146

00:15:56.790 --> 00:16:00.300

Town of Parish: We will get to the fund balance on the budget sheet it's in there.

191

00:21:09.030 --> 00:21:09.840

Town of Parish: yeah.

192

00:21:14.790 --> 00:21:15.300

Doug Jordan: yeah.

193

00:21:17.190 --> 00:21:22.740

Town of Parish: Yes, thank you okay reports is Craig.

194

00:21:25.770 --> 00:21:27.540

Town of Parish: Report to, but I just wanted to finish here.

195

00:21:35.100 --> 00:21:43.800

Town of Parish: Let me read it, because they don't have the trucks have been switched over to sands last brow combinations for the winner, we are in the process of switching over the spirit truck.

196

00:21:44.310 --> 00:21:54.990

Town of Parish: The check for the vista navistar man force engine settlement came in 1026 minutes or so remember when we put into that to see if we get some money back.

197

00:21:55.380 --> 00:22:06.720

Town of Parish: We spent almost 50,000 they gave us back 6684 86 somethings better than nothing, I worked on a lot of paperwork and made many phone calls to get that reimbursement and, yes, you did.

198

00:22:07.200 --> 00:22:19.380

Town of Parish: took a while to chips refund the second portion of chips was completed and submitted for December and the amount of \$30,815 and 93 cents can be lower than we thought hopefully this payment will get recorded.

199

00:22:19.710 --> 00:22:28.320

Town of Parish: in a timely fashion, so it goes in the correct year that's the one last year, we got 120 6000 I wasn't here the bookkeeper, of course, as you.

200

00:22:28.710 --> 00:22:39.690

Town of Parish: guys know left we'll get into why, and so, nobody was a deposit it in December, when I got back in January, it was in January, and unfortunately it should have been in.

201

00:22:40.050 --> 00:22:46.350

Town of Parish: The December one so that's what he's referring to, so if we get it in December, hopefully we'll get it in December and we'll put it in for this year.

202

00:22:46.950 --> 00:22:55.680

Town of Parish: it's not as much as we had last year, but I guess it's better than nothing so that's credit report if you have questions on that one give him a call you all have his phone number right.

203

00:22:57.630 --> 00:22:57.960

Town of Parish: Right.

204

00:23:09.210 --> 00:23:11.700

Town of Parish: So they crumble at.

205

00:23:16.110 --> 00:23:17.910

Town of Parish: The action is in.

206

00:23:19.620 --> 00:23:24.990

Town of Parish: The Board and alarms order the car you gotta you gotta military.

207

00:23:34.830 --> 00:23:41.340

Town of Parish: We already did that I thought he already we already gave him permission to do it when we accepted the grant usda grant.

208

00:23:44.610 --> 00:23:45.510

Town of Parish: We did.

209

00:23:50.970 --> 00:23:57.480

Town of Parish: Okay, I thought he did it already is everybody okay with that yeah okay sorry.

210

00:23:59.400 --> 00:24:06.150

Town of Parish: Okay code enforcement, yes, Mr burns for my report and a couple questions to ask the board.

211

00:24:06.780 --> 00:24:24.360

Town of Parish: or kindness, I first of all i'd like you guys somehow tonight I know she has discussion the advertisements on her agenda to myself, which I just wanted to remind you to do that, but also possibly for a bookkeeper so that we get to get ahead of the game on January 1.

212

00:24:25.890 --> 00:24:29.160

Town of Parish: word was very you know I didn't know that you're going to be looking for one.

213

00:24:30.600 --> 00:24:36.720

Town of Parish: that's why I didn't put it down because we have one I didn't know your bookkeeper is appointed by.

214

00:24:37.890 --> 00:24:42.750

Town of Parish: Tom supervisor, I will be looking for one doesn't mean I mean I interview your career.

215

00:24:43.620 --> 00:24:50.730

Town of Parish: But I just want to advertise for one i'd like to do it early so that I can have one come January 1 don't disagree.

216

00:24:51.180 --> 00:24:57.360

Town of Parish: Remember that in the future, when you try to work that with the board, because they wouldn't do that and certain things but good that's a good idea okay.

217

00:24:58.080 --> 00:25:16.050

Town of Parish: got it yep the next one is I have Amish people that are looking to build and run mill road they approached me a couple times over the last couple weeks, and then they finally came in, with some plans and they were established a fee for an homage fill.

218

00:25:17.520 --> 00:25:24.090

Town of Parish: In certain towns up North they charge half the price of the permanently due to the fact that they don't have.

219

00:25:24.960 --> 00:25:33.360

Town of Parish: They don't have electrical they don't have the installation that you have to expect all these things I don't have to do and that's why they're looking for production.

220

00:25:33.690 --> 00:25:41.400

Town of Parish: So it's up to you guys as the board i'd like you to come up whether I charged with full price don't give them a little bit of.

221

00:25:41.850 --> 00:25:58.140

Town of Parish: You know, great advice to the quarter price you guys come up with that I can set with me they just asked me to come before if you want to leave it the way it is then I charge them, the way it is and that's just a question as we move further i'm going to have more people moving in.

222

00:25:59.460 --> 00:26:13.410

Town of Parish: With these religious beliefs, how I just want to see what you guys want to do with I can't I can't move one on my own so just wanted to check and see what you have you guys follow that you want to do it if you don't want to do it totally up to the board said that very.

223

00:26:14.850 --> 00:26:21.720

Town of Parish: Short what separates the Amish building something from me, religious leaders.

224

00:26:23.790 --> 00:26:31.230

Town of Parish: Are they willing to church no building their home and due to their religious beliefs don't have to follow your staple.

225

00:26:32.310 --> 00:26:42.480

Town of Parish: Some of the codes, because they don't have electricity they don't like I said they don't have running water, so it's a whole different schema and the research on last month through that.

226

00:26:44.790 --> 00:26:49.980

Town of Parish: nothing but they're saving and the cost as well, when they build that because they don't have to put those in.

227

00:26:50.430 --> 00:26:57.270

Town of Parish: So what suddenly would normally put in electric heat water whenever we pay with money shouldn't come into.

228

00:26:57.780 --> 00:27:03.330

Town of Parish: A discussion as to college you just have to set the fee because of how many inspections, I have to do.

229

00:27:03.600 --> 00:27:10.770

Town of Parish: I understand that what i'm looking at, as if it cost me 100,000 to build this House which includes water electric gas, whatever it is.

230

00:27:11.160 --> 00:27:22.170

Town of Parish: And it costs them the same House to build 50,000 there's a huge savings because they're not putting those pieces in, so why should that affect our giving them a permit to do it, but.

231

00:27:23.040 --> 00:27:31.650

Town of Parish: I know i'm explaining where i'm coming from gym so that's why I love you to do something as money you can't charge them more person.

232

00:27:33.000 --> 00:27:43.800

Town of Parish: doesn't have money you can charge less i'm telling you there's muscle inspections that I have to do and I were talking and you can decide amongst yourselves, what do you want to do with it.

233

00:27:44.490 --> 00:27:54.150

Town of Parish: i'm not seeing any of money or not doesn't matter if they have money in that they're building what they want, what i'm saying is because it costs them less to put the same structure up because they have less stuff in it.

234

00:27:54.360 --> 00:28:09.270

Town of Parish: doesn't mean necessarily that the town has to look at and say, well, because it's the same structure we can charge you less because you're you have a religious belief in him more because he doesn't like that's what i'm sitting with me and discussion amongst each other okay.

235

00:28:12.210 --> 00:28:21.870

Town of Parish: I know you said was rated in the EPA January meeting, but do you have to tell them before that yeah they want, they want to get a building permit okay i'm meeting with them again tomorrow.

236

00:28:22.260 --> 00:28:31.080

Town of Parish: And the only reason is because I told him I met with him on Monday and I told him that I was meeting with you guys on Thursday and I asked him I said it's totally up to the moral, but we want to do.

237

00:28:31.860 --> 00:28:44.010

Town of Parish: Is it will consider building permit let's just say it's \$100 and and you have to have for inspections which is kind of like \$25 and then it's time.

238

00:28:45.480 --> 00:28:47.520

Town of Parish: To look at her.

239

00:28:48.930 --> 00:28:49.560

Town of Parish: math.

240

00:28:53.610 --> 00:29:01.470

Town of Parish: Like building a garage will be cheaper and then they codes wise and building a house correct.

241

00:29:01.830 --> 00:29:09.600

Town of Parish: And that is our accessory structures are already any fun and have a little space and parishes charging 30 cents a square foot.

242

00:29:09.840 --> 00:29:19.050

Town of Parish: where's habitable is 40 cents a square foot and then our accessory buildings are 25 cents a square foot, so if you're building a Pole barn 25 cents a square foot.

243

00:29:19.590 --> 00:29:28.470

Town of Parish: you're building a home with the garage part of it is 40 cents, the garage that's attached with it is 30 sites and that's how we figure out the goal is by square footage.

244

00:29:30.090 --> 00:29:40.710

Town of Parish: You build them back and 50 bucks so because we don't go by square footage until certain items have a set price and others don't so these guys are building a home.

245

00:29:41.130 --> 00:29:50.640

Town of Parish: With an accessory structure attached, and so they just want to have something different, because, like I said they don't have all these inspections, I have to do.

246

00:29:51.660 --> 00:30:03.390

Town of Parish: i'm here for two new guys and tell them, you might even know my My opinion is that done, I think that, whatever the rates are for the structure.

247

00:30:04.170 --> 00:30:21.030

Town of Parish: it'd be like you said it was seven something we should stay extra special for us because you know you don't want to use water, because any place down the road you decide to sell their house and somebody buys it that's not an average person.

248

00:30:23.400 --> 00:30:26.130

Town of Parish: And everything you know what i'm saying like I said.

249

00:30:27.630 --> 00:30:31.230

Town of Parish: A religious thing I don't you assist Illinois no.

250

00:30:32.280 --> 00:30:35.520

Town of Parish: Support that's just my opinion that's that's what I love.

251

00:30:37.290 --> 00:30:41.400

Town of Parish: That word worded i've been able to go to Japan, where they go.

252

00:30:42.450 --> 00:30:50.970

Town of Parish: Right I don't need a pretty much stay updated with what's on it right well the gentleman I spoke with hold, of course, that officer.

253

00:30:51.240 --> 00:30:51.750

Town of Parish: And now, he.

254

00:30:52.110 --> 00:31:02.010

Town of Parish: told me he doesn't have price, the one thermal told me go full price and i'm just looking in the US to do from now and in the future.

255

00:31:02.580 --> 00:31:15.210

Town of Parish: You know, because once we started going to leave it there are a lot of changes again here sometime right, what if these guys these guys if they change in January, my vote is full price that's what I decide.

256

00:31:16.230 --> 00:31:16.470

Town of Parish: I.

257

00:31:17.250 --> 00:31:20.610

Town of Parish: agree, I agree with you john.

258

00:31:25.890 --> 00:31:26.490

Town of Parish: Thank you.

259

00:31:28.080 --> 00:31:29.310

Town of Parish: Okay now your report.

260

00:31:30.690 --> 00:31:34.500

Town of Parish: that's correct when I read you my report for October.

261

00:31:35.760 --> 00:31:48.450

Town of Parish: during the month of October 2024 new building permit expression 18 building inspectors were forum three building permits were closed out to building permits were extended and three violations we're.

262

00:31:49.500 --> 00:31:50.310

Town of Parish: Also during.

263

00:31:57.330 --> 00:32:03.780

Town of Parish: Their initial inspections to town and those monthly meetings were attending that I told her as well as the planning word.

264

00:32:04.140 --> 00:32:18.540

Town of Parish: The revenues for the month of October building permits brought in \$1,813 and 50 cents zoning permits were nothing, so we have a total for October \$1,813 and 50 cents.

265

00:32:18.840 --> 00:32:29.040

Town of Parish: I also tell me more eight miles in the month of October before me, my duties that ends my October 2021 more any questions for Jim.

266

00:32:31.380 --> 00:32:31.800

Town of Parish: Thank you.

267

00:32:34.140 --> 00:32:40.500

Town of Parish: Okay, you got a copy of the town justice report for the monies he brought in for the month of.

268

00:32:41.550 --> 00:32:42.060

Town of Parish: November.

269

00:32:43.410 --> 00:32:46.980

Town of Parish: \$2,019 which was all ours, but it's not.

270

00:32:50.400 --> 00:32:52.530

Town of Parish: Tell clinics report you got that as well.

271

00:32:55.710 --> 00:32:57.180

Town of Parish: Any questions on that one.

272

00:33:19.470 --> 00:33:21.210

Town of Parish: The organization will be all in.

273

00:33:22.950 --> 00:33:23.220

Town of Parish: Every.

274

00:33:25.740 --> 00:33:29.010

Town of Parish: day for my 2022 at the turning stone event Center and.

275

00:33:31.260 --> 00:33:34.740

Town of Parish: We were in active negotiating.

276

00:33:37.260 --> 00:33:37.620

Town of Parish: The whole.

277

00:38:38.910 --> 00:38:43.560

Town of Parish: Well that'll have to be up to the town and how they care to implement that and.

317

00:38:44.250 --> 00:38:52.740

Town of Parish: In some cases, the town may have the abilities and they if they don't they may have to develop the ability to turn documents into.

318

00:38:53.190 --> 00:39:03.930

Town of Parish: Postal documents and they may need to learn how to post it themselves or they may be able to post it or give it to me, in some cases too much, but you're going to.

323

00:39:26.670 --> 00:39:30.690

Town of Parish: want to start with the battle with into effect today.

324

00:39:36.300 --> 00:39:43.350

Town of Parish: In New York state, as of today, all these papers be posted four hours before any needed.

325

00:39:45.090 --> 00:39:56.700

Town of Parish: Online yeah while back to that what we didn't do right not following the law So what are the consequences if you don't follow that law if we don't.

326

00:40:00.480 --> 00:40:08.910

Town of Parish: Because it's a temporary on has to follow me I can't tell you what the consequences would be well we didn't so that's what she's asking.

327

00:40:12.150 --> 00:40:22.740

Town of Parish: me all this information and like to show that this is what we're going to be discussing plus saw this at the meeting tonight coin into that line that was whatsoever, yes, yes.

328

00:40:23.520 --> 00:40:38.190

Town of Parish: State they told us it was effective in doing that everything is deemed to be proper legal unless a court of law tells it tells the township that it was a okay okay.

329

00:40:40.440 --> 00:40:40.950

Town of Parish: Is there any.

330

00:40:46.080 --> 00:40:58.020

Town of Parish: kind of y'all for us that the law and i've got a copy blogger, wants to see if it does say is show me more on the website TV as practicable now another.

331

00:40:58.530 --> 00:41:12.360

Town of Parish: New timeframe and 24 hours if you didn't have previously, as determined by add to your department so and also thinking that is going to be based on your ability to do things see.

332

00:41:13.710 --> 00:41:15.030

Town of Parish: Things that.

333

00:41:17.850 --> 00:41:18.570

Town of Parish: have come up.

334

00:41:19.980 --> 00:41:21.330

Town of Parish: We can do that yeah.

335

00:41:24.210 --> 00:41:24.630

Town of Parish: well.

336

00:41:29.520 --> 00:41:36.330

Town of Parish: Legal install unless, of course, the law says it's Okay, thank you she's she's asking me.

337

00:41:37.740 --> 00:41:40.230

Town of Parish: I say she was asking the question that means third.

338

00:41:43.230 --> 00:41:44.490

Town of Parish: Because it's law.

339

00:41:45.900 --> 00:42:01.260

Town of Parish: The consequences are for lack of action so so familiar with brought into a court of law, which is where it gets to be determined, then we have to abide by the Statute that's expected that covers this sufferings that situation.

340

00:42:02.280 --> 00:42:04.020

Town of Parish: So until somebody lines.

341

00:42:05.100 --> 00:42:08.520

Town of Parish: So as well, so as long as nobody complains that.

342

00:42:11.310 --> 00:42:15.480

Town of Parish: Was that was support gets into working in he has to make a ruling.

343

00:42:27.690 --> 00:42:30.660

Town of Parish: Okay, Simon all set I.

344

00:42:35.490 --> 00:42:41.700

Town of Parish: was like that that are new until they go to court and there's some kind of precedent set.

345

00:42:43.110 --> 00:42:51.240

Town of Parish: The punishment, they really don't know yet i'm not even looking at the punishment, the fact that it's got to be posted 24 hours before tonight.

346

00:42:51.660 --> 00:43:06.360

Town of Parish: is not possible for everything i'm sorry I just do the agenda last night at 930 finishing that to bring it in today and the and the vouchers, and things were yesterday we didn't get those done till four o'clock so i'm using those as an example.

347

00:43:07.470 --> 00:43:10.110

Town of Parish: that's why I mean if you're asking for this stuff that.

348

00:43:11.850 --> 00:43:13.230

Town of Parish: I don't know who's going to be able to do it.

349

00:43:13.290 --> 00:43:14.580

Town of Parish: Jim good luck.

350

00:43:16.440 --> 00:43:33.150

Town of Parish: Okay um let's see that was a cigarette and we did not get an assessment report just you know she's had to do court dude court Supreme Court or why so she hasn't been available to do her reports I didn't get anything from her and for your company given.

Town of Parish: Other phone calls a month 20 1453 now.

355

00:44:07.980 --> 00:44:09.840

Town of Parish: For scaling out for months.

356

00:44:10.980 --> 00:44:24.600

Town of Parish: Now hundred 1444 we are 180 or \$389 for the year in our all time highs the history of our company know.

357

00:44:28.290 --> 00:44:28.800

Town of Parish: me.

358

00:44:31.530 --> 00:44:37.320

Town of Parish: A lot with comments regarding covered actually we've had some little bit all.

359

00:44:40.500 --> 00:44:42.600

360

00:44:45.900 --> 00:44:46.980
Town of Parish: morning really you.

361
00:44:49.800 --> 00:44:50.610
Town of Parish: scared people.

362
00:44:52.080 --> 00:44:55.920
Town of Parish: This year we got we got a lot of what it is, I talked to
a.

363
00:45:01.830 --> 00:45:03.900
Town of Parish: lot luck so nobody's.

364
00:45:06.840 --> 00:45:07.380
Town of Parish: Coming up.

365
00:45:09.090 --> 00:45:11.430
Town of Parish: With the fire department, with all the expenses.

366
00:45:12.540 --> 00:45:12.930
Town of Parish: Because.

367
00:45:14.490 --> 00:45:22.050
Town of Parish: it's not just a rough estimate the cost of fire
departments \$6,000 \$1,000 what added expenses because.

368
00:45:23.280 --> 00:45:24.540
Town of Parish: we're not directly.

369
00:45:28.710 --> 00:45:30.150
Town of Parish: overhead prices.

370
00:45:33.240 --> 00:45:38.970
Town of Parish: And I did get some relief from home county yeah what it
was like counting.

371
00:45:41.400 --> 00:45:43.170
Town of Parish: On are financially we.

372
00:45:44.310 --> 00:45:47.160
Town of Parish: come up with money just gone.

373

00:45:48.420 --> 00:45:48.960

Town of Parish: loves.

374

00:45:51.150 --> 00:45:59.370

Town of Parish: Why, I was asking is because of the budget remember we're talking about it that just check that we got from the Federal Government to cover some expenses and cold when.

375

00:46:00.510 --> 00:46:04.800

Town of Parish: It wasn't a legit what the fire department is requesting.

376

00:46:05.400 --> 00:46:14.340

Town of Parish: Okay, was there some of that increase was that related to coven so it wouldn't change it to the fire department beginning right, but it was changing of how much.

377

00:46:14.670 --> 00:46:21.030

Town of Parish: of it is tax revenue that has to be generated or how much is that can we use out of that check the cover you know me certainly look like.

378

00:46:22.140 --> 00:46:25.410

Town of Parish: Right Okay, thank you very well.

379

00:46:26.760 --> 00:46:27.900

Town of Parish: That would be good, that would be.

380

00:46:29.910 --> 00:46:32.460

Town of Parish: But will it change the budget flying.

381

00:46:33.540 --> 00:46:34.050

Town of Parish: know.

382

00:46:35.430 --> 00:46:35.790

Town of Parish: This is.

383

00:46:37.140 --> 00:46:47.190

Town of Parish: What they it could change the budget is budget as far as I know, that's not what we gotta get from people on the taxes and what we can take out of that money to cover.

384

00:46:47.610 --> 00:46:55.770

Town of Parish: The increase you know i'm saying, maybe get the same amount, I know what you're saying, but it's not I don't think that's what he means but that's why you want to say.

385

00:46:56.820 --> 00:47:08.880

Town of Parish: Yes, right but one talking about is how we get what you're saying air PA of budget and i'm assuming it's going to be the budget but that's okay we'll get to it later yeah anything else from for lj.

386

00:47:10.980 --> 00:47:22.410

Town of Parish: No, thank you Jay okay all business i'm still waiting for bank Council and fiscal advisors paperwork to complete that packet for the usda grant Where are you there.

387

00:47:23.310 --> 00:47:31.860

Town of Parish: I don't know what the holdup is they've got a file get that paperwork put together i've got to find science 700 copies or whatever it is, and i'm still waiting for it.

388

00:47:32.130 --> 00:47:41.850

Town of Parish: i'll talk to Jay grass so again he's the grant writer he's the one that helped us get this he's the one that's been on them to try to get them to do it it's been three months to three months since we've approved it.

389

00:47:42.270 --> 00:47:47.820

Town of Parish: So i'm still waiting to get that people to sign it to finalize up just so you know okay.

390

00:47:49.020 --> 00:48:02.070

Town of Parish: aarp a information when the auditor was here Member Greg Evans and he said that he was helping different towns with the APA information we asked him to help us out.

391

00:48:02.610 --> 00:48:14.460

Town of Parish: I have not heard one word from him and I called his office and said, would you remind him that we're looking for some information and a cost factor, and I have not heard back from him, just so you know.

392

00:48:15.660 --> 00:48:25.710

Town of Parish: Okay, for your company agreement, Mr ganache That was one that we've been trying to get squared away for three years, at least that i've been on as supervisor.

393

00:48:26.760 --> 00:48:27.510

Town of Parish: and

394

00:48:29.310 --> 00:48:32.430

Town of Parish: There was another piece, and I think this one everybody.

395

00:48:35.610 --> 00:48:39.810

Town of Parish: I you gotta Pack and hear from us to be man everybody email I hope.

396

00:48:41.580 --> 00:48:47.970

Town of Parish: You wanted us to discuss that there's a piece in the contract or the agreement that holds the town.

397

00:48:48.960 --> 00:48:53.820

Town of Parish: If I read it correctly holds the town accountable and we should not be held accountable.

398

00:48:54.150 --> 00:49:05.040

Town of Parish: It should be taken out and we have a little difference of opinion on that, when the insurance company says take it out, are there says leave that and Mr burnett has been working on it, but we're not to where we.

399

00:49:05.640 --> 00:49:17.700

Town of Parish: Have language yet finalized, so the fire company will not change the language so you you sign as is or refuse, you would have to find those services outside the town, if I if we refuse it.

400

00:49:18.510 --> 00:49:25.740

Town of Parish: Our insurance set out the circumstances if we sign it, as presented he suggested that we talked about it so.

401

00:49:27.270 --> 00:49:29.040

Town of Parish: i'll give him more time to work on it.

402

00:49:30.720 --> 00:49:32.520

Town of Parish: Is that right me go ahead and.

403

00:49:35.040 --> 00:49:40.080

Town of Parish: email i'm not sure i'm not sure that we're going to accept that universal.

404

00:49:41.670 --> 00:49:42.180

Town of Parish: speak with.

405

00:49:46.470 --> 00:49:54.030

Town of Parish: The pain of our returns yeah because I mean we supposed to be doing what's best for the people in a phone in the town.

406

00:49:54.270 --> 00:50:05.940

Town of Parish: The way it reads it sounds like the town, would be the one held accountable versus the fire department, and I think the shoe supposed to be, on the other foot, as far as the people can just so you're going to check into that further Okay, because that contract is due.

407

00:50:07.020 --> 00:50:09.150

Town of Parish: The end of December will sign up normally.

408

00:50:10.260 --> 00:50:18.450

Town of Parish: Okay, so, if you would appreciate it, maybe we can get it resolved before the next meeting in December, everybody okay with that okay thanks Bob.

409

00:50:22.980 --> 00:50:39.300

Town of Parish: We talked about this advertising for certain positions, we need to work part time clerks to take minutes, with different committees code enforcement officer, since Mr Brutus was elected town supervisor congratulations so we're going to be looking for that.

410

00:50:40.320 --> 00:50:45.690

Town of Parish: We have a bar position that's vacant and we now have a bookkeeper position you are advertised.

411

00:50:46.980 --> 00:50:49.380

Town of Parish: Anything else I can't think of anything else.

412

00:50:52.620 --> 00:50:59.340

Town of Parish: Ah, all the village is going to have to do that because you're a village REP for the planning board right, so the village, yes to do that.

Town of Parish: No okay i'll entertain a motion to have the town clerk advertise for those positions as soon as possible.

421

00:52:12.870 --> 00:52:13.950

Town of Parish: I need emotion.

422

00:52:18.120 --> 00:52:18.870

Town of Parish: Hello.

423

00:52:22.350 --> 00:52:23.520

Town of Parish: holy cow.

424

00:52:25.980 --> 00:52:26.550

Town of Parish: i'm sorry.

425

00:52:29.850 --> 00:52:30.870

Town of Parish: I need a second.

426

00:52:33.330 --> 00:52:34.380

Town of Parish: I need a drink.

427

00:52:35.790 --> 00:52:41.190

Doug Jordan: I think the only one we should energized for right now the bookkeeper that the new board deal with the rest.

428

00:52:42.180 --> 00:52:48.600

Town of Parish: Will they will deal with the rest once the applications come in, but at least we could get ahead of the game and try to get them ahead of time.

429

00:52:48.660 --> 00:52:49.110

Doug.

430

00:52:50.490 --> 00:52:55.980

Town of Parish: So he's personally my position, we need somebody January 1 I can't do both jobs Oh, really.

431

00:52:57.060 --> 00:53:01.170

Town of Parish: Okay, no so I did you did you second again.

432

00:53:02.190 --> 00:53:06.660

Town of Parish: Okay, any other discussion roll call vote, please.

433

00:53:24.690 --> 00:53:25.260

Doug Jordan: No.

434

00:53:28.590 --> 00:53:31.170

Town of Parish: wow you guys yes.

435

00:53:32.940 --> 00:53:38.610

Town of Parish: So please do that as soon as possible, thank you okay new business, we already did a.

436

00:53:39.660 --> 00:53:44.670

Town of Parish: i'll entertain a motion to override the 2% tax cap of the 2022 town budget.

437

00:53:46.380 --> 00:53:48.900

Town of Parish: Hearing the word no questions, so I need emotion.

438

00:53:54.990 --> 00:53:57.540

Town of Parish: Okay, I need a second.

439

00:53:59.130 --> 00:54:07.020

Town of Parish: Okay, Paul, can you explain that, if this doesn't pass, what happens if we don't approve the tip the override.

440

00:54:09.390 --> 00:54:12.660

Town of Parish: you're right yeah well.

441

00:54:17.340 --> 00:54:18.060

Town of Parish: No more.

442

00:54:19.980 --> 00:54:24.360

Town of Parish: collect with last year with a small factor that.

443

00:54:26.490 --> 00:54:28.290

Town of Parish: Basically anything.

444

00:54:32.070 --> 00:54:32.370

Doug Jordan: That.

445

00:54:37.560 --> 00:54:38.070

Town of Parish: You have.

446

00:54:40.680 --> 00:54:41.130

Town of Parish: reserved.

447

00:54:42.630 --> 00:54:43.200

Next year.

448

00:54:44.340 --> 00:54:46.350

Town of Parish: So we'd be short money from what we.

449

00:54:47.880 --> 00:54:48.900

Doug Jordan: they marry him.

450

00:54:49.290 --> 00:55:05.820

Doug Jordan: Yes, question for you can we do that at the end, and so we can see where the budget is right now and and then what we're going to do with a budget and maybe we don't if we could just put that off to the end, and then we can he will pretend we are after we pass a budget.

451

00:55:07.530 --> 00:55:13.080

Town of Parish: I believe you have to pass up before you pass the budget is that correct Paul yeah so you can't.

452

00:55:13.290 --> 00:55:18.270

Town of Parish: It doesn't mean you have to use it dog if we decide to lower stuff and it's less than we don't have to do.

453

00:55:18.270 --> 00:55:27.180

Town of Parish: It, but if we do end up going over as long as we've passed it we're we're safe, so we have to do that, first, before we start talking the project.

454

00:55:29.880 --> 00:55:31.500

Town of Parish: Did I get a motion and a second.

455

00:55:32.520 --> 00:55:36.000

Town of Parish: Yes, okay any other questions on the the.

456

00:55:37.260 --> 00:55:39.210

Town of Parish: overriding the 2% tax CAP.

457

00:55:40.530 --> 00:55:41.760

Town of Parish: roll call vote, please.

458

00:55:43.560 --> 00:55:43.980

Yes.

459

00:55:49.080 --> 00:55:49.860

Town of Parish: Yes.

460

00:55:52.050 --> 00:55:52.650

Doug Jordan: Yes.

461

00:55:55.260 --> 00:55:56.400

Town of Parish: Yes, thank you.

462

00:55:57.630 --> 00:55:58.170

Town of Parish: Okay.

463

00:55:59.670 --> 00:56:06.060

Town of Parish: Okay now we're going to go into the big budget budget discussion before we motion to approve that we're going to go through.

464

00:56:07.080 --> 00:56:11.910

Town of Parish: line by line everybody says that we don't do this, and I should say everybody.

465

00:56:13.500 --> 00:56:22.890

Town of Parish: it's been implied that we don't do this so just so that everybody knows what the budget is unfortunately you guys don't have this but i'll read it, for you know what it is okay.

466

00:56:24.030 --> 00:56:24.600

Town of Parish: Everybody.

467

00:56:26.250 --> 00:56:26.760

Town of Parish: I hope.

468

00:56:28.860 --> 00:56:30.930

Town of Parish: All right, page.

469

00:56:32.340 --> 00:56:33.180

Town of Parish: one.

470

00:56:39.030 --> 00:56:42.540

Town of Parish: The only thing that's changed from the one that wasn't on November 4 is.

471

00:56:43.620 --> 00:56:49.770

Town of Parish: The fourth column over third column or the one that says less one balance and appropriated reserve.

472

00:56:50.940 --> 00:56:51.960

Town of Parish: 123 fourth.

473

00:56:51.960 --> 00:56:54.690

Town of Parish: Line down, it was 84,000 something it's now.

474

00:56:54.690 --> 00:57:13.380

Town of Parish: 100,452 that's how much we have to pay back for that ran hundred thousand we bout the interest is 452 I call the Bank to see if they would allow us to pay it earlier, which would mean we could pay it

this year was a little less interest but because it's it is and again, like the word.

475

00:57:14.430 --> 00:57:19.920

Town of Parish: Man callable they won't change that so I can't so it's due next May.

476

00:57:20.460 --> 00:57:28.560

Town of Parish: And it will be total hundred thousand 452 so that's why that dollar amount is in there, instead of the 84,000 that we had put in and the last one.

477

00:57:29.010 --> 00:57:36.210

Town of Parish: What you can do is you can encumber up so that it's not going anywhere else it's not going to be spent anywhere else, so that when it's doing May.

478

00:57:36.750 --> 00:57:45.990

Town of Parish: The money's in there we have it with the fund balances that we have we have enough in there, so that we're eliminating completely that \$215,000 debt.

479

00:57:46.230 --> 00:57:54.030

Town of Parish: That I inherited back in 2018 even though people are saying that I caused it I didn't cause it I inherited it when I became supervisor.

480

00:57:54.360 --> 00:58:02.760

Town of Parish: It took me three years us and it's gone instead of five we hope to do it within five, but we have been lucky enough to do it within three so it's gone.

481

00:58:03.000 --> 00:58:17.250

Town of Parish: The highway department will not have that debt to have to replay next year the savior appreciate that, but just you know so that's why that number is different okay so that's the hundred thousand 452.

482

00:58:19.050 --> 00:58:19.830

Town of Parish: Ah.

483

00:58:21.210 --> 00:58:21.780

let's see.

484

00:58:23.250 --> 00:58:24.600

Town of Parish: The video came with page one.

485

00:58:27.420 --> 00:58:28.380

Town of Parish: page two.

486

00:58:32.160 --> 00:58:36.030

Town of Parish: Any questions and that one well i'm getting old I don't know.

487

00:58:38.790 --> 00:58:41.220

Town of Parish: But I don't want to turn the heat down we won't be or hear anything.

488

00:58:43.260 --> 00:58:44.880

Town of Parish: And we have questions on page to.

489

00:58:49.320 --> 00:58:52.050

Town of Parish: Page three we're getting into the line items now.

490

00:58:53.460 --> 00:59:01.290

Town of Parish: I just did a board 16,000 is looking at lowering salaries, because of.

491

00:59:02.340 --> 00:59:03.870

Town of Parish: Lack of experience.

492

00:59:05.880 --> 00:59:17.700

Town of Parish: Not ever have in the position before that's one of them you've got two new people coming on so that could be load from 16 to whatever you got two new people coming in.

493

00:59:20.700 --> 00:59:23.670

Town of Parish: Yes, no, no, leaving at six.

494

00:59:26.220 --> 00:59:36.120

Town of Parish: didn't say that, but their new I understand nap what you're using it as another point for some another line and asking the question so 16,000 you're leaving it at that.

495

00:59:36.780 --> 00:59:47.340

Town of Parish: Okay, just remember this can't be arbitrary and capricious it's got to be the same for everybody, or you can't do a legislative contractual 2000 we left there the same.

496

00:59:49.470 --> 00:59:54.900

Town of Parish: Just us we raised him \$1,000 from last year he went from 15 to 16.

497

00:59:56.190 --> 00:59:58.410

Town of Parish: If there's an objection I need you to say something.

498

00:59:59.610 --> 01:00:04.080

Town of Parish: The clerk for the justice we raised that one from 10 to 11.

499

01:00:06.510 --> 01:00:20.370

Town of Parish: The bailiffs we went from 5250 to 5500 we raised it 250 bucks the justice equipment is 900 we went from what's the same six 900 to 900.

500

01:00:22.410 --> 01:00:24.240

Town of Parish: Contractual justice, it was.

501

01:00:25.290 --> 01:00:28.050

Town of Parish: We just we just put it at 53.

502

01:00:29.400 --> 01:00:33.990

Town of Parish: I lied it was 51 we raised it to 53 so we went up 200 bucks.

503

01:00:35.310 --> 01:00:36.420

Town of Parish: Okay bail a.

504

01:00:37.440 --> 01:00:55.350

Town of Parish: contraction contractual 250 that offsets the cost of they're doing a training and it's like 50 bucks apiece that we give each one of them supervisors, we went from 16 to 16 again that's a new position, a new person, are you looking to lower that because of no experience.

505

01:00:56.820 --> 01:00:58.890

Town of Parish: understood, but, as you know, experience.

506

01:00:58.950 --> 01:00:59.400

Okay.

507

01:01:01.140 --> 01:01:09.870

Town of Parish: deputy supervisor \$1,000 that's the same supervisors clerk that 750 that's the same.

508

01:01:11.820 --> 01:01:13.740

Town of Parish: that's also contracts from.

509

01:01:14.820 --> 01:01:16.380

Town of Parish: Now contractual so what I want.

510

01:01:17.550 --> 01:01:19.890

Town of Parish: Okay, I think of it after that's true you appoint.

511

01:01:22.020 --> 01:01:29.070

Town of Parish: can't think of the word okay supervisors equipment, we drafted at 500 someday we're going to get a new.

512

01:01:30.330 --> 01:01:38.940

Town of Parish: Computer right Paul that'll have to be raised, if you need a new computer for next not next year, but the year after the hard drive the big guy you.

513

01:01:40.140 --> 01:01:42.570

Town of Parish: Know it's the same actual production, no it's the same.

514

01:01:43.680 --> 01:01:52.710

Town of Parish: equipment is the same 500 yeah I left at the same, but if you want a computer that's where it'll go you're gonna have to raise that the following year.

515

01:01:55.740 --> 01:01:56.820

Town of Parish: Well it's up to the board.

516

01:02:03.810 --> 01:02:04.560

Doug Jordan: area.

517

01:02:04.680 --> 01:02:06.270

Town of Parish: yeah i've been here for four years.

518

01:02:12.990 --> 01:02:19.020

Town of Parish: it's at least four years old, and I think Steve probably had it for at least a couple years and for the I don't know.

519

01:02:22.020 --> 01:02:24.600

Town of Parish: Okay well it's been at least for this year would be five.

520

01:02:25.650 --> 01:02:26.250

Town of Parish: Before.

521

01:02:27.990 --> 01:02:35.610

Town of Parish: theaters on talking about program for decent shot though no more than five years.

522

01:02:36.000 --> 01:02:51.330

Town of Parish: don't disagree Jamba we haven't had the fund balance to do it, this is the first time I can't tell you how many years that we finally have a fund balance so we can look at doing that is the board interested in raising their from 500 to Paul, what do you think, because this is the heart.

523

01:02:51.450 --> 01:02:53.220

Town of Parish: The big guy that's not a laptop.

524

01:03:00.960 --> 01:03:02.100

Town of Parish: For yeah.

525

01:03:05.580 --> 01:03:07.680

Town of Parish: Is 1000 enough, I have no idea.

526

01:03:10.080 --> 01:03:23.430

Town of Parish: Is there is there enough money left over under the trash in the trash yeah now it's got 500 button, you know so we're we're looking are you looking to raise it do you want to raise it to 1000.

527

01:03:24.720 --> 01:03:25.860

Town of Parish: Do you think that'll do it.

528

01:03:29.250 --> 01:03:31.710

Town of Parish: Okay, do you want to raise it to 1000.

529

01:03:32.760 --> 01:03:33.180

Town of Parish: yeah.

530

01:03:34.440 --> 01:03:36.780

Town of Parish: Dan are we going to be losing support.

531

01:03:39.000 --> 01:03:47.760

Town of Parish: For the working system or what is it more of what's running on windows 10 our current and past is not a.

532

01:03:48.870 --> 01:03:52.860

Town of Parish: Good candidate for upgrade to windows love all over.

533

01:03:53.880 --> 01:03:56.820

Town of Parish: The Board by Microsoft 2025.

534

01:04:00.720 --> 01:04:01.800

Town of Parish: Okay, nothing out.

535

01:04:03.780 --> 01:04:05.880

Town of Parish: Here really not much.

536

01:04:08.400 --> 01:04:13.230

Town of Parish: More and there's nothing wrong with i'm not saying that there is it's just it's five years old.

537

01:04:14.010 --> 01:04:24.180

Town of Parish: If you want to leave it for one more year I don't think you're going to have a problem with it other than slowing down when Microsoft says, you get updated whatever, but I don't have a problem with that.

538

01:04:32.520 --> 01:04:33.240

Town of Parish: If we choose to.

539

01:04:34.260 --> 01:04:37.080

Town of Parish: True, because you've got continuously if if something happens.

540

01:04:38.100 --> 01:04:41.340

Town of Parish: So leave it at fine okay everybody okay with that yeah.

541

01:04:43.470 --> 01:05:01.800

Town of Parish: Okay contractual point for its it was 7750 I put it down to 700 question for you, I don't charge for mileage when I go to make the bank deposits I don't know if you're going to charge mileage because, if it is you get you even want to put that back.

542

01:05:04.890 --> 01:05:17.280

Town of Parish: 7000 i'm sorry it's down to 7000 7757 50 was mileage used in a year, no I don't know I never I never charged my always to go to the bank or.

543

01:05:18.360 --> 01:05:33.600

Town of Parish: Even a seven return the mileage i'll handle it, how much money you just spend this year I don't know I never changed for no, no, no, just a new contract, how much oh so far, we spent and again, this is only through offices August letter like hold on.

544

01:05:36.840 --> 01:05:41.910

Town of Parish: point for us to go yeah but for the hundred dollar.

545

01:05:44.850 --> 01:05:45.210

Town of Parish: Okay.

546

01:05:47.010 --> 01:05:53.130

Town of Parish: Okay bookkeeper 13,000 that's what the bookkeeper gets yeah.

547

01:05:54.960 --> 01:05:55.230

She.

548

01:05:56.280 --> 01:05:56.520

didn't.

549

01:05:57.630 --> 01:06:01.470

Town of Parish: know you had 12 and if they were a CPA they got 13.

550

01:06:02.550 --> 01:06:09.900

Town of Parish: In it now have 16 because Sam was was she wasn't a CPA but she was she had a four year accounting degree.

551

01:06:15.420 --> 01:06:17.340

Town of Parish: Okay, well, they only wanted it.

552

01:06:21.090 --> 01:06:21.600

Town of Parish: work.

553

01:06:22.740 --> 01:06:31.080

Town of Parish: I don't think you're going to get a CPA for 16 but I never saw that anyways jump it was 12 and 13 I you looking to leave it at 13.

554

01:06:33.990 --> 01:06:34.830

Town of Parish: Action in their.

555

01:06:37.020 --> 01:06:39.990

Town of Parish: Safety but you gotta have the money in there to do a jam.

556

01:06:41.220 --> 01:06:41.910

Town of Parish: That all.

557

01:06:43.020 --> 01:06:43.350

Town of Parish: know.

558

01:06:44.460 --> 01:06:48.690

Town of Parish: About possibly taking that freestyle and.

559

01:06:55.530 --> 01:07:02.910

Town of Parish: Then that you're walking possibility additional amount of money if there's anything.

560

01:07:04.890 --> 01:07:05.550

Town of Parish: That is.

561

01:07:09.090 --> 01:07:10.650

Town of Parish: going to say in that position.

562

01:07:12.090 --> 01:07:15.390

Town of Parish: is universally true but anybody thinking about.

563

01:07:17.520 --> 01:07:19.290

Town of Parish: What they are trying to get.

564

01:07:21.300 --> 01:07:22.650

Town of Parish: You know very happy.

565

01:07:25.020 --> 01:07:29.160

Town of Parish: Okay, what are the new that individual money.

566

01:07:30.450 --> 01:07:31.020
Town of Parish: Will they know.

567
01:07:32.940 --> 01:07:33.930
Town of Parish: At least 3000.

568
01:07:39.630 --> 01:07:51.390
Town of Parish: Okay, so really okay with that yeah Okay, because it's there's more than nothing in there for them Okay, of course, is 3000 that's the same as this year.

569
01:07:52.740 --> 01:08:02.190
Town of Parish: payroll service is 1226 that's how much it costs to have the contract with Williamson law, which is the maintenance fee i'm sorry.

570
01:08:02.760 --> 01:08:14.190
Town of Parish: Which is the contract that we have, through June 30 so I put that in there for next year external auditor 15,000 if this guy that we had this year cost us 20,000.

571
01:08:14.670 --> 01:08:23.640
Town of Parish: you're going to have to look at raising that sucker because he only did one year I expected them to do three and he did one year guys.

572
01:08:24.870 --> 01:08:35.730
Town of Parish: 15,000 not going to cut up I don't know what you want to do, he did 2020 he's got to do 2021 if you're going to do it next year, you can always skip a year well I don't know if you want to or not, but.

573
01:08:41.190 --> 01:08:43.440
Town of Parish: i'm your packet and nine yeah I know.

574
01:08:45.840 --> 01:08:53.640
Town of Parish: i'm just saying it's not cheap to have an auditor and i'm sorry that if he charges 20,000 that's a lot you.

575
01:08:56.340 --> 01:09:06.120
Town of Parish: know, I know, but we had looked at three or four and there were there were some of these two that were less than 20,000 you guys contracted with him for 20,000 That was a huge mistake.

576
01:09:07.890 --> 01:09:13.230

Town of Parish: anyways um are you looking to do an auditor next year, you may have to increase that.

577

01:09:15.300 --> 01:09:16.290

Town of Parish: Yes, no.

578

01:09:19.020 --> 01:09:19.230

No.

579

01:09:21.090 --> 01:09:22.890

Town of Parish: Yes, yeah.

580

01:09:27.270 --> 01:09:28.980

Town of Parish: Okay, page three.

581

01:09:32.190 --> 01:09:39.840

Town of Parish: tax collector \$4,000 that's the same tax collector deputy 1500 that's the same.

582

01:09:41.310 --> 01:09:44.310

Town of Parish: tax collector clerk he hasn't had one in a while.

583

01:09:45.900 --> 01:09:51.990

Town of Parish: So that's zero what we did, is the money that was there for the Clerk we rolled it into the deputies.

584

01:09:53.550 --> 01:09:55.890

Town of Parish: Last year, the year before so that's zero.

585

01:09:56.910 --> 01:10:01.470

Town of Parish: Otherwise, the money that goes to the deputy some of it has to be cut, because that goes to the point as well.

586

01:10:02.940 --> 01:10:16.770

Town of Parish: Tax collectors contractual 2000 you load up from 2500 to 2000 what we've done is we've moved some of the monies that were normally in that line for like postage or printing into a separate line.

587

01:10:17.640 --> 01:10:35.400

Town of Parish: Okay, so that's 2000 the assessor I talked to her we normally pay the assessor 20,000 this year she's getting 16 because she came in March, I think it was maybe April, but she's willing to take the job for 18 so we save 2000 their.

588

01:10:37.920 --> 01:10:41.370

Town of Parish: board assessment review chair is 325.

589

01:10:42.870 --> 01:10:59.220

Town of Parish: Board of assessment review members is 200 apiece and there's two of those so that's 400 formative assessment review clerk is \$50 that's an hourly rate so she would get at this point, you guys wanted \$15 minimum wage so that'll give her.

590

01:11:00.240 --> 01:11:09.630

Town of Parish: Two hours three hours, whatever to do them to do the minute taking am the transcribing assessor equipment 2000.

591

01:11:10.950 --> 01:11:19.200

Town of Parish: that's for hard stuff that's what like the computer or things like that and Paul is going to be working on her this year for getting a new laptop right Paul.

592

01:11:20.250 --> 01:11:24.360

Town of Parish: assessor just you're working with her to get her a new laptop on this year.

593

01:11:30.780 --> 01:11:38.400

Town of Parish: right because we've got 1000 in there, right now, she hasn't using her equipment that you could use toward this laptop so it would be this year so.

594

01:11:45.810 --> 01:11:47.310

Town of Parish: We have something contingency.

595

01:11:51.660 --> 01:11:56.970

Town of Parish: fund balance that with us as well Okay, and this 2000 is she needed a camera.

596

01:12:00.450 --> 01:12:03.630

Town of Parish: camera cheer cheer right here.

597

01:12:04.890 --> 01:12:10.170

Town of Parish: I didn't get a bill, so if she did I don't have unless she's bought it for herself and good ticket with her when she said.

598

01:12:13.170 --> 01:12:26.190

Town of Parish: I didn't get it, so I don't have a bill for, but always asked for other things that she might need so we increase that from 1000 to 2000 that's equipment okay assessors contractual we went from.

599

01:12:30.180 --> 01:12:46.140

Town of Parish: She is programs, and she has to buy like one we just paid as \$1,000 for the year don't it's in here I can't tell you what as well, looking at the voucher but she has other things that she has to buy through the county so that she can look at things as the assessor so we raised there.

600

01:12:47.310 --> 01:12:53.280

Town of Parish: Was the people that you're gonna have to take pictures, yes, thank you that's in there.

601

01:12:54.750 --> 01:13:00.630

Town of Parish: Yes, it is she wanted 4000 for a person to come into do pictures yep.

602

01:13:02.790 --> 01:13:19.710

Town of Parish: Okay, thank you for reminding them okay fiscal agent fees, we got 3000 those are the guys that do all the paperwork for usda grant any the grants that we have the reason, when we did that they did they took care of that paperwork for us.

603

01:13:20.910 --> 01:13:27.000

Town of Parish: Okay clerks repo clerk the town clerk 22,000 that was raised 1000 last year.

604

01:13:28.080 --> 01:13:38.910

Town of Parish: deputy clerks 1500 that's the same as last year okay equipment for the Clerk is 1800.

605

01:13:41.190 --> 01:13:43.230

Town of Parish: Was 2000.

606

01:13:44.310 --> 01:13:48.300

Town of Parish: i'm not sure why we took 200 out what does it look like, for her thing.

607

01:13:52.920 --> 01:13:58.200

Town of Parish: Some of them, some of them are over that's why we had to do these budget transfers and it's only November guys.

608

01:14:01.650 --> 01:14:04.080
Town of Parish: yeah point 414 point four.

609
01:14:05.100 --> 01:14:07.200
Town of Parish: Point either was 1500.

610
01:14:11.430 --> 01:14:22.110
Town of Parish: Okay, so from the equipment, we had to take some money out to put toward the contractual right because there wasn't enough money in the contractual then that's just for now, so we went.

611
01:14:23.400 --> 01:14:36.840
Town of Parish: left at eight what was 2000 we took 200 out of that and then in the equipment line we went from 1700 to 3000 we've raised up because that one.

612
01:14:38.070 --> 01:14:44.310
Town of Parish: we've been in the whole on a couple of times in August September, through the end of the year, so we raised that one.

613
01:14:45.690 --> 01:14:47.070
Town of Parish: that's what the town clerk.

614
01:14:48.180 --> 01:14:51.540
Town of Parish: The Attorney same thing love and five same as last year.

615
01:14:53.280 --> 01:14:59.460
Town of Parish: attorney specialized her attorney would be 8000 if we have to get special.

616
01:15:01.050 --> 01:15:01.740
Town of Parish: counsel.

617
01:15:03.360 --> 01:15:14.520
Town of Parish: Okay engineering, we went from 10,000 to 10,000 same as last year records management officer that's the town clerk she got 2000 she gets 2000 again.

618
01:15:16.350 --> 01:15:17.310
Town of Parish: Building.

619
01:15:18.690 --> 01:15:26.250

Town of Parish: What is this 116 20 oh that's what we paid for the ramp 20,500 for the rank for this building.

620

01:15:27.630 --> 01:15:33.210

Town of Parish: She would like to heat the turnout, but if we do that thing's going to be answered forget it don't be too loud you won't hear us.

621

01:15:33.960 --> 01:15:42.420

Town of Parish: centralized communication that's the phone and the Internet that some new visions and it's \$350 and 55 cents, a month.

622

01:15:42.930 --> 01:15:52.230

Town of Parish: So that's a little bit over I haven't heard that he's going to raise up but otherwise it's a it's \$100 less than last year, but it is a little bit over in case he does reason.

623

01:15:53.220 --> 01:16:01.080

Town of Parish: centralize printing and mailing this is postage, so this is where we've added money from the different accounts tax collectors the big one.

624

01:16:02.070 --> 01:16:20.190

Town of Parish: Sometimes the planning board has things to send out or cva I send things out highway sense things out the you know the checks that go out every month payroll checks all that has to be put through payroll postage so we raised it to 4500 some 3700.

625

01:16:22.500 --> 01:16:30.420

Town of Parish: When allocated insurance 13,550 that's the portion that's a pace toward banding.

626

01:16:32.310 --> 01:16:44.730

Town of Parish: Jenkins lumps it all together it's like 20,000 something whatever it is, so the portion that he pays for his 13 550 and the rest of it comes out of the heist highway because it's the trucks insurance and that stuff.

627

01:16:46.560 --> 01:16:48.090

Town of Parish: Okay, and then went up 10%.

628

01:16:49.260 --> 01:16:54.900

Town of Parish: yeah we spread it over both okay municipal association dues it's the same 1600.

629

01:16:56.280 --> 01:17:05.130

Town of Parish: purchase of land, we put that in there, in case there's a possibility that we might decide to purchase some land if down the road hopefully we decide to build a.

630

01:17:05.970 --> 01:17:16.860

Town of Parish: Building or buy property to do something with a building, you need it guys i'm hoping your vision is there for down in the future, but it was we put 10,000 in there that's new we added in there, this year.

631

01:17:17.460 --> 01:17:25.950

Town of Parish: We didn't have an end of this year we're putting it in this year for next year, so we put 10,000 in there from that probably won't get you anything but it's a start.

632

01:17:27.090 --> 01:17:30.360

Town of Parish: Contingency is 25,000.

633

01:17:31.980 --> 01:17:34.590

Town of Parish: That are ready, you hear that number.

634

01:17:35.970 --> 01:17:40.140

Town of Parish: Of what we used so far I think we've only used.

635

01:17:45.090 --> 01:18:09.900

Town of Parish: Not quite 2025 so we'll have money extra in there, this year, in case like he said he needs it for the computer or the Chair or whatever next month, if she gets back or if there's.

636

01:18:11.610 --> 01:18:11.880

Town of Parish: A.

637

01:18:13.440 --> 01:18:16.950

Town of Parish: Contingency that make for a CPA.

638

01:18:18.240 --> 01:18:18.510

Town of Parish: Right.

639

01:18:20.970 --> 01:18:22.590

Town of Parish: No it's of the 25.

640

01:18:23.640 --> 01:18:29.250

Town of Parish: Because we haven't used it of the 25 approximately 3000 could be used for CPA.

641

01:18:30.660 --> 01:18:30.990

Town of Parish: yeah.

642

01:18:34.080 --> 01:18:41.850

Town of Parish: Yes, part of it is yes okay constables doing now under the bailiff one so that's zero.

643

01:18:42.810 --> 01:18:52.740

Town of Parish: Once this year's over 20 the money's in there for 2020 I can't drop it as long as there's money in there, so next year you'll be able to drop that line the constables is under the justice.

644

01:18:53.580 --> 01:19:09.810

Town of Parish: traffic control, this is precisely 500 is the same as last year dog control officer \$6,000 control deputy is zero he hasn't had one and as Steve said he uses his son, but he takes care of us we don't.

645

01:19:10.740 --> 01:19:20.430

Town of Parish: Control contractual is 2500 that covers any candles mileage whatever we have to do for the for the dog control officer public health.

646

01:19:21.630 --> 01:19:23.640

Town of Parish: payroll is 500.

647

01:19:24.930 --> 01:19:25.350

Town of Parish: Yes.

648

01:19:27.570 --> 01:19:28.320

He.

649

01:19:29.730 --> 01:19:40.080

Town of Parish: I think that's under for it so it'd be 2500 that we have estimated it's been there, because we don't use that much for fortunately for the kettle's Okay, but it's enough.

650

01:19:41.970 --> 01:19:42.330

Town of Parish: yeah.

651

01:19:44.970 --> 01:19:46.200

Town of Parish: 500 is for.

652

01:19:47.460 --> 01:19:48.540

Town of Parish: I think that's for.

653

01:19:53.130 --> 01:20:01.110

Town of Parish: boy I don't know what that's for 4840 10.1 i'm not sure what that one is Paul you remember what that is oh it.

654

01:20:06.540 --> 01:20:13.380

Town of Parish: was largely related to additional expenses to the mental health related for corvette.

655

01:20:14.880 --> 01:20:18.960

Town of Parish: And the different things, why is fine, has.

656

01:20:20.550 --> 01:20:23.850

Town of Parish: cancer and all the things that route.

657

01:20:24.150 --> 01:20:33.690

Town of Parish: Then recorded Okay, so we got 500 in one line and 200 and the other what we got last year correct not here was given to us by the county.

658

01:20:34.800 --> 01:20:41.730

Town of Parish: He bought stuff for the highway department, but as far as this building what we got was given to us by that to him, but by the county and.

659

01:20:46.950 --> 01:20:52.410

Town of Parish: Well, well, he didn't give me that then we didn't we must be winning by any of this year.

660

01:20:53.610 --> 01:20:56.250

Town of Parish: Okay, but I don't have any expenditure in them.

661

01:20:59.640 --> 01:21:00.120

Town of Parish: Okay.

662

01:21:01.410 --> 01:21:21.300

Town of Parish: Right vital statistics register that 500 that's the town clerk ambulance it was 31 672 they took 26 775 last year, this year it's

27 and 578 so it's still down, as I said, we got over 4000 left we move that to lead on the line, so that we could pay the ERS.

663

01:21:22.470 --> 01:21:28.530

Town of Parish: Okay transportation highway highway superintendent 44,000.

664

01:21:31.380 --> 01:21:36.660

Town of Parish: highway superintendent deputy by contract 3250.

665

01:21:37.920 --> 01:21:42.420

Town of Parish: highway contractual is 3500.

666

01:21:43.890 --> 01:21:49.920

Town of Parish: that's if he needs anything in their building right yeah the garage.

667

01:21:52.350 --> 01:22:01.950

Town of Parish: personal services zero he said he didn't pay anybody to do the work there, so that's zero we move that to a zero the garage contractual we raised up know.

668

01:22:01.980 --> 01:22:04.290

Town of Parish: it's it's the same 41 to 41.

669

01:22:05.010 --> 01:22:21.480

Town of Parish: we've only used 11,760 this year, so he thinks is 41 i'll still do it for next year and transportation property leases in case you need to lease trucks or whatever case you lead me to least Boxer highway superintendent.

670

01:22:23.820 --> 01:22:25.620

Town of Parish: you've got \$200 in there.

671

01:22:27.870 --> 01:22:30.810

Town of Parish: In case you need to leave some property you got \$200.

672

01:22:32.430 --> 01:22:34.680

Town of Parish: Who knows what that'll buy you okay.

673

01:22:36.840 --> 01:22:37.440

Town of Parish: What does that.

674

01:22:38.490 --> 01:22:39.690

Town of Parish: No that's in the other line.

675

01:22:42.330 --> 01:22:44.850

Town of Parish: Okay okay six.

676

01:22:46.440 --> 01:22:58.980

Town of Parish: doctrines we had 250 in there for the American legion they never asked us for a program for the aging 250 for the senior citizens she did ask me for it, but she never came in and sign the voucher and.

677

01:23:00.270 --> 01:23:03.270

Town of Parish: Jen has been sick so she hasn't been able to come inside.

678

01:23:06.120 --> 01:23:08.340

Town of Parish: Yes, they do it with next.

679

01:23:09.840 --> 01:23:21.570

Town of Parish: gen who's been in charge of it for these three or four years she's been sick this year, so I haven't seen her to try to get him to sign it, if I can get her to sign up we'll do it next month and give them the 250 but I haven't been able to catch a.

680

01:23:22.770 --> 01:23:25.950

Town of Parish: grant writer, we have \$5,000 man same as last year.

681

01:23:27.450 --> 01:23:28.800

Town of Parish: Okay parks.

682

01:23:30.240 --> 01:23:46.290

Town of Parish: 4750 you put in there last year, this is for the person working we put the same dollar amount that's for the person that pays or to cover lawn mowing painting cleaning the bathrooms whatever has to be done that's what that person's position.

683

01:23:47.460 --> 01:23:47.610

Town of Parish: No.

684

01:23:48.900 --> 01:23:54.720

Town of Parish: No hey, this is a PS pay anything with a point one George is a pay.

685

01:23:56.370 --> 01:24:08.370

Town of Parish: park equipment, point two, we had 3000 in there, we already bought a new lawn mower this past year, last year, so we vote, he lowered it to 1000 he doesn't think that you needed any other equipment for next year.

686

01:24:10.260 --> 01:24:10.620

Town of Parish: Then.

687

01:24:13.440 --> 01:24:34.710

Town of Parish: This is strictly big like blonde more backhoe that stuff that you Okay, we might we might be able to use that check that we got from the Federal Government, the guy was telling us from for govan FPA we might be able to use that for basketball court.

688

01:24:36.840 --> 01:24:47.880

Town of Parish: yeah for a lot of improvement, he says, because what that was based on was over thing they want, they would be willing to put money you can use money out of it to get the people out did stuff.

689

01:24:48.570 --> 01:25:07.860

Town of Parish: i'm saying so, they said we could be there's a lot of that data over there, we do use for that yeah but nice tennis court basketball court playground equipment, you know surveillance system, you know, this is not that this is the equipment for the park i'm not alone.

690

01:25:09.450 --> 01:25:26.670

Town of Parish: I suppose yeah that's that kind of stuff that breaks it doesn't matter where you go to word it right so it's \$1,000 for that one okay i'm country actual we went from 20,600 now, this could be used for the basketball hoops and the tennis.

691

01:25:28.140 --> 01:25:40.530

Town of Parish: Nuts nothing we went from 20,600 to 23,000 we increased it, they also talked about carpet is just about having the tennis court tennis court in the basketball court i'm retired.

692

01:25:41.580 --> 01:25:42.660

Town of Parish: If i'm saying it wrong.

693

01:25:43.740 --> 01:25:50.040

Town of Parish: They repaved whatever you call it, and I know if you're going to do one you got to do both at the same time yeah so.

694

01:25:50.100 --> 01:25:51.390
Town of Parish: There can be used for that.

695
01:25:51.630 --> 01:25:56.430
Town of Parish: I don't know how much it would cost, but that 22,000 roughly would cover a lot I don't know.

696
01:26:17.820 --> 01:26:21.060
Town of Parish: You gotta line for gas to the lawn mowers 300 bucks.

697
01:26:23.790 --> 01:26:27.240
Town of Parish: Electric is gonna the electric we increased.

698
01:26:29.460 --> 01:26:35.430
Town of Parish: there's two parts, the one downtown you know with zeebo is, and of course Mel park.

699
01:26:43.980 --> 01:26:45.120
Town of Parish: A far more.

700
01:26:53.430 --> 01:26:55.170
Town of Parish: than I didn't know that that's village.

701
01:26:58.110 --> 01:27:00.270
Town of Parish: chance the second.

702
01:27:05.010 --> 01:27:08.340
Town of Parish: session, and she and she did say something about janice.

703
01:27:09.600 --> 01:27:12.030
Town of Parish: Okay, so hold on a second.

704
01:27:14.700 --> 01:27:16.920
Jackie Murphy: Here all right okay.

705
01:27:19.050 --> 01:27:30.510
Jackie Murphy: This is such a sad thing but i'm janice very sick and he won't be signing any checks, they sent her home to suspend her last days at home, so I just wanted to let you know that.

706
01:27:32.310 --> 01:27:34.650
Town of Parish: Do you know who second in charge Jackie.

707

01:27:36.120 --> 01:27:40.440

Jackie Murphy: I have no idea I don't even think anybody is capable of doing that.

708

01:27:41.040 --> 01:27:41.490

Okay.

709

01:27:43.290 --> 01:27:44.550

Jackie Murphy: None of us getting any younger.

710

01:27:45.570 --> 01:27:46.560

Town of Parish: I don't know.

711

01:27:46.710 --> 01:27:48.000

Jackie Murphy: Okay, thank you, I just wanted to.

712

01:27:48.000 --> 01:27:49.320

Jackie Murphy: let you know that so.

713

01:27:49.500 --> 01:27:50.880

Town of Parish: didn't know that Thank you.

714

01:27:52.110 --> 01:27:57.720

Town of Parish: Okay um anyways metropark the electric was two months, it was crazy.

715

01:27:58.560 --> 01:28:05.400

Town of Parish: By the time we figured it out, I called national grid and they said it's too late to check it out, they charge this way over in menlo park.

716

01:28:05.640 --> 01:28:19.140

Town of Parish: And I think it's ridiculous, I think I probably should write a monastic letter and tomorrow, I don't know if it'll do any good, but there were two months that the check the bill for the electric for the park was over almost \$100 just for me or park.

717

01:28:19.860 --> 01:28:26.790

Town of Parish: there's nothing going on down there guys the lights that's it and it's for two months, which is July and August.

718

01:28:28.260 --> 01:28:34.980

Town of Parish: July, and all this and I have my lights on, at my house all the time, do you think my electric bill for a month is that.

719

01:28:42.480 --> 01:28:43.590

Town of Parish: you're trying to say my night.

720

01:28:53.640 --> 01:29:00.840

Town of Parish: Why don't I don't want it, but i'm saying that what they charge us this year for July and August was ridiculous, so it needs to be looked at.

721

01:29:02.490 --> 01:29:05.280

Town of Parish: So would we put we put \$800 in there.

722

01:29:08.460 --> 01:29:13.320

Town of Parish: All we did was we have both of them now, this year we fix the second one.

723

01:29:15.450 --> 01:29:18.450

Town of Parish: Stop learning or something oh OK.

724

01:29:21.900 --> 01:29:35.820

Town of Parish: OK anyways we got 800 in there for the electric footage for both parks your we raised it \$300 okay he's doing is the same \$1,000 historians clerk I raised her.

725

01:29:37.290 --> 01:29:41.010

Town of Parish: \$100 some 50 to 850 she does a lot of work for Bridget.

726

01:29:43.050 --> 01:29:52.290

Town of Parish: The contractual for his for the historian as \$100 that's if they need files and stuff and john gave them file cabinets this year, which is helping them out.

727

01:29:52.710 --> 01:30:06.540

Town of Parish: We need a place where she can show stuff she's got so much of our history stuff that's put in boxes and then file cabinets a shame that we can't put it out if we ever get a building, it would be a great place to show up celebrations we put it back to zero.

728

01:30:07.590 --> 01:30:22.530

Town of Parish: It was zero because we didn't we haven't done anything because of coven we haven't had anything to stop well we've had things to

celebrate but not like before okay zoning chair is 350 that's the same as last year.

729

01:30:23.670 --> 01:30:26.550

Town of Parish: zoning members it's a.

730

01:30:27.690 --> 01:30:38.430

Town of Parish: \$300 apiece there's two of them right to Sony members okay so it's 300 apiece for the zoning board members when they it but it's \$25 a meeting when they have a meeting.

731

01:30:40.410 --> 01:30:48.090

Town of Parish: The clerk for the zoning board if something's taken the Minutes, we have up to \$200 again that's an hourly wage to get paid by the hour.

732

01:30:48.360 --> 01:30:56.400

Town of Parish: The alternative we've got 150 and then we figured we'd give them some money if we ever find any alternatives anybody wanting to be an alternate please let us know.

733

01:30:58.050 --> 01:31:06.960

Town of Parish: And the zoning Board of appeals the contractual they got 300 they have to have legal advertisements periodically and things so they have to have some money to fall back on.

734

01:31:07.980 --> 01:31:16.560

Town of Parish: Planning board chair \$2,000 and planning board members it's \$1,000 each there's four of them.

735

01:31:19.050 --> 01:31:35.970

Town of Parish: Planning board alternate you get a 600 enough to pay him or her some money per meeting we don't have anybody main board the conservation REP is \$1,000 we don't have one of those so anybody wanting to be on any of those committees, please let us know.

736

01:31:37.950 --> 01:31:39.690

Town of Parish: Okay, please eat.

737

01:31:40.710 --> 01:31:42.480

Town of Parish: that's it for the or that's it for the.

738

01:31:44.340 --> 01:31:57.270

Town of Parish: expenditures pitching did I skip a page I did sorry page seven, we got sorry about that I got my reasons okay planning board Cork it's \$1,000.

739

01:31:57.960 --> 01:32:08.310

Town of Parish: it's to take the Minutes and to transcribe them minutes planning board contractual is \$1,000 they to have legal aids that they have to put in and things so they have things like after.

740

01:32:08.820 --> 01:32:17.460

Town of Parish: Their money for garbage and refuge it's \$50 in order for us to pay crack took something over and they charged him 50 bucks.

741

01:32:18.570 --> 01:32:25.350

Town of Parish: Remember what it was so that's the cover that ticket per year code enforcement that's 16,000.

742

01:32:26.520 --> 01:32:33.540

Town of Parish: deputy code enforcement that's 1500 same as last year Cohen force many equipment is zero.

743

01:32:36.300 --> 01:32:47.790

Town of Parish: code enforcement contractual it's the same 3750 same as last year, cemeteries, this is the one where I told George she's still here.

744

01:32:48.810 --> 01:32:55.170

Town of Parish: Oh, that we put money in there, so that the highway department guys can go up there, and do the cemetery.

745

01:32:55.650 --> 01:33:08.040

Town of Parish: We got \$8,200 in it that's been for three years they've never gone up there to do that cemetery it's still in there, if you find the time in the summer, to get them to go up there, and the one up Mitchell, I think it's Mitchell yeah.

746

01:33:09.120 --> 01:33:20.400

Town of Parish: Yes, yeah that one that one anytime they're working in the cemeteries nolan or whatever it has to commodity a fun, but we've got extra money in there, but yeah.

747

01:33:22.110 --> 01:33:25.290

Town of Parish: For sure and you're.

748

01:33:27.450 --> 01:33:28.230
Getting a.

749
01:33:31.140 --> 01:33:37.860
Town of Parish: lot of work done by professional people some early adopter.

750
01:33:42.210 --> 01:33:42.870
Town of Parish: yeah but.

751
01:33:44.340 --> 01:33:44.610
Town of Parish: You.

752
01:33:46.410 --> 01:33:49.830
Town of Parish: Know you're not this one is not even.

753
01:33:53.040 --> 01:33:56.430
Town of Parish: The workers hours, the highway department if they weren't.

754
01:34:00.570 --> 01:34:02.790
Town of Parish: changing things up the data come on.

755
01:34:04.350 --> 01:34:08.820
Town of Parish: I know, but I put it in there for two years and we've done nothing but.

756
01:34:11.820 --> 01:34:12.750
Town of Parish: Dedicated.

757
01:34:13.980 --> 01:34:18.000
Town of Parish: 2016 we.

758
01:34:19.920 --> 01:34:21.120
Town of Parish: park and we do there.

759
01:34:22.650 --> 01:34:36.300
Town of Parish: If if we haven't used the well would use that a little bit hundred \$15 the 8200 if it's in a line right now that we haven't used, can we put it in the front part of the budget to say it's coming from funny balance.

760

01:34:37.110 --> 01:34:44.850

Town of Parish: That \$8,200, to put it into that we don't raise all the money you want me to read it nevermind nevermind forget the question, yes.

761

01:34:46.140 --> 01:34:48.990

Town of Parish: Yes, okay good sorry.

762

01:34:51.720 --> 01:34:52.110

Town of Parish: Yes.

763

01:34:56.310 --> 01:35:07.650

Town of Parish: yeah but it's also going to take people to do and we haven't had people dedicated to do it well what angers me three years ago, I know, we had a survey that's been surveyed, but it has we have.

764

01:35:12.990 --> 01:35:13.620

Town of Parish: There is no.

765

01:35:15.300 --> 01:35:16.440

Town of Parish: Yes, yeah.

766

01:35:18.330 --> 01:35:18.780

Town of Parish: Yes.

767

01:35:22.440 --> 01:35:22.950

Town of Parish: yeah.

768

01:35:29.250 --> 01:35:30.900

Town of Parish: Man, the man.

769

01:35:32.820 --> 01:35:33.150

Town of Parish: Okay.

770

01:35:38.640 --> 01:35:48.450

Town of Parish: Okay, just so you know those six cemeteries and I correct that when a family has a cemetery on their land and nobody's around anymore, and nobody takes care of it.

771

01:35:48.870 --> 01:35:58.770

Town of Parish: The town inherits that whether we want it or not, it's our responsibility and for four years i've been trying to get that Mitchell one to look like something and it still looks like crap so.

772

01:36:00.120 --> 01:36:15.210

Town of Parish: i'm just saying what the road things itself, we got to work out fine but we've got to take care of US So what do you do it with volunteers now we've got some money dedicated to it okay all right um cemetery coordinator is \$250 same as last year.

773

01:36:16.800 --> 01:36:25.470

Town of Parish: cemetery for one this is contractual it was 501st for supplies, or whatever we got 500 again.

774

01:36:27.210 --> 01:36:36.060

Town of Parish: route 69 a cemeteries, this is the one this is present long they get a percentage of the taxes that the voters voted on it.

775

01:36:36.450 --> 01:36:48.090

Town of Parish: gosh i'm gonna say 10 years ago, maybe and it's the voters said yes, we will do it, so a certain percentage of our taxes that we collect from the real estate go directly to them and they get it in April and May.

776

01:36:48.810 --> 01:36:55.770

Town of Parish: So this year is going to be we looked it up again it's going to be \$12,790 for this coming year, so that's what we put in there.

777

01:36:56.670 --> 01:37:07.920

Town of Parish: That goes to them last year it was 12,650 okay survey, we put in 3000 because we've got I think two more than it has got to be surveyed Richard yeah.

778

01:37:08.340 --> 01:37:19.380

Town of Parish: So we didn't do it this past year, I never got around to calling I forgot his name but there's two more we need to get surveyed and then all the cemeteries will be surveyed for us, so we got 3000 and the same as last year.

779

01:37:20.640 --> 01:37:30.810

Town of Parish: State retirement 21,000 that's what we were short we did it was 13 three we're raising it to 21,000 this coming year, because we will show it there, this year.

780

01:37:32.190 --> 01:37:43.290

Town of Parish: So security 19,000 we raised it a little bit because the wages go up unemployment insurance we lowered it to 5000 with codeword they.

781

01:37:44.130 --> 01:37:51.210

Town of Parish: tried to get a lot more out of us than I was willing to give them and they found out that we were right, they were wrong, and thank you God to give it back to us so.

782

01:37:53.400 --> 01:38:01.440

Town of Parish: and medical insurance, we have to you guys need to look at this it's 36,000 right now we have to raise it \$4,000.

783

01:38:02.220 --> 01:38:18.660

Town of Parish: Mr horning is going to take the insurance, the same as Mr Pat did but because he's doing it for fam for him and his wife and family or him and his wife, whatever it is it's going to cost 4000 more so we've got to raise that from 36 to 40,000 in that line.

784

01:38:22.050 --> 01:38:23.370

Town of Parish: Everybody okay with that.

785

01:38:24.930 --> 01:38:25.470

Town of Parish: Hello.

786

01:38:30.330 --> 01:38:31.320

Town of Parish: that's yes.

787

01:38:32.820 --> 01:38:38.100

Town of Parish: that's in there, but that's not necessarily going to happen yeah so we'll get into that later, but yes, I raised up.

788

01:38:43.980 --> 01:38:46.260

Town of Parish: Look right wait a minute anyone.

789

01:38:52.290 --> 01:38:52.680

Town of Parish: yeah.

790

01:38:55.050 --> 01:38:57.570

Town of Parish: We did raise it 4030 did I.

791

01:38:59.220 --> 01:39:00.360

Town of Parish: put it in for the.

792

01:39:01.980 --> 01:39:02.550

Town of Parish: judge.

793

01:39:05.250 --> 01:39:05.730

Town of Parish: judge.

794

01:39:07.410 --> 01:39:19.170

Town of Parish: Oh that's right the judges and a highway Thank you Chris he's retired he's was taken it from the highway so that's not here so Okay, so we raised it to 36 that includes the 4000 Thank you it went from 31.

795

01:39:21.450 --> 01:39:23.520

Town of Parish: Okay that's it for the expenditures.

796

01:39:25.770 --> 01:39:27.270

Town of Parish: Do we have to go through revenues.

797

01:39:28.320 --> 01:39:29.490

Town of Parish: Which is page eight.

798

01:39:31.710 --> 01:39:38.370

Town of Parish: Yes, no, no, yes, no okay so we'll skip page eight and we'll skip page nine.

799

01:39:40.110 --> 01:39:47.160

Town of Parish: Then we go to page 10 which is be the only thing we have crossing us and B is the cost of.

800

01:39:48.150 --> 01:40:00.270

Town of Parish: The cleanup day half of it comes from the village half of it comes from the town so it's got to be in the big account that's \$650 last year we're raising it to 1000 because Craig said that it's going to go up this coming year.

801

01:40:01.080 --> 01:40:13.320

809
01:41:18.000 --> 01:41:24.960
Town of Parish: equipment point to it went from 40 to 45,000 we added 5000 to their.

810
01:41:27.210 --> 01:41:40.950
Town of Parish: equipment contractual we went from we were 60,000 we raised it to 70,000 with the cost that we've got in this month vouchers, and we got one month to go.

811
01:41:41.340 --> 01:41:42.870
Carol Dwyer: At decrease after an estrogen.

812
01:41:45.420 --> 01:41:46.890
Carol Dwyer: runs better run to does it.

813
01:41:50.370 --> 01:41:50.880
Town of Parish: Hello.

814
01:41:52.320 --> 01:42:06.030

Town of Parish: i'm with what we did in November, which is tonight's vouchers and we're estimating what could possibly be in December we're looking at raising up do we raise it 5000 are we talking about waiting we didn't raise it 5000.

815

01:42:07.560 --> 01:42:16.170

Town of Parish: Because we estimated six months we're going to be close on that one guy so we're only putting it up 5000 but we're taking it out of a different line and i'll get there in a minute.

816

01:42:16.560 --> 01:42:30.900

Town of Parish: So that's going up that went to 70,000 513 4.4 as machinery contractual it's the repairs anything that has to be done, you have to buy something for a week once your wife or whatever that's for the equipment for the trucks.

817

01:42:32.610 --> 01:42:43.680

Town of Parish: Bush and we we put 2000 in their case we have to win the water situations, the way they are, and what is it the i'm going to call them go for a snack go first.

818

01:42:45.390 --> 01:43:05.010

Town of Parish: What are the ones that build the dams reverse Thank you we've had to take care of the beavers beaver problem throughout the town so put some money in there, this time it's it it isn't getting better it's getting worse, so put \$2,800 is for the if we need to use any equipment for their.

819

01:43:06.180 --> 01:43:12.960

Town of Parish: snow removal, this is your big guy we went from 160 267,000 based on pay raises.

820

01:43:16.530 --> 01:43:20.070

Town of Parish: snow removal equipment, he left that at zero.

821

01:43:21.450 --> 01:43:42.090

Town of Parish: it's in the that's to buy equipment that's that stuff contractual, which is to fix equipment or add equipment, whatever we went from 95 to 100,090 10 the state retirement, again we went from 2125 to 21 five.

822

01:43:44.100 --> 01:43:55.200

Town of Parish: Cross goes up because the wages go up so security went up from 13 eight to 15,000 unemployment insurance, we went from 3000 left at the same 3000.

823

01:43:56.430 --> 01:44:01.950

Town of Parish: Medical went from 47 five to 67 five, this is where the judges comes in.

824

01:44:03.180 --> 01:44:16.950

Town of Parish: And again may it may be the wrong amount number one number two We may not have to do it at all, it depends on what can be decided employee benefits for workflows we went from 2200 to 1800.

825

01:44:19.590 --> 01:44:32.850

Town of Parish: safety equipment, we went from 500 to 1000 they have to buy the vest and the goddess of whatever the stuff is, we have to supply so i'm saying with the coven stuff.

826

01:44:34.290 --> 01:44:43.140

Town of Parish: transfer the capital fund, we went from 53,000 and we didn't do it in here, did we were talking about taking that speech it's on the next page.

827

01:44:43.890 --> 01:44:59.970

Town of Parish: We took the 53,000 out completely, if you look at the preliminary in its zero we put it in the correct number Melbourne married said it was in the wrong account number so on the next page it went from 995 4.92 da.

828

01:45:00.990 --> 01:45:19.140

Town of Parish: that's the one you said it had to be in and we we lowered it the 5000 that we added to the seven to that machinery line that's the 5000 so that budget is going to remain the same for da so it's 48,000 instead of 53 and it's now going to be coated under the correct number okay.

829

01:45:20.250 --> 01:45:22.980

Town of Parish: Thank you for that okay that's da.

830

01:45:24.330 --> 01:45:26.610

Town of Parish: Why can't turn page because again gloves on.

831

01:45:29.010 --> 01:45:30.930

Town of Parish: isn't anybody else called in here, besides me.

832

01:45:32.250 --> 01:45:48.690

Town of Parish: yeah thanks okay page 14 db now, this is the town outside of village, this is rolled work we don't do road repair in the village,

so this is strictly outside of the village, this is the town road that we repair.

833

01:45:49.140 --> 01:45:56.370

Town of Parish: And that's what chips comes in chips is strictly for highway in repair outside of the village okay.

834

01:45:57.000 --> 01:46:03.510

Town of Parish: If he decides to do some in the village, the highway superintendent will contract directly with the mayor.

835

01:46:03.990 --> 01:46:12.600

Town of Parish: For what needs to be done in the village, otherwise we don't do any road repair in the village okay let's you contract with her alright so db.

836

01:46:13.410 --> 01:46:30.780

Town of Parish: unallocated insurance zero okay go down here general repairs, this is 511 old point 11 that's paid that went from 73 995 to 80 that's strictly from pay raises general repair part time we went from 75 to 75 same thing.

837

01:46:32.790 --> 01:46:33.270

Town of Parish: yeah.

838

01:46:34.620 --> 01:46:37.410

Town of Parish: that's if we hire somebody part time in the summer.

839

01:46:39.960 --> 01:46:42.240

Town of Parish: We didn't use any this year okay.

840

01:46:43.350 --> 01:46:44.640

Town of Parish: General repairs for.

841

01:46:46.800 --> 01:46:54.030

Town of Parish: This is contractual we went from 60 to 80 in case you have to repair something in the summer months with the trucks or whatever.

842

01:46:56.520 --> 01:47:03.000

Town of Parish: Improvements 112 point one we went from 7000 9800.

843

01:47:06.180 --> 01:47:10.200

Town of Parish: Improvements contractual it's the same 128,000.

844

01:47:12.840 --> 01:47:22.290

Town of Parish: bullshitting weed again this is for town outside of village or zero we went from 24 or 2500 to zero, we moved it to da.

845

01:47:23.400 --> 01:47:23.760

Town of Parish: w.

846

01:47:25.110 --> 01:47:35.730

Town of Parish: Bush and we country actually went from 100 to zero, again we moved it to da flooding erosion, we went from 30 to eight to 2000 we lowered a knock on wood we haven't had it.

847

01:47:36.330 --> 01:47:46.920

Town of Parish: Town i'll say the village and emergency disaster work we went from 311 to 400 that's if he happens to get it doesn't okay.

848

01:47:48.720 --> 01:48:14.220

Town of Parish: Oh retirement work so 9420 to 10,200 again wages increased security went up well he didn't 7000 7000 will have to the same unemployment 2000 to 2000 medical insurance went from 47 five to 67 five again that's putting the judge in there.

849

01:48:15.660 --> 01:48:17.910

Town of Parish: Through retirement and it might be different.

850

01:48:19.350 --> 01:48:25.470

Town of Parish: there's a revenue anticipation note the hundred thousand or 52, we have to leave it in there, because we can't pay it this year.

851

01:48:25.980 --> 01:48:33.420

Town of Parish: But know that it's in it's already paid for with fund balance it's just we've got it your market differently, but I can't take it out, because they won't, let us pay it this year.

852

01:48:33.870 --> 01:48:43.860

Town of Parish: So it's got to be recorded So those are the 200,000 is the principal and the interest is for 52 that will be paid make I think April, April and May appear.

853

01:48:44.940 --> 01:49:02.550

Town of Parish: But you have no money for it, so it doesn't have to come on their phone again and there's revenue okay page 17 is the fire

department and once from 220,000 825 to 220 7225 it's a \$6,400 increase this year.

854

01:49:05.250 --> 01:49:08.790

Town of Parish: The water district, this is to repay.

855

01:49:10.170 --> 01:49:12.870

Town of Parish: Any money spent on water district number one.

856

01:49:14.880 --> 01:49:30.120

Town of Parish: Up to this point and it's 38,943 tentative and went to 39,300 and went up to \$60, if you remember the last last month, we had to pay 60 bucks that's the month that has to be repaid by people that live in water district number one.

857

01:49:31.170 --> 01:49:33.540

Town of Parish: I gotta get an assessor to start working on there too.

858

01:49:34.590 --> 01:49:36.120

Town of Parish: Okay ah.

859

01:49:39.120 --> 01:49:40.080

Town of Parish: So page.

860

01:49:41.370 --> 01:49:47.610

Town of Parish: The page 19 after page 19 is there's no number on the page is the fun balance page.

861

01:49:53.970 --> 01:49:54.780

Town of Parish: looks like this.

862

01:49:58.410 --> 01:50:00.720

Town of Parish: Data yes okay.

863

01:50:02.130 --> 01:50:29.790

Town of Parish: So the fund balances as of October 31 a 670 5885 be 97,853 da 297,541 db 105,978 and the water has 48,917 we're estimating costs for a mda and db.

864

01:50:30.600 --> 01:50:43.440

Town of Parish: At 90,100 24,013 thousand respectively minus the hundred thousand 452 that's the one where your marketing for the ran and the interest will bring down in women minus the.

865

01:50:44.550 --> 01:50:51.930

Town of Parish: APA, which is all in 103,076 hours after give you guys this page because you're not going to know what i'm talking about.

866

01:50:52.770 --> 01:51:16.950

Town of Parish: really brings you to the remaining estimated appropriated unreserved fund balance as of December and again, this is an estimate because we're guessing at these expenditures up above a will have 480 \$2,809 be will have nine, the same thing 97,853 da will have 173,541.

867

01:51:19.170 --> 01:51:37.170

Town of Parish: db will be in the whole 7474 and, of course, the water is 48 917 now be can go to db to offset whatever it's in the hole okay and that's what we're going to do, will take care of that debt wasn't being going to be used for the.

868

01:51:38.190 --> 01:51:47.610

Town of Parish: For the loan, some of it if we need that but otherwise it's going to cover, whatever the data is for db and that's the debt in db is the loan so they'll increase their.

869

01:51:49.410 --> 01:52:10.020

Town of Parish: Estimated first quarter, so this is what we've got to estimate that we need to have in the in your coffee, so you can pay the bills to you get the real estate or the real estate taxes hundred 60,000 for a 250,000 for da and, of course, you got to pay that fire department 227,250.

870

01:52:11.190 --> 01:52:15.840

Town of Parish: So the town will need to transfer unallocated appropriated fund balance from be.

871

01:52:16.560 --> 01:52:24.690

Town of Parish: village to db to offset that cost prior to April of 2022 to pay off that db indebtedness see it's in the paragraph down there.

872

01:52:25.080 --> 01:52:42.390

Town of Parish: Okay, because it's non callable I can't pay it earlier and we're supposed to get a chips jack as Craig had said but it's only 30,000 but i'll say 31,000 last year was 120 6000 so we were hoping it would cover their whole amount that hundred thousand 4050 but it's not going to do.

873

01:52:47.160 --> 01:52:56.430

Town of Parish: Right, but last year, the second check was 126,000 for chips, this one is only going to be he's estimating 30,000 he gave it to you in his report yeah.

874

01:52:57.150 --> 01:53:10.290

Town of Parish: So it's not going to be as much as we were hoping to help cover that cost so that's the money, what we can talk about doing as laird had said is your marketing some of this extra money for a municipal building.

875

01:53:11.910 --> 01:53:19.590

Town of Parish: Whatever we decide to do, putting money aside, you know you're going to have to buy trucks down the road, whether it's one every so many years, or whatever.

876

01:53:19.920 --> 01:53:30.630

Town of Parish: he'll be giving you an estimate on the park trying to fix those things we can earmark some of the fund balance once we find out exactly what it is for specific things for the.

877

01:53:31.350 --> 01:53:40.890

Town of Parish: Building itself but yeah we can air market for the roof for the the boiler or the things that needs to be done at the that's an A remember that that's a.

878

01:53:42.060 --> 01:53:48.810

Town of Parish: that's an A so what needs to be done for that building to get it so that it's not leaking an advert whatever yeah with your market.

879

01:53:49.530 --> 01:53:58.860

Town of Parish: We can't you don't want to use your whole fund balance, because then we'll be back into the same position, we were when I first came out in 2018 in the hole and they say you're supposed to keep like.

880

01:53:59.370 --> 01:54:12.270

Town of Parish: Three months yeah that's what we're estimating that first quarter down there we're estimating those expenditures, so we got to have at least that, if not more, in those accounts when we go to look at using the fund balance.

881

01:54:18.600 --> 01:54:23.130

Town of Parish: Right, but we got to have at least that's what we'll meet the expenditures in January.

882

01:54:31.920 --> 01:54:42.810

Town of Parish: Yes, yes, yes, while providing everybody will know the county makes us whole right correct Kevin the county makes us whole we gotta we gotta pay the taxes are now.

883

01:54:48.150 --> 01:54:49.170

Doug Jordan: Wait a minute done.

884

01:54:50.100 --> 01:54:52.080

Town of Parish: Go ahead Kevin when.

885

01:54:55.830 --> 01:55:04.890

Town of Parish: He April, then the property owner and again, yes, but you use the word yeah yeah yes.

886

01:55:08.130 --> 01:55:09.300

Town of Parish: All right, okay.

887

01:55:11.910 --> 01:55:13.770

Town of Parish: yeah right Thank you Doug.

888

01:55:14.640 --> 01:55:21.480

Doug Jordan: Marianne this year we're getting to church, we already got one and then we'll be getting another one for the chips money.

889

01:55:22.980 --> 01:55:23.460

Doug Jordan: We got one.

890

01:55:25.800 --> 01:55:26.490

Doug Jordan: us.

891

01:55:28.830 --> 01:55:39.360

Town of Parish: yeah we already got one in September and that's already in the budget and the one he's talking about getting in December is only i'm going to say 31,000 that's what he estimated on his report tonight.

892

01:55:39.810 --> 01:55:42.240

Doug Jordan: But where's where's your really got one check.

893

01:55:42.720 --> 01:55:45.930

Town of Parish: No, we got one in September, we got one in December last year.

894

01:55:46.770 --> 01:55:49.800

Doug Jordan: Well, I believe we only got one in December.

895

01:55:51.000 --> 01:55:51.990

Doug Jordan: Okay, we got one.

896

01:55:52.770 --> 01:55:58.350

Town of Parish: regardless, we will be getting another one in December, but it's not as high as we had hoped.

897

01:55:58.530 --> 01:56:05.520

Town of Parish: So okay so that's the report and then of course we've got the messages you guys hate us to read the messages.

898

01:56:08.400 --> 01:56:12.090

Town of Parish: As to what we're doing and why that why certain things are the way they are.

899

01:56:13.020 --> 01:56:13.890

No yes.

900

01:56:17.190 --> 01:56:17.700

Town of Parish: No.

901

01:56:29.220 --> 01:56:42.690

Town of Parish: The you mean that they are the IPA we only got half of it, remember that's the hundred and 3000 some \$6 next year we'll get the same thing, because the IP on gave us a half this year and half next year.

902

01:56:46.470 --> 01:56:50.910

Town of Parish: Correct that's why it's down here because we had to subtract that from what's up above.

903

01:56:51.930 --> 01:56:55.830

Town of Parish: We don't use it we're going to have to give it, I think you have to give it to the county.

904

01:56:57.360 --> 01:57:14.580

Town of Parish: find ways absolutely and I hope to God, we can but Mr Evans is not doing it i've got to find somebody else that's going to help us anyways that's the budget guys um any questions on it changes we put those changes in those couple of changes that you suggested, will go up.

905

01:57:16.800 --> 01:57:19.230

Doug Jordan: To the one that we're voting on last week.

906

01:57:20.520 --> 01:57:21.630

Town of Parish: It was illegal.

907

01:57:22.830 --> 01:57:28.560

Town of Parish: It doesn't it the meeting was there and what was voted on did not affect this budget.

908

01:57:31.200 --> 01:57:37.860

Town of Parish: I got that from a municipal lawyer meeting wasn't advertised, so you couldn't call it number one number two it wasn't.

909

01:57:37.860 --> 01:57:38.400

Doug Jordan: An urgent.

910

01:57:39.570 --> 01:57:40.470

Town of Parish: couldn't call me.

911

01:57:42.300 --> 01:57:42.630

Doug Jordan: Bob.

912

01:57:43.590 --> 01:57:44.700

Doug Jordan: Because I asked me if.

913

01:57:49.530 --> 01:57:55.680

Town of Parish: I sent you a letter must be didn't get you did you pick up your paperwork from your mailbox job.

914

01:57:56.640 --> 01:57:58.320

Doug Jordan: yeah yeah.

915

01:58:00.510 --> 01:58:01.200

Doug Jordan: Go meeting.

916

01:58:02.340 --> 01:58:05.430

Town of Parish: It wasn't illegal I mean that's why it was cancelled.

917

01:58:34.440 --> 01:58:36.720

Town of Parish: yeah and it wasn't advertised dog.

923

01:58:37.230 --> 01:58:38.970

01:58:58.200 --> 01:58:58.680

Town of Parish: For.

928

01:59:04.740 --> 01:59:05.250

932

01:59:56.370 --> 01:59:57.780

01:59:59.040 --> 02:00:04.590

Town of Parish: natalie alarm system would they like to have us fix but they'd also like to fix the the hole in the roof.

934

02:00:05.820 --> 02:00:16.500

Town of Parish: And the boys and the greats in the polls, or whatever it is, because they're the ones that slated us the insurance companies, one that wrote all that up, so I understand what you're saying yes.

935

02:00:18.390 --> 02:00:20.130

Town of Parish: jenna wine or just does.

936

02:00:22.110 --> 02:00:29.370

Town of Parish: It would be a new line because the building the a does not have a point to which would be the.

937

02:00:31.740 --> 02:00:34.710

Town of Parish: Right equipment right Mon.

938

02:00:36.210 --> 02:00:37.980

Town of Parish: Mon ponder and then.

939

02:00:39.090 --> 02:00:59.610

Town of Parish: significant improvements like that that are technically like some for, but the things that are substantial cost and mobile your jury and they're useful knowledge, things are more transitory like destiny are.

940

02:01:00.690 --> 02:01:04.890

Town of Parish: supplying us up like your calls and stuff like this point for that you're going to.

941

02:01:05.970 --> 02:01:12.030

Town of Parish: See every year like service fees or other things that are not in the other years longer point four.

942

02:01:13.110 --> 02:01:13.980

Town of Parish: But the worst day.

943

02:01:16.410 --> 02:01:16.950

Town of Parish: me.

944

02:01:18.150 --> 02:01:19.170

Town of Parish: Which is equipment.

945

02:01:20.190 --> 02:01:32.010

Town of Parish: yeah yeah so this money in order to take us to take it out use it has been public referendum to no, no, no, no, not this guy.

946

02:01:35.610 --> 02:01:36.810

Town of Parish: Is money want to raise.

947

02:01:38.670 --> 02:01:38.850

Town of Parish: A.

948

02:01:40.530 --> 02:01:43.590

Town of Parish: fund balances different that's different projects.

949

02:01:45.480 --> 02:01:46.020

Town of Parish: For me.

950

02:01:48.360 --> 02:01:49.980

Town of Parish: One for next year, and you.

951

02:01:51.300 --> 02:01:53.550

Town of Parish: know we get any more complicated.

952

02:01:54.600 --> 02:01:56.700

Town of Parish: yeah right, but you could you.

953

02:01:58.650 --> 02:02:02.370

Town of Parish: Could you possibly include in that the roof, and the boiler.

954

02:02:06.870 --> 02:02:12.630

Doug Jordan: So you're saying we can't pay out the hundred thousand that we have, even though we got the money to do it.

955

02:02:13.290 --> 02:02:13.980

The.

956

02:02:22.020 --> 02:02:22.260

Town of Parish: Old.

957

02:02:33.240 --> 02:02:33.690

Town of Parish: All.

958

02:02:43.260 --> 02:02:49.620

Town of Parish: right we can't pay it this year but will pay it next year it's in there we've got the money for we just can't do it this year.

959

02:02:53.190 --> 02:03:06.900

Town of Parish: So what's your what's your pleasure, do you want to add that line and put some money in it for what was mentioned was an alarm system, along with the alarm system, a lot longer the line system goes with them.

960

02:03:11.610 --> 02:03:23.670

Town of Parish: I know they did I got the paperwork Jen the alarm system costs X, but after that you're going to have a cost, because somebody has to monitor up so each year you'll have a cost that is a wonder.

961

02:03:24.870 --> 02:03:29.040

Town of Parish: That will be point four, but this is equipment cracks that it's expensive.

962

02:03:30.810 --> 02:03:33.750

Doug Jordan: Mariana going one other thing I like to go back to.

963

02:03:34.080 --> 02:03:36.720

Town of Parish: Wait a minute we're not done with this one hold on.

964

02:03:37.770 --> 02:03:39.090

Town of Parish: So do you want to do.

965

02:03:40.560 --> 02:03:40.650

The.

966

02:03:43.350 --> 02:03:48.510

Town of Parish: 2.2 Okay, if I want to 2.2 Okay, how much you want to put in there.

967

02:03:54.570 --> 02:03:58.530

Town of Parish: Is that what it's going to cost Oh, do you know that that's what it's going to cost.

968

02:04:06.450 --> 02:04:07.500

Town of Parish: You 50.

969

02:04:08.550 --> 02:04:12.030

Town of Parish: Okay, you don't use it, we can use them right you'll have a leftover.

970

02:04:13.860 --> 02:04:16.080

Town of Parish: So you guys rigidly up with 15.

971

02:04:17.760 --> 02:04:29.070

Town of Parish: security for the alarm system, it may not be that much, but at least we got to teach okay alright, so I got that okay dog what else.

972

02:04:29.730 --> 02:04:30.210

Doug Jordan: You want to.

973

02:04:31.650 --> 02:04:41.310

Doug Jordan: I want to go back to the highway superintendents pay going back on past practice when Craig came office they dropped it down to 38,000.

974

02:04:41.850 --> 02:04:51.780

Doug Jordan: My feeling that it should go down, and he could work it up just like Craig did over the last few years, I don't know what the other boards feels about it but that's my opinion.

975

02:04:53.010 --> 02:05:00.870

Town of Parish: But it's arbitrary and capricious if you're going to do it for one you got to do it for the other, which means you have for other.

976

02:05:01.830 --> 02:05:02.610

Doug Jordan: No, you don't.

977

02:05:02.910 --> 02:05:03.120

You know.

978

02:05:08.220 --> 02:05:09.840

Town of Parish: stop talking for a minute.

979

02:05:10.170 --> 02:05:10.980

Doug Jordan: My opinion.

980

02:05:11.580 --> 02:05:17.670

Town of Parish: i've talked with legal counsel if you're doing it with one you got to do it with the other you've got four other.

981

02:05:19.770 --> 02:05:23.250

Doug Jordan: Let Bob could be great there are legal counsel.

982

02:05:24.720 --> 02:05:26.370

Doug Jordan: i'm going off this practice.

983

02:05:30.240 --> 02:05:36.780

Town of Parish: Oh, I don't know that he did I don't I don't know when Craig was here I just know when I came on he went up \$6,000.

984

02:05:37.620 --> 02:05:38.640

Doug Jordan: No, they they.

985

02:05:41.310 --> 02:05:41.850

paid.

986

02:05:43.410 --> 02:05:44.610

Over from somebody else.

987

02:05:50.610 --> 02:05:52.080

picked up the same thing.

988

02:05:54.240 --> 02:05:56.640

Town of Parish: Okay Belen did I know that but.

989

02:05:58.860 --> 02:06:09.300

Town of Parish: Okay, and and create that record I said I will never happen real hey I got an a plus right.

990

02:06:11.430 --> 02:06:13.860

Town of Parish: Previous up right.

991

02:06:15.540 --> 02:06:18.510

Town of Parish: We have documentation.

992

02:06:22.500 --> 02:06:23.820

Town of Parish: People talk a.

993

02:06:26.520 --> 02:06:26.820

Town of Parish: Little.

994

02:06:28.710 --> 02:06:32.730

Doug Jordan: hairy and the public heather chance to talk, it should be between the board.

995

02:06:35.790 --> 02:06:39.030

Town of Parish: I guess i'm the one that makes that decision dog not you.

996

02:06:41.550 --> 02:06:41.940

Town of Parish: Okay.

997

02:06:41.970 --> 02:06:56.700

Town of Parish: that's right if you're going to do it, my understanding is, you have to do it across the board for the other new positions and what we didn't cut you know when you came on I didn't get caught when I came on as supervisor I didn't get cut when I came on as a counselor.

998

02:06:57.420 --> 02:06:57.780

Doug Jordan: You know I.

999

02:06:57.990 --> 02:06:59.970

Town of Parish: I got the same a month and everybody else did.

1000

02:07:01.170 --> 02:07:06.180

Town of Parish: So I can't say that that was passed practice that I know I don't remember it at all, but I wasn't.

1001

02:07:07.530 --> 02:07:12.030

Town of Parish: sure if it was there would be a record a record of it, I mean.

1002

02:07:13.080 --> 02:07:23.730

Town of Parish: Who knows well what's the what's the consensus of the board, do you want to consider that do you want to leave it the way it is because, if you're doing him, then you got to look at the.

1003

02:07:24.900 --> 02:07:29.220

Town of Parish: supervisor and you got to counselors for people that have no.

1004

02:07:33.690 --> 02:07:36.960

Town of Parish: that's what i'm asking, or are you going to leave okay.

1005

02:07:38.400 --> 02:07:41.940

Town of Parish: It didn't matter what verse more valuable the other one is.

1006

02:07:44.160 --> 02:07:47.130

Town of Parish: premises, you want to get so many Doc when you.

1007

02:07:48.150 --> 02:07:51.840

Town of Parish: When you ran the board that I don't know.

1008

02:07:53.040 --> 02:07:54.450

Town of Parish: That the lion good.

1009

02:07:55.980 --> 02:07:59.370

Town of Parish: Job comfortable I don't.

1010

02:08:00.660 --> 02:08:02.610

Town of Parish: Over the line to.

1011

02:08:04.140 --> 02:08:07.590

Town of Parish: Get door, and it was advertised he's gonna cut one you.

1012

02:08:09.390 --> 02:08:09.660

Town of Parish: got.

1013

02:08:11.190 --> 02:08:14.670

Town of Parish: You got the new board members.

1014

02:08:19.920 --> 02:08:21.480

Town of Parish: figure I can pull it.

1015

02:08:33.630 --> 02:08:35.280

Doug Jordan: Number one I don't think.

1016

02:08:36.510 --> 02:08:41.130

Doug Jordan: I think we should just make an emotion and see where it goes, instead of having an argument about it all night.

1017

02:08:44.700 --> 02:08:49.440

Town of Parish: um well we do get to discuss up before we make the motion.

1018

02:08:50.670 --> 02:08:52.260

Town of Parish: hey one thing you're going to get.

1019

02:08:54.270 --> 02:08:55.290

Town of Parish: don't understand.

1020

02:08:58.800 --> 02:08:59.340

Town of Parish: You can.

1021

02:09:01.560 --> 02:09:02.160

Town of Parish: Do before.

1022

02:09:04.200 --> 02:09:04.740

Town of Parish: we're done.

1023

02:09:05.790 --> 02:09:06.540

Town of Parish: For today.

1024

02:09:08.610 --> 02:09:15.690

Town of Parish: You are a doctor and you should know you're gonna have to get the right people.

1025

02:09:17.760 --> 02:09:30.930

Town of Parish: I don't disagree with you, Richard I talked to a lot I talked to legal counsel and they told me because it's arbitrary and capricious if it comes up that way that a scatter be consistent you do it for all of them will you do it for nothing.

1026

02:09:32.700 --> 02:09:37.830

Town of Parish: And that's what i'm sharing, but this guy doesn't believe anything I say God is not here.

1027

02:09:39.420 --> 02:09:44.280

Town of Parish: So bring it up Google know how.

1028

02:09:45.360 --> 02:09:46.320

Town of Parish: I don't know how they.

1029

02:09:49.320 --> 02:09:49.620

Town of Parish: Look.

1030

02:09:51.360 --> 02:09:51.840

Town of Parish: At why.

1031

02:09:59.700 --> 02:10:03.750

Town of Parish: problem, let me go away with this now we'll go back seven years.

1032

02:10:05.760 --> 02:10:14.280

Town of Parish: or you may leave it the way it does the 24 everybody stays the way it is backed by gold and look at that see.

1033

02:10:21.390 --> 02:10:22.050

Town of Parish: I know that.

1034

02:10:32.700 --> 02:10:35.520

Town of Parish: And I know that was when I first came on.

1035

02:10:38.340 --> 02:10:39.000

Town of Parish: know it was.

1036

02:10:40.470 --> 02:10:43.320

Town of Parish: 44 I pointed it out to you for that.

1037

02:10:44.970 --> 02:10:48.930

Town of Parish: i'm the budget Jane we bought.

1038

02:10:51.300 --> 02:10:51.450

Town of Parish: The.

1039

02:10:53.190 --> 02:10:58.740

Town of Parish: Voting and cheese, no, I know, and you guys told me, it was supposed to be there, but it was too late, you call me up to.

1040

02:10:59.820 --> 02:11:02.640

Town of Parish: Look what happened with Jay.

1041

02:11:05.070 --> 02:11:06.030

Town of Parish: As before my time.

1042

02:11:08.130 --> 02:11:11.700

Town of Parish: Okay, so, are you willing to leave it the way it is, is what you're saying yeah.

1043

02:11:15.030 --> 02:11:15.420

Town of Parish: yeah.

1044

02:11:16.830 --> 02:11:20.190

Town of Parish: yeah let's go on the budget okay.

1045

02:11:26.400 --> 02:11:26.820

1048

02:11:44.610 --> 02:11:53.730

Town of Parish: The other changes that we discussed we're in the number that were in the budget Okay, so I was just pointing them out to you Okay, so I i'll entertain a motion to approve the.

1049

Town of Parish: Preliminary town or the town budget for 2022 town of parish budget as as it stands, with the changes that we have to put in and how I do it now with the percentages are increase okay say it again.

1050

02:12:09.420 --> 02:12:17.790

Town of Parish: Okay, so we're gonna we're gonna emotion, to adapt this as a final which I don't I don't know the Pope one more would know what we know the percentage.

1051

02:12:19.980 --> 02:12:24.420

Town of Parish: increase like the on page one, where it says, the percentage.

1052

02:12:25.860 --> 02:12:29.220

1088

02:15:31.320 --> 02:15:34.440

Town of Parish: are great, but the consequences of that.

1089

02:15:37.080 --> 02:15:40.020

Town of Parish: Because it doesn't go into them with specificity.

1090

02:15:43.140 --> 02:15:45.750

1105

02:17:30.300 --> 02:17:30.930

Town of Parish: We can.

1106

02:17:40.770 --> 02:17:41.370

Town of Parish: change our.

1107

02:17:41.970 --> 02:17:43.170

Town of Parish: Science departments.

1108

02:17:43.380 --> 02:17:43.980

Town of Parish: Up to a public.

1109

02:17:47.250 --> 02:17:49.020

Town of Parish: The only taxpayers in the song.

1110

02:17:49.380 --> 02:17:49.650

1113

02:18:04.800 --> 02:18:06.090

Town of Parish: Just for a rough idea.

1114

02:18:07.560 --> 02:18:12.090

Town of Parish: what's the opinion of the people that are here shouldn't be allowed or not allowed.

1115

02:18:13.530 --> 02:18:15.840

Town of Parish: For Sally steak.

1116

02:18:18.000 --> 02:18:18.450

steak.

1117

02:18:19.650 --> 02:18:20.010

Town of Parish: yep.

1118

02:18:23.100 --> 02:18:26.970

Town of Parish: So you're saying the legalized so we can make money on that on those drugs.

1119

02:18:28.290 --> 02:18:30.960

Town of Parish: I saw you say legalize it so we can make money I.

1120

02:18:36.240 --> 02:18:37.560

Town of Parish: know I know I know.

1121

02:18:42.000 --> 02:18:42.930

Town of Parish: Why.

1122

02:18:45.330 --> 02:18:46.170

Town of Parish: But we have.

1123

02:18:47.430 --> 02:18:49.080

Town of Parish: Different you're in there you're.

1124

02:18:50.790 --> 02:18:52.590

Town of Parish: spending our money on visiting.

1125

02:18:53.310 --> 02:18:55.680

Town of Parish: The difference of you go in and buy.

1126

Town of Parish: A proper warriors and i'd like to say he will tell you never met with him ESTA where people were high on.

1127

02:19:07.950 --> 02:19:09.870

Town of Parish: Every one of them, they were.

1128

02:19:10.890 --> 02:19:13.500

Town of Parish: Making nice killing the.

1129

02:19:18.390 --> 02:19:21.600

Town of Parish: pizza and they're happy and more noise complaints.

1130

02:19:23.700 --> 02:19:32.790

Town of Parish: But Bob if we do this doesn't go to the public, if we do this, does this go to the do we have to go the public before we can adapt.

1131

02:19:34.710 --> 02:19:38.580

Town of Parish: Okay, so if we you'd have to pass a resolution to.

1132

02:19:41.100 --> 02:19:42.330

Doug Jordan: The character is actually.

1133

02:19:43.200 --> 02:19:43.890

Then you can go.

1134

02:19:45.120 --> 02:19:47.400

Town of Parish: Okay, so that's what we're looking at.

1135

02:19:52.620 --> 02:19:53.160

Town of Parish: Okay.

1136

02:19:55.560 --> 02:20:03.420

Town of Parish: That doesn't change the wall, where they can go over to a squiggle in my pocket come back there and smoking right.

1137

02:20:04.980 --> 02:20:07.920

Town of Parish: it's not more than no prohibition.

1138

02:20:10.170 --> 02:20:24.270

Town of Parish: Still gotta realize it reality check is it going to be suffering other future be 10 years down the road our kids you're going to

grow up but they're going to think of path, just like they do beer it's not it's part of life that.

1139

02:20:25.380 --> 02:20:30.570

Town of Parish: I was gonna say it's can you still watch sudden they're saying no wait we don't want no part of it.

1140

02:20:31.770 --> 02:20:39.630

Town of Parish: it's kind of really am i'm sure there's people that feel that way but i'm sure there's people that a blessing, and if it's regulated and it sounds.

1141

02:20:41.700 --> 02:20:41.880

Town of Parish: Good.

1142

02:20:43.980 --> 02:20:46.920

Town of Parish: Because legal I tried them all the reason why.

1143

02:20:49.380 --> 02:20:54.510

Town of Parish: They don't care from hurts hurts to do or not they want and it's going to happen.

1144

02:20:56.220 --> 02:21:02.550

Town of Parish: yeah and it's going to happen so cherish want to be left behind, is a parish want to set their domains.

1145

02:21:04.470 --> 02:21:05.220

Town of Parish: Are.

1146

02:21:05.400 --> 02:21:06.480

Doug Jordan: They like it.

1147

02:21:07.380 --> 02:21:07.890

Town of Parish: You don't want to.

1148

02:21:15.450 --> 02:21:16.590

Town of Parish: be separate 31st.

1149

02:21:19.530 --> 02:21:22.050

Town of Parish: right if you're not going to let them do.

1150

02:21:22.050 --> 02:21:33.780

Town of Parish: It can't you regulate gifts owning and Okay, this is where they can do it this where they can do it when I can do it my school playground village, whatever it is.

1151

02:21:36.240 --> 02:21:37.980

Town of Parish: This is something that you.

1152

02:21:40.200 --> 02:21:40.770

Town of Parish: If we.

1153

02:21:42.120 --> 02:21:48.570

Town of Parish: Were George if we decide to do this, it has to go to a public hearing.

1154

02:21:49.740 --> 02:21:54.210

Town of Parish: All we're doing tonight according to Bob is we're going to say we're going to look at adapting.

1155

02:21:54.210 --> 02:22:02.850

Town of Parish: This law than it has to go to a public hearing and then after the public hearing we would adapt or not adopt that correct right Paul.

1156

02:22:16.860 --> 02:22:17.610

Town of Parish: say we don't want.

1157

02:22:18.660 --> 02:22:19.080

Town of Parish: More.

1158

02:22:27.660 --> 02:22:29.280

Town of Parish: So it would have to go to the public.

1159

02:22:29.460 --> 02:22:30.720

Town of Parish: Before we adopted.

1160

02:22:30.720 --> 02:22:44.820

Town of Parish: anyways Okay, so we want to do guys go to the wire, so you want to look at this as a referendum so Bob how do I asked that too, so that we could take it to the public, how do I need emotion to do.

1161

02:22:54.600 --> 02:22:55.410

Doug Jordan: Whatever.

1162

02:22:56.670 --> 02:22:59.790

Town of Parish: which would allow the town to opt out of.

1163

02:23:01.440 --> 02:23:03.180

Its way.

1164

02:23:07.980 --> 02:23:08.790

Town of Parish: pocket allowed.

1165

02:23:10.290 --> 02:23:25.200

Town of Parish: Establishing commanded and summer and establishes smoking and so on, so forth, it will say one thing I think that the if you if you don't have down the allowed established is established.

1166

02:23:26.460 --> 02:23:28.470

Town of Parish: mechanics is pretty high.

1167

02:23:32.490 --> 02:23:33.870

Town of Parish: So it's just not in the village.

1168

02:23:38.880 --> 02:23:39.210

Town of Parish: yeah.

1169

02:23:41.460 --> 02:23:42.450

Town of Parish: If you adapted it.

1170

02:23:44.280 --> 02:23:50.340

Town of Parish: Then, should they get goes to referendum tell people that down beside majority enroll yeah so that's why.

1171

02:23:50.640 --> 02:24:03.390

Town of Parish: I do, what am I asking right now to have the board say yes, that they want to go to a public to the public, and then we have to adapt to that what am I asking for right now emotion, to the board says no, they don't want to have.

1172

02:24:04.680 --> 02:24:14.610

Town of Parish: fun if you if you chose to go for the outlaw a public hearing me to public firsthand right.

1173

02:24:16.020 --> 02:24:18.270

Town of Parish: If you then the law.

1174

02:24:23.730 --> 02:24:24.060

Town of Parish: All.

1175

02:24:26.880 --> 02:24:31.140

Town of Parish: Right well i'm just asking for what I need to ask for tonight, so that we can.

1176

02:24:37.230 --> 02:24:38.490

Town of Parish: Say yeah.

1177

02:24:41.040 --> 02:24:42.810

Town of Parish: Otherwise, if we just don't do anything.

1178

02:24:45.120 --> 02:24:46.020

We want to do.

1179

02:24:49.350 --> 02:24:53.970

Town of Parish: Okay tapped out okay So what do you want, what do you want to leave it.

1180

02:24:54.180 --> 02:24:54.990

Leave alone.

1181

02:24:57.060 --> 02:25:01.890

Town of Parish: guess you got to do this by December 31 or you can't opt out.

1182

02:25:04.140 --> 02:25:07.470

Town of Parish: My opinion is leave it alone and then we'll take and bring it up.

1183

02:25:09.090 --> 02:25:11.310

Town of Parish: In January for voting for for.

1184

02:25:13.140 --> 02:25:14.670

Town of Parish: Let the zoning board.

1185

02:25:17.610 --> 02:25:20.010

Town of Parish: Yes, alone can set up.

1186

02:25:21.360 --> 02:25:30.840

Town of Parish: Set up zoning restrictions and stuff that way you're satisfying both parties okay right now building establishment or Megan.

1187

02:25:32.250 --> 02:25:46.590

Town of Parish: And we have to go into the zoning areas that need anyways so in the town, most of it is rural mixed use, we have the quarter the highway or it can go into an establishment like that, like at the top one or four.

1188

02:25:47.130 --> 02:25:58.080

Town of Parish: You don't remember really one little for me that's where most commercial properties with going into the village is a little different, but in the town it's one of our areas other than that, I think we got rid of most of them.

1189

02:26:02.670 --> 02:26:10.380

Town of Parish: don't leave anything on 16 any in any intersection on 69 years of.

1190

02:26:15.840 --> 02:26:20.040

Town of Parish: The 26 years ago right I got 6969.

1191

02:26:22.980 --> 02:26:26.940

Town of Parish: So we have to block near one for emerging.

1192

02:26:36.630 --> 02:26:38.340

Town of Parish: Gary wants to just leave it alone.

1193

02:26:40.380 --> 02:26:40.740

Doug Jordan: Because.

1194

02:26:41.340 --> 02:26:45.150

Town of Parish: We do have a standard or whatever, so, then I.

1195

02:26:46.980 --> 02:26:47.430

Town of Parish: saw your.

1196

02:26:50.160 --> 02:26:50.520

Town of Parish: baby.

1197

02:26:52.020 --> 02:26:52.260

Town of Parish: Oh.

1198

02:26:52.320 --> 02:26:59.400

Town of Parish: yeah okay so we'll just go by what they just decided to leave it alone do we have to vote to leave it alone or.

1199

02:27:01.470 --> 02:27:03.930

Town of Parish: Correct yeah don't do anything.

1200

02:27:05.100 --> 02:27:07.710

Town of Parish: Okay, all right holy cow thanks guys.

1201

02:27:08.760 --> 02:27:10.110

Town of Parish: Okay, the next one.

1202

02:27:12.210 --> 02:27:13.950

Town of Parish: To the next page here.

1203

02:27:18.630 --> 02:27:21.030

Town of Parish: Okay, I talked to.

1204

02:27:23.610 --> 02:27:24.750

Town of Parish: A gentleman.

1205

02:27:26.040 --> 02:27:37.920

Town of Parish: He was last name that works for conboy mckay backman and Kendall in watertown is a municipal lawyer to do this to cover this information we're looking for with special counsel.

1206

02:27:38.550 --> 02:27:45.630

Town of Parish: they're willing to do it it's short term I tell them it's only from now to December 31 unless you change to do it differently.

1207

02:27:46.170 --> 02:27:49.920

Town of Parish: So that we can get these some other thing out of the way regarding the insurance.

1208

02:27:50.430 --> 02:27:59.910

Town of Parish: Are you guys okay with me hiring him, he said he needed a retainer and i'm like okay I gotta ask the question so are you okay with me hiring This company has to.

1209

02:28:00.480 --> 02:28:08.400

Town of Parish: two or more municipal lawyers in there, that will look at it i've got to send them the information and then they'll go through what but I need your permission.

1210

02:28:08.880 --> 02:28:09.210

Doug Jordan: Because you.

1211

02:28:09.840 --> 02:28:11.670

Doug Jordan: don't want to go overboard on the.

1212

02:28:12.270 --> 02:28:24.300

Town of Parish: Judge gave me the insurance stuff that we need to tie your special counsel and I said i'd lot I talked to two others and they're too busy right now to do what I don't see why there's a need.

1213

02:28:26.070 --> 02:28:33.480

Town of Parish: For the insurance question and I think it's a conflict of interest for you, because you get the insurance to us might.

1214

02:28:35.310 --> 02:28:45.750

Town of Parish: Choose me my opinion with insurance with the judge facts are he was working at the highway department when that contract was agreed upon and approved.

1215

1242

02:31:42.570 --> 02:31:43.350

1250

02:32:40.590 --> 02:32:43.200

1295

02:38:31.380 --> 02:38:31.830

Town of Parish: Yes, it.

1296

02:38:34.260 --> 02:38:34.830

Town of Parish: Is.

1297

02:38:37.590 --> 02:38:45.540

Town of Parish: Be for building the board the board, does the boy does it at the organizational meeting in January.

1298

02:38:49.680 --> 02:39:08.160

Town of Parish: And when they move they normally move in clusters, in other words one family moves in and then several families move it okay so for the cost of a fee, do we want to lose five or \$6,000 worth of property tax and money.

1299

02:39:09.330 --> 02:39:10.860

Town of Parish: For what what what.

1300

02:39:12.300 --> 02:39:14.040

Town of Parish: I said is four cents a square foot.

1301

02:39:15.180 --> 02:39:25.170

Town of Parish: let's say \$500 so we want to throw away \$250 based on what is going to be a tax takes just throwing it out there.

1302

02:39:25.920 --> 02:39:38.310

Town of Parish: You know, think about it before you make that final decision and rather you want to charge them less you just have a look around, how many how many people have moved into the area, do you think.

1303

02:39:39.510 --> 02:39:43.680

Town of Parish: Do you think the cost of the permanent going to get them to not move into our area.

1304

02:39:44.400 --> 02:39:53.970

Town of Parish: Or, I said, do you think the cost of that permit is going to force them to not move into our area I don't think so jack they already bought the property so but that's good point.

1305

02:39:54.750 --> 02:40:06.840

Town of Parish: don't charge them and then you got people moving in tax revenue, you know, I understand that, but if you didn't wouldn't you want me to charge you the same amount that I charge religion.

1306

02:40:07.080 --> 02:40:07.530

Doug Jordan: at all.

1307

02:40:11.670 --> 02:40:19.950

Town of Parish: You know, again they don't dispute we there's good yeah it's just I I disagree with the board on that i'm thinking okay.

1308

02:40:22.320 --> 02:40:23.370

Town of Parish: was in the background.

1309

02:40:24.750 --> 02:40:35.310

Town of Parish: i'm still thinking i'm still saying that we made an arbitrary decision to say that that meetings illegal okay i'm going to repeat the statement I made earlier.

1310

02:40:36.270 --> 02:40:50.280

Town of Parish: got it down, but only a court can make a determination, whether a gathering is illegal or whether there has been a violation of the open meeting law that's what it says in the law okay.

1311

02:40:51.960 --> 02:41:01.620

Town of Parish: I think I think you made an error in denying that meeting, I think, legal Jackson opinion and nine is the opposite so well.

1312

02:41:02.670 --> 02:41:03.510

Town of Parish: Then i'm leaving.

1313

02:41:06.540 --> 02:41:08.340

Town of Parish: anybody else have any comments.

1314

02:41:09.480 --> 02:41:10.230

1317

02:41:26.490 --> 02:41:28.650

Parish citizen: Mariana i'm Sorry, I have a comment.

1318

02:41:29.130 --> 02:41:29.760

Town of Parish: Yes, ma'am.

1319

02:41:30.780 --> 02:41:38.490

Parish citizen: I believe that, regardless of who an individual is, they should be charged the same amount.

1320

02:41:40.890 --> 02:41:42.780

Parish citizen: For services.

1321

02:41:44.310 --> 02:41:51.810

Parish citizen: And I don't think I should get special treatment they are wonderful people, but there are people, just like the rest of us.

1322

02:41:52.740 --> 02:41:55.800

Town of Parish: Thank you appreciate it is that Aaron.

1326

02:42:13.260 --> 02:42:14.490

Town of Parish: need emotion.

1327

02:42:17.130 --> 02:42:18.600

Town of Parish: I need a motion.

1328

02:42:21.240 --> 02:42:25.920
