Parish: mean.

360

00:41:56.010 --> 00:42:06.540

Town of Parish: anything about telling you well, nothing in the legislature is in session second call session if you're on camera system that runs out.

361
00:42:09.240 --> 00:42:09.390
Town of Parish: and

362
00:42:12.270 --> 00:42:14.790
Town of Parish: Then we're not going to bed after the.

363
00:42:17.340 --> 00:42:19.080
Town of Parish: First sugar.

364
00:42:20.640 --> 00:42:22.020
Town of Parish: Are the must be nice.

365
00:42:26.370 --> 00:42:29.460
Town of Parish: To think about because you're in such.

366
00:42:33.840 --> 00:42:36.390
Town of Parish: A person detection and that.

367
00:42:44.280 --> 00:42:47.550
Town of Parish: Welcome rob about the forums and.

368
00:42:50.370 --> 00:42:50.880
Town of Parish: How they run.

369
00:42:52.170 --> 00:42:55.350
Town of Parish: But another thing anything to do with the smaller.

370
00:42:56.370 --> 00:42:57.000
Town of Parish: Relatively.

371
00:42:58.950 --> 00:43:04.710
Town of Parish: Normal and nothing happened at the september's first.

372
00:43:07.740 --> 00:43:09.180
Town of Parish: event is nothing.

373
00:43:10.950 --> 00:43:13.950
Town of Parish: So, as I find out more I will.

374
00:43:15.690 --> 00:43:16.710

Town of Parish: turn it over.

375

00:43:18.930 --> 00:43:19.110

Town of Parish: To.

376

00:43:20.430 --> 00:43:21.210

Town of Parish: Your status.

377

00:43:22.590 --> 00:43:25.860

Town of Parish: Report on all if they don't have.

378

00:43:27.570 --> 00:43:32.640

Town of Parish: The important to you and i'd like to thank shape or read only time.

379

00:43:35.400 --> 00:43:43.080

Town of Parish: decision as well, is it something, something that we could allow then Mariana have some themselves.

380

00:43:44.310 --> 00:43:44.520

Town of Parish: As.

381

00:43:46.050 --> 00:43:47.730

Town of Parish: The attention and.

382

00:43:49.830 --> 00:43:51.540

Town of Parish: A lot behind it and.

383

00:43:54.810 --> 00:43:56.310

Town of Parish: Taking action.

384

00:44:03.540 --> 00:44:04.680

Town of Parish: knew about that.

385

00:44:07.980 --> 00:44:13.500

Town of Parish: economic pressure we can do that, or maybe at some point they like the warriors.

386

00:44:14.910 --> 00:44:17.670

Town of Parish: But in my bag comes up and sure enough.

387

00:44:18.930 --> 00:44:32.190

Town of Parish: As a safety continued send a newsletter to anybody and everybody that has no do we have to do is something that I hope doesn't go away until they give us a desert and that's another reason I.

388

00:44:33.270 --> 00:44:36.030

Town of Parish: Bring that up and it reminds me of the.

389

00:44:37.050 --> 00:44:38.940

Town of Parish: The things don't happen.

390

00:44:42.420 --> 00:44:45.150

Town of Parish: So people as a result.

391

00:44:46.950 --> 00:44:48.420

Town of Parish: Now, I appreciate your question.

392

00:44:49.650 --> 00:44:53.550

Town of Parish: feel free to bring up there's a nice time.

393

00:44:55.950 --> 00:44:57.540

Town of Parish: On this one it's also.

394

00:45:00.210 --> 00:45:01.020

Town of Parish: The other towns.

395

00:45:02.160 --> 00:45:10.650

Town of Parish: actors on this as well, so it isn't just don't understand why they have to drag it along with me make a decision okay my.

396

00:45:11.910 --> 00:45:16.920

Town of Parish: Number of the quarter started oh wait.

397

00:45:18.510 --> 00:45:25.410

Town of Parish: For the Donner, and it always get held up or something never gotten past yeah and I forgot the other stuff.

398

00:45:26.010 --> 00:45:34.800

Town of Parish: There was another one that did the same thing brought up gotta go down there, let me give you an example of workers is paid off we've heard about the.

399

00:45:35.460 --> 00:45:49.800

Town of Parish: peers in the Cleveland but they're the state off they're still stay home and that's an curated literally decades and working out with the county and Cleveland.

400

00:45:50.400 --> 00:46:00.630

Town of Parish: Or, probably at least 20 years ball lesnar refinery they finally did finally put together and they got a very nice renovated a much safer.

401

00:46:01.650 --> 00:46:14.730

Town of Parish: Here there are public access to the water so, but then again it didn't happen without intending to three years, probably wonder i'm pretty sure this back and forth.

402

00:46:16.350 --> 00:46:29.340

Town of Parish: Like the canal, which is only later on, but I can only be done by the thruway or DC money came in through through fishing access, and so there are multiple routes of funny that long appointment.

403

00:46:30.810 --> 00:46:33.540

Town of Parish: Okay, thanks amy i'll have to see it.

404

00:46:35.850 --> 00:46:39.660

Town of Parish: happen because people care about and then pay attention to.

405

00:46:41.070 --> 00:46:43.410

Town of Parish: Okay, thanks for the questions.

406

00:46:51.390 --> 00:46:51.750

Town of Parish: Okay.

407

00:46:54.000 --> 00:46:55.890

Town of Parish: Very department, so I don't have a.

408

00:46:58.380 --> 00:47:06.900

Town of Parish: Business again touched on this earlier about paperwork yesterday Kelly says that it's just come in today and email i'll check it tomorrow, when I get the exact same way.

409

00:47:08.190 --> 00:47:19.260

Town of Parish: Two months now to get this stuff taken care of so never long enough to get it there, they have your life do that is set aside for the town of parish red truck we got to finish all this other people.

410

00:47:21.270 --> 00:47:31.470

Town of Parish: And everybody got a copy of the email like that we back to Mr Russell I find it unfortunately he has over that's, the reason I got involved because he was home and.

411

00:47:32.070 --> 00:47:39.930

Town of Parish: Mr Grenada scheming his home phone number she wrote down and he's really disgusts me, I am a yes and see Grenada.

412

00:47:40.230 --> 00:47:52.080

Town of Parish: Between the town and village and Friday, the only issue I have with doing anything with the AMA is making sure that the village property owners are responsible for their share expenses of the water district, to the referendum.

413

00:47:52.350 --> 00:48:07.260

Town of Parish: I did not prepare the IMA and do not have a path, but that is the only issue, you should consider I spoke with a village attorney and he advised me that the only thing the villagers looking for now is permission to pursue its own water resolution and I told him.

414

00:48:08.490 --> 00:48:17.730

Town of Parish: That other than paying for current expenses to develop around them, I do not really there is an issue with that so if we do something that makes you that that pieces of.

415

00:48:18.750 --> 00:48:29.880

Town of Parish: Language is put in this whatever we vote on you guys voted to do it and let them move forward contingent on what Mr Russell said I think we're going to drop something that says.

416

00:48:30.210 --> 00:48:41.130

Town of Parish: No problem with them before and do what they want, so long as the town can still hold the people that live in water district number one accountable for that money that needs to be paid to the general fund.

417

00:48:43.620 --> 00:48:44.010

Town of Parish: Okay.

418

00:48:47.250 --> 00:48:49.500

Town of Parish: Now this next summer.

419

00:48:50.700 --> 00:48:54.210

Town of Parish: that's not till December I don't think they're going to want to wait that long.

420

00:48:57.900 --> 00:49:00.360

Town of Parish: Your permission just.

421

00:49:01.380 --> 00:49:04.590

Town of Parish: Put that language and make sure that they don't we don't forget.

422

00:49:06.210 --> 00:49:07.890

Town of Parish: I mean there's nothing else.

423

00:49:10.290 --> 00:49:10.470

To.

424

00:49:11.730 --> 00:49:12.690

Town of Parish: Those that are there.

425

00:49:13.890 --> 00:49:14.430

Town of Parish: For water.

426

00:49:16.020 --> 00:49:20.340

Town of Parish: everything's up to date and everybody in that water district that.

427

00:49:22.830 --> 00:49:29.040

Town of Parish: yeah that we have to figure out when we're going to put it in the bills for this year again last time we did this was only 20,000.

428

00:49:29.730 --> 00:49:34.410

Town of Parish: We did it one year, but according to form again to me.

429

00:49:35.340 --> 00:49:46.110

Town of Parish: The project manager that manages the money, she said, you could spread it out for two years if it's easier for people to pay out, so what to consider that, when we go to do got to make a decision this year.

430

00:49:46.980 --> 00:49:57.150

Town of Parish: So okay so you're okay we're going to talk about getting some kind of a memorandum done saying we're allowing them to move forward, as long as we get that language in here, yes.

431

00:49:58.620 --> 00:49:59.190

Town of Parish: Thank you.

432

00:50:12.240 --> 00:50:17.070

Town of Parish: Okay, she sent me an email I don't know if I sent you guys do that from her.

433

00:50:17.940 --> 00:50:39.360

Town of Parish: But they updated the comprehensive emergency plan back in 2020 plan still is, where it is it covers on when you're selling the first response recovery when disasters there they're going to do a full revamp of the county seat MP comprehensive.

434

00:50:40.680 --> 00:50:55.830

Town of Parish: Management Plan next year, I thought they were doing it this year it's next to the door, and then we use that as a template to give to the local towns and villages to us as well, so we won't be getting next on after they do this next year.

435

00:50:56.310 --> 00:51:03.450

Town of Parish: But I do have a family of he hasn't litigation plan guys I didn't make you can even because this is this is quite.

436

00:51:05.100 --> 00:51:07.620

Town of Parish: If you want to make a cabinetmaker.

437

00:51:08.940 --> 00:51:19.920

Town of Parish: pieces in here that we, this is special it's divided up for all the towns pieces in here that we need to address as a board there's questions that will race.

438

00:51:23.580 --> 00:51:27.480

Town of Parish: You want me to put this up in the next board meeting and i'll give everybody a happy.

439

00:51:30.030 --> 00:51:35.670

Town of Parish: Because there's questions that we, as a board need to address for mitigation plan, yes, no.

440

00:51:36.750 --> 00:51:39.900

Town of Parish: Okay, because it's like 60 some pages, I think.

441

00:51:41.700 --> 00:51:42.300

Town of Parish: Double sided.

442

00:51:43.500 --> 00:51:50.520

Town of Parish: Engine yes, I did so the only one, I would need to give it to you is Richard then right everybody else can get up and go.

443

00:51:52.410 --> 00:52:06.990

Town of Parish: Okay, so what i'll do is i'll have to reach such and such This is one we address and patience okay all right, it will be straight away, and then we come home to address that as an employee Okay, thank you yeah.

444

00:52:12.120 --> 00:52:12.480

Town of Parish: yeah.

445

00:52:16.710 --> 00:52:19.680

Town of Parish: Okay, as long as you heard the.

446

00:52:20.790 --> 00:52:25.470

Town of Parish: auditor talking about what we can versus can do in the money, with no money that's come in.

447

00:52:27.480 --> 00:52:43.500

Town of Parish: I am Jimmy another piece that a student said a couple supervisors certainly some information in your bag that has some information in it, I will do it again, I may be asking this gentleman if you guys are in agreement, to help us work this out because.

448

00:52:44.820 --> 00:52:48.270

Town of Parish: It ties you up to the point where we don't do it just right.

449

00:52:49.380 --> 00:52:56.970

Town of Parish: Doing we can't claim it and we're not going to be a user it's the language is something else and there's pieces like.

450

00:52:57.660 --> 00:53:04.650

Town of Parish: i'm talking about so we talked about the park talk about sound system would be all the suggestions that were brought to me.

451

00:53:05.460 --> 00:53:18.060

Town of Parish: are great unfortunately those pieces that we can't use it for I need the sound system, I would love that microphones for everybody and then do whatever can't use it for their on the park piece of gotta check out.

452

00:53:18.660 --> 00:53:34.320

Town of Parish: As he said, it's got a big depends on what you do versus one is now yeah the only one, I know for sure that we possibly can do is court because the courts lost money we call them because they are close to the microphone.

453

00:53:35.370 --> 00:53:44.280

Town of Parish: say everything has made it back home yeah well, the reason why we need the microphone because of the social disruption don't.

454

00:53:47.070 --> 00:54:02.520

Town of Parish: know and I don't disagree with me but they're not looking at that as something that wouldn't be covered by this ar i'll ask again but i'm trying to put together information and I probably will call Mr allens and see if you can give us an idea as well.

455

00:54:04.980 --> 00:54:06.930

Town of Parish: The rose rose.

456

00:54:08.490 --> 00:54:09.540

Town of Parish: Towns shall.

457

00:54:10.980 --> 00:54:17.010

Town of Parish: We okay I don't know how much of this i'm going to price question grace that was.

458

00:54:18.480 --> 00:54:20.040

Town of Parish: pointing to yeah.

459

00:54:21.630 --> 00:54:22.380

Town of Parish: wonder Richard.

460

00:54:23.400 --> 00:54:25.860

Town of Parish: Maybe we could use it as a million that we plan to be.

461

00:54:27.570 --> 00:54:34.290

Town of Parish: Talking about well as the question but it's it's not something that simple guys I wish it was.

462

00:54:37.260 --> 00:54:41.940

Town of Parish: Wrong the wrong and send the money out first and then together the rules.

463

00:54:43.500 --> 00:54:54.870

Town of Parish: I think you should be heading for a while and then you submit your villain there, yes, yes, not everybody spends all day what you do there's some of them, and I mean.

464

00:54:56.340 --> 00:54:59.940

Town of Parish: We got an additional 400 and something, because there are certain times.

465

00:55:01.050 --> 00:55:02.370

Town of Parish: So they didn't file for.

466

00:55:06.120 --> 00:55:18.300

Town of Parish: I i'm not sure, but he said that we would be able to give it back to the Kelly, so it will still stay in, as we go over them but I sure, would like to use of the parish there's things that we mean.

467

00:55:19.830 --> 00:55:21.180

Town of Parish: A lot of qualified.

468

00:55:22.560 --> 00:55:25.200

Town of Parish: So there's furniture that.

469

00:55:26.280 --> 00:55:33.960

Town of Parish: That would be the thing to do is you don't want to make a mistake okay so i'll call him and ask him, give me an idea of a cost.

470

00:55:35.580 --> 00:55:37.740

Town of Parish: yeah and when we do this.

471

00:55:40.320 --> 00:55:41.040

one.

472

00:55:42.600 --> 00:55:49.800

Town of Parish: Is no hurry, we just got a good lawyer actually good okay now is honest to God, this is the thing.

473

00:55:54.090 --> 00:55:56.250

Town of Parish: Okay, all right.

474

00:56:07.590 --> 00:56:08.220

Town of Parish: Okay.

475

00:56:11.340 --> 00:56:11.490

and

476

00:56:13.980 --> 00:56:19.770

Town of Parish: Eric are appointed positions, I think we need to put together if you're in agreement.

477

00:56:20.730 --> 00:56:38.820

Town of Parish: A process, so to say forbidden forget the names of the people forget the people that are in the positions, other than the lack of the process should be the same for everybody, when assistance to see is coming up to either be reappointed or a new sheet whenever.

478

00:56:40.170 --> 00:56:46.110

Town of Parish: I think we should be advertising and then everybody that work is to be considered.

479

00:56:49.620 --> 00:56:50.130

Town of Parish: And we.

480

00:56:52.500 --> 00:56:53.790

Town of Parish: are looking for process.

481

00:56:54.900 --> 00:56:58.410

Town of Parish: Yes, i'm looking for a process so that it's the same for everybody.

482

00:57:00.450 --> 00:57:00.900

Town of Parish: yeah.

483

00:57:01.980 --> 00:57:02.550

Town of Parish: grant.

484

00:57:04.920 --> 00:57:08.820

Town of Parish: We read it, as long as a senior positions, what is.

485

00:57:09.840 --> 00:57:13.500

Town of Parish: If they want to stay in that position because they know.

486

00:57:15.360 --> 00:57:16.200

Town of Parish: That they submit.

487

00:57:17.220 --> 00:57:32.550

Town of Parish: or better serve on the board anytime before the time expires, then the fourth point, then the active voice remote to Liam point if they chose to work, but if it doesn't if they say no, I don't I.

488

00:57:34.650 --> 00:57:38.610

Town of Parish: don't disagree with you Gary but then there's nothing case for the past four years.

489

00:58:10.500 --> 00:58:12.000

Town of Parish: Okay, so.

490

00:58:13.980 --> 00:58:14.340

Town of Parish: fight.

491

00:58:15.990 --> 00:58:19.140

Town of Parish: it's not been the practice and.

492

00:58:21.510 --> 00:58:29.820

Town of Parish: The practice she'd be the one to know if she said, every time every time somebody come up whether they wanted it so not.

493

00:58:30.510 --> 00:58:42.900

Town of Parish: So we don't really need to get in a big fight about them, what we need to do is decide as a board what processes wonderful time here for that's what they're saying that other.

494

00:58:44.430 --> 00:58:44.850

Town of Parish: policy.

495

00:58:48.300 --> 00:58:50.430

Town of Parish: Across the board it doesn't then.

496

00:58:51.540 --> 00:58:51.930

Town of Parish: it's just.

497

00:58:54.030 --> 00:59:01.350

Town of Parish: Like so i'm trying to put together the classes so it's the same for everybody, well, we put a class today well I named the beneficiary.

498

00:59:02.640 --> 00:59:09.090

Town of Parish: For my suggestion, I know I know and I don't disagree what it is, is, if you advertise.

499

00:59:09.600 --> 00:59:18.510

Town of Parish: The person that's in and also, as you said, puts him for the position as well, and then the board would have been a choice if other people apply, you know I don't know.

500

00:59:18.990 --> 00:59:30.990

Town of Parish: But it's fair to everybody to know that a sees coming up are the people interested in helping the town out to defend my position is always somebody have enough staff.

501

00:59:32.400 --> 00:59:43.890

Town of Parish: it's less turn well that somebody coming in that might not be as knowledgeable or does not know what's going on your own it seems like every association of what we're here to hear your.

502

00:59:44.940 --> 00:59:46.980

Town of Parish: buyer is.

503

00:59:50.640 --> 00:59:58.350

Town of Parish: And so I think the buyers five years, I think the planning or this five years, and I think the zte as three years.

504

01:00:01.980 --> 01:00:02.730

Town of Parish: mixing things up.

505

01:00:05.010 --> 01:00:13.470

Town of Parish: If the people know if the person doesn't want to do the job aid for, then I suggest other legislation but.

506

01:00:15.180 --> 01:00:18.600

Town of Parish: same thing is everybody for your time.

507

01:00:19.770 --> 01:00:26.880

Town of Parish: And then avoid so decide, you know I mean I don't I don't see any asking for.

508

01:00:27.450 --> 01:00:34.800

Town of Parish: Advertising, I guess, to see if other people are interested and anytime something might happen, we may have to tap somebody else down the road.

509

01:00:35.430 --> 01:00:43.950

Town of Parish: it's just giving people an opportunity in the town that they might be interested in helping out the town via an appointed position.

510

01:00:44.850 --> 01:00:58.380

Town of Parish: So if we advertise it and people know what's coming up, and when, and they can put in for it, or they don't put in for whatever, including the person that's in there that's all i'm looking for consistency and I think we should be looking for their.

511

01:01:03.450 --> 01:01:10.350

Town of Parish: policies and procedures we've never done that we have an underwriter and we all agree on right.

512

01:01:11.520 --> 01:01:17.640

Town of Parish: To put some language together policies um but that's what the.

513

01:01:19.380 --> 01:01:21.930

Town of Parish: Procedures a lot of stuff yeah.

514

01:01:23.070 --> 01:01:31.800

Town of Parish: workshops to put some things together for for for making vacation and novel you know list of other different things it's.

515

01:01:33.600 --> 01:01:34.050

Town of Parish: Really.

516

01:01:35.100 --> 01:01:39.690

Town of Parish: Special words that he says nice things to say.

517

01:01:41.250 --> 01:01:41.820

Town of Parish: I.

518

01:01:45.630 --> 01:02:05.490

Town of Parish: have to do a workshop with orange where Okay, so why not now we're doing budget up the meeting this point, but after that maybe we'll work on trying to put together a policy on level four is consistency doesn't matter who it is it doesn't matter what position so okay sorry.

519

01:02:10.020 --> 01:02:11.190

Town of Parish: Okay.

520

01:02:12.540 --> 01:02:16.170

Town of Parish: Of course, violence, everybody to get a copy of the assessors email.

521

01:02:17.280 --> 01:02:25.710

Town of Parish: And she's explaining to you tonight as well, so she can see she has some issues that have come up that she wasn't prepared for so.

522

01:02:27.960 --> 01:02:46.560

Town of Parish: Just to give you can make sure everybody had their right to kill time so i've got that i've got to go one for August 27 of September 7 if anybody's interested in those and get the minutes of the regular meeting of August 19 everybody got.

523

01:02:47.820 --> 01:02:51.900

Town of Parish: I got the planning board agenda for August total numbers.

524

01:02:56.700 --> 01:03:00.330

Town of Parish: that's all I got so far okay um.

525

01:03:01.680 --> 01:03:05.520

Town of Parish: Anything desire to speak his way to be recognized by the Supervisor.

526

01:03:05.910 --> 01:03:19.470

Town of Parish: You will be allowed five minutes to address the workstation name and address, for the record, we want to give a residence an opportunity to address your concerns or questions to the board within the region, please be used either any public comments at this time.

527

01:03:21.360 --> 01:03:21.840

Town of Parish: she's.

528

01:03:22.980 --> 01:03:38.760

Town of Parish: Like a stand up to her, and this is a state on the filmmakers that I don't think the executive session that you just add meets the criteria for an executive session.

529

01:03:39.900 --> 01:03:40.380

Town of Parish: that's my.

530

01:03:42.030 --> 01:03:52.260

Town of Parish: thing is, is that there's been a controversy within this board or a member of that is impressive now.

531

01:03:53.970 --> 01:04:00.000

Town of Parish: I got involved with the state he's been at my house State police and some other people.

532

01:04:01.620 --> 01:04:05.400

Town of Parish: Here here's some point to be made is that.

533

01:04:06.450 --> 01:04:07.500

Town of Parish: The State police.

534

01:04:09.390 --> 01:04:09.990

Town of Parish: The town.

535

01:04:11.640 --> 01:04:13.710

Town of Parish: town or proposal Jason.

536

01:04:14.850 --> 01:04:27.330

Town of Parish: State election law clearly stating know why i'm like and it should be a black man, but it can last night when.

537

01:04:28.470 --> 01:04:29.340

Town of Parish: Mrs.

538

01:04:30.870 --> 01:04:37.260

Town of Parish: But these counselors ya got a couple messages he knows a couple.

539

01:04:38.550 --> 01:04:43.530

Town of Parish: phone calls that kind of crap I gotta stop so.

540

01:04:48.210 --> 01:04:51.750
Town of Parish: Okay anything else yeah yes ma'am.

541
01:04:54.900 --> 01:04:55.260
Town of Parish: Oh.

542
01:05:01.530 --> 01:05:02.190
Town of Parish: yeah.

543
01:05:04.350 --> 01:05:05.310
Town of Parish: The visual.

544
01:05:06.600 --> 01:05:07.920
Town of Parish: For you.

545
01:05:10.500 --> 01:05:11.490
Town of Parish: People I mean.

546
01:05:14.700 --> 01:05:15.390
Town of Parish: He.

547
01:05:17.340 --> 01:05:19.920
Town of Parish: is no place for the audience.

548
01:05:21.630 --> 01:05:29.910
Town of Parish: Every professional just yet constables because nobody should have to take their place.

549
01:05:30.960 --> 01:05:31.920
Town of Parish: Saturday.

550
01:05:35.130 --> 01:05:35.670
Town of Parish: When.

551
01:05:39.060 --> 01:05:39.540
Town of Parish: The job.

552
01:05:40.860 --> 01:05:43.380
Town of Parish: Is not executive session we are able.

553
01:05:45.090 --> 01:05:49.440

Town of Parish: To perhaps before we go into that session we should check out what's.

554

01:05:51.660 --> 01:05:54.750

Town of Parish: Your timeline they are all going to.

555

01:05:56.130 --> 01:05:57.780

Town of Parish: be discussing the towns.

556

01:05:59.550 --> 01:06:03.120

Town of Parish: That everybody in this room is not.

557

01:06:04.680 --> 01:06:11.760

Town of Parish: The documents we received from the partner we're strictly for the board only boy and that's why.

558

01:06:12.630 --> 01:06:23.520

Town of Parish: And that's why we get an executive, now that it was discussing questions were answered it will be a public document as soon as they send it to us, and then the public and give them a copy of it.

559

01:06:25.080 --> 01:06:27.480

Town of Parish: Well okay i'm not arguing and just telling you.

560

01:06:29.190 --> 01:06:33.360

Town of Parish: Okay anybody else have a comment at this point.

Town of Parish: And needed emotion.

563

01:07:00.510 --> 01:07:01.560

Town of Parish: I need a second.

564

01:07:04.470 --> 01:07:07.770

Town of Parish: Also okay all in favor.

565

01:07:10.560 --> 01:07:16.500

Town of Parish: State we won't be very long and don't think we need to do the same thing okay.

566

01:07:18.480 --> 01:07:19.050

Town of Parish: Okay.

567

01:07:20.580 --> 01:07:21.090

Town of Parish: we're.

568

01:07:30.060 --> 01:07:30.540

Town of Parish: ready to go.

569

01:07:32.820 --> 01:07:34.140

Town of Parish: So there will be some tips area will be at least one vote that takes place after tomorrow exam.

572

01:07:52.440 --> 01:07:53.580

Town of Parish: don't do anything that.

573

01:08:02.280 --> 01:08:03.600

Town of Parish: I didn't ask for it this time.

574

01:08:26.340 --> 01:08:30.300

Town of Parish: hey the only people section right now prepares and.

575

01:08:34.860 --> 01:08:36.360

Town of Parish: stop worrying.

576

01:08:38.460 --> 01:08:39.780

Town of Parish: too long.

577

01:08:44.310 --> 01:08:56.460

Town of Parish: Okay there's two things first is accepting the auditor's report, I need emotion emotion, such as important, and I was like okay well.

578

01:08:58.620 --> 01:09:02.340

Town of Parish: We came out i'm sorry Kelly and eat foods that's by Richard and jam.

579

01:09:14.460 --> 01:09:15.060

Town of Parish: Yes.

580

01:09:19.980 --> 01:09:21.240

Town of Parish: Though you're still there.

581

01:09:24.120 --> 01:09:30.930

Town of Parish: is only the session right now shows his new new him, but let me put it out that he had a crushing.

582

01:09:33.900 --> 01:09:35.310

Town of Parish: It clicked on so.

583

01:09:38.460 --> 01:09:43.680

Town of Parish: number is still showing i'm sorry I don't have.

584

01:09:51.840 --> 01:09:55.260

Town of Parish: The phone number, then, is a three.

585

01:09:58.290 --> 01:09:59.040

Town of Parish: Yes.

586

01:10:03.540 --> 01:10:04.200

Town of Parish: Yes.

587

01:10:12.060 --> 01:10:15.780

Town of Parish: Before he didn't have to have everybody well just the material.

588

01:10:17.700 --> 01:10:22.560

Town of Parish: And the only thing it's called the heavens what they said in the paper and all that was the change.

589

01:10:25.080 --> 01:10:25.440

Town of Parish: Are.

590
