171

00:22:33.360 --> 00:22:33.870

Parish town/village: They.

172

00:22:41.340 --> 00:22:45.900

Parish town/village: Actually, that issue it doesn't pertain to earth is not really relevant with the others do.

173

00:22:47.130 --> 00:22:59.940

Parish town/village: In the Boards pointed that out and made a motion and Kevin being represented in London planning more should be paid as a thing, another issue with the joint planning was the.

174

00:23:01.410 --> 00:23:20.610

Parish town/village: money's going coming into the planning board the IMA shows if those monies to go to the Clerk and that process, not being followed, which is contrary to what the municipal agreement mistakes and emotional well that's going to result.

175

00:23:22.440 --> 00:23:29.790

Parish town/village: So she just need to be found that's what these agreements around me they don't seem to be implemented.

176

00:23:32.520 --> 00:23:34.140

Parish town/village: Within a reason supervisor.

177

00:23:35.970 --> 00:23:41.460

Parish town/village: According to the lot of the page you tell me if I own the process, I think.

178

00:23:42.600 --> 00:23:43.410

Parish town/village: You should know.

179

00:23:45.240 --> 00:23:49.890

Parish town/village: You know we're going to see today that I I sign in sheet that's a.

180

00:23:50.940 --> 00:23:55.830

Parish town/village: Good sign up so now that everything has to be carried out alternate fine, the reason.

181

00:23:56.970 --> 00:24:00.810

Parish town/village: I didn't read it, but there was a couple things that in most am not perfect.

182

00:24:02.310 --> 00:24:05.310

Parish town/village: will be so intimate space, and I will admit them when I shoot.

183

00:24:06.330 --> 00:24:06.540

Parish town/village: Over.

184

00:24:10.020 --> 00:24:13.830

Parish town/village: Time and now we have to work with what's there and.

185

00:24:15.090 --> 00:24:17.850

Parish town/village: But it says way too late and go on to you.

186

00:24:18.930 --> 00:24:30.720

Parish town/village: know no you're you're one person of the whole board, we made it way back way back to staff it didn't know the village.

187

00:24:34.530 --> 00:24:35.160

Parish town/village: or.

188

00:24:45.780 --> 00:24:47.010

Parish town/village: Emotions that change.

189

00:24:52.620 --> 00:24:56.670

Parish town/village: i'll make a motion to play anybody that the planning work takes it.

190

00:24:57.930 --> 00:25:01.350

Parish town/village: Was by procedure it goes to the color anything.

191

00:25:03.930 --> 00:25:04.710

Parish town/village: I said.

192

00:25:07.380 --> 00:25:19.200

Parish town/village: or done, yes, yes, yes providers, no, no, so there's two motions we didn't tell more one that we did enjoy more on so maybe.

193

00:25:21.390 --> 00:25:22.500

Parish town/village: we'll see.

194

00:25:23.970 --> 00:25:24.540

Parish town/village: I mean.

195

00:25:27.390 --> 00:25:29.070

Parish town/village: yeah very good yeah.

196

00:25:30.390 --> 00:25:30.750

Parish town/village: He.

197

00:25:38.490 --> 00:25:39.810

Parish town/village: anything of the other owners.

198

00:25:43.020 --> 00:25:43.380

Parish town/village: To.

199

00:25:44.700 --> 00:25:45.420

Parish town/village: Tell them.

200

00:25:47.520 --> 00:25:48.270

Parish town/village: That important.

201

00:25:51.930 --> 00:25:52.440

Parish town/village: Yes, it.

202

00:25:54.900 --> 00:26:03.180

Parish town/village: was a long time ago and the decision was it is to be issued to other than the village board.

203

00:26:04.620 --> 00:26:14.610

Parish town/village: And at the last board meeting, you said you were going to discuss against tells willing to pay the fees may for the counselor so that they can get in and get into the facts.

204

00:26:16.260 --> 00:26:18.000

Parish town/village: versus paid.

205

00:26:19.560 --> 00:26:23.250

Parish town/village: For because i'm big on whatever right but not.

206

00:26:24.390 --> 00:26:28.110

Parish town/village: But not everybody is so did you discuss that we.

207

00:26:29.280 --> 00:26:38.520

Parish town/village: live in their home part time and they managed to get the mobile phone, yes, we did discuss it and the decision was that there was no me didn't see me.

208

00:26:39.210 --> 00:26:54.600

Parish town/village: Some needed in her teeth and we get the issue before the kids getting out and that's where you get to go through when we do a lot because kids were all over the place, so we're trying to keep it tighter control on that and concern and.

209

00:26:57.210 --> 00:27:04.860

Parish town/village: board members in the town that need to commit to complicate it into a plan for every.

210

00:27:06.090 --> 00:27:22.320

Parish town/village: occasion and another 135 years old, Richard wants to know he lost his mailbox to get up and I keep yourself too many bad for him, but.

211

00:27:23.970 --> 00:27:33.780

Parish town/village: for whatever reason, we can't get anywhere to get into some really major ground overages you know anyways, but I do, but if someone puts it in there.

212

00:27:35.460 --> 00:27:43.680

Parish town/village: Man intentionally when you put some stuff and then nobody can get that it's all the villagers available to pull anything out of this right.

213

00:27:46.320 --> 00:27:49.560

Parish town/village: But he may never get back in and of itself.

222

00:29:12.240 --> 00:29:14.370

Parish town/village: records are going to don't hesitate and.

223

00:29:16.830 --> 00:29:29.220

Parish town/village: We just remember that okay so, then the next step, the next step is the security system so we're working on that and trying to get security for the judge and the clerks and.

224

00:29:30.570 --> 00:29:37.860
