63

00:07:28.410 --> 00:07:35.430

Town of Parish: To have that meeting, and then whatever you want to do it all in bed with me i'd either said yes or no.

64

00:07:36.720 --> 00:07:39.450

67

00:07:58.230 --> 00:08:01.530

Gary Wood: And like to reply to that Richard of So can I marry in.

68

00:08:03.360 --> 00:08:03.750

Town of Parish: here.

69

00:08:05.040 --> 00:08:14.400

Gary Wood: Okay, first of all, Richard I appreciate, you have your respect and concern for the veterans and stuff that's So do I every one of us okay.

70

00:08:15.060 --> 00:08:29.130

Gary Wood: To set things straight nothing, absolutely nothing, with them meeting had anything to do with disrespecting the veterans okay now I take and give out of my paycheck every week.

71

00:08:29.970 --> 00:08:43.980

Gary Wood: A large sum of money okay to the disabled veterans okay wounded warrior project there's not there's a lot of veterans in my family I respect everyone that serves our country.

72

00:08:45.180 --> 00:08:57.450

Gary Wood: But it has absolutely nothing to do and trying to turn this around the back, and like we're disrespecting the veterans that is very i'm ashamed to you for even think of that number two number two.

73

00:08:59.040 --> 00:09:12.000

Gary Wood: You said in here talking is the most i've heard you talk in the two years i've been on this board and the only reason why i've heard you say so much is because the position we're talking about is your son.

74

00:09:13.110 --> 00:09:21.450

Gary Wood: And my rights by the law, you shouldn't be saying a word about that possession or worried about the bay, because that's a conflict of interest.

75

00:09:22.140 --> 00:09:31.200

Gary Wood: And i've been told that about when my wife was on the bar, not to say a word and Marianne knows it, but she allowed that at the last meeting.

76

00:09:31.620 --> 00:09:40.620

Gary Wood: she's allowing it at this meeting you called people a lot of names said they were stupid said said a lot of swearing language, things were out of control.

77

00:09:41.220 --> 00:09:56.610

Gary Wood: that she refused to stop okay that was very disrespectful but as far as the veterans and every single one that has fought died or wounded for our country has not most respect from me.

78

00:09:57.930 --> 00:10:10.560

Gary Wood: And john and I believe anybody else, so please do not sit there and tell me that we have no respect for the veterans because I am very extremely offended by that.

79

00:10:11.340 --> 00:10:20.490

Gary Wood: Okay, we voted, we had a meeting okay everybody was all for it, and then they changed their mind Marianne was even for it and then she said no.

80

00:10:21.420 --> 00:10:34.020

Gary Wood: But we continue to have it to get some work done, we tried saving this down thousands of dollars okay all right time, ad budget that we took and agreed on on that meeting.

81

00:10:34.920 --> 00:10:45.180

Gary Wood: Was saving the town, a lot of money, the budget that Marianne broad and you brought at the following meeting had a mistaken to it and was going to cost everybody.

82

00:10:45.660 --> 00:10:54.750

Gary Wood: At least 20 or \$200 for every hundred thousand dollars assessment Okay, I had to be corrected, you cannot ask Paul baxter.

83

00:10:55.230 --> 00:11:00.150

Gary Wood: Even after was sent to the county there was big mistakes from my maryann's office.

84

00:11:00.750 --> 00:11:18.720

Gary Wood: But there wasn't mistakes on our side and the person that caught those mistakes was the town clerk noticed the mistake God blesses she caught those mistakes, because every single taxpayer in this town would have been paying thousands of dollars more than their taxes.

85

00:11:19.110 --> 00:11:20.520

Town of Parish: Gary Gary Gary.

86

00:11:21.540 --> 00:11:23.430

Town of Parish: nothing to do with what he was talking.

87

00:11:23.430 --> 00:11:24.480

Gary Wood: About he's like.

88

00:11:24.570 --> 00:11:28.350

Gary Wood: his opinion yeah he's his opinion high voice mine.

89

00:11:28.650 --> 00:11:29.400

Town of Parish: Okay, and and.

90

00:11:29.820 --> 00:11:31.770

Gary Wood: Tom I have to say about that saying.

91

00:11:32.580 --> 00:11:38.220

Town of Parish: That it's my turn I just want to make a correction I didn't catch it right all right Greg got.

92

00:11:39.240 --> 00:11:45.480

Town of Parish: high water into the town clerk Gary so get your facts straight number one number two there was no reading.

93

00:11:45.720 --> 00:11:56.670

Town of Parish: On that night and I told you that the three of you put that call a meeting it was not advertised it wasn't an emergency, so the decisions that you made that night would know and boy.

94

00:11:56.730 --> 00:11:58.350

Gary Wood: They denied man matt.

95

00:12:01.980 --> 00:12:03.300

Gary Wood: We got from them.

96

00:12:03.690 --> 00:12:06.990

Gary Wood: That only people that can be taken another meeting.

97

00:12:07.110 --> 00:12:08.550

Gary Wood: Is the state Supreme Court.

98

00:12:08.880 --> 00:12:10.260

Town of Parish: How well the state Supreme Court.

99

00:12:10.260 --> 00:12:13.800

Gary Wood: In your state Supreme Court did not involve any meeting that was a valid meeting.

100

00:12:13.890 --> 00:12:15.540
Town of Parish: There was not a valid meeting.

101
00:12:15.600 --> 00:12:16.590
Gary Wood: Yes, Sam was.

102
00:12:16.890 --> 00:12:26.220
Town of Parish: affected with what religion is trying to point out is that you were disrespectful in that you had a meeting and Armistice Day that's what he's talking about.

103
00:12:26.850 --> 00:12:27.120
Town of Parish: Now.

104
00:12:27.390 --> 00:12:33.510
Town of Parish: i'm sorry made the decision, the decision to have a meeting and that's what he's talking about.

105
00:12:33.900 --> 00:12:45.360
Town of Parish: And, and I agree with them that's reason why we've been data over there was no reason to hold it with the decisions that were made were made at the following meeting the same things came up that you guys decided.

106
00:12:45.840 --> 00:12:53.700
Town of Parish: To talk about on the whatever the date was we covered it at the last meeting there was no reason for that one The week before you guys.

291

00:35:39.690 --> 00:35:50.760

Town of Parish: Here I didn't know you wanted to discuss it and open session, but since you brought it up before the session I guess it well, I finally get the letter yesterday from the company that we hired.

292

00:35:52.110 --> 00:35:52.830

Town of Parish: To review.

293

00:35:53.880 --> 00:35:54.150

Town of Parish: and

294

00:35:56.070 --> 00:35:58.860

Town of Parish: You gave me permission to hire a particular.

295

00:35:59.790 --> 00:36:02.010

Gary Wood: permission to hire anybody who wanted.

296

00:36:02.250 --> 00:36:03.090

Gary Wood: A price.

297

00:36:04.140 --> 00:36:05.070

Town of Parish: Okay well.

298

00:36:05.130 --> 00:36:07.230

Gary Wood: You were not approved budget to hire anybody.

299

00:36:07.380 --> 00:36:21.930

Town of Parish: Higher special counsel and that's what I did no, we did not there was nobody oh my permission to fire special counsel in October I don't even know if you were here five or not, but in October, I asked for permission to hire sculpture Council.

300

00:36:22.170 --> 00:36:28.560

Town of Parish: Because it's a conflict of interest for people in this we go county to review this for us, we go county judge, and that was.

301

00:36:29.040 --> 00:36:30.510

Gary Wood: My estimate.

302

00:36:31.020 --> 00:36:33.300

Gary Wood: of how much it's gonna cost to get counseling.

303

00:36:33.930 --> 00:36:37.890

Town of Parish: And he didn't he doesn't need a writer thing and again if you're.

304

00:36:39.360 --> 00:36:40.440

Town of Parish: There yeah yes.

305

00:36:42.390 --> 00:36:49.050

Town of Parish: I was at the last meeting November meeting, yes, you are not FDA actually just let me talk, thank you.

306

00:36:49.830 --> 00:37:00.180

Town of Parish: I was at the last meeting and you propose to hire an attorney from tomboy okay back when in Canada, yes, can you wanted permission from the board to do there.

307

00:37:00.900 --> 00:37:17.010

Town of Parish: And then, it was discussed that perhaps we could find local council to do that, and you agree to that, I said it was a conflict of interest, no, no, no, because they are concise go ahead i'm sorry, you said.

308

00:37:18.840 --> 00:37:34.020

Town of Parish: I said that it wasn't a conflict of interest you said it was I said Okay, then let's try to hire local council to be special counsel, we discussed tiring of Mr sager from my office, but he can't do it because he represents.

309

00:37:35.910 --> 00:37:48.420

Town of Parish: The judge, so I I assumed that we would discuss tonight who was special counsel was going to be hired if there was a conflict of interest, nobody gave you authority to hire an attorney.

310

00:37:48.750 --> 00:37:51.300

Gary Wood: Exactly exactly.

311

00:37:53.760 --> 00:37:59.370

Town of Parish: I make a motion so Carl and his wife could have health insurance through the talented you put 30 years of service and this.

312

00:38:00.660 --> 00:38:01.290

Gary Wood: motion.

313

00:38:03.300 --> 00:38:07.170

Gary Wood: I second that motion so let's have our discussion before we roll call vote.

314

00:38:09.630 --> 00:38:29.370

Town of Parish: or into the out of town, how to county lawyer, that we hired he doesn't qualify, based on the contract, based on the resolution that was adapted in 2013 by George because he did not hire from the town of parish so he does not qualify as.

315

00:38:30.660 --> 00:38:36.930

Town of Parish: A way to languages on the contract does not qualify for retirement, yes, you can do the insurances bought bananas doing.

316

00:38:38.100 --> 00:38:39.570

Town of Parish: That as a retiree.

317

00:38:41.670 --> 00:38:43.080

Gary Wood: Well, I disagree with that.

318

00:38:44.190 --> 00:38:48.030

Gary Wood: And I believe, with the service that you put in the town for 30 to 40 years.

319

00:38:48.390 --> 00:38:58.110

Gary Wood: and other people that have worked for the town that aren't in the highway department and received the insurance, I put my vote is to put him on the insurance, just like.

320

00:38:59.370 --> 00:39:00.960

Gary Wood: everybody else says in that.

321

00:39:03.000 --> 00:39:07.650

Gary Wood: lj is going to be hitting 65 year this year so there's not going to be an increase in.

322

00:39:08.730 --> 00:39:09.330

Town of Parish: Their mean.

323

00:39:10.170 --> 00:39:13.260

Gary Wood: Building on them yeah well and so.

324

00:39:15.630 --> 00:39:25.170

Town of Parish: It will be an increase Gary is having to Belen is having one and it's going from 20,000 to over 40,000 so there will be an increase in the budget.

325

00:39:26.490 --> 00:39:26.790

Town of Parish: That.

326

00:39:28.350 --> 00:39:35.700

Town of Parish: Is up there, he only pays, if you allow it, you know he pays 20% of that amount the rest is the taxpayers burden.

327

329

00:39:47.880 --> 00:39:54.090

Town of Parish: yeah you know I think that's what we should offer we put a lot of time in this domain is going to put many more years and.

330

00:39:55.980 --> 00:39:56.130
