00:19:26.610 --> 00:19:34.890

Town of Parish: Of the prior legislation ran out on January 15 and right after can reconsider they sign the new legislation that ties.

118

00:20:14.100 --> 00:20:22.950

Town of Parish: there's nothing new to report on the taxable status of state wildlife management areas and tell other than to note this which my fight of interest.

119

00:20:24.210 --> 00:20:34.590

Town of Parish: The town of elegant, which is also part of this wildlife management area was approached by the state of the EC

because they were interested in buying some additional lands be added to it.

120

00:20:35.040 --> 00:20:45.540

Town of Parish: And one of the things that came up at the thumb work meeting in January was the Downs interest and concern how get it getting money from the State.

121

00:20:46.170 --> 00:20:54.990

Town of Parish: Taxes on that land comes up textural gets added into the wildlife management area you're losing textile and, in this case it wasn't the large amount of them.

122

00:20:55.590 --> 00:21:01.470

Town of Parish: was a couple of hundred dollars, which in the scheme of the whole project is not tremendous, but it did illustrate the point.

123

00:21:02.340 --> 00:21:12.630

Town of Parish: And the town brought this up with me, you see, that no we're not getting money from one for much, much more than just this new relatively small acquisition.

124

00:21:13.200 --> 00:21:23.940

Town of Parish: So I want to let you know that one of your neighbors is still very much on board with your concern and wildlife management areas and getting a money from.

125

00:21:26.310 --> 00:21:31.020

126

00:21:32.160 --> 00:21:37.620

Town of Parish: to other things, oh mentioned, I don't have it written down on here, but one of the mentioned, I was able to help the.

Town of Parish: And the other thing I would mention is that this is another one of those things like the talking repeatable map that was ready to go but wasn't able to be printed for a while.

129

00:22:00.150 --> 00:22:14.220

Town of Parish: Because it has a new fishing and hunting guys, until recently, they didn't have the ability, you can bet printing do have printed now, so I have some of this which I will give to our Kelly for anybody.

130

00:22:15.450 --> 00:22:17.490

169

00:27:42.870 --> 00:27:50.130

Town of Parish: So far, and i'm still that I think on tonight's business, but I did manage to get one gentleman in so that's this piece of paper right here.

170

00:27:50.760 --> 00:28:08.100

Town of Parish: So, because i'm going to try before and after Easter egg so this book right on after winning tonight so as you see, be collected \$8,856 and 20 cents and first installment payments that they get paid by 30% of.

171

00:28:10.470 --> 00:28:28.770

Town of Parish: people that have the Info 540,000 \$849 and 96 cents, which means we collected \$549,705 and 90 cents, which leads to million hundred 15,008 or 30 to cope.

172

00:28:29.940 --> 00:28:31.140

Town of Parish: With that goes into it.

173

00:28:32.700 --> 00:28:33.870

Town of Parish: So you get along we haven't.

174

00:28:35.940 --> 00:28:36.750

Town of Parish: Anything else coming.

175

00:28:44.640 --> 00:28:47.370

Town of Parish: Alright, thanks to the good work today.

176

00:28:50.700 --> 00:28:59.070

Town of Parish: Alright, is any before we go into new businesses anybody getting cold they like the heaters turn it back on or leave them off, so we can hear.

177

00:29:00.180 --> 00:29:06.300

Town of Parish: leave them off okay fantastic doing good move on in the business that.

178

00:29:08.790 --> 00:29:21.150

Town of Parish: Our annual court audit is do every year we do the justice court here in parish is due for an audit and what I have scheduled with.

179

00:29:21.990 --> 00:29:27.690

Town of Parish: The judge and sheila is they have next week, on Thursday, which is our normally scheduled workshop.

180

00:29:28.590 --> 00:29:40.380

Town of Parish: it's already been advertised, and so my hopes, instead of one person going into before system and looking at another person going in and looking at him if we can all sit down, we can all sit down.

181

00:29:40.890 --> 00:29:51.150

Town of Parish: The judge and sheila and figure out exactly what they have i've never seen it myself, so they can answer all the questions at once, instead of multiple times saves them time save us time.

182

00:29:51.480 --> 00:29:59.070

Town of Parish: it's already been advertised, so we can we can hold that as a special workshop that's next Thursday six o'clock.

183

00:30:00.330 --> 00:30:03.660

Town of Parish: Everybody everybody good with that yeah.

184

00:30:04.680 --> 00:30:13.440

Town of Parish: Fantastic that we don't have to advertise it so it's a scheduled as a workshop, and so we will do that and I will let her and she will know.

185

00:30:14.610 --> 00:30:21.480

Town of Parish: That we are good to go look at their books and then we can get that done and sent off to the justice system.

186

00:30:24.180 --> 00:30:25.560

Town of Parish: next on the list.

187

00:30:26.760 --> 00:30:43.410

Town of Parish: As Paul mentioned earlier the Tokyo conferences coming up on the 19th there's many sessions, with a lot of information from our planning board members are required to have four years of 24 hours of training a year, this will be great for them.

188

00:30:44.460 --> 00:30:53.730

Town of Parish: And I could bring that up to the planning board and i'm sure, Mr gage again as well that we're going to have it reviewed our training in.

189

00:30:54.780 --> 00:31:02.580

Town of Parish: So it is 19th We just have to go to Gal and she will get that in when it's sure to matters we send one watch your breath out.

190

00:31:03.360 --> 00:31:19.440

Town of Parish: Fantastic any questions on Tokyo Conference, it is at turning stone this year, so is that something the counselors clutter should have done, also local government can have a look and see if there's something they normally do have lots of things.

191

00:31:20.640 --> 00:31:24.030

Town of Parish: A lot of it there's an open meeting law just looking at it there's.

192

00:31:25.500 --> 00:31:36.480

Town of Parish: Ethical considerations for planning board zoning boards, but there's many things that you'll have to look in take a look and see if it's something you wish to attend you're not required to be done by you, certain Dan.

193

00:31:40.020 --> 00:31:40.740

Town of Parish: fantastic.

194

00:31:42.990 --> 00:31:46.050

Town of Parish: Next is going to be the arpa fonts.

195

00:31:47.400 --> 00:31:58.980

Town of Parish: i've been i've been hearing about our funds for a while now we've all been wondering what to do with our funds I took a one hour seminar is a simple lunch seminar, I think, was last Friday.

196

00:32:00.240 --> 00:32:10.770

Town of Parish: And what it's coming down to is, I believe, and remember this is, I believe, from what i've seen and i've heard is they have opened it up.

197

00:32:11.340 --> 00:32:17.850

Town of Parish: Where you basically have \$10 million before you have to read everything down and explain everything and, like my.

198

00:32:18.480 --> 00:32:29.610

Town of Parish: that's my understanding to Sarah through the Association of towns, but what I want to do instead of us sitting here every single month and twisting our wheels, I want to form a committee of numbers.

199

00:32:30.360 --> 00:32:37.440

Town of Parish: That want to look at how to spend this money, how to do it correctly and our best way for parish to go about doing.

200

00:32:37.920 --> 00:32:45.360

Town of Parish: We can't just continue to do everything we need some input and that's what i'm looking for some people to come in and help us with that.

201

00:32:46.170 --> 00:32:52.770

Town of Parish: So what we what I like to do is just form a committee, but I need a committee chair the committee chair, I would like to have as a board member.

202

00:32:53.220 --> 00:33:05.190

Town of Parish: That can still maintain control and we can have other people outside you know from the public come into this and see where our dollars can be said and what's our best way to do it and, like I said from what i've seen.

203

00:33:06.270 --> 00:33:07.290

Town of Parish: You could spend it on.

204

00:33:08.640 --> 00:33:15.660

Town of Parish: A snowfall you know it's not limited to just one colby cost for my understanding there's a you can just.

205

00:33:16.800 --> 00:33:26.520

Town of Parish: be open, I believe, and that's what I wanted that committee is to make sure that I didn't hear it wrong I didn't see it wrong, we have to have some solid ground.

206

00:33:27.210 --> 00:33:40.590

Town of Parish: But I certainly you know I want a committee to handle it so that we can spread this amongst other people to do some work in our in our committee, is there any one of our board members that would like to step up and Chair of that committee.

207

00:33:45.570 --> 00:33:48.240

Town of Parish: I got another how about you are, you are you interested.

208

00:33:50.310 --> 00:33:51.780

Douglas Houghton: I can hear you very well.

209

00:33:52.500 --> 00:33:57.570

Town of Parish: Are you interested in the arbonne committee and possibly being a chair.

210

00:33:58.140 --> 00:33:59.280

Douglas Houghton: Talk about it later.

211

00:33:59.730 --> 00:34:00.930

Town of Parish: Okay that's good.

212

00:34:02.910 --> 00:34:04.800

Douglas Houghton: news to reach but i'm glad I can hear you.

213

00:34:06.780 --> 00:34:07.170

Town of Parish: me too.

214

00:34:08.550 --> 00:34:09.270

Town of Parish: So.

215

00:34:10.290 --> 00:34:20.940

Town of Parish: I think RON has already boisterous and we can have co chairs around the board and you guys can have a group of 10 Members I I think it's great for the public to get involved and get their hands wet near and.

216

00:34:22.110 --> 00:34:24.120

Town of Parish: Then this money that's best for bearish.

217

00:34:25.170 --> 00:34:26.550

Town of Parish: emotion form a committee.

218

00:34:30.990 --> 00:34:35.640

Town of Parish: probably better to overdo it, and undo it and do we have to name the chairs and that.

219

00:34:38.130 --> 00:34:39.270

Town of Parish: that's what i'm thinking also.

220

00:34:40.530 --> 00:34:40.890

Town of Parish: Okay.

221

00:34:44.130 --> 00:34:53.970

Town of Parish: What we're going to do, then I need a motion to committee with currently grabbing is our chairperson, we can add to that later we wish i'm.

222

00:34:55.170 --> 00:34:56.430

Town of Parish: hearing what makes the motion.

223

00:34:57.450 --> 00:35:00.000

Town of Parish: of second Richard morning seconds.

224

00:35:01.950 --> 00:35:07.800

Town of Parish: i'm not going to do a roll call just do an idol all those in favor Aye all those opposed.

225

00:35:09.540 --> 00:35:10.440

Town of Parish: To go.

226

00:35:10.770 --> 00:35:11.610

Douglas Houghton: I said I.

227

00:35:11.970 --> 00:35:12.720

Town of Parish: That a boy.

228

00:35:14.910 --> 00:35:20.550

Town of Parish: i'm checking on anybody abstained, I didn't hear anybody saying, but i'm gonna throw that out there anyways.

229

00:35:21.570 --> 00:35:22.890

Town of Parish: Motion passes.

230

00:35:27.270 --> 00:35:36.840

Town of Parish: Like I said anybody can help I just needed a chair to guide it and report back to me and that way I don't have to talk to 10 people we just talked with the Chair, it makes our life, a little simpler.

231

00:35:39.120 --> 00:35:39.990

Town of Parish: next thing.

232

00:35:41.130 --> 00:35:42.750

Town of Parish: We have formed a committee.

233

00:35:43.980 --> 00:35:54.360

Town of Parish: We have a new member of the parish volunteer fire company, and so what I would like to do is make the motion to accept him in, we have to do this.

234

00:35:54.750 --> 00:36:03.690

Town of Parish: In accordance with a non profit, not for profit corporation law, so what I will do is I will read this out and if we all approve it should be good.

235

00:36:04.470 --> 00:36:16.710

Town of Parish: So, whereas Thomas gold of 650 kip road Paris New York has been approved by the parish volunteer fire company for a position as an active member, and whereas time go Thomas code.

236

00:36:17.130 --> 00:36:30.450

Town of Parish: Is a resident of the fire protection district of the town now, therefore, the town here by approves membership of Thomas gold in the parish volunteer fire company immediately I need a motion for that.

237

00:36:31.890 --> 00:36:40.500

Town of Parish: Thanks to move Robin eaten moves, can I have a second very good seconds all those in favor I.

238

00:36:44.700 --> 00:36:45.930

Town of Parish: Can abstain.

239

00:36:47.910 --> 00:36:54.360

Town of Parish: Motion passes got that Kelly good okay we're gonna move on to the next slide.

240

00:36:56.430 --> 00:36:58.950

Town of Parish: Joe Russell separation from Barclays team and.

241

00:37:01.290 --> 00:37:05.070

Town of Parish: For those that are unaware Joe Russell was our.

242

00:37:06.900 --> 00:37:17.340

Town of Parish: representative from Barclays demon he has gone out on his own opening his own law firm called Joseph w Russell PC and as this letter states.

243

00:37:19.620 --> 00:37:23.490

Town of Parish: All of the records stayed with him, unless we object, otherwise.

244

00:37:25.830 --> 00:37:40.440

Town of Parish: So if we don't if we agree that he keeps our files, we do nothing further if we disagree, then we will have to make other plans to pick up somebody else and i'm not sure exactly, I believe, Joe was the head of the.

245

00:37:42.000 --> 00:37:43.380

Town of Parish: Water I believe.

246

00:37:46.350 --> 00:37:54.990

Town of Parish: Special counsel for water right so he's got all that information with his records, I think we keep it with him for a while that's just my personal opinion.

247

00:37:56.070 --> 00:38:04.350

Town of Parish: Unless somebody has an objection is why not to I would just move that we do nothing on this and we let the letter go and we don't have to do anything.

248

00:38:05.850 --> 00:38:07.110

Town of Parish: Anybody have any comments.

249

00:38:09.600 --> 00:38:11.760

Town of Parish: sounds good yep okay.

250

00:38:13.470 --> 00:38:20.820

Town of Parish: Shall we take a boat on that as well, no that's what I was hoping okay looks good will do nothing then Thank you guys girls.

251

00:38:22.380 --> 00:38:22.950

Town of Parish: Next.

252

00:38:24.210 --> 00:38:25.680

Town of Parish: is going to be.

253

00:38:26.850 --> 00:38:29.220

Town of Parish: The official parish Community Facebook page.

254

00:38:31.860 --> 00:38:41.070

Town of Parish: This has been going on for quite some time it's been a thought of mine for a little while I am not on Facebook, but I truly believe.

255

00:38:42.120 --> 00:38:46.320

Town of Parish: That it is time to get onto Facebook in a positive manner.

256

00:38:48.480 --> 00:38:51.540

Town of Parish: With this, I believe we need a parish community as.

257

00:38:52.320 --> 00:38:52.620

well.

258

00:38:54.000 --> 00:38:54.780

Town of Parish: Take care of.

259

00:38:56.310 --> 00:38:57.180

Town of Parish: negativity.

260

00:38:57.510 --> 00:38:57.990

All right.

261

00:39:02.070 --> 00:39:02.460

Town of Parish: Thanks.

262

00:39:05.430 --> 00:39:25.620

Town of Parish: So with That being said, let's have some discussion on a Facebook page, we know the topic is i'm not on it, I know nothing about it, but I need people that are on it to discuss the group that we bring to the parish Robin I know you're into this big so let's start.

263

00:39:26.700 --> 00:39:40.650

Town of Parish: um so those of you that do know, I was the one of the administrators for the parents talk of the town page, which I have since resigned from so that there'd be no question of any perceived.

264

00:39:41.580 --> 00:39:51.300

Town of Parish: ethical questions there's no ethical reason for me to, but I just to avoid any any any potential conflicts that.

265

00:39:52.920 --> 00:40:05.670

Town of Parish: At any rate, that being said, I think it's important for us to reach out to as many people as possible, I think zoom is a great tool, although we need to improve our connectivity who sticks.

266

00:40:06.840 --> 00:40:11.850

Town of Parish: I also think Facebook, is another way to reach another sector of the Community.

267

00:40:12.900 --> 00:40:20.850

Town of Parish: My my proposal would be that we have a Facebook page that nobody can comment on, and what I mean by that is.

268

00:40:21.630 --> 00:40:28.050

Town of Parish: If we're having a meeting we posted there as needed and somebody might comment in that section.

269

00:40:28.770 --> 00:40:40.380

Town of Parish: But yeah this meeting is dumb and Robin as an administrator or Gary as an administrator could delete negative type comments I mean there would have to be rules, but this is not a page where.

270

00:40:41.040 --> 00:40:52.860

Town of Parish: Joe blow could go on to like you can encourage stock at home and actually comment on that page, they would have to comment through messenger and never go to whomever the administrators are.

271

00:40:53.250 --> 00:41:01.560

Town of Parish: To address those questions so it doesn't basically it doesn't show up on the screen it just goes to you like it ties me yes.

272

00:41:03.570 --> 00:41:16.020

Town of Parish: I think so many, many businesses do have this model when i'm angry with planet fitness and I want to blast them because you know hot water in the shower I cannot go on their Facebook page.

273

00:41:17.190 --> 00:41:34.440

Town of Parish: Well, I can, if planet fitness and saying we're open today and it's free donut day in the comment section there we go yeah the water Okay, and the administrator can erase that so with this in mind.

274

00:41:35.790 --> 00:41:38.730

Town of Parish: You would be the administrator, I would like to be.

275

00:41:40.440 --> 00:41:42.000

Town of Parish: I cannot be.

276

00:41:43.380 --> 00:41:52.590

Town of Parish: I think that maybe I think I talked with jack Brzezinski as my personal Secretary i'm sorry about that.

277

00:41:54.600 --> 00:42:01.650

Town of Parish: I think he may be interested in as well, and I know Mr holton is on Facebook as well um he may be interested.

278

00:42:02.550 --> 00:42:09.870

Town of Parish: So I think we have enough a core group of people if we'd like to do this, we can certainly put Robin in charge of this.

279

00:42:10.290 --> 00:42:31.440

Town of Parish: And let her take off and into Facebook land with some assistance and some guidance from others to help her manage you know the terrible so Facebook what what I would also suggest them making come back to this next month, maybe collectively agree on what can get posted there.

280

00:42:34.050 --> 00:42:35.670

Town of Parish: Right, and I mean coming up.

281

00:42:35.700 --> 00:42:36.360

Town of Parish: Like I said with.

282

00:42:36.450 --> 00:42:42.180

Town of Parish: With basic tools are we just talking advanced advanced we want, but every town.

283

00:42:42.690 --> 00:42:52.170

Town of Parish: village event planning board meetings you those kind of details, you know, to discuss that here back next month and, and I can bring a list of what I think.

284

00:42:53.130 --> 00:42:57.570

Town of Parish: I think that's a great idea you bring a list you can take input in the.

285

00:42:58.230 --> 00:43:08.550

Town of Parish: email from other people, Mr Brzezinski Mr hoping if he wishes get that list together working together to bring it back to us and we can approve it next month.

286

00:43:09.150 --> 00:43:18.540

Town of Parish: And then we can go forward, right after next month and do what you gotta gotta do somebody's name you haven't eaten, yet I know you've been working on this.

287

00:43:19.860 --> 00:43:25.890

Town of Parish: A name yeah the talent, a pair right somebody told me, the other day positively Parish.

288

00:43:29.490 --> 00:43:36.480

Town of Parish: Just to get that you know positivity out there, if you please versus that is already there.

289

00:43:37.380 --> 00:43:47.580

Town of Parish: This would be you know something to that effect, you can take it over to somebody through that I mean I wrote it I jotted it down, so I wouldn't forget it um but that's just something to think about and can be great to get.

290

00:43:49.350 --> 00:44:02.550

Town of Parish: Money loving mentor in the park and just met simply barking second but an advisor yes, that is correct, that is sort of stuff i'd like to do, what do you think that, like.

291

00:44:03.780 --> 00:44:13.080

Town of Parish: Apparently there could be maybe taking suggestions from families and residents i'd like to see this down i'd like to see, and that would be up to host.

292

00:44:14.100 --> 00:44:22.320

Town of Parish: an administrator could make inviting comments it's not that people can just comment, they have to be in by the Department yeah you're scaring them before you put.

293

00:44:24.600 --> 00:44:33.660

Town of Parish: Something every day what we will do is we put that in the old business for next month's meeting as we didn't make emotion out of it or anything like that, so we won't have to table it.

294

00:44:34.050 --> 00:44:53.190

Town of Parish: was just discussion, so I appreciate it that's good we're looking looking very good we're going to move on, unless anybody else has anything else to say on Facebook page cool Okay, the assessors motion, I have an assessors motion that the assessor needs.

295

00:44:55.230 --> 00:45:00.000

Town of Parish: To grant exemptions on a 2022 talent assessment tool.

296

00:45:01.080 --> 00:45:05.130

Town of Parish: it's kind of long and it almost looks like two motions.

297

00:45:09.660 --> 00:45:11.730

Town of Parish: One is emotion resolution.

298

00:45:18.390 --> 00:45:18.900

Okay.

299

00:45:20.280 --> 00:45:22.830

Town of Parish: This one looks like a short one this one's like a long.

300

00:45:24.300 --> 00:45:26.820

Town of Parish: i'm going to give us because this needs to be done.

301

00:45:27.900 --> 00:45:36.900

Town of Parish: i'm going to give you the short one and I will give this right over to Bob and make sure that i'm correct, but I just need a motion I can hear it, I can read it to you.

302

00:45:39.540 --> 00:45:47.730

Town of Parish: It states its emotion town assessor authority to grant exemption is on the 2022 town assessment or all motion by Councillor second by councillor.

303

00:45:48.150 --> 00:45:50.730

Town of Parish: Hearing no objection, the town board of the town of Parish.

304

00:45:51.030 --> 00:46:06.000

Town of Parish: Pursuant to the talent, Paris, we authority granted by the executive order number 11.1 issued by the governor State of New York is hereby direct the assessor a ton of Paris to grant exceptions on the 2022 assessments in accordance with the resolution attached here too.

305

00:46:07.110 --> 00:46:18.870

Town of Parish: So that must be the the attachment like I said this was just sending my email and then actually just kind of long I can read it, if you wish for granted, you know grants exemptions for 2021.

306

00:46:20.940 --> 00:46:22.320

Town of Parish: I wish, she was here.

307

00:46:26.280 --> 00:46:41.970

Town of Parish: Very good enough clapping yes, I like I said I had to print it out put in Paris in the little tiny spots where it says this town in this town and I apologize for that, but I knew she wanted to get it done with.

308

00:46:45.360 --> 00:46:46.650

Town of Parish: We can table that.

309

00:46:48.570 --> 00:46:48.870

Town of Parish: I think.

310

00:46:51.240 --> 00:46:56.670

Town of Parish: That doesn't have a date on, but I can give you to look at this like I said, I just want them to the server.

311

00:47:00.180 --> 00:47:10.050

Town of Parish: yeah pastor kelly's gonna text a real quick um she had surgery so we're kind of dealing with everything via email and.

312

00:47:12.540 --> 00:47:20.190

Town of Parish: it's a blanket we plug in your own town so let's look at it real quick, but while he's doing that.

313

00:47:21.600 --> 00:47:23.310

Town of Parish: We can go on to the next.

314

00:47:24.750 --> 00:47:25.410

Town of Parish: Item.

315

00:47:27.300 --> 00:47:30.660

Town of Parish: In the next item is the planning board past payments.

316

00:47:32.760 --> 00:47:45.810

Town of Parish: This has been a subject that has been going on for a while, it is now time to do what we have to do in order to get Mr Kevin millar paid.

317

00:47:46.860 --> 00:47:49.230

Town of Parish: As the planning board person.

318

00:47:50.550 --> 00:47:51.960

Town of Parish: As you know, in the past.

319

00:47:53.580 --> 00:48:00.270

Town of Parish: The past supervisor did a monthly sign in for the planning board I.

320

00:48:01.290 --> 00:48:17.040

Town of Parish: am going to a bi annual payment where I pay them \$500 in June and \$500 in December, and with that system, I can look at past minutes see who was there, who wasn't there who's not performing their job.

321

00:48:18.180 --> 00:48:34.770

Town of Parish: It takes care of some of the paperwork that we have to follow every month by paying these people with less than \$2,000 we will pay them twice a year, instead, the planning board is one of them, I can keep an eye on things, and that is the way we're going to move forward.

322

00:48:36.210 --> 00:48:45.360

Town of Parish: Because we don't have to speak during an executive session not really because we're not this is talking about a past payment nobody's in trouble nobody's.

323

00:48:45.960 --> 00:48:57.120

Town of Parish: We just have to get Kevin paid has been done out in regular session before and everybody it's been out all over the place it's been in the newspapers before.

324

00:48:58.230 --> 00:49:08.550

Town of Parish: But what i'd like to do because that's the way it was done in the past, I can get with Kevin and I know we missed one meeting or possibly two.

325

00:49:09.570 --> 00:49:15.000

Town of Parish: I will look at the minutes, I will speak with Kevin and I would like to pay him for the past.

326

00:49:15.930 --> 00:49:29.010

Town of Parish: Okay, because he's doing he worked, I know I was there I was there at every meeting I know he was there, it was get paid because he did sign up sheet, I want to correct that wrong the guy worked clearly worked there.

327

00:49:30.570 --> 00:49:39.990

Town of Parish: I just want to, I want to correct that and that is why it's it's the past board has told them to do it it's time for the new board, I believe, in my opinion.

328

00:49:40.590 --> 00:49:52.500

Town of Parish: To pay him for the work he is he's done and now it's your turn to comment on that if anybody has any comments on paying him, you know what i'm wanting to do, I just want your approval before I just start doing.

329

00:49:54.000 --> 00:49:56.670

Town of Parish: Any comments, I think you should sign the papers.

330

00:49:57.780 --> 00:50:10.380

Town of Parish: that's my thing right right unfortunately it's up to me, I watched the payroll it's up to truly as well now she's my girl excellent and that's what I want to crack what was wrong, but I doing forward as mine is my forgiveness.

331

00:50:10.800 --> 00:50:13.350

Town of Parish: I just know that the passport like I said, has.

332

00:50:14.340 --> 00:50:24.600

Town of Parish: Had that issue they ordered it done and it was never done I don't know if the current board is in the same agreement or not, but it seems like he was there I know he was there that's my point I know he was it.

333

00:50:25.530 --> 00:50:32.190

Town of Parish: it's not like a fit of he didn't do perform the work I know, and so I wanna, we have to back pain to correct the wrong.

334

00:50:32.910 --> 00:50:39.780

Town of Parish: not really wrong with just the way it was done, you know um yeah I think you should be paid i'm thinking there's a tendency.

335

00:50:40.410 --> 00:50:48.300

Town of Parish: That down isn't like you said isolation and this is the thing, this is the thing with the planning board they make \$1,000 a year for 12 meetings.

336

00:50:48.960 --> 00:51:01.410

Town of Parish: Now included in that is that four hours of mandatory training we just talked about so in the past, those people never got paid to go do that train because they were paid by meeting.

337

00:51:02.880 --> 00:51:10.470

Town of Parish: So when they attended it, what do you do you know so i'm not going to do that.

338

00:51:11.670 --> 00:51:24.300

Town of Parish: I know the the schooling part of their salary that thousand dollars, is that time it covers them after they took down the stairs and one of those classes and turning stone, is he working or not.

339

00:51:26.070 --> 00:51:27.360

Town of Parish: that's where the issue is coming.

340

00:51:28.470 --> 00:51:34.590

Town of Parish: So i'm going to have him as train, you know that it's going to be included that thousand dollars we're not gonna pay more for.

341

00:51:34.890 --> 00:51:50.190

Town of Parish: it's included in his in his minutes and I don't feel personally that a person should be penalized, because they are ill one day out of 12 meetings a year right that's just my personal opinion, you know we got to take care of the people that are stepping up and doing these little jobs.

342

00:51:51.750 --> 00:51:52.110

Douglas Houghton: and

343

00:51:52.290 --> 00:51:59.160

Town of Parish: Take care of them, you know I don't disagree with I agree wholeheartedly what I disagree with, as everyone else side.

344

00:52:00.450 --> 00:52:08.790

Town of Parish: she's only one individual refused understood, because he was under advisement and he knew from the whole the board advised him.

345

00:52:10.200 --> 00:52:24.690

Town of Parish: And they even made motions make motions and it just wasn't it wasn't done up within itself so starting out fresh that's just like I said that's my opinion that's why I want to hear any comments Richard know i'm looking to gain from it.

346

00:52:25.950 --> 00:52:29.010

Town of Parish: Okay, can we ask you, are you ready.

347

00:52:30.180 --> 00:52:31.680

Town of Parish: Yes, I don't have to give you.

348

00:52:33.360 --> 00:52:33.630

Town of Parish: know.

349

00:52:37.860 --> 00:52:39.990

Town of Parish: So don't oh.

350

00:52:41.520 --> 00:52:42.570

Douglas Houghton: yeah oh.

351

00:52:43.200 --> 00:52:47.280

Town of Parish: You have any comments on the planning board.

352

00:52:48.420 --> 00:52:50.430

Town of Parish: And their back pay.

353

00:52:52.020 --> 00:52:53.520

Douglas Houghton: fees do it pay it.

354

00:52:58.740 --> 00:53:00.780

Town of Parish: Any other comments here.

355

00:53:03.750 --> 00:53:04.350

Town of Parish: Robin.

356

00:53:05.970 --> 00:53:13.530

Town of Parish: comma Okay, I mean yeah so we call for a vote then tonight or let's have emotion emotion first before we can vote on it.

357

00:53:14.790 --> 00:53:22.830

Town of Parish: I don't know what emotion about IP is for the wire, but he's still supposed to be paid me I was testing the budget.

358

00:53:23.610 --> 00:53:31.770

Town of Parish: Well, at least this way to budget another year it's against the law to lower salaries and the budget is already set the year prior so that.

359

00:53:32.100 --> 00:53:42.960

Town of Parish: would be a deduction and pay that would be illegal right, and when we also have to remember is come the end of the year and that budget line will be decreased by \$300 whatever it may be that we owe them.

360

00:53:43.380 --> 00:53:57.810

Town of Parish: we're gonna have to move money from one account to the next accounts of where it was a plus this year because he wasn't paid, I mean it just it'll it'll all work out in my if it passes, you know, I just wanted at that time had personal replaceable.

361

00:54:00.240 --> 00:54:02.370

Town of Parish: Also, with this require of all.

362

00:54:07.080 --> 00:54:08.010

Town of Parish: i'm going to go with Bob.

363

00:54:10.440 --> 00:54:12.870

Town of Parish: So some i'll make the motion that.

364

00:54:14.370 --> 00:54:30.300

Town of Parish: All right, i'm gonna make the motion that we give Kevin the wire is past pay that is due for the year 2021 coming this year they've all get paid in June \$500 each and that's i'll be able to monitor along the line.

365

00:54:33.270 --> 00:54:36.840

Town of Parish: So I made that motion Gary is our second.

366

00:54:38.430 --> 00:54:45.570

Town of Parish: Okay, all those in favor of pain Kevin boyer his back paper 2021 let's do a roll call, please.

367

00:54:48.900 --> 00:54:49.650

Town of Parish: Staying.

368

00:54:55.170 --> 00:54:55.500

Douglas Houghton: Right.

369

00:55:11.250 --> 00:55:17.070

Town of Parish: Motion passes Thank you guys very much that there's one issue I appreciate it.

370

00:55:18.810 --> 00:55:22.260

Town of Parish: let's go on to the Constable dream it's um.

371

00:55:23.400 --> 00:55:24.900

Town of Parish: i've been in contact.

372

00:55:26.760 --> 00:55:27.930

Town of Parish: With Mike wood.

373

00:55:29.310 --> 00:55:36.420

Town of Parish: And we are currently having a shortage constables in Paris, I believe Mike I think I saw him walk in.

374

00:55:37.680 --> 00:55:48.720

Town of Parish: anytime i'm wrong raise your hand and i'll i'll have you step up to the podium and clear the clear me up all right, right now, he has given me a Labor budget.

375

00:55:49.740 --> 00:55:58.050

Town of Parish: He hopes to fall into that budget of 50 \$500 because we will be using one Constable.

376

00:55:59.280 --> 00:56:09.750

Town of Parish: per court date instead of two we are down to two constables and one that's a maybe know as well it's a possibility, so we only have two.

377

00:56:10.140 --> 00:56:30.390

Town of Parish: were spread very, very thin lawyer troubles, we need them in the courts and his budget here like I said is almost right on a key and included in that is \$50 each for annual in service training the Constable in charge it's a stipend of \$75 a month.

378

00:56:32.850 --> 00:56:46.470

Town of Parish: Contingency hours of 14 hours he's got he's got benched trials he's got da court he's got weekly regular report okay so he's going to be within that realm the hopes and.

379

00:56:46.890 --> 00:56:59.550

Town of Parish: Right now, we have Mike would and herb hawker as our officers, there is only two Mr Robert Dalton has retired and frank, the dialer vidalia has resigned.

380

00:57:02.400 --> 00:57:10.020

Town of Parish: So he's going to be within this budget, he hopes, however he'd also like to.

381

00:57:11.760 --> 00:57:13.620

Town of Parish: get another officer malt.

382

00:57:15.990 --> 00:57:20.520

Town of Parish: And in order to do that we need to spend 1500 dollars.

383

00:57:21.750 --> 00:57:27.900

Town of Parish: We don't have enough officers not around they're tough to train maybe you might you might want to step up now.

384

00:57:29.010 --> 00:57:37.530

Town of Parish: And just speak about how you want to obtain a new officer for permission, you know used, you can speak to the board who's got.

385

00:57:38.730 --> 00:57:52.680

Town of Parish: an academy coming up march 1 to march to June and i'd like to perish to sponsor an officer, we got a contract

in place for that I will certainly committed to you would be the primary court that he said there's.

386

00:57:55.740 --> 00:57:58.020

Town of Parish: At least one leg and one for 24 months.

387

00:57:59.370 --> 00:58:00.780

Town of Parish: So you've got, of course.

388

00:58:01.800 --> 00:58:03.690

Town of Parish: You have recovered recovered.

389

00:58:05.490 --> 00:58:19.740

Town of Parish: Because of 1600 dollars, I know you've got a 50 \$500 budget that's for two offices and now on so really, really into spending habits so really you got money in the budget, right now, if you want, as well as possible.

390

00:58:21.780 --> 00:58:25.320

Town of Parish: And the officers got about another 1500 dollars.

391

00:58:26.850 --> 00:58:28.410

Just for some of the training here.

392

00:58:30.300 --> 00:58:36.450

Town of Parish: So the zoom and there's some processes in place that i've given you.

393

00:58:39.810 --> 00:58:42.330

Town of Parish: A spot to be again so.

394

00:58:46.770 --> 00:58:49.230

Town of Parish: You haven't paid your anti aging.

395

00:58:53.070 --> 00:58:55.560

Town of Parish: officer, the buyer gang the board.

396

00:59:00.690 --> 00:59:12.480

Town of Parish: With them and give you a two year do you have a number of individuals that want to do this, or do you have we have a few.

397

00:59:13.500 --> 00:59:13.980

You know.

398

00:59:15.210 --> 00:59:23.280

Town of Parish: You know, anyone there's certain criteria so okay that's what I was kind of asking I don't know if you had people if you had somebody in mind.

399

00:59:24.030 --> 00:59:36.600

Town of Parish: You know we're just going right now we've got this down and we've actually brought in some of it is word of mouth, so this to people and, basically, giving them a choice with showing reports that there's a.

400

00:59:37.740 --> 00:59:43.710

Town of Parish: God given them first and second choice, and you know, based on the fit on set of interviews.

401

00:59:47.970 --> 00:59:48.960

Town of Parish: But if you do not.

402

00:59:50.190 --> 00:59:56.430

Town of Parish: know what we're looking for and welcome to you can send them that actually got some.

403

00:59:59.670 --> 01:00:04.350

Town of Parish: Mexico right now they're actually they're posting getting sent to the Academy so.

404

01:00:05.730 --> 01:00:08.490

you've got someone that's certainly a possibility.

405

01:00:09.990 --> 01:00:14.370

Town of Parish: All right, um any questions for Mike wallace here this evening.

406

01:00:15.750 --> 01:00:24.120

Town of Parish: Now, do we have any discussion on sending spending 1500 dollars on his budget that he's you know he's he says he's going to be close with it.

407

01:00:24.900 --> 01:00:32.880

Town of Parish: I think it's a great opportunity and I like we're down to one instead of you know, having to every quarter Is this a potentially use of a little bit of our money.

408

01:00:34.950 --> 01:00:45.840

Town of Parish: It could be, but quite honestly I mean we might not need to but i'm yes thing that's something we can look at you know we can throw 1500 over here, we can put this here this there.

409

01:00:46.380 --> 01:01:00.540

Town of Parish: And that's what the committee will you know see what we really need but it's a good opportunity we've got a shortage accomplices in this court, so you can't even spend the night used to have to observe every night we just can't handle it so.

410

01:01:01.860 --> 01:01:06.150

Town of Parish: Making some changes in the courtroom with metal detector setup and I think we've been able.

411

01:01:07.800 --> 01:01:13.680

to access the false did you have an excess of boys it's a good opportunity for you to get an officer.

412

01:01:14.940 --> 01:01:19.080

Town of Parish: Our sponsor today Google has sponsored.

413

01:01:23.010 --> 01:01:24.780

Town of Parish: So what you're saying is it's our turn.

414

01:01:27.180 --> 01:01:27.810

Town of Parish: So, of course.

415

01:01:29.640 --> 01:01:35.160

Town of Parish: It is there anything anybody want to make a motion to take care of that tonight and sponsor that.

416

01:01:37.710 --> 01:01:40.200

Town of Parish: Do I have a second to sponsor the possible for.

417

01:01:44.640 --> 01:01:48.450

Town of Parish: All those in favor Aye opposed.

418

01:01:50.340 --> 01:01:52.710

Town of Parish: abstain motion passes.

419

01:01:55.230 --> 01:01:59.190

Town of Parish: Fantastic we got that done and I will work on that contract.

420

01:02:02.970 --> 01:02:16.710

Town of Parish: I might have to do that in exact tonight and then we'll get back to you and is figure out where we are with this, because I do have an executive session that I could use up tonight and then i'll get back to the hopefully tomorrow.

421

01:02:21.300 --> 01:02:22.020

Town of Parish: Okay.

422

01:02:23.040 --> 01:02:24.990

Town of Parish: All right, thank you, my.

423

01:02:27.750 --> 01:02:28.290

Town of Parish: screen.

424

01:02:30.090 --> 01:02:42.780

Town of Parish: i'm going to use that executive stage session down at the end, I have a contract constables would like to discuss a little before I can do that i'm going to bring it before the board and executive session at the end of the meeting.

425

01:02:44.340 --> 01:02:44.760

Town of Parish: Yes.

426

01:02:46.470 --> 01:02:49.920

Town of Parish: No have to discuss contract negotiations not.

427

01:02:51.240 --> 01:02:51.630

Town of Parish: Okay.

428

01:02:55.080 --> 01:03:03.840

Town of Parish: Well, this one is kind of an employment agreement rubidium our legal legal relations okay so like with the Union and others.

429

01:03:04.920 --> 01:03:10.800

Town of Parish: We can do it out in the public okay let's discuss the Gospels right now make sure that's even better.

430

01:03:12.630 --> 01:03:23.880

Town of Parish: I have, and I didn't print this out because I thought we sit down and discuss it anyways um actually I did I take that back I apologize for that um you guys should have received this on your on your table.

431

01:03:25.980 --> 01:03:27.900

Town of Parish: Town a Parish that yeah.

432

01:03:29.730 --> 01:03:43.380

Town of Parish: What the constables are looking for is a pay rate of \$22 an hour the previous was \$20 an hour correct okay so

they're looking for a two hour to hour rate change as well, they are working by themselves.

433

01:03:44.640 --> 01:03:48.600

Town of Parish: I don't see an issue with that, because that is awesome I believe included in this budget.

434

01:03:53.190 --> 01:03:55.710

Town of Parish: Yes, \$22 an hour was included in this budget.

435

01:03:56.730 --> 01:04:10.470

Town of Parish: As well there's going to be a minimum charge of three hours for regular court, be a minimum of four for the Court da nite and jury trials he's asking for a minimum charge of four hours for board meetings.

436

01:04:11.910 --> 01:04:15.390

Town of Parish: I hope my is that we go to like all your other.

437

01:04:16.740 --> 01:04:19.020

Town of Parish: Regular courts are three hours.

438

01:04:20.190 --> 01:04:28.200

Town of Parish: I am personally I just wrote this as a as a note, maybe three hours our board meetings shouldn't last from six to 10.

439

01:04:29.430 --> 01:04:35.100

Town of Parish: So, if you agree with a three hour charge that would be the best prepares you know you can mark revenue.

440

01:04:37.170 --> 01:04:37.680

Town of Parish: Okay.

441

01:04:39.750 --> 01:04:40.140

Town of Parish: Okay.

442

01:04:41.190 --> 01:04:56.250

Town of Parish: yeah that's why like I said that's you know something that we can negotiate um, but that was my thought, what do you guys think on that on so firing races or anything that seems out of out of order so unusual doing a contract like this out front, but it seems.

443

01:04:58.350 --> 01:05:05.190

Town of Parish: To get paid for it so well, they get a minimum charge before and like I said, our board meetings now like I said, we have.

444

01:05:06.090 --> 01:05:18.390

Town of Parish: To get a report yeah I mean we can do three minimum a minimum of three and then they have three here for will pay him for so you know that's just the minimum charge of the show up for three so that works of.

445

01:05:20.760 --> 01:05:21.330

Town of Parish: course.

446

01:05:25.290 --> 01:05:25.680

Town of Parish: Right.

447

01:05:27.750 --> 01:05:31.800

Town of Parish: Like I said i'm hoping to get out here by e w nine but I don't know that's going to happen.

448

01:05:33.300 --> 01:05:35.820

Town of Parish: So if you get a minimum of three that's my thought you know.

449

01:05:36.930 --> 01:05:37.830

Town of Parish: Flexibility and.

450

01:05:41.670 --> 01:05:48.600

Town of Parish: Okay, but that's just on your da night it's also a minimum of four, but if you're here for six you get paid for six right.

451

01:05:49.920 --> 01:06:01.410

Town of Parish: Right well that's what I mean sometimes I will be out of here in an hour I don't want to end up paying you for hours if I haven't, we have to be at three hopefully I don't need it all on board meeting nice but that's just my personal opinion.

452

01:06:03.000 --> 01:06:10.920

Town of Parish: All right, we're going to continue on the next thing I saw it as an officer scheduled work and pork or any other function is cancelled without sufficient notification.

453

01:06:11.190 --> 01:06:17.730

Town of Parish: The officers and Type two hours and paid a couple of travel time and expense, I did not know what sufficient notification was.

454

01:06:18.690 --> 01:06:29.550

Town of Parish: I said is that four hours before the scheduled time we cancel the meeting or court or what that's why I was going to ask him, like what's what's the efficient time.

455

01:06:32.880 --> 01:06:33.780

Town of Parish: That works for me.

456

01:06:38.400 --> 01:06:43.620

Town of Parish: That a timesheet must be filled out the end of each shift and signed by the judges town supervisor.

457

01:06:44.070 --> 01:07:01.560

Town of Parish: officers will receive it an annual \$50 stipend for in service training officer must submit a voucher with proof of payment for training on the town supervisor justice must assign an officer in charge number nine I crossed off because it is repeated in number 10.

458

01:07:03.720 --> 01:07:07.170

Town of Parish: Just a little more lengthy intense wake up the link be version.

459

01:07:09.840 --> 01:07:12.390

Town of Parish: And i'll discuss with Mike for those issues.

460

01:07:13.470 --> 01:07:14.670

Town of Parish: Any questions so far.

461

01:07:17.130 --> 01:07:27.780

Town of Parish: Okay toppers responsible to provide properly operating metal detection equipment with a walkthrough Magnum Magnum I came say the word mang not Tom of her.

462

01:07:29.910 --> 01:07:37.560

Town of Parish: And hand, I can say that one and one are recommended all constables must be under the town of parish peace, peace registry.

463

01:07:38.010 --> 01:07:45.900

Town of Parish: part time as a boy's town supervisor and justice has the right to the night of employment have any officer discretion and without cause.

464

01:07:46.530 --> 01:07:53.790

Town of Parish: duties in jurisdiction within the talent or be clearly defined by the town supervisor any and all changes must be in writing.

465

01:07:54.420 --> 01:08:05.310

Town of Parish: You tell them by legal representation and insurance defend any officers use of force or deadly physical force, while acting in line of duty can you explain that to them, while we're right here like.

466

01:08:06.510 --> 01:08:08.460

Town of Parish: You know something that is never.

467

01:08:10.830 --> 01:08:11.250
Town of Parish: recovered.

468
01:08:13.980 --> 01:08:14.370
Town of Parish: Okay.

469
01:08:15.630 --> 01:08:16.050
Town of Parish: Just.

470
01:08:17.580 --> 01:08:17.970
Make sure.

471
01:08:22.650 --> 01:08:41.250
Town of Parish: And, of course, before we agreed any of this i'm going to give it to Bob and he's going to look it over just once, we agree on a nice round kick them if you mean agree we'll send it in if he agrees from good Okay, and all constables must be sworn in, and sign the booking annually.

472
01:08:42.420 --> 01:08:52.350
Town of Parish: Except, this is the first time we've done this, so this is pretty good so that we have this under our belts all officers are responsible to attain the annual minimum required article 35.

473
01:08:54.000 --> 01:08:58.500
Town of Parish: use of force defensive tactics in service training without laps.

474
01:08:59.550 --> 01:09:02.370
Town of Parish: Certified to carry a firearm and use deadly force.

475
01:09:03.600 --> 01:09:16.560
Town of Parish: qualifications that is required in officers are required to complete the annual New York state acquired workplace sexual harassment, training and to do is valid January 120 22 through December 31 2022.

476

01:09:17.820 --> 01:09:27.180

Town of Parish: And we couldn't pay them yet at this \$22 an hour rate yet because we haven't approved this so they've been getting last year's rate at \$20 an hour in case anybody's interested.

477

01:09:28.740 --> 01:09:32.040

Town of Parish: So, with that in mind, does anybody have any questions on this.

478

01:09:33.840 --> 01:09:36.390

Town of Parish: Everybody in agreement with the changes we kind of made.

479

01:09:39.270 --> 01:09:41.910

Town of Parish: Oh good, yes, you need emotional approval so.

480

01:09:43.170 --> 01:09:51.960

Town of Parish: that's what I assumed, can I have motion that in order to approve the constables association employment agreement, I move also.

481

01:09:53.550 --> 01:09:57.660

Town of Parish: Robin eating know back nobody i'm just getting there and just started.

482

01:10:00.030 --> 01:10:01.320

Town of Parish: I was stuck on the slash.

483

01:10:02.400 --> 01:10:10.680

Town of Parish: And then, very good seconded that all those in favor I like that a boy dog you're still there.

484

01:10:10.950 --> 01:10:11.730

Douglas Houghton: I can hear you.

485

01:10:13.380 --> 01:10:16.590

Town of Parish: Okay yeah and he knows.

486

01:10:17.700 --> 01:10:21.270

Town of Parish: and abstained that motion passes fantastic.

487

01:10:22.350 --> 01:10:34.230

Town of Parish: Job today Mike I appreciate it, and just for your information i'm working on that whole thing again tomorrow as i've been having a hard time flopping it over so i've been in contact your.

488

01:10:35.490 --> 01:10:41.010

Town of Parish: Yes, i'm in contact with them so we're we're working on getting it done hopefully done tomorrow all right.

489

01:10:42.270 --> 01:10:44.640

Town of Parish: Fantastic Thank you and i'll get back to you on that.

490

01:10:50.640 --> 01:10:51.570

Town of Parish: Okay.

491

01:10:54.660 --> 01:11:03.390

Town of Parish: We can be on a minimum charge three hours a day, not forceful will i'll discuss that with him before I get off i'd rather see three first board meeting if I needed.

492

01:11:04.560 --> 01:11:07.980

Town of Parish: So what i'm thinking to the street for Islam too much, but that's just my personal opinion.

493

01:11:09.150 --> 01:11:11.100

Town of Parish: Okay let's go on to.

494

01:11:12.210 --> 01:11:16.800

Town of Parish: Each other's counselor george's vehicle for any board members.

495

01:11:17.820 --> 01:11:28.350

Town of Parish: This was approached to me and what i'm going to do, I think, even next month, if a counselor approaches me and I put it on the agenda i'm going to attach their name to it.

496

01:11:29.100 --> 01:11:35.880

Town of Parish: So, if Mr Gary what comes up to me and says hey Jim put on new business to Tokyo Conference.

497

01:11:36.330 --> 01:11:51.450

Town of Parish: But Tokyo Conference would impress the so we know where it is because he's the one that's got the most information if Richard wants to you know something on the agenda he's going to have that information will put his name attached to it, so we all know, to really go for the questions.

498

01:11:52.680 --> 01:12:03.060

Town of Parish: But this one, it was brought up to me and, unfortunately, we had a an incident out front that I believe it was the December meeting.

499

01:12:04.290 --> 01:12:23.730

Town of Parish: And one of our counselors vehicles were keyed all the way down the side of it along the side off and I thought i'd bring it up here in new business it's also in the vouchers, so if we take care of it now, we won't have to discuss it walters and care about well discuss.

500

01:12:24.930 --> 01:12:34.590

Town of Parish: that's why it's on the new business so right now i'm gonna let Gary would take over and let him give you his thoughts, in my opinion on this deal is.

501

01:12:38.160 --> 01:12:49.380

Town of Parish: One the damage was here because of this position, and he was working for the damn you don't have a bunch of individual he's running around the town in cars, I would have said it just bad luck.

502

01:12:50.040 --> 01:13:09.030

Town of Parish: What it was I don't have names, you have good ideas, but no names no proof so not making allegations, but I believe if there's political differences in the time which was the reflection of people just didn't understand I didn't like it.

503

01:13:10.380 --> 01:13:14.610

Town of Parish: But I do not believe that somebody well performing a job yours comes.

504

01:13:15.960 --> 01:13:26.160

Town of Parish: In whether it's a counselor you supervisor whether anybody in this room, should have to worry about coming in here and then go out and have personal property damage.

505

01:13:27.000 --> 01:13:34.110

Town of Parish: Okay, so it was, like most things like around 1500 bucks but he was putting into his insurance.

506

01:13:35.010 --> 01:13:47.970

Town of Parish: i'm not saying that I don't believe first one my premium the dishes commodities market place deductible because he was here doing a job if we can pinpoint get it, and whoever did it knows who did it.

507

01:13:49.200 --> 01:13:58.590

Town of Parish: If they wanted to come forward and then fine, but if they don't i'm personally would like to make a motion that the board to Tom paces deductible.

508

01:13:59.880 --> 01:14:08.940

Town of Parish: In just a courtesy and i've talked to people in the town and they've agreed with me a lot of people that it was a vigilante vandalism.

509

01:14:09.570 --> 01:14:23.010

Town of Parish: it's not going to be calibrated and then for somebody to do something like that childish like a 2% that was

notified this this usually happens in high schools it doesn't happen mature adult people.

510

01:14:24.150 --> 01:14:34.020

Town of Parish: So far as i'm concerned the man vs health issues he has other crabs and everything I don't care that was done with Jana rule was there anybody.

511

01:14:34.500 --> 01:14:44.880

Town of Parish: I don't believe that it should come out of his pocket whether it's \$500 deductible or whatever he has to pay that incidence in that cost him there should be a lesson for whoever does.

512

01:14:46.170 --> 01:15:00.390

Town of Parish: that the time will stand up and stand behind in terms of ploys no matter who they are, if there's vigilante evangelism done by some immature at the lesson the docs that attended.

513

01:15:01.410 --> 01:15:06.420

Town of Parish: That meeting and in the summer and I, in my opinion, is there needs to be taken care of.

514

01:15:07.560 --> 01:15:08.850

Town of Parish: I don't know what the board thanks.

515

01:15:10.770 --> 01:15:27.000

Town of Parish: I disagree 100% I parked my car up tops i'll pick something different, if I parked my car at publix because they support Donald trump and somebody keys my car because i'm in a trump supporter lot.

516

01:15:28.230 --> 01:15:39.180

Town of Parish: it's my car I have been shows, but we don't know that it's a badge vigilante it might be, but we don't know that okay I just I can't.

517

01:15:39.600 --> 01:15:49.830

Town of Parish: I can't support that I personally we don't know if there's something coming up tomorrow right right but I got damn well sure three that we know why, and what it was done for.

518

01:15:50.430 --> 01:16:07.830

Town of Parish: I know I do I didn't even notice how I did it on my man playing you know we got a factory got my camera okay i'd rather spend the money, this is the point that I don't believe the best way you should treat fellow colleagues I couldn't agree more.

519

01:16:09.330 --> 01:16:20.880

Town of Parish: And until we have a proof that somebody did that, because of doug's behavior on the board or his place on the board I don't think he should be paid for it.

520

01:16:23.010 --> 01:16:25.230

Town of Parish: Richard do you have any comments on that oh I.

521

01:16:26.760 --> 01:16:33.330

Town of Parish: I didn't know nothing the bottom, do you brought it up right yeah was brought to me when you put on here that's very.

522

01:16:34.350 --> 01:16:42.120

Town of Parish: Great care and it didn't say what happened either well yeah just it's that's why it's for discussion, it doesn't go too far, I.

523

01:16:43.320 --> 01:16:43.830

Town of Parish: don't know.

524

01:16:46.020 --> 01:16:46.740

If Sir.

525

01:16:49.530 --> 01:16:49.920

Town of Parish: Can you.

526

01:16:51.240 --> 01:16:52.200
Town of Parish: comment on this.

527

01:16:53.070 --> 01:16:56.040
Douglas Houghton: I don't think I have enough information to make a decision.

528

01:16:57.630 --> 01:17:00.960
Douglas Houghton: We haven't discussed it, I haven't discussed it with anyone.

529

01:17:01.950 --> 01:17:07.920
Town of Parish: Right, I mean that's why we're kind of here discussing tonight, do you want to table this and have a month and thinking over.

530

01:17:09.540 --> 01:17:12.330
Town of Parish: The Board, so I want to do nothing, and they don't want to do that, but.

531

01:17:13.560 --> 01:17:18.030
Town of Parish: there's some situation like that in our attorney can chime in please well I don't.

532

01:17:19.050 --> 01:17:20.370
Town of Parish: Have the circumstances.

533

01:17:21.390 --> 01:17:23.430
Town of Parish: versus no worries.

534

01:17:26.160 --> 01:17:30.690
Town of Parish: Allegedly the sphere, if you want to call.

535

01:17:33.120 --> 01:17:37.710
Town of Parish: Anybody knows exactly who did it or how it will stop right it's it's.

536

01:17:38.100 --> 01:17:46.170

Town of Parish: similar to a snowplow hitting the vehicle, you know the snowball at the vehicle, I think the town stood up and took care of it right when.

537

01:17:46.410 --> 01:18:05.880

Town of Parish: We do that correct this we don't miss it as far as implied situation or circumstance or situation, so I don't think the town can just for to sleep page deductible I just brought it up having right now I if we think this is an issue.

538

01:18:07.380 --> 01:18:13.950

Town of Parish: Maybe some kind of monies could be put towards cameras pointing towards the cars are parked out.

539

01:18:15.030 --> 01:18:22.710

Town of Parish: yeah so going forward if something like this would happen again, and I feel bad for the Jordan.

540

01:18:23.910 --> 01:18:35.310

Town of Parish: I know he put his time in here, he did what he thought was right to run the town everybody does who's on the board, unfortunately this happened on his last evening here it's a terrible circumstance.

541

01:18:36.330 --> 01:18:44.670

Town of Parish: But I have to Personally, I have to go with the town attorney is instructing that that's probably the best way to go this way the.

542

01:18:45.810 --> 01:18:47.640

Town of Parish: directness was just a very much.

543

01:18:49.500 --> 01:18:53.580

Town of Parish: yeah I, and I think that there would be more grown up.

544

01:18:54.660 --> 01:19:02.190

Town of Parish: Just quick result into you know to turn into something like that to me is stolen mature so high school rating.

545

01:19:02.880 --> 01:19:14.790

Town of Parish: You know what I understood understood ridiculous yeah he's going to disagree and amount of political views that's the whole country's been involved that way when you do not perform I personal.

546

01:19:15.270 --> 01:19:21.360

Town of Parish: I dropped the damage, because you might not agree with you, somebody Tom residents, you know, probably.

547

01:19:22.380 --> 01:19:36.870

Town of Parish: Should we can't prove that somebody from the town right so we're gonna i'm gonna have to follow legal counsel and agree with him and take that forward is there any emotions Marianne i'm sorry I can't call anya.

548

01:19:39.630 --> 01:19:40.200

Town of Parish: I.

549

01:19:41.400 --> 01:19:50.190

Town of Parish: cannot say no that's Okay, I appreciate, I appreciate it, but it's not time, you have the business to do with this delay we're going to do it and, but thanks Marion.

550

01:19:51.630 --> 01:19:55.980

Town of Parish: So we are going to continue on and let the board do their work.

551

01:19:57.270 --> 01:20:03.420

Town of Parish: And with that we will just let that goal is everybody in agreement with that.

552

01:20:04.500 --> 01:20:15.510

Town of Parish: hurt, so we won't need emotion, because it was not not even brought it up, it was just discussion first, so we

will close that little part out, is there any new business off the floor.

553

01:20:17.520 --> 01:20:17.880

Douglas Houghton: Is.

554

01:20:19.380 --> 01:20:24.150

Town of Parish: All us pretty assesses or solution oh let's say last year.

555

01:20:26.070 --> 01:20:39.870

Town of Parish: issued some executive orders for extensions for seniors people with disabilities, they apply for next year gather all this does is allows the assessor to allow those extensions for this year without application.

556

01:20:41.310 --> 01:20:49.710

Town of Parish: Everybody understand that, yes, so With that in mind, it was still under new business i'm going to bring it back up I need a motion to approve this.

557

01:20:50.580 --> 01:21:05.490

Town of Parish: Motion basically to make this motion for the assessor to do what she needs to do is i'm so Robin will make that motion to allow this to be brought forward, we have a second second.

558

01:21:06.630 --> 01:21:07.170

Town of Parish: Second.

559

01:21:08.310 --> 01:21:15.660

Town of Parish: All those in favor of the town assessors to grant exceptions on the town assessment roll all those in favor Aye.

560

01:21:17.070 --> 01:21:17.730

Town of Parish: opposed.

561

01:21:19.020 --> 01:21:24.120

Town of Parish: abstain motion carried, we took care of that as well, thank you for doing that real quick.

562

01:21:30.030 --> 01:21:46.440

Town of Parish: Now we're going to move on to new business off the floor, I had something that I found the other day, the Department of Transportation issues a shared service agreement that is good for two or four years.

563

01:21:47.970 --> 01:21:58.170

Town of Parish: I spoke with a gentleman today it's pretty much what it says is that if we have a major disaster that is not declared by the governor.

564

01:21:58.800 --> 01:22:11.760

Town of Parish: That we can use the do T shirt services they will come in, help us out if it's a small item we may have to pay them back and like a load of topsoil or something, something that we may have.

565

01:22:13.530 --> 01:22:24.270

Town of Parish: And what the shared service agreement does is it allows us to do this without going through the rigmarole because it's already pre sign, so I just need your permission.

566

01:22:25.920 --> 01:22:34.590

Town of Parish: For George horning is already signed it, I had a precise, so I can get this out, I just need your permission to go through with the New York State do T shirt service agreement.

567

01:22:35.010 --> 01:22:43.980

Town of Parish: And one of the worst case scenarios that this gentleman told me was a town had a truck they were getting a new one in a month.

568

01:22:44.940 --> 01:22:56.610

Town of Parish: And instead of repairing it over \$100,000 to do it came in, let them borrow a truck but because of this

agreement, it was done almost instantly instead of waiting through the red tape, through you know.

569

01:22:57.450 --> 01:23:04.320

Town of Parish: What else to do it for a couple of dollars from because if you're going old yes right the downside is there.

570

01:23:05.730 --> 01:23:26.610

Town of Parish: So it's a piece of paper sign ahead of time and if we ever do need down on the back, is what we use what they gave us like I said eventually if it's a flawed and we need you know something from do it because it's you know we can't handle it ourselves, they will assist us without any.

571

01:23:28.140 --> 01:23:43.890

Town of Parish: Yes, so what's what's the downside, the downside, he told me is, if you don't sign this and the governor did not declared state of emergency, they will become helpless, without going through the red that's the downside.

572

01:23:45.690 --> 01:24:02.130

Town of Parish: And that's and I had them explained to me said has been done in the past, I just happened to catch this one and stuff for you, we can do a two year a four year deal, he said, most everybody's doing for it's a simple we don't have to worry about it again and we can move forward with that.

573

01:24:03.690 --> 01:24:08.490

Town of Parish: So I just need permission for you guys to me sign it and send it out.

574

01:24:10.020 --> 01:24:16.680

Town of Parish: working for him motion assign the shared service agreement with the deal, it will have a second second second.

575

01:24:17.730 --> 01:24:22.230

Town of Parish: Did you catch on okay um I was in favorite.

576

01:24:24.180 --> 01:24:24.960

Town of Parish: All those balls.

577

01:24:26.070 --> 01:24:30.510

Town of Parish: of steel perfect Thank you guys and rigorous.

578

01:24:32.010 --> 01:24:39.450

Town of Parish: That ends our business is there any more business off the floor just because I put the sheet doesn't know anybody else doesn't have anything new to bring up.

579

01:24:40.260 --> 01:24:44.580

Town of Parish: I said i'm glad you guys came to me and brought some things to me put it on the agenda.

580

01:24:44.820 --> 01:24:55.020

Town of Parish: i'm going to get out there, I appreciate that, like I said, from now on I think i'm gonna do when you come to me i'll put your name with it and that way, we all know exactly where it came from me a little better to understand.

581

01:24:56.340 --> 01:25:08.910

Town of Parish: Under all business we're going to move on to the week schedule Unfortunately this was my fault this employee wage schedule I don't know if you guys to pick that up.

582

01:25:12.540 --> 01:25:25.800

Town of Parish: The old weed schedule did not get past as it somehow missed in my system when I was running all those sheets when we did the organizational meeting and I happen to catch on like Oh, we never put that in there.

583

01:25:28.800 --> 01:25:35.310

Town of Parish: hope to your organizational meeting minutes in case you guys don't have it pretty much what this sheet does.

584

01:25:35.940 --> 01:25:55.860

Town of Parish: It tells you the motor equip me or pay, which is contractual at 2375 our Labor at 2233 are seasonal amnio at 1675

up to eight hours per day, then you know, ours is over time our chief law, excuse me chief fire one is \$20.

585

01:25:57.240 --> 01:26:04.170

Town of Parish: A regular fire wardens \$18 an hour deputy dog control over this is where everybody last year.

586

01:26:05.220 --> 01:26:08.580

Town of Parish: On the board everything all the pain to go to \$15 an hour minimum.

587

01:26:09.600 --> 01:26:15.030

Town of Parish: Some that were on the board, remember that research, but you know we wanted to go to 15 to start.

588

01:26:16.320 --> 01:26:23.760

Town of Parish: showing our people that work for us that we're behind them all the way um so we want a minimum of 15 technically and i'll get to that.

589

01:26:24.210 --> 01:26:47.640

Town of Parish: On the Constable was that 20 buck with that new agreement could be 22 do you guys agree with the 22 and okay definitely code enforcement officers silly team, the senior ring operator used to be last year, the senior wing operator was 13 This is where we went up to 15 okay.

590

01:26:49.530 --> 01:26:53.820

Town of Parish: A wing operator, and this is where I didn't want to put him at the same 15.

591

01:26:54.930 --> 01:27:03.840

Town of Parish: For her because it's the first year they're always \$1 less, and so I couldn't just say 15 across the board, and I needed your permission to make them 14.

592

01:27:04.740 --> 01:27:16.350

Town of Parish: Everybody okay with 14 Okay, that is why so forgiven pretty much everybody has \$1 an hour raise that our

wing operators out there, you know clean into the highways force.

593

01:27:20.070 --> 01:27:22.590

Town of Parish: A wing operators not contractual and I.

594

01:27:24.960 --> 01:27:30.180

Town of Parish: I beg to differ Thank you supervisors confidential clerk is up the.

595

01:27:32.610 --> 01:27:38.760

Town of Parish: part time deputy town clerk is 15 part time part superintendents 15 and our Temporary employees 50.

596

01:27:44.640 --> 01:27:47.280

Town of Parish: Any objections that, no, no.

597

01:27:48.300 --> 01:27:49.080

Town of Parish: Any questions, can you hear.

598

01:27:50.490 --> 01:27:51.960

Town of Parish: me now okay.

599

01:27:54.660 --> 01:27:55.800

Douglas Houghton: sounds good to me.

600

01:27:56.880 --> 01:28:02.940

Town of Parish: That a boy Thank you um so we're going to make a motion to accept this employee week schedule.

601

01:28:04.410 --> 01:28:05.970

Town of Parish: I need a motion for that, please.

602

01:28:07.530 --> 01:28:07.770

Make.

603

01:28:09.510 --> 01:28:11.850

Town of Parish: Sure, we would motion, I have a second.

604

01:28:14.160 --> 01:28:15.240

Town of Parish: Robin second.

605

01:28:16.740 --> 01:28:18.060

Town of Parish: All those in favor of the motion.

606

01:28:20.010 --> 01:28:20.370

Douglas Houghton: Right.

607

01:28:21.210 --> 01:28:22.110

Town of Parish: Anybody opposed.

608

01:28:23.460 --> 01:28:26.220

Town of Parish: And he abstains Oh, thank you, that motion passes.

609

01:28:30.660 --> 01:28:31.380

Town of Parish: We will move on.

610

01:28:39.630 --> 01:28:40.920

Town of Parish: Past payment.

611

01:28:42.270 --> 01:28:50.580

Town of Parish: was already having business was no longer all business sorry I double double hit that one and put it in the old.

612

01:28:52.050 --> 01:28:55.590

Town of Parish: Well, this isn't far past payment.

613

01:28:56.610 --> 01:28:59.970

Town of Parish: This is for a member of the bar.

614

01:29:01.020 --> 01:29:04.920

Town of Parish: That was mistakenly not paid enough money.

615

01:29:06.030 --> 01:29:13.230

Town of Parish: It is linwood and during would will have no conversations on the matter, but just so everybody is aware.

616

01:29:15.060 --> 01:29:17.910

Town of Parish: In the budget we budgeted.

617

01:29:19.110 --> 01:29:20.850

Town of Parish: \$325.

618

01:29:22.350 --> 01:29:37.500

Town of Parish: linwood was paid \$300 for two years, which was not what she was supposed to get paid she is requesting \$50 to make up for those times that she didn't get paid what was in the budget.

619

01:29:39.030 --> 01:30:01.140

Town of Parish: And that's just the way it is and so she is requesting \$50 to once again take care of some issues that were in the past, I can clearly look at her w tues and tell you what she made and I can show you the budget and show you what happened there.

620

01:30:02.250 --> 01:30:09.600

Town of Parish: And it's \$50 that she is old over the past two years it's an explanation on why I don't know why it happens.

621

01:30:10.860 --> 01:30:18.060

Town of Parish: I did not speak with her about why it happened it's just that I know that it happened, and she is requesting.

622

01:30:18.060 --> 01:30:18.990

\$50 more.

623

01:30:21.690 --> 01:30:22.080

You know.

624

01:30:23.160 --> 01:30:27.150

Town of Parish: I believe she was the budget is 325 it may have been in there.

625

01:30:28.860 --> 01:30:29.610

Town of Parish: And I can't.

626

01:30:31.530 --> 01:30:39.750

Town of Parish: She just wants to get paid and she's been wanting to get paid for a little while you would know the history on an output to be an error.

627

01:30:40.980 --> 01:30:48.030

Town of Parish: Because what happens is when, in truth, he will attest to this when you want to the payroll system, sometimes the numbers of foot right Maybe it was put at 300.

628

01:30:49.560 --> 01:30:55.890

Town of Parish: The budget and Kelly is that crap the budget was 325 and she has only paid 300 correct.

629

01:30:56.820 --> 01:31:10.530

Town of Parish: Okay, and I can show you the w tues it once I get with Glenn directly if you guys want a table this that's fine I don't dispute it i'm just curious if she's asked for before why hasn't it been rectified over the Line two years.

630

01:31:12.030 --> 01:31:13.800

Town of Parish: I don't know those answers.

631

01:31:14.940 --> 01:31:15.540

Town of Parish: and

632

01:31:18.870 --> 01:31:29.100

Town of Parish: You know I just can't you know, but I can like I said I can show you what was on the budget right, and I can show you the w tues and there was an error somewhere.

633

01:31:31.350 --> 01:31:34.740

Town of Parish: Well, if it says she should get paid you gotta get paid.

634

01:31:37.020 --> 01:31:37.410

You.

635

01:31:39.780 --> 01:31:41.880

Town of Parish: stealing if you know what I mean.

636

01:31:43.050 --> 01:31:44.100

Town of Parish: Like I said it's just.

637

01:31:45.690 --> 01:31:49.140

Town of Parish: know that as long as you said, gas gas that's.

638

01:31:50.910 --> 01:31:55.830

Town of Parish: Okay, any any questions any more discussion on that a dog do you have any discussion on Ellen.

639

01:31:57.150 --> 01:32:01.350

Douglas Houghton: Well, if there was a agreement, then you should honor it.

640

01:32:04.230 --> 01:32:04.560

Okay.

641

01:32:06.540 --> 01:32:08.370

Town of Parish: um I need emotion than to.

642

01:32:10.530 --> 01:32:16.350

Town of Parish: Pass, you know give her past payment to the to linwood for bar worked in the past.

643

01:32:18.240 --> 01:32:22.140

Town of Parish: Anybody got emotion, for that very good can't respond I need emotion.

644

01:32:23.370 --> 01:32:31.770

Town of Parish: I moved to pay one word for contractual payments okay I got emotion by routing Nova and devin equipped for it.

645

01:32:33.900 --> 01:32:35.130

Town of Parish: And do I have a second.

646

01:32:36.450 --> 01:32:37.080

Douglas Houghton: Now, so I can.

647

01:32:37.920 --> 01:32:39.060

Town of Parish: still hold one second.

648

01:32:41.160 --> 01:32:44.610

Town of Parish: um let's do a roll call vote.

649

01:32:46.890 --> 01:32:47.550

Town of Parish: yeah.

650

01:32:50.550 --> 01:32:50.910

Douglas Houghton: yeah.

651

01:32:56.640 --> 01:32:57.030

Town of Parish: yeah.

652

01:32:58.860 --> 01:33:01.350

Town of Parish: Yes, so we can abstain officially abstain.

653

01:33:05.910 --> 01:33:06.480

Town of Parish: Yes.

654

01:33:12.690 --> 01:33:14.220

Town of Parish: Thank you very much.

655

01:33:15.270 --> 01:33:21.480

Town of Parish: Any old business off the floor anybody want to bring up anything in the past anybody wanna.

656

01:33:24.210 --> 01:33:31.050

Town of Parish: Remember, anything that some of the things i'm due to the fact that the Council.

657

Town of Parish: Had a little more digging through.

660

01:33:59.850 --> 01:34:03.270

Town of Parish: Some work and i'll see if I can find anything else that is pressing for next month.

661

01:34:04.440 --> 01:34:04.860

01:35:33.870 --> 01:35:44.490

Town of Parish: I mean that's just one of those informational items and i've been putting it off for Richard and giving it to him in his mailbox because I know he doesn't have an email or that type so i'm sure he appreciates that.

Town of Parish: And just so everybody knows there's more than welcome to come up in my office.

677

01:36:04.890 --> 01:36:17.700

Town of Parish: it's there some of this information items I may keep for a little while, but a lot of it is stuff you have to read through, but it may be interesting to you, so I just don't know who wants it and who doesn't and I will try my best.

678

01:36:18.960 --> 01:36:31.950

Town of Parish: To continue doing that and that's why there's no correspondence or informational items on there yet, because we carried, most of them under new business is the game in his correspondences any questions on that or comments I know from the board.

679

01:36:33.030 --> 01:36:36.270

Town of Parish: Fantastic can we get to approval of the bills.

680

01:36:38.550 --> 01:36:42.090

Town of Parish: You all should have received the monthly report of the Supervisor.

681

01:36:45.390 --> 01:36:49.470

Town of Parish: Is a lengthy document, as I am learning Marian did very good.

682

01:36:51.750 --> 01:37:06.660

Town of Parish: Can you people informed, I had no idea what was in the monthly report, I appreciate that is between myself and Judy we are working hard and trying to get things you know get things rolling, but that is your monthly report.

683

01:37:08.460 --> 01:37:09.510

Town of Parish: For December.

684

01:37:10.950 --> 01:37:14.490

Town of Parish: and actually after that do I have that accepted.

685

01:37:15.990 --> 01:37:25.320

Town of Parish: supervisor before no okay that's why i'm checking nature, because i'm not aware of that yeah The next thing we had was transfers.

686

01:37:26.820 --> 01:37:39.630

Town of Parish: The past supervisor did a very good job of cleaning the transfers all prior in November and December, however, when we went to clean out the books, there was one account.

687

01:37:40.410 --> 01:37:49.590

Town of Parish: That was over by \$140 and that was the supervisor clerk personal services there was six cents on the contingency account.

688

01:37:50.280 --> 01:38:00.570

Town of Parish: And there was three cents on the deputy town clerk to zero everything else, so we can continue on my same as right she she's the number of girl and i'm letting her do that, so we took.

689

01:38:02.640 --> 01:38:14.880

Town of Parish: From the contractual supervisor, we put \$140 to the supervisor clerk and personal services, where it was over by 140 okay same thing we did with the six cents, we took something.

690

01:38:15.390 --> 01:38:27.000

Town of Parish: That contingency in the highway or the account, we took six cents and put direct Supervisor to zero, because sometimes it just didn't flow in three sides from the deputy Tom color.

691

01:38:28.290 --> 01:38:31.140

Town of Parish: To the records for three cents wasn't records.

692

01:38:32.400 --> 01:38:35.940

Town of Parish: Well, I can't remember the name of the record something okay.

693

01:38:38.220 --> 01:38:46.620

Town of Parish: The code like it's it's there if you have any questions it's three cents on any questions on those transfers and thing 2021 out.

694

01:38:47.070 --> 01:38:59.250

Town of Parish: I appreciate once again to it to her all she's doing for me because, quite honestly I don't know if I could do this and that same time it's a very difficult situation, once again, I think, Marianne for doing what she has done.

695

01:39:03.900 --> 01:39:04.650

Town of Parish: Next.

696

01:39:05.790 --> 01:39:12.960
