Town of Parish: Please.

2

00:00:16.260 --> 00:00:16.650
State.

3

00:00:18.060 --> 00:00:25.410
Town of Parish: To the Republic for which it stands one nation under God indivisible with liberty and justice for all.

4

00:00:29.160 --> 00:00:30.720
Town of Parish: Can I roll call, please.

5

00:00:34.740 --> 00:00:35.070
Town of Parish: Air.

6

00:00:37.380 --> 00:00:37.710
Town of Parish: Air.

7

00:00:45.150 --> 00:00:46.770
Town of Parish: Public comment period.

8

00:00:49.290 --> 00:00:52.170
Town of Parish: Kevin while you're standing right there can I me grab that green.

9

00:00:54.960 --> 00:00:58.920
Town of Parish: Public comment sign in please don't see too many people there, except for one so.

10

00:01:03.510 --> 00:01:04.050
Town of Parish: Thank you.

11

00:01:08.820 --> 00:01:12.270

Town of Parish: Okay, public comments we have shelly Clark.

12

00:01:13.980 --> 00:01:17.940

Town of Parish: To john about the hometown heroes program it's a banner Program.

13

00:01:21.270 --> 00:01:26.550

Town of Parish: done banners on play so there's three different sizes of banners you can have.

14

00:01:29.250 --> 00:01:31.740

Town of Parish: papers for the counselors on the table there.

15

00:01:33.930 --> 00:01:52.830

Town of Parish: The family have a military Member or the veteran themselves or they do a firefighter emt nurses, doctors will actually buy the banner themselves, so the cost of the town room will be nine except for helping us put them up and take them down and a lot of towns, leaving but.

16

00:01:54.060 --> 00:01:55.200

Town of Parish: From what morial day.

17

00:01:57.900 --> 00:02:06.600

Town of Parish: veterans day, but they will be kicking up and put down anytime so if they don't have to stay up the whole time and when people sign up to do this.

18

00:02:07.350 --> 00:02:15.420

Town of Parish: They would they would sign up, we had a couple people they'd be responsible for having the program during the program I know jax volunteer to help me with it.

19

00:02:15.930 --> 00:02:24.450

Town of Parish: meets up a separate checking account, I like even today we can just set up a checking account for this program we're going to come in paper, the banners and then go out.

20

00:02:25.620 --> 00:02:33.840

Town of Parish: The back of that I gave you guys is everything from hometown heroes and they actually gave you good examples how set it up.

21

00:02:34.410 --> 00:02:45.570

Town of Parish: Things you can do to put out flyers you could put out Facebook ads so people know about it so everything you just plug in your towns name and and put it out there.

22

00:02:46.140 --> 00:02:54.780

Town of Parish: are many different styles of banners and I really like to keep it to like one style so they're all uniform, so we do the fire department and.

23

00:02:55.110 --> 00:03:06.750

Town of Parish: You know emt and please i'd like to keep that type of style for the military also so they're all the same, looking down now just having different colors like on the top instead of us flag they'll have.

24

00:03:07.110 --> 00:03:18.780

Town of Parish: The flag with a blue stripe or red stripe or what have you so the cost of the town really like I said is is nothing for the program itself it's just being having somebody put them up and take them down here.

25

00:03:20.010 --> 00:03:20.340

Town of Parish: Okay.

26

00:03:22.230 --> 00:03:28.200

Town of Parish: I know a lot of pounds in the area arguing it and you see an angel sessions, where does that Mexico does that the phone it does that.

27

00:03:28.800 --> 00:03:35.070

Town of Parish: So they go to the county but just recognizing our heroes in the flight usually say to kind of parish recognizes.

28

00:03:35.850 --> 00:03:42.600

Town of Parish: The hero they'll have their name they'll have the rank and then you can actually put who sponsored that also so i'd like to do it.

29

00:03:43.050 --> 00:03:52.080

Town of Parish: Maybe buy your coffee, to see if they'd like to just pay their members so that like you end up with the town to let you know the American legion now and what have you.

30

00:03:52.770 --> 00:04:02.400

Town of Parish: All right, almost on our Facebook page right when do you need a response from i'd like to have the, we have to order five banners at a time.

31

00:04:03.060 --> 00:04:15.210

Town of Parish: that's their minimum order i'd like to get five banners or five people doing it by Memorial Day, because I think once you get it out there and see it for the first five you would get more so i'm hoping to get five out by Memorial Day.

32

00:04:15.900 --> 00:04:27.270

Town of Parish: Now we have a three minute I was you, and he checks that he would do one so there's three already committed why don't we before we agreed anything, let us look over what we have.

33

00:04:28.290 --> 00:04:33.060

Town of Parish: And then we'll put it on the agenda for next month, so at least we can look at the packet.

34

00:04:33.930 --> 00:04:46.860

Town of Parish: Without just trying to rush it tonight, and I will give everybody a month, so what I will do is I will put you on the agenda for next month, and then that way they can take time and look at it, make sure we want to do the right thing all right.

35

00:04:50.640 --> 00:05:01.560

Town of Parish: Everybody good with that yeah fantastic Okay, thank you shelley on policy around my list for public comment on where you're just going to give a report or you had something else.

36

00:05:02.550 --> 00:05:11.700

Town of Parish: For certain writers, that would be fine okay thanks lori that's going to end our public comment period, I have the supervisors comments for the month.

37

00:05:13.320 --> 00:05:23.040

Town of Parish: just have a couple of comments this month, first for those that are may not be aware, a devastating fire occurred on February 28 in the town of Parish.

38

00:05:23.490 --> 00:05:32.820

Town of Parish: A large garage with all its contents are lost to Mike and Terry subaqua he go fund me page has been set up to assist them in the recovery, if you can please donate.

39

00:05:34.170 --> 00:05:51.120

Town of Parish: Also, since our last meeting I attended a webinar on capital planning and also begun discussions with jade got excuse me Jay grasso our grant writer in regards to the wire usda snowplow grant the town needs financing for this vehicle and I am in the process of working on that.

40

00:05:52.140 --> 00:06:03.270

Town of Parish: Today, and I continue to learn and grow in our office next week trudy begins or first of two courses that will help her with her duties as town bookkeeper that ends my comments.

41

00:06:06.390 --> 00:06:07.770

Town of Parish: Any counselor comments.

42

00:06:09.870 --> 00:06:18.540

Town of Parish: Nobody wishes to speak Robin I know I brought this up in the past, but I just want to throw it out there again for consideration to be added for our agenda.

43

00:06:19.440 --> 00:06:37.680

Town of Parish: You take your light of things that are happening overseas that we start taking a very, very serious look at our cybersecurity both with any of the phones that are connected with the town of parish any accounts that are connected to accounts outside of the Donna bears IE banking.

44

00:06:38.910 --> 00:06:44.550

Town of Parish: And then, anything that we have on our own computers, I know, when I mentioned before pollard said that.

45

00:06:45.930 --> 00:06:50.550

Town of Parish: That Microsoft has a pretty good system but i'm suspecting that.

46

00:06:51.600 --> 00:07:01.800

Town of Parish: foreign players, may have a better system to break something like Microsoft, so I think it's in our best interest to start paying attention to that.

47

00:07:03.150 --> 00:07:06.330

Town of Parish: Okay it's a pretty hefty.

48

00:07:07.710 --> 00:07:13.650

Town of Parish: hefty topic that I, quite honestly, we wait, the bigger, yes, it could be sometimes get my.

49

00:07:14.760 --> 00:07:23.850

Town of Parish: Attention things like that, like we fear, one of the one of those things professional services it's pennies a month, and not just that.

50

00:07:24.900 --> 00:07:38.910

Town of Parish: it's having you know, two factor authentication on things and making sure that our passwords are really secure it's not problem, the town councillor, is my is my password right example.

51

00:07:41.850 --> 00:07:42.300

Town of Parish: Okay.

52

00:07:43.770 --> 00:07:55.410

Town of Parish: take that into consideration leaves that it's going to be a big project it's a huge project i'm sure Paul baxter will be able to assist us some way or another, and we can take a look at that.

53

00:07:56.970 --> 00:07:58.290

Town of Parish: Anything else from the counselors.

54

00:07:59.520 --> 00:08:09.930

Town of Parish: Okay, I need a motion to approve the 217 22 Minutes that were there in your mailbox or sent via email.

55

00:08:11.280 --> 00:08:12.030

Town of Parish: Like motion.

56

00:08:14.580 --> 00:08:15.870

Town of Parish: motion is by.

57

00:08:17.340 --> 00:08:22.590

Town of Parish: Kerry wood consecutive by Doug voting all those in favor Aye.

58

00:08:24.150 --> 00:08:24.750

Town of Parish: opposed.

59

00:08:26.670 --> 00:08:27.780

Town of Parish: Motion passes.

60

00:08:31.770 --> 00:08:36.360

Town of Parish: we're gonna move on to committee reports are the arpa funds committee.

61

00:08:38.070 --> 00:08:38.670

Town of Parish: Right.

62

00:08:40.560 --> 00:08:45.930

Town of Parish: We did meet we discussed our funds and potential ways of spending them.

63

00:08:47.220 --> 00:08:49.590

Town of Parish: Firstly, it was noted that.

64

00:08:50.700 --> 00:08:59.490

Town of Parish: No money should be spent prior to march 31 of this year, because as of April 1 there may be additional changes to.

65

00:09:00.210 --> 00:09:16.080

Town of Parish: How the money can be dispersed instead anticipated but that's their deadline, and secondly we considered how monies should be spent and figured that the best way to spend it would be through three pots of money.

66

00:09:18.600 --> 00:09:19.980

Just gonna bring that up here.

67

00:09:28.530 --> 00:09:29.580

Town of Parish: Alright, so I don't see her.

68

00:09:33.720 --> 00:09:43.680

Town of Parish: money would be monies that the town knows that we need to spend a highway funds, possibly money towards have arrived, thank you, our garage.

69

00:09:49.530 --> 00:09:59.100

Town of Parish: So town has money, for example, to spend on highway garage roof then there's town and Community improvements for example Christmas decorations.

70

00:09:59.490 --> 00:10:13.680

Town of Parish: planting a real tree for the to the town of this where versus having a tiny little fake one actually you know staying on you to plant one improving that Park, a town picnic and improving metropark.

71

00:10:15.060 --> 00:10:25.140

Town of Parish: Again, a lot of this involves you know feed feedback from the Community, and finally i'm third part of money going towards municipal improvements.

72

00:10:26.190 --> 00:10:33.390

Town of Parish: Electronic scanning of documents video and audio equipment for likeness etc.

73

00:10:34.530 --> 00:10:39.900

Town of Parish: Again, these are just ideas very the three parts don't have to be equal amounts of money.

74

00:10:41.130 --> 00:10:51.540

Town of Parish: For that that way the money was spent sort of across all areas of the tongue apparently I just spoke with jake Rasul this week, who is our grant writer.

75

00:10:52.350 --> 00:11:03.570

Town of Parish: He I mentioned some things arm and he is willing to speak with the committee and assist you in the grants that are also out there, so we can do a two fold.

76

00:11:04.020 --> 00:11:10.350

Town of Parish: You apply for a grant we use some arpa money and we get some things moving right um I can get you is number.

77

00:11:10.890 --> 00:11:20.190

Town of Parish: If you have notes um you could send them to me via email on your on your committee meeting and that way I can least send them to Jay and give them a little heads up.

78

00:11:20.910 --> 00:11:32.940

Town of Parish: And that way we can get that working and start trying to apply grants that are available in arpa money and our you know our some of our money, we had to bond for another point.

79

00:11:34.020 --> 00:11:46.980

Town of Parish: That i'd consider We talked in the past about possibly putting Internet provided security cameras down at Merrill park Gary

mentioned using satellite, which is which could be cheaper in the long run.

80

00:11:47.550 --> 00:12:05.730

Town of Parish: um anything that has to do with infrastructure, I really feel like we should hold that money aside for infrastructure bonds I don't know how much we're getting I don't know that we've heard, I know, larger municipalities have been told how much they're getting in infrastructure father.

81

00:12:07.110 --> 00:12:09.990

Town of Parish: that's a good question I don't have the answer that.

82

00:12:11.280 --> 00:12:20.520

Town of Parish: You have to look that up because I don't know you know I know the arpa funds were 120,000 somewhere around there as its vertical 70 total right so to 70 total.

83

00:12:21.030 --> 00:12:32.730

Town of Parish: And then I don't know if there's other funds and that's definitely a little bit more research i'm sure structure funds yeah I just don't know from where when, quite honestly, we haven't.

84

00:12:33.840 --> 00:12:45.330

Town of Parish: The first two and a half months I I don't know when things are coming or not coming, quite honestly, but we'll figure it out okay all right, I said, give me just give me something, and we can start looking at some things.

85

00:12:46.440 --> 00:12:50.280

Town of Parish: we're just trying to keep her head above water, right now, and I will swim soon.

86

00:12:52.680 --> 00:12:53.370

Town of Parish: you're, so I think.

87

00:12:54.810 --> 00:13:04.260

Town of Parish: The part for the committee to get out there meet down there yeah look at moorpark see looking at it see what improvements in the US, make a list of what we would like to see new.

88

00:13:04.620 --> 00:13:19.020

Town of Parish: basketball court street bears the Senate and then I think with something like that i'm not sure, but I think if you're going to get

a contract to do that, I think, has to go out for bid, I believe, if it's over 35,000, I believe, is it.

89

00:13:20.670 --> 00:13:30.270

Town of Parish: Yes, i'm done just to get an idea of what the park would take to bring it up what people want to see in the park and see a pro correct and we also have an engineer that works for the town yeah.

90

00:13:30.900 --> 00:13:44.430

Town of Parish: He he's already drawn up old plans, I believe, so there's already some of this stuff is in the works and where the market doesn't get really outdated I don't think much but he's already done some work, so we can chat with him as well.

91

00:13:45.810 --> 00:13:47.850

Town of Parish: If you get a set of relation, that would be great.

92

00:13:49.290 --> 00:13:52.710

Town of Parish: So I need to get you info and some of that also.

93

00:13:54.270 --> 00:13:58.590

Town of Parish: i'm sure there's grant or something like that right and that's where Jay grasso would come in.

94

00:13:59.280 --> 00:14:07.650

Town of Parish: Through your whole three part system he'll be able to tell you what's available when it's available what's coming up, and I can we do it right.

95

00:14:08.430 --> 00:14:25.200

Town of Parish: Because he also mentioned to me possible repairs at the highway and we're going to deal with that as well, so all these things will kind of mesh together and don't get it yes we'll try to start putting these things together, so you would like, in full for me for Jay grasso and the engineer.

96

00:14:29.310 --> 00:14:30.480

Town of Parish: that's Miller engineering.

97

00:14:34.230 --> 00:14:36.000

Town of Parish: Okay, I can get you that information.

98

00:14:39.300 --> 00:14:40.080

Town of Parish: that's really easy.

99

00:14:42.750 --> 00:14:45.840

Town of Parish: Okay next one, are you done Robin.

100

00:14:47.040 --> 00:14:53.670

Town of Parish: I think so unless you live on Facebook, I would love to hear about Facebook next, and if you notice on your agenda.

101

00:14:54.360 --> 00:15:05.580

Town of Parish: It says dissolve if not needed I know the Facebook page it's probably up and running, I just wanted to sort of talk very, very briefly, yep and we also had to talk about maybe the.

102

00:15:06.570 --> 00:15:17.160

Town of Parish: The policy, the media policy where you were where that we have the media policy, I should have emailed it to i've been yeah you have you don't happen if you have to change.

103

00:15:18.300 --> 00:15:18.720

Town of Parish: The other day.

104

00:15:19.830 --> 00:15:32.100

Town of Parish: yeah got approval from the lawyer Okay, we tweaked it a little we don't have a police department and dimension to police department and there, so we, we made it more realistic for our town setting, I do have a policy, I will mail it to.

105

00:15:33.480 --> 00:15:45.360

Town of Parish: The Facebook pages up, it is still rusty I posted this meeting on there and I I had to have approval trauma from another administrator to do that.

106

00:15:45.900 --> 00:16:01.140

Town of Parish: um so and i'll work those kinks out but that's why we started this slow the way it is we have 75 people who get out follower like our page um so that's a skill it's good that it's way more than we had two months ago.

107

00:16:04.110 --> 00:16:08.370

Town of Parish: Right that's a good thing okay great at the Facebook page I think if anyone.

108

00:16:08.970 --> 00:16:23.370

Town of Parish: wants to add on there, let us know on the highway if you're doing a highway repairs at the time, please let us know we can post it on that page says it's informational for the town so anything like that I didn't know something the other day, yes.

109

00:16:27.900 --> 00:16:34.050

Town of Parish: So, so my next question are you done with you, yes I don't want to step on your toes or not all.

110

00:16:35.250 --> 00:16:40.020

Town of Parish: Do we need the committee reports every month anymore, now that it's up and running, is my question.

111

00:16:41.490 --> 00:16:42.600

Town of Parish: Maybe with our PA.

112

00:16:43.710 --> 00:16:48.270

Town of Parish: Because that well yeah we'll leave the committee going but i'm just having a Facebook page committee.

113

00:16:48.750 --> 00:17:03.060

Town of Parish: I don't need a report from your monthly because it's up and running that's That was my assumption i'm not on Facebook so make major changes so if we're going to dissolve the committee i'm going to ask for emotion to dissolve the committee and that we will no longer be a standing committee.

114

00:17:04.260 --> 00:17:10.440

Town of Parish: So if you want to move to dissolve the official Facebook committee posts I didn't.

115

00:17:12.180 --> 00:17:20.400

Town of Parish: Mention was made by Robin seconded by Gary and I will provide you with the policy and the name of all for administrators okay.

116

00:17:22.710 --> 00:17:26.190

Town of Parish: All right, can I have a vote on that motion, please.

117

00:17:27.870 --> 00:17:38.820

Town of Parish: hi all those in favor right okay that's what I was hoping, as I was writing and talking at the same time I tend to do that a lot Okay, so that passes Kelly.

118

00:17:41.250 --> 00:17:44.610

Town of Parish: we're going to move on to our department reports.

119

00:17:47.670 --> 00:17:55.950

Town of Parish: The highway report George George sweet sweet we're still running one chef which is going to change anyway here in a few weeks.

120

00:17:56.430 --> 00:18:04.230

Town of Parish: Now, allowing a new lack of help all the towns around are having the same problem, including the state and the county so.

121

00:18:04.830 --> 00:18:20.610

Town of Parish: Thank you, you have my report in front of you, I don't care who's our meeting meeting meeting on Wednesday October 23 of the mill.

183

00:26:04.260 --> 00:26:12.870

Town of Parish: And if there's questions sure I posted a notice to the town website announcing that meeting plans continue for an inverse in 2022 together look with every conference.

184

00:26:13.590 --> 00:26:26.130

Town of Parish: scheduled for Tuesday April 19 the turning stone, the best registration deadline of March 18 is growing near that should be the next planning for the next seven or counsel governance meeting is still in progress.

185

00:26:27.330 --> 00:26:42.450

Town of Parish: The Commission is establishing meeting central for 2022 and the meeting in St Louis county this year is going to be for Monday the 21st at 10am in Cleveland and it will also be available via zoom and all the business with me the way.

186

00:26:43.500 --> 00:26:56.640

Town of Parish: I mentioned before about state archives in the government records management and previous grant cycle, the only update to that is webinar on march 1 got into the details and Q amp a is now available on their website.

187

00:26:58.380 --> 00:27:06.270

Town of Parish: I continue to look for possible people interested in acting to assist me and municipal meeting coverage, please let me know if you know anybody who might be of interest.

188

00:27:07.710 --> 00:27:18.630

Town of Parish: reimbursement of municipalities would violate bedroom areas continues to be something together mission has been working on an association with our state legislators no action needed at this time in order developments assessment.

189

00:27:19.620 --> 00:27:25.440

Town of Parish: Also, no new developments regarding the little sound river and salmon access to a little seminar ever too bearish.

190

00:27:27.450 --> 00:27:33.960

Town of Parish: Something that i'll bring up again in the joint meeting because it affects both the town and develop becoming a real time.

191

00:27:34.770 --> 00:27:38.880

Town of Parish: email addresses for the town and village and, unfortunately, the plan that we've been using.

192

00:27:39.360 --> 00:27:51.390

Town of Parish: Is no longer going to be available, and we are going to be switched over to Microsoft 365 and it will cost more money they'll still be a lot cheaper than if you went through your Internet service provider.

193

00:27:51.780 --> 00:27:59.910

Town of Parish: And it has the additional value that you have the fat parish dash and my.us address that makes your emails from you little more official than it was just from.

194

00:28:00.690 --> 00:28:01.650

Town of Parish: A service provider.

195

00:28:02.070 --> 00:28:14.340

Town of Parish: But it will be costing a little more potentially solve bring that up at the joint meeting is there, I remember before you had said that there was a an alternate that we could use and keep that same email, there is an i'll be bringing that up.

196

00:28:14.640 --> 00:28:22.710

Town of Parish: And the advantage of that is it would actually cost less than your current setup bad news would be more work involved in the transition for everybody, so.

197

00:28:23.400 --> 00:28:38.670

Town of Parish: I have a lot, a lot more detail for you, that the the join me because it said it affects both of you so we're talking about worst case, it would be right now you're paying around \$70 a year, with potentially \$300.

198

00:28:40.500 --> 00:28:47.580

Town of Parish: So much cheaper than you would get if you're getting additional email addresses from your service provider Internet service provider.

199

00:28:49.170 --> 00:29:01.410

Town of Parish: And the only other thing I had was I didn't put on this report, but I did meet with the Parish on highway superintendent yesterday, and yes, even bigger questions that I asked him with the song and that's all I have for you, for tonight.

200

00:29:03.300 --> 00:29:05.010

00:29:30.420 --> 00:29:30.780
Town of Parish: Fine.

206

Town of Parish: I will post one of these up here okay.

207
00:29:37.980 --> 00:29:45.300
Town of Parish: May 14 we can probably put that out or town website and on the Facebook page she's already over all over it.

208
00:29:48.510 --> 00:29:48.720
Town of Parish: Was.

209
00:29:50.790 --> 00:29:54.030
Town of Parish: Already left learn to think do a highway department for alpha result.

210
00:29:56.640 --> 00:29:59.070
Town of Parish: Like 10 degrees, we have a lot of a.

211
00:30:00.210 --> 00:30:07.410
Town of Parish: lot of rows we didn't cover three we have three full site, so if some fire departments there.

212
00:30:08.520 --> 00:30:22.890
Town of Parish: were two lines there my biggest fire man man commando and 14 years of a jeep also pictures are amazing, and it also haters learned a lot over here on the side, yes, go straight to.

213
00:30:24.660 --> 00:30:32.460

259

00:36:40.590 --> 00:36:49.470

Town of Parish: yeah we'll know the better, I can check right better next next month, when I do the late notices and then bounce off to reconcile with county.

260

00:36:51.240 --> 00:36:52.020

Town of Parish: That comes in April.

261

00:36:53.310 --> 00:36:54.810

Town of Parish: Any questions for Kevin.

262

00:36:56.250 --> 00:36:58.680

Town of Parish: Thank you Kevin fantastic thanks Kevin okay.

263

00:37:00.840 --> 00:37:21.120

Town of Parish: That ends our department reports we're gonna move on to some unfinished business i'm dealing with some items it I don't know and maybe Gary would know if you ever signed the ambulance contract, I cannot find one nothing was on file with Kelly sign up.

264

00:37:22.350 --> 00:37:32.580

Town of Parish: The centurion they didn't do it OK, to sign this one now well i've got a bill you got one, yes, because I spoke with a gentleman because I wanted to know.

265

00:37:33.240 --> 00:37:43.380

Town of Parish: What happened with it isn't our fault your fault, because they didn't send us a bill either they just expect these you know contracts to be paid, and so I have one here we can sign it this evening.

266

00:37:44.520 --> 00:37:47.100

Town of Parish: And I can get it to him, and then we can.

267

00:37:50.190 --> 00:38:00.540

Town of Parish: it's going to be paid because it's on the vultures as well, because I thought you know just because it wasn't signed, we have

proved it we just didn't sign it, officially, so you guys would like that page there.

268

00:38:03.360 --> 00:38:09.120

Town of Parish: And I just needed to know kind of the history on it, as some business was not taking care of at the end of last year.

269

00:38:13.920 --> 00:38:16.440

Town of Parish: Because it wasn't actually a bill so maybe just didn't get done.

270

00:38:17.820 --> 00:38:34.050

Town of Parish: For the furnace line yeah so it wasn't intentional all in fact he he didn't contact me they were also going through an issue as to who was in charge, and they were flipping over as well, so it just got lost in the paperwork and we're going to correct it.

271

00:38:37.140 --> 00:38:47.550

Town of Parish: So I need emotion i'm now that you sign it all anyways I forgot to ask for emotion to approve that contract and sign it just so it's official in case we do it before yes.

272

00:38:48.720 --> 00:38:52.650

Town of Parish: Yes, so for the record Gary is going to make the motion can I have a second.

273

00:38:53.760 --> 00:39:02.640

Town of Parish: Second, by Robin all those in favor I, like all those opposed and abstained motion passes going and keeping up.

274

00:39:04.650 --> 00:39:08.760

Town of Parish: that's good okay takes care of that issue.

275

00:39:10.770 --> 00:39:12.900

Town of Parish: Okay we're gonna move on any.

276

00:39:13.920 --> 00:39:28.350

Town of Parish: unfinished an unfinished business off the floor does anybody have anything else they wish to bring up that we forgot, they just remembered anything like that here and unseen done from the board fantastic we're gonna move on to new business, then.

277

00:39:29.520 --> 00:39:33.240

Town of Parish: In new business arm, I spoke with you people over the phone.

278

00:39:34.320 --> 00:39:35.820

Town of Parish: We had once again.

279

00:39:36.960 --> 00:39:56.340

Town of Parish: had to rush through another Constable because our past Constable went to school on one evening and had to quit so we have him on board I just need a motion to approve brennan Bauer, as our new Constable for the town to take training so of.

280

00:39:57.390 --> 00:39:58.470

Town of Parish: Motion by Robin.

281

00:39:59.610 --> 00:40:00.180

Town of Parish: Who second.

282

00:40:01.560 --> 00:40:04.560

Town of Parish: Gary all those in favor Aye.

283

00:40:06.480 --> 00:40:09.330

Town of Parish: opposed nobody motion passes galley.

284

00:40:11.220 --> 00:40:18.870

Town of Parish: Okay next business, I need, I would like to form anyways a committee for the highway garage repairs.

285

00:40:20.010 --> 00:40:29.160

Town of Parish: Mr holton has been doing some of this work on his own and you should know me by now, I like committees, because i'd rather have a committee report than just a person report.

286

00:40:29.610 --> 00:40:36.150

Town of Parish: So I would like to form a highway garage repair committee with Doug holden anytime anybody else would like to assist them.

287

00:40:37.080 --> 00:40:45.960

Town of Parish: I could be on that committee, because you guys are already working many other committees, I was, I was also looking towards that can eat for Meryl Park, yes, we should hop on that just pay them.

288

00:40:47.670 --> 00:41:04.560

Town of Parish: Well, this committee for Merrill park has other issues but we'll deal with that afterwards so make it two separate committees, I would also like to be on like I said on the committee for the highway garage repairs and that way i'll do that is there, I need a motion to form that committee.

289

00:41:09.480 --> 00:41:10.050

Before.

290

00:41:15.150 --> 00:41:19.980

Town of Parish: So don't really doesn't matter just where we are now we're all right.

291

00:41:20.730 --> 00:41:32.070

Town of Parish: I know I just wanted to make sure that we didn't we can always add another Member once we form the committee it's easy if Richard comes back he wants to be on any one of these committees welcome aboard I mean that's the way it should be.

292

00:41:33.150 --> 00:41:41.010

Town of Parish: He may have been on the park in the in the past, so we will we will do that I just need a motion to form that committee with Mr Horton be in the Chair.

293

00:41:42.120 --> 00:41:53.640

Town of Parish: system motion by Robin second second by Gary all those in favor Aye Aye opposed stained motion passes.

294

00:41:55.650 --> 00:42:01.500

Town of Parish: Thanks Doug I know you're already doing work in we will get paid for us.

295

00:42:03.210 --> 00:42:05.370

Town of Parish: But that's good next thing is.

296

00:42:06.870 --> 00:42:16.050

Town of Parish: A committee for Meryl Park, I know, in the past it's been kind of thrown out there and Gary knows, probably the the history behind metropark.

297

00:42:16.770 --> 00:42:24.270

Town of Parish: As we talk about it, we don't know when we open it we don't know who's going to take care of it on the season is fast approaching.

298

00:42:24.780 --> 00:42:40.710

Town of Parish: It was mentioned to me that we should probably have a committee to look at how we're going to deal with it, are we going to have a highway deal with, or we get a higher more like dakotan did last year I we can't do the work okay yeah because, while.

299

00:42:43.200 --> 00:42:44.940

Town of Parish: I was there last summer.

300

00:42:47.400 --> 00:42:49.920

Town of Parish: There are some issues that should be taken care of.

301

00:42:51.270 --> 00:42:52.080

Town of Parish: At the.

302

00:42:53.460 --> 00:42:55.980

Town of Parish: last half of the year we left the park open.

303

00:42:57.240 --> 00:42:59.550

Town of Parish: Under greg's authority.

304

00:43:00.720 --> 00:43:01.740

Town of Parish: and worked out well.

305

00:43:03.960 --> 00:43:09.240

Town of Parish: I don't we did have a couple of kids in there with motorbikes but the caps changed well.

306

00:43:11.040 --> 00:43:14.070

Town of Parish: Overall, it was really good and.

307

00:43:15.690 --> 00:43:23.400

Town of Parish: While I was there I talked with a lot of people that would like to get more use out of the park, so it stayed open.

308

00:43:25.320 --> 00:43:35.040

Town of Parish: Conversely, if they want to use the park for recreation, then park their cars in the parking lot you don't have to unlock the gate.

309

00:43:36.150 --> 00:43:36.810

Town of Parish: Rosemary.

310

00:43:38.580 --> 00:43:44.730

Town of Parish: navy then with all your knowledge, I think you would be good to be chairman of this committee as well.

311

00:43:53.070 --> 00:43:54.720

Town of Parish: What was I saying, but.

312

00:43:56.250 --> 00:44:02.670

Town of Parish: You do have the knowledge um if you would like to accept the chairmanship and we form a committee, would you be willing to do that.

313

00:44:03.930 --> 00:44:04.680

Town of Parish: I would.

314

00:44:06.210 --> 00:44:08.310

Town of Parish: Yes, but it takes.

315

00:44:10.020 --> 00:44:12.780

Town of Parish: Several lines okay what now in.

316

00:44:14.790 --> 00:44:16.860

Town of Parish: In the summer work if you want to.

317

00:44:18.900 --> 00:44:21.720

Town of Parish: like this money your doctor about spending.

318

00:44:22.980 --> 00:44:31.320

Town of Parish: A lot of areas that need to be addressed, and if everybody gets together and forms a plan.

319

00:44:33.120 --> 00:44:35.610

Town of Parish: And you will receive that is easy.

320

00:44:37.110 --> 00:44:37.710

Town of Parish: The.

321

00:44:40.470 --> 00:44:46.530

Town of Parish: park is not that hard to take care of i'd like to see personally like see.

322

00:44:48.840 --> 00:44:51.870

Town of Parish: More use like maybe.

323

00:44:52.920 --> 00:44:58.650

Town of Parish: They used to have an arts and crafts show they used to have a lot of civic things.

324

00:45:00.270 --> 00:45:02.850

Town of Parish: Before we can work that in maybe.

325

00:45:04.470 --> 00:45:21.390

Town of Parish: There was one baseball team that practice there, maybe we can get the word out and revamp some of the baseball diamonds stuff right, I might tell me about that that's where that's where the committee's can intermingle.

326

00:45:22.680 --> 00:45:37.830

Town of Parish: Where the arpa money and some of this other stuff going on and that way, at least, you know they can deal with the chairman of the committee in two chairs can get together and then go back and discuss or you guys can get you both committees together at least we have somebody.

327

00:45:39.480 --> 00:45:43.950

Town of Parish: And, once again, it sounds like you're really stepping up to the plate here for this one to.

328

00:45:50.670 --> 00:46:06.000

Town of Parish: Think about it, so you should do this right and you guys like I said, if we get emotion tonight to form this committee with Doug being the chair and Robin assisting them I think it's a I just need a motion to do that, and you guys can go right to work.

329

00:46:08.970 --> 00:46:18.600

Town of Parish: ready get together anyhow, yes, see, so I think that everybody ought to be there, anyway, I mean I don't we can we're all five five yes.

330

00:46:19.230 --> 00:46:27.450

Town of Parish: It was I don't care right everybody's got another opinion right and then as soon as that sometimes with the committee's as long as you keep it to.

331

00:46:28.260 --> 00:46:42.330

Town of Parish: Two board members, sometimes with the open meeting law, from what I understand you have to advertise that the Board is going to Merrill park at this time, because now we have a group, but I have a little more research on that.

332

00:46:44.520 --> 00:47:00.630

Town of Parish: Correct we could do that, but if it's a business trip, then we have to kind of advertise it and see where we're going what in what our mind right, but with two people we don't you know you can do it all day line well so just keep that in mind, is something I kind of saw along the way.

333

00:47:01.860 --> 00:47:06.150

Town of Parish: So can I please have a motion to form the moorpark committee.

334

00:47:07.980 --> 00:47:09.510

Motion and i'll second.

335

00:47:11.130 --> 00:47:22.410

Town of Parish: Okay, all those in favor hi hi all those opposed and abstained, would you say you wanted to be honest, I could i'm going to be on the highway.

336

00:47:23.310 --> 00:47:38.730

Town of Parish: i'm going to just leave it to two people for okay yeah because, may I ask sure we get too deep into something else between the highway committee and Merrill part will we be welcoming people in the Community to join the committee.

337

00:47:39.810 --> 00:47:50.490

Town of Parish: i'm going to leave that up to the committee on this one, because if we have too much, and I don't want to say too much, I mean public involvement, I believe, is great.

338

00:47:51.120 --> 00:47:59.100

Town of Parish: But you guys, as the committee chairs can decide, you want to invite public or not, then that that's way it's it's left to you guys just know asking.

339

00:48:00.900 --> 00:48:15.630

Town of Parish: But that's all I mean you can you know you could put it on Facebook hey you know we need some help and want public input, I believe you can do that with no problem at all, but that way you guys would report we put it on the board and made some comments, no.

340

00:48:16.980 --> 00:48:24.600

Town of Parish: Yes, yes, Sir okay so that's you know you can do what you wish on each committee some of the committee's don't need public input.

341

00:48:25.920 --> 00:48:37.050

Town of Parish: You know, some may so it's like Meryl part I think should I don't know I wait right exactly that's exactly what I where i'm going so i'm going to leave it up to the chair of each committee to decide what they want to do.

342

00:48:38.040 --> 00:48:40.110

Town of Parish: And I don't think the town board would have any problems with it.

343

00:48:43.770 --> 00:48:55.260

Town of Parish: i'm sure Richard when he comes back will be thrilled to things are moving forward Okay, I appreciate that um any new business off the floor.

344

00:48:57.780 --> 00:48:59.490

Town of Parish: Okay, I have one.

345

00:49:01.290 --> 00:49:03.210

Town of Parish: If nobody has anything else before me.

346

00:49:04.800 --> 00:49:08.850

Town of Parish: I will go with mine, I need permission.

347

00:49:10.170 --> 00:49:10.740

Town of Parish: This.

348

00:49:12.540 --> 00:49:26.040

Town of Parish: usda grant that was approved for the snow pop rock we've already ordered this not loud rock I do not leave that in the past they got bond Council, yet I could find nothing I called on.

349

00:49:27.030 --> 00:49:40.200

Town of Parish: we're going to have to take out some money to pay for this snow plow truck that will offset the grant I believe the grant is around \$30,000 somewhere in there, I don't know the numbers 34,000 so the rest is got to be made up by the time.

350

00:49:42.000 --> 00:49:55.350

Town of Parish: We don't have money it wasn't budgeted over \$100,000 for this truck now the fund balance we might be able to use who may be able to use some we might be able to use DARPA money, but we still need a loan.

351

00:49:55.890 --> 00:50:01.980

Town of Parish: So I have to because the truck is coming, nothing was put in place as to how to pay for it yet.

352

00:50:03.060 --> 00:50:05.790

Town of Parish: So bond Council if i'm correct Bob.

353

00:50:07.620 --> 00:50:14.340

Town of Parish: Is this Council that does all the legal work and get it in obtaining our loan Is that correct okay.

354

00:50:15.480 --> 00:50:23.550

Town of Parish: I want to make sure like I said i'm we're learning every day to um so i've been in contact, I called Barclay damon.

355

00:50:24.030 --> 00:50:34.320

Town of Parish: Who, after I spoke with jake Rasul he informed me that prop possibly Barclay damon was handling our bond Council because I could find nothing except to get it, I could find nothing that says.

356

00:50:34.770 --> 00:50:46.110

Town of Parish: We hired somebody I couldn't find anything of that sort, so I call barkley damon tried to speak to a woman, I cannot even remember her name i'm sorry she retired.

357

00:50:47.100 --> 00:50:53.130

Town of Parish: I then went to another person on the list that Jay said, maybe involved he didn't return my call.

358

00:50:53.910 --> 00:50:58.920

Town of Parish: I didn't know where to go, so the next person I called who used to work at mark the demon was Joe Russell.

359

00:50:59.340 --> 00:51:05.850

Town of Parish: who worked with us on the water product project he worked directly damon remember previously in the year he went out on his own.

360

00:51:06.660 --> 00:51:21.180

Town of Parish: Okay, so he's on his own he has the records for the water I call up Joel Russell because he worked at our team, he said the other gentleman I tried might also partially be semi retired and Jill Russell would love to be our bond Council.

361

00:51:22.350 --> 00:51:40.890

Town of Parish: So what I am requesting is that we hire or I go chat with Jill Russell for buying Council for this project, and I just need your permission, because if there's a cost involved with with it and I don't know what the cost is yet because, quite honestly.

362

00:51:42.150 --> 00:51:48.270

Town of Parish: between a rock and a hard place because it's a trench is coming we just don't know when I know wires to state was.

363

00:51:48.690 --> 00:51:58.290

Town of Parish: you're supposed to give them an October, now they said they don't know when a year and a half, so yeah yeah but it's coming so we're working on that to pick up you know some of these ends.

364

00:51:58.770 --> 00:52:12.060

Town of Parish: And I don't think it was ever done so I need a motion for me to enter an agreement with bond Council no money yet just to go speak with them and obtain bond Council, and I can come back.

365

00:52:12.630 --> 00:52:33.780

Town of Parish: And and do that, so we have emotion by Doug holden for me to pre enter in agreement with Joe Russell is bond council for the usda truck can have a second second by Robin all those in favor Aye opposed nobody motion passes, by the way, I have a meeting with Joe Russell tomorrow.

366

00:52:34.800 --> 00:52:37.140

Town of Parish: Thank you, I was gonna cancel at.

367

00:52:40.740 --> 00:52:50.310

Town of Parish: Some point, yes, Sir, I think, somebody has to decipher the last audit i've talked before.

368

00:52:51.330 --> 00:52:54.960

Town of Parish: and find out what the real fun balances.

369

00:52:56.040 --> 00:53:02.100

Town of Parish: Are fun Valence the real number, we have a real number that's in the Bank but.

370

00:53:03.690 --> 00:53:05.040

Town of Parish: The thing with fund balances you.

371

00:53:06.960 --> 00:53:21.900

Town of Parish: know the yeah it's so what happened flows technically and that's where some of the issue was we have money I just don't know we have too much fun, yes, and so what we have to do and what I found and researched, we need a fund balance policy.

372

00:53:23.310 --> 00:53:27.390

Town of Parish: That is on my list of things to do, once I keep my head above water a little bit.

373

00:53:28.410 --> 00:53:36.000

Town of Parish: Because once we develop that policy as a board, we can set 15% 20% 25 whatever number even that you want.

374

00:53:36.600 --> 00:53:55.530

Town of Parish: And that will, but I have to speak with Larry to assist me and all i'm saying is you've got to know that number correct beyond a reasonable fun bales kind of something we can use for the truck correct, yes, you got to know that number yes i'm reminding you, yes.

375

00:53:56.820 --> 00:53:59.970

Town of Parish: And that is why I firmly believe that.

376

00:54:01.560 --> 00:54:02.790

Town of Parish: we're going to get in the works.

377

00:54:03.810 --> 00:54:11.250

Town of Parish: I would like to just go get bound council for the whole amount right now, because I don't have a number yet and that's what I can tell, Joe tomorrow.

378

00:54:11.730 --> 00:54:21.030

Town of Parish: Is that look I don't you know we might use X amount of dollars from arpa we might you know we're used 34,000 from.

379

00:54:21.690 --> 00:54:31.320

Town of Parish: yeah you know, and then the rest we're gonna have to make up and in the budget, if you read the budget from 2022 it states for the snow the usda grant will make up an amount.

380

00:54:31.770 --> 00:54:40.620

Town of Parish: And then, some will come out of fun balance, some will have to be borrowed and you know, some may come from and it doesn't give you details in the budget.

381

00:54:41.520 --> 00:54:51.570

Town of Parish: So I don't think you know get and Gary would know, did you plan on certain numbers, when you if you can remember there wasn't really numbers on it.

382

00:54:52.230 --> 00:55:08.400

Town of Parish: So we had an estimate right, and if we had to borrow the money that's the worst case scenario we borrow the hundred and whatever thousand over the next X amount of years and we have to turn that tide working with securing a grant Well he did he did secure the grass or the grant.

383

00:55:10.800 --> 00:55:13.650

greenbank percentage but.

384

00:55:16.980 --> 00:55:21.060

Town of Parish: No, because bomb Council was never, never So when I.

385

00:55:22.110 --> 00:55:34.440

Town of Parish: found the usda grant folder um it had like a list and I spoke with renee Adams from usda and she sent me another list and it crossed off some items that were done.

386

00:55:35.010 --> 00:55:47.640

Town of Parish: there's a whole bunch of other items that need to be done in the next one is and get bond Council so that's, the next item on that list, and we will continue working to get that list down before the truck offspring.

387

00:55:49.470 --> 00:55:51.120

Town of Parish: And that is what we are attempting to do.

388

00:55:52.470 --> 00:55:57.180

Town of Parish: Okay, so now with your motion, I will go talk with Joe tomorrow alright.

389

00:55:59.370 --> 00:56:10.410

Town of Parish: correspondence I don't have anything that was out of the ordinary informational items you guys normally get it via email I don't have to bring them here or even speak about them on the agenda.

390

00:56:12.450 --> 00:56:15.300

Town of Parish: And we're going to move to approval of the bills.

391

00:56:16.770 --> 00:56:26.280

Town of Parish: The supervisors report, I will have to table as we couldn't close out February books so early and trudy is in school next week.

392

00:56:26.790 --> 00:56:38.040

Town of Parish: So, by the time we discuss this with Williamson it'll be the following week and then we should be able to close off the box truck so that's that's good there, of course I don't have it tonight so.

393

00:56:40.170 --> 00:56:43.860

Town of Parish: there's money it's early in the year it's not like there isn't money yet.

394

00:56:44.880 --> 00:56:45.750

Town of Parish: For the next.

395

00:56:46.830 --> 00:56:56.610

Town of Parish: For the vouchers, so there is money and all those accounts and I just need a motion for the general fund a to approve the vouchers.

396

00:56:59.040 --> 00:57:03.330

Town of Parish: At \$37,163 and 36 cents.

Town of Parish: Alright looks good yes hi hi.

403

00:57:36.810 --> 00:57:37.980
Town of Parish: Motion passed Kelly.

404

00:57:39.810 --> 00:57:51.480
Town of Parish: OK, and now I need a motion for the highway fund da to approve vouchers 3338 at \$25,277 and 54 cents.

405

00:57:54.690 --> 00:58:05.040

409

00:58:33.300 --> 00:58:33.720
Town of Parish: Government.

410

00:58:34.950 --> 00:58:36.030

Town of Parish: We get the brackets.

419

00:59:17.220 --> 00:59:18.570

Town of Parish: Those satellites.

420

00:59:20.100 --> 00:59:29.700

Town of Parish: dictates it it's like \$9 and something too much, but your phone is another thing look like a motion, so you can look at it, you can say upload upload the video and the pictures.

421

00:59:30.450 --> 00:59:44.220

Town of Parish: So if anybody did get in there and destroy something you got pictures to turn in and build stuff everything, and you can save it and anybody can see it on the phone if you're not connected right I think that's that's a cheap way to do it, you know.

422
