Townsupervisor@parish-ny.us

3/24//25

Demo Permits are required for all property that is demolished in the town of Parish.

The Town of Parish Board Unanimously voted on 3/20/25 to:

Waive all demolition permit fees for all structural damage that occurred during the 2025 Winter storm for primary residences.

This waiver does not pertain to building permits for repairs or construction to rebuild these structures.

It also does not pertain to rental property or commercial properties.

Please contact our Code Enforcement Officer Will Hamacher (315) 625-4305 to obtain a demo permit or building permit.

Sincerely,

James Bernys
Town of Parish Supervisor
