00:19:23.220 --> 00:19:34.410

Town of Parish: That is that spot Okay, so that is number one, the second alternate was chosen by the planning board themselves, and that is stipulated in the agreement.

169

00:19:35.580 --> 00:19:38.520

Town of Parish: Okay, that was chosen to be Craig Pattern.

cemeteries was the only one that's open.

187

00:21:15.270 --> 00:21:15.870

So.

188

00:21:17.700 --> 00:21:18.030

Okay.

189

00:21:19.050 --> 00:21:20.040

Town of Parish: let's make it.

190

00:21:22.080 --> 00:21:29.160

Town of Parish: um so the chief constable is Mike what this year um.

191

00:21:30.540 --> 00:21:32.280

194

00:21:48.540 --> 00:22:03.900

Town of Parish: they're looking and we will talk about it at the end a regular meeting to start basically having somebody go to school, and they will be our own there'll be a discussion about that we'll get to that and, like I said in the regular meeting.

195

00:22:06.000 --> 00:22:08.400

196

00:22:09.570 --> 00:22:12.750

Town of Parish: The chief firewall will be lauren tyree.

197

00:22:14.970 --> 00:22:16.920

Town of Parish: The next fire warning.

199

00:22:19.740 --> 00:22:21.210

Town of Parish: From my understanding is.

200

00:22:21.270 --> 00:22:26.130

Town of Parish: hey sorry Robin just hard to hear.

244

00:27:04.440 --> 00:27:08.010

Town of Parish: The highway employees like I said, are on there.

245

00:27:12.450 --> 00:27:13.230

Town of Parish: Is their errors.

246

00:27:15.780 --> 00:27:16.350

Town of Parish: ellsworth.

247

00:27:19.320 --> 00:27:26.820

Town of Parish: katie ellsworth as a senior also you're both seniors yeah because you were there last year, yes, great.

248

00:27:27.870 --> 00:27:28.920

Town of Parish: That was good thing that oh.

249

00:27:32.160 --> 00:27:39.390

Town of Parish: So your senior and the other one the senior so the only new one, we have that as Gary I don't know who that is so yeah okay.

250

00:27:40.860 --> 00:27:41.970

Town of Parish: Everything else is correct.

251

00:27:43.770 --> 00:27:56.520

Town of Parish: um I can't my house, I asked my husband through text and he said, one of those others, is no longer with us, but I said yeah Okay, we can cross them off the list.

252

00:27:58.410 --> 00:28:04.410

Town of Parish: yeah I can't speak to myself and my daughter being seniors but I don't know if you want to check with anyway.

253

00:28:06.060 --> 00:28:08.250

Town of Parish: we'll leave it on there yeah I mean because it's.

254

00:28:11.520 --> 00:28:20.880

Town of Parish: The highway superintendent, to my knowledge, gets to hire these people and we don't have a choice anyways hey so they're just on there, and we can change them at well as soon as.

255

00:28:21.690 --> 00:28:30.990

Town of Parish: George decides to you know get new ones right now it's kind of like just a informational item that I think it's always been on these lists.

256

00:28:32.040 --> 00:28:36.270

Town of Parish: So now we're going to go into the town of parish 2022 administrator salaries.

257

00:28:41.700 --> 00:28:43.380

Town of Parish: superintendent at 44.

258

00:28:44.640 --> 00:28:50.970

Town of Parish: All these are already done anyways town clerk at 22 these are in the budget was just did he say made a mistake, yes.

259

00:28:52.020 --> 00:29:01.020

Town of Parish: yeah I think probably what you ought to do you have a motion to confirm, all the appointments that you read off so here is an objection okay.

260

00:29:02.220 --> 00:29:05.970

Town of Parish: We can do that right now here's someone make a motion.

261

00:29:13.740 --> 00:29:14.610

Town of Parish: All those in favor.

262

00:29:16.200 --> 00:29:17.070

Town of Parish: All those post.

263

00:29:23.400 --> 00:29:28.830

Town of Parish: Sorry, I can't hear you anymore either so we'll keep trying that's all we can do.

264

00:29:30.180 --> 00:29:31.710

Town of Parish: So move on to the next one that.

265

00:29:33.270 --> 00:29:38.760

Town of Parish: i'm administrator salaries, like I said at the highway superintendent was 44 town clerk was 22.

266

00:29:39.270 --> 00:29:43.770

Town of Parish: The assessor was 20,000 Is that correct or do we cut that down 18.

267

00:29:46.290 --> 00:29:47.370

Town of Parish: that's what I thought.

268

00:29:50.190 --> 00:29:53.160

Town of Parish: sorry about that make that correction to 18.

269

00:29:57.060 --> 00:30:04.080

Town of Parish: code enforcement officers 16 Supervisor is 16 town justice is 16.

270

00:30:05.670 --> 00:30:10.770

Town of Parish: bookkeeper at 13 attorney for the town 11,500.

271

00:30:11.790 --> 00:30:12.570

Town of Parish: Court clerk.

272

00:30:12.660 --> 00:30:16.470

Town of Parish: \$11,000 control officer six.

273

00:30:17.670 --> 00:30:29.340

Town of Parish: counselors at for the tax collector at 4000 deputy highway superintendent 3250 and the payroll clerk at 3000.

274

00:30:34.350 --> 00:30:36.120

Town of Parish: we're on to the next page.

275

00:30:37.350 --> 00:30:42.990

Town of Parish: The planning board chair at 2000 records management officer 2000.

276

00:30:44.190 --> 00:30:46.860

Town of Parish: Epping tax collector 1500.

277

00:30:48.270 --> 00:31:01.440

Town of Parish: Conservation advisor 1000 deputy supervisor 1000
historian 1000 planning board clerk 1000 planning board members 1000.

278

00:31:02.520 --> 00:31:04.320
Town of Parish: Chief Constable 900.

279

00:31:05.490 --> 00:31:08.340
Town of Parish: biostatistics registrar 500.

280

00:31:10.080 --> 00:31:15.210
Town of Parish: The cemetery sexton \$500 per grave opening \$50 per
cremation opening.

281

00:31:17.130 --> 00:31:35.190
Town of Parish: zoning Board of appeals chair \$350 Assessment Board of
review chair 325 cemeteries coordinator \$250 worth of assessment review
members \$200 this is where I have changed it a little bit i'm looking for
your approval.

282

00:31:36.510 --> 00:31:40.350
Town of Parish: All those previous ones were from the old numbers.

283

00:31:42.540 --> 00:31:48.870
Town of Parish: zoning Board of appeals Members I looked at it and we
used to I think pay them.

284

00:31:50.220 --> 00:31:50.640
Town of Parish: 50.

285

00:31:52.080 --> 00:32:01.350
Town of Parish: But what I did was like put it down to 40 they don't meet
very often, and the only reason I tried to put it, the 40 and you
gentlemen and.

286

00:32:02.610 --> 00:32:13.110
Town of Parish: woman can certainly change, it is because the planning
board alternate I wanted to keep that equal because they they're you know
they both meet whenever.

287

00:32:15.090 --> 00:32:19.080
Town of Parish: So I didn't know what you want to do with the zoning
Board of appeals members.

288

00:32:20.100 --> 00:32:24.840

Town of Parish: I can put it back to 50 I can leave it at 40 totally up to the board.

289

00:32:35.310 --> 00:32:36.750

Town of Parish: Any questions concerns on.

290

00:32:41.250 --> 00:32:42.000

Town of Parish: school and hearing.

291

00:32:43.980 --> 00:32:45.060

Town of Parish: sure about the CBS.

292

00:32:46.590 --> 00:32:48.720

Town of Parish: Okay, how many hours of schooling, do they.

293

00:32:50.520 --> 00:32:51.060

Town of Parish: Just like.

294

00:32:54.960 --> 00:32:56.400

Town of Parish: To pre requisite for.

295

00:32:58.950 --> 00:33:01.050

Town of Parish: All those yes.

296

00:33:04.710 --> 00:33:06.270

Town of Parish: And if you look.

297

00:33:07.320 --> 00:33:08.820

Town of Parish: At the planning board alternates.

298

00:33:11.640 --> 00:33:20.970

Town of Parish: When I changed those up a little bit it was \$20 if you come and observe, for example, the planning board alternate that is not the conservation officer and it.

299

00:33:21.420 --> 00:33:31.020

Town of Parish: Is the second alternate if he comes and watches, a meeting, so we can get his feet wet \$20 to come get your feet wet so when they call you you've at least seen the whole process.

300

00:33:32.430 --> 00:33:34.140

Town of Parish: same thing I did with the Z BA.

301

00:33:36.510 --> 00:33:47.520

Town of Parish: That should have been \$20 and 30 should have been, although the meanings don't happen, maybe that that's why because the meetings don't happen, we only hold this EPA maybe twice a year, whenever it's needed.

302

00:33:48.210 --> 00:33:57.720

Town of Parish: So I up for observing \$30 there i'm just trying to make something that even across yeah because what happened before.

303

00:33:59.940 --> 00:34:03.030

Town of Parish: What happened before was when I had the sheets here from the last.

304

00:34:07.620 --> 00:34:08.400

Town of Parish: Page here.

305

00:34:20.340 --> 00:34:25.770

Town of Parish: All the planning board in the cva alternates was \$20.

306

00:34:27.990 --> 00:34:29.850

Town of Parish: So it was 20 across the board.

307

00:34:31.980 --> 00:34:38.100

Town of Parish: But it didn't give them that observation time if they wish to come in, even though they're not being sat at the table.

308

00:34:39.120 --> 00:34:55.560

Town of Parish: There was none of that in there they're observing their own they're observing their own group, but they can't sit at the table and vote because they're an alternate and if they aren't needed because you know the bba has three right and that the fourth is the alternate.

309

00:34:56.820 --> 00:34:59.430

Town of Parish: is not going to come and watch every time that meets.

310

00:35:00.480 --> 00:35:08.670

Town of Parish: And they only meet twice a year, so it's not a huge increase in funds but it gets them at least to come in and observe similar to the planning board alternate.

311

00:35:09.480 --> 00:35:20.550

Town of Parish: Where they meet monthly if he wants to come in and observe he's not going to get paid what the gentleman doing the work is there, but he'll sit there and watch and so, if they do need them.

312

00:35:22.110 --> 00:35:26.730

Town of Parish: hell at least either you know I mean and and if they do, then it goes up to 40.

313

00:35:27.360 --> 00:35:35.490

Town of Parish: yeah and then, if they need them, and he said to the table that night and bill scribe calls him up says hey we don't have somebody here, for whatever reason, can you come up.

314

00:35:35.850 --> 00:35:41.760

Town of Parish: he's already you know, hopefully there and then he gets paid the 40 for participating and voting having that power to hold.

315

00:35:45.090 --> 00:35:46.050

sounds good to me.

316

00:35:48.210 --> 00:35:57.360

Town of Parish: Now, the only thing that we may want to do and I I didn't realize this, when I did it is bump that zb members up themselves per meeting attended.

317

00:35:58.740 --> 00:36:01.980

Town of Parish: Up to the \$50.

318

00:36:03.870 --> 00:36:17.640

Town of Parish: comedians herself yeah because they only need maybe twice, three times a year self to get somebody to do that job right but that's just you know my opinion and that's why the numbers can always change in these you know, through a discussion.

319

00:36:20.010 --> 00:36:22.800

Town of Parish: They can be changed next week, give shoulders iron.

320

00:36:23.070 --> 00:36:23.790

I believe so.

321

00:36:26.490 --> 00:36:33.630

Town of Parish: Right well right it's just I hate to do that to somebody that is planning on not really planning on getting this put is.

322

00:36:33.840 --> 00:36:37.050

Town of Parish: Great stepped up to the plate, and it was planning on per meeting.

323

00:36:37.080 --> 00:36:43.800

Town of Parish: This amount, and then we cut it I don't want to do that, to the year that's why the organizational meeting will hopefully last for a year.

324

00:36:43.860 --> 00:36:45.060

We can always change it next year.

325

00:36:46.830 --> 00:36:48.030

Town of Parish: Before and.

326

00:36:48.420 --> 00:36:49.800

Town of Parish: In the future you're seeing.

327

00:36:50.550 --> 00:36:53.970

Town of Parish: You need to raise your crazy to get participation.

328

00:36:54.090 --> 00:36:54.480

Town of Parish: We had.

329

00:36:54.660 --> 00:36:56.040

Town of Parish: We could do them yep.

330

00:36:56.100 --> 00:37:00.390

Town of Parish: I just don't want to lower right once we set up for the year you know.

331

00:37:01.320 --> 00:37:13.080

Town of Parish: I don't know if it's legal to lower than that but I don't worry about it when it comes yeah i'm not sure if we can lower multicolored increase I don't know if we can lower from what the budget seller was Robin are you still here.

332

00:37:16.110 --> 00:37:19.950

Town of Parish: No, I tried again so Robin is not on the list of people in the.

333

00:37:21.690 --> 00:37:22.890
Town of Parish: holidays for that, but.

334
00:37:24.060 --> 00:37:27.900
Town of Parish: It is what it is so do you want to leave it what it.

335
00:37:29.190 --> 00:37:36.420
Town of Parish: What do you want to do with this is every could make them why not vote and I keep it changes now to unless thing we got to be concerned with because I think.

336
00:37:37.020 --> 00:37:54.960
Town of Parish: You know, great board on the package and, later on, if you think we need to well, the only thing the only thing that I didn't realize I did was lower the zb Members themselves for meeting attended right that's why i'd like to put that back up the 50 where I was before, yes.

337
00:37:56.400 --> 00:38:07.080
Town of Parish: I don't want to cut them, and now I understand why yeah and, at the time when I was doing this initial one it just didn't look right, but now it makes more sense.

338
00:38:15.480 --> 00:38:17.310
Town of Parish: To go with the changes.

339
00:38:25.980 --> 00:38:27.960
Town of Parish: hi I was opposed.

340
00:38:30.360 --> 00:38:30.930
Town of Parish: fantastic.

341
00:38:33.810 --> 00:38:34.560
Town of Parish: It passes.

342

Town of Parish: And then they will issue a permit.

433

00:49:57.270 --> 00:50:13.350

Town of Parish: Most of the stuff with those is mainly inroads and making sure signage for zoning and then it goes into code enforcement for what's inside the buildings and safety of the building's themselves, but most of the zoning is just whistle roads and stuff like that.

434

00:50:15.150 --> 00:50:15.900

443

00:50:53.430 --> 00:50:56.940

Town of Parish: You have to give them the information, but I think it goes out through the Clerk.

444

00:50:58.140 --> 00:51:05.100

Town of Parish: It goes out through me really when you go door to door yeah ask the people when did you do that.

445

00:51:06.150 --> 00:51:07.650

13152639620: I did that two years ago.

446

00:51:09.570 --> 00:51:15.180

Town of Parish: That would be a great cost me \$100 is why another reason i'm asking.

447

00:51:17.550 --> 00:51:20.100

Town of Parish: Let me look and see.

450

00:51:26.880 --> 00:51:28.920

Town of Parish: there's really minimal work.

451

00:51:31.200 --> 00:51:31.890

Town of Parish: or.

452

00:51:35.160 --> 00:51:37.980

Town of Parish: How did you how'd you find out, you had to do that.

453

00:51:39.420 --> 00:51:40.200

Town of Parish: For Colin.

454

00:51:44.880 --> 00:51:45.390

Town of Parish: Tell me more.

455

00:51:51.540 --> 00:51:53.670

Town of Parish: Well, I just like to see people get something.

456

00:51:58.350 --> 00:52:03.300

Town of Parish: can't double character, you know you can you show me a voice for the same thing you don't.

457

00:52:04.020 --> 00:52:05.400

Town of Parish: yeah i'm asking what I mean.

458

00:52:05.580 --> 00:52:09.720

Town of Parish: when somebody look into because, like I say you know.

459

00:52:10.380 --> 00:52:11.010

13152639620: You can.

460

00:52:12.390 --> 00:52:15.360

Town of Parish: Start whenever you want people gotta give so.

461

00:52:21.480 --> 00:52:23.430

Town of Parish: yeah I still have the old one right here.

462

00:52:24.720 --> 00:52:33.120

Town of Parish: And it was to 25 for some division basic fee, this is from 2021 \$30 notice me.

463

00:52:36.210 --> 00:52:36.900

464

00:52:39.120 --> 00:52:39.510

13152639620: What.

465

00:52:40.410 --> 00:52:45.870

Town of Parish: You just want to want to do recently know what was your fee can quantify it.

466

00:52:48.000 --> 00:52:50.820

Town of Parish: Was I did it two maybe three years ago.

467

00:52:52.590 --> 00:52:57.270

Town of Parish: Maybe maybe the I don't have an answer you know I mean.

468

00:52:58.350 --> 00:53:02.640

Town of Parish: I don't know where these words come from well the planning board.

469

00:53:04.470 --> 00:53:17.640

Town of Parish: is supposed to charge the fee for the chart for right they want to turn well, maybe they made a mistake i'll give you a discount I don't know I don't think so, the worst thing about it, they take their sweet time.

470

00:53:19.380 --> 00:53:21.060

Town of Parish: They think that it is a.

471

00:53:23.220 --> 00:53:26.880

Town of Parish: bit like they're in Washington yeah right and.

472

00:53:28.530 --> 00:53:32.550

Town of Parish: The year that I did I could have gone to a squiggle.

473

00:53:33.750 --> 00:53:34.410

Town of Parish: and done it.

474

00:53:36.840 --> 00:53:37.470

13152639620: and

475

00:53:37.800 --> 00:53:38.640

13152639620: Although the.

476

00:53:38.670 --> 00:53:39.840

Town of Parish: board got upset.

477

00:53:41.010 --> 00:53:44.850

Town of Parish: Because I went over there, and you still end up having to pay.

478

00:53:46.710 --> 00:53:56.160

Town of Parish: Title fees you gotta pay this that and by the time you get done and you guys do more, you know you paid the 225.

479

00:53:56.160 --> 00:53:56.520

480

00:53:57.930 --> 00:53:58.380

Town of Parish: let's.

481

00:53:58.680 --> 00:54:04.770

Town of Parish: Talk about it later okay like I said I mean that the issue with these type of fees.

482

00:54:05.850 --> 00:54:07.830

Town of Parish: And what we have to remember these are user fees.

483

00:54:08.880 --> 00:54:20.430

Town of Parish: So the people that are doing subdivisions, we may have 10 a year, possibly um so they help pay, because not everybody does a subdivision so it's more of a user fee, like the.

484

00:54:21.300 --> 00:54:39.810

Town of Parish: 10 people on Ellen road that don't do a subdivision shouldn't be subsidizing a subdivision and that it's not extravagant but it's just something to think about as a user fee the people that use the system have to pay for it, or the person that wants to subdivide yep so it's up to him.

485

00:54:42.090 --> 00:54:42.630

Town of Parish: and

486

00:54:43.680 --> 00:54:50.700

Town of Parish: I just don't say where where it's worth it right, I mean the planning board I don't recall what the budget is right off hand.

487

00:54:51.420 --> 00:55:00.810

Town of Parish: But once again, I know they don't make a ball what we're paying them to do so it's not like our fees are extravagant where we are.

488

00:55:01.800 --> 00:55:14.730

Town of Parish: You know, paying above and beyond what we're paying them to do the job and that's where a user fee to me anyways comes in, just like building permits if the person or the people in the town don't do any building.

489

00:55:15.840 --> 00:55:23.670

Town of Parish: The user fee offsets because the people that are doing the building offsets the fees or how to operate that department.

490

00:55:24.720 --> 00:55:30.900

Town of Parish: Right, I understand that, but I also understand like you said, the person paying that if I was going to subdivide my land so.

491

00:55:31.530 --> 00:55:42.960

Town of Parish: I know what do I get for him, like if if you have, what do I get, for you know what I mean and you get to get something for 225 you don't i'm saying for that a lot of money that everybody around here is that.

492

00:55:43.440 --> 00:55:54.720

Town of Parish: kind of money for all that stuff just saying yeah and if people actually live process you're going to still end up paying another couple hundred dollars for an amazing I will do their work.

493

00:55:55.800 --> 00:55:59.010

Town of Parish: Why did this number I believe was derived.

494

00:56:00.180 --> 00:56:07.560

Town of Parish: From the planning board it wasn't just a number of those arbitrated I think over the years, because it hasn't gone up since last year Okay, I think they.

495

00:56:08.490 --> 00:56:21.510

Town of Parish: You know, devised this number for a reason and I can't tell you the reasons but it's there and it was there last year, if you guys want to decrease about it, or just something to put on the thing is.

496

00:56:23.340 --> 00:56:35.580

Town of Parish: When you go to you'll have to go to a squiggle you can't do that anymore you put down, I know you can't know they got their door lock you go in three places and everyone wants another fee that's what i'm saying.

497

00:56:36.690 --> 00:56:38.730

Town of Parish: And that's up to like I said that's up to the board.

498

00:56:39.870 --> 00:56:47.160

Town of Parish: We can change this and we can notify the planning board, but what I like to do is at least discuss it with the planning board that's.

499

00:56:47.520 --> 00:56:56.730

Town of Parish: How they came up with this fee, because I believe that were generated us what i'm saying we can guess about that later yep so just we will leave it at this, that is, one stock.

500

00:56:57.480 --> 00:57:07.770

Town of Parish: And we can discuss it on a little later time if that's good with everybody Okay, is there anything else on this sheet that anybody has an objection to or wants to discuss.

501

00:57:12.690 --> 00:57:15.570

Town of Parish: about the non building permits still.

502

00:57:18.210 --> 00:57:21.210

Town of Parish: Wait sorry about that I had a double sheets.

503

00:57:23.190 --> 00:57:23.820

Town of Parish: It happens.

504

00:57:25.170 --> 00:57:30.570

Town of Parish: yeah so does that printer just spit them out we're moving on to the building permit section.

505

00:57:32.790 --> 00:57:42.780

Town of Parish: All of these are almost all the same, from last year I as the code enforcement officer did not feel that we should raise any of these or change any of these through my experience.

506

00:57:44.160 --> 00:57:47.760

Town of Parish: It is exactly what they were last year, do you want me to read through them.

507

00:57:49.500 --> 00:58:00.990

Town of Parish: I don't see it made no no need to okay what there is one that was opened last year, and it was a road cup permit, where it says not decided five lines or so from the bottle.

508

00:58:02.820 --> 00:58:06.210

Town of Parish: It was empty on last year's form put it was.

509

00:58:07.230 --> 00:58:09.630

Town of Parish: To be discussed with the highway superintendent.

510

00:58:10.710 --> 00:58:11.910

Town of Parish: It never got done.

511

00:58:13.230 --> 00:58:22.290

Town of Parish: I don't know from that the fee, if we want to just cross it off what some towns, I believe charge to put a new driveway in.

512

00:58:23.880 --> 00:58:24.870

Town of Parish: This is part of that.

513

00:58:32.280 --> 00:58:43.860

Town of Parish: And that may be still what the highway superintendent and do I just had it on here and I didn't I just put not decided instead of you know, ask Craig I believe was what was on the old one.

514

00:58:54.810 --> 00:58:55.680

Town of Parish: you're tapping your feet.

515

00:59:00.870 --> 00:59:02.820

Town of Parish: So not sure what.

516

00:59:04.980 --> 00:59:05.970

Town of Parish: We can talk.

517

00:59:07.500 --> 00:59:13.920

Town of Parish: just leave it not decided all right, the character, right now, any other questions on anything down to that she.

518

00:59:18.780 --> 00:59:29.640

Town of Parish: Hearing none seen on we're gonna move on, we will do the continued building permit scheduled, the first item that I wrote not decided this is new.

519

00:59:31.650 --> 00:59:34.200

Town of Parish: This year, in the spring.

520

00:59:35.400 --> 00:59:35.940

Town of Parish: The.

521

00:59:37.290 --> 00:59:47.340

Town of Parish: We actually have new zoning laws that the board approved in that as temporary storage containers, the first three months it can stay on your lock without the zoning permits.

522

00:59:48.630 --> 00:59:54.300

Town of Parish: After 30 days you apply for zoning permits and at last six months.

523

00:59:55.680 --> 01:00:00.000

Town of Parish: I don't know if you guys wanted to put a fee with that to have a storage container on there.

524

01:00:01.530 --> 01:00:06.000

Town of Parish: it's just something that was new pong come March or April, I believe it was passed.

525

01:00:07.320 --> 01:00:13.560

Town of Parish: And that is up to you as to because, quite honestly, the zoning enforcement officer.

526

01:00:15.030 --> 01:00:22.230

Town of Parish: is going to be a little busier on with complaints if once people understand that it's in the zoning law.

527

01:00:26.340 --> 01:00:32.730

Town of Parish: Because if he has to issue a permit now he has to go check it after the six months and see if they need to extend it.

528

01:00:34.020 --> 01:00:36.000

Town of Parish: I I did two of them.

529

01:00:37.020 --> 01:00:38.940

Town of Parish: um and it was free.

530

01:00:41.160 --> 01:00:45.390

Town of Parish: Because there was no FIA I issued that for six months, with no fee.

531

01:00:46.650 --> 01:00:47.790

Town of Parish: is very you do.

532

01:00:49.170 --> 01:00:52.020

Town of Parish: Then you get a three month extension if you need to.

533

01:00:53.490 --> 01:00:59.670

Town of Parish: And when that has to come off to be removed the can be in the Court absolutely.

534

01:01:01.080 --> 01:01:13.320

Town of Parish: Yes, there a penalty or a finer stopped him if you're just put it on there, and you go since one so don't pay no attention not normally unless you guys decide to have one but it's like anything else um.

535

01:01:16.380 --> 01:01:30.630

Town of Parish: Well, my take is, I think we got all the fees, we need, but if somebody don't comply within the six months I understand I wouldn't mind somebody put one next to my android inspire Lisa.

536

01:01:32.010 --> 01:01:44.280

Town of Parish: So I mean it what's the what's the penalty you know the we will there be some kind of a should be like some kind of fine and then so much you know, to make him so much for every day afterwards when you're not in compliance yeah.

537

01:01:46.140 --> 01:02:03.720

Town of Parish: So, so we have to come up with something some kind of determine what type of fee, and this type of container that someone was going to come under agriculture go i'm sure that right and that's where we have agricultural permits to make sure they still apply the zoning yeah.

538

01:02:05.100 --> 01:02:21.510

Town of Parish: We do have those in our current zoning you know process I think it's a \$30 feet yeah i'm just for just for zoning permit for an agricultural building, even though this is not a building a temper it's it's a weird Gray area.

539

01:02:23.640 --> 01:02:35.370

Town of Parish: But somehow it's it's in the zoning law that they get 30 days free and that's that temporary storage container most of the time they're now being used for full time sheds.

540

01:02:36.480 --> 01:02:43.590

Town of Parish: You know and we're not allowing them to be used to sheds we're only according to the zoning laws are only allowing six months in the Max nine months.

541

01:02:44.400 --> 01:02:47.940

Town of Parish: Well, that would be my question, what do you do at the six month mark.

542

01:02:48.900 --> 01:03:02.760

Town of Parish: don't move it no you got three more months, and then you can take them to court, because it could be extended, but that's where the permit now if they haven't you know that's a whole, the way the law was written I got a question, what if you're going to see that one of those storage containers.

543

01:03:03.930 --> 01:03:12.840

Town of Parish: Give even thought about it, but if you get one of those storage containers and you're looking at a whole vm is kind of a rough cut a long word but side on to a big it worth that over us.

544

01:03:13.560 --> 01:03:28.290

Town of Parish: And just use that because they're sealed there's strong banner, but now from the outside, it looks like the storage shed Well now, it falls under the building permit because it's over the size right okay so, then I don't know why foursquare so that is illegal, though.

545

01:03:29.490 --> 01:03:30.990

Town of Parish: And that's why these are temporary.

546

01:03:32.040 --> 01:03:49.440

Town of Parish: A lot of places like i've seen that they are turning them into homes in parish we don't allow anything under 960 square feet So these are not allowed right in our zoning To begin with, or homes now you could make them in the temporary hunting and fishing cabins.

547

01:03:50.790 --> 01:03:54.150

Town of Parish: Temporary not permanent us right but.

548

01:03:55.620 --> 01:04:02.310

Town of Parish: it's a storage container still if you want to cover it up, that would be a Gray area that may have to deal with a leader.

549

01:04:03.000 --> 01:04:10.620

Town of Parish: But once you once it looks all Nice and what did you get all the different sites, I mean so you'd be more or less if you're going to get one and do that to it, you would.

550

01:04:11.400 --> 01:04:19.140

Town of Parish: get a building permit for that many square feet and you're done and and the problem with that is now follow them to the building codes.

551

01:04:19.680 --> 01:04:28.590

Town of Parish: And they'll storage containers there's nothing in the code that talks about using storage containers as a structure right.

552

01:04:29.340 --> 01:04:37.380

Town of Parish: So now, what I would do is I would have to have them this is going along the way, have it approved by an architect.

553

01:04:38.220 --> 01:04:49.890

Town of Parish: or engineer, I mean you know they said i'm a painter ships not 15 understand that I don't have anywhere that's what it's really as well for 60 pounds of salt because there's nothing there doesn't mean.

554

01:04:50.610 --> 01:04:57.480

Town of Parish: That it's wrong right, you know I mean it just like if there's something there that can be challenged, but if nothing there doesn't mean no.

555

01:04:58.530 --> 01:05:12.210

Town of Parish: You have to tie him down to it then becomes a time structure, but if you build a shed if you build a said you don't give me a shout out of it, you can really have yes it's good story and so we're Gray area that yeah so now, it would be have to be.

556

01:05:13.230 --> 01:05:35.970

Town of Parish: challenged and gone down through it so i'm going to be a little bit less manufacturer of the kinect and your shoes their evaluation yeah I know you said there's a certain minimum of square footage yep so you're against the tiny house thing that's what our zoning law says yes.

557

01:05:39.960 --> 01:05:50.610

Town of Parish: We are we have any we do not allow any tiny houses have any I don't know you know we met but, honestly, we may have tiny houses just nobody's reported them.

558

01:05:52.290 --> 01:05:55.410

Town of Parish: Like it's a very hard you know.

559

01:05:56.880 --> 01:06:04.740

Town of Parish: I really don't like that, I mean just the fact that you're telling me again have a tiny home right, I understand that there's only nah.

560

01:06:05.100 --> 01:06:21.120

Town of Parish: Well, we can change that we can we can we can be repealed there's, no doubt, we can I just don't think it's right don't somebody I agree later house, because I want to tell you what I understand yeah you can go on to thanks, we know that.

561

01:06:22.380 --> 01:06:32.010

Town of Parish: If you if you if you want to build a tiny ordinance built the code for us yeah structurally for doing it all around the United States should be okay.

562

01:06:32.520 --> 01:06:36.840

Town of Parish: So we'll have to bring that up yeah that's something we will have to deal with in the future for sure.

563

01:06:37.740 --> 01:06:52.500

Town of Parish: Take a lot of time, no, no, just you know write down things have been President make the notes are dead, so, so the item at hand is, do we charge for zoning permit to have these places on your property after 30 days or not.

564

01:06:54.120 --> 01:07:08.640

Town of Parish: Well, you gave them three months great right to know they have no, you said you gave them three three months there's a three month month extension under this one it's permitted Okay, so when you start you get 30 days correct.

565

01:07:10.050 --> 01:07:18.450

Town of Parish: Then you can move that to, then you have to permit for like three months, at a time, is that what you're saying nope no.

566

01:07:18.840 --> 01:07:29.850

Town of Parish: No, you per minute to the end of the six month correct okay so, then you can have an add on, then you can have an extension, no more than three months Okay, so we have nine months on your on your property.

567

01:07:30.120 --> 01:07:38.460

Town of Parish: But if you're all right, well, plus the free month, so you have 10 months to have it on your property, but then you've got to do something you've got to do something with it, according to the zoning law right.

568

01:07:39.630 --> 01:07:45.060

Town of Parish: yeah, then you take it on a trailer take it down the road two days later, bring it I got another nine months but I.

569

01:07:46.800 --> 01:07:50.250

Town of Parish: have to read on that and that is up to interpretation for the new.

570

01:07:54.510 --> 01:08:09.030

Town of Parish: Year category that's correct, I can only advise what I know currently on so I like I said back at the item at hand, do we want to charge for these people to to get that permit or do you want to just leave storage containers.

571

01:08:10.440 --> 01:08:16.440

Town of Parish: we'll see where it goes if it's if it becomes abusive windows on.

572

01:08:17.580 --> 01:08:21.030

Town of Parish: That The thing is, is that you if you've had one previously.

573

01:08:22.170 --> 01:08:33.180

Town of Parish: it's pre existing non conforming we can't go out and we didn't make the law to take any of the old ones, out of here we're just presenting new ones from coming in.

574

01:08:33.810 --> 01:08:49.320

Town of Parish: it's not like the junkyard law goes back through time and it takes care of all junkyards this law starts, and from that point on, we can no longer allow storage containers, so if they you know, without permitting or like I said for up to 10 months.

575

01:08:52.260 --> 01:09:00.990

Town of Parish: yep that I want to understand yep I didn't understand either time I realized, it was in there, so they wanted a storage, but of course storage container.

576

01:09:01.650 --> 01:09:08.880

Town of Parish: You can get a permit for for each right now, you do right now there's no fee because it hard for code enforcement to go by awesome.

577

01:09:09.480 --> 01:09:19.470

Town of Parish: there's one taste when did it get there, yes, how long's it been there, no, no, that is why the code enforcement officer would say hey.

578

01:09:20.100 --> 01:09:28.320

Town of Parish: This is new this week because somebody just complained that I know the date approximately i'm going to go from the data was there.

579

01:09:28.860 --> 01:09:40.080

Town of Parish: But other than that i'd have to say, as a code enforcement officer show me their seed of one this was delivered, so I can determine us, yes, because he had to say okay I call up to hey this thing's been here for.

580

01:09:40.800 --> 01:09:47.730

Town of Parish: Six weeks next to me so when you come out say okay Well, this is the first time I see it, so they got 30 days for today, because this is the first time I put my eyes on it.

581

01:09:48.510 --> 01:10:02.790

Town of Parish: So 30 days from today now it's time for me receipt and when I moved to me none other than that I can't gas on it and you can't take works, so you gotta do the best you can, if somebody you know somebody assignment and driving by I mean.

582

01:10:03.930 --> 01:10:09.960

Town of Parish: You know if it's more than a storage container is a permanent building a permanent structure.

583

01:10:11.340 --> 01:10:19.320

Town of Parish: You have a permit for you would have a building permit for a storage shed and storage container to limit it to.

584

01:10:20.520 --> 01:10:26.970

Town of Parish: A tractor trailer with wheels no tractor trailers a whole separate separate entity in our zoning law.

585

01:10:28.050 --> 01:10:43.320

Town of Parish: yeah anything with a trailer there's a separate zoning law or tractor trailers, not just storage containers, it talks about the box of it in the cab of it and that's it has only might as well.

586

01:10:46.230 --> 01:10:48.210

Town of Parish: So it talks a little differently and couldn't.

587

01:10:49.470 --> 01:10:51.930

Town of Parish: So what would you guys like to do with this.

588

01:10:54.450 --> 01:11:01.800

Town of Parish: Well, leave it the way it is until it becomes a brown a free rider problem, then we can catch it so we're going to leave this free.

589

01:11:02.160 --> 01:11:14.010

Town of Parish: time I i'm not even going to put it on the list i'm going to cross that right off because it's not a fee if it's free right and you can't go about it on your list of things to discuss later.

590

01:11:15.570 --> 01:11:28.590

Town of Parish: yeah Dr brown right now, if it becomes a problem, some one of the Council, Members will know that it's a problem through this discussion and bring it up to her, and then we can discuss it i'm not gonna put it out an agenda or anything like that.

591

01:11:30.300 --> 01:11:38.460

Town of Parish: Because we don't know what's going on, can we can change it later through a resolution I you can change zoning law, I would have to check that Bob would know that.

592

01:11:41.430 --> 01:11:55.170

Town of Parish: That changes zoning law change okay now by resolution and volume at the board, we can okay we're gonna put him at fee on there, yes, it can be changing the zoning law so that well no wouldn't be changed as you're only changing the feet it right.

593

01:11:56.490 --> 01:11:57.840

Town of Parish: Yes, we'd have to look into that.

594

01:11:58.860 --> 01:12:04.020

Town of Parish: So with all those covered any other discussion on the pages, we just discussed.

595

01:12:05.400 --> 01:12:05.820

Town of Parish: Yes.

596

01:12:07.080 --> 01:12:10.650

Town of Parish: take off storage container completely yes okay.

597

01:12:13.110 --> 01:12:17.190

Town of Parish: That we will just delete that and worry about next year.

598

01:12:18.420 --> 01:12:21.660

Town of Parish: Maybe in six months in my APP right, other than that next year.

599

01:12:23.490 --> 01:12:24.180

Town of Parish: Remaining.

600

01:12:25.320 --> 01:12:29.490

Town of Parish: kind of these and want to start charging somewhere in between there, and if we have to ask.

601

01:12:31.290 --> 01:12:34.320

Town of Parish: Anything anything else on there on these pages.

602

01:12:36.030 --> 01:12:39.120

Town of Parish: Can I have a motion to approve a through F.

603

01:12:40.140 --> 01:12:42.240

Town of Parish: With your morning with.

604

01:12:43.530 --> 01:12:45.630

Town of Parish: Changes second.

605

01:12:48.810 --> 01:12:50.250

Town of Parish: Kelly, do you have all the changes.

606

01:12:53.070 --> 01:12:58.500

Town of Parish: Okay, just want to make sure that we're going to approve this and then we have somebody that has them.

607

01:13:06.420 --> 01:13:06.840

Town of Parish: today.

608

01:13:08.760 --> 01:13:09.150

Town of Parish: Yes.

609

01:13:10.200 --> 01:13:13.650

Town of Parish: I have one here, and you wrote them out here yeah so I can.

610

01:13:15.480 --> 01:13:17.100

Town of Parish: offer the changes and that's.

611

01:13:18.840 --> 01:13:19.050

Town of Parish: Where you.

612

01:13:20.370 --> 01:13:21.450

Town of Parish: know we this isn't.

613

01:13:22.650 --> 01:13:25.170

Town of Parish: The end here on your computer.

614

01:13:26.220 --> 01:13:26.760

Town of Parish: Okay.

615

01:13:29.970 --> 01:13:31.380

Town of Parish: yeah well i'll just get.

616

01:13:33.000 --> 01:13:34.500

Town of Parish: An agreement or change it.

617

01:13:36.480 --> 01:13:48.660

Town of Parish: So, like I said I need a motion to approve a through up with the changes of Section 5678 done done, and done second yo Mr need the motion.

618

01:13:49.890 --> 01:13:53.340

Town of Parish: Mr would second in all those in favor.

619

01:13:55.500 --> 01:13:56.610

Town of Parish: Would you like a roll call.

620

01:13:58.470 --> 01:14:00.630

Town of Parish: Okay let's have a roll call, please.

621

01:14:02.070 --> 01:14:02.700

Town of Parish: Yes.

622

01:14:05.460 --> 01:14:05.820

Town of Parish: I.

623

01:14:07.230 --> 01:14:08.250

Town of Parish: Already yeah yes.

624

01:14:10.530 --> 01:14:11.100

Town of Parish: Yes.

625

01:14:13.050 --> 01:14:13.650

Town of Parish: Try calling.

626

01:14:15.000 --> 01:14:16.020

Town of Parish: It is not in the session.

627

01:14:17.550 --> 01:14:19.590

Town of Parish: Robin Thank you know little.

628

01:14:21.000 --> 01:14:22.530

Town of Parish: Bad connection there yep.

629

01:14:24.390 --> 01:14:38.880

Town of Parish: So that passes, we will move on to our next I don't which is new business off the floor, is there any new business off the floor that cannot leave until next Thursday.

630

01:14:44.280 --> 01:14:46.290

Town of Parish: idea of raw.

631

01:14:47.700 --> 01:14:50.280

Town of Parish: Robin handling a Parish.

632

01:14:51.360 --> 01:15:02.040

Town of Parish: Facebook website things that I mean it be better to discuss their like maybe the next meeting when she's here she's here so that she can be aware of you know so of everything so.

633

01:15:02.850 --> 01:15:17.910

Town of Parish: Just so everybody knows about it right get with Gary it is talking about is we were in discussion and we just needed board approval, but without Robin here i'd rather wait and so Gary we're talking about opening up a town of Paris Facebook page.

634

01:15:18.960 --> 01:15:25.440

Town of Parish: where things are posted positively quite in a you know, a general nice manner.

635

01:15:26.850 --> 01:15:32.610

Town of Parish: Where we can be very informative to our residents, because there's tons of them on Facebook, I personally am not.

636

01:15:33.420 --> 01:15:42.000

Town of Parish: What I know a lot of people are and she's very good at that and Robin is is good at that and we're thinking about making her administrator.

637

01:15:42.720 --> 01:16:01.770

Town of Parish: With one other person as a secondary administrator and we can talk more details when Robin comes back that was one of the larger complaints that I had when I was campaigning the fact lack of good communication right amongst all parties.

638

01:16:03.390 --> 01:16:08.700

Town of Parish: You know all of your zoning and planning boards, I mean there has to be.

639

01:16:10.140 --> 01:16:23.370

Town of Parish: A lot more talk, I think it should be a goal well this year of increase in the reputation of the town of parish in a sort of county well you know and Robin has a good handle on Facebook stuff.

640

01:16:24.750 --> 01:16:27.510

Town of Parish: And I think she did it well.

641

01:16:29.580 --> 01:16:35.460

Town of Parish: Well, there now and maybe if we find another person that has a good amount of.

642

01:16:37.140 --> 01:16:39.690

Town of Parish: ambition and intelligence, whatever.

643

01:16:41.010 --> 01:16:51.510

Town of Parish: To get a good page quite quite, then you know you know we can find another person you're talking stepping up to the plate is what you're saying.

644

01:16:56.010 --> 01:16:56.790

Town of Parish: anyways.

645

01:16:59.670 --> 01:17:00.270

Town of Parish: right here with.

646

01:17:02.730 --> 01:17:06.930

Town of Parish: We will attempt our best to do that, that is new business off the floor.

647

01:17:08.940 --> 01:17:23.100

Town of Parish: And because you didn't make a motion we're not going to table anything but please bring it up in two weeks yeah cuz I want to talk to him extensively when Robin right exactly exactly so and because we didn't.

648

01:17:24.630 --> 01:17:35.670

Town of Parish: Say say accepted that Oh, maybe this she was not i've chatted with her a little bit in the past, she seemed up to it, but I just want to make sure that things haven't changed.

649

01:17:36.510 --> 01:17:51.780

Town of Parish: And we need her here in order to make that happen, so we will go maybe two or possibly three people's i've been over yet no We just have to give the littles people the permission to do it yeah and we can do that, we also, I think.

650

01:17:53.040 --> 01:17:55.350

Town of Parish: That we can bring out there any better.

651

01:17:57.030 --> 01:17:58.500

Town of Parish: system that we can use.

652

01:17:59.730 --> 01:18:20.310

Town of Parish: zoom I mean i've had my problems and I know Robin enhancer now, when you say problems, as in connection yeah I I kind of wonder, you should have a good high speed connection here with your your Internet for well I guess what i'm asking is there is there, good better and best.

653

01:18:22.200 --> 01:18:34.440

Town of Parish: In terms of Internet connection i'm not sure that you're not at the best that you can get because if you went through subtler and wireless that's typically slower than the connection that you've got now with fiber.

654

01:18:35.280 --> 01:18:44.040

Town of Parish: Okay, and the other is a forget the name of it is through the telephone company, but that's typically slower as well about spectrum business.

655

01:18:45.810 --> 01:18:54.690

Town of Parish: I think it does take a look at your bill and see what you're paying for now and what rate you're getting but I don't think spectrum business offers any higher speed, but I can look into it.

656

01:18:56.040 --> 01:18:59.940

Town of Parish: i'll talk to Kelly and we'll take a look at the bill wish to check with them and.

657

01:19:01.350 --> 01:19:15.720

Town of Parish: just looking at what just happened to Robin know she might be 1000 miles away yeah I can answer to that I think that's the job that I believe is done in the Virgin Islands Center something St I don't know which one.

658

01:19:16.680 --> 01:19:34.860

Town of Parish: was having a bad Internet connection on her, and I believe all i'm saying is yes let's get out there and make sure that we have good available right and and what I believe what paul's putting out there is good it's just the people that are receiving it are having the issue.

659

01:19:37.650 --> 01:19:38.250

Town of Parish: When they get there.

660

01:19:39.390 --> 01:19:54.060

Town of Parish: and see if there's any room for further absolutely yep Another thing I new business, remember, we talked a little bit about it was something to come up with the meetings that we can discuss the future is i'm getting a.

661

01:19:55.110 --> 01:19:55.740

Town of Parish: Committee.

662

01:19:57.180 --> 01:20:00.990

Town of Parish: One board member passively and with some other.

663

01:20:02.040 --> 01:20:03.120

Town of Parish: Town residents.

664

01:20:04.740 --> 01:20:04.950

Town of Parish: Have.

665

01:20:06.210 --> 01:20:09.960

Town of Parish: like an oversight committee for Community park and other.

666

01:20:11.010 --> 01:20:11.730

Town of Parish: productive.

667

01:20:13.230 --> 01:20:22.620

Town of Parish: Things whether it's Christmas decorations or whatever just things about the town that they can bring back to the board with suggestions and.

668

01:20:23.100 --> 01:20:34.110

Town of Parish: oversight, or maybe like for the Community park the improvements we want to make there that they can be there, I think a big includes.

669

01:20:34.710 --> 01:20:49.590

Town of Parish: A few people from the down family family parents or whatever people from the done, they want to volunteer to do this and show some interest that they might be able to it'd be better for our Community committee instead of each one of us title clear.

670

01:20:50.910 --> 01:21:13.950

Town of Parish: What the goal, the current Committee, you know we we have a meeting over there and I was going through remote well how they got something like that already well for the village and because our decorations and perks are mainly the decorations and the flags and what village things in.

671

01:21:15.120 --> 01:21:23.160

Town of Parish: And I don't know if it's co good related, but the carpet, has been very silent.

672

01:21:25.770 --> 01:21:28.560

Town of Parish: And as we come out of that.

673

01:21:29.790 --> 01:21:46.890

Town of Parish: It would be nice to invite everybody, you know that wants to volunteer time and i'm Facebook, there were some people that recognize that fact so get them all down here, make a little committee.

674

01:21:48.180 --> 01:21:51.300

Town of Parish: and see what we can do, can I know we're gonna find out.

675

01:21:53.550 --> 01:21:56.730

Town of Parish: It may be bad can be about this is.

676

01:21:58.260 --> 01:22:06.630

Town of Parish: The usage which i've heard that that money that was given to us because a coven you know.

677

01:22:07.380 --> 01:22:18.510

Town of Parish: That we have there was you could use it for Community parking permits and stuff because they're considering that the Federal Government is covered related to get people back out of the.

678

01:22:18.870 --> 01:22:26.280

Town of Parish: isolation of where they work so depending on the wording we might be able to use that money to improve the.

679

01:22:28.530 --> 01:22:39.810

Town of Parish: Number here to the right so that's something that will check into the availability and the usage of that money there's a fair amount of information yeah he came along with the.

680

01:22:41.430 --> 01:22:46.410

Town of Parish: yeah kelly's got it I don't know if there's a time limit and before I want before we have to.

681

01:22:48.270 --> 01:22:49.890

Town of Parish: Because there is another check coming.

682

01:22:51.210 --> 01:23:00.990

Town of Parish: down the road supposed to be getting another I think we have used it by 2024 yeah okay so so there's plenty of time okay it's not like, but.

683

01:23:03.300 --> 01:23:07.530

Town of Parish: Soon right most things it gets deleted really bizarre things come up.

684

01:23:13.200 --> 01:23:14.370

yeah yeah.

685

01:23:16.500 --> 01:23:22.260

Town of Parish: And I know that you said you'd be dug into it, but have some information I would imagine that for you.

686

01:23:25.710 --> 01:23:45.900

Town of Parish: I mean tug hell is witnessing this across all the towns, they would be wealth of information on this type of money, and I believe

they've done webinars maybe we have hosted webinars we will continue to either host Mr directed alonzo by others have to become aware.

687

01:23:47.100 --> 01:23:56.880

Town of Parish: it's a it's a lengthy process, I guess, to do it, but but it's worth it, but it's worth it in the end it's just getting the time and the resources to get everything, and you know.

688

01:23:57.780 --> 01:24:11.700

Town of Parish: instantly dot your i's and cross your t's so that the approved what you've done because I think you have to pause do you have to do it before it gets approved know ever do it after you're done when they tell you whether or not qualify so.

689

01:24:14.400 --> 01:24:17.880

Town of Parish: Basically, you have to do it first and folks hope that.

690

01:24:18.630 --> 01:24:26.910

Town of Parish: You qualify, so you have to have the money, but in case you lose their list of things that we could do that there is a good say.

691

01:24:27.150 --> 01:24:40.380

Town of Parish: If something doesn't qualify in one category at may qualify another category yeah so i've watched a couple of webinars on it, and as long something stupid, really, really stupid, I think.

692

01:24:42.390 --> 01:24:50.520

Town of Parish: One way or another, so be proven that it was affected by colon somehow or another, yes there's a good argument for it.

693

01:24:53.820 --> 01:24:58.260

Town of Parish: So it's something we as a board can look into right yep.

694

01:24:59.400 --> 01:25:06.360

Town of Parish: And we will continue to do our best to do that um any other new business off the floor.

695

01:25:08.100 --> 01:25:14.010

Town of Parish: Here and i'm seeing none how about any old business off the floor anything we missed anything you want to read bring up.

696

01:25:15.660 --> 01:25:16.380

Town of Parish: I wasn't there.

697

01:25:18.420 --> 01:25:26.880

Town of Parish: Hearing none seeing none, we will close all business and we will move on, I just need a motion to adjourn our first meeting of 2022.

698

01:25:29.460 --> 01:25:30.870

Town of Parish: Second, author.

699

01:25:31.980 --> 01:25:33.000

Town of Parish: Well i'll third.

700

01:25:34.500 --> 01:25:36.180

Town of Parish: All those in favor of journey.

701

01:25:38.220 --> 01:25:39.150

Town of Parish: All those opposed.

702

01:25:40.290 --> 01:25:43.350

Town of Parish: Steve Thank you very much, everybody.

703

01:25:47.040 --> 01:25:50.880

Town of Parish: it's a pleasure 39.
